- German 19th-century linguistics development; Johann Christoph Adelung's/Friedrich Schlegel's contributions; 8801233
- German *accusativus cum infinitivo* structures; transformational-generative treatment; 8803247
- German action verbs, cause-effect relationship expression; valence value, actant structure; facultative/obligatory correlates; 8800781
- German address forms, 1840-1860/1890-1900; diachronic/semantic changes; bourgeois/proletarian language use, socially dependent vocabulary; 8801550
- German administrative texts readability/intelligibility; syntactic/lexical peculiarities/pragmatic conditions; West German vocational/gymnasium students; 8801065
- German Americans, linguistic assimilation; Wisconsin study; causal factors, language death; 8804246
- German as a foreign language instruction; French secondary schools; methodology revitalization suggested; 8805045
- German as a foreign language instruction; French technical Us; 8800334
- German as a foreign language pedagogy; audio-visual materials use; 8800211
- German as a foreign language pedagogy; culture learning; 8804960
- German as a foreign language teaching; French decline; 8800214
- German as a foreign language testing, cloze procedure; intersentential comprehension; college German students; 8805189
- German as a foreign language, beginning word lists; traditional/criterion-oriented lists compared; 8807389
- German as a foreign language, computer-assisted exercises; Private Tutor System; beginning students; 8804928
- German as a foreign language; French-speaking students; civilization teaching materials; 8800283
- German as a foreign/second language, diastratic/diatopic varieties teaching; feminist approach; 8805039

- German as a mother tongue, Hungary; minority's political/cultural/linguistic rights; government policy/socioeconomic/psychological factors; 8806673
- German as a native language instruction, adults; reflection on language didactic use, methods/materials; 8804905
- German as a native language instruction, East German polytechnic high school; linguistic competence studies, theoretical/practical aspects; Marxist-Leninist framework; 8802460
- German as a native language instruction, German language history, East German polytechnic high school; textbook design, teaching tasks/objectives; 8802468
- German as a native language instruction, Hungary; ethnic minority mother-tongue education; error analysis; Hungarian/intralingual/dialectal interference; high school students; 8804899
- German as a native language instruction, teacher training; East German Us; word formation teaching; teaching plans/textbooks survey; 8802467
- German as a native language instruction, writing component; *Sprachwerk* (language work) approach; writing as problem-solving; 8807882
- German as a native language instruction, writing component; text re-writing, didactic benefits; 8807883
- German as a native language instruction; gymnasium level; communicative approach failure, grammar role; 8800192
- German as a native/second language, Bohemia/Moravia; history/geography/past/current statistics; Czech-German language contacts, minorities/language policies; 8809001
- German as a science language, German teaching policy, Belgium; German knowledge questionnaire; Liège U staff; 8804911
- German as a second language computer-assisted instruction; software development, methodological principles; 8805130
- German as a second language instruction, Arabic students; text reception/comprehension difficulties; 8802472
- German as a second language instruction, Chinese students; speaking skills development, radio interview utilization; personal experience account; 8805040
- German as a second language instruction, cultural reality presentation; first-year textbooks analyzed; 8805026
- German as a second language instruction, Greece; German as a "remigrant" language notion, migrant children's German skills preservation; 8805112
- German as a second language instruction, internationalisms; negative interference/false friends, phonetic/morphological/semantic levels; Czech students; 8804976
- German as a second language instruction, Italian learners; dependence-verb-grammar textbook representation; dependence grammar; 8802570
- German as a second language instruction, Italian students, communicative-pragmatic approach; international class correspondence approach; 8807461
- German as a second language instruction, motion picture as teaching material, *Die verlorene Ehre der Katharina Blum* (The Lost Reputation of Katharina Blum); 8802531
- German as a second language instruction, Portugal; secondary school/U level; current situation, reform proposals; 8802549
- German as a second language instruction, rapid reading; German human sciences textbooks; 8800212
- German as a second language instruction, U level; TV/radio commercials; 8802550
- German as a second language instruction, writing competence; methodological suggestions; 8802483
- German as a second language instruction; contrastive pragmatics; German-English related/unrelated forms; 8800287
- German as a second language instruction; text interpretation/comprehension scheme, literary texts reading; 8802504
- German as a second language instruction; verb *handeln* 'to act' possible translations; practice material; 8800278
- German as a second language letter writing; communicative effectiveness, accuracy effects; 8802513
- German as a second language teacher training program, listening comprehension teaching methods/materials; personal experience account; 8807473
- German as a second language teacher training, East German Us, Czech students; computer-assisted error analysis/correction, software development/characteristics; 8804961
- German as a second language teacher training; East German pedagogical colleges, text/tasks/drills; 8800207
- German as a second language teacher training; Russian students, East German Us/colleges; deficits, errors; remedial materials; 8807440
- German as a second language, Chinese speakers; pronunciation errors; English interference; error analysis; 8800383
- German as a second language, communication-oriented instruction; games as teaching activities; 8802577
- German as a second language, communication-oriented instruction; information-containing texts, materials/activities; 8802578
- German as a second language, English-speaking students' adjective endings instruction method; S. Krashen's language appreciation approach adopted; 8800323
- German as a second language, foreign/nonphilological students' listening/writing comprehension difficulties; 8802585
- German as a second language, humanities/law special language teaching, German Us; text content comprehension/structure analysis; 8805013
- German as a second language, Hungarian students; subject omission errors, linguistic interference; subject omission rules formulated; 8800339
- German as a second language, Italian students; vocabulary work, methodological suggestions; 8807471
- German as a second language, pragmatic deficits; conversational analysis; Italian migrant children; 8802599
- German as a second language, professional education, foreign students; reading/comprehension difficulties, strategies; 8802552
- German as a second language, professional schools, foreign students; technical texts difficulties; teaching suggestions; 8802593
- German as a second language, pronunciation teaching; Korean students; error analysis; German-Korean phonemic systems compared; 8800260
- German as a second language, questions; teacher vs student interrogative behavior; question typology, didactic use; 8800351
- German as a second language, Russian students; interference errors listed; didactic practice related; 8800338
- German as a second language, specialized style instruction; syntactic peculiarities/learning difficulties, methodological suggestions; 8800268
- German as a second language, teacher training; East German Us/pedagogical colleges; cultural content; 8807480
- German as a second language, teacher training; East German Us/pedagogical colleges; linguistic program content; 8807510
- German as a second language, US history; 8805050
- German as a second language; audio-visual method; text selection/culture appreciation; 8804949
- German as a second language; motivation/target-language country cultural information; East German Us, foreign students; 8800317
- German as a second/international language, Belgian perspective; German language status/knowledge importance; 8804271
- German as a technical language teaching/learning, China; historical perspectives, statistics; 8807507
- German as a world/foreign/second/international/colonial/minority language, diachronic/synchronic perspectives; Romance-German contacts, Belgium, lexical/morphosyntactic/semantic interference; 8806691
- German as second language instruction; dependence-verb grammar value/textbook representation; 8802569
- German authors' specialized texts, English versions, native/nonnative English texts compared, syntactic/stylistic peculiarities; Technische U, Braunschweig; 8800669
- German cabaret puns; typology, semantic context criterion; 8800983
- German case system, adequate criteria lack; linguistic/historical arguments considered; 8800759
- German classical philology development; historical orientation, Berlin U, August Boeckh's contribution; 8808546
- German coin names phraseologisms; coin usage, coin-names' meaning/etymology; second-language teaching implications; 8800819
- German colon usage rules, *Duden* rules inadequacy; contemporary journalistic texts analysis; colon's values/functions, rules modification; 8806594
- German conjunction *oder* 'or' new functions; decisive/alternative/ascertaining/rhetorical questions; substitute/emphatic word/modal particle; 8808151
- German conjunction *ohne dass* 'without', syntactic function/semantic value/meaning; preposition *ohne* 'without' distinction; 8805831
- German *damit* 'so that' clauses, *Präteritum* (preterite)/*Konjunktiv II* (subjunctive) use; common features; 8808199
- German developed *-ung*-nouns, transformational/lexicalist account; N. Chomsky's/R. Jackendoff's frameworks; 8803376
- German deverbal proper names formation; semantic limitations, constraining sememes; 8803319
- German dialectal temporal phrases, areal description; structural-semantic modeling approach; ideographic principle; 8803325
- German dialects maintenance; sociohistorical factors/cost-benefit ratio role examined; 8804193
- German dialects; allomorphic variation; basic/derivational/inflectional morphemes; Freiburg/Tübingen/Stuttgart speech; 8805911

- German dialogue/monologue; verb valence requirements nonrealization; 8806085
- German dictionaries; negative aspects; lexicography/linguistic theory; 8801563
- German discontinuous noun phrases split, "free" word order; government/binding framework, universal grammar principles; 8808443
- German discourse prosody, second-language instruction; listening exercises; Swedish-speaking students; 8802534
- German double-participle structures, grammaticality diachronic study; correct/incorrect use distinguished; 8803210
- German elided nominal groups; syntagmatic ellipsis; occurrence constraints, context sensitivity; 8800845
- German emphatic stress; oral discourse property, communicative-pragmatic function; semantic-phonological hybrid; 8805674
- German *es* 'it' text-specific use, dialectal/colloquial/folk oral-poetic; 8805803
- German first person present active verb form, subjunctive/indirect speech introduction; corpus analyzed/counterevidence found, German fiction/nonfiction works; 8800783
- German folk puzzles; linguistic level switch, classification; 8801632
- German foreign nouns' morphological adaptation; case/plural inflection, null/intermediate/strong markedness; 8803373
- German future tense; tense-mood unified description; oral standard language, verb forms subsystem; 8800821
- German genitive-taking verbs; object case alternates, selection conditions; 16th-century Leipzig prints analyzed; 8803664
- German *gewiss* 'certain'; hedging functions; intensification/weakening; 8805897
- German grammar *Grundzüge einer deutschen Grammatik* (The Foundations of German Grammar) review; praise/critique reevaluated; 8800196
- German grammatical gender, morphopragmatic approach; morphology/speech situation effects; 8800957
- German grammatical paradoxes; natural phenomena, form-content asymmetry; 8800844
- German hedges; Spanish equivalents; fuzzy sets/relative classification; 8806396
- German idioms use, political/journalistic speech; *idiomaton* as idiom-producing/analyzing tool; 8801027
- German unreal comparative sentence; mood/conjunction use, main clause presence/absence; belletristic material, quantitative analysis; 8800782
- German knowledge questions; *dass*- 'that'/'ob- 'if' embedded clauses, speaker's intention/motive; 8808116
- German *können* 'can'/'mögen' 'may' meaning change; 16th-century Leipzig prints; Marxist-Leninist framework; 8803720
- German language cultivation; linguistic sexism, feminine suffix *-in* usage rules; East/West/Austrian German differences; 8806757
- German language development, 19th century; industrial revolution/proletariat-bourgeoisie conflict effect, normative works; 8801350
- German language instruction; French secondary schools; communicative methods; 8804948
- German language teaching, Belgium; elementary school, first-/second-language instruction, educational policies, attitudes; 8809038
- German language teaching; economic texts use; reading/writing skills development; 8800297
- German language teaching; Finnish secondary schools; cognitive/affective aims rated; 8802591
- German language teaching; specialized fields; bibliography; 8800252
- German language teaching; video materials use; 8800215
- German language, Tunisia; historical role; 8809028
- German language-psychological research development, 19th century; Berlin U tradition, H. Steintal's contribution, predecessors; 8808558
- German lexicography, theoretical/practical aspects; Institute of the German Language annual meeting, 1987; 8806560
- German lexicon deficiencies, linguistic theory neglect; meaning treatment suggestions; 8806542
- German *Lust* 'pleasure, inclination, lust', meaning associations; *Grazer Linguistische Studien* 25th issue celebrated; 8800918
- German masculine function designations, feminization/neutralization, suffix *-in* vs gender-neutral forms; L. F. Pusch's proposals; 8805763
- German minority, Belgium, language official status; "öffentliches Deutsch" (public German), legal language planning; 8808998
- German minority, Hungary; linguistic/cultural/social/political aspects; personal experience related; 8804255
- German modal particle *doch* 'yet/however' meanings; possible-world semantics framework; structural sensitivity; 8800931
- German modal words, request-expressing sentences; semantic features, syntactic distribution, pragmatic functions; 8805719
- German moods; syntax/semantics; unified grammatical description; 8803354
- German morpheme, nonphonological variability; syllabic composition; 8803382
- German negation, micro-/macro-analyses; second-language teaching implications; word/sentence/text levels, semantic/syntactic/morphological aspects; 8803225
- German neologisms, lexicographic treatment need; neological dictionary compilation urged; 8804060
- German neologisms; contemporary German-Chinese dictionaries surveyed; neologism definition/typology; 8801559
- German *nicht* 'not' particle use; sentence/sentence part negation; second-language instruction implications; 8800826
- German nominalization; production pattern/semantic interpretation; verb's thematic role abstraction; 8808259
- German "nominalized" adjectives, transformational account; government/binding theory framework, Pro-drop principle; 8803218
- German "nominalized" adjectives, transformational account; S. Olsen's account modified, "avoid empty category" rule; 8803267
- German normative alphabet; letters *ß/ä/ö/ü* ordering/representation; L. Wittgenstein's/E. Wüster's/Heyse-Raumer's proposals evaluated; 8804103
- German nouns/adjectives genitive case marking, *-s* presence/absence; obligatory/optional affix, null-allomorph developmental trend; 8805789
- German objective modal verb + perfect/present infinitive; semantic nuance, temporal reference role, regular occurrence; 8800814
- German onomastics, Slavic elements retrieval; Old Polabian/Sorbian dialects, phonetic/world-formational/lexicological aspects, linguistic/cultural relevance; 8806500
- German orthographic word division; syllabic principle, phonotactics/graphotactics relationship; 8808911
- German orthography normalization; punctuation/separate-/joint-writing/foreign words spelling; workshop report; 8806591
- German participles, government/binding theory-oriented analysis; J. Toman's description critiqued; alternative semantic account; reply; 8803572
- German passive, colloquium report, Nice (France), 20-22 November 1986; 8805827
- German passive; *genus verbi*/verb aspect analysis compared; 8800748
- German pedagogical grammars; design/form/content/drills evaluated; grammar learning difficulties discussed; 8800186
- German phrase/adjectival word formation, modelability/semantic content compared; 8803244
- German phraseology history; Wenzeslaus Linck's proverbial idioms/comparisons, quantitative analysis; lexicographic treatment; 8806367
- German phrases, folk-etymological reinterpretation/element substitution; verbal/comparative/exclamative phrases; 8803333
- German plosives /p/, /t/, /k/ perception/identification; acoustic cues effect, closure/burst variation; pronounceability measurements; male/female normal-hearing listeners; 8809313
- German plural formation; "cue strength" psychological model; schema matching; 8808294
- German political phraseology; term versus general vocabulary; central/peripheral political phrases; 8801551
- German pre-forefield expressions, typology; semantic-pragmatic peculiarities, metacommunicative value; 8805808
- German predicative adjectives evaluative functions, complement clause/infinitive group containing structures; 8805805
- German privative adjectives; gradable/nongradable classes distinguished; syntactic characteristics identified; 8800798
- German pronoun *es* 'it' pronominal/pro-word/sentence-typological/verb-typological functions; 8805702
- German pseudoconditionals, Bulgarian equivalents; comparative analysis; 8803788
- German pseudoparticiples; definition/semantic/grammatical properties; 8802955
- German psycholinguistics; historical/communicative/psychological/pedagogical aspects examined; 8801720
- German purism history; Gallicisms assimilation/rejection, 18th/19th centuries; puristic movements; H. Schulz's/O. Basker's *Deutsche Fremdwörterbuch* (German Dictionary of Foreign Words); 8804280
- German questions; modal particles occurrence/function, *doch*, question typology; comment; 8808115
- German relative sentences, typology/semantic value; causal/concessive/adversative/temporal/semi-adverbial; 8800951
- German *sein* + *zu* + infinitive structure + agentive phrase; occurrence rules tested; 8800791
- German *sein* 'to be', *haben* 'to have'; active perfect, attribution nature; 8803160

- German semantic cases typology/description, valence framework; 8803250
- German sentence adverbials' syntax, *vielleicht* 'perhaps' topology; transformational-generative framework; N. Chomsky's *move-a* rule application; theme-rheme division; 8808142
- German sentence adverbs, *wahrscheinlich* 'probably'/'*möglicherweise* 'possibly'/'*vielleicht* 'perhaps', speaker's attitudes/certainty expression; 8805840
- German sentence computer-aided analysis; verbal sememes formalized description; semantic structure/syntactic valence/case relations; 8803820
- German sentence mode, grammatical/communicative aspects; project "Satzmodus" (Sentence Mode) design, assumptions; 8808161
- German sentence production, part positioning/article choice; communicative function vs information-processing account, lexical type retrieval, sentence production model; 8804661
- German sentence-like situational ellipses, semantic indeterminacy; conceptual/interactional processing, syntactic/semantic representation; 8808194
- German ship names, formation patterns; name source typology, feminine gender; 8801523
- German simple sentence, basic structural models; belletristic material, statistical analysis; 8805712
- German slang, norm violation; speaker's attitude, metaphorical/careless language use; language cultivation problem; 8809048
- German social group designations, use/meaning; conservative/liberal/socialist circles; 19th-century German newspapers analyzed; 8801583
- German *Sonderbehandlung* 'special handling/treatment', word meaning history, West German context; 8805845
- German speech act performance; "request"/"apology," statistical analysis; situational context/pragmatic factors role; 8808362
- German strong verbs' present tense inflection paradigm, uniformization process, functional/social/territorial factors; 16th-century Leipzig prints analyzed; 8803669
- German strong-weak verbs continuum; characteristics, transition stages; 8805902
- German structures *ist* 'is'/'*sind* 'are' + *zu* 'to' + infinitive/*hat* 'has'/'*haben* 'have' + *zu* 'to' + infinitive; modal value/semantic functional variants/context influence; general vs economics texts; 8808163
- German structures *sein* 'be' + *zu* 'to' + infinitive; modal value/semantic ambiguity/passive voice interchangeability; legal texts; 8808166
- German subjectless clauses, valency/government-binding frameworks; empty categories; 8808456
- German subjunction *seit(dem)* 'since', main/subordinate clause tense combinatorics; H. W. Eroms's rules critiqued; 8805727
- German Switzerland language situation; Standard German/dialect media diglossia; 8804247
- German synonyms lexicographic treatment; didactic lexicon compilation principles; 8804997
- German *Tabu* 'taboo', origins; German political discourse use, denotative domain; discursive-instrumental role; 8804231
- German *ver*-prefixed verbs description/multilevel analysis; valence/actant/typology problems; 8808306
- German verb, obligatory objects; valence theory framework; J. Schwitalla's statements, comments; 8803174
- German verbal prefixation, evolution/expressive efficiency, comparative (German-French) framework; 8808683
- German verb's meaning actualization, variant/invariant sememes; syntactic realization model role, actualization function; 8805772
- German weak masculine nouns; semantically based class, language-specific/universalist traits; 8803347
- German *werden* + infinitive future; modality/temporality; diachronic development; 8800831
- German *werden* + infinitive "future"; temporal/modal; uncertainty expression; 8803226
- German *werden* 'to become', modal verb; potential modal adverbials occurrence; quantitative-statistical analysis; 8803258
- German word formation logical form; word formation morphology/semantics interpretation; logical form derivation process outlined; 8800968
- German word order, case grammar analysis; deep case hierarchy; 8805715
- German words complement structure; base-derivative complement properties alteration; 8804084

- English *vint* 'Russian whist', origin; Russian/Yiddish *vint* associations; 8801307
- English-Dutch false friends; list excerpts; 8800665
- Eskimo *Pükitsulik* tale, new reading proposed; German sailors, ditty-type rhyme/rhythm; 8801074
- eussel*-toponyms, Diest (Belgium) region, diachronic/regional variants/meaning; 8803984
- Ezzo lied, Germanic-Carolingian features, meter/sentence structure/word formation/usage; 8809170
- feature distribution; German/Dutch modifier/specifier placement; 8806125
- fictional character's linguistic behavior, translation problems; Lotario's (*Don Quixote*) Spanish expression/Dutch rendition; 8809171
- Fishman, J.; *Readings in the Sociology of Jewish Languages* reviewed; Hebrew/Yiddish/"Jewish languages"; 8801713
- Flanders language policy; standard language importation; 8801710
- Flemish surnames *Moncarey/Monkerhey* etymology; French adjective *malquaré* 'ill-shaped, badly built'; 8803981
- Flemish, dialect geography; extralinguistic factors, economic development; 8803964
- foreign borrowings, German; normative codification; phonetic interference; 8803900
- French as a second language testing, Swedish students; repetition/reproduction/picture description tests; pre-/postcourse results compared; 8802664
- French/Dutch causative structures comparison, *faire/laisser-doen/laten* 'to make/to let' + infinitive; Masayoshi Shibatani's conditions tested, causation criteria formulated; 8806375
- Frisian forenames *Seerp/Sjerp/Worp/Werp*, etymologies/meanings; 8803999
- Frisian immigrant speech, US; immigration age, generation status, phonological interference; 8808991
- Galician *groba* 'pit, grave' etymology; H. Meier's explanation rejected, Gothic borrowing; 8803724
- Galician toponyms, Late Vulgar Latin formations; Germanic thesis rejected; integral/elliptic formations; 8804006
- German as a "difficult" second language, fact vs attitude; German vs French/Dutch; Belgian students; 8802551
- German as a native/second language, Belgium; language situation; German language status/selection, statistical data; 8804232
- German as a second language instruction, Dutch elementary level; no-analysis grammar teaching approach; comment; 8802589
- German as a second language, Dutch students; grammatical material presentation sequence; current textbooks critiqued; 8805011

- German conjunction *sondern* 'but', facultative/obligatory use rules; German prose; Norwegian comparison; 8800817
- German discourse prosody, second-language instruction; listening exercises; Swedish-speaking students; 8802534
- German *Logistik* 'logistics', popular military/economic term; Greek origin, French/English semantic extension, German assimilation; 8801552
- German modal/shade particles *denn/etwa/schon/eben/halt*, idiomatic use, colloquial language; German as a second language learners' difficulties, Norwegians; 8805162
- German-Dutch two-element kinship compositions; semantic categories, kinship relations typology; 8808684
- German/Danish minorities, linguistic rights legal protection; Sønderjylland/Northern Schleswig-Holstein; linguistic stratification/history/statistics/decrees; 8806652
- German/Dutch grammar development; Latin basis; New High German studies; 8801240
- German/English word order; principles, typology, Korean/Japanese/Turkish/German compared; 8804122
- Germanic alliterative verse; diachronic accounts; reflexes of Indo-European meter, innovative restructuring; 8808650
- Germanic substratum vocabulary, *p-/t-/k-* words; thematic list; 8803672
- Germanic superstratum influence, Gallo-Romance; L. Guinet's *Les Emprunts gallo-romans au germanique (du 1^{er} à la fin du V^e siècle)* (Germanic Borrowings in Gallo-Romance from the First to the End of the Fifth Century) critically examined; 8801342
- Gothic homeland, Germanic languages divisions; Gothic Bible, modern parallelisms evidence; 8803922
- Gothic *izwis* origin, second person plural personal pronoun, **es-we-s*; Indo-European number/case system development; 8803744
- grammar instruction, Netherlands; computer-assisted instruction system; BOUWSTEEN/COGO/TDDTD programs; 8804902
- grapheme-phoneme conversion, development tool; text-to-speech synthesis system; Dutch application; 8809329
- Gullah, African/English origins; universals influence; creole formation, ecological features role; 8801430
- Hebrew-Yiddish diglossia; A. ben Samuel's *Lovely Prayerbook*; 8801728
- Hebrew-Yiddish diglossia; Ganzfried's *Kitzur Shulhan Arukh* analyzed; realia vocabulary; 8801712
- Hedenvind-Eriksson, Gustav, literary language; quantitative study; 8809163
- human-computer interactive dialogues, response possibility; simulated computer system, Dutch speakers; 8808693
- Icelandic conjunction *enda*; coordination/subordination division reinterpreted; 8800851
- Icelandic prefixes/suffixes, stress; phonological structure constraints; 8803020
- immigrants' Swedish, poor/incomplete learning; creolization process; Sweden; 8807968
- indigenous/nonindigenous language variation, Netherlands; Frisian example; politically based differences; 8807983
- indirect object recognition; presentation mode, context/indicator presence; paper-&-pencil test; Dutch undergraduates; 8803503
- Indo-European/early Germanic worldviews; 'blood' images; root metaphor analysis; 8803699
- ingressive air-stream use; German/Scandinavian speakers; sociological/phonological factors; 8800723
- intelligence/attitudes, bilingual Afrikaans-English society; white South African teacher trainees; conservatism/religiosity factors; 8807966
- interlanguage variability; discourse domain effect; technical work/life story; prepared presentation/conversation; Dutch-French interlanguage; 8800387
- intonational phonology/meaning/phonetics relationships; Norwegian data; indefinite noun phrase specific/nonspecific readings; 8803035
- Japanese translation, 18th-century *Rangaku* 'Dutch learning'; translation techniques/system; 8808028
- Jewish culture/history; Yiddish language; 8801352
- Kensington Runestone; authenticity; new evidence presented; 8804105
- "Language and Pragmatics," Swedish-German research program; component projects description, participants presentation, annual meeting reports; 8806074
- language contact, Northern Norway; Finnish/Sami/Norwegian assimilation; 8801438
- language contact, Skibotn (Northern Norway); Finnish/Sami influence; Norwegian dialect-speaking informants; 8801440
- language learning processes, Danish as a second language; linguistic/sociocultural conditions; syntactic development/functional perspective; longitudinal study, audio-taped interviews; Albanian/Vietnamese-/English-speaking adolescents, Denmark; 8807534
- language planning policy rationale, Norway; dialect issues; 8801775
- language variation/change, areal differentiations/social configurations/linguistic developments, Netherlands; dialectal differences, historical factors; 8809036
- Latvian importance, Slavic/Baltic etymology; Polish *gniady* 'bay horse'/Old Prussian *cucan* 'brown' etymology, Latvian *dūkans* 'sorrel horse'; Slavic-Germanic parallels noted; 8801323
- lexical overgeneration, Icelandic bound neuter *i*-stems; P. Kiparsky's avoid synonymy principle revised; 8806168
- linguistic change, apocope distribution, Central Norway; Oppdal dialect; system-internal/-external change similarities; 8806272
- linguistic change, French Pays-Bas; Germanic languages/civilization influence, decline; historical treatments; 8806369
- linguistic rule, social construct; F. Jansen's thesis rejected; Dutch preterite clauses; normative prescription/language usage rule distinction; 8808160
- linguistic tones, cerebral lateralization; narrow-band spectrographic analysis; right-/left-hemisphere-damaged Norwegian aphasics; 8802025
- literal vs "trustworthy" translation; Dutch story, English translational versions; metaphor literal/functional rendition; 8805562
- literary translation; experimental course; German narrative text, French translation; 8802971
- literary work translation/interpretation; Robert Musil's *Triedere*, polysemic structures, French/Dutch renditions; 8806799
- logical relationship making; first-/second-language compositions; secondary students; Norwegian/English; 8805165
- Luxembourg language situation; Letzeburgisch/French/German, Italian/Portuguese as foreign languages; 8804215
- Luxembourg, "desired" trilingualism; French/German/Letzeburgish relationship, status/domain; Letzeburgisch as a dialect/standard; 8806676
- medieval German treatise; text/philological notes; 8808377
- Mexican Mennonites' language situation/behavior, plurilingualism, Mennonite Low German/High German/Spanish; social/religious factors; 8804229
- Middle Low German verbs *pläga*, 'provide, use'/*bruka* 'use, manage', Swedish borrowings; meaning/use/function development; 8808751
- Modern Icelandic lexical borrowing, American English loanwords; phonological changes, syllable structure constraints; 8808742
- Modern West Frisian verbs derivation, [k]/[tsj] suffix; Groningen dialect/Frisian dictionary data; 8806368
- morphological rivalry, J. van Marle's domain hypothesis modified; Frisian suffixes *-heid/-ens*; 8808312
- name-giving motives/criteria, diachronic trend; Germanic/saints/'fashionable'/foreign names; West German statistical data; 8806495
- natural generative phonology; rule restrictions; J. Hooper's true generalization condition; reply to G. Kristoffersen; 8801175
- negative particle/sentence adverb acquisition, Swedish language learners; error analysis/interview/description/acceptability test; Finnish-/Polish-/Spanish-speaking adults; 8807516
- negative statements, explicit negation theory; Th. Fretheim's criticism challenged; 8808517
- nicknames, collective local type; northern Sweden; formation processes; 8801516
- North Frisian, language revival; teaching subject/instructional medium, statistics/rationale/problems; 8806728
- North Sea Germanic *-s* plural, origin; French/English borrowing posited; Old Frisian *-ar* plural hypotheses; 8808301
- Norwegian assimilation/allophones; linguistic form tri-level representation; paradigmatics/syntagmatics/intermediate; 8803105
- Norwegian countryside place-names; recent developments; sources/origins; 8801517
- Norwegian dialect research; current projects; *Norsk Målførearkiv* (Norwegian Dialect Archive) activities/publications; 8800172
- Norwegian dialect research; U of Trondheim projects, 1922-present; 8801466
- Norwegian dialects; synchronic/diachronic research; vocabulary collections, documentation limitations; 8801465
- Norwegian farm names, *-stadir* suffix; geographical distribution; 8801540
- Norwegian farm names, *-stadir*-farms; pollen analysis dating method; 8801546
- Norwegian fishing ground landmark names; Helgeland; *salt* 'salt' element; O. Nes's analysis rejected; 8801527
- Norwegian fishing ground place-names; historical approach; 8801514
- Norwegian given names; formation processes; 8801512
- Norwegian noun phrase co-occurrence/agreement; phrase structure analysis; 8808162

- Norwegian place-names, trilingual areas material; classification/ comparison; 8801534
- Norwegian place-names; bear distribution/occurrence; 8801522
- Norwegian street names; traditional/functional aspects; new name guidelines; 8801521
- Norwegian text-to-speech system, toneme 1 1/2; test tape ratings; Norwegian listeners; 8803038
- Norwegian tonemes, dialect differences; normal/unexpected tonal patterns compared; 8803044
- Old English 'every'/'each', syntactic description/use variations; Early Middle English development; 8808617
- Old English *hæst*/Old Frisian *hāst* 'haste' etymology, Germanic regionalisms origin; 8806293
- Old English *rēodmūpa* 'pheasant'; etymology examined; 8801321
- Old English stress assignment, synchronic analysis; alliterative meter evidence reliability; M. Halle's/S. J. Keyser's account critically examined; 8808092
- Old English *Unferth*; etymological analysis; allegorical intent undermined; 8803989
- Old English *unhlitme* 'voluntarily', *Beowulf* l. 1097; etymology, other translations rejected; 8809172
- Old English/Germanic runes; international-phonetic-alphabet-based transliteration system; diachronic values; 8804100
- Old Germanic cosmic/eschatological myths; key-words analyzed; synthetic text reconstructed; poetic features identified; 8801266
- Old High German nature vocabulary; etymological/semantic analysis; wood/water terminology; 8803755
- Old Icelandic eddic animal names *Heiðrún*/*Eikþýrnir*, etymology; dialect parallels; 8808817
- Old Icelandic short tale *Þorleifs þáttur jarlaskálds* composition/subject matter, manuscripts relationship; diplomatic edition; 8808388
- Old Icelandic *ýmiss* 'alternate, various', phonological/morphological development; rules, attestations; first/second syllable phonology; 8803639
- Old Norse comparison, case-marked/particle types; presupposition; 8808622
- Old Swedish singular place-names, inflection; strong declensions, Södermanland data; 8808802
- Orešnik, Janez, Icelandic contributions evaluated; morphological/phonological studies; 8803594
- paradigmatic-structural conditions; inflectional paradigm organization/change; Icelandic feminine nouns; 8803381
- paragraphs, writing strategies, Swedish schoolchildren; history, classroom use; 8807947
- Pennsylvania German dialect, US; phonetic system; speakers' pronunciation difficulties; 8801486
- personal street names, 14th-century Delft; R. W. Poortier's thesis contested, unconscious referential practice; 8804010
- phonetically low/phonologically high tone, East Norwegian data; pitch contours, prosodic feet; 8800708
- phrase production/perception, Nordic dialects; pitch/intonation curves compared; Danish/Swedish/Finnish dialect speakers; 8803050
- Poteau Runestones; new translation suggested; 8804106
- pre-/Proto-Germanic cardinal numerals; reconstructions; 8801362
- prosodic structure, Danish stress accent; prosodic representation levels/categories interface; 8803089
- prosodic structures, Swedish/French; temporal/tonal features; Lund model of prosody framework; 8808094
- racism/semantics relationship, linguistic judgment; Dutch autochthones, foreigners, semantic strategies, we-they polarization; 8808974
- Raidt, Edith, *Einführung in Geschichte und Struktur des Afrikaans* (An Introduction to the History and Structure of Afrikaans); review article; 8806236
- referent grammar, computer analysis/generation/translation; generalized phrase structure grammar basis; 8808508
- Romanian/Norwegian temporal systems; contrastive analysis; interval semantics framework; 8803770
- rural German dialect; variation/change; sociolinguistic analysis; 8803958
- Sami farm names, Vesterålen (Norway); J. Qvigstad's data; 8801530
- Saramaccan creole subordination marking, noncomplementizer strategies; deictic forms, subordinate clauses; 8808117
- Saxon place names; East Cornwall; etymologies/formal/semantic characteristics; 8801543
- Scandinavian null subject possibility; Mainland/Insular differences; government-binding analysis; 8800840
- Scandinavian syntax; comparative studies/theoretical issues/language-specific phenomena; 8800786
- Scandinavian vernacular grammars; 12th-century Icelandic analysis; Swedish, Danish, Norwegian studies; 8801217
- second-language acquisition; acculturation relationship; Dutch-speaking Turkish immigrant children; 8802624
- second-language error analysis, causes/remediation; French/English, Dutch high school students; 8805123
- second-language instruction content/form, Dutch high school; teachers questioning/interviews; 8804943
- second-language instruction, listening comprehension/speaking integrated teaching, learning materials samples; Dutch high school level; 8807449
- second-language reading; inferencing/language similarities; text selection process; Swedish-speaking young English learners; 8807549
- second-language selection, factors/motives; Dutch secondary school student survey; 8807502
- second-language teaching/teacher training, Netherlands; applied linguistics role; 8804877
- second-language testing; text comprehension, communicative items test; foreign-language knowledge importance; Dutch high school students, French/German/English learners; 8807578
- semantic competence; form-interpretation relationship; prosodic features/disambiguation; 8805859
- sentence head, Scandinavian/English/German/Dutch; government-binding/parametric syntax theoretical framework; 8808458
- sentence interpretation; syntactic/semantic cue usage; Dutch/English bilinguals; 8802940
- sentence processing strategies; competition model; adult Dutch-English bilinguals; 8802938
- sentence processing, cross-language model; English/Dutch material; gap-filling system; 8802257
- Slavic etymologies, **boh* 'side of bacon'; Germanic source, derivation reconstructed; 8803675
- sociolinguistic survey problems; language maintenance/shift; S. Lieberman's study/Frisian language situation; 8801714
- Solomon, R. C., semantic theory empirically tested; Dutch emotion words; 8808267
- South Philadelphia Jewish neighborhood; Yiddish use; history/present status; 8801749
- Southern Dutch necrological toponymy, *tomme/leeuw*-elements; 8804011
- spatial expressions, preposition paradigm, locative/directive distinction; X theory/thematic roles/extraction/reference/deixis; 8808140
- speech production; syllabic organization; Dutch-speaking children's speech, word fragmentation; case study; 8809333
- speech rhythm display, new method proposed; Nordic languages; 8804443
- speech rhythm, conceptual framework; grouping/alternation/temporal regularity; Swedish/Finnish/Spanish data; 8804476
- Spirit Pond Mapstone; graphic designs/runes lettering; medieval European civilization; 8804098
- Standard Swedish focal accent; tone-syllable floating relationship; 8803024
- Ster Spanish-Dutch/Dutch-Spanish dictionary, review; accuracy/completeness; errors/omissions; 8801561
- stop consonant perception; voice onset time continuum; language set effect; Dutch/English speakers; 8804434
- story characters' motives/intentions, reader interpretation/projection; age factor; Dutch 14-/15-/16-/17-year-olds, adults; 8805959
- subordinate clauses; finite verbs/sentence adverbs relative order, Scandinavian languages; subject-verb agreement loss; 8808495
- suffix productivity change, Dutch *-lijk/baar*; semantic component role, diachronic perspective; 8808314
- Swedish *denne man/denne mannen* constructions; historical study; 8808614
- Swedish diphthongization, sentence phonetics; Central Swedish speech; 8809263
- Swedish durational pause rules; sentence database; 8803026
- Swedish interrogative structures, grammar/speech act relation; semantic/pragmatic aspects, unified model; 8808104
- Swedish language training program; adult immigrants; socio-historical/administrative-bureaucratic analyses; 8806752
- Swedish pitch accent, nonlinear analysis; foot/tone mapping, accent distribution; 8808036
- Swedish syntax; subject properties/voice; transitivity/passivization/causativity; 8803248
- Swedish verb agreement; generalized phrase structure grammar framework; 8808425
- Swedish word prosody; nonlinear analysis; stress/syllabification/tone accents; 8803092
- Swedish-English-German-Serbo-Croatian relative clause; formation/relativizer selection strategies; second-language learning implications, interference problems; 8808676

- Swedish-German accelerated course, German/Swedish intonational patterns; psycholinguistic explanation/linguodidactic implications; 8803045
- syntactic theory, reanalysis/adjunction theory similarities; adjunction elimination proposed; verb projection raising application; 8808522
- Taalunie (Netherlands Linguistic Union), purposes; treaty objectives; 8801688
- teacher speech modification, Swedish as a second language learners; social psychological framework; 8807425
- technical vs literary translation; translator specialization/versatility, technical syntax/syntagmatics; Norwegian-English medical text translation; 8805592
- tense/aspect, Polish/Swedish forms/functions; contrastive analysis; learner interference phenomena; 8805753
- terrain features, place-names; Norwegian/Lappish/Finnish material; 8801535
- text connectivity; intelligibility/comprehensibility/emotional accessibility/existential accessibility; Danish radio broadcast; 8806003
- thematic roles, grammar/semantics link; Dutch impersonal passives analyzed; 8808207
- toneme distribution, Scandinavian languages; terminal contour, mono-/polysyllables; 8800706
- Torne Valley Finnish dialect, vocabulary peculiarities; Swedish/Saame (Lappish) loanwords; 8808775
- transitive verbs, existential sentence use; Germanic languages; Swedish/Icelandic existential constructions compared; 8808477
- translation as a language teaching activity, English as a second language instruction, Dutch students; material suggested; 8805571
- translation, intercultural mediation; Günter Grass's *Die Rättin* Danish translation, personal experiences; 8802993
- two-formant vowel identification; perceptual relativity; Swedish-/Turkish-speaking listeners; 8800734
- untransparent composition memory representation, Dutch material; lexical decision task, semantic priming; full entry theory supported; 8808305
- verb second word order; historical developments; Slovene/Serbo-Croat/Germanic compared; 8803640
- vocabulary acquisition, near-native second-language learners vs native Swedish speakers; qualitative/quantitative analyses; high school seniors; 8807535
- vowel identification, template confusion; male/child speakers, Dutch sentences; 8806934
- Wallachians, German etymon Slavic adaptation, Romanians origin question unanswered; 8806520
- West Frisian toponym *Melm*; historical attestations/geographic locations/meaning, 'dry land'/'peat moor'; 8803997
- West Germanic frequentative/diminutive suffixes, Frisian/Gronings examples; *-k-* verbs analyzed; 8808311
- West Norwegian dialects; past/current research; 8801487
- wolf-toponyms, Dutch Limburg territory; place-/street-/field-names; 8804008
- word order acquisition, Dutch/German, first/second languages; 'move alpha' matrix accessibility, structural transfer; H. Clahsen's/P. Muysken's view challenged; 8807537
- Yiddish 1936 handbill; St. Louis, Missouri; linguistic analysis; 8801145
- Yiddish aspectual auxiliaries; reanalysis/grammaticalization; instantaneous action; 8803252
- Yiddish botanical terminology; growth/historical development; 8801584
- Yiddish language maintenance; Soviet Union; 8801746
- Yiddish terminology use; 1928 S. J. Perelman letter analyzed; 8801144
- Yiddish translations; Canadian government-issued English documents; 8800623
- Yiddish/German terminology use; Esther Levy's *A Cookery Book ...*; linguistic analysis; 8801146
- Gestalt Theory**
- natural dynamic morphology, gestaltist approach; descriptive/explanatory adequacy; 8805900
- Portuguese apparently synonymous structures; Rodolfo Ilari's account critically examined; radical pragmatics approach; static/dynamic interpretation distinction, gestalt theory; 8805880
- vowel perception, form/stability; gestalt theory, "everywhere organizing theory"; 8802029
- Gestures**
- American Sign Language pronoun acquisition; gestures/linguistic structure; 8804349
- aphasia; body language disorders; cognitive analysis; 8804514
- aphasic spontaneous communication; hand gesture use; Broca's/Wernicke's aphasics; 8807009
- Fiji Indian *pancayat*, dispute mediation gestures; communicative event features, therapeutic results; 8805967
- gestural sign perception; humans/bottlenosed dolphins compared; language/nonlanguage contexts; 8801883
- head movement; multiple interactional functions; Japanese dyadic casual conversations analyzed; 8804346
- iconic gestures; production/interpretation; brain-injured adults; 8806834
- iconic/batonic gestures; hand movement classification, speech/nonspeech conditions; 8806829
- ideomotor apraxia; channel use/efficiency; referential communication task; aphasic subjects; 8806989
- infant symbolic gesturing; name recognition; boys vs girls; infants aged 0;11-2;0; 8804718
- intonation; discourse functions; 8803443
- mid-18th century English; elocution development; bodily actions role; 8801108
- nonverbal communication understanding; naive gestures; cognitive ability/age/language proficiency roles; 8806827
- psycholinguistics, "deep time" model; gesture data use; 8807131
- psycholinguistics; D. McNeill's *Psycholinguistics: A New Approach* reviewed; 8807133
- psycholinguistics; ontological foundations; early voice/gesture evolution; 8804651
- second-language development, gesture comprehension, preschoolers; social semiotic perspective; native/nonnative English-speaking children aged 4-5; 8807545
- second-language teaching; gestures role; 8807468
- sign language phonology, universal constraints; single finger contact/extension, (ulnar), (central); 8804353
- spoken message comprehension; auditory comprehension-impaired aphasics; redundant cues effect; 8804579
- Tiedemann, Dietrich; 18th-century language/thought study; origin of language theories; 8806221
- verbal autistic children; deictic words/gestures use; pronoun/spatial term contrasts comprehension; child/teacher conversations analyzed; 8804567
- verbal/gestural production relationship, Wernicke aphasic's coverbal gestures quantitative/qualitative/distributional/functional analyses; 47-year-old male; 8804524
- Government & Binding Theory**
- adjunct direct objects; government-binding theory analysis; case/theta-role assignment problems; 8806143
- adult second-language learning; parameter-setting model/universal grammar; English anaphora acquisition; Japanese/Spanish speakers contrasted; 8802612
- Albanian reflexive pronoun *vete* 'self'; anomalous passive constructions/binding theory difficulties; 8803571
- anaphora/locality; theta fields/government; reflexives/control/pronominal anaphora; 8808438
- anaphora; distributivity; discourse representation/government-binding theories; 8801189
- anaphoric dependencies; lexical knowledge/syntactic principles relationship; acting-out tasks; children aged 3-5 years; 8807232
- Arabic syntax; *wh*-movement/topic-comment structure, case assignment/binding; 8800775
- Arawak (Amerindian) language; grammatical description; phonology/morphology/syntax/discourse; *wh*-movement, government-binding analysis; 8803621
- binding theory; English reflexives/reciprocals, binding domain differences; 8808446
- bound pronouns, Tarifit (Berber) overt pronoun data; government binding theory; 8808490
- Brazilian Portuguese verb fronting; government-binding analysis; verb-to-COMP movement/*that*-trace effects; 8805758
- case assignment; clausal arguments; visibility condition/ θ -theory; 8808527
- case patterns, German; combinatorial/distributional restrictions, empirical/theoretical motivation; case infections presence/absence; 8808437
- complex causative idioms; Dutch verb *laten* 'let'/English causatives compared; government & binding theory framework; simple idiom restrictions, implications; 8808436
- computational linguistics; natural language processing/linguistic theories relationship; unification grammars; 8808498
- control phenomena; binding theory account; 8808464
- Demotic Greek passives; government-binding analysis; 8805705
- Dutch reflexive anaphor *zich*; J. Koster's analysis rejected/government directionality approach supported; 8808521
- Egyptian Arabic verb phrase; equational/nonequational sentences; complementation/auxiliaries; government-binding theory; 8800874

- elliptical phenomena; distributional/interpretive properties; government-binding analysis; 8800765
- empty categories; government & binding theory; well-formedness conditions, locality requirements; 8803510
- English *-ing* clauses; government-binding analysis; present participle category proposed; 8805756
- English anaphora; adverbial clauses; syntactic analyses rejected/semantic alternative proposed; 8808514
- English *each other/one another*; distribution, differences; government & binding theory/deductive analysis; 8800868
- English noun phrase, nonovert head-noun occurrence conditions/restrictions; attributive adjectives role; government/binding theory framework; 8803217
- English noun phrase-internal/-external movement; government-binding analysis; Chomsky's minimality condition revised; 8801179
- English register variation; government & binding framework; instructional writing features; 8803947
- English subject-auxiliary inversion; K. Safir's account critiqued/alternative analysis proposed; 8808465
- English *to*-contraction; control theory implications; 8808426
- English/German verbs compared, overt complementizer presence/absence; government/movement theories unification; 8808484
- English/Guugu Yimidhrr anaphora; pragmatic theory outlined; control/binding/zero-anaphora; 8803541
- free relative constructions; matching effects/Romanian evidence; COMP accessibility notion refined; 8806138
- French motion verbs; base infinitive complement structures; complex predicate analysis proposed; 8808488
- French past participle agreement, complement theta index use; government/binding theory framework; 8803516
- French subjectless verbs; *voici* 'here is'/'voilà' 'there is'; empty category theory implications; 8805699
- French verb morphosyntax; subject clitic inversion; government & binding model; 8803191
- German *accusativus cum infinitivo* structures; transformational-generative treatment; 8803247
- German subjectless clauses, valency/government-binding frameworks; empty categories; 8808456
- government-binding theory; N. Chomsky's *Barriers* reviewed; 8808476
- grammatical relations; government-binding approach; A. Marantz's *On the Nature of Grammatical Relations* reviewed; 8803555
- Hausa (Chad) syntax; government-binding analysis; identification relations, bijective nature; *pro* identification/empty feature assigners; 8800884
- Hausa (Chadic) topicalized constructions; focus construction differences; base generation/logical form binding approach supported; 8803196
- head-marking languages; government-based analysis difficulties; Lakota (Siouan) evidence; 8803262
- Hindi anaphoric relations; weak/strong cross over configurations; binding theory implications; 8800836
- Hindi-Urdu ergativity; structural/inherent case marking; subject position variation; 8803198
- Hindi-Urdu relative clauses; movement optionality/multiple clauses scope/government relations; logical form movement; 8803161
- Hungarian syntax; government-binding analysis; configurationality parameter; 8803200
- Hungarian tensed subordinate clauses; government-binding theory analysis; configurational/nonconfigurational language differences; 8805746
- Japanese multiple *wh*-constructions; syntactic properties; *naze* 'why' questions; 8808203
- Japanese raising-to-object construction; exceptional case marking analysis proposed; 8808204
- Kinande (Niger-Congo) null objects; government-binding analysis; null-operator movement/discourse anaphora; 8806116
- Korean multiple subject constructions; movement analysis/first NP subjecthood rejected; topic prominence parameter; 8803192
- Krio (West African creole) syntax; bounding nodes/subadjacency; generative-transformational cyclicity principle; 8801186
- language acquisition theory; government-binding parameter-setting model; 8804802
- language acquisition; linguistic theory/universal grammar; pronominal anaphora; 8806152
- language knowledge; acquisition/use; principles/parameters model; 8806126
- linguistic rhetoric; prominent practitioner's techniques, humorous guide; 8806160
- Malay syntax; government-binding analysis; clause structure/verb-auxiliary distinction/verb phrases; 8800823
- medieval French syntax; free relatives, typological/theoretical analysis; matching effects; 8808597
- modal adverbs; linguistic function; logical form/semantic interpretation; 8803524
- modality, syntactic framework analysis; government/binding theory; English/Arabic material; 8808459
- Modern Greek empty categories; government-binding analysis; null pronominal anaphora/traces/clitic constructions; 8803552
- morphological case-assignment/configurationality relationship; German; government-binding rules reinterpretation; 'language' vs 'grammar' distinction; 8808493
- multiple questions, Bulgarian/Serbo-Croatian/Polish/Czech/Romanian material; government-binding theory framework; comparative analysis; 8808680
- native-language instruction; Argentinian secondary schools; theoretical bases examined/generative approach proposed; 8807363
- Nepali syntax; EQUI/subject-raising constructions, government-binding analysis; 8803569
- noun phrase gaps; comprehension/antecedent access; word-priming study; 8803513
- noun phrase structure; determiner head analysis; Chomskyan X-bar theory/word induction approaches; 8808511
- NP structure representation level; generalized control rule/empty category principle relationship; 8808516
- null verb phrases; empty category principle/proper government/INFL features; English/Spanish contrasted; 8806172
- pronouns/gaps, internal operator binding; WH movement, S-structure; 8808440
- Quiché (Mayan) ergativity, syntactic status; government/binding theory framework; 8800810
- referential circularity, binding explanation; anaphoric verb phrases; 8803531
- Romanian dative clitics; government-binding clitic theory implications; dative case assignment; 8803154
- Safir, K., *Syntactic Chains*; government/binding theory justified; review article; 8803235
- Saramaccan verb complementation/serialization; government-binding analysis; constituent movement/verb copy; serial constructions, sentential nature; 8803870
- Scandinavian null subject possibility; Mainland/Insular differences; government-binding analysis; 8800840
- Scandinavian syntax; comparative studies/theoretical issues/language-specific phenomena; 8800786
- second-language acquisition; parameter-setting model; Japanese/Spanish anaphora/head directionality parameter; 8800396
- semantic theory; nonthematic/nonrestrictive approach; J. Katz's decompositional theory; 8800937
- sentence analysis, verb control information; generalized phrase structure grammar/government & binding models; L. Frazier/C. Clifton/J. Randall data; 8808445
- sentence head, Scandinavian/English/German/Dutch; government-binding/parametric syntax theoretical framework; 8808458
- sentence reanalysis/restructuring; multiple syntactic representations explanation challenged; empty categories/theta theory problems; R. Huybregts's analysis advocated; 8801174
- Sesotho (Niger-Kongo) passive types; nonargument clitics; government & binding analysis; 8803544
- Spanish complement clauses; pronominal subjects; control/binding; 8808526
- Spanish pronominal clitics; transformational approaches reviewed; clitic generation/clitic doubling/government-binding theory; 8803177
- Spanish subject extraction; government-binding analysis; L. Rizzi's postverbal position hypothesis upheld; 8808118
- subject clitics, Trentino/Florentino Italian dialects; government-binding account; 8808434
- subject role; English passive clauses/nominals; government-binding Θ -criterion revised; 8806149
- switch reference; categorial grammar analysis; argument-functor notion/agreement phenomena; Tairora/Hopi/Walpiri data; 8801195
- switch-reference; D. Finer's government-binding approach rejected; Amele (Papuan) evidence presented; 8803554
- syntactic theory; category COMP; *that*-clauses/*wh*-clauses, asymmetry; 8801201
- syntactic theory; government-binding model; N. Chomsky's *Knowledge of Language* reviewed; 8808480
- syntax acquisition theory, parameters/markedness applicability; government & binding framework; generative-transformational principles questioned; 8801168
- syntax current theories, generative grammar framework; nonspecialist overview; 8805713
- technical jargon; generative transformational grammar; standard/

- extended standard theory differences; 8806161
 theoretical linguistics; MIT dissertation abstracts; 8808530
 unaccusative hypothesis; Italian/English differences; L. Burzio's
Italian Syntax reviewed; 8805774
 unaccusative verbs; case-assigning properties/government-binding theory; partitive case/definite effect; 8803512
 Welsh syntax; government-binding analysis; word order/null subjects/agreement/movement rules/passive constructions; 8805790
 wh/quantifier interactions; logical form/surface structure/scope representations; R. May's/E. Williams's theories; 8803546
 word order parameters; government & binding framework; Chinese/Kpelle (Niger-Kongo) headedness analyzed; 8803568
- Graduate and Professional Schools**
 bilingual education graduate programs, US; linguistics/applied linguistics courses, Title VII/non-Title VII programs; 8802937
 commercial Spanish instruction, intermediate/advanced courses; objectives/linguistic corpus/materials/methods; 8800341
 course success/predicted professional success; nonnative English speakers; graduate design courses; instructors' double standard; English for academic purposes implications; 8800376
 effective reading strategies; graduate student journals; reading comprehension/instruction implications; 8807816
 engineering English reading ability; general English proficiency cloze test; US/Chinese engineering/nonengineering students; 8807517
 Hispanic linguistics; U Pedagógica y Tecnológica de Colombia Master's degree program discussed; 8807357
 language dimensions, MA in linguistics, course characterization, U del Valle; interview; 8802450
 oral English instruction, Chinese postgraduate science/technology students; seminar techniques; 8807571
 professional translator training; East German Us, postgraduate course, enrollment requirements, program content; English-German machine terminology; 8802992
 student essays, faculty evaluation; error severity; foreign graduate students; 8805517
 translator/interpreter training, undergraduate/graduate courses; West German translators union recommendations; 8803013
- Grammatical Analysis (see also Syntax)**
 Abril, P. S., 16th-century teaching materials; grammar, translation; 8806180
 Acehnese (Austronesian) grammar; complementation/relativization/agreement/word classes; 8805691
 Acehnese (Austronesian) passive construction; verb agreement/grammatical relations; 8805721
 Aichinger, I., *Spiegelgeschichte* (Mirror Story) linguistic analysis, R. de Beaugrande's/W. Dressler's text-linguistic model applied; 8808316

- thematic roles, grammar/semantics link; Dutch impersonal passives analyzed; 8808207
- title, grammatical/communicative structure, Soviet/East German dailies; syntactic/modal/intonational features, nominative/informative/advertising functions; 8805820
- Usan (Trans New Guinea phylum) language; descriptive grammar; functional grammar approach; 8806243
- verb concatenation; Southeast Asian languages compared; cross-linguistic patterns discovered; 8803181
- West Belfast Irish-speaking community; language revival/bilingualism; sociolinguistic/linguistic analysis; 8801737
- wh-questions, Akan (Niger-Kongo) vs English; syntactic/semantic differences, similar function; 8808189
- word acceptability; meaning grammar; common gender/synonymy; lexical databank; 8803304
- word formation/grammar relationship; major aspects; derived word's grammar; 8803367
- word order, grammatical description; grammatical/communicative/rhythmic principles interplay, functional sentence perspective proposed; 8800895
- word, lexical/grammatical meanings interaction; lexical/grammatical unit; Russian/English material; 8800824
- word's grammatically relevant features; grammar-lexicon reciprocation manifestation, internal/external interactions; 8804027
- word's onomasiological structure change/modification; grammar effect; onomasiology/grammar interaction; 8806544
- Zabid Arabic (Central Tihāmah Arabic) phonological/grammatical characteristics; oral code; descriptive study; 8803622
- Zadar (Yugoslavia) library, 17th-/18th-century French grammarians collection; Pier Alessandro Paravia's donation; 8801210
- Grammatical Change (see also Diachronic Linguistics)**
- Arabic nominal case endings; modern dialect loss, stress shift role; J. Blau's data reanalyzed; 8801333
- basilectal Belizean Creole copula; *da/a* syntactic/sociolinguistic functions; creolization/decreolization/semantic change; 8803284
- English auxiliary *do*; Shakespeare's use; transitivity/adverb position role; 8806796
- English/German morphosyntax; systematic differences; J. A. Hawkins's *Contrastive Typology of English and German* reviewed; 8806373
- Italian gerund, form/function; semifinite forms development; 8808134
- linguistic change; dialectal evidence/typological comparison; Indo-European syntactic phenomena; 8808592
- morphological change; A. Carstairs' paradigm economy principle criticized; Maori passive suffix reanalysis/Latin third declension nouns; 8803370
- Old Estonian decliticization; diachronic syntax; agglutination hypothesis; 8801337
- Saame (Lapp) diachronic syntax; decliticization/deaffixation; abessive morpheme; 8801336
- spoken French; syntactic changes, pedagogical implications; basic word order shift; 8805012
- syntactic changes; automatic/simultaneous processes; Greek copy-raising; 8801320
- Tzeltalan (Mayan) tense/aspect system; proto-language/daughter languages compared; morphological change/markedness reversal; 8803375
- verb second word order; historical developments; Slovene/Serbo-Croat/Germanic compared; 8803640
- verb-anaphor grammaticalization; Mopun (Chadic) evidence; deictic/anaphoric demonstratives; 8803173
- Grapheme Phoneme Correspondence**
- African oral narratives written recording, notational system, verbal/nonverbal aspects; Pokomo (Niger-Kongo) fables; 8808897
- American English orthography; systematicity described; procedural rules/tactics/grapheme-phoneme correspondences; 8808892

- beginning readers' English short front vowel categorizations; spelling knowledge effects; 8800069
- Brazilian Portuguese sound-letter correspondences; *Leitura, ortografia e fonologia*, R. E. Hoyos-Andrade's criticisms answered; 8800704
- Cakchiquel (Mayan) alphabet; standardization/dialectal divergence; 8806742
- computer-assisted spelling instruction; programs reviewed; linguistic/cognitive processing/instructional research implications; 8802894
- cross-case matching abilities development; letter identification process, nonphonological basis; 8800538
- Cyrillic graphemes, phonological interpretation; A. Avram's principles, A. Rosetti's critique rebuttal; 8806251
- decoding/developmental reading programs; "scope and sequence" concept, instruction improvement suggestions; 8805466
- Early New High German orthoepic norm formation; spelling pronunciation principle; model pronunciation shift; 8804104
- early written language instruction; lexical/phonological segmentation; first-grade children; 8807626
- English spelling system; reform advocated; morphophonemic rules proposed; 8808935
- French grapheme-phoneme rules; English borrowings analyzed; 8804112
- Gambian literacy campaign, orthographic considerations; π/η grapheme dispute; 8808916
- German orthographic word division; syllabic principle, phonotactics/graphotactics relationship; 8808911
- German writing system; grapheme-phoneme correspondence, phonologically dependent lexical system, P. Kiparsky's elsewhere condition applicable; 8806595
- grapheme-phoneme conversion, development tool; text-to-speech synthesis system; Dutch application; 8809329
- historical texts graphematic analysis/reconstruction, Early New High German/Albanian material; difficulties outlined; 8808608
- Italian written texts; grapheme-to-phoneme transcription; graph-oriented computational approach; syntax-directed translation schema; 8804431
- Košice (Czechoslovakia) town council ordinance (1404), linguistic/graphemic analysis; 15th-century Early New High German, Slovakian East Middle German features; 8806335
- literary language system, level model; graphic level properties/components/autonomy; 8808917
- Mapuche unified alphabet; Temuco meeting, 22-23 May 1986; normalized graphic conventions/orthographic norms; 8801618
- Mayan alphabets; governmental policy presented; 8806765
- mentally retarded children; letter-sound correspondences instruction; action mnemonic procedure; 8802183
- Old English/Germanic runes; international-phonetic-alphabet-based transliteration system; diachronic values; 8804100
- Old French palatalization; graphic variants; 13th-century text examined; 8803690
- Old Romanian religious texts, Northern Transylvania/Maramureş; phonetic innovations, graphic notation, orthographic school posited; 8806345
- orthographic errors, Turkish/German students; interlinguistic interference; Berlin eighth graders; 8804111
- orthography; phonemic basis; reply to M. Barbosa da Silva; 8805637
- phoneme as a natural/genetic/universal category; single sounds, psychological reality; functional illiterates aged 16-50; 8804853
- Phonics 44; program advantages; English grapheme-phoneme correspondence; 8807708
- punctuation relative autonomy; syntactic-semantic/phonological information expression; punctuation intonational/syntactic principle; 8808889
- reading/spelling skill acquisition; syllabo-alphabetic system; Gujarati-speaking second/fourth graders; 8802336
- Riehme, Joachim, German orthography teaching; orthography/grammar relationship; 8804090
- sound/writing relationship, German written language; grapheme-phoneme correspondence, orthographic/phonetic transcription; 8801616
- spelling ability, morphological knowledge role; learning-disabled ninth graders; Wide Range Achievement Test; 8805904
- spelling system model; processing mechanisms; acquired dysgraphia evidence implications; 8802231
- Tangut writing system; radicals meaning; generative processes model; 8801607
- text-to-speech synthesis; grapheme-to-phoneme subsystem; Australian English; dictionary development; 8804460
- text-to-speech systems; psycholinguistic study; perceptually similar words set; 8809284
- Vietnamese orthography, history/structure; Czech transcription, post-1975 norms; 8808929
- written-oral language relationship; dichotomy/parallel/complementarity, grapheme-phoneme relationship; 8808895
- written-oral language relationship; graphematic analysis; autonomy; phonology/graphematics relationship; 8808894
- ### Graphemics
- bigraphic Spanish words, Buenos Aires dialect texts; frequency/key characteristics; semantic syntactic marker use; 8802796
- modern written German bi-/trigrams frequency, *Mannheimer Korpus* (Mannheim Corpus); computer-aided analysis; 8801608
- poor readers' short-term memory, Broadbent's human attention/immediate memory model explanation; $3 \times 3 \times 3$ repeated measure design; fourth graders; Bloom's proposition supported; 8807287
- ### Greek, Ancient & Modern (see also Indo-European Languages)
- alphabet transmission, Greece, pre-1400 BC; R. Carpenter's/J. Naveh's theories challenged; G. F. Praetorius's hypothesis revived; 8806582
- Ancient Greek *-unō* verbs, Indo-European reconstruction; *u-/s*-stem forms; 8808612
- Ancient Greek causation expression, lexical means; logic/language relationship; 8804056
- Ancient Greek metrical system, foot construction; accentual alternation; A. Prince's free element condition; 8805672
- Ancient Greek philology teaching; Sofia U; personal perspective/reminiscences, academic career; 8803578
- Antifonte, *Tetralogies*, linguistic analysis; Attic bases/Ionic influences; 8806823
- Aristotle's *Categories*; *ta legomena* 'this which is said', C. S. Peirce's interpretation critically examined; linguistic signs, Aristotle's semiotic notion stressed; 8801926
- Aromanian-Greek affinity, A. Keramopoulos's thesis/G. Lazarou's evidence rejected; 8806445
- Attic/Homeric/Pindaric *o/η/ω* nonrelative use; article/optional element, article/null article opposition; langue/parole perspective; 8808628
- authorship attribution/dating; Cretan Renaissance literary works *Erotokritos/The Sacrifice of Abraham*; 8809162
- Balabanov, Aleksander, prominent Bulgarian classical philologist; reminiscences; 8803593
- Balkan languages' adjectival gradation; similarities/differences, analyticism/grammaticalization; 8803143
- Balkan phraseology, Osman-Turkish influence; phraseological loan translations; lexicon/phraseology relationship; 8800855
- Bulgar Slavs/Thracian contacts, Proto-Bulgar personal names Slavic origin; Bulgar-Greek geographic names, Bulgarian toponyms Greek assimilation; 8806521
- Bulgarian-Greek dialect possibility, Rhodope region; Greek verb stem + Bulgarian suffixes; 8801439
- Classical Greek syntax/etymology; *Llave del Griego* (Key to Greek), new edition/history discussed; 8806181
- classical humanism study; original texts use; Latin/Ancient Greek language mastery; 8802485
- contrastive analysis, "dynamic interpretational" model; English/Greek discourse example; language teaching implications; 8806381
- "coppice," Indo-European semantic development; Greek root etymology; 8801338
- Cypriot Greek dialect; etymology; *Glossary of Georgios Loukas*; 8804043
- Cyril's/Methodius's first Greek-Slavonic translation, reconstruction possibility; Old Church Slavonic breviaries as sources; 8806360
- Cyril's/Methodius's terminological formation; "Napisaniye or pravey vere" (The Codex of the Righteous Creed), Old Greek semantically negative terms, Old Church Slavonic translation; 8808653
- Dacoromanian *arnici* 'sewing thread' etymology; Old Greek etymon, Latin mediation; semantic evolution, etymological doublet; 8806299
- Demotic Greek passives; government-binding analysis; 8805705
- Desdemona*, Shakespeare's use; Giovan Battista Giraldis Cizio's *Hecatommithi* (Hundred Stories) as source; Greek origins; 8808816
- Dionysopolis inscription, toponyms, Kiril Vlahov interpretation correction; 8806321
- Dorian numeral 'twenty', alternative forms coexistence; F. Solmsen's explanation, alternative treatment proposed; 8803698
- Drăgăsanu, Ion Codru, *Peregrinul Transilvan* (The Transylvanian Pilgrim); foreign borrowings/neologisms, semantic domains; 8803878
- early Indo-European bilingualism; Etruscan/Lycian relationship; Albanian origins; Latin/Greek development; 8801335
- electronic data processing; Greek; generative grammar; 8801428
- ethnonym *Ἰωνες* derivation; J. Chadwick's treatment supported/supplemented; 8803683

- Euthymius; *Fotev Nomokanon* translation, life/writings; linguistic peculiarities; 8800650
- Evangel initial Slavic translation; syntactic analysis, dative use, translational skills; 8808648
- German as a second language instruction, Greece; German as a "remigrant" language notion, migrant children's German skills preservation; 8805112
- German *Logistik* 'logistics', popular military/economic term; Greek origin, French/English semantic extension, German assimilation; 8801552
- Germanisms/pseudo-Germanisms, syntactic calques, Latin/Eastern Alps Romance dialects; Biblical Greek/Semitisms parallel; 8808730
- Greek κροκόδιλος etymology; element -δῖλος history/origin; 8806364
- Greek ἀστραπή 'lightening, light' etymology; Kuiper's suggested non-Indo-European origin supported; 8803637
- Greek νόσφι 'separately, far away' etymology; pronoun *nos- 'we' + -φι, adverbial/prepositional use; 8803709
- Greek *Athenaïōn Politeia*; 5th-century document; suggested correction rejected; 8801796
- Greek drama; vowel/consonant usage; statistical analysis; 8801401
- Greek language prehistory/protolanguage; pre-Mycenaean period/Linear B development/post-Mycenaean, phonological characteristics; 8806257
- Greek lexicology, new treatments; *Tables fréquentielles de grec classique* (Frequency Tables of Classical Greek), *Vocabulaire de base du grec* (Basic Vocabulary of Greek) reviewed; 8806538
- Greek literary forms; historical phases; 8801328
- Greek name Ἰολαός, L. Dubois's treatment; alternative etymological/morphological/semasiological interpretation; 8803682
- Greek Orthodox Americans; language maintenance/shift; determinant factors examined; 8804187
- Greek word-class determination, *Quicklem* software system; 8806413
- iconic elements, etymological investigation use; Greek case studies; 8808616
- Iliad*, fighting scenes analysis; narrative/descriptive procedures/vocabulary; 8801080
- Indo-European phonological development; laryngeal theory; Anatolian, Greek data; 8803728
- Indonesian medical vocabulary, Greek-/Latin-based formations; roots/affixes/hybrids, adaptation process; 8803880
- interlinear glosses, Byzantine Aeschylus codex; 8801143
- Izbornik of 1073*; Old Greek philosophical terminology, Old Russian rendition; 8808660
- Krampus* etymology; tautological composition; Styrian *gramperldürr* 'very dry, parched', Greek etymon posited; 8801545
- language shift, Arvanitika (Albanian) narratives, structure/function; ethnography of speaking paradigm use; 8809096
- Latin *animus/anima* 'soul'; etymologies; Greek counterparts; 8803676
- Latin *cauda* 'tail'; Greek semantic parallel; 8803674
- Latin *nēnia*, Greek origin; Armenian *Galen Dictionary* evidence; 8801310
- linguistics' history, Ancient Greece; Jean Lallot's "Études sur les grammairiens grecs" (Essays on Greek Grammarians) outlined; 8808552
- Modern Greek absolute superlative/meaning intensification word-formational patterns; adjectival/adverbial/numeral compounds, productivity/frequency list; second-language teaching relevance; 8805906
- Modern Greek empty categories; government-binding analysis; null pronominal anaphora/traces/clitic constructions; 8803552
- Modern Greek phoneme transcription system; speech synthesis use; PHONEMIA computer program; 8801395
- Montreal Greek; lexical borrowing, sociolinguistic model; 8803894
- name translation/adaptation, Theon's *Progymnasmata* Armenian version; anthroponyms/toponyms/ethnonyms adaptation; 8805609
- negative raising, Modern Greek evidence; weak assertive verbs, syntactic/semantic/pragmatic conditions; 8803197
- neologism formation, Greek-Bulgar parallel; prefixation/agglutination/semantic derivation/phrasologization; 8805939
- Old Greek choral lyric language, pre-Homeric origin; poetic supradialect, Aeolian-Proto-Ionian koine; 8809150
- Old Russian administrative writing, *se az* formula origin; Byzantine/Bulgarian/Greek sources, Greek loan translation; 8803769
- Peloponnesian Slavic toponyms, Greek-Slavic contacts; Ph. Malinoudis's Messenian data interpretation critically reviewed; 8803987
- Proto-Indo-European *ser-; nondurative Aktionsart; Greek/Latin/Armenian reflexes; 8803635
- Renaissance grammar; Donat/Priscian influences; pronoun characterization; 8801220
- Rohlf, Gerhard; Balkan linguistics contribution, Italic Greek studies; obituary; 8806210
- Romanian etymologies, Latin etymons/Greek origins; 8806441
- Romanian/Greek catechisms, sixteenth-century Transylvania; historical/cultural/religious aspects; 8800978
- Romanian/Slavic-Romanian cryptographic texts, 16th-18th centuries; Greek keys, Greek-Cyrillic substitutions/amalgams; 8801329
- Sanskrit/Greek fables; rhetorical structure compared; 8803498
- Septuagint syntax; commemorative collection; 8800863
- silent reading, Ancient Greece; B. M. W. Knox's claims; visual/sound sequence representation; 8806092
- structural-typological language treatment, language structure form-function hierarchy; Greek/Latin material, case/aspect/voice; 8806148
- syntactic changes; automatic/simultaneous processes; Greek copy-raising; 8801320
- text translation; semantico-pragmatic meaning parameters; Greek/English announcements, contrastive analysis; 8806046
- The Text and Its Margins: Post-Structuralist Approaches to Twentieth-Century Greek Literature*; review article; 8808410
- translation, concrete consequences; language-specific thought expression; Greek Beatitudes, Slavic translation; 8806031
- Guillaume**
- French internal plural/number, morphological system; G. Guillaume's hypothesis; ancient language dual compared; 8808286
- Guillaume, G., *Leçons de linguistique de Gustave Guillaume, 1945-1946 (série C): grammaire particulière du français et grammaire générale* (Linguistic Lessons of Gustave Guillaume, 1945-1946 (Series C): Specific Grammar of French and General Grammar); review article; 8808555
- incidence, internal nouns; G. Guillaume's notion; nominal contrasts, pre/postposed adjectives; 8808455
- operative time, basic reality identification; 8808520
- psychomechanics, operative time parameter disputed; meaning difference exploitation, polysemy generalization; 8808473
- Romance noun; lexigenetic model; *langue/parole*, G. Guillaume's conception; 8804416
- Halliday**
- communicative incentives; high-functioning verbal autistic child aged 13 years; pragmatic theory/linguistic functions; 8804517
- Derry (Northern Ireland) English intonation; auditory/acoustic analyses; Southern Standard English data compared; 8800719
- educational issue illumination, functional grammar use; primary school morning news learning activity; schematic structure; 8802453
- Halliday, M. A. K., *An Introduction to Functional Grammar*; review/outline; 8803563
- Halliday, M. A. K., *Introduction to Functional Grammar*; review article; 8806139
- language functions, Halliday's system usability; middle-grade students; audio-tapes/field notes/interviews; 8807207
- pragmatics/systemic linguists' mutual influence potential; meaning/paradigmatic relations language variation/situational context relationships; 8808435
- text cohesion; bottom-up analysis system; cohesive ties; M. Halliday's/R. Hasan's framework; 8805452
- text production, language/register choice/situational factors interrelationship; M. A. K. Halliday's register theory; 8808355
- text semiotics; M. A. K. Halliday, V. N. Voloshinov, U. Eco; structural linguistics background; 8801935
- textual incoherence, Xlebnikov's *Ka*; M. A. K. Halliday's functional-systemic linguistics framework; 8806825
- Thai cohesion system; lexical/grammatical aspects; Halliday/Hasan model; 8805973
- writing instruction, genre-based approach, Australia; theoretical basis, approach development; 8802901
- Handedness**
- aphasia type; age/sex/time since onset/handedness effects; continuing lateralization hypothesis; 8802099
- crossed aphasia incidence, bi-/multilingual subjects; right-handedness effect; South India; 8809413
- dichotic listening performance; handedness/writing postures; inverted/noninverted left-/right-handers; consonant-vowel/motor tasks; 8802438
- hand preferences/reading skills; braille readers; strategic preference view supported; Slosson Oral Reading Test; 8800169
- language acquisition; sex/manual motor skill/laterality correlations; children aged 1:6/2:0/2:6; 8800055
- language laterality assessment; bilateral object naming latency task, effectiveness evaluated; 8804859
- language lateralization assessment, incongruent color-words paradigm;

- handedness/gender effects; 8807334
 language processes; right hemisphere role; story comprehension/prosody; 8802436
 lateralization; speech/nonspeech motor function; stutterers/nonstutterers compared; 8804537
 mirror-reversed text reading; sinistral inferiority; R. Tankle's/K. Heilman's results compared; 8802418
 pronoun antecedent processing; clause pattern effects; subjects' handedness; 8800034
 reading performance; differential hemispheric preference; rhyme/shape matching tasks; good/poor readers aged 10-12; 8800535
 regional cerebral glucose metabolism; language processing tasks effects; healthy right-handed male adults; 8800159
 verbal/nonverbal processing, cerebral lateralization; right-/left-handed good/disabled readers aged 10; 8807331
 word recognition; length/visual field effects; right visual field advantage suggested; 8802419
- Handicap**
 Alzheimer's disease patient-therapist communication breakdown; interactive approach/strategies, linguistic/social consequences; 8806994
 bilingual/handicapped students, school's/teacher's roles; cognitive/social/psychomotor/career education opportunities; 8807980
 communication attribution; mothers-handicapped infants; nonbehavioral factors; 8809503
 communication-handicapped children, social/educational integration; therapeutic suggestions; 8802063
 exceptional students; written language instruction; research implications; 8805523
 functional skill instruction; vocational program; limited English proficient autistic adolescents; 8805291
 handicapped children; language skills development; adult mentally retarded classroom aides; mand-model/time-delay procedures; 8802197
 handicapped infants; social communication strategies intervention effects; older nonhandicapped siblings' responsiveness; 8804624
 informal reading comprehension measures, validity; questions/recall/oral/cloze; handicapped middle/junior high school boys; 8805489
 naturalistic language training; mand-model, time-delay, incidental; handicapped children; 8807112
- Handwriting**
 afferent dysgraphia; letter/stroke errors; left-sided neglect; nonphasic patient; 8804595
 interlinear glosses, Byzantine Aeschylus codex; 8801143
 Italian 16th-century scribal script styles; Veronese corpus, quantitative analysis; 8800997
 Japanese character retrieval/use, memory representations; hiragana/kanji/English alphabet use; 8807310
 writing act; medieval European changes, ethnographic analysis; 8807920
- Harris**
 linguistic meta-theory, N. Chomsky's view challenged; Z. Harris defended; 8808501
- Hearing Aids**
 formant-estimating speech processor; cochlear implant patients; lipreading/discrimination/speech tracking tasks; 8804627
 fricative detection apparatus; natural speech sounds perception training aid; 8802066
 hearing impairment, therapy/rehabilitation; hearing aid functions; deafness typology; 8802062
 lipreading; vibrotactile aid; voicing/consonant perception; 8804628
 speech perception therapy; hearing-impaired subjects; lipreading/vibrators/cochlear implants; 8804631
 speech transmission systems; bandwidth parameter examined; speech intelligibility; hearing-impaired/normal-hearing subjects; 8802406
- Hearing Conservation and Improvement**
 fricative detection apparatus; natural speech sounds perception training aid; 8802066
 hearing training Japanese Us; phonetics implications; 8807090
 speech perception therapy; hearing-impaired subjects; lipreading/vibrators/cochlear implants; 8804631
 speechreading tests, deaf education/rehabilitation; 15 tests reviewed; colloquial language comprehension test recommendations; 8807089
- Hearing Disorders**
 Association Québécoise de Linguistique; annual meeting's papers; 8804878
 auditory language comprehension, hearing-impaired children; E. Carrow's Test of Auditory Comprehension of Language, presentation mode; 8809365
 auditory system; spectral representation; vowel masking patterns; 8806956
 bilingualism/sign-verbal language acquisition compared; deaf children; double acculturation; 8802060
 bimodal language input, syntactic/semantic deficits, hearing-impaired subjects; signing teachers; Signing Exact English/Signed English classified; 8809363
 black hearing-impaired students' education; parents' attitudes; 8804506
 caregiver-child communication, child language learning; hearing-impaired/normal-hearing children aged 1;5-3;10, normal-hearing mothers; pedagogical implications; 8804731
 cerebral lateralization; deaf/hearing individuals; stimuli meaningfulness; 8804861
 child deafness, Italy/Tuscany/European Community; statistical data, sex/age/geography/impairment degree; 8806961
 child development/hearing-impaired child verbal therapy; space/music/dance role; 8800058
 communication, deaf people's dreams; "pure communication," inter-/intrapersonal dynamics; 8809356
 communication-handicapped children, social/educational integration; therapeutic suggestions; 8802063
 communicative competence testing, conversation-interview measure; deaf adolescents/adults; 8804507
 computer-aided speechreading training, French/English hearing-impaired adults; visual decoding/linguistic redundancy/sender-receiver feedback; 8809506
 consonant perception; middle-ear effusion affected children; acoustic phonetic feature analysis; 8804510
 conversation, first-language acquisition importance, hearing-impaired children; Natural Auralism method; 8806957
 conversational interaction, first-language acquisition, hearing-impaired children; Natural Aural approach; 8806960
 cursive/manuscript writing; recognition ease compared; profoundly deaf children; 8804102
 deaf child educational rehabilitation, Gualandi Schools' work; anniversary note; 8802068
 deaf children's language experiences; orthographic study; 8801706
 deaf school children; haptic behavior; emotional expressiveness; 8802061
 deaf student education; oral communication development/experimental program; 8807088
 deaf young adults' speech; silent pauses, number/duration/location; 8804503
 deaf/hearing-impaired adults; Istituto Gualandi alumni; questionnaire data; 8802058
 deafness statistics, acquired/inherited, prenatal/perinatal/postnatal onset; preventive vaccination; 8806965
 early reading, deaf children; spoken language acquisition impairment, written language acquisition compared; Swedish hearing-impaired children; 8806966
 English communicative skills development; hearing-impaired students; communication-games intervention strategy; 8806964
 formant-estimating speech processor; cochlear implant patients; lipreading/discrimination/speech tracking tasks; 8804627
 fricative detection apparatus; natural speech sounds perception training aid; 8802066
 grammatical decision making, deaf students; composing task pausing rate; unskilled hearing writers compared; 8807918
 hearing impairment, therapy/rehabilitation; hearing aid functions; deafness typology; 8802062
 hearing impairment; temporal acuity/speech perception relationship; Japanese vowels; 8802071
 hearing-impaired child, linguistic education; language-cognition development interrelationship, psycholinguistic perspective; 8809351
 hearing-impaired children, reading acquisition issues; theoretical/research issues; 8809366
 hearing-impaired children; spoken language/cognitive processing relationship; 8806962
 hearing-impaired children's education, francophone Belgium; institutions/methods/problems; 8809361
 hearing-impaired individuals; speech intelligibility assessment; methodological procedures; adolescent males; 8804505
 hearing-impaired students; school language environment/teacher talk strategies; 8806963
 infant babbling; audition role; syllable production; hearing-impaired/normal infants; 8804786
 informal reading inventories, selection/use; deaf students; reading modality adaptation; 8802789
 interpersonal communication behaviors; hearing impairment effects; mainstreamed students; 8806959
 language acquisition failure; verbo-tonal therapy method; 8806990

- language acquisition/development; hearing-impaired children; audiological, etiological, sociological information; GMC project, Manchester, England; 8809355
- language acquisition; linguistic theory/universal grammar; pronominal anaphora; 8806152
- language assessment test use; hearing-impaired children, youth; 8807091
- language development, deaf preschool children; Leiter International Performance scale, Wechsler Intelligence Scale for Children-Revised; 8809362
- language experience approach, hearing-impaired students; severely hearing-impaired kindergarten/first-grade children; 8809358
- lipreading ability assessment; continuous discourse tracking; traditional scoring procedure modified; 8804341
- lipreading; vibrotactile aid; voicing/consonant perception; 8804628
- literacy knowledge, hearing-impaired children; reading/writing instruction; 8809349
- mainstreamed hearing-impaired college students; classroom participation; hearing loss degree impact; 8804509
- memory/retention capabilities; deaf/normal people; 8802064
- mothers' communication mode, preschool deaf children's language development; oral/manual modes; 8809364
- nonverbatim cloze responses, program success/student reading instruction needs; hearing-impaired students aged 7-15; 8802876
- orthognathic surgery effects, speech/velopharyngeal function/hearing; pre-/postsurgery cephalometric evaluations; 8809457
- otitis media, semantic/pragmatic skills development, preschool children; educational implications; 8809354
- prelingually deaf children, language development; creoles/pidgins similarities; 8806967
- prelingually deaf children; English/sign language, relative status; cognitive development; pidgin/creole situations; 8804511
- pronunciation features, English words, Dutch normal/hearing-impaired secondary students; Institute of Phonetic Sciences Groningen U research project; 8809360
- pure word deafness, Arabic-speaking male; prephonemic deficit; 8809367
- readability formulas, limitations; hearing-impaired students' needs; 8807784
- reading comprehension, hearing-impaired adolescents; information content/syntactic complexity/format effects; profoundly deaf students aged 12-16; 8804504
- reading success promotion; hearing-impaired mother/3-year-old child; 8802059
- reading/writing skills examined; hearing-impaired adolescents; "Wide-span" test, "Southgate" test, reading battery; test limitations; 8802070
- rhyme generation; deaf adults; orthographic/speech-related strategies; 8806958
- self-instruction training, semantic/pragmatic production; deaf 10-year-old; problem-solving steps modeling; 8802067
- sensorineurally hearing-impaired children; maternal language tuning/responsiveness/imperative use; 8802069
- sentence comprehension/writing/speaking; error analysis; partially hearing/hearing/deaf children mean ages 7.4-12.95; 8802065
- sign iconicity; single-sign receptive vocabulary skills, nonsigning hearing preschoolers; 8801875
- sign-language; hearing-impaired community; communicative competence development; 8804508
- social interaction skills, development/generalization; preschool hearing-impaired children; 8809359
- speech assessment services; hearing-impaired children/youth; demographic information; 8804502
- speech coding; auditory periphery; representational models reviewed; 8806948
- speech comprehension, cognitive changes; elderly; lessened memory capacity; hearing impairment; 8800014
- speech intelligibility prediction; modulation transfer function; psychoacoustic application; normal-hearing/hearing-impaired subjects; 8804444
- speech perception therapy; hearing-impaired subjects; lipreading/vibrators/cochlear implants; 8804631
- speech production/identification, profoundly hearing-impaired children, phoneme data; 8809350
- speech production; cerebral lateralization patterns; normal hearing/deaf adolescents; environmental effects; 8804863
- speech therapy; consonant contrasts; phonetic/phonological skill development; partially hearing child aged 6:8; 8807104
- speech therapy; continuous discourse tracking procedure; hearing-impaired nursing home residents; 8804636
- speech therapy; profoundly deaf individuals; phonological sampling/individualized instruction; 8806987
- speech transmission systems; bandwidth parameter examined; speech intelligibility; hearing-impaired/normal-hearing subjects; 8802406
- speechreading tests, deaf education/rehabilitation; 15 tests reviewed; colloquial language comprehension test recommendations; 8807089
- spoken English, computer recognition; real-time captioning; word list; primary classroom observations; hearing-impaired students; 8802056
- story structure recall, hearing-impaired/learning-disabled students; pictures/story grammar use; 8809353
- stress/intonation, hearing-impaired Hebrew-speaking children; spectrographic analysis/fundamental frequency measures; 8809352
- TDD conversations, hearing-impaired high school students; analysis/observation/recording method; 8809357
- teacher/hearing-impaired student sign communication; English grammatical feature incorporation; teacher characteristics; 8801869
- visual/tactile aids, speech training program; pitch remediation program; profoundly hearing-impaired high school students, speech teachers; 8809527
- voiceless consonant production; hearing-impaired speakers; laryngeal articulatory gesture, kinematic details; 8806923
- vowel perception; single channel cochlear implant patients; formant frequency adjustment training; 8804626
- writing skills instruction; hearing-impaired college students; 8807116
- ### Heredity
- animal/human communication; fundamental differences; symbolic function/hierarchical structuring; genetic factors; 8801884
- deafness statistics, acquired/inherited, prenatal/perinatal/postnatal onset; preventive vaccination; 8806965
- developmental dyslexia; genetic influences evidence reviewed; 8800497
- reading disability; genetic component evidence; behaviorally defined homogeneous subtypes; 8807062
- ### History of Linguistics
- 17th-century French grammar; Jansenist/Jesuit theological conflict; Pascal's *Les Provinciales* (The Provincials), D. Bouhours's grammatical critique; 8808534
- 19th-century German semantics; historical word semantics/psychosemantics; 8808547
- Abril, P. S., 16th-century teaching materials; grammar, translation; 8806180
- Algerian Arabic linguistics, published/unpublished works bibliography; mid-19th century-present; 8803591
- American Spanish, R. J. Cuervo's observations; normative standards; 8806191
- Amerindian language description; history; Jesuit contribution; 8806238
- amnesic aphasia; A. Pitres's classification; 8809375
- Ancient Greek philology teaching; Sofia U; personal perspective/remembrances, academic career; 8803578
- Anderson, S. R., *Phonology in the Twentieth Century: Theories of Rules and Theories of Representations* reviewed; modern relevance acknowledged; 8803060
- Annard, J. K., Scots-English poet; German picture story translations; 8808543
- Austrian-Bavarian linguistic islands, field research history/current projects; Austrian Academy of Sciences/Austrian scholars contributions; 8803951
- Balabanov, Aleksander, prominent Bulgarian classical philologist; reminiscences; 8803593
- Balkan languages; H. Schaller's *Die Balkansprachen* examined; 8803688
- Barbosa, J. S.; Portuguese language, philosophical grammar; Enlightenment philosophy/Port Royal grammar; 8809247
- Barnes, William; bibliographic review; poetic/philological works surveyed; glossarial definitions/orthographic system; 8801239
- Bauer, Heinrich, *Vollständige Grammatik der neuhochdeutschen Sprache* (Complete Grammar of Modern High German) review, historical/contemporary value; 8806186
- Ben-Yehudah, E., *Hamavo Hagadol*, annotated translation; 8806562
- Bernhardi, A. F.; linguistic theory; *Sprachlehre* examined; 8808557
- Blondheim, D. S.; Jewish intralinguistics; biographic/bibliographic information; 8801215
- Bloomfield, L./Voegelin, C. F.; Ojibwa correspondence; 8803606
- Bloomfield, Leonard, work overview; scientific methodology application; 8808551
- Bopp, Franz; 19th-century French reception; 8803603
- Bopp, Franz; early Slavic contributions; 8803590
- Bottura, P./Pulić, J.; lives/teaching careers/language philosophies; contributions assessed; 8801213
- Brøndal, V.; Indo-European work; F. de Saussure's influence; L. Hjelmslev's/V. Brøndal's/F. de Saussure's works compared; 8801243

- Brøndal, V.; literary/semiotic studies; linguistic signs/grammar; 8801226
- Brøndal, V.; quantitative/aspectual categories relationship; L. Hjelmslev's/R. Jakobson's/E. Sapir's views compared; 8801212
- Brøndal, V.; scientific work; linguistics/philosophy/semiotics; 8801223
- Brøndal, V.; *Théorie des prépositions* (Theory of Prepositions); linguistic analysis/intentionality; 8801222
- Bulakhov'skii, L. A.; artistic literature language studies; 8808553
- Bulakhov'skii, L. A.; investigator/poet; Schevchenko's poetry, creative approach; 8808556
- Bulakhov'skii, L. A.; Literary Russian history studies/publications; 8808559
- Bulakhov'skii, L. A.; Slavic literary languages interaction, Marxist approach; 8808544
- Bulakhov'skii, L. A.; Slavist/scholar/teacher; 8808550
- Bulgarian linguistics/philology, Sofia U, principal scholars, 1929-1934; personal reminiscences; 8803598
- Campe, Joachim Heinrich; Germanization program/lexical purism reinterpreted; French words' German equivalents, intelligibility criterion, political sympathies; 8806211
- Cellarius, Christoph; Latin grammar/lexicon, Russian versions reception; 8803586
- Celtic grammars; Latin/Irish, 7th century; 17th-century Franciscan grammars; 1659 Breton grammar; 18th-century comparative studies; 8801221
- Centre for Applied Language Studies, Carleton U; history/aims; 8801242
- Centre nationale de la recherche scientifique impact; Colombian/Amerindian linguistics; 8801244
- Chilean Spanish; standard dialect; A. Bello's philological work; 8809094
- Chinese linguistics, state-of-the-art survey; lexicology importance, journals/meeting, language instruction/policies; 8806212
- Christiansen, H.; biography, linguistics contributions; Norwegian dialect studies; 8801238
- Cipariu, Timote; Romanian's Popular Latin basis, Classical/Popular elements distinction; 8806202
- Classical Greek syntax/etymology; *Llave del Griego* (Key to Greek), new edition/history discussed; 8806181
- cognitive linguistics, history/current research focus; language as mental phenomenon; computational science/universal grammar contribution; 8803514
- Coleridge, S. T.; language philosophy development; language/thought relationship; linguistic naturalness; 8801952
- colloquial Czech; proper function/grammatical content; Prague school theory; 8801231
- Colonna, Francesco; *Hypnerotomachia Poliphili* linguistic content; Lorenzo Valla's/Leon Battista Alberti's/Francesco Colonna's works compared; linguistic ideas, humanistic history; 8801205
- communicative function notion, scholars'/schools' views; Wilhelm Schmidt's definition adopted; 8808432
- comparative grammar, method development history/principal components; grammatical form/linguistic type/systematic change; 8808562
- complex sentence notion; history, 18th-19th century Spanish grammars; 8806193
- conversational analysis, sequencing perspective; linguistic/sociolinguistic/ethnolinguistic literature survey, late 1960s-1980s; 8803475
- Covello, L.; Italian-American bilingual education contributions; 8801227
- creole English, Tobago; 19th-century questionnaire data; 8806222
- Cuervo, R. J.; Spanish sibilants, diachronic phonology; 8808542
- Czech dialectology history; A. V. Šembera's *Základové dialektologie československé* (The Foundations of Czechoslovak Dialectology); 8803949
- Czechoslovak linguistics, 1940s to 1980s; developmental stages/chronological periods; structuralism to Marxism; 8803589
- dialectal variation; Spanish Renaissance grammarians' concepts/treatments analyzed; 8808563
- dialectology; traditional/structural/transformational approaches compared; extralinguistic/internal factors roles; 8803932
- didactic/pedagogical/linguistic grammars, historical treatment; grammar types, derivation network model; 8805021
- discourse/conversation/dialogue studies, Czechoslovakia, historical perspective; literacy/colloquial language relationship, conversation/dialogue typology; 8806020
- Dmitriev, L. N., *Persidsko-russkii slovar'* (A Persian-Russian Dictionary); presentation; 8806545
- Dzerzhinsky, F. E., persuasive speech; interrogative statements, partitive/emphatic functions; Russian teaching material; 8806194
- early Russian grammar, *Grammaire et Methode Russes et Françaises. Composées et écrites à la main par Jean Sohier Interprete en Langues Esclavonne, Russe et Polonoise dans la Bibliothèque du Roy; divisées en deux parties. l'année 1724* (A Grammar and Method of Russian and French. Composed and Written by Hand by Jean Sohier, an Interpreter in Slavic, Russian, and Polish Languages in the Library of the King. In Two Parts. The Year 1724); 8806218
- early vernacular grammars; Italian, Spanish, Portuguese; Latin framework adapted; 8801237
- East German onomastic research; historical outline; study areas/methods/data collection, neglected domains; 8804003
- East Slavic philological controversies; 14th-17th centuries; national languages' literary function/status, creative freedom, Old Church Slavonic/Latin/Greek role; 8803708
- English Dialect Dictionary*; G. M. Hopkins's Irish contributions; 19th century; 8801241
- Esperanto, planned/universal/international language; origin/dissemination/evolution/prospects; 8803973
- Esperanto; history, creator, linguistic structure; 8806491
- Euthymius; *Fotev Nomokanon* translation, life/writings; linguistic peculiarities; 8800650
- Finnish/Finno-Ugric/Uralic studies; M. Korhonen's *Finno-Ugrian Language Studies in Finland 1828-1918*; 8808549
- Finno-Ugric grammars; historical survey; Finnish, Estonian, Hungarian, Lappish, Mordvin, Cheremis, Zyrian, Votyak; 8801219
- Fokos-Fuchs, D.; Finno-Ugrist, Uralic-Altaic kinship research; 8806220
- Fokos-Fuchs, D.; syntactic studies Uralic-Altaic kinship research, syntactic evidence; 8806199
- French grammar development; theoretical/pedagogical trends; historical survey; 8801214
- French lexicography; 19th-century historical dictionary project; 8804045
- French-Spanish dictionaries, history; 8806558
- Gemelli, Agostino; electroacoustic studies epistemological relevance, language psychology/psycholinguistics distinction; E. Galazzi's *Gli studi di fonetica di Agostino Gemelli* (Agostino Gemelli's Phonetic Studies) review; 8806214
- Geoffrey of Vinsauf, *ars dictaminis* (art of written discourse); medieval rhetoric theory; 8808330
- German 19th-century linguistics development; Johann Christoph Adelung's/Friedrich Schlegel's contributions; 8801233
- German classical philology development; historical orientation, Berlin U, August Boeckh's contribution; 8808546
- German language-psychological research development, 19th century; Berlin U tradition, H. Steinthal's contribution, predecessors; 8808558
- German/Dutch grammar development; Latin basis; New High German studies; 8801240
- government/dependency, medieval speculative grammarians' conceptions; contemporary relevance; descriptive/explanatory adequacy; 8806178
- grammar, *Encyclopédie* (Encyclopedia) articles, theoretical foundations; typologies, general grammar, grammatical analysis model; 8809253
- Greimas, A. J.; meaning theory; structuralism/semiotics/discourse theory; 8809225
- Hallfrid Christiansen Jubilee, opening address; 8801206
- Hasdeu, B. P.; theoretical/practical dialectology conceptions; Romanian dialectal diversification studies; 8806458
- Hécaen, H.; intellectual development; neuropsychology evolution; 8800167
- Hervás, L., *Catálogo de las lenguas* (Catalogue of Languages); language/community relationship, national histories; 8806219
- Hispanic American literature/linguistics courses; Instituto Caro y Cuervo; interview; 8801245
- historical grammar, contemporary/historical studies; methods/objectives/perspectives, J. Grimm's *Deutsche Grammatik* (German Grammar) significance; 8803741
- historical linguistics; concept defined/Brazilian history sketched; 8806318
- history of linguistics, J. Grimm's contributions, science emphasis; 8808541
- Hjelmslev, L./Brøndal, V.; encounters discussed; personal/professional differences noted; 8801229
- Holder, William; 17th-century speech sound theory, "hylomorphic" distinction; 8806173
- Humboldt, W. von; Berlin tradition influence/legacy; 8808548
- Hunfaly, Pál/Yrjö-Koskinen; 1865-1978 correspondence; personal viewpoints; 8806179

- Hungarian Enlightenment (1770-1825), major characteristics; literary/linguistic renewal, ethnolinguistic character; 8809016
- Hungarian linguistic terminology history, written language/literacy beginnings; dictionaries/glossaries, common vocabulary specialization; *ige* 'word, verb' polysemy; 8806147
- Indo-European comparative linguistics beginnings/history; M. Mayrhofer's *Sanskrit und die Sprachen Alteuropas. Zwei Jahrhunderte des Widerspiels von Entdeckungen und Irrtümern* (Sanskrit and the Languages of Old Europe. Two Hundred Years of Reversals between Discovery and Error); 8806380
- Indo-European sound change laws; origins/explanations; 8801297
- International Phonetic Association/journal, goals, origins; 8806201
- Jakobson, R. O./Vinokur, G. O.; poetic language theories outlined/compared; 8801235
- Jakobson, R., retrospective volumes; Russian specialist use; *Verbal Art, Verbal Sign, Verbal Time, Russian and Slavic Grammar. Studies 1931-1981*; 8801208
- Jakobson, Roman; anthropological linguistics contributions; 8806182
- Karcevskij, S. J.; proposition/phrase distinction; Prague school syntactic theory development; 8801228
- Kholodovich, A. A., universal grammar/typological conceptions; contemporary relevance; 8803580
- Kilwardby, R.; 13th-century grammatical theory; 8808560
- Kloss, Heinz; language sociology/ethnolinguistics/minority political science contribution; obituary; 8806175
- Krelj, Sebastijan (Sebastianus Krelö Austriacus); Slovene Protestantism protagonist, linguistic peculiarities, Romance borrowings; 8808537
- language as action/representation; 18th/19th-century German philosophers' language conceptions survey; 8803592
- language change cause, H. Paul's/E. Siever's/O. Jespersen's views compared; 8801317
- language change conception, 19th-/20th-century Russian linguists' views; young grammarians' sound laws absolutism supported/rejected/modified; 8803587
- "language feeling"/"language thoughtfulness"/"language consciousness" terms history, German Enlightenment; Johann Gottfried Herder/Johann Christoph Adelung; 8808540
- language persuasiveness; potential dangers; advertising/scientific discourse; 8809054
- language typology history, Friedrich Schlegel's contribution; Alexander Hamilton's role; 8803597
- language typology history; comparative/historical/typological-philosophical linguistics origin; F. Schlegel's contribution; 8803588
- language typology history; French encyclopedist grammarians' contribution; 8803599
- language/thought relationship, 19th-century conception; pragmatic vs imaginary approach; 8801945
- Leite de Vasconcellos, J., Galician/Portuguese linguistics; dialect vs language issue; 8808539
- Lenin, V. I., Soviet linguistics development contribution; linguistic conceptions outlined; 8803581
- lexical semantics; marginal treatment, historical perspective; East German lexical semantics tradition, theory/objectives; 8808276
- Li, Fang Kuei (1902-1987), linguistic theory contributions; academic career/major publications; 8803605
- linguistic communication; segregational/integrational approaches compared; 8803534
- linguistic formalism, historical rejection; structuralist/generativist approaches; 8804665
- linguistic history, fundamental/methodological issues, domain/objectives/scholars' qualifications/discipline status; 8806183
- linguistic philosophy; 18th-19th-century transition; phenomenism/idealism/transcendental subjectivity; 8809241
- linguistic science, history/development/achievements/tasks; Soviet republics; Great October revolution seventieth anniversary papers; 8803609
- linguistic structuralism history, *où tout se tient* (where everything is connected) phrase authorship/origin year; Bela Brogyanyi's authorship/date proposal rejected; 8806215
- linguistic theory development; grammatical categories, traditional/modern treatments; 8808444
- linguistic typology, research development; "language type"/"typological features," interpretations/evolution traced, typological description; 8801626
- linguistics' history, Ancient Greece; Jean Lallot's "Études sur les grammairiens grecs" (Essays on Greek Grammarians) outlined; 8808552
- linguistics; subdisciplines identified/described; 8803527
- literary Serbian standardization, Jernej Kopitar's/Vuk Stefanović Karadžić's contribution/cooperation; Kopitar's/Dobrovský's/Vuk's correspondence; 8806216
- literary vernacular use, England; Latin grammatical tradition; Aelfric's Old English grammar; 8801224
- Lomonosov, M. V., phonetic conceptions; 8806206
- Marty, A.; linguistic philosophy; syntax concept; 8808561
- Mayans y Siscar, D. Gregorio; Castilian orthographic treatise discussed; 8808888
- meaning/denotation relationship; intensional/extensional theories, historical overview; 8804384
- monosyllabism concept history, Chinese Jesuit studies, chronological phases; J.-H. M. de Prémare's Chinese pronunciation treatise; 8806198
- Moroccan Judeo-Spanish dialect; R. Orsatti's word lists/commentaries; 8803577
- Mukařovský, Jan; Prague circle's structuralist concepts, "empty" aesthetics; works discussed; 8801209
- Murko, Matija; linguist/comparatist; research periods, contributions; 8803602
- Nasse, Werner; 19th-century aphasiologist; aphasia typology; 8802134
- neurolinguistics history/origin/growth/application; C. P. Bouton's works reviewed; 8802792
- neurolinguistics; H. Hecaen's research; cognitive-linguistic processing; 8800166
- Newfoundland linguistic research; post-1982 studies/projects bibliography; 8801216
- Newman, S.; biographical sketch; E. Sapir/Amerindian linguistics/American structuralism; 8801236
- Nicolai, F., etymological studies; *Berlin/Köln* etymons, Celtic/Slavic sources; 8808810
- nominal/verbal stem relations, *kāraka*/non-*kāraka*; Pāṇini's analysis procedure; 8801192
- null morpheme treatments reconstruction, linguistics historiography; deconstruction approach, literary-theoretical hermeneutic device; 8806170
- Oberlin, J.-J.; medieval language scholarship; 8801234
- Oinas, F. J., bibliography supplement; 8808536
- Old English verb *drēogan*; semantic range 'to do'/'to suffer'; chronological patterns; 8801300
- de Oliveira, Fernão, *Gramática da Linguagem Portuguesa*; vowel nasality interpretation; 8800709
- oral German conversational analysis, West German studies; US pragmatic/sociolinguistic investigations influence; 8803583
- Orešnik, Janez, Icelandic contributions evaluated; morphological/phonological studies; 8803594
- orthography conception/treatment; 19th-century linguistics, historical perspective; linguistic goals/methods change/orthography treatment change; 8808545
- Oudin, A.; *Grammaire Française* (French Grammar); Maupas/Vaugelas relationships; 8803600
- Passy, Paul; Italian transcription, International Phonetic Alphabet; 8806189
- Paul, Hermann, *Deutsches Wörterbuch* (German Dictionary); centennial celebration, revised edition compilation problems/principles; 8806530
- Paul, Hermann; social evolutionist; Rudi Keller's claim contested; 8803560
- Peirce, C. S.; anti-idealist-based pragmatism; thought evolution traced; 8801207
- Peirce, C. S.; semiotic theories, historical development; 8809212
- philological historiography, historical outline; structuralist linguistic model impact; language/society relations; 8806344
- Polish studies history, Greifswald U; pre-/post-WWII courses/content/enrollment/teachers/exchange programs; 8806187
- Pott, August Friedrich; language/race supremacy critic; Arthur de Gobineau's race inequality theses rejected; 8801230
- Prague Linguistic Circle, F. de Saussure's impact; functional stylistics development; 8801225
- Prague Linguistic Circle, linguistics history; dialectical materialist perspective; 8801232
- pronoun studies, Hispanic treatments/approaches history, conceptions/theories outline; 8806188
- "proposition," 18th-/19th-century Russian grammarians' conceptions/definitions; M. V. Lomonosov/A. A. Barsov/L. H. Jakob; western grammarians'/logicians' influence; 8803584
- psycholinguistics; emergence/decline; 8800008
- psycholinguistics; historic overview; W. Wundt/H. Paul; bottom-up vs top-down processing; 8800003
- Purkyně, Jan Evangelista, Slavic conceptions, Russophilic sentiments; 8806203
- Puscariu, Sextil, *Etymologisches Wörterbuch der Rumänischen Sprache* (The Etymological Dictionary of the Romanian Language); Matteo Bartoli's notes; 8806334

- referentiality; modern linguistic theory; meaning/ambiguity/polysemy; 8803585
- Renaissance grammar; Donat/Priscian influences; pronoun characterization; 8801220
- Riehme, Joachim, German orthography teaching; orthography/grammar relationship; 8804090
- Rohlf, Gerhard; Balkan linguistics contribution, Italic Greek studies; obituary; 8806210
- Russian language studies; *Slavic and East European Journal* coverage 1957-1987; 8806200

- Indo-European geographic "oval," Baltic/Tocharian/Indo-Aryan; innovations, isoglosses; 8803642
- Indo-European glottalic theory; natural consonant system; phonemic system development; 8803665
- Indo-European homeland; Anatolia; linguistic evidence; 8803921
- Indo-European laryngeal theory; spirant consonants **/h₁/*, **/h₂/*, **/h₃/*, diachronic-explanatory-reconstructive relevance; M. Mayrhofer's conceptions; 8806349
- Indo-European medium voice origin; active/middle correlation, perfect/middle interbreeding; 8806306
- Indo-European morphology, definition/characteristics; stem formation, agglutinative elements; 8808302
- Indo-European number system universals; numeric system theory requirements; 8804359
- Indo-European numerals; K. Shields's study challenged; 8808591
- Indo-European occlusives, glottal theory; literature review; reconstruction comparative-typological method; 8803778
- Indo-European phonological development; laryngeal theory; Anatolian, Greek data; 8803728
- Indo-European religious beliefs; archaeological/mythological/linguistic sources examined; 8806227
- Indo-European sentence syntax; earliest verbal/nonverbal patterns; 8803735
- Indo-European sentence typology; lexical entries/structural patterns, active-nonactive opposition, revised typology proposal; 8806358
- Indo-European sound change laws; origins/explanations; 8801297
- Indo-European 'wine', T. V. Gamkrelidze's/V. V. Ivanov's Proto-Indo-European origin supported; alternative morphological proof proposed; 8803638
- Indo-European, non-Indo-European contacts, Western/Northern Europe; *wolf/dog*-onomastic formants; 8806316
- Indo-European-Uralic language contacts history/chronology/strata; K. Rédei's *Zu den indogermanisch-uralischen Sprachkontakten* (On the Indo-European-Uralic Language Contacts); 8808747
- Indo-European/early Germanic worldviews; 'blood' images; root metaphor analysis; 8803699
- Indo-European/Finno-Ugric early contacts; Ugric Indo-Europeanisms identified; 8803885
- Indo-European/Semito-Hamitic/Caucasian/Altaic/Finno-Ugric/ Eskimo/Sumerian/Malayo-Polynesian kinship; hypotheses/evidence/scholars; 8803763
- Indo-European/Uralic root **da-* 'to divide/to shred/to tear up'; reconstructions proposed; 8808599
- Indo-European; T. V. Gamkrelidze's/V. V. Ivanov's *Indoevropskii yazyk i indoevropyetsy. Rekonstrukcija i istoriko-tipologičeskij analiz prajazyka i protokultury* (The Indo-European Language and Indo-Europeans. A Reconstruction and Historical-Typological Analysis of a Proto-Language and Proto-Culture) evaluation; 8806370
- Italian-Tocharian "mysterious" coincidence explained, *genus alternans* phenomenon; 8806262
- Kjolmen Thracian inscription, new reading; Greek transliteration, alphabet territorial origin; 8806248
- language shift, Arvanitika (Albanian) narratives, structure/function; ethnography of speaking paradigm use; 8809096
- Latin *cauda* 'tail'; Greek semantic parallel; 8803674
- Latin *sum*, Oscan *sum*, similarities; shared innovations; 8803689
- linguistic change; dialectal evidence/typological comparison; Indo-European syntactic phenomena; 8808592

- Lislakh cluster reduction; prothetic alif/consonant-vowel assimilation/consonant loss; comparative study; 8803048
- Lydian *śrfašti-* 'left'; etymology/word-formation pattern, Indo-European root **sṛ-w-*, semantic evolution; 8808609
- negative morphemes, /n/ phoneme; Sanskrit-present; 8800966
- Neo-Phrygian *bas*; etymology, meaning, history, phonological development, attestations; 8806258
- Nostratic comparison; A. Bomhard's *Toward Proto-Nostratic: A New Approach to Comparison of Proto-Indo-European and Proto-Afroasiatic* critically reviewed; 8801311
- Old Church Slavic, Proto-Indo-European phonological development; OCS Gen BETA rules system implementation; Neogrammarian view inadequacies; 8808695
- Old Persian word syntax; verb position, fronting; 8805733
- Oriental Indo-European isoglosses/isoids, Homeric *λαοσσοος*; 8808600
- phraseological meaning formation; connotations role; cross-linguistic (Indo-European) material; 8805877
- polysemy comparative study, typological perspective; problems/objectives/procedures; methodological suggestions; 8801375
- possessivity, syntactic realization typology; Indo-European *be-/have*-languages classified; 8801456
- Proto-Indo-European **ser-*; nondurative Aktionsart; Greek/Latin/Armenian reflexes; 8803635
- Proto-Indo-European collective; number category, binary gender system; 8803681
- Proto-Indo-European consonantism reconstruction; history/schools/approaches, glottal theory; 8808594
- Proto-Indo-European ergativity; M. Silverstein's case-marking typology; C. C. Uhlenbeck's theory refuted; 8801627
- Proto-Indo-European 'four'; reconstruction **kwet-uor-es*; 8803636
- Proto-Indo-European gender system/noun classes, Hittite data; Proto-Indo-European-Hittite nominal classifications; 8803765
- Proto-Indo-European typology; phonological/morphosyntactic development; phases; 8804118
- Proto-Indo-European verb aspect question; daughter languages' data analysis; 8803738
- Proto-Indo-European voiceless aspirated stops; origin possibilities; glottal theory rejected; 8808638
- Proto-Slavic **sop-ti/*sopa* 'to sleep' etymology, Indo-European origin, 'to sleep'/'to breathe' meaning split; 8808606
- Proto-Slavic developmental stages/phonological characteristics; consonants/vowels/diphthongs/syllable structure; 8806309
- Rogozen vessel inscriptions, linguistic peculiarities/historical facts; anthroponyms/toponyms formational patterns, historical persons/places; 8806322
- Romanian-Albanian etymological/lexical concordances; dialectal/regional words examined; 8801349
- Sanskrit word parser program development, preprocessors; 8808723
- Slavic deverbal nouns, *-t-* root; Indo-European base; reconstruction/phonological derivation; 8803677
- Slavonic languages; historical phonology; Common Slavonic **y* reflexes/palatalization, consonantal correlation; 8803086
- theoretical/applied semantics; M. Alinei festschrift; 8808225
- Thracian etymologies, V. Georgiev's data reexamined; 8806273
- Thracian lexical heritage, Southeastern European languages; ethnic/socio-political information; 8808633
- Thracian linguistic problems, semantic/etymological analysis methods, proper names interpretation; V. I. Georgiev's critique rebuttal; 8806274
- Thracian suffix *-sk-*; etymology/history/usage/variants/semantic/formational domain, onomastic formant; 8805929
- Tocharian suppletive verbs; paradigmatics, contrast principle, first-class present-second-class aorist; 8806331
- Uralic-Indo-European phonological parallels/similarities; *p/k* + cons, vowel context; 8808598
- voice, grammatical category semantic definition; semantic/syntactic concepts correlation; active/passive/reversive/inactive voices; 8805878
- Winter, Werner, Festschrift; Indo-European studies; review article; 8808639
- 'woman', Proto-Indo-European root formants; Germanic development; 8803680
- work-related phrases, fun-oriented thematic listing; English/French/German/Lithuanian/Russian material; 8801116
- Indo-Iranian Languages**
- affectivity, Persian language use; sociolinguistic analysis; communicative contexts; 8808995
- Afghanistan, language situation/policies; 8808756
- Armenian/Persian literary languages development; comparative sociological/anthropological analysis; 8803792
- Azerbaijani people/language origin; paleolinguistic data/toponyms analysis; Indo-European-Iranian-Azerbaijani contacts; 8806372
- cross-language influence, Turkic/Iranian loan syntax; verb systems/verb serialization/verb paradigms; 8806447
- cuneiform writing systems; origin/development/methods/decipherment; 8808930
- Dmitriev, L. N., *Persidsko-russkii slovar'* (A Persian-Russian Dictionary); presentation; 8806545
- early Indo-Iranian languages; configurational syntax; *wh*-movement/cliticization; 8803185
- emotional discourse, Iranian society; ritual, state appropriation; sociolinguistic analysis; 8809033
- Französische etymologische Wörterbuch* (French Etymological Dictionary), addendum; Turkish/Persian/Arabic borrowings etymologies/attestations; 8804021
- Indo-European geographic "oval," Baltic/Tocharian/Indo-Aryan; innovations, isoglosses; 8803642
- interlanguage, Kurdish/English intensifiers/quantifiers; acquisition process implications; Kurdish English as a second language speakers; 8807526
- Iranian phonetic symbolism; onomatopoeic consonants/consonantal groups; written sources; 8806887
- Khotanese compositions, typology; morphology/phonology/morphophonology; 8803654
- language classification difficulties, Indo-Aryan; phonological/morphological features, tentative groupings; 8808757
- name translation/adaptation, Theon's *Progymnasmata* Armenian version; anthroponyms/toponyms/ethnonyms adaptation; 8805609
- Nart epos, Ossetic/Abkhazian-Adyghean versions; heroes' names, interdialectal formants; 8803996
- Old Avestan finals' sandhi, pre-**cā* environment, attestations; 8803691
- Persian compound nouns; semantic/syntactic properties; percolation principle; 8800876
- Persian dialects, non-Farsi elements; foreign influence/conservative nature; 8801442
- Scythian anthroponyms/ethnonyms; Herodotus's *History*, Kolaksay/Skoloty, Indic/Persian elements; 8804002
- Indo-Pacific Languages**
- agreement, linguistic research use; Tepera (Indo-Pacific) person analysis; 8808121
- Andamanese languages, Bay Islanders; unusual features, formative affixes; 8803620
- Bukiyip (Papua New Guinea) oral discourse; primary/secondary information; realis/irrealis mood; 8805976
- Eastern Highland Papuan languages relationship; syllable structure evidence, reconstructions; 8805634
- Huli (Central New Guinea) naming customs; free creation/identification; 8801518
- Huli socialization activities; children's play routines, ethnographic analysis; parent-child discourse; 8802311
- Menya (Papua New Guinea) verbal morphology; subject cross-reference markers; relevance degree; 8805952
- native language reading instruction; Tok Pisin/Hiri Motu (New Guinea) literature; production factors; 8800511
- Oksapmin (Papua New Guinea) narrative discourse; story viewpoint, verb tense marker; 8806039
- Papuan languages; typological/descriptive studies; 8801272
- Papuan medial verb morphology, Gorokan evidence; medial reconstruction; 8805913
- switch-reference; D. Finer's government-binding approach rejected; Amele (Papuan) evidence presented; 8803554
- syntactic relations/verbal agreement; universal grammar; Kapampangan (Philippines) evidence examined; 8803520
- Tangut writing system; radicals meaning; generative processes model; 8801607
- Infant Vocalization**
- child language acquisition, speech development stages/strategies; J. Dore's assumptions contested; 8802280
- crib speech; operations/communicative speech relationships; children aged 1;6-3;2; 8804734
- dual-career parent/infant interaction; mother/father behavior differences, effects; 8-month-old infants; 8801631
- holophrastic utterances, infant babbling development; longitudinal study; Vygotskian perspective; Japanese-/English parents, children aged 0;10-2;6; 8802330
- infant babbling; audition role; syllable production; hearing-impaired/normal infants; 8804786
- infant cries, pitch variations/maternal perceptions; fundamental frequency aspects; 8802415
- infant language development; vocalization/experience changes relationship; video-taped freeplay sessions; 8804754

- infant vocalization; maternal attitudes relationship; pregnancy questionnaire; 8800063
- infant vocalization; mother-infant interactions; longitudinal study; 8800062
- infant-sibling communication; birth-spacing, cognitive/linguistic development; 8800076
- mother-infant imitative interchanges; vocal/verbal matching behavior; free play/bath time situations; infants aged 0:10-1:2; 8804137
- receptive/productive language skills; cognitive performance; pre-/full-term infants; Ordinal Scales of Psychological Development; 8804805
- spectral energy distribution, infant vocalizations; four types compared; infants aged 0:2-0:6; 8809274
- speech development; mentally retarded children; canonical babbling role studied; 8804614
- vocal alternation, emergence; mother-infant interchanges; sensory-sensory/sensory-motor integration; 8808953
- vocalization rate, operant conditioning; Down syndrome infants; continuous reinforcement vs differential reinforcement of other-than-vocalization; 8809500
- voiced phonation ratio, infant cries/perception; semantic differential technique; 8807320
- inflection**
- agrammatism; syntactic deficits/speech comprehension parallels; noun inflection sensitivity; 8804554
- Ancash Quechua dialect; conjugational paradigms described; 8805824
- Australian aboriginal languages; common grammatical features; 8806237
- Balto-Slavic instrumental case, *-m*-ending, *o*-stem nouns; genetic development/isogloss; comparative-historical paradigmatic/interparadigmatic analysis; 8808635
- case meaning/form relationship, Old-Modern Russian; comparative-historical analysis, meaning/form dialectics perspective; 8803649
- Chelmo (Poland) accounting books; orthographic/graphic/inflectional/word-formational peculiarities, 17th/18th century; German influence; statistical analysis; 8808658
- cognitive processes; inflectional form mastery; contextual variables; Finnish-speaking children aged 2:6-4:3; 8804683
- contrastive emphasis use, native/nonnative speaker differences; acoustic analysis; Spanish/English speakers; 8800713
- Croatian Church Slavonic, noun declension; grammatical categories role; 14th-/15th-century liturgical books; 8808655
- Dutch verb inflections, phonological aspects; native-language teaching; 8808081
- Finnish inflection; substantives with *askel-*, *askar-*, *ahven*; 8805738
- French case system, Latin declensional system invalidation; 18th-century Spanish grammars of French survey; 8803663
- French subjectless verbs; *voici* 'here is'/'voilà 'there is'; empty category theory implications; 8805699
- French verb inflection, lexical organization; composition/selection rules; defective/suppletive forms; 8805875
- French verb morphology; *passé simple*/past participle, second/third conjugations; root similarity, markers /s/, /t/; 8805938
- French verbs; morphological innovations; Humboldt's universal; 8803764
- German foreign nouns' morphological adaptation; case/plural inflection, null/intermediate/strong markedness; 8803373
- German strong verbs' present tense inflection paradigm, uniformization process, functional/social/territorial factors; 16th-century Leipzig prints analyzed; 8803669
- grammatical categories; verbal inflection functions; voice/agreement/tense/aspect/mood; 8803220
- grammatical morpheme acquisition; maternal recasts role; free/bound morpheme distinction; cognitive comparison model supported; 8802301
- Hindi vowel alternations, morphophonological explanation; noun/verb inflection/formation, word composition; 8805910
- Indo-European *ex*-conjugation, proterodynamic verb inflection origin; V. Georgiev's framework; 8806343
- Indo-European *ex*-conjugation/proterodynamic verb inflection origin; 8806342
- inflection learning, computer model; S. Pinker's inflection learning theory; 8806415
- inflectional marking acquisition, Finnish; error analysis; Finnish child aged 1.5-5.6; 8800094
- inflectional morphology sensitivity; agrammatic Serbo-Croatian speakers; grammaticality judgment task; 8802136
- Italian inflected prepositions; five analyses considered; inflected preposition analysis supported; 8803078
- Kiyaka (Niger-Kongo) object agreement markers; topicality hierarchies role; 8805749
- Latin medio-passive *-r*/preverb *-re(d)*/Celtic *ro-*, lexical/grammatical parallels; A. N. Savchenko's/I. A. Perel'muter's Indo-European medio-passive voice origin supported; 8803753
- lexical decision; noun/possessive pronoun agreement; Serbo-Croatian speakers; grammatical congruency effect; 8800023
- morphological theories; comparative survey; 8800965
- morphological theory; lexeme/morpheme distinction; autonomous morphological/lexical components posited; 8800952
- Old Swedish singular place-names, inflection; strong declensions, Södermanland data; 8808802
- paradigmatic-structural conditions; inflectional paradigm organization/change; Icelandic feminine nouns; 8803381
- phonics terms, children's definition/application ability; high-/low-level readers compared; fourth-grade students; phonetic knowledge; instructional implications; 8805338
- Plains Cree (Algonquian) dialect; morphology/syntax/discourse structure; verb inflection/grammatical relations/obviation/transitivity; 8805905
- reading comprehension/morphological development, inflection, familiar vs nonsense words; learning-disabled pupils aged 7-11; 8805382
- Romanian Latin-based neologisms, inflectional normalization, *-tate/-ta* forms; 19th-century linguists/purists debate; 8806357
- schwa epenthesis, prosodical/inflectional, Standard German, autosegmental lexical phonology framework; 8803037
- segmental awareness development; morphological structure role; 8805924
- Slavonic possessive adjectives; inflectional/derivational character; control possibilities; 8800955
- Spanish clitics, pronominal vs verbal status; clitic as verb inflection; 8803140
- spoken word perception; syntactic/semantic processing separability; lexical decision tasks; Serbo-Croatian speakers; 8802409
- Swahili verb suffixes; lexical treatment; textual data, statistical analysis; 8800967
- verb government, 15th-century Hungarian; Latin original codexes; case inflection development; 8805787
- Initial Teaching Alphabet**
- Initial Teaching Alphabet, development, future applications; strengths outlined; 8808922
- Inner Ear**
- acoustic features; auditory processing, three-stage model; vowels/voiceless fricatives, neural representations; 8806955
- auditory periphery; speech encoding, anatomical/physiological bases; 8806947
- auditory speech processing; auditory periphery, computer model; speech recognition implications; 8806954
- speech processing; auditory periphery role; spoken syllables, auditory nerve fiber responses; 8806945
- speech processing; peripheral auditory system, composite model; 8806943
- vowel encoding; auditory-nerve fibers; phase-locking/average-rate features, relative importance; 8806953
- Intelligence**
- artificial intelligence research; intelligent behavior model, relativistic criteria; 8806425
- bilingualism; receptive/balanced distinction; acculturation/intelligence/achievement/personality differences tested; Mexican American bilinguals; 8805543
- dyslexia; research studies problems; sex differences/socioeconomic background/intelligence/birth order factors discussed; 8804597
- intelligence/attitudes, bilingual Afrikaans-English society; white South African teacher trainees; conservatism/religiosity factors; 8807966
- language proficiency; intelligence/reasoning relationship; nonnative English speakers tested; 8800013
- reading progress; intelligence/cognition relationship; first-, third-, fifth-grade children; 8807849
- reading-disabled children, intellectual characteristics; factor analytic perspective; cognitive strengths/weaknesses; 8802773
- reading/listening skills development, visually handicapped fourth/fifth/sixth graders; verbal intelligence testing variance; Durrell Listening-Reading Series; 8802882
- reading/spelling/math achievement; intelligence relationship; distribution "hump"; reading failure nature; 7-, 11-, 13-year-olds; 8805473
- second-language learning; children aged 3-5; intelligence/parent attitudes/motivation/age/sex influences; 8802646
- speech production; phonological complexity effects; children aged 3-5 years; 8804783
- Intelligence Testing (see also Peabody Picture Vocabulary Test)**
- cognitive characteristics, reading-/learning-disabled undergraduates; compensation strategies; Wechsler Adult Intelligence Scale-Revised; 8807691

- conceptual language measures, new/revised, concurrent validity; Bracken Basic Concept Scale, Boehm Test of Basic Concepts-Preschool Version, Boehm-Revised, Peabody Picture Vocabulary Test-Revised; preschool children; 8809539
- dyslexia identification; Wechsler Intelligence Scale for Children-Revised use; 8804610
- dyslexic readers' reading comprehension, prediction/diagnosis; initial reading level/IQ score; M. Condemarin's/M. Blomquist's decodification test; Wechsler Intelligence Scale for Children-Revised; Santiago (Chile) normal/dyslexic preschool/elementary students; 8800483
- English as a second language instruction; Dutch high school, reading readiness tests validation; reading readiness/vocabulary knowledge/IQ relationship; 8802515
- foreign-language acquisition; cognitive style/orientation role, IQ/second-language aptitude testing; Polish undergraduates; 8805111
- K-ABC, developmental language disorder diagnosis; language-impaired/nonimpaired students; 8809532
- Kindergarten Teacher Rating Scale appropriateness, reading learning disability diagnosis, Costa Rica; cross-cultural application; 8809536
- language disorder/attention deficit disorder relationship, preschoolers; psychiatric diagnosis, Stanford-Binet Intelligence Scale; 8809420
- reading achievement/ability correlations; special education students aged 9-6-12-8; Wechsler Intelligence Scale for Children-Revised, Basic Visual-Memory Association Test, Test of Reading Comprehension; 8804598
- reading acquisition, speech perception/memory/IQ relationship; 6-year-old boys; 8807151
- reading disability assessment; IQ score use; cognitive tasks; reading-disabled/normal children aged 7-16; 8809485
- reading errors/style, changing pattern, age differences; Schonell Graded Word Reading Test, Neale Analysis of Reading Ability, Raven's Colored Matrices, Schonell Spelling Test; reading ages 5-11 years; 8805429
- reading retardation classification stability; longitudinal study; children at ages 7/9/11; Burt Word Reading Test, Wechsler Intelligence Scale for Children-Revised, Progressive Achievement Test; 8802854
- reading retardation/IQ score classification; "Isle of Wight" studies, M. Rutter's/W. Yule's review; "retarded"/"dull" distinction challenged; reading score ceiling effect; 8802772
- reading subtest performance; learning-disabled/regular education students; Wide Range Achievement Test, Woodcock Reading Mastery Test, Wechsler Intelligence Scale for Children-Revised; 8802879
- reading-disabled children, intellectual characteristics; factor analytic perspective; cognitive strengths/weaknesses; 8802773
- second-language reading comprehension testing; IQ component over-emphasis; rebuttal/comment; 8805244
- Test of Nonverbal Intelligence; review; uses/limitations; 8809537
- test-taking strategies; reading achievement tests, confidence/carelessness factors; interview data; elementary school children; Stanford Achievement Test, reading subtests; 8805500
- Wechsler Intelligence Scale for Children-Revised, normal/dyslexic readers; writing/copying speech/recognition memory; third-ninth graders; 8802861
- Intelligibility (see also Pronunciation Accuracy)**
- auditory system; spectral representation; vowel masking patterns; 8806956
- child language; context-sensitive phonological patterns; poor intelligibility treatment; 8800085
- deaf young adults' speech; silent pauses, number/duration/location; 8804503
- dialect intelligibility testing; sentence-test approach advantages/limitations; 8808776
- dialects vocabulary similarity/intelligibility correlation; language program implications; Philippines data; 8808772
- esophageal speech intelligibility; relaxation training effects; 8802207
- German administrative texts readability/intelligibility; syntactic/lexical peculiarities/pragmatic conditions; West German vocational/gymnasium students; 8801065
- German as a native language instruction, writing component; text rewriting, didactic benefits; 8807883
- hearing-impaired individuals; speech intelligibility assessment; methodological procedures; adolescent males; 8804505
- machine speech intelligibility/listenability; Varispeech versus Variable Speech Control; time alteration effects; 8802028
- processed speech evaluation; intelligibility measures effectiveness; 8804459
- speech coding; auditory periphery; representational models reviewed; 8806948
- speech intelligibility prediction; modulation transfer function; psychoacoustic application; normal-hearing/hearing-impaired subjects; 8804444
- speech intelligibility, voice output communication aids; Personal Communicator/SpeechPAC; clinical use implications; 8807106
- speech intelligibility; dysarthric cerebral palsied adults; acoustic features contribution; 8804512
- speech intelligibility; speech intensity/melody effect; perceptual condition role; German undergraduates; 8804456
- speech transmission systems; bandwidth parameter examined; speech intelligibility; hearing-impaired/normal-hearing subjects; 8802406
- speech wave/intelligibility, shaping speech wave relationship; acoustic parameters; men aged 20-24; 8806908
- spoken language production, context effects; P. Lieberman's intelligibility adjustment hypothesis tested; 8807165
- syllable chaining, language therapy technique; pre-/post-/intervocalic consonants; phonologically disordered children; 8807105
- synthesized speech intelligibility; Votrax Personal Speech System/Echo GP small computer systems compared; 8809269
- text connectivity; intelligibility/comprehensibility/emotional accessibility/existential accessibility; Danish radio broadcast; 8806003
- text-to-speech systems; psycholinguistic study; perceptually similar words set; 8809284
- word intelligibility; context redundancy, acoustic correlates studied; 8804446
- word/sentence intelligibility; spectral alternation effects; low-/high-pass filtering; 8801971
- Intensity of Vibration**
- alaryngeal speech; vocal intensity/loudness/speech quality relationships; absolute magnitude estimation method; 8802170
- auditory Stroop effect; psychoacoustic dimensions; pitch/loudness/time; 8800151
- auditory/phonatory performance; normal hearing subjects; interaural intensity/time differences; laryngeal reaction time/auditory brain-stem response; 8800155
- contrastive stress, production/perception; healthy vs restrictive lung disease speakers; 8809398
- diplophonia; acoustic analysis; amplitude/fundamental period perturbations; 8802044
- French validating construction; acoustic analysis; fundamental frequency/intensity/duration; 8806899
- loudness additivity, critical bands; conjoint measurement approach; sound intensity sensory representation, individual differences; 8804851
- Parkinson's disease; spontaneous language production deficiencies; acoustic/linguistic analyses; 8802788
- peripheral auditory system; intensity perception; physiological/psychoacoustic data integrated; 8802047
- phonation; expiratory lung pressure measurement; airway interruption method; 8802026
- phonation; noise/auditory feedback effects; long-term average spectrum/fundamental frequency analysis; singers/nonsingers compared; 8809318
- respiratory system behavior; articulatory/intensity factors; adult/child differences; 8804494
- Spanish stress; acoustic parameters; duration/intensity/fundamental frequency; Costa Rican speakers; 8806935
- speech perception; phonetic/auditory modes; intensity-dependent duplexity; 8802041
- speech rate perception, relative/absolute judgments, masked/content-standard stimuli; vocal frequency/intensity effect; 8809264
- vowel spectrum perception; amplitude transition effects; forced choice identification task; 8801975
- Inter- and Intraspecies Communication**
- adult-child/pet communication; test proposed, personality evaluation, human-animal scale; 8801088
- chimpanzee-human communication; *wh*-question response, developmental trends; longitudinal study; 8806844
- vervet monkey symbolic alarm calls; acoustic cue use; human speech evolution implications; 8806842
- International Languages**
- African English varieties; features/problems surveyed; 8808771
- constructed languages; U faculty/students attitudes; Esperanto; 8806483
- discourse communities, criteria; reprint request genre, English as international language status; 8809091

- Distributed Language Translation system, Esperanto modification/application; project's achievements/prospects; 8808721
- English as a world language, recent publications; English-speaking community types; 8808794
- English as an international language; science/technology role; 8808795

- English dialectology; *A Bibliography of Writings on Varieties of English, 1965-1983* reviewed; 8803938
- English language competence, scientific community; oral communication limits; Esperanto role; 8801505
- English spelling system; reform advocated; morphophonemic rules proposed; 8808935
- English, power/politics; international language use; concentric circles of English; 8801725
- Esperanto as a cultureless language; Matazi Kido's claim refuted; natural language/culture relationship; 8808796
- Esperanto as a European language, counterevidence; 8808798
- Esperanto centennial; achievements/problems, linguistic simplicity, cultural neutrality, popularization efforts/policies; 8806480
- Esperanto description; term "planned language" proposed; 8806481
- Esperanto spelling, English spelling implications; 8808797
- Esperanto stems, computer-assisted frequency dictionary; project requirements, statistical procedures, computational processing; 8803808
- Esperanto study; multilateral/symmetrical communicative practices maximization; 8806482
- Esperanto vs Interlingua, easiest language dispute; B. C. Sexton's claim contested; 8803979
- Esperanto word formation, "European" vs pure Esperanto patterns; debate; 8803976
- Esperanto, introductory instruction; 1985 UNESCO resolution implications; 8806487
- Esperanto, linguistic research model; 8808792
- Esperanto, machine translation use; expressiveness/formal regularity features; 8808026
- Esperanto, planned/universal/international language; origin/dissemination/evolution/prospects; 8803973
- Esperanto, special properties; psycholinguistic factors; 8806488
- Esperanto, translation use; personal experiences; 8801503
- Esperanto; 1983 papers collection; 8801508
- Esperanto; 1984 papers collection; 8801509
- Esperanto; 1985 papers collection; 8801510
- Esperanto; 1986 papers collection; 8801511
- Esperanto; acquisition ease claim examined; 8806485
- Esperanto; history, creator, linguistic structure; 8806491
- Esperanto; history/current status sketched; literature/social importance; 8806490
- Esperanto; origin/history/linguistic characteristics/current status/future prospects; 8803977
- Esperanto; origins/current status discussed; 8801506
- German as a second/international language, Belgian perspective; German language status/knowledge importance; 8804271
- Interlingua as a second language; simple grammar/familiar vocabulary; 8801504
- Interlingua vs Esperanto, learning/use ease; V. van Themaat's critique; 8806489
- International English varieties; British/North American English predominance; pronunciation/grammatical/orthographical/lexical differences; 8803978
- International language; Roman Catholic Church; English/Latin/Esperanto; 8806689
- International maritime transportation vocabulary; English language use; 8808762
- International scientific communication; English role; multilingualism advocated; 8801501
- International scientific communication; Esperanto use potential; computer translation/international conferences; 8801507
- International scientific language, Esperanto use; scientific vocabulary enrichment; 8801502
- Interpretation services, UN system; Esperanto use; 8807995
- Japanese English varieties; linguistic contact; pidginization/borrowing/language instruction; 8803912
- Languages equality/sociolinguistic differentiation; partial-/whole-/supra-/extraterritorial languages; Russian as a world language; 8809092
- Latin as an international language, revival advocated; problems; 8808793
- "native speaker" concept, refinement; 8808791
- Pidgin spelling, international English spelling, Tok Pisin/Australian Creole examples; 8808933
- Planned languages; Volapük preservation; 8806484
- Purkyně, Jan Evangelista, Slavic conceptions, Russophilic sentiments; 8806203
- Research English, model/conventions; international communication, nonnative English speakers; J. Swales's proposed system modified; 8808389
- Russian as an international language; future research tasks/requirements; 8803975
- Russian as an international language; Marxist-Leninist perspective; 8803974
- sentence head, Scandinavian/English/German/Dutch; government-binding/parametric syntax theoretical framework; 8808458
- Soviet language policy, national form/socialist content; Russian as an international language/koine, national vs minority languages; 8806750
- Swiss German diglossia, written-oral German, High German-Schwyzerdütsch, standard/dialect/colloquial relationship; 8806456
- UN English/French terminology, German rendition; translation variant selection criteria; *Deutscher Übersetzungsdienst* (German Translation Service) practice related; 8800671
- world English, literary phonetic standard; multidialect language need; 8808920
- world English, new varieties; perspectives formation; 8806486
- world English; standardization advocated; 8806661
- Yushmanov, N. V.; "Vsemirnyy yazyk" (World Language); publication history; commentary; 8803607
- ### Interpersonal Behavior
- addressee role, message formulation; form/content effects; 8806611
- adult-child addresses; psychological-pedagogical analysis; classification criteria, didactic/remedial relevance; kindergartners; 8801651
- adult-child conversation; vocabulary simplification; age-dependent accommodation absence; 8808954
- adult-child play interaction; social/cognitive/linguistic development; spontaneous language/pretense play; 8806608
- adult-child/pet communication; test proposed, personality evaluation, human-animal scale; 8801088
- air traffic communication peculiarities; Czech sample analysis; specialized vocabulary/syntax/semantics; 8806053
- Alzheimer's disease patient-therapist communication breakdown; interactive approach/strategies, linguistic/social consequences; 8806994
- anaphoric pronouns use; speaker/hearer attention split, focus factors; 8800805
- argument self-editing, individual differences; strategy use/rejection; verbal aggressiveness/gender factors; 8804151
- artificial intelligence research; intelligent behavior model, relativistic criteria; 8806425
- autonomous language acquisition, twins' private language development; innate faculty, pragmatic conditions; literature survey; 8807201
- baby talk, "closeness to context" rule; Italian women/men; step-by-step discourse planning; 8805996
- bilingual classroom; peer collaboration; mixed English proficiency - first-grade class; 8805529
- bureaucratic communication; knowledge social organization effect, insider's/outsider's knowledge/communicative role/expectation; recapitulation paper; 8803474
- bureaucratic medical communication, doctor-patient referral talk; organizational constraints/communicative variables; communicative activities/roles; 8803421
- caregiver-child communication, child language learning; hearing-impaired/normal-hearing children aged 1;5-3;10, normal-hearing mothers; pedagogical implications; 8804731
- caregiver/child verbal interaction, story time; pre-/posttraining; 8808948
- casual conversation, current descriptive approaches; communication ethnography/ethnomethodology/discourse analysis; 8801070
- child language acquisition; first phase, semiotic interpretation proposed; 8801918
- child language acquisition; mother's speech effects; semantic primacy; Dutch motherese utterances; 8802284
- child language acquisition; parental input/feedback role; 8802343
- child language development; classroom talk role; J. Britton's/D. Barnes's positions; 8803477
- child language development; maternal speech relationship; infant temperament characteristics; longitudinal study; 8802348
- child oral reading, miscue analysis, teacher behavior/language; individual reading conferences; 6-/7-year-olds; 8805283
- child referential communication development; literature survey; general developmental issues; 8800106
- child utterances; grammaticality variation; parent responses; 8801641
- child-adult conversations, child perceptions/knowledge of adults; children aged 4-14; response/age differences; 8808977
- child-adult interaction/communication, severely handicapped pupils; classroom behavior data; 8802193
- child-to-child interaction, young children's social competence development; classroom research reviewed; 8801633

- children/parents; verbal abuse impact; 8802191
- children's conversational styles; regulatory functions; mother/peer interactions compared; Spanish-speaking children aged 2/4; 8800089
- children's literacy awareness; enhancement strategies; parental story reading; low/high print aware children; 8802314
- children's oral communication, communication type *joint planning*; German 3-year-old kindergartners; 8801658
- children's referential/expressive language; object play/social behavior/maternal language effects; 8800077
- children's requests for clarification; use/response; normal/language-impaired children; 8804742
- clarification requests, mother/language-impaired child dyad; frequency/structure/sophistication; therapeutic implications; 8802151
- cohesive devices, conversation use; interaction involvement, communicative competence relationship; 8806106
- commissive speech acts, children's use; child/experimenter dialogue; children aged 4:5-11:11; 8807200
- communication apprehension, literature survey; future research recommendations; 8801635
- communication model, scientific theory application; Marxist-Leninist framework; 8801659
- communication process modeling; C. Shannon's/W. Weaver's transmission model critically evaluated; A. Korzybski's general semantics model advocated; 8801649
- communication rules, *Donahue* TV program discourse; ethnographic study; 8808946
- communication strategies research; T. Paribakht's method critically examined; "appeal for assistance" strategies; 8801662
- communication, deaf people's dreams; "pure communication," inter-/intrapersonal dynamics; 8809356
- communication, education context; Standard English development; dialect variation, literacy; 8806621
- communication, ethnopsychology viewpoint; socio-psychological/cultural factors role; problem formulation; 8801642
- communication, prelinguistic children, parents' perceptions; dyadic perspective; 8808957
- communication-handicapped children, social/educational integration; therapeutic suggestions; 8802063
- communication-oriented linguistics, state of the art assessment; Soviet/Czechoslovak studies; 8801031
- communication/communicative methods; philosophical-methodological questions; Marxist-Leninist perspective; 8801667
- communication/text, linguistic research objects; related problems, dialectal-materialistic framework/functional-communicative perspectives; 8804152
- communicative competence testing, conversation-interview measure; deaf adolescents/adults; 8804507
- communicative contexts; language/social interaction; medical conversation analyzed; 8804128
- communicative interaction; nonvocal physically disabled adults; augmentative devices effects; ethnographic study; 8801879
- communicative norms, characteristics/types; G. H. Wright's deontic norms applicability questioned, typology criteria considered; 8801666
- communicative strategy, written texts; German material analyzed; sender-text-recipient relationship; 8801656
- communicative type "securing understanding"; German adults'/children's familiarity/use; undergraduates/kindergartners; 8804159
- communicative/organizational processes; medical intake process; conversational routines, demands/constraints regulation; 8803430
- communicator/social style, self perceptions; sexes compared; Communicator Style Measure, Social Style Profile; 8808972
- computer-mediated communication, business environment; oral/written mode characteristics; 8806612
- context, linguistic definition problem; static vs dynamic conception, language as communication; 8806158
- controversial discussion, experience-psychological process analysis; emotional excitability/friendly/dominant impression/perception; 8804126
- conversation analysis, dance company members; observer's/participant's viewpoints approach; M. Mathiot's self-disclosure technique; 8808960
- conversation flow/speaking mode interrelationship; situation/emotional factors; East German workers' spontaneous conversation; 8801006
- conversation recall; time/mode/expectancy effects; content vs descriptive statements; 8804164
- conversation skill instruction, behaviorally disordered children; instructional package tested; 8807117
- conversation, new context negotiation; contextual configuration role; speaker-listener interactive behavior, social/cultural factors; 8800998
- conversation, speech event; speakers' rights distribution, topic initiators, Belfast adolescent interaction; 8808975
- conversation; sequential structure/speaker turn management; Markov process model/conversational exchange analysis; 8806095
- conversational analysis; single interaction episodes; social order; 8804162
- conversational competencies; intra-/intercultural conversations; Mexican, black, white Americans; 8806644
- conversational evaluation, interactive techniques/structures; assessments, narrative use/organization; videotaped conversations; 8806008
- conversational interaction, first-language acquisition, hearing-impaired children; Natural Aural approach; 8806960
- conversational interaction, synchrony/rhythm; turn taking/allocation; pragmatic/cultural knowledge, verbal/nonverbal cues, syntactic boundaries; 8808966
- conversational interaction; ambiguity resolution; dissertation defense fragments analyzed; 8804134
- conversational interruptions, men vs women; context importance; uninterrupt interactions; comment; rejoinder; 8808978
- conversational involvement; nonverbal behavior expression; interviews; unacquainted dyads; 8801629
- conversational sensitivity; social exchange inferences; personality correlates; 8804148
- conversational skill development; mentally retarded persons; rationales/modeling/social praise/corrective feedback procedures; 8802187
- conversational skills; psychiatric inpatient youths; skills training intervention; 8801655
- conversational uncertainty/forgetfulness display; syntactic/paralinguistic techniques; 8804133
- court discourse genre, description difficulties; D. Burton's/J. Sinclair's & M. Coulthard's models considered; 8801030
- courtroom discourse, speech accommodation processes; Swedish court hearings; 8805960
- cultural miscommunication; Indian English sales letter, US/British audience; nonpersuasive discourse; 8808347
- daily discourse/dialogue dramatic/theatrical elements; ludic/dramatic interaction, dramatic/theatrical discourse typology; 8806063
- deaf school children; haptic behavior; emotional expressiveness; 8802061
- descriptive linguistics, introduction; phonetics/syntax/semantics/orthography/discourse issues; 8806240
- dialogic communication organization principles; related problems addressed; Russian-Czech dialogues compared; 8801661
- dialogic principles, interactive learning; ethnographic relationship; 8808965
- dialogue analysis, agreement/disagreement realization conditions; 8806086
- dialogue/group conversation, similarities/differences; interlocutor number effect; 8805988
- dialogues/group discourse, topical/syntactic/expressive structure; Russian unconstrained conversation, screenplays/dramas; 8805989
- directives' directness evaluation; verbal/nonverbal components role; 8806837
- disagreements, linguistic process; young children's dyadic problem solving; children aged 7/9; 8807225
- discourse analysis/training relationship; M. F. Steehouder's C. J. M. Jansen's/K. A. Maat's/J. L. C. van der Staak's/E. T. Woudstra's *Leren communiceren. Procedures voor mondelinge en schriftelijke communicatie* (Learning How to Communicate. Procedures for Oral and Written Communication) critically examined; conversation training methodology proposed; 8800980
- discourse processes; institutional contexts; medicine/law/education; 8803417
- discourse/literary discourse, synthetic viewpoint; main elements, typology; 8805982
- discursive interrogators; question "working," pragmatic status; listener/questioner roles; 8803456
- dispute patterns, social competence measurement; language-disordered children; linguistic/social skill deficit effects; 8808961
- doctor-patient communication, politeness strategies; social distance regulation; P. Brown's/S. Levinson's politeness model; 8804124
- doctor-patient discourse; speaker strategies; age/sex/social class; medical interviews recorded/analyzed; 8801035
- dual-career parent/infant interaction; mother/father behavior differences, effects; 8-month-old infants; 8801631
- dyadic conversation strategies; gender/dominance effects; unacquainted pairs; speech rate/amplitude; 8801643
- East German legal texts, speaker's intention realization; stipulation/prohibition; 8806019

- educational research; sociolinguistic relevance; classroom interaction/discourse; 8801708
- emergency service calls; conversational organization; 8804144
- emergent literacy, mother-child interaction, attachment security; children aged 1;6/3;6/5;6; reading instruction processes; 8808945
- emotion/experience thematization; communication/experience/emotion interrelationship; German conversation analyzed; 8801653
- emotions, linguistic realization/thematization; interpersonal communicative interaction; 8804131
- employment interviews; sociolinguistic analysis; ethnographic/conversational data; 8806672
- English as a second language classroom discourse analysis; interactions typology, didactic implications; Hong Kong primary school; 8802579
- English as a second language instruction, information gap technique/pyramid discussion combination; pyramid information gap activity; 8805126
- English as a second language instruction, rhetorical competence teaching; F. Klippel's drills; 8804913
- English as a second language, conversational management skills; learner difficulties, classroom exercises; 8800422
- English as a second language, German students, oral monologues teaching; spontaneous/free speech characteristics/classroom simulation; 8807452
- English for academic purposes; classroom community formation processes; 8802545
- expressive language development; autistic/mentally retarded boys; eye contact spontaneity; 8807075
- family blessings, communication pragmatics; ethnographic study; 8808944
- father-infant speech characteristics; mother-infant speech compared; redundancy rate; infants aged 0;2.5-0;9.5; 8806036
- fathers'/mothers' speech to infants; syntactic, melodic features; 8801640
- foreign-language literacy; socialization aspects; teacher/learner interaction; 8802533
- foreign-language teaching; classroom interaction; research findings reviewed; 8804971
- Franco-Ontario minority education, French use; learning activities; group activity analyzed; 8805540
- French sentence constituent order; family oral productions; 8803216
- functional-communicative language description, pedagogical application; socialist educational system; 8808971
- functional-pragmatic communication analysis, goals/procedures; language/communication/society interrelationship; 8801652
- German folk puzzles; linguistic level switch, classification; 8801632
- German knowledge questions; *dass*- 'that'-/ *ob*- 'if' embedded clauses, speaker's intention/motive; 8808116
- German sentence-like situational ellipses, semantic indeterminacy; conceptual/interactional processing, syntactic/semantic representation; 8808194
- gossip; relational structure/interactional dynamics; social contradiction, discrete indiscretion, communal partnership mechanism; 8803386
- greeting word analysis, Saarland festschrifts; society/language relationship, greeting rules formulated; 8801647
- greetings/leave-taking, American/Thai differences; English as a second language instruction applications; 8806722
- Habermas, Jürgen, *Vorstudien und Ergänzungen zur Theorie des kommunikativen Handelns* (Preliminary Studies and Additions to the Theory of Communicative Action) review; 8804157
- handicapped infants; social communication strategies intervention effects; older nonhandicapped siblings' responsiveness; 8804624
- head movement; multiple interactional functions; Japanese dyadic casual conversations analyzed; 8804346
- hearing-impaired students; school language environment/teacher talk strategies; 8806963
- Hindi sociolinguistics; commercial interactions/terms of address/greeting structure/names; 8801742
- human communication; evolutionary theory; recent developments/implications, individual vs group selection; 8808955
- illness interpretation, doctor-patient interviews; sociolinguistic analysis; conversation-level process; 8808376
- illness/health description, linguistic imagery; social/cultural/emotional factors; conversation samples analysis; 8804130
- implicit language use; literary characters' communication skills, indirect/ceremonial interaction; 8806817
- indirect speech acts, conversational preference; prerequisite effect; service encounters, detour situations; 8806006
- infant listening preference, motherese speech; acoustic determinants; 4-month-old infants; 8800072
- infant-caregiver interactions, day care centers; initiation/stimulation/affect use; 8801638
- infant-sibling communication; birth-spacing, cognitive/linguistic development; 8800076
- informal narrative language, social distance/listener involvement; register adaptation; 8808391
- institutional communication theory; task-solving pattern; general/vocational school differences; 8801650
- interaction, similarities/differences; actual/potential interactants; self-disclosure technique, ethnographic elicitation; 8808962
- interactional dominance, dyadic communication; empirical dialogue analysis; 8808373
- interactional strategies, South Asian languages; politeness norms; sociolinguistic analysis; grammar of culture; 8809020
- interactive encounter, health care setting; pediatrician/patient/parent; communicative behavior analysis; 8804145
- interactive second-language instruction, teacher's/student's roles/interaction patterns; 8802561
- intercultural communicative-pragmatic differences, Americans vs Germans; target-language social pragmatics, second-language instruction integration; 8808956
- interpersonal communication behaviors; hearing impairment effects; mainstreamed students; 8806959
- interpersonal communication instruction; Western philosophical basis, non-Western cultural context; teaching strategies; 8805554
- interpersonal communication/discourse production; speaker's partisanship lexical expression, Russian; 8804140
- interpersonal communication; conversational intention/interpretation, mutual belief system, speaker-hearer cooperation; J. R. Searle's speech act theory, H. P. Grice's cooperative principle; 8806098
- interpersonal influence, vocalization, interview situations; temporal measures; 8802413
- interruption, interactants' social distance marker; casual conversations analyzed; 8801111
- interviews; social structure/speech exchange systems; 8804127
- intuitive communicative knowledge reconstruction; child communicative abilities development; communication-oriented linguistics; 8801660
- job satisfaction; verbal recognition role; perceptual differences; business superiors/subordinates; 8804153
- joke-prefacing devices; social uses, humor; 8801628
- language acquisition, social cognition/interaction; parent-child interaction importance; 8800016
- language classroom evaluation, ethological approach; teaching method differences; 8800304
- language communicative function/functional-communicative analysis, dialectical-materialistic framework; interpersonal communication, text meaning vs word meaning; 8808481
- language cultivation communicative aspects, East Germany; language cultivation policy development/components; 8801657
- language cultivation, native-/foreign-language communication; language/communication consciousness role; 8807458
- language cultivation/critique, objectives/tasks; "peaceful language use" international communication/understanding; 8809108
- language culture, communicative ethics; interpersonal/international communication, East Germany; 8809124
- language development; sibling-infant/mother-infant conversation differences; 8804777
- language minority children; educational difficulties; context-specific approach; 8807982
- linguistic communication, ontological foundation; Marxist Leninist perspective; 8801665
- linguistic-communicative activity; linguistic/nonlinguistic components interaction; 8801663
- linguistics/ideological criticism; semiotic analysis; signs as social moments; psychoanalytic aspects; 8801927
- listener-located local reference, listener's local position/speaker's localization effort relationship; theoretical assumptions tested; 8806610
- lying; types, discourse levels; direct/situational question; 8806012
- Mam (Guatemala) decision-making process; discourse factors; 8801754
- marital conversations; content theme typology; 8801644
- maternal depression, motherese; temporal/intonational features; increased infant psychopathology risk; 8808942
- maternal directiveness, Down syndrome children; non-Down syndrome children's mothers compared; 8809502
- maternal interaction, language development effect; 24-month-old children with/without speech anomalies; 8807264
- maternal language, mentally retarded children; child language ability matching; 8809496

- maternal speech, prelingual infants; US/Japan; infant gaze direction; cultural characteristics; 8808963
- maternal/children's language orientation, regulative/interpersonal contexts; children's social perspective taking/sex/communication; interviews/Hale's & Delta's social perspective taking task; mothers, fourth/fifth graders; 8808947
- meaning constitution process/strategy; interlocutors' tasks/procedures, cognitive/linguistic ability; pragmatic application; 8804155
- medical diagnostic reasoning, cognitive/organizational aspects; patient-physician communication; 8803394
- medical discourse; discourse analysis/conversational analysis approaches compared; sequencing phenomena/cohesion/turn-taking; 8801021
- mentally retarded children; social behaviors/communicative language use relationship; structured communication elicitation tasks; 8807081
- mentally retarded children's communication; maternal communicative style effects; 8804613
- message communication; G. Bateson's conceptions, self-reflexive contexts; "metacommunication" concept development; codification/consciousness/communication relationship; 8808968
- metacommunication; general characterization, typology, linguistics as metacommunication; 8803404
- metaphors/intimate relationships; relational character; linguistic/social styles; 8804249
- mother-child conversations; topic relations development; children aged 1;7-2;8; 8804154
- mother-child interaction; Down's syndrome/nonretarded children compared; responsiveness/interaction rate/topic control; 8804616
- mother-child interactions; mealtime situations; problem/nonproblem feeders; 8804139
- mother-infant imitative interchanges; vocal/verbal matching behavior; free play/bath time situations; infants aged 0;10-1;2; 8804137
- mother-infant interactions; behavioral dynamics; infants aged 13-16 weeks; 8804142
- mother/infant turn-taking; normal/Down Syndrome dyads; videotaped play sessions, group comparison tests/correlational analyses; 8802185
- mothers' communication mode, preschool deaf children's language development; oral/manual modes; 8809364
- mothers' narratives; thematic analysis; child gender effects; mothers aged 40-50; 8801646
- motor mimicry; communicative function; left/right leaning; 8806826
- multilingual communities survey/comparison, methodological problems; Biel/Fribourg speakers' attitudes/code-switching/mixing/communicative frequency; 8806675
- multilingual society communication; interactional studies critically reviewed; cross-cultural analysis proposed; 8809087
- natural language, science object; interpersonal communication, psychological/social concreteness; 8801180
- nonlexical soundmaking, audience context; social regulation/communication uses; 8808973
- nonverbal behavior control; unconscious mind role; communication/intent; 8806830
- nonverbal behavior, interpersonal communication; posed/spontaneous facial expressions; 8804347
- nonverbal communication role, interethnic communication; educational importance; 8804342
- nonverbal communication, Appalachian community's ethnographic study; 8809192
- oral communication coherence, German spontaneous dialogues; hearer's global/local situation/topic assessment strategies, coherence definition; 8804158
- oral communication teaching, conference report, Saarland U, Saarbrücken, 8-10 Oct 1987; 8806609
- oral language disorders; social implications; language remediation; 8804536
- organizational roles, children's belief acquisition; teacher role representation, social products; French/Scottish children; 8807660
- paralinguistic behavior; learning-disabled/nondisabled third-/fourth-/fifth-grade boys; social rejection/interpersonal communication; 8804605
- parent-to-infant speech styles, mother/father; differential experience vs context hypothesis; 8806620
- pediatric interaction; conversation analysis; interactive frames/knowledge schemas; 8804143
- peer interaction, grade level/sex composition effects; drill/practice reading computer programs; second/fifth graders; 8807255
- person perception; English language proficiency/physical attractiveness effects; Chinese "job applicants," Chinese "interviewers"; 8800408
- phone dialogue analysis, metacommunicative enunciations discourse-organizing role; Austrian "call-in" radio broadcasts; 8806038
- planned conversation; discursive strategies, pragmatic procedures, connectors, hierarchical structure, speech acts, interchange/intervention; 8808345
- political text, linguistic-communicative/political action intersection point; definition/analysis issues; 8803410
- preterm infants; cognitive/linguistic development; family style relationship; 8801630
- pronominal selection, political/negotiation context; ideological factors; British politicians; 8803449
- psycholinguistics, "deep time" model; gesture data use; 8807131
- public intimacy; valentine messages, national newspapers; personal nature vs incongruous presentation; 8808981
- public speaking; voice/action role; theses formulated; 8801637
- question-asking strategies; anticipated future interaction effect; same/opposite-sex interactions; 8804149
- racism/semantics relationship, linguistic judgment; Dutch autochthones, foreigners, semantic strategies, we-they polarization; 8808974
- reading acquisition, social interaction role; disadvantaged beginning readers, Israel/Quebec; 8800487

- Italian clitic pronouns; salient features; dialectal variation; 8803264
- Italian computer jargon, English terminology; translatable/nontranslatable terms; 8804032
- Italian feminine terms; morphological/semantic analyses; native-speaker/dictionary data; 8804250
- Italian gerund, form/function; semifinite forms development; 8808134
- Italian indirect discourse, verbal system perspective; transposition explanation; 8808174
- Italian inflected prepositions; five analyses considered; inflected preposition analysis supported; 8803078
- Italian language sexism; official policy; sociological implications; 8804219
- Italian language teaching; brain research implications; holistic approach; 8802495
- Italian linguistics; bibliography 1965-1985; 8802447
- Italian literary prose characteristics, 17th-century; U. Foscolo's *Ultime lettere di Jacopo Ortis* (The Last Letters of Jacopo Ortis) analyzed; 8806333
- Italian metaphony; subtypes identified; new explanation proposed; 8803064
- Italian neofascist political texts; ideological/textual analysis; 8803406
- Italian nonsyllabic vowels, distributional properties; syllable structure models, phonemes inventory, practical applicability; 8803091
- Italian polysyllabic words' primary stress, rules formulated; computer-assisted Italian as a second language teaching application; 8804426
- Italian preposition *di* 'of', semantic analysis; subjective/objective genitive cases; J. Vendryes's "empty word" notion; 8805838
- Italian pronominal redundancy, *a me mi piace* 'I like it' colloquialism; 17th-century norm; 8803731
- Italian restrictive relatives; indefinite head NP interpretation; tense/mood/matrix verb type; 8808211
- Italian syntax; relational grammar analysis; 8803230
- Italian verb *morire* 'to die' conjugational uniformity; reference works survey, stylistic/normative variants; 8805740
- Italian word stress; second conjugation infinitives; phonological conditions; 8803031
- Italian written texts; grapheme-to-phoneme transcription; graph-oriented computational approach; syntax-directed translation schema; 8804431
- Italian-Australian language attitudes; Standard/Regional Italian dialects, English mixtures; Sydney residents; 8809000
- Italian-Bulgarian unreal conditionals compared; verb tense/mood, syntactic structure, past/present reference point; 8803795
- Italian-English word stress comparison, left-dominant foot structure; M. Nespor's/I. Vogel's thesis unsupported; educated adults; 8806392
- Italian-speaking Montreal residents; language behavior/ethnolinguistic integration relationship; spontaneous conversations; 8803887
- Italian-speaking Quebec residents, political/linguistic issues; ethnic relations history; 8806683
- Italian-Tocharian "mysterious" coincidence explained, *genus alternans* phenomenon; 8806262
- Italian/German auxiliary verbs distribution; comparative analysis; cliticization role; 8803781
- jurisprudence discursive strategies, Italian/French supreme court decisions, comparative analysis; 8805970
- Krampus*, name etymology, Italian *grampa* 'claw' as a base; Fritz Lochner von Hüttenbach's etymology rejected; 8806507
- language contact; borrowings/calques/neologisms; French/Italian newspapers examined; 8803873
- language, nature/communicative functions; Dante's *De Vulgari Eloquentia* philosophy, *Inferno XXXI-XXXIV* use; 8809189
- language; social history; British/French/Italian case studies; 8804183
- Le Paragon de Nouvelles* (The Paragon of Novellas), recent edition; glossary clarifications; 8808590
- Lombardic-Veronese isoglosses, Lake Garda region; turbid vowels/vowel drop/suffix *-er*/final *-n* drop; 8808768
- metalanguage/metadiscourse/metasign, János Sándor Petőfi's framework; Dante's *Vita Nuova* (New Life) analyzed, text/pretext/metatext; 8806861
- Milan dialect vowel length, final tonic syllable; speaker's linguistic consciousness; ideal phonological system, internal/external conflicts; 8805665
- minority language legal protection, South Tirol German vs Burgenland Croatian; sociocultural/political/historical factors; 8806684
- Molise Croatian; social status/prestige, demographic/linguistic statistics; Italian government language policy; 8804209
- multilanguage speech synthesis, text-to-phoneme tool; French/German/Italian transcriptions; 8806398
- multilingual communities descriptive/comparative study, South Tirol Germans/Burgenland Croatians; procedural/methodological issues; 8806666
- New York Italian American community; speech varieties; sociolinguistic analysis; 8803948
- noun gender/number marking, noun/article homonymous forms; defective marking, Piacenza dialects; 8803970
- Oulipo*; Italian translation; pedagogical exercises; 8802961
- Paduan-Vincenzan-Polesinean, dialectal group subdivision, Central Venetian/Paduan-Vincenzan-Estean; characteristic morphology/phonetics; 8808779
- personification/gender, inanimate substantives; *Divina Commedia* (Divine Comedy), Croat translations, 19th century to present; semantic plane juxtaposition; 8801811
- Pierro, Albino, Tursi dialect poems; phonic/syntactic/semantic/metric parallelisms; R. Jakobson's/Ruwet's frameworks; 8801839
- pindul-pándul* (tipcat game), Friulian designations; Uldine name origin clarified; personal childhood memories related; 8801470
- poetic translation problems; poetic sign intrinsic meaning; poem versions compared; 8805602
- portmanteau formation; formal processes/phonetic factors; Spanish/Italian examples; 8803353
- preschoolers' linguistic abilities test, elementary school admission screening measure; Italian 5-/6-year-olds; 8804729
- quotation use, scientific texts; translational viewpoint; French-Italian-German material; translation difficulties identified; 8802979
- reading/writing as translation concepts; J. Joyce's *Finnegans Wake*, Italian translations/rewritings; 8805566
- Renaissance texts; translation support package; Italian/Latin/Spanish sources; 8800635
- Rovignean dialect technical neologisms, semantic/phonetic analysis; contemporary dialectal prose; 8803916
- Rovignean Italian Germanisms, *Istria Nobilissima* (The Most Noble Istria) corpus; Italian adaptations, pragmatic functions; 8803915
- second-language errors, transfer vs interference; English questions word order violation, Italian students; 8804985
- second-language instruction; Italian secondary school, school/U cooperation, academic research didactic application; 8807351
- second-language learning/teaching continuity, Italian primary/secondary school; practical problems/difficulties, educational policies critique; 8804990
- sentence processing; functional constraints; syntax/semantics/pragmatics interaction; Italian/English speakers; 8802931
- Shakespeare's Italian sources; vocabulary/rhetoric/context/parallel passages; Tasso/Petrarch evidence; 8809182
- Slavo-Romance linguistic interference; Slavia Venetia dialect, Romance borrowings/influence; *Novi Matajur* journal; 8803911
- song translation; sociocultural context recreation; G. Brassens's French songs, Italian translations; 8802963
- South Tirol language situation; German-Italian linguistic/social interaction/conflicts, language policy, demographics, history, German dialectal stratification; 8806724
- southern Italian strong perfects; historical development; literary texts examined; ancient/modern dialects; 8801491
- specific language impairment; English-/Italian-speaking children compared; spontaneous speech, grammatical features; 8804551
- speech therapy, professional aspects, Italy; questionnaire data evaluation; 8807093
- subject clitics, Trentino/Fiorentino Italian dialects; government-binding account; 8808434
- Terentius's Vulgar Cremanian translations; manuscripts description, dialectal graphy/phonology; 8808610
- translation, cultural transfer; interlinguistic/intercultural translation; Italian material; 8807988
- unaccusative hypothesis; Italian/English differences; L. Burzio's *Italian Syntax* reviewed; 8805774
- Venetian palatalization *C/G+^A*, cisalpine heritage/influence; 8805680
- Vettori, Francesco; manuscript analysis; orthographic/phonetic/morphological/syntactic peculiarities; 8806346

- word order, French/Italian; structural differences; 8803133
- word-level coarticulation/shortening; English/Italian compared; foot structure implications examined; 8803803
- words' mental representations morphological structuring; productivity/transparency/frequency parameters; Italian morphological errors analysis; 8804653
- written insults, Early Modern Italy; sociolinguistic/history of values analyses; 8806642
- Jakobson**
- biblical exegesis, R. Jakobson's metaphor/metonymy opposition model; 8805990
- Brøndal, V.; quantitative/aspectual categories relationship; L. Hjelmslev's/R. Jakobson's/E. Sapir's views compared; 8801212
- Czechoslovak linguistics, 1940s to 1980s; developmental stages/chronological periods; structuralism to Marxism; 8803589
- Jakobson, R. O./Vinokur, G. O.; poetic language theories outlined/compared; 8801235
- Jakobson, R.; interview; general linguistics, language theory; 8806185
- Jakobson, R.; retrospective volumes; Russian specialist use; *Verbal Art, Verbal Sign, Verbal Time, Russian and Slavic Grammar. Studies 1931-1981*; 8801208
- Jakobson, Roman; anthropological linguistics contributions; 8806182
- oral communication, subject role; R. Jakobson's schema revised; J. Laca'n's theory-based approach proposed; 8806618
- oral reports; communicative semantics model; coagentivity; 8808417
- phonological opposition acquisition; R. Jakobson's theory examined; Polish child data applied; 8807231
- Pierro, Albino, Tursi dialect poems; phonic/syntactic/semantic/metric parallelisms; R. Jakobson's/Ruwet's frameworks; 8801839
- Russian dative of inalienable possession; pragmatic perspective; 8800815
- speech sounds; multiple functions; distinctive features/sound-meaning relationship/language universals; 8808062
- Japanese**
- accented devoiced vowels, Kinki (Japanese) dialect; electromyographic recordings, identification/perception tests; native speakers; 8809317
- adult second-language learning; parameter-setting model/universal grammar; English anaphora acquisition; Japanese/Spanish speakers contrasted; 8802612
- alexia with agraphia; left posterior inferior temporal lesion; *kanji/kana* dissociation; Japanese case studies; 8806999
- American English syllable consonants, Japanese nasal syllabic consonants; comparative analysis; 8804486
- aphasic reading impairment; neuropsychological approach; Japanese *kanji/kana* oral reading/comprehension; 8809442
- argument structure hypotheses; θ -marking, Japanese light verb *suru*; argument transfer theory; 8806132
- Bonin Island language situation; language contact/shift/interference/address forms; Japanese/English; 8809097
- business letters; form/content; English/French/Japanese differences; 8800567
- Chinese/Japanese *kanji* characters alphanumeric personal computer keyboard development; code generation modes, generation process mechanics; 8805596
- Chinese/Japanese word order, syllable/mora differences; comparative analysis; 8806387
- Classical Japanese concordances; personal computer compilation system; 8803836
- classical Japanese predication; functional analysis; textual information structuring; 8806068
- computational language analysis; meaning classification system; Japanese predicates; semantic restrictions; 8803841
- computational linguistics; natural language processing/linguistic theories relationship; unification grammars; 8808498
- constellation name, Pleiades; Japanese, Altaic, Chinese names/myths; 8806323
- discourse, pitch pattern/pause use; acoustic analysis; Japanese story; professional male announcer, Tokyo dialect; 8809323
- discriminatory language, "bullying," Japan; symbolic meaning; comment, reply; 8804226
- East Asian languages, linguistic/cultural variations; descriptive/historical/comparative studies; 8801276
- English loanwords, Japanese; foreign words; 8801436
- English sentence stress perception; pitch role; Japanese learner/native speaker differences; 8809330
- English word-final stop-sibilant clusters; Japanese English learners' spontaneous speech production, acoustic study; 8802649
- English, Japanese users/uses; English loanwords, phonological/orthographic/semantic properties; 8801444
- English/Japanese expository texts; structural aspects compared; coherence markers; scrambled paragraph reordering; 8806385
- environment effects, Japanese/English vocabulary acquisition/retention; returned college students; Peabody Picture Vocabulary Test; 8805196
- existential/pseudo-cleft sentences/relative clauses; English, Chinese, Japanese compared; English as a second language teaching implications; 8801389
- foreign-language teaching; sociolinguistic factors importance; Japanese-speaking English learners; error analysis; 8805187
- foreign-language/culture understanding; language planning; international interaction; 8809128
- foreigner talk syntax; core/peripheral grammars; cross-linguistic simplification strategies; 8806388
- formant trajectories; speaking rate effects; speech synthesis implications; Japanese vowels; 8801998
- Funo Japanese dialect; verbal system; formal/semantic features; 8805950
- German/English word order; principles, typology, Korean/Japanese/Turkish/German compared; 8804122
- head movement; multiple interactional functions; Japanese dyadic casual conversations analyzed; 8804346
- hearing impairment; temporal acuity/speech perception relationship; Japanese vowels; 8802071
- holophrastic utterances, infant babbling development; longitudinal study; Vygotskian perspective; Japanese-/English parents, children aged 0:10-2:6; 8802330
- Japanese accent; vowel/consonant duration relationship; 8802001
- Japanese adverbs *namaji* 'thoughtlessly'/'*sekkaku* 'with trouble'; meaning similarities; 8808240
- Japanese aphasics; discourse reading comprehension ability; 8806996
- Japanese as a foreign language instruction, France; economic/cultural exchange encouragement; 8800299
- Japanese as a foreign language, French business students; less common languages instruction; 8800281
- Japanese aural comprehension, advanced level; methods, materials; 8805066
- Japanese borrowed phonemes; people's attitudes; age/education effects; 8808738
- Japanese character retrieval/use, memory representations; *hiragana/kanji*/English alphabet use; 8807310
- Japanese classifiers *-ken/-mune*; semantic analysis; prototype structures; 8808252
- Japanese color vocabulary; English loanword incorporation; Berlin's/Kay's nomenclature principles extended; 8801451
- Japanese conference interpretation, Westerner difficulties; passive language, vocabulary acquisition; 8808004
- Japanese degree adverbial *tashō* 'fairly'; lexical/semantic properties; 8808271
- Japanese dialectal delabialization process; quantitative analysis; 8808074
- Japanese electronic dictionary, design implementation; 8808856
- Japanese English varieties; linguistic contact; pidginization/borrowing/language instruction; 8803912
- Japanese Germanic studies; German as a second language instruction, high school/U level, history/present situation; research papers publication/relevance, statistical data; 8805024
- Japanese glide formation, compensatory lengthening; N. Fukui's proposal refuted; 8808496
- Japanese honorific marking, word formation hypothesis; causative/passive aspects; 8805919
- Japanese interpreters, low social status; contributing factors; 8808010
- Japanese language competence evaluation; standardized test development; 8800465
- Japanese language placement/evaluation tests; non-Japanese, Japanese students; undergraduate level; 8805235
- Japanese language proficiency; *kanji* knowledge/first-language effect; Chinese, Korean students; 8805176
- Japanese language teaching; epistemology/syntax relationship, speaker judgment; discourse-style instruction; 8805069
- Japanese language; descriptive grammar; syntax/morphology/phonology/lexicon; 8806241
- Japanese language; native speakers' attitudes; English learning difficulties; Japanese loanword incorporation; 8804228
- Japanese lexical categories; N. Chomsky's feature system applied; 8803215
- Japanese literary translation, English rendition; ambiguity, poetry translations; 8808021

- Japanese loanwords, historical origins/acceptance; dictionary corpus; 8806440
- Japanese marketing; English loanword use; consumption activities, semiotic interpretation; 8801676
- Japanese modifiers; future time differentiation; 8803296
- Japanese morphological tense forms; temporal interpretation; simple/complex/conditional sentences; 8803289
- Japanese morphophonology; lexical phonology analysis; stratum ordering; tonal/segmental phenomena; 8805653
- Japanese motion verbs; accusative-marked nominals; oblique-direct object advancement analysis; 8808128
- Japanese multiple *wh*-constructions; syntactic properties; *naze* 'why' questions; 8808203
- Japanese nasal syllabic consonant; phoneme variations, speech style; 8804450
- Japanese negation; quantifier phrase interaction; case particles effects; 8808157
- Japanese news translators, foreign ideas translation; message transformation function; 8807998
- Japanese "passive," *-(r)are-* verb stem formant, semantic functions; affective aspect; 8805750
- Japanese phoneme similarity; phonological space, psychological reality; multidimensional scaling; semantic differential; 8800711
- Japanese pronominal designatives; scientific/technical texts use; 8806025
- Japanese prosody; fundamental frequency contour/speech material analyses, simple/complex sentences; improved speech synthesis implications; 8809273
- Japanese raising-to-object construction; exceptional case marking analysis proposed; 8808204
- Japanese *rendaku*, (g) to (ŋ) nasalization; lexical phonology approach; phonological rules/morphological structures; 8805649
- Japanese *s*-initial syllables; Nara period; H. Arisaka's/K. Mabuchi's theories critically reviewed; 8800727
- Japanese *seehachi/hee-hachi* 'cockroach'; history/origins; Tokyo Bay, eastern/western coasts; 8808643
- Japanese sentence-final particle *no*; indexical analysis; epistemological dispositions/shared knowledge/social meanings; 8805977
- Japanese simultaneous interpreting, TV role; personal experiences; 8808016
- Japanese sociolinguistics, major interest areas; 8806714
- Japanese sound changes, English contamination; radio/TV language; 8806448
- Japanese speech waveform /a/, spectrum estimation; three approaches; 8809286
- Japanese style calligraphy; 12th-/14th-century treatises translated/analyzed; 8801606
- Japanese syntax; categorical grammar approach; *ga/wa* particles/multiple subject construction/*jibun* interpretation; 8800740
- Japanese syntax; nontransformational phrase structure analysis; anaphora/control, syntactico-semantic approach; 8805732
- Japanese syntax; surface processing strategies/language acquisition; embedded relative/*kara* 'because'/-*te* clauses; 8802349
- Japanese temporal connectives; child acquisition; comprehension tasks; children aged 3-5; 8802318
- Japanese terminology, National Information System for Science & Technology description; major objectives; 8807999
- Japanese 'this'/'that'; three divisions; cultural territorial aspects; general semantics; 8803293
- Japanese translation publications; different types described; 8808003
- Japanese translation, 18th-century *Rangaku* 'Dutch learning'; translation techniques/system; 8808028
- Japanese translation, linguistic/sociocultural problems; sentence structure/homonymy differences; 8808006
- Japanese translation, technical documentation; export business use; 8808011
- Japanese translators, Algeria; job opportunities; 8808017
- Japanese translators, professional status; free-lance work; 8808008
- Japanese verb action categories, transitive/intransitive; children's acquisition; semantic, formal factors; 8804796
- Japanese verb/deverbal noun pairs; thematic roles/grammatical functions; lexical functional grammar; 8805791
- Japanese word *ki*; factor analysis; personality trait names; 8802228
- Japanese writing processing; *Neurolinguistic Aspects of the Japanese Writing System* reviewed; 8802428
- Japanese writing, Roman character use; Roman characters use; 8806593
- Japanese-English translation issues, general semantics perspective; demonstrative pronouns, nature dissection; 8808009
- Japanese-French translation instruction, difficult features; analytical perspective; "block analysis" method; 8808002
- Japanese/English demonstratives, spatial domains; *koko, soko, asoko, here, there*; 8805850
- Japanese/English parser; generalized phrase structure grammar framework; 8806157
- Japanese/Spanish vowel systems; similarities/differences; acoustic analysis; 8809302
- kana-kaji* conversion systems, ability evaluation method; VJE- β example; 8804107
- kaji* reading/writing errors, attribute factors; low-vision/normal sixth graders; 8802398
- kaji*, difficulty, estimation; contributory factors; 8804694
- labialized velar consonant loss; Japanese *San'in* dialects; linguistic factors; 8808072
- language acquisition; German-Japanese; bilingualism; case study; 8802948
- language proficiency testing; dictation/cloze tests validity; Japanese learners; 8805014
- language structure/cultural knowledge; Jacaltepec/Maninka/Guugu Yimidhirr/Japanese; introductory linguistic textbook; 8809084
- listener perception, speaker height/weight; voice pitch cue; Japanese vowels; 8804482
- loanword transcription; *Katakana* syllabary use; Japanese phonological similarity; 8804477
- maternal speech, prelingual infants; US/Japan; infant gaze direction; cultural characteristics; 8808963
- metaphor appreciation; categorical/affective constituent similarities; semantic distance/cognitive variables; Japanese data; 8804708
- missionary language *senkyoshigo*; Japanese/English mixed, classification problems; 8808745
- onomatopoeia, *The Tale of Genji*; Japanese (neu), mewing of cat expression; 8804314
- oral refusals, linguistic/discourse/sociocultural aspects; Japanese/American English compared; 8803439
- P-center location perception; speech "stress beat"; Japanese/English speakers judgment; final consonant duration; 8800707
- paired word associate learning, computer-assisted; Japanese *katakana* characters, Dutch speakers; presentation control effects; 8807277
- passivization; English/Korean/Japanese differences; objective/empathy-based affectedness; 8803796
- politeness strategies, Japanese/English compared; geographic factors, internationalization effects; 8809046
- politeness strategies, requests; Japanese/English models; 8806674
- pragmatics/grammar relationship; Japanese passives/causatives/honorifics; English complement-taking verb *have*; 8801025
- reaction times, orthographically familiar vs unfamiliar words, *kana* (Japanese); lexical decision paradigm; 8807168
- romaji knowledge/English reading ability relationship; Japanese English as a second language students; 8807860
- romaji*, Japanese written scripts use; Hepburn/*kana* systems compared; 8808918
- rural Japanese address/reference; ethnographic description; language/social structure relationship; 8801721
- second-language acquisition, social/linguistic information integration; English/Japanese conversation; turn-taking behaviors; 8807569
- semantic attributes, script type effect, Stroop color-naming task; distractor word/color semantic relationship, *kaji/kana* differences; I. Biederman's/Y-C. Tsao's hypothesis tested; 8807185
- semantic jargonaphasia; Taiwanese-Japanese bilingual; neurolinguistic study; 8802429
- sentence comprehension, Japanese children; longitudinal study; children aged 4:1-6:1; word-order strategy acquisition; 8804757
- sentence processing strategies; Japanese/English speakers; subject identification, word order/animacy cues; 8802934
- silence, meanings, Japanese communication/cultural values; vocal assertion inhibition; 8809051
- Sino-Japanese phonology; Chinese syllable-final stops development; 8800737
- subject selection, case grammar framework; English/Japanese material; 8806140
- Televised Japanese Language Program, follow-up evaluation; 8807438
- three-term series problem; linguistic/spatial processing strategies; sentence-picture/sentence-*kana* verification tasks; Japanese college students; 8802402
- Tokyo dialect classification; thesaurus compilation; meaning, distributional patterns; 8806466
- Tokyo Japanese long nominal compounding accent; loanword/native word treatment; 8805677
- tongue-palate contact, Japanese consonants; dynamic palatography; adult native Japanese speakers; 8806926
- translation, Japanese cultural shaping; France, literary translation/creation; 8808027

Judgment Tasks

- bilingual material comprehension; abstract/concrete comparatives, concept pairs; comparative dimension judgment task; language switch mechanism disproved; French-English bilinguals; 8805549
- children's sex determination; speech samples; male/female speakers, aged 7:6-8:9; normally sighted/visually handicapped listeners; 8804442
- compound noun grammaticality; judgment task; children aged 3:5-6:0; 8804730
- conceptual combination, context/structure; adjective + noun, categorization; attribute relationship, effects; 8804685
- consonant cluster simplification; listener judgment task; English/Swedish speakers; 8805684
- English dative alternation; second-language learning; acceptability-judgment tasks; Japanese college students; 8800449
- English idioms; syntactic variation judgments; familiarity factor; 8800847
- English syllable structure; onset-peak distributional constraints; deviant syllable rating/blending task; 8809322
- grammaticality judgments, intonation cue use; syntactic processing; aphasic patients; 8809377
- grammaticality judgments; school-age children; English verb forms; age/grammatical form/context influences; 8804808
- inflectional morphology sensitivity; agrammatic Serbo-Croatian speakers; grammaticality judgment task; 8802136
- lexical decision effect, auditory semantic judgment; divided attention; right-/left-hemisphere-damaged adults; 8807325
- linguistic intuition, sentence ambiguity distinction; repetition effects, grammaticality judgment; native Japanese speakers; 8804686
- linguistic markedness; second-language learning/transfer; 8802659
- listener judgments, articulatory omissions/glottal stop productions; spectrographic data; 8809459
- normal reading, phonology role; homophony/rhyme judgments, articulatory suppression effects; 8804848
- P-center location perception; speech "stress beat"; Japanese/English speakers judgment; final consonant duration; 8800707
- rhyme judgment; phonology/orthography interaction; event-related potentials; young adult males; 8802249
- sentence processing; agrammatic patients; lexical decision/grammaticality judgment tasks; 8806974
- Serbo-Croatian case processing; hemispheric differences; words/nonwords; 8804867
- stuttering severity, perceptual scaling; seven-point equal-appearing-intervals scale/on-line judgments; 8807012
- syntactic acquisition; semantic/lexical aspects; grammaticality judgment test; English as a second language learners; 8800364
- text information; importance assessment; novice/expert differences; category membership role; 8807275
- text learning judgments, processing variables effects; rated confidence values/recognition correctness; age differences; third/sixth/eighth graders, college freshmen; 8802389
- voice quality impressions; acoustic/perceptual measures; Long-Term Average Spectrum value; 8800153
- word typicality judgment; electrophysiological manifestations, N400 component; adult males; 8804866

Junior High, Middle School

- acculturation/cultural identity, bilingual education program; immigrant student advantages, English as a second language program, classroom decorum/Vietnamese students; 8805527
- content area reading instruction; Australian junior/senior high school in-service program; 8807707
- content area reading; coping strategies; concurrent interviewing benefits; junior high school pupils; 8807714
- content reading material, comprehension/production; text structure instruction effects; seventh graders; 8805371
- content textbook readability; formulas compared; middle/junior high school; 8807682
- illustrations effect, junior high school textbook readability; cloze test data; children aged 8-11; 8805398
- informal reading comprehension measures, validity; questions/recall/oral/cloze; handicapped middle/junior high school boys; 8805489
- reader-/text-based text inconsistencies; detection abilities; comprehension monitoring training; middle school students; 8805352
- Reading Comprehension Interview; classroom reading tasks, student perception assessment; intermediate/middle school; 8807880
- reading comprehension testing; prior knowledge effect; question type; eighth graders; 8805437
- reading materials, difficulty levels/progress groups; error analysis; *Ready to Read* series/new texts compared; 8805496
- reading proficiency test, motivational test relationship; high school/junior high school students; 8807866

- remedial reading/English instruction; junior high/high school students; structure/scope; literacy assessment; 8802711

Khoi-San Languages

- Khoekhoen (Khoi-San) names; Southwest African/Namibian farms; survey results; 8804007
- Khoisan languages, Central dialects; phonetic/syntactic/lexical characteristics, clicking sounds; historical/ethnic/social aspects; 8803626

Kindergarten

- adult-child addresses; psychological-pedagogical analysis; classification criteria, didactic/remedial relevance; kindergartners; 8801651
- Berlin dialect acquisition, kindergartners; Standard/Nonstandard differentiation, colloquial Berlin German preference, code-switching; longitudinal study; 8808780
- bilingual classrooms, parent/grandparent involvement; kindergarten classes; 8807961
- Boston Naming Test standardization; students' word-finding skills measurement; kindergarten-sixth-grade children; 8809534
- child language development; age/educational institution/socioeconomic status; Hungarian kindergartners aged 4-6; 8802354
- child literacy, simple/fuller literacy definitions, children's recording abilities/literacy conceptions; kindergartners, first/second graders, longitudinal study; 8807268
- child speech/reading disturbances, long-term project report; reading model, components testing, diagnostic experiments; kindergartners/elementary school children; 8804583
- children's oral communication, communication type *joint planning*; German 3-year-old kindergartners; 8801658
- drawing/dictation, kindergartners; style/approach differences; teacher's assumptions; 8804740
- early reading achievement, teacher predictions; social judgment theory analysis; kindergartners/teacher trainees; 8802871
- early/non-early readers, kindergarten entrants; home/book/learning background effects; 8805262
- kindergarten reading instruction; Hebrew/English bilingual program; 8807600
- kindergarten reading performance; Piagetian task relationship; 8807613
- kindergarten reading, decoding strategies; teaching implications; 8805380
- Kindergarten Teacher Rating Scale appropriateness, reading learning disability diagnosis, Costa Rica; cross-cultural application; 8809536
- language achievement, "Writing to Read" computer program effect; kindergartners; 8807257
- language codes, kindergarten programs; three-month follow-up, changes analyzed; 8807210
- letter-name knowledge; field dependence-field independence/reflection-impulsivity; kindergarten children; 8805259
- reading achievement prediction, kindergarten children; Kindergarten Teacher Rating Scale validity tested; 8802680
- reading achievement prediction; Individual Reading Readiness Inventory; subtest use; Metropolitan Readiness Test, Metropolitan Achievement Test; 8800546
- reading readiness indicators, alphabet seriation tasks/traditional seriation tasks; Raven Progressive Matrices Test, Gates-McGinitie Word Recognition Test; 8805265
- reading readiness skill reinforcement, kindergarten; computer-assisted/teacher-directed instruction; 8807601
- reading readiness/home support relationship, kindergarten children; mother's education/copying skills positively correlated; 8802679
- reading skill acquisition; English as a second language kindergartners; monolingual classroom; observational case study; 8800531
- second-language learning; first-language interpersonal communication skills importance; case study report, kindergartner; 8805198
- simultaneous sound-position training, (s) misarticulation; kindergartners; 8809524
- spelling/reading abilities, preschool/kindergarten students; "invented spelling" ability, written language assessment indicator; 8804795
- story comprehension; story structure/questioning strategy effects; directed reading activity; kindergartners; 8807709
- written narrative, lexical/syntactic knowledge; well-read-to kindergartners/second graders; 8804791
- written word acquisition/retention; isolated word vs word-sentence conditions; kindergartners; 8807841

Korean

- argumentative English writing; text structure/coherence breaks; Korean/native English speakers compared; 8803393
- barriers, N. Chomsky's theory; modifications proposed; English/Korean relativization account; 8801200

- Chinese/Korean unit counters; numeral/unit counter/noun relationship; functions, patterns; 8801392
- early Paekche/Kara (Korean) languages; similarities; modern Korean origins; 8803917
- East Asian languages, linguistic/cultural variations; descriptive/historical/comparative studies; 8801276
- English argumentative essays, text structure, Korean speakers; English/Korean native speakers' writing compared; nonlinear structure; 8808333
- Eurasian etymologies; Middle Korean *Sakxar* 'sugar'/'*pstü* 'li' 'pus-tule', Finnish *Karjala* 'Karelia', Hungarian/Slavic toponyms/anthroponyms; 8808663
- German as a second language, pronunciation teaching; Korean students; error analysis; German-Korean phonemic systems compared; 8800260
- German/English word order; principles, typology, Korean/Japanese/Turkish/German compared; 8804122
- Korean anaphora; *caki* 'self' interpretation; grammatical relations, structural encoding; 8800835
- Korean case marking; case tier transformational approach rejected; combinatorial relation encoding analysis proposed; 8805936
- Korean conjunctions *ko/a/ə*; syntactic/semantic differences; 8808170
- Korean grammar; suppletion/defective paradigms; verbs/subject pronouns/honorifics; 8803201
- Korean Hangul script; positive/negative features; inventor's linguistic insights discussed; 8804101
- Korean Hangul writing system; development/basic features sketched; 8804110
- Korean lexicography; 8801602
- Korean morphological causative verbs; word formation fossilization claimed; 8803352
- Korean multiple subject constructions; movement analysis/first NP subjecthood rejected; topic prominence parameter; 8803192
- Korean negation; recent semantic/pragmatic analyses; 8803309
- Korean noun coordination; syntactic/morphological processes distinguished; syntax/morphology interaction examined; 8803149
- Korean numeral classification; concept-related nouns, noun classification syntactic criteria; numeral classification/morphological plural; 8803378
- Korean palatal consonants; aspirated/unaspirated/glottalized occlusives; mingographic analysis; 8806904
- Korean passive constructions; infix/auxiliary strategies, distinct meanings; 8800813
- Korean phonology; English loanword nativization; fortition, natural phonology analysis; 8803111
- Korean phonology; feature underspecification; melody plane feature structure; nonlinear morphology supported; 8805670
- Korean phonology; *h* contraction/deletion; nonlinear analysis; 8803017
- Korean phonology; *Sai-sios*, gemination analysis proposed; 8806895
- Korean phonology; syllable-related historical phenomena; T. Vennemann's universal preference laws; 8803062
- Korean political speeches; "official" French translations analyzed; 8804202
- Korean quantifier float, constituent structure approach; surface case/grammatical relations formulations rejected; 8805726
- Korean speech act verbs; semantic/pragmatic classification; 8803274
- Korean tag questions; syntactic/prosodic features; speech act statements outlined; 8803145
- Korean topic/conditional relative constructions; morphological/semantic interrelatedness; archimorphemic linguistic level postited; 8800860
- Korean umlaut; phonological/morphological/situational conditions; 8803093
- Korean umlaut; social stratification; sex/age/socioeconomic status; 8803016
- Korean verb + verb compositions government; processual/qualitative V combinations; 8801157
- Korean vowel harmony; underspecification, theory/nonconcatenative morphology; 8803094
- Korean words; rhythmic patterns; age group differences; 8803061
- lexicographic practice/grammatical research relationship; new Korean dictionary compilation; relevant topics, new solutions; 8801568
- passivization; English/Korean/Japanese differences; objective/empathy-based affectedness; 8803796
- pronunciation representation, Korean dictionaries; Korean spelling system inadequacies; 8801575
- reading; syllable role; Korean Hangul script readability tested; Korean learners; 8802827
- relative clause acquisition; spontaneous production data; English/Korean-speaking children aged 2-3 years; 8805181
- revised alternation condition, lexical phonology; Korean data; 8805639
- Sino-Korean; phonology/morphology; non-Sino-Korean differences examined; 8801278
- Soviet Korean; phonetic/phonological/lexical features; 8801478
- Üiju (Korean) dialect vowel systems; reconstruction/historical changes; 8801295
- word definition, Korean dictionaries; monolingual dictionary flaws; 8801589
- Labov, William**
- dialect/Standard phonetic variation model; W. Labov's language variation model/alternative model; categorical rules; 8804222
- Hong Kong bilingualism; code-mixing/code choice; macro-sociolinguistic/ethnographic/Labovian/social psychological approaches evaluated; 8805537
- sociolinguistics, history/sources; pre-Labov developments; 8801730
- speech community model; creole continua/Black Vernacular English data; W. Labov's unitary rule system questioned; 8806731
- Language and Culture**
- acculturation/cultural identity, bilingual education program; immigrant student advantages, English as a second language program, classroom decorum/Vietnamese students; 8805527
- adult English as a second language listening comprehension; religious-specific background knowledge influence; 8802628
- advertising texts, psychosemiotics; iconic/verbal/denotative/connotative reading/decoding; sex/sociocultural background/cognitive style; embedded figures test; 8805461
- African literature/culture; proverb role; 8801253
- Afro-Brazilian database development; culture transfer implications; 8801449
- American English, personal essays; English Language Amendment, bilingualism; 8803971
- American Indians-white relations, America; historians' biased language use; 8801814
- American women's language; changing attitudes/practices; R. Lakoff's *Language and the Woman's Place*; 8801719
- Amerindian culture; white men's speech/quotation; myths/polyphony; 8808994
- Annobón Portuguese Creole, fundamental vocabulary, characteristic features; African borrowings/influence, internal lexical expansion, Castilian acculturation; 8803945
- anthroponyms, ethnic identity source; Carpathians area, multiethnic contacts, extralinguistic factors relevance; 8806494
- aphorisms/mottoes, political/philosophical statements; anti-establishment movements; communicative/social/cultural aspects; 8801777
- Appalachian English speech patterns; historical sources; culture/language interaction; 8801492
- Appalachian narrative culture; structuralist/poststructuralist/narratological theory; 8801115
- Austrian political party platforms, discourse-analytical examination; macro-/micro-analyses; syntactic/argumentative/lexical/rhetorical strategies compared; 8801017
- Azerbaijani translation, Russian proverbs/sayings; culturally adequate translation; M. Gorki's prose; best Azerbaijani equivalents sought; 8800625
- Basque culture/language; history/origin/grammar sketched; 8801461
- Basque language situation; sociolinguistic analysis; 8809101
- Belinsh-North Upper Saxon phonological parallels; oral/written codes relationship, social/cultural similarities; 8808773
- bilingual education materials development, southwestern Alaska; anthropological approach; 8807974
- bilingualism development, German as a second language; productive/reactive/receptive competence; sociocultural implications, language/behavior rules; migrant children, West Germany; 8807971
- Bogotá Spanish; *que gracias* 'thank you', sociogenesis; 8806105
- Brazilian Karipuna community; bilingual education project; 8807981
- Canadian language situation; language/identity links; multiculturalism/nationalism/ethnicity; 8804192
- Cantonese vs English, perceived vitality; Subjective Vitality Questionnaire; Canadian-born/first-generation Chinese; 8809076
- Central Amerindian languages; maintenance/purism/Spanish influences; borrowing/neologisms; 8801497
- children's scholastic performance; sociocultural factors; schema theory; decontextualized discourse acquisition; 8800015
- Chinese as a second language instruction; West German educational system, teaching forms; 8804915
- Chinese culture; address forms/yes-no questions; 8803612

- Chinese/foreign-language teaching; cultural orientation role; 8802480
classical humanism study; original texts use; Latin/Ancient Greek language mastery; 8802485
common language concept; Quebec situation; culture as alternative pathways; French use; 8806682
communication, ethnopsychology viewpoint; socio-psychological/cultural factors role; problem formulation; 8801642
communication/culture; social action/language theories; dramatism/semiotics contrasted; 8806852
communication; experimental situations; context importance/ethnographic approach; 8806624
compliments, cultural appropriateness; misunderstandings, pragmatic-linguistic/sociopragmatic failure; appropriateness recognition/use exercises; 8800265
conversation, "American culture"/individualism; everyday life, creative discourse; 8801130
conversation, new context negotiation; contextual configuration role; speaker-listener interactive behavior, social/cultural factors; 8800998
conversational competencies; intra-/intercultural conversations; Mexican, black, white Americans; 8806644
Costa Rican indigenous groups; linguistic/cultural situation; language revitalization/educational programs; 8809114
cross-cultural translation; Feleppa's theory critically reviewed; G. Steiner's view advocated; 8800681
cross-cultural/cross-linguistic education; conceptual/cultural variation; Australian/Amazonian examples; 8800390
cultural inventory technique, second-language reading; prereading phase emphasized; 8800308
cultural literacy; E. D. Hirsch, Jr's/P. Freire's views; 8802359
cultural mapping, student/teacher classroom language use; eighth-grade black adolescent girls; 8809067
cultural miscommunication; Indian English sales letter, US/British audience; nonpersuasive discourse; 8808347
Cultural Models in Language and Thought, D. Holland/N. Quinn (Eds); review article; 8802240
cultural studies methodologies, interdisciplinary seminar report; 8804205
culture, collective/individual; language teaching implications; 8806668
culture/lexiculture; words/cultural loading; cultural observation; 8806658
differentiated language teaching; multicultural needs; 8800295
Dravento-Polabians, Wendish tribe extinction; linguistic evidence; dialect communicative domain limitation, toponymy/anthroponymy Germanization; 8801359
Dutch sociolinguistics, cultural/commercial/colonial importance; creole parenting, dialectal tolerance; 8809010
East Asian languages, linguistic/cultural variations; descriptive/historical/comparative studies; 8801276
East German developmental tendencies, vocabulary; language/ideology relationship, West-East German comparison, methodological suggestions; 8808604
East-West German economic terminology comparison; social/cultural base differences; German as a second language teaching implications, Russian students; 8801600
emotion terms, affect attribution; cross-cultural analysis; semantic space factor; 8800032
English advertising language, hard- vs soft-sell; language use/function difference; 8804167
English as a foreign language reading; cultural knowledge role; reading comprehension improvement; 8800395
English as a foreign language, teaching/learning; cultural factors; 8805084
English as a foreign language; compensatory strategies/cultural interference; Dutch-speaking secondary school students; 8802660
English as a second language learning; Indian multilingual sociocultural background impact; interpretive strategies; 8800228
English as a second language reading instruction; Hong Kong context; text type/cultural context considerations; 8804954
English as a second language test performance, cognitive style/first-language background; South Pacific/Asian students; 8800463
English as a second/foreign language instruction, nonverbal communication; cultural differences; classroom activities; 8801870
English as business language, French U; Anglo-Saxon countries image; teacher role; 8800222
English as neutral tool; N. Birnbaum's 19th-century East-Central Europe framework; modern Third World context; 8806655
English creative writing use, cross-cultural understanding improvement; Japanese businessmen; 8801763
English cross-cultural dimensions, Indian context; religious/political/literary dimensions; 8801747
English reading skills acquisition; Jewish speakers' difficulties; linguistic/cultural differences; 8801685
English-language Irish storytelling; social changes/folkloric traditions; 8806017
English-Spanish contact, Chicano poetry; 8806433
Esperanto as a cultureless language; Matazi Kido's claim refuted; natural language/culture relationship; 8808796
Esperanto centennial; achievements/problems, linguistic simplicity, cultural neutrality, popularization efforts/policies; 8806480
Esperanto; history/current status sketched; literature/social importance; 8806490
ethnic minorities; social relations; European situation; 8804188
ethnographic text, Kaluli translation; Papua New Guinea; cultural interactions/dialogues; 8801254
ethnography, writing program development; S. B. Heath's/R. Scollon's & S. Scollon's/S. Scribners's & M. Cole's studies reviewed; 8801260
expressive patterns; cultural patterns relationship; individualism/group orientation; 8804180
Finnish as a second language acquisition, Sweden; cultural background role; 8807540
Fishman, J.; *Readings in the Sociology of Jewish Languages* reviewed; Hebrew/Yiddish/"Jewish languages"; 8801713
foreign culture teaching; progressive nature; culture/language integration; 8805081
foreign-language acquisition, culture/civilization component; error types; 8800375
foreign-language conversation classes; junior college series described; materials/activities; 8800257
foreign-language instruction, cultural studies role; 8807392
foreign-language instruction, culture role; competency-based syllabus; 8802584
foreign-language instruction, international communication; Madrid manifesto; 8805141
foreign-language instruction, language/culture integration; learning process stages; 8802494
foreign-language instruction; foreign urban space mastery; 8800355
foreign-language learning; personality formation impact; French adolescents learning English; 8807414
foreign-language learning; sociocultural ramifications; 8802620
foreign-language literacy; socialization aspects; teacher/learner interaction; 8802533
foreign-language teaching; sociolinguistic factors importance; Japanese-speaking English learners; error analysis; 8805187
foreign-language/culture understanding; language planning; international interaction; 8809128
formal pragmatics/social criticism; J. Habermas's communicative action theory; 8801943
Franco-American writer, heritage impact; novel in progress described; 8809176
Fransaskois, Saskatchewan (Canada) francophones; language/culture situation; 8804259
French as a foreign language instruction; culture acquisition role; culturally charged words use; 8802509
French as a second language instruction, German students; national/regional stereotypes treatment; 8800350
French society; foreign-language students' attitudes; ethnolinguistic implications; 8806623
French vs Creole; teachers'/parents' attitudes, language use/preference/pedagogical goals/evaluative reactions; questionnaire/matched-guise instrument/interview; non-/reform school teachers/parents, Haiti; 8809043
French-Polish translations; cultural/linguistic problems; U of Wroclaw workshop; 8802969
German 19th-century educational institutions designations; chronological periods, terminologization/differentiation tendencies; social/linguistic changes relationship; 8801566
German address forms, 1840-1860/1890-1900; diachronic/semantic changes; bourgeois/proletarian language use, socially dependent vocabulary; 8801550
German as a foreign language pedagogy; culture learning; 8804960
German as a second language instruction, Arabic students; text reception/comprehension difficulties; 8802472
German as a second language instruction, cultural reality presentation; first-year textbooks analyzed; 8805026
German as a second language, pragmatic deficits; conversational analysis; Italian migrant children; 8802599
German as a second language, teacher training; East German Us/pedagogical colleges; cultural content; 8807480
German as a second language; audio-visual method; text selection/culture appreciation; 8804949

- German as a second language; motivation/target-language country cultural information; East German Us, foreign students; 8800317
- German coin names phraseologisms; coin usage, coin-names' meaning/etymology; second-language teaching implications; 8800819
- German purism history; Gallicisms assimilation/rejection, 18th/19th centuries; puristic movements; H. Schulz's/O. Basker's *Deutsche Fremdwörterbuch* (German Dictionary of Foreign Words); 8804280
- German working woman, 18th-/19th-century designations; chronological periods; social/linguistic changes relationship; 8801594
- German-English industrial relations terminology; translation problems, cultural/legal differences; 8803009
- German-Italian contact, Swiss Ticino situation; Italian cultural identity; German lexical influence; 8803866
- Griquet, P., Louisiana Cajun dialect/creoles; French linguistic/cultural heritage; 8804241
- Guatemalan culture; bilingualism/cultural diversity; education/identity; 8805534
- Guatemalan indigenous culture; identity preservation/*cofradías* 'confraternities'; 8806705
- Guatemalan indigenous languages; extinction danger/revitalization possibilities; 8809099
- Hervás, L., *Catálogo de las lenguas* (Catalogue of Languages); language/community relationship, national histories; 8806219
- Igbo (Niger-Kongo) topic-shading strategies; culture/context effects; unplanned discourse; 8806057
- Indo-European, non-Indo-European contacts, Western/Northern Europe; *wolf-dog*-onomastic formants; 8806316
- Indo-European/early Germanic worldviews; 'blood' images; root metaphor analysis; 8803699
- industrial design, semiotic activity; objects as texts-to-be-read; 8801922
- inequality; language/cultural attitudes; 8806719
- interactional strategies, South Asian languages; politeness norms; sociolinguistic analysis; grammar of culture; 8809020
- intercultural communication, literature/film use; problems indicated; 8801698
- intercultural communication; survival stage, culture shock; awareness growth; 8805210
- intercultural communicative-pragmatic differences, Americans vs Germans; target-language social pragmatics, second-language instruction integration; 8808956
- intercultural communicative-pragmatic differences, second-language instruction; communicative competence notion redefined; Chinese/Germans; 8807424
- intercultural differences, scientific paper composition, quotations use; Chinese undergraduates, Tongji U (Shanghai); personal experience; 8807422
- intercultural education; French immigrant children problem; interculturalism defined; 8807957
- intercultural perceptions; French life, foreign students' impressions; questionnaire; 8805120
- interlingual text comparison, Saussurian perspective problems; intertextuality universal/cultural-specific means, translation implications; 8808666
- interpersonal communication instruction; Western philosophical basis, non-Western cultural context; teaching strategies; 8805554
- interpersonal communication/discourse production; speaker's partisanship lexical expression, Russian; 8804140
- Inuit Eskimo vocal/musical games; structure, stylistic analysis; 8801262
- Israeli humor, *Ha'Gashash Ha'Hiver*; ethnic-variation-based humor; 8801681
- Italian advertising, cultural references; Italian language/culture teaching material, methodological suggestions; 8804884
- Japanese interpreters, low social status; contributing factors; 8808010
- Japanese language; native speakers' attitudes; English learning difficulties; Japanese loanword incorporation; 8804228
- Japanese marketing; English loanword use; consumption activities, semiotic interpretation; 8801676
- Japanese 'this'/'that'; three divisions; cultural territorial aspects; general semantics; 8803293
- Japanese translation, 18th-century *Rangaku* 'Dutch learning'; translation techniques/system; 8808028
- Japanese translation, linguistic/sociocultural problems; sentence structure/homonymy differences; 8808006
- Jewish culture/history; Yiddish language; 8801352
- Kerouac, Jack; French language/Canadian origin, attitudes/influence; 8809180
- Kuna (Central Amerindian) morphosyntax; auxiliary/directionality/eventual modality, semantic analysis; ethnocultural implications; 8801259
- language care/cultivation/consciousness/feeling, well-formed/aesthetic/pleasant/effective/normative language use; 8809112
- language cultivation, developed socialist society; conference report; 8804276

- West German English; forms/functions; nativization, cultural role;

- 8808999
 Whorfian linguistic relativity hypothesis; different languages/thinking patterns; English/Chinese speakers compared; 8801432
 writing/feeling relationship, language/culture interdependence; personal expression/poems; 8800588
 writing; cultural differences; contrastive rhetoric/second-language learning/literacy education; 8807935
 written text understanding; practical sociological reasoning use; social ordering; 8806052
 Yoruba verbal/visual art composition; societal/aesthetic structures; time/space patterns; 8801887
- Language Diversity**
 British language users surveys, 1977-1987; Inner London Education Authority Language Census/Study of Linguistic Diversity in London Schools/Linguistic Minorities project reviewed; 8809063
 linguistic microdifferentiation, Korčula Island (Yugoslavia); multidisciplinary anthropological study; 8801460
 New York Italian American community; speech varieties; sociolinguistic analysis; 8803948
- Language Laboratory**
 English as a second language instruction; E. V. Sittler's audio-immersion approach; German undergraduates; 8805108
 foreign-language instruction; computer use; 8800240
 foreign-language learning; high school language laboratory; teacher participation effects; English-speaking Spanish students; 8800226
 French as a second language; advanced spoken French program; language laboratory use, materials; 8800241
 language laboratory; pedagogical approaches contrasted; potential uses discussed; 8805136
 Russian as a second language instruction; US students, advanced level; language laboratory materials integration; 8800198
 second-language instruction, language laboratory use; West German industry experience survey, educational implications; 8805079
- Language Pathology (see also Aphasia, Autism)**
 Aachen Aphasia Test-Italian, validity/reliability tested; left-brain-damaged patients; 8807010
 academic achievement; early language delay relationship; reading/spelling/written language production; children aged 9-12 years; 8804575
 acoustic voice reaction time; foreperiod length effect; stutterers vs non-stutterers; 8809419
 acoustic/response time measures, apraxic/normal speech production; verbal response/vowel duration/interword intervals; 8809453
 acquired dyslexia; morphological processing deficit/reading performance; case study; 8804587
 acquired reading disorders; treatment methods; 8804641
 acquired verbal auditory agnosia; encephalitic etiology questioned; 8802424
 action-naming; Broca's/Wernicke's/anomic/conduction aphasias compared; confrontation naming/picture description tasks; 8802168
 acute transcortical mixed aphasia; carotid occlusion syndrome, pial/watershed infarcts; case description; 8809378
 adductor spastic dysphonia; physiologic/phonatory characteristics; 8806985
 adolescent functional dysphonia; whispering syndrome/hysterical high pitched voice; case reports; 8802112
 adult language pathology; assessment/remediation; pragmatic perspective; 8807021
 adult stutterers, subjective/objective recovery measures; Stutterer's Self-Rating of Reactions to Speech Situations form/interviews/statistical analysis; 8809463
 aging, spontaneous language changes; Shewan Spontaneous Language Analysis System; normal adults aged 40-79; 8807037
 agrammatic aphasia, grammaticality sensitivity; word order/agreement violation processing; 8809462
 agrammatic aphasia; syntactic representation construction problems; 8809412
 agrammatic/syntactic comprehension; sentence analysis, syntactic competence; 8809441
 agrammatism/paragrammatism; Broca's/Wernicke's aphasias; telegraphic speech; German-speaking aphasics; 8809404
 agrammatism; Chinese conduction aphasic, case study; 8802423
 agrammatism; syntactic deficits/speech comprehension parallels; noun inflection sensitivity; 8804554
 alaryngeal voicing; laryngectomy/nonlaryngectomy judges' proficiency ratings compared; 8802167
 alcohol-related neuropsychological deficits; cerebral lateralization; brain damage; 8807341
 alexia with agraphia; left posterior inferior temporal lesion; kanji/kana dissociation; Japanese case studies; 8806999
 Alzheimer's disease patient-therapist communication breakdown; interactive approach/strategies, linguistic/social consequences; 8806994
 Alzheimer's disease/dementia; language function; normal aging effects; 8809454
 Alzheimer's disease; early diagnosis; picture description analysis use supported; 8804577
 Alzheimer's disease; language/pantomime relationship; 8807000
 Alzheimer's disease; nonverbal communication disturbance; pantomime recognition/expression; 8802132
 Alzheimer's disease; sentence repetition performance; syntactic processing/short-term memory/auditory comprehension; longitudinal study; 8802121
 Alzheimer's disease; verbal/visuo-spatial function impairment permanence; neuropsychological tests; 8800168
 Alzheimer's/Parkinson's disease patients, speech/language alterations; comparative analysis; 8806984
 American English diphthongs; Broca's/Wernicke's aphasics' perception; 8802155
 amnesia memory deficits, classification; 8809385
 amnesic aphasia, speaking/writing disorders; clinical features; 8806998
 anomic patient, lexical/contextual factors effect, naming tasks; functional locus proposed; 8809464
 aphasia treatment; microcomputers role; 8804638
 aphasia treatment; pause-&-hesitation approach described; 8804545
 aphasia treatment; psychomotor therapy technique; preliminary results; comments, reply; 8804632
 aphasia types; lesion locus correlation; free speech samples, lexical diversity; hierarchical grouping analysis; 8802082
 aphasia, phonological/speech perception; philosophical/methodological shortcoming; response; 8809391
 aphasia, study/treatment; theoretical/applied aspects; 8804570
 aphasia/apraxia of speech; differences; speech processing skills; 8804574
 aphasia; body language disorders; cognitive analysis; 8804514
 aphasia; caudate metabolism/language function correlations; 8807015
 aphasia; comprehension disabilities treatment; 8804522
 aphasia; difficult sentence comprehension; verbal context effects; auditory processing; 8802086
 aphasia; function recovery, neurobiological model; recovery mechanisms/right hemisphere role; 8800163
 aphasia; language localization; right-handed left-hemisphere damaged woman; 8802087
 aphasia; language treatment effectiveness; 8804642
 aphasia; oral naming/word comprehension; 8802130
 aphasia; psychomotor therapy problems discussed; 8804639
 aphasia; right thalamic hemorrhage; language deficits; 8804563
 aphasia; short-term memory/sentence comprehension deficits; memory, phonological components; 8800036
 aphasia; word learning/processing deficits; semantic/grammatical information retention; 8804538
 aphasia; word repetition performance; emotional content effects studied; 8804569
 aphasic agrammatism; sentence production; sentence stimulation treatment effects; 8804531
 aphasic anomia; word-finding defect; anomia classification; 8809374
 aphasic anomia; word-finding defects/semantic lexical disturbances relationship; 8804535
 aphasic double identification process, numeric transcription task; G. Deloche's/X. Seron's neuropsychological study; transcoding errors; 8809389
 aphasic interactive language, syntactic/pragmatic profiles; communication difficulty adaptation; adult aphasics; 8809434
 aphasic language behavior; subcortical white matter lesion effects; 8809432
 aphasic language, change evaluation; methods compared; clinical judgments, Western Aphasia Battery Spontaneous Speech subtest, Shewan Spontaneous Language Analysis; 8807036
 aphasic referential processing; production/comprehension; narrative discourse; 8806977
 aphasic speakers; pragmatic language abilities; referential communication tasks; 8802091
 aphasic speech therapy, microcomputers use; trial programs, England; 8809380
 aphasic spontaneous communication; hand gesture use; Broca's/Wernicke's aphasics; 8807009
 aphasic stroke recovery; cortical function reorganization; studies reviewed; 8802108
 aphasic syndrome classifications; Wernicke's aphasia, surface dyslexia, deep dysgraphia, conduction aphasia, paragrammatism; single case study; 8809421

- aphasic, pharmacotherapeutic treatment; transcortical motor aphasia, bromocriptine treatment; case study; 8809369
- aphonia etiologies, post-closed-head injury; case studies; diagnosis/therapeutic procedures; 8802159
- apraxia of speech/phonemic paraphasia; Broca's/Wernicke's aphasia; error locus/type; 8809382
- apraxia treatment; learned cognitive strategy; sensory-motor planning; 8804633
- apraxia, speech motor planning; voice onset time, context effects; 8809458
- apraxic pronunciation repetition, error patterns; syllable misarticulation; 8809451
- apraxic speakers' articulation; sentence voice/grammatical class/phonetic complexity effects; 8802078
- articulatory adequacy, judging formats compared; phoneme identification/traditional testing; dysarthric speakers; 8809526
- articulatory generalization, language-disordered children; word-medial ambisyllabic contexts; 8809461
- Association Québécoise de Linguistique; annual meeting's papers; 8804878
- asymmetries; normal/aphasic subjects compared; high/low imagery word recall/recognition; 8804561
- auditory comprehension disorders; aphasia therapy effectiveness; case studies; 8802106
- auditory/visual perceptual functioning; language-impaired/normal children; 8800041
- autistic children; nonverbal pragmatic behavior; verbal/nonverbal subjects; 8802120
- autistic children; sentence comprehension/semantic knowledge; agent/patient/location relations; 8802180
- behavior diagnosis, relational/cultural/affective-emotive aspects; tests/procedures; linguistic performance/behavior relationship; 8802096
- behaviorally disordered children; language disorder relationship; Test of Language Development-Intermediate; 8807094
- bilateral opercular syndrome/aphemia; language characteristics; case study; 8807347
- bound grammatical morpheme processing; aphasic patient; word monitoring task; 8807048
- brain injury; aphasia/depression relationship; 8807041
- brain lesion site; global aphasia patients; sex differences; 8809383
- Broca's aphasia syndrome variability; Boston Diagnostic Aphasia Examination; 8809370
- Broca's aphasia; syntactic processing deficits; CT lesion localization; 8802444
- callosal agenesis; language impairments; word retrieval deficits; 8802430
- cerebellar metabolic asymmetry; left hemisphere damaged aphasics; Broca's area; 8802144
- child auditory-language processing ability; multilayer clinical assessment technique; Clinical Evaluation of Language Functions, Goldman-Fristoe-Woodcock tests; 8802213
- child language development/immaturity test chart validation, socialization/decodification/codification phases; Italian children aged 2;6; 8804781
- child language development; social linguistic environment role; intervention procedures efficacy studied; normal/language-delayed children; 8804741
- child language impairment diagnosis/therapy; J. Piaget's proofs validity; psychometric/linguistic/cognitive testing; Italian children aged 6.8-7.5; 8804555
- child phonology; unusual patterns; language-impaired/normal children compared; 8800086
- child speech development assessment; text perception/reproduction procedure; Russian normal/abnormal speakers aged 6-8; 8807121
- childhood acquired aphasia; language dissolution/neurological impairments; case study; 8800162
- children's language development; parental report accuracy; 8804762
- children's requests for clarification; use/response; normal/language-impaired children; 8804742
- children's sentence production; syntactic/phonological/fluity characteristics; linguistic/extralinguistic factors; language-impaired/reading-disabled/normal children; 8800090
- clarification requests, mother/language-impaired child dyad; frequency/structure/sophistication; therapeutic implications; 8802151
- cleft palate children; compensatory articulation/audible nasal air escape; parents' preferences; 8802404
- click presentation effect, syllable-initial position, stutterers' speech; metronome click comparison; perceptual experiment; 8802123
- clinical linguistic profiles; computer software program; grammar/phonological process analysis; 8802135
- color, internal representation/conceptual operation; color processing, verbal code; alexic patients; 8809396
- communication apprehension, literature survey; future research recommendations; 8801635
- communication disorders; speech-language pathology; special populations; 8804573
- communication disorders; test performance evaluation; pretest case history information effects; language-handicapped children; 8800467
- communication impairment; closed head injury versus poststroke aphasic patients; 8802156
- communication skills acquisition; interactive modeling technique; gray parrot; human communication applications; 8806843
- communicative acts; illocutionary intent; language-impaired/normally-developing preschool children; 8802116
- communicative competence acquisition; requesting behavior; normal/Down syndrome/language-disordered toddlers; 8804806
- communicative incentives; high-functioning verbal autistic child aged 13 years; pragmatic theory/linguistic functions; 8804517
- communicatively handicapped children; nonverbal communication devices use; semantic representation systems; 8807108
- compensatory language strategies, closed head injured patients; effectiveness/characteristics; therapeutic implications; 8807022
- computer-generated phonemic cues, aphasia naming disorder treatment; Broca's aphasics; 8806978
- computerized tomographic scanning, aphasiology contributions; localizing tool, prognostic indicator; other brain imaging techniques compared; 8809430
- conduction aphasia, phoneme ordering deficit; linguistic/anatomical aspects; 8809411
- conduction aphasia, reeducation program; phonemic production control; 8809387
- conduction aphasics; sentence comprehension abilities; auditory verbal short-term memory role; 8804557
- contrastive/phonemic stress; acoustic correlates; right-hemisphere-damaged patients; 8802416
- conversation analysis, syntactic features; severely language-impaired children aged 3-7 years, adults; 8809393
- conversational intensity, age-related differences; women aged 20-30/75+; 8802147
- conversational skills; Fragile-X/autistic/Down syndrome individuals compared; 8804612
- conversational skills; psychiatric inpatient youths; skills training intervention; 8801655
- crossed aphasia incidence, bi-/multilingual subjects; right-handedness effect; South India; 8809413
- crossed aphasia/apraxia; cerebral lateralization; 56-year-old male painter; neuropsychological tests/experimental tasks; 8802153
- crossed aphasia; cerebral organization role; case study; 8802160
- crossed aphasia; nonverbal dysfunction; left-sided neglect/constructional apraxia; cerebral hemispheres role; 8802095
- crossed aphasia; normal lateralization implications; 8802088
- Crystal, D., *Clinical Linguistics; Linguistic Encounters with Language Handicap*; review article; 8809258
- deep dyslexia; semantic paralexical errors/right hemisphere role; brain-damaged/illiterate normal subjects compared; 8802175
- delayed language development heterochrony; cognitive function, wave-front mediation; 8807328

- syntactic reconstruction; theoretical problems/solutions; Romance evidence; 8808123
- Laryngectomy**
- alaryngeal voicing; laryngectomy/nonlaryngectomy judges' proficiency ratings compared; 8802167
- laryngectomees, counseling/care; interview data; 8807097
- laryngectomy patient rehabilitation, esophageal speech acquisition; speech therapist's role/difficulties; therapeutic/procedural recommendations; 8804519
- tracheoesophageal voice production; aerodynamic/myoelastic contributions; laryngectomized individuals; 8802053
- Laryngology**
- laryngeal surgery, speech cepstrum changes; sustained utterances, subsequent recordings; laryngeal disease etiologies; 8809342
- phonatory quality; physiologic correlates; larynx/voice features; 8802146
- singing, laryngeal functioning; electroglottograph recordings; 8802117
- Voiscope, voice analysis program; voice rehabilitation role; 8809339
- Latin (see also Diachronic Linguistics, Indo-European Languages, Romance Languages)**
- 13th-/14th-century northern French; intellectuals' grammatical consciousness; French/Latin use; 8803892
- abbreviated English, 1483-1660; Merton College Register; 8808896
- ablative absolute, Medieval Latin; *Kristiánova legenda. Vita et passio sancti Wenceslai et sancte Ludmille ave eius—Život a umučení svatého Václava a jeho báby svaté Ludmily* (The Christian Legend. The Life and Passion of Saint Václav and His Grandmother, Saint Ludmila) analyzed; 8803660
- accents, Latin alphabet; adaptability/widespread use; quotation mark forms; 8804116
- Arezzan *viéguelo* "harrow"/Luccan *ghìecolo* "cradle" etymologies; common Latin source rejected; 8808632
- Aromanian dialect vs language status, Balkan peninsula; Latinization history, Old Romanian dialectal stratification/geographical dispersion; 8808582
- aspectual difference, Old High German/Latin; syntagmatic vs paradigmatic means; *Isidor/Tatian* Gothic versions analyzed; 8801365
- de Beauvais, V.; *Speculum Maius*; data bank creation; 8801416
- Berlin dialect history, Latin-High German transition chronology, Low German/French influence; 8808645
- borrowings adaptation, phonological system evolution; Latin/French loanword, Polish adaptations; reconstruction difficulties, early unwritten languages; 8801363
- Cellarius, Christoph; Latin grammar/lexicon, Russian versions reception; 8803586
- Celtic grammars; Latin/Irish, 7th century; 17th-century Franciscan grammars; 1659 Breton grammar; 18th-century comparative studies; 8801221
- Chinese anthroponyms/toponyms, Latin-alphabet rendition, *Hanyu Pinyin Fang'an* system; project history, alternative systems; 8801617
- Cipariu, Timote; Romanian's Popular Latin basis, Classical/Popular elements distinction; 8806202
- classical humanism study; original texts use; Latin/Ancient Greek language mastery; 8802485
- Claudianus Mamertus, Latin adverb *tenuis* 'as far as, down to' use; syntactic/lexical originality; 8803686
- Codex Cumanicus, Latin-Persian-Coman calendar; Coman month names reinterpreted; 8806324
- Croato-Glagolitic missals/breviaries; price/value, 15th century; 8808642
- Dacoromanian *arnici* 'sewing thread' etymology; Old Greek etymon, Latin mediation; semantic evolution, etymological doublet; 8806299
- Dalmatian Latinisms, lexico-semantic domains; loss, extralinguistic factors; 8801450
- Danube Latin, historical development; I. Fischer's *Latina dunăreană* (Danube Latin) examined; 8803719
- dialectal Italian *scravazzo* 'heavy rain' Latin origin; Romance variants; 8806317
- Dictionarium valachico-latinum* (A Walachian-Latin Dictionary); Francisc Király's treatments evaluation; 8806535
- disjunctive coordination; exclusive/inclusive semantic relations; Latin-Spanish evolution, functional analysis; 8803194
- Drăgușanu, Ion Codru, *Peregrinul Transilvan* (The Transylvanian Pilgrim); foreign borrowings/neologisms, semantic domains; 8803878
- early Indo-European bilingualism; Etruscan/Lycian relationship; Albanian origins; Latin/Greek development; 8801335
- French case system, Latin declensional system invalidation; 18th-century Spanish grammars of French survey; 8803663
- French future tense history, Latin infinitive + *habeo* as base; Romance morphological agglutination, medieval/contemporary developments; 8806252
- French locative adverbs *ici* 'here'/'là' 'there'; Latin origin/Italian counterparts/syntactic behavior/meaning; 8805693
- French translation, Latinisms; P. de Crescens's *Ruralium commodorum opus* (A Book on the Benefits of Country Life), anonymous 16th-century translation; 8808013
- French vowel system evolution; vowel fronting/vowel elision/length distinction loss; 8806266
- Galician *titor* 'tutor'; origin/contemporary status; 8803711
- Galician *titor* 'tutor'; Vulgar Latin source considered; 8803701
- Galician toponyms, Late Vulgar Latin formations; Germanic thesis rejected; integral/elliptic formations; 8804006
- Galician/Latin verb systems; functional analysis; 8803804
- grammatical terminology, 14th-/15th-century insular French; Latin-French "semantic borrowing" tradition; 8808867
- Holy Qur'an; Arabic/Latin script; Polish translations; 8800661
- Hungarian Christian terminology, Hungarian-Latin contacts history; Latinisms list/stratification/historical relevance; 8808641
- Indo-European deferential address; historical development; grammatical person instability/slant phenomena; 8806301
- Indo-European demarcation terms; etymologies analyzed; single root **wer-* proposed; 8803658
- Indonesian medical vocabulary, Greek-/Latin-based formations; roots/affixes/hybrids, adaptation process; 8803880
- international language; Roman Catholic Church; English/Latin/Esperanto; 8806689
- Italian-Latin-Romance relationship; contacts/stratification/parallels/linguistic differentiation; 8803924
- Itinerarium Egeriae* (Itinerary of Egeria); philological interest; 4th-century Latin; 8803759
- language teaching; modern/classical methods similarities; 8804951
- Latin accusative absolute construction; origin/development/uses; narrative prose examined; 8805736
- Latin accusative absolute, construction's evolution; technical/scientific/epigraphic language; medieval use; 8808613
- Latin adjective *dignus*; derivatives/semantic history studied; 8803652
- Latin *animus/anima* 'soul'; etymologies; Greek counterparts; 8803676
- Latin as an international language, revival advocated; problems; 8808793
- Latin *cauda* 'tail'; Greek semantic parallel; 8803674
- Latin *civiliter* 'civil'; medieval meaning extension; 8803633
- Latin conjunction *post(ea)quam* 'after, when', future tense use; Classical vs Vulgar Latin; Romance reflexes; 8803723
- Latin *gingiva* 'gum (of the mouth)'; Galician reflexes; variants geographic distribution/phonological structure, Castilian influence; 8803944
- Latin homonym *ius* 'broth, soup'/'right, law'; tongue-in-cheek treatment; 8800902
- Latin infinitive + accusative construction; Romance reflexes; traditional/functional/generative analyses compared; 8803228
- Latin inscriptions, abbreviations/contractions; Rome/Africa, 1st to 8th century AD; 8808611

- Latin litotes; negatio contrarii, syntactic/semantic/pragmatic properties; functional grammar analysis; 8808147
- Latin medio-passive *-r/preverb -re(d)/Celtic ro-*, lexical/grammatical parallels; A. N. Savchenko's/I. A. Perel'muter's Indo-European medio-passive voice origin supported; 8803753
- Latin *nēnia*, Greek origin; Armenian *Galen Dictionary* evidence; 8801310
- Latin *nōdus* 'knot'/*nūx* '(wal)nut'/*nūrus* 'daughter-in-law', Romance transmission; phonetic/semantic analogies; diachronic study; 8803706
- Latin *non scire litteras*, Middle High German rendition; *Sancti Benedicti Regula monasteriorum* (Saint Benedict Monastery Rule) manuscript analysis; new reading proposed; 8803695
- Latin noun complements, functional analysis; syntactic/semantic/pragmatic functions; 8805759
- Latin *nu*; Galician/Portuguese reflexes; 8803722
- Latin passive; agent expression/implication/substitution, Cicero's speeches analyzed; 8803253
- Latin prefixation; compounding analysis proposed; phonological sub-components; 8803046
- Latin prepositions; Romance developments sketched; 8803645
- Latin *sum*, Oscan *sūm*, similarities; shared innovations; 8803689
- Latin word order; subordinate clauses; syntactic/semantic/pragmatic factors; displacement/informational status; 8805788
- Latin words/phrases, English legal texts; lawyers/English for Academic Legal Purposes student language training; 8801055
- Latin/French evolution; morphological, syntactic structures; free word order question; 8803125
- Latin/Italic/Venetian relationship, Latin-Venetian affinity; V. Pisani's thesis supported; 8806457
- Latin/Portuguese-Spanish phonetic correspondence, *-rb- > -rv-*; weak phonetic law; 8806312
- Latin/Romance "foolishness" designations; language-specific formational patterns, universal human thinking traits; 8806527
- Lenin, V. I., Latin popular expressions use; semantic/structural modifications, connotative expression; 8804304
- linguistic simile use; Titus Lucretius Carus, *De rerum natura* (On the Nature of All Things); 8801844
- literary vernacular use, England; Latin grammatical tradition; Aelfric's Old English grammar; 8801224
- medieval Latin orthography; *b/v* variation, statistical study; 8803729
- Middle Latin/Romance languages development; R. Wright's one-norm theory assessed; B. Bischoff's Old Romance texts collection; 8801287
- morphological change; A. Carstairs's paradigm economy principle criticized; Maori passive suffix reanalysis/Latin third declension nouns; 8803370
- negative coordination, Latin/Spanish occurrence; E. Coseriu's notion examined; 8803195
- Old Czech Bible translations, Latin *locusta* 'locust' rendition, animal vs edible plant; 8806320
- paternoster*, erotic meaning/connotation, Middle Ages; 8801368
- Proto-Indo-European **ser-*; nondurative Aktionsart; Greek/Latin/Armenian reflexes; 8803635
- Proto-Romanian thesis, history/validity; Proto-Romanian reconstruction possibility disputed; 8801305
- Purkyně, Jan Evangelista, Slavic conceptions, Russophilic sentiments; 8806203
- Renaissance grammar; Donat/Priscian influences; pronoun characterization; 8801220
- Renaissance texts; translation support package; Italian/Latin/Spanish sources; 8800635
- Roman inscriptions, Catalonia; four-volume publication report, content/organization outline; 8806303
- Roman patroness names; slaves'/freedmen's name formation models, patterns identified; 8803993
- Roman personal names, designation patterns diachrony; name formation, suffixes, names typology; 8806513
- Romance conditional sentences; historical development; comparative analysis; 8800842
- Romance inchoative conjugation formation, theories reviewed; Latin verb four-stage change; 8808620
- Romance Latinisms, inherited versus 'borrowed' words; learned words/specialized terms; dialectal evidence, inter-Romance comparison; 8801347
- Romance lexicon; Latin surviving/lost etyma; morphological/phonological/semantic analysis; 8806326
- Romanian *acira* 'to wait, to expect' etymology; historical/dialectal attestations; Latin *aquila* 'eagle' etymon proposed; 8801356
- Romanian etymologies, Latin etymons/Greek origins; 8806441
- Romanian Latin-based neologisms, inflectional normalization, *-tate/-ta* forms; 19th-century linguists/purists debate; 8806357
- Romanian *mălai* etymology; Latin *miliūm* 'millet'; historical phonetics problem clarified; 8801283
- Romanian personal pronouns, indicators; Latin system legacy; 8803163
- Romanian *storî* meaning/etymology, Latin *extorĕre* continuation; 8806355
- Romanian *țară* 'country, state, region', meaning evolution; Romance languages compared; 8801344
- Romanian vocabulary development, Latin basis, Slavic influence; Balkan affiliation, Romanian-Western Romance difference; sociolinguistic/inner-linguistic factor's role; 8806567
- Romanian-Spanish common features; Latin elements preservation vs innovations; phonetic/syntactic/morphological/lexical phenomena discussed; 8801380
- Saint Jerome, New Latin Vulgate translation; sacred text transmission; 8805590
- Solomon's Chalice inscription, *Vita Constantini* (Constantine's Life), line 2 new reading; Latin language/text relevance, Vulgate; 8808651
- Spanish *cejar* 'to move/go back' etymology; Latin *cessāre* 'to delay in doing something' semantic bifurcation; Old Spanish antonym *puxar* 'to force movement ahead' role; 8808656
- Spanish lexicography; Colombian Academy correspondences presented; 8808886
- Spanish *marra* 'mattock, hoe'; native status; 16th-/17th-century Latin translations/dialectological evidence; 8801292
- Spanish *menazo* 'diarrhea'; etymology; Latin euphemistic origin proposed; 8803634
- Spanish term *cecina* 'beef jerky'; Latin origin; 8803632
- Spanish words, early Spanish-Latin dictionaries; Nebrija's 15th-century dictionaries evaluated; 8806310
- Spanish/Latin superiority, Renaissance grammars survey; 8803608
- spelling proficiency; Latin study effects; eleventh-grade students; 8806583
- structural-typological language treatment, language structure form-function hierarchy; Greek/Latin material, case/aspect/voice; 8806148
- Terentius's Vulgar Cremanian translations; manuscripts description, dialectal graphy/phonology; 8808610
- textual variation; error corrections; translation problems; *La Vie et les epistres Pierre Abaelard et Heloys sa fame*, (The Life and Letters of Peter Abelard and Heloise His Wife), Jean de Meun's translation; 8800649
- verb government, 15th-century Hungarian; Latin original codexes; case inflection development; 8805787
- verse rhythm; language probability model; English/Romance/Medieval Latin systems compared; syllabic/syllabo-tonic forms; 8804299
- Vietnamese orthography, history/structure; Czech transcription, post-1975 norms; 8808929
- Western Romance languages, semilearned/semipopular phonetism; Latin-French/Spanish/Italian articulatory interference; 8803734
- ### Learning Disabilities
- ambiguous word activities; learning-disabled adolescents; vocabulary training study; 8807066
- American Sign Language/Amerind Signs acquisition, mentally retarded young adults; 8809498
- attention deficit disorder/reading disability; cognitive deficits; R. Felton's/F. Wood's/I. Brown's/S. Campbell's/M. Harter's date reanalyzed; reply; 8809484
- attention disorders, learning-disabled elementary school children; classroom structure relationship; 8809472
- attention processes, hyperactive/learning-disabled children; earlier research findings refuted; research reviewed; 8804604
- attention/learning-disabled children, hypotheses reviewed; historical/futuristic perspectives, research background; capacity variable/control process distinction; 8804609
- auditory feedback/writing, learning-disabled/nondisabled students; written error identification; 8809471
- autistic children, attentional deficiencies/abnormal responsivity; literature reviewed; stimulus overselectivity, educational implications; 8804592
- cognitive characteristics, reading-/learning-disabled undergraduates; compensation strategies; Wechsler Adult Intelligence Scale-Revised; 8807691
- computer-based vocabulary instruction; learning-disabled/remedial/general education high school students; 8807369
- developmental dyslexia, disconnection concept application; N. Geschwind's pioneering work; 8807063

- developmental dyslexia/dysgraphia, middle-age persistence; case study; 8809489
- discourse maintenance; learning-disabled/nondisabled children compared; discourse cohesion/elaboration/repairs; 8801648
- Distar Reading, remedial children; infant school experimental project; 8804596
- dyslexia definition; neuroanatomical/neurolinguistic perspectives; 8809476
- dyslexia identification; Wechsler Intelligence Scale for Children-Revised use; 8804610
- dyslexia treatment; model program presented; 8802739
- dyslexia, specific diagnostic category status; controversy; 8804602
- dyslexia, word knowledge developmental stages; spelling ability, dyslexic/normally developing readers; 8809465
- dyslexia; Boder test diagnosis/hemisphere arousal relationship; reading-spelling patterns; 8802179
- dyslexia; cognitive model; P. K. H. Seymour's *Cognitive Analysis of Dyslexia* reviewed; 8804593
- dyslexia; intrahemispheric collaboration deficits role; manual coordination/attentional processes; boys aged 9-14 years; 8807067
- English derivational morphology knowledge; developmental acquisition; spelling abilities relationship; normal/learning-disabled students; 8800954
- exceptional students; written language instruction; research implications; 8805523
- expository text recall; top-level structure use; normal/learning-disabled college students; 8805458
- hyperactivity, activity/language; listening tasks; underarousal theory supported; hyperactive/normal preschoolers; 8804611
- illiterate adults, reading related problems; performance self-perception; interviews; 8809473
- Individualized Reading Approach, teacher accountability/reading progress, child's needs emphasis; 8805320
- Kindergarten Teacher Rating Scale appropriateness, reading learning disability diagnosis, Costa Rica; cross-cultural application; 8809536
- language disabilities, L. Bender's pioneering accomplishments; 8807060
- language disorder treatment, learning-disabled adolescents; psychoneurological assessment implications; 8807001
- language experience approach; basic skills emphasized; mildly handicapped children; 8805323
- language learning, musical context relationship; special education application; language-impaired children aged 4:11-7:2; 8807103
- language-disordered children; connected speech word finding skills; spontaneous language profiles; diagnostic implications; 8802174
- learning disabilities, modular conception; semantic memory classification behavior, compositional/prototypical organization models; 8809481
- learning disabilities; referential/hierarchical classification skills relationship; school age children; 8807053
- learning disability, nonverbal communication/self-concept/race effects; black/white learning-disabled students aged 9-11; 8809488
- learning strategy models; limited English proficient/learning-disabled students; 8807068
- learning-disabled children, listening/reading performance; Durrell Listening-Reading Series; children aged 9-15; 8809492
- learning-disabled children, reading instruction; testing types; instructional guidelines; 8804589
- learning-disabled readers; reading comprehension; cognitive strategy training effects; 8807061
- learning-disabled students, reading strategies; social studies text assignments; 8807723
- learning-disabled students; reading comprehension improvement; monitoring strategy; 8802176
- learning-disabled students; reading comprehension; questioning mode/placement effects; 8807071
- linguistic lateralization, dichotic listening task; learning-disabled/Rolandic paroxysmal discharge/epileptic children aged 10-12; 8807065
- literacy learning; learning-disabled-labeled adolescents; dynamic assessment/instruction model; ethnographic procedures/protocol analysis; 8800544
- metaphonological skills, good/learning-disabled poor decoders; reading achievement measures relationship, male third/fourth graders; 8809478
- metaphor performance; learning-disabled children; 8802178
- method of repeated readings, disabled readers; neurological impress method expanded; 8802733
- neglect dyslexia; word/nonword visual processing; nonphasic patient; 8804594
- oral reading performance; relaxation training effect; learning-disabled readers aged 12.50-15.58; 8809523
- paralinguistic behavior; learning-disabled/nondisabled third-/fourth-/fifth-grade boys; social rejection/interpersonal communication; 8804605
- perceptual processing; developmental vs sensory deficit effects, reading disabled; visual processing differences, good/poor readers aged 8, 10, 12; 8809469
- phonetically inaccurate spelling; learning-disabled/head-injured/nondisabled young adults; Wide Range Achievement Test; Boder-Jarrico criteria; 8804544
- prereading activities effects, comprehension monitoring, learning-disabled adolescents; statement identification tasks; 8809467
- prior knowledge effect, reading comprehension, learning-disabled students; word decoding deficit; junior high school learning-disabled students; 8809487
- reading ability/self-concepts, mildly educationally subnormal children; special schools/classes effects; 8802777
- reading achievement tests, format changes effect, learning-disabled students implications; Metropolitan Achievement Test Level E1, Stanford Achievement Test P1; 8805503
- reading achievement/ability correlations; special education students aged 9:6-12:8; Wechsler Intelligence Scale for Children-Revised, Basic Visual-Memory Association Test, Test of Reading Comprehension; 8804598
- reading achievement/locus of control; reading methods effects; learning-disabled students; 8802177
- reading achievement; visual-auditory cross-modal integration relationship; learning-disabled/average/poor readers aged 9-11; 8800516
- reading comprehension development component processes; structural modeling; learning-disabled children aged 6-11; 8802830
- reading comprehension instruction, disabled readers; three models compared; 8807069
- reading comprehension testing; exceptional learning disabled/educable mentally retarded secondary school students; testing condition variations; 8805487
- reading comprehension/morphological development, inflection, familiar vs nonsense words; learning-disabled pupils aged 7-11; 8805382
- reading deficits, learning-disabled children; attention/memory/syntactic awareness problems; prose decoding task; 8804588
- reading deficits; adult developmental dyslexics/acquired dyslexics compared; reading aloud/single word comprehension; information processing model; 8802182
- reading disability subtypes, neurologically impaired students; reading-impaired/non-reading-impaired students aged 11-19; 8807064
- reading disability, diagnostic/remedial work, historical view; 20th-century developments; 8802751
- reading disability/general language skills relationship; longitudinal study; children aged 3/11; 8807072
- reading disability; genetic component evidence; behaviorally defined homogeneous subtypes; 8807062
- reading disability; phonological processing deficits relationship; temporal/phonetic perception; 8804603
- reading instruction method, learning-disabled students; lunch menu/newspaper use; 8802745
- reading instruction, learning-disabled students; popular misconceptions refuted; empirically based teaching strategies; 8804601
- reading instruction, parents' role; game format; learning-disabled children; 8807688
- reading problems, learning-disabled/disadvantaged students; new instructional possibilities; 8804585
- reading processes; normal/dyslexic readers similarities; P. Bryant's/L. Impey's study discussed; 8804591
- reading remediation, Corrective Reading Program; learning-disabled/mentally retarded adolescents; 8805347
- reading remediation, right hemisphere skills use; reading-disabled students; reading/study skills improvement; 8809468
- reading retardation/visual deficit relationship; word recognition impairment; 8809475
- reading subtest performance; learning-disabled/regular education students; Wide Range Achievement Test, Woodcock Reading Mastery Test, Wechsler Intelligence Scale for Children-Revised; 8802879
- reading-disabled children; mental functioning/achievement prediction; Kaufman Assessment Battery for Children validity evaluated; 8804646
- reading/language development; learning-disabled elementary students; standard/special education curricula compared; 8804607
- reading/metalinguistic awareness; phonological awareness role; language-/reading-impaired students; 8809470
- referential communication skills; learning-disabled children; training effectiveness; 8802172

- residual recall; organizational dimension, sorting/recall task; 8-/10-year-old learning/nondisabled children; 8805474
- sentence comprehension; modular process model; reading disorder; verbal working memory; 8802297
- severely language deficient children, language instruction; behavioral language program; case study; 8809525
- slight word instruction, mastery learning model; disabled readers; 8804590
- specific language disabilities; secondary school student success; intervention programs effectiveness; 8802181
- specific reading disability; visual functions relationship; print size/luminance levels effects; normal first-grade/disabled sixth-grade readers; 8804599
- specific reading disorders, etiology concepts; physiological/behavioral factors; 8804586
- spelling ability, morphological knowledge role; learning-disabled ninth graders; Wide Range Achievement Test; 8805904
- story structure recall, hearing-impaired/learning-disabled students; pictures/story grammar use; 8809353
- stutterers, speech/language/learning problems; family members; survey data; 8809406
- stuttering children; central auditory nervous system functioning; language/learning problems; 8804578
- surface dyslexia; semantic/visual recognition systems, partial dissociation; case study; 8804600
- symbolization, developmentally disordered children's communication behaviors; echolalic/non-echolalic/mute children; 8806970
- teaching text lookbacks; mildly handicapped learners; 8807724
- textbook rewriting, secondary learning-disabled students' level; reading level reduction; 8802750
- vocabulary learning strategy effects, science concept comprehension; learning-disabled secondary students; 8809482
- "whole language" holistic language teaching approach; learning-disabled children; complementary techniques; 8809474
- word recognition abilities, reading-disabled elementary-secondary students; Wide Range Achievement Test, Stanford Diagnostic Reading Test/cloze passages; minimum competence testing implications; 8809479
- writing as notation system, learning-disabled first graders; Vygotsky's writing development prehistory framework; 8807235
- written content material comprehension; learning-disabled high school students; supplemental auditory information effects; 8802173
- ### Learning Theories
- approximative languages; learning situation differences; psychological/linguistic implications; 8805179
- Army officer reading-study skills program; learning style assessment/reading rate improvement data; 8805476
- attention/learning-disabled children, hypotheses reviewed; historical/futuristic perspectives, research background; capacity variable/control process distinction; 8804609
- avian bilingualism; human second-language acquisition parallels; 8806841
- basic literacy instruction; organic primer approach; adult learners; psycholinguistic insights; 8807614
- bilingual education, English-Spanish; Hispanic reading achievement relationship; 8802945
- bilingual memory representation; dual coding theory; synonym generation task; Spanish-English bilinguals; 8805555
- bilingualism, early/late onset; semantic interference concept formation, cognitive style; 8807955
- child language acquisition; children's individual/creative role stressed; 8802319
- child language acquisition; general introduction; 8804728
- child language acquisition; meaning first hypothesis refuted; gender/count-mass noun distinctions; 8804773
- child language acquisition; parental input/feedback role; 8802343
- child language development; syntax acquisition, word order rules; empiricist approach; comments/reply; 8802351
- Chinese as a second language acquisition, mnemonic strategies; pictograph/keyword techniques; 8807573
- Chomsky, N., modularity hypothesis; learning theory implications; 8809233
- cognitive processing; connectionist models; knowledge/learning; 8804668
- communication strategy classification; compensatory strategies; process-oriented approach; 8805200
- communicative competence, government initiatives, Great Britain; interactional framework; sociopolitical priorities/researchers' views; 8807216
- comprehension instruction techniques; theoretical bases; coaching; 8807730
- computer-aided instruction, courseware reading level; student knowledge acquisition; 8807648
- content area reading model evaluated; Peters Content Processing Model; text-dependent/-related skills; 8807642
- content reading heuristic; listen-read-discuss; "learn by doing"; 8807701
- cooperative studying; learning/teaching scripts, different effects; initial recall/learning transfer; 8807160
- cross-age tutoring; beneficial effects on tutors; theoretical considerations; 8805344
- cross-cultural/cross-linguistic education; conceptual/cultural variation; Australian/Amazonian examples; 8800390
- developmental psycholinguistics, components identified; simultaneous development; 8807145
- dreams, intensive language learning effect; pre-/postlanguage course observations; 8807522
- early reading instruction; word introduction, isolated vs in context; first graders; 8807711
- educational achievement; relaxation/visual imagery training effects; low-achieving tenth graders; 8807766
- educational technology/theory; scientific/humanistic approaches; 8807748
- English as a foreign language acquisition, learning mode effect; aural/visual modes, language aptitude; Thai students; 8807568
- English as a foreign language acquisition, new vocabulary strategies; under-achieving learners; 8807553
- English as a foreign language acquisition; reading obstacles, affective factor; native Hebrew speakers; 8802655
- English as a foreign language learning, written productions; learning processes; French sixth-grade students; 8800378
- English as a foreign language proficiency, language skills transfer program; French U business/engineering students; 8800307
- English as a second language acquisition, learning strategies; interview data; Japanese businessmen; 8807550
- English as a second language acquisition; autonomization process; intensive program described; 8807386
- English as a second language test performance, cognitive style/first-language background; South Pacific/Asian students; 8800463

- Hugo, Victor, works summarized; lexical structure/frequency class distribution emphasis; specificity, temporal/social context; 8808698
- hyperonym/hyponym semantic relationship; dialectal nature; paradigmatic/syntagmatic level; Russian material; 8801525
- Ibero-Romance word variation; phonetic structure, cross-dialectal alterations; diachronic/synchronic perspective; 8804073
- Indic vocabulary, culturo-historical stratification; word-formatational hybrids; 8801274
- "isolation" lexicographic procedure, use/value; archaic meaning recovery; 8801592
- Italian computer jargon, English terminology; translatable/nontranslatable terms; 8804032
- Japanese electronic dictionary, design implementation; 8808856
- language cultivation; monolingual dictionary role/contribution; current East German lexicons evaluation, improvement suggestions; 8808859
- Latin/Romance "foolishness" designations; language-specific formational patterns, universal human thinking traits; 8806527
- lexical category, purely morphological approach; Hungarian data; X-bar features incorporation; 8806146
- lexical comprehension; experimental data/explanatory models, logogen/cohort/trace models; 8802237
- lexical knowledge/linguistic knowledge/conceptual knowledge relationship; lexical system/mental lexicon relationship; lexical entries ordering, lemma/lexeme subsystems; 8802236
- lexical meaning inference; context role; decontextualization strategy, cohesive patterns/generalization/aspect hierarchies utilization; automatic language processing implications; 8804716
- lexical polysemy/semantic variants, langue/parole dichotomy approach; reduced sememes multiple realization; 8803297
- lexical productivity, innovative word formation, Modern Hebrew; word coinage test; undergraduates/graduates/eleventh graders; 8806529
- lexical search, native/second language; paraphrasing strategy, referring stages; 8805219
- lexical/grammatical meaning distinction, text meaning/sense; E. Yevtushenko's "Budem Velikimi" (We Will Grow Up) analyzed; 8808882
- lexical/word-formatational decorrelation, Modern Russian; etymon/decorrelate relationship/synonymy, usual/occasional decorrelates; 8803355
- lexicographic practice/grammatical research relationship; new Korean dictionary compilation; relevant topics, new solutions; 8801568
- lexicography as applied semasiology; monolingual/bilingual dictionaries, word's meaning semasiological treatment; 8804062
- lexicology/lexicography, theoretical/practical problems; prototype/frame semantics, valence theory, Finnish-German comparative perspective; 8804088
- lexicon/grammar relationship; valence theory framework; actant's grammatical structure; valence carrier's lexical meaning influence; German material; 8803334
- lexicon's semantic diversification; G. Altmann's mathematical-statistical models correction; 8805884
- Maledicta*, collected articles; verbal aggression/humor; 8804019
- military/political language use, semantic aspects; armament/disarmament terminology; 8801549
- morphologically defective Russian nouns/adjectives, unmarked case; foreign origin, assimilation process; 8806525
- Old French *gromance*, astrological term; Nicole Oresme's *Livre de Divinacions* (The Book of Divinations); origin/loss; 8801331
- Paul, Hermann, *Deutsches Wörterbuch* (German Dictionary); centennial celebration, revised edition compilation problems/principles; 8806530
- phoneme-meaning correspondence; lexicon's role; lexical information content, grammar-lexicon interaction; 8804085
- pillcock 'penis' etymology; French *piloke* (ball game) origin suggested; 8803671
- political orientation designation; 19th-century German books/newspapers analyzed; 8801586
- proverb *the big fish eat the little fish* origin/history/diffusion/function/meaning; current use, advertisements/caricatures, meaning/connotation; 8805873
- Romanian technical-scientific terminology; related issues; 8806537
- Romanian vocabulary development, Latin basis, Slavic influence; Balkan affiliation, Romanian-Western Romance difference; sociolinguistic/inner-linguistic factor's role; 8806567
- Russian *agrikul'tura* 'agriculture' / *agrokul'tura* 'agroculture', orthographic variants vs independent words; different denotats; 8806534
- Russian antithetic verbs, grammatical characterization; enantiosemy expression, typology; 8803270
- Russian as a native language instruction, lexical richness; "word-formatational paradigm" concept; 8800956
- Russian as a second language teacher instruction, East German students; attributive word group teaching method/principles, learners' tasks; 8805103
- Russian expressive-colloquial words, literary status; 8804075
- Russian language automatic database; development history/conditions/elements/chronology/tasks; 8806411
- Russian language/literature instruction; Soviet national schools, lexical difficulties; 19th-century Russian poetry obsolete vocabulary; 8805105
- Russian particle *po-*, adjective comparative degree formant; informational/communicative/coercive functions; 8800891
- Russian philosophical/sociopolitical terminology formation, 18th century; Slavic literary tradition, Western European influence; 8806280
- Russian prefixed verbs semantics, second-language instruction implications, textbook presentation; K. Gabka's/L. Wilske's *Die russische Sprache der Gegenwart. Lexikologie* (Contemporary Russian. Lexicology); 8806552
- Russian socio-ideologically differentiated vocabulary; diachronic perspective, evaluative aspect; contemporary Russian lexicon; 8804038
- Russian state designation, words, semantic/grammatical properties; semantic/morphological/syntactic features; 8803310
- Russian strawberry nomenclature, *zemlyanika* 'wild strawberry' / *klubnika* 'garden strawberry', popular vs scientific terminology, designation shift; 8808844
- scientific/technical terms formation, metaphorical transfer; lexicon stability/variation, term-formation algorithm; German road construction terminology; 8806506
- semantic unity, object-word relationship; semantic processes study, lexicographic definition value; word definition-textual figure relationship examined; 8801892
- semantics teaching, anthropocentric method; transformational/componential analyses, V. V. Morkovkin's framework; Russian as a second language, Soviet national schools; 8803294
- sentence, lexical/grammatical aspects; lexicon priority; language teaching implications; 8802506
- Slovene ghost words; 1578-/1584-Slovene-Croatian dictionaries analysis, correct forms reconstruction, related terminology; 8806541
- Soviet Russian vocabulary, post-revolutionary neologisms; thematic domains, word-formatational patterns, affixes; 8804049
- Spanish *cine* 'cinema', history/meanings/productivity; French borrowing, lexicographic treatment, compositions; 8804034
- Spanish euphemisms, use/function; social/cultural/ethical factors; 8804065
- Spanish sports terminology; correct usage, journalistic style, *Telerradio*; 8804042
- special languages/terminology research history, Germany; 8808878
- specialized vocabulary, statistical studies development; USSR/East Germany/Bulgaria, research centers/scholars/procedures; didactic frequency dictionaries compilation requirements; 8804072
- sports language/terminology; literature survey; sports vocabulary's/activities'/principles' social values; 8805956
- Standard Spanish neologisms; Royal Spanish Academy approval list, June/November 1984; 8801599
- Ster Spanish-Dutch/Dutch-Spanish dictionary, review; accuracy/completeness; errors/omissions; 8801561
- Temne (West Atlantic) lexemes, class system functioning; 8806526
- term formation, general names specialization; nominalization/contraction/metonymy/metaphorization; Russian canning industry/political economy terms; 8806528
- terminological synonymy, German electrical engineering vocabulary; causes identified; 8801582
- terminological synonymy, related problems; German automotive terminology; 8808861
- terminological systemic dictionary; compilation tasks/parameters, lexico-semantic variant notion; 8806550
- terminology formation, general-language vocabulary specialization; German data processing/computational terms, semantic/

- morphological analysis; 8801576
- theoretical lexicography, components; theoretical/historical/practical lexicography, domains; 8806556
- Ukrainian socio-political terminology development; 19th-century poets'/nationalists' contribution; Lenin's socialist vocabulary adoption; 8808870
- verb-adverb combinability, English prose/poetry/journalism, cross-style variation; 8804048
- vocabulary ideologization, French journalistic texts; social formations/vocabulary ideological connotation relationship; 8804028
- wage-dependent farm laborers designations, 19th-century Prussia; semantic/paradigmatic changes; social changes reflected; 8801565
- word desemanticization process, lexical vs grammatical item; English *thing*, grammatical functions; 8808244
- word emotivity, objective lexical phenomenon; denotative/connotative/potential emotivity; 8800941
- word formation, lexical conglomerate; autonomous principles; lexical categories combination syntax/semantics; 8804054
- word meaning change; paradigmatically/syntagmatically motivated lexico-semantic derivation; patterns/mechanisms; 8803299
- word structure, phoneme-meaning correspondence; word formation internal structure; generative/natural theory framework; 8804055
- word structure/phoneme-meaning correspondence literature; selected bibliography; 8804083
- word, lexical/grammatical meanings interaction; lexical/grammatical unit; Russian/English material; 8800824
- word's grammatically relevant features; grammar-lexicon reciprocation manifestation, internal/external interactions; 8804027
- word's inner form, definition/description attempted; Soviet linguists' work emphasized; inner form/etymology/meaning relationship; 8800962
- word's onomasiological structure change/modification; grammar effect; onomasiology/grammar interaction; 8806544
- Yupik (Eskimo) subgroups, lexicostatistical data; proto-languages splits; 8808880
- Linguistic Interference**
- accented English; Mexican-American dialect features; phonological variation; 8802910
- African English varieties; features/problems surveyed; 8808771
- Balkan imperfect subjunctive; modal particle/verb tense form combinability pattern; interlinguistic interference; 8803170
- Balkan sentence connection system; grammatical interference; connective development/use parallels/mutual influence; 8803171
- Balkan subjunctive areal typology; Bulgarian *da* + infinitive structure analysis, Balkan equivalences; interlinguistic interference; 8804121
- bilingual child language development, morphosyntactic interference; error analysis; longitudinal study; Italian-/German-speaking children to age 10; 8802946
- bilingual speech automatization/interference; modified numeral square searching/naming task, Slovak vs Hungarian; Slovak-Hungarian bilinguals aged 15-16; 8802926
- Bonin Island language situation; language contact/shift/interference/address forms; Japanese/English; 8809097
- Dutch-Turkish language mixing; Turkish children aged 4-7; interview data, structural analysis; 8802927
- English article acquisition; interlanguage article usage, pseudo-longitudinal analysis; 8805190
- English as a foreign language; compensatory strategies/cultural interference; Dutch-speaking secondary school students; 8802660
- English as a second language; syntax acquisition; Arabic-speaking children; 8805204
- English/Cantonese interrogatives; simultaneous acquisition; transfer evidence; longitudinal study; 8800083
- false friends, German-English/German-Italian lexical confusions; anecdotes; 8801454
- false friends, translational difficulties; semantic/stylistic/syntactic differences, English-French material; false friends dictionary compilation; 8808005
- foreign borrowings, German; normative codification; phonetic interference; 8803900
- foreign-language learning; interference importance; error analysis; 8805208
- foreign-language learning; pronunciation acquisition research critically reviewed; stylistic evolution/age/interference; 8803065
- foreign-language sound perception/production; native-language influence; Catalan-speaking French learners; 8805052
- foreign-language teaching; error analysis; 8802532
- French language production; immigrant children; native-language influence; 8805532
- Frisian immigrant speech, US; immigration age, generation status, phonological interference; 8808991
- German as a native language instruction, Hungary; ethnic minority mother-tongue education; error analysis; Hungarian/intralingual/dialectal interference; high school students; 8804899
- German as a second language instruction, internationalisms; negative interference/false friends, phonetic/morphological/semantic levels; Czech students; 8804976
- German as a second language, Chinese speakers; pronunciation errors; English interference; error analysis; 8800383
- German as a second language, Hungarian students; subject omission errors, linguistic interference; subject omission rules formulated; 8800339
- German as a second language, pragmatic deficits; conversational analysis; Italian migrant children; 8802599
- German as a second language, Russian students; interference errors listed; didactic practice related; 8800338
- German as a world/foreign/second/international/colonial/minority lang, diachronic/synchronic perspectives; Romance-German contacts, Belgium, lexical/morphosyntactic/semantic interference; 8806691
- German-Romance interference; Schanfigg territory, Graubünden canton (Switzerland); Walser German dialect dominance, Romance onomastic relics; 8803914
- interference; neuro-/socio-/psycholinguistic approach; main manifestations survey; 8803864
- Kimao dialect (Kiswahili); dialect status questioned; standard language interference; future prospects; 8801482
- language transfer; Navajo/Western Apache native speakers; written English texts examined; verbal modes/aspects; 8805961
- language transfer; Nigerian creative writers, English use; noun phrases/verb phrases/word formation; 8802932
- language transfer; psychotypology role; case study; 8802652
- lexical search, native/second language; paraphrasing strategy, referring stages; 8805219
- linguistic markedness; second-language learning/transfer; 8802659
- Nigerian French learners; Yoruba interference; phonological/morphological/syntactic/socio-semantic levels; 8805524
- nonstandard French phonology, Charleroi (Belgium); Walloon influences; 8803087
- null argument principles; psycholinguistic evidence; Spanish-/Chinese-speaking English learners; native language transfer effects; 8800435
- orthographic errors, Turkish/German students; interlinguistic interference; Berlin eighth graders; 8804111
- Polish/Slovak Carpathian mountaineer dialects, nasal vowels changes; internal Polish developments, Slovak-Polish interference; 8801481
- reading performance; Black English vernacular interference effects; third-/fourth-grade students; 8803950
- Russian as a second language acquisition; East German secondary school students; interlingual interference errors analysis/typology; 8800246
- second-/foreign-language instruction; contrastive analysis validity examined; word juncture phenomena; English-speaking Arabic learners; 8805151
- second-language acquisition; sociolinguistic context role; Malaysian English nativization; bilingual proficiency; 8800420
- second-language error analysis/explanation; interference/ignorance causes; 8802592
- second-language errors, transfer vs interference; English questions word order violation, Italian students; 8804985
- second-language learning; interference/error analysis; Arabic-speaking English learners; 8805193
- second-language reading process; native-/second-language reading comparison, interference phenomena; 8802528
- Spanish subjunctive mood use, Venezuelan vs Puerto Rican speakers; emotional statements, known/unknown fact; speaker's educational level, English interference; 8803429
- speech behavior change, American-Lebanese community, Cleveland, Ohio; simultaneous linguistic interference; language attrition/loss; 8809014
- speech contact; morphological realm; naturalness/interference; 8803377
- Swedish-English-German-Serbo-Croatian relative clause; formation/relativizer selection strategies; second-language learning implications, interference problems; 8808676
- third-language acquisition; native-language phonetic interference; Catalan/Castilian bilingual French learners; 8804931
- translation; transfer theory relationship/relevance; foreign-language learning implications; 8805586
- Western Romance languages, semilearned/semipopular phonetism; Latin-French/Spanish/Italian articulatory interference; 8803734
- Linguistic Relativity**
- cognitive/affective reactions; language shifts effects, Mexican American bilingual college students; Holtzman Inkblock Technique;

8802930

language-culture relationships; discourse centrality; 8801265
linguistic relativity, strong/weak hypotheses; language/cognition issues, color names; Whorfian hypothesis, counterevidence; 8801431
Newman, S.; biographical sketch; E. Sapir/Amerindian linguistics/American structuralism; 8801236
Whorfian linguistic relativity hypothesis; different languages/thinking patterns; English/Chinese speakers compared; 8801432

Linguistics, Teaching

basic phonetics instruction, microcomputer use; software package development, phonetic database; pedagogical/research applications; 8806897
Brazilian native language pedagogy; teacher training; applied linguistics role; 8807353
comparative morphosyntax; *Language Typology and Syntactic Description*; review article; 8800984
computers, linguistics instruction; interview; 8801415
Crystal, D., *Clinical Linguistics: Linguistic Encounters with Language Handicap*; review article; 8809258
English language departments; Third World Us; teaching language/linguistics/literature; 8802594
Hispanic American literature/linguistics courses; Instituto Caro y Cuervo; interview; 8801245
Hispanic linguistics; U Pedagógica y Tecnológica de Colombia Master's degree program discussed; 8807357
Hock, H. H.; *Principles of Historical Linguistics* positively reviewed; historical linguistics textbook use; 8801303
knowledge transmission, lecture summary/reformulation, theoretical linguistics students; 8804900
language dimensions, MA in linguistics, course characterization, U del Valle; interview; 8802450
language games/linguistic concepts instruction; U level, methodological suggestions; 8800177
language structure/cultural knowledge; Jacalteco/Maninka/Guugu Yimidhirr/Japanese; introductory linguistic textbook; 8809084
linguistics teaching; Amerindian students; cognitive processes; 8800025
pedagogical/universal grammar; G. A. Padley's *Grammatical Theory in Western Europe, 1500-1700: Trends in Vernacular Grammar*; 8806184
phonetic transcription; practitioners training/selection; 8804475
phonetics instruction, microcomputer use; phonetic word processing, British/US software/peripherals; 8809304
psycholinguistics textbooks; D. W. Carroll's *Psychology of Language*/H. Hörman's *Meaning and Context: An Introduction to the Psychology of Language* reviewed; 8807127
psycholinguistics; D. McNeill's *Psycholinguistics: A New Approach* reviewed; 8807133
Spanish U comparative philology programs; 19th-century; 8806196
statistics; linguistic applications; introductory textbooks reviewed; 8804872

Lipreading

formant-estimating speech processor; cochlear implant patients; lipreading/discrimination/speech tracking tasks; 8804627
hearing-impaired children's education, francophone Belgium; institutions/methods/problems; 8809361
lipreading ability assessment; continuous discourse tracking; traditional scoring procedure modified; 8804341
lipreading ability; sex differences; syllable/word/overlearned sentence recognition; 8806831
lipreading, serial recall; accompanying auditory pulse train effects; buzz-speech; 8804844
lipreading; vibrotactile aid; voicing/consonant perception; 8804628
speech perception therapy; hearing-impaired subjects; lipreading/vibrators/cochlear implants; 8804631
speechreading tests, deaf education/rehabilitation; 15 tests reviewed; colloquial language comprehension test recommendations; 8807089

Listening Comprehension

adult English as a second language listening comprehension; religious-specific background knowledge influence; 8802628
"before"/"after" event sequence comprehension, educable mentally retarded/normal children; verbal mental ability prediction, quantitative differences; 8809499
children's listening comprehension assessment; J. Piaget's framework; 7-/5-year-olds; 8804798
children's story comprehension; implied statements; listening guide; 8805271
college reading program; reading/writing/speaking/listening skills; 8805357
communicative language learning; proficiency-based testing; 8805233
content area reading/listening instruction; "whole class" techniques; secondary school; 8807702

content reading heuristic; listen-read-discuss; "learn by doing"; 8807701
Dutch foreign-language testing; secondary schools; oral/written performance; 8805238
English as a foreign/second language, paralinguistic features; G. Brown's framework utilized; second-year English students; 8804983
English as a second language instruction; E. V. Sittler's audio-immersion approach; German undergraduates; 8805108
English as a second language learners; test accuracy/self-monitoring skills; 8805216
English as a second language listening performance; text/question type effects; news broadcast/minilecture/consultative dialogue; high school seniors; 8807582
English as a second language, German high school level; radio drama production/presentation; 8802527
expectancy message effects, listening comprehension recall measures; intermediate college French; 8807308
fast mapping, novel words, oral stories; first/third/fifth graders; 8807808
foreign-/second-language listening comprehension materials, analysis procedure; task types/profiles; 8807432
foreign-language learning; error analysis; aural comprehension; Belgian English students; 8802610
foreign-language learning; spoken English comprehension; sandhi-variation/affective factors; Korean learners; 8802596
French language instruction; listening comprehension course; 8804993
French speech perception, error structure; US undergraduates; phonologically variable acoustic signals; 8807556
German as a second language instruction, Chinese students; speaking skills development, radio interview utilization; personal experience account; 8805040
German as a second language teacher training program, listening comprehension teaching methods/materials; personal experience account; 8807473
German as a second language, foreign/nonphilological students' listening/writing comprehension difficulties; 8802585
hyperactivity, activity/language; listening tasks; underarousal theory supported; hyperactive/normal preschoolers; 8804611
information retrieval, written/aural sources; normal readers aged 7-9; recall responses; 8802824
language ability; listening comprehension separateness supported; language teaching research/factor analysis; 8802606
language learning; oral comprehension program; metacognitive activity; 8805173
language teaching; listening tests; confidence rating scale; 8805138
learning-disabled children, listening/reading performance; Durrell Listening-Reading Series; children aged 9-15; 8809492
listening comprehension, test development, 1986 ACTFL proficiency guidelines; literature review; 8807581
listening comprehension, test validity; item response theory; literal vs interpretative understanding; 8807580
listening/reading methods; implementation guidelines; 8802729
native-/second-language listening comprehension; cohort model; C. J. Koster's/J. F. Matter's/A. J. A. Meijers's works reviewed; 8800373
native/nonnative speakers' listening approaches; English learners; following/understanding; 8807566
oral language comprehension, mildly retarded children aged 6:5-9:6; "0-52" Test; lexical/cognitive deficits; 8804745
oral/written language comprehension; processing strategies, constraints, perceptual/cognitive aspects; 8804894
progressive achievement tests, discriminant validity/factorial structure, reading comprehension/vocabulary/listening comprehension; 8805495
reading comprehension theory/practice, theoretical debates, commercial reading program analyses, evaluative research emphasized; 8805436
reading comprehension; listening comprehension training effects; seventh-grade students; 8802774
reading/language treatment, integrated approach; listening-/language-disabled second graders; 8807732
reading/listening comprehension, prior knowledge vs new topic-related information; stringed musical instruments, Western vs Eastern hemisphere; multiple-choice test; seventh/eighth graders; 8807806
remedial reading instruction; critical listening/critical reading; 8807625
second-language acquisition, listening comprehension; auditory cloze exercises; 8807503
second-language comprehension; interactional modifications role; English learners; 8802639
second-language comprehension; memory factors role; comprehension/reasoning/memory test battery; bilingual Chinese-English U stu-

- dents; 8805150
- second-language instruction, listening comprehension teaching; pedagogically authentic materials; 8807441
- second-language instruction, listening comprehension teaching; receptive skills priority/acquisitional precedence, theses; 8807382
- second-language instruction, listening comprehension training; historical background; seminar papers presentation; 8807486
- second-language instruction, listening comprehension/speaking integrated teaching, learning materials samples; Dutch high school level; 8807449
- second-language instruction, listening comprehension; instructional reading model adaptation; 8804988
- second-language instruction, listening comprehension; methodological suggestions; 8807401
- second-language instruction, listening comprehension; strategies/didactic organization; 8807487
- second-language learning; children aged 3-5; intelligence/parent attitudes/motivation/age/sex influences; 8802646
- second-language learning; teacher's reading aloud effects; reading/listening comprehension; Hispanic English learners; 8805205
- silent reading; prosody, cognitive role; isochronous speech rhythm/linguistic processing; 8802825
- Literacy**
- Adult Basic Word List, illiterate adult learners; most frequently used words; 8807755
- adult language education, language choice factors; Kwaio (Austronesian)/Tzeltal (Mayan) data; B. Spolsky's/P. Irvine's criteria; 8809059
- adult literacy campaign, Great Britain; literacy as basic right, literacy education approaches; 8802673
- adult literacy development; child/adult differences, implications; participative methodology suggested; 8807637
- adult literacy education; international trends/approaches, "functional illiteracy"; programs reviewed; 8805253
- adult literacy programs, meaningful writing lack; writing instruction integration, activities suggested; 8805251
- adult literacy, developmental process; "functional literacy" instruction inadequate; 8807597
- adult reading programs, nontraditional approaches, teacher preparation; reading proficiency decline, causes/intervention techniques; 8805248
- age of information, universal literacy role; 8807672

- Literary Theory**
- 20th-century poetry, "traditional humilities"; critical approaches; 8809166
- anamorphic naming, Shakespeare's *Twelfth Night*; Malvolio's self-distortion/self-fashioning; 8808821
- Anandavardhana's *Dhavanīyāloka* examined; *dhvani*/lakṣhaṇā concepts discussed; 8801799
- "anti-novel," theoretical construct; contemporary narratology issues;

- Ben Stoltzfus's *Alain Robbe-Grillet: The Body of the Text* reviewed; 8806850
- Bakhtin, Mikhail M.; prose theory semiotic interpretation; Charles S. Peirce's/Max Bense's frameworks; 8801911
- Barbu, Ion; poetic credo; 8806804
- Brøndal, V.; literary/semiotic studies; linguistic signs/grammar; 8801226
- Bulakhov's'kii, L. A.; artistic literature language studies; 8808553
- Bulakhov's'kii, L. A.; investigator/poet; Schevchenko's poetry, creative approach; 8808556
- Bulakhov's'kii, L. A.; Literary Russian history studies/publications; 8808559
- Carpentier, Alejo, *Los pasos perdidos* (The Lost Footprints); epigraphs, metalinguistic/poetic role; 8801819
- character; literary concept; Portuguese word *personagem* 'character', historical evolution; 8801574
- communication/dissimulation, Russian texts/subtexts; *Language and Literary Theory* critically reviewed; 8803400
- contemporary prose nonlinearity, M. M. Bakhtin's "polyphony" notion; text producer-recipient multiple relationships; English material; 8808319
- context-based language study; language learning/discourse analysis/grammatical theory; 8808409
- de Ercilla, Alonso, *La Araucana* (The Araucanian); poetic/historiographic features; Roland Barthes's framework; 8801858
- discourse/literary discourse, synthetic viewpoint; main elements, typology; 8805982
- dramatic character names, plays' themes relationship; Shakespeare's *Hamlet/King Lear/Macbeth*; 8808803
- dramatic language/text, metatextual/referential functions, textualization levels; French/Italian plays; 8806800
- Dudhanath Singh's *Duswapna*; point of view use; narrative semiotics; 8801009
- East Slavic philological controversies; 14th-17th centuries; national languages' literary function/status, creative freedom, Old Church Slavonic/Latin/Greek role; 8803708
- English aspectual distinctions; discourse functions/local context; V. Woolf novels examined; 8805987
- experienced speech; structural elements' communicative-poetic functions; East German literature; 8806037
- fictional character's linguistic behavior, translation problems; Lotario's (*Don Quixote*) Spanish expression/Dutch rendition; 8809171
- free indirect discourse referential functions, referent typology; D. H. Lawrence's *The Rainbow* analyzed; 8806058
- Gracián, B., conceptist literary theory; fundamental component revised; 8809183
- "hypersigns," literary significance unit; intertextual/intratextual types; 8806858
- implicit language use; literary characters' communication skills, indirect/ceremonial interaction; 8806817
- indirect/experienced speech/thought, text-stylistic phenomena; definition/poetic/linguistic description; A. Steube's linguistic description critically examined; 8806781
- language, nature/communicative functions; Dante's *De Vulgari Eloquentia* philosophy, *Inferno XXXI-XXXIV* use; 8809189
- language/literature relationship; fictional discourse; 8801868
- Latin litotes; negatio contrarii, syntactic/semantic/pragmatic properties; functional grammar analysis; 8808147
- literary analysis; modal semantics relevance; U. Eco's *The Name of the Rose* examined; 8805974
- literary criticism; social text/unconscious; poetry/film/narrative/cultural materials; 8809181
- literary genre theory; analogies role examined; pluralistic approach advocated; 8804332
- Literary German post-1945 development; chronological stages/literary trends; 8806811
- literary language/artistic style/translational activity, primary/secondary communicative spheres, borrowings; 8809153
- literary meaning; opaqueness/discontinuity/fictivity; author-/language-oriented theories integration; 8801867
- literary prefaces; critical/rhetorical function; silence, ideological implications; 8801861
- literary quotation, characteristics; pragmatic analysis; language norm/usage relationship, literary vs natural language; 8801079
- Literary Russian development, 18th-century vernacular/Church Slavonic relationship; Feofan Prokopovich's *Istoriya Petra Velikogo* (The History of Peter the Great) editions analyzed, grammatical/lexical norm changes; 8808661
- literary stylistics; structural parallelism; C. Meireles's chronicle "Arte de ser feliz" (Art of Being Happy) analyzed; 8809156
- literary texts as closed system; reading processes equifinality; 8802851
- literary texts; systemic nature; nonsummativity/indeterminacy distinguished; 8806072
- literary texts; verbal/aesthetic dimensions; Punjabi poem analyzed; 8801806
- literary thematic elements; semantic analysis; Shakespeare's sonnets; 8801841
- literary theory, semiotic "deconstruction"; P. de Man's works outlined/critiqued; 8801930
- literary theory; character's language; textual analysis; 8801866
- literary translation difficulties; language/culture familiarity importance; French examples; 8808019
- literary translation, prerequisites; process characterization, "polysemic message monosemization"; 8803008
- literary translation/general translation theory relationship; artistic/aesthetic/creative components; 8805600
- literary translation; productive nature; textual indeterminacy; 8807989
- literary work translation/interpretation; Robert Musil's *Triedere*, polysemic structures, French/Dutch renditions; 8806799
- literature, pragmatic approach; literary convention explicitness; 8809187
- literature/literary text/language notions ambiguity; empirical-culture specific definitions; 8806787
- Marinetti, F. T.; Italian futurism; syntax destruction/onomatopoeia/typographical innovation; 8801862
- master-servant relationship; 19th-century French novels; communication modes studied; 8804338
- metaphor, communicative risk-taking; cline of metaphoricity, specific lexical items; 8809185
- metaphor; neurological basis; neural holography/physiognomic representational schemas/semiotic mechanisms; 8806849
- metaphor; universal unity/similarity; 8801802
- names, Shakespeare's *Antony and Cleopatra*; literary/dramatic functions; 8808830
- narrative techniques, French/Romanian modern prose; person-time-narrative plane relationship, cohesion/coherence problem; chronological/achronological narrations; 8804336
- narrative text's *quaestio*, term definition; text's organization/structure constraints/restrictions; 8801048
- narrative/translational situation, authorial vs personal narrative; rendition problems, writer/text/reader relationship; 8806816
- New Testament exegesis, reader-addressee distinction, reception theory framework; 8806078
- null morpheme treatments reconstruction, linguistics historiography; deconstruction approach, literary-theoretical hermeneutic device; 8806170
- oral-written transitional literature, genre examination; technical/social/literary aspects; A. Kiterenza's *Bwana Myombekere na Bibi Bugonoka Ntulanalwo na Bulihwali*/E. Kezilahabi's *Rosa Mistika* compared; 8801797
- oral/written discourse, first-person narrator's referential status, non-verbal vs verbal referential function; 8806107
- "park," text meaning category; phenomenological/semiotic/text-linguistic framework; music/literature/jurisprudence domains; 8801919
- poem linguo-stylistic analysis, analytic procedure; Bobrowski's "Sprache" (Language); 8806814
- poetic communication, comment's metacommunicative function; Günter de Bruyn's *Märkischen Forschungen*; 8809145
- poetic figure/text, criteria/model, Romanian material, M. Eminescu's poetry, linguistic/poetic norm relationship; 8806801
- poetry as verbal detour, M. Riffaterre's poetic interpretation theory; 8806777
- poets'/writers' metalinguistic reflection linguistic value, poetics/stylistics theory; Paul Valéry's/Christa Wolf's language conceptions; 8806880
- Propp, V. S.; folktale structure; tale roles/characters; 8801864
- reading process; ethical obligation; literature, social function/deconstructive reading; 8800530
- reading process; text-/reader-based concepts; literary theory parallels; 8800524
- reading/literary theory relationship, reader-text-writer; perception modalities; social institutions role; 8801863
- reading/writing as translation concepts; J. Joyce's *Finnegans Wake*, Italian translations/rewritings; 8805566
- Segre, Cesare, *Avviamento all'analisi del testo letterario* (Introduction to the Analysis of Literary Texts); literature as communication; 8805994
- semiotic poetic theory; plastic text extensions; 8809211
- sentence/text/literary work; theses formulated; 8805957

- settings, story introduction; arbitrary literary convention vs cognitive necessity; 8809184
- Shakespeare's Italian sources; vocabulary/rhetoric/context/parallel passages; Tasso/Petrarch evidence; 8809182
- society/knowledge; rhetorical structure; political/scientific discourse; 8806640
- sociolinguistics, language as ideological manifestation; critical theory; literature/science language difference, language as domination instrument; 8804237
- Spanish article; pragmatic-linguistic analysis; G. de la Vega's "Canción V" (Song 5) analyzed; 8808332
- speech genres; utterance/text/literary discourse; 8806118
- story discourse, pragmatically defined constraints; interactions sequence; 8803292
- subjectivity, E. Benveniste's notion; ordinary language, active metaphors; 8804361
- subjectivity, first-person poems; speaker/subject creation/reading strategies; G. M. Hopkins's "Thou Art Indeed Just Lord .." analyzed; 8804302
- Terenci Moix, *Nuestro Virgen de los Mártires* (Our Lady of the Martyrs); linguistic anachronisms, stylistic effect; 8809164
- text analysis, F. Sabino's "A Culpa da Sociedade" (Society's Fault); narrative structure/meaning levels/semic relations; 8801003
- text interpretation; created context role; poetic language; 8801845
- text meaning interpretation, deconstructive approach critiqued; textual strategy-reader initiative integration proposed; comment, hermeneutics/deconstructivism similarities; 8801012
- text sequence structure; coherence factors, configuration components; 8805954
- text-related special vocabulary, foreign-language instruction; didactic relevance questioned; 8807500
- textual categories; literary texts/metatexts; 8803465
- The Text and Its Margins: Post-Structuralist Approaches to Twentieth-Century Greek Literature*; review article; 8808410
- tropic theory; narrative discourse analysis/phenomenology of language; metaphor/metonymy/synecdoche; 8803457
- Vargas Llosa, M., "La tía Julia y el escribidor" (Aunt Julia and the Scribe); C. Duchet's socio-critical analytical method applied; 8809188
- Villena, L. A. de, *Huir del invierno* (Flee from the Winter); lexical richness/poetic creativity; 8809186
- Logic of Language**
- analogy/induction/deduction/abduction, semiotic interpretation; M. Bense's framework; K. Gfesser's "Die alltägliche Argumentation: Analogie und Induktion" (The Daily Argumentation: Analogy and Induction) supplemented; 8809228
- anaphoric pronouns use; speaker/hearer attention split, focus factors; 8800805
- Ancient Greek causation expression, lexical means; logic/language relationship; 8804056
- argument recognition; linguistic dependent/independent skill; Groninger Intelligence Test; Dutch advanced elementary students aged 13-15; 8801127
- argumentation; rhetorical/technical logics relationship; narrative rationality; 8801948
- automatic text correction, linguo-logical vs theoretical-informational approach; associative-successive decoding effectiveness; 8806405
- Carnap, R., *Der logische Aufbau der Welt* (The Logical Structure of the World); objections refuted; 8804385
- causal relations verbalization; functional-communicative language description framework, German conjunctions *also* 'thus'/'*deshalb* 'therefore' semantics/logic; 8808325
- conditionals, *modus tollens* analysis; counterexample refuted; 8809231
- contrast principle; children's language learning behavior; different words/different meanings; 8807212
- conversation; implicature/relevance/logic; 8806077
- database semantic information content measure; Yu. Shreder's/Y. Bar-Hillel's/R. Carnap's approaches, R. Benerdzhii's ambience model; 8803840
- definite reference; computational solution inadequacy; linguistics/logic; 8804404
- definition, logical/linguistic components; logical criteria, linguistic realization; Russian material; 8800859
- discourse representation structure construction algorithm; Hans Kamp's discourse representation theory, PROLOG implementation; 8803829
- Dutch *deelwoordenjammer* 'participle jammer'; imposed prescription/genuine grammatical rule; prescription/rule distinction criteria proposed; 8800800
- English change expressions, logical-semantic structure; explicit/implicit realizations, causative/noncausative types; 8805868
- English nativization; linguistic transfer/bilingualism/systematic deviation; second-language teaching implications; 8804234
- English NP-*be*-NP tautologies; semantic information contribution; 8808231
- English sentences; intensional contexts/logical entailments; new intensional logic; 8806884
- explanation structure; deterministic/voluntaristic; contextual/interactive logic; 8801968
- formal semantic theory; critical overview; 8801191
- formal syntactic theory; mathematical linguistics/natural language context-freeness; 8808505
- Frege, G., triadic sign conception; arithmetics formal logic; repertoire importance; 8806859
- game-theoretical semantics, truth-definition; classical first-order logic; 8809244
- genus/species synonymy; A. B. Shapiro's claim contested; logical/denotative similarity confusion; 8803330
- German grammatical paradoxes; natural phenomena, form-content asymmetry; 8800844
- grammar, *Encyclopédie* (Encyclopedia) articles, theoretical foundations; typologies, general grammar, grammatical analysis model; 8809253
- grammatical logic approach; English *if*-sentences, antecedents/consequents; 8804383
- Hornstein, N.; quantifier typology; J. Hintikka's objections answered; 8803535
- human language origins/development; meaning, evolutionary theory; 8801196
- identity; necessary/contingent propositions; logical quantifiers/modal concepts; 8801961
- interpersonal symbolization; semiotic perspective; object relations, psychotherapeutic applications; 8804356
- judicial sentence, normative meaning category; formal deontic representation proposed, semiotic-philosophical framework; 8801047
- language study cognitive approach; computational linguistic/artificial intelligence research; knowledge representation; 8808492
- language, informative aspect; language symbolic nature/information transfer capability relationship, "logos distinction," natural/artificial language; 8804415
- language/logical-methodological analysis; new subjective semantic perspective, descriptive/explanatory effectiveness; 8801959
- languages' incommensurability/incomparability; internal/external subject matter; 8804392
- lexical meaning inference; context role; decontextualization strategy, cohesive patterns/generalization/aspect hierarchies utilization; automatic language processing implications; 8804716
- logical inclusion abilities development; age factor; pair selection task; preschool/elementary school children, adults; 8804747
- logical semantics; linguistic expressions categories, denotations structure; generalized quantifier perspective; 8800949
- meaning/reference/truth/natural language; G. Kleiber's *Problèmes de référence: descriptions définies et noms propres* (Problems of Reference: Definite Descriptions and Proper Names)/R. Martin's *Pour une logique de sens* (Toward a Logic of Meaning) review/outline; 8805851
- modal logic content semantics; Yu. V. Ivlev's *Soderzhatel'naya semantika modal'noy logiki* (The Content Semantics of Modal Logic) review/outline; 8805865
- modality, linguistic/logical notion, integrative approach; J. Hintikka's possible world semantics framework; 8805858
- model-theoretic semantics; logical truth/logical consequence relation; 8805843
- model-theoretical semantics; logical truths class; necessity properties exemplification; 8804402
- Montague grammar; recent work reviewed; natural language quantifiers/question semantics/surface syntax; 8801198
- national language logical analysis, Moscow U conference, 1985; 8804396
- natural language intensional contexts semantics; game-theoretical approach; 8803332
- natural language propositional structure; predicate logic framework; formal semantics logical relevance; 8806419
- natural language quantification; generalized quantifier model; 8808447
- natural language; logic relationship; logical/syntactic tree structures; 8804411
- natural/computational language units correlation; conjunction/disjunction as linguistic/logical operators; natural-to-formal language translation problems; 8803859
- Peirce, C. S., predicate logic contributions; "ampheck"/"dart" functors; 8801900

- performative verbs' meaning/denotat; denotative element presence/absence, semantic invariant; G. Frege's framework; 8803481
- phonetic phenomena, formal-logical explanation, mathematical modeling; 8808717
- Portuguese apparently synonymous structures; Rodolfo Ilari's account critically examined; radical pragmatics approach; static/dynamic interpretation distinction, gestalt theory; 8805880
- possessivity, syntactic realization typology; Indo-European *be/have*-languages classified; 8801456
- Prawitz, D.; logical consequence notion evaluated; M. Dummett's meaning theories compared; 8801955
- probabilistic semantics; history sketched/absolute comparative model developed; 8804408
- "proposition," 18th-/19th-century Russian grammarians' conceptions/definitions; M. V. Lomonosov/A. A. Barsov/L. H. Jakob; western grammarians'/logicians' influence; 8803584
- proposition-event/fact-event conceptual pairs; semantic analysis; proposition/event/fact differences; 8804369
- propositional attitude verbs, semantic analysis; various theories; transparent intensional logic system; belief reconsidered; 8803315
- propositional attitudes; modal logic problems noted; possible remedies suggested; 8805879
- psychological attitudes; meaning, split approach; S. E. Boër's/W. G. Lycan's *Knowing Who* critically examined; 8805894
- rational argumentation, science theory relationship; influence, social-psychological theories; 8803418
- recursion, semiotic interpretation; Max Bense's framework; 3.1 2.2 1.3 as recursive semiotic definition; 8801901
- referential/nonreferring expressions; sentence truth; U. Blau's model justified; 8806154
- Romanian coordinative structures, treatments/classifications survey; tripartite system proposed; 8800880
- Romanian coordinative structures, tripartite system; copulative/oppositive/conclusive coordination; 8800881
- Russian communicative procedure "proving", linguistic realization; cause-effect relation syntax; 8806004
- Russian link-words, semantics formalization; particle *zhe* meaning, anaphorically related use; 8803317
- semantic interpretation, formal theory; topic-focus articulation/simple structures; intensional logic/tetogrammatical representations; 8800935
- semantic interpretation; linguistic form/constraint propagation; situation schemata; 8806866
- semantics/syntax relationship; judgments/concepts logic, reciprocity; 8801964
- Seuren, P. A. M., *Discourse Semantics*; review article; 8803471
- Sprachdenken* (language thought), language-philosophical concept; experience/knowledge/language relationship mobility, language change typology; 8804395
- story semantics, "the story says that" operator; implication semantics; 8800914
- systemic classification; property combinations, implication/incompatibility; generalized atomic formulae lattice; 8808711
- tautologies/contradictions; children's perceptions; semantic/cognitive explanations; 8802344
- transcendental formal logic, R. Carnap's/L. Wittgenstein's views; "metasystematic" concept; 8804407
- transformational-generative grammar, mathematical-logical substratum; N. Chomsky's extralinguistic experience; 8806114
- why*-questions; semantic analysis; explanatory theory; 8805861
- Wittgenstein, Ludwig vs. analytic philosopher, logical/daily language analysis, *Tractatus* vs. *Philosophical Investigations*; 8804373
- written argumentation instruction; foreign students, France; 8804945
- ### Logical Form
- action sentences, logical form; Davidson's account critically examined; 8806882
- comparative syntax; language universals; passive/grammatical relations/accessibility hierarchy; 8806428
- English control verbs; interpretive analysis; lexical features/logical form rules; 8806159
- German word formation logical form; word formation morphology/semantics interpretation; logical form derivation process outlined; 8800968
- Hausa (Chadic) topicalized constructions; focus construction differences; base generation/logical form binding approach supported; 8803196
- Hindi-Urdu relative clauses; movement optionality/multiple clauses scope/government relations; logical form movement; 8803161
- Hungarian syntax; government-binding analysis; configurationality parameter; 8803200
- Japanese multiple *wh*-constructions; syntactic properties; *naze* 'why' questions; 8808203
- language philosophy; truth-theoretic semantics; W. G. Lycan's *Logical Form in the Natural Language* critically reviewed; 8806879
- modal adverbs; linguistic function; logical form/semantic interpretation; 8803524
- quantifier scope; multiple quantification sentences/resumptive quantifiers; 8808479
- wh*/quantifier interactions; logical form/surface structure/scope representations; R. May's/E. Williams's theories; 8803546
- ### Long-Term Memory
- fluent conduction aphasia; information retrieval strategies; verbal/nonverbal pathways; Chinese case; 8802421
- free short-/long-term recall; items number/organization degree; German adults; 8804684
- input modalities effects, long-term retention; incidental learning procedure; auditory presentation, vocalization; 8804825
- long-term prose retention; schematic/proposition-specific processing effects; 8800126
- narrative recall; J. Mandler's/W. Kintsch's text models compared; immediate/delayed protocols; 8800114
- prose memory enhancement; metaphor effects; positive memory strategies; immediate/delayed recall; 8800133
- reading achievement; afternoon instruction effects; long-term memory; beginning readers; 8802809
- remedial readers, poor long-term memory, basic sight vocabulary; cerebral hemisphere functioning/coordination; 8802865
- Russian as a second language acquisition, sentence retention/recall; presentation medium/mode effect; short-/long-term recall tests; East German undergraduates; 8800413
- Russian as a second language, East German students, vocabulary teaching; visual presentation mode effect; 8802522
- text reading/recall psychological aspects; information size/type, selective attention/retention/reproduction; literature survey; 8805477
- word memory traces; semantic structure; noun recognition experiments; 8804702
- written prose information recall; pictures' effect assessed; 8800112
- ### Machine Translation (see also Translation and Interpretation)
- automatic speech recognition; artificial intelligence component relevance; related problems addressed; 8806414
- automatic text processing/translation, English *it* anaphoric use automatic recognition, rules formulation/testing; technical texts; 8808716
- automatic translation methods; SYSTRAN/ARIANE/"third generation" systems evaluated; 8800688
- automatic translation, specialized texts; pedagogical application; 8800656
- automatic translation; LOGOS system; comparative grammar/interlanguage; 8802958
- automatic translation; program development; lexicon establishment problems; 8802976
- bi-text, translation theory concept; components, computer implementation; 8805579
- complex English nominalizations; machine translation; nominal/verbal syntagms; 8805606
- computational dictionary formalization, dynamic component's relevance; K. Koskeniemi's two-level model; morphological information; 8803810
- computational linguistics; natural language processing/linguistic theories relationship; unification grammars; 8808498
- computer modem, translator use; France survey; 8800685
- computer translation; Tucano text/Tuyuca output; computer-assisted dialect adaptation program; 8800629
- computer-assisted translation, German subordinate clauses; tree structure analysis; 8808196
- computer-assisted translation, technical texts; problems; 8800693
- computer-assisted translation; development obstacles; 8800670
- Distributed Language Translation project, modified Esperanto as mediating language; 8808691
- Distributed Language Translation system, Esperanto modification/application; project's achievements/prospects; 8808721
- English causative verbs; computational lexical synthesis; word formation rules; 8806417
- English interrogative sentences, Malay translation; machine translation system development; 8807994
- Esperanto, machine translation use; expressiveness/formal regularity features; 8808026

- EUROTRA machine translation, European community; general formal framework, dictionaries, German/English/Danish; 8808709
- EUROTRA, European Community project, origin/objectives/work progress; 8803816
- EUROTRA, European Community project, origin/status/interface structure; 8803815
- EUROTRA, European Community project; dictionary task force; 8803834
- EUROTRA, European Community project; German component syntactic part, constituent/relational structures; transformational/valence theory framework; 8803846
- EUROTRA, European Community project; nouns' semantic valence; eclectic approach; 8803852
- GRADE, machine translation software environment; grammar, rules, dictionary databases; 8805595
- human-machine interface, natural language dialogue; current approaches survey; menu method; 8803860
- international scientific communication; English role; multilingualism advocated; 8801501
- international scientific communication; Esperanto use potential; computer translation/international conferences; 8801507
- Lem, Stanislaw, science fiction short stories; M. Kandel's English translations; structural/lexical correspondences; machine/human translation; 8800660
- Logos machine translation packages, company's history/vicissitudes/optimistic future; software description; 8808007
- machine translation systems demonstration, sellers' ruse detection/avoidance; 8807991
- machine translation, US/Canadian businesses; current projects/technologies; 8802957
- machine translation; evolution, current operations; 8800689
- machine translation; historical/linguistic/social contexts; 8800659
- machine translation; lexicon management system; analysis/concept lexicons; 8800667
- machine-assisted translation systems; evaluation methodology; 8800639
- machine-generated translation; uses/limitations; writing, semiotic concept; 8800633
- machine/machine-assisted translation; various systems examined; 8800664
- METAL English-to-German translation system; first report; 8802988
- NABU natural language processing system; machine translation application; 8803849
- natural language parsing; linear surface structures, hierarchical semantics; left-associative grammar, NEWCAT parsing algorithm; 8806137
- natural language processing; integrated knowledge representation system; nonpropositional meaning encoding; machine translation; 8801414
- natural language, computational analysis; statistical/mathematical/morphological approaches' shortcomings; semantically based solution proposed, LIMAS II project; 8806409
- personal computer-assisted linguistics, text/word processing; speech synthesis/analysis; 8808708
- referent grammar, computer analysis/generation/translation; generalized phrase structure grammar basis; 8808508
- Renaissance texts; translation support package; Italian/Latin/Spanish sources; 8800635
- Soviet translation theory, history outline; contributors/conceptions/projects; 8803001
- subworld concept lexicon, lexicon management system; machine translation application; 8808713
- technical terminology translation; computer assistance; 8803844
- technical terminology/translation; major issues; 8800687
- technical translation; problems/solutions; computerized translation aids; 8802966
- translation science; adequacy/objectivity/justification difficulties; subjective/stochastic/decision-making process, machine translation algorithms; 8803011
- translation, computer software/user documentation; problems outlined; 8808014
- translation, computer-aided terminological data bank use; hardware/software; programs structure/organization; 8803000
- translation; human/machine differences; automated systems, new applications; 8800679
- translation; machines vs humans; 8805573
- translator workstation, English-Malay project; features described; 8803855
- Markov**
- conversation; sequential structure/speaker turn management; Markov process model/conversational exchange analysis; 8806095
- isolated prosodic patterns recognition, Hidden Markov Models' application; recognition rate tests; male/female speakers; 8809299
- Martinet**
- Central Yiddish vowel system; segmental/prosodic characteristics; diachronic/synchronic analysis; 8803053
- Masking (see also Auditory Masking)**
- American Sign Language signs intelligibility; spatial frequency band filtering effects; 8801877
- masking level differences, stutterers/nonstutterers; synthetic sentence identification tasks; auditory processing ability continuum supported; 8802129
- semantic priming; lexical decision task; word masking; word recognition/interruption masking theories; 8800050
- signal detection, word superiority effect; word/nonword stimuli, visual masking; word recognition/information processing implications; 8807156
- Mass Media**
- advertising texts, psychosemiotics; iconic/verbal/denotative/connotative reading/decoding; sex/sociocultural background/cognitive style; embedded figures test; 8805461
- advertising, commercial language, art/poetry references; semiotic analysis; 8806857
- African televised education; Ivory Coast; 8804165
- ambiguous newspaper headline comprehension; syntactic/problem-solving hypotheses; 8802393
- anthropological research, film use; written text support; 8806226
- Austrian presidential election debates; national socialism issue, taboo topic; qualitative/text-linguistic analysis; 8801086
- Austrian TV news reports' objectivity/bias; 1986 presidential campaign, K. Waldheim defense; syntactic/semantic strategies; 8801100
- Canadian broadcasting; official language minority services; P. Juneau interviewed; 8806766
- Canadian education; TV use/satellite broadcasting; 8804170
- Canadian linguistic minorities; media service problems; community radio station solution; 8806746
- children's bilingual TV programs; North American situation; 8808985
- college study skills instruction; news magazine use; 8807665
- communication research, code/rule distinction; encoding/decoding implications; literature review; 8808951
- communication rules, *Donahue* TV program discourse; ethnographic study; 8808946
- contemporary Spanish press; economic vocabulary; English influence; 8803896
- Egyptian village; social organization/communications relationship; kinship structure/mass media; 8801682
- English advertising language, hard- vs soft-sell; language use/function difference; 8804167
- English advertising, Indian press; clause structure analyzed; 8801674
- English advertising; linguistic features; 8801671
- English as a second language, German high school level; radio drama production/presentation; 8802527
- English language teaching; newspaper use, Pakistan; error analysis, nativized Pakistani English; 8804921
- English-language advertising texts analysis; implicit/explicit hyperboles; 8804168
- foreign-language instruction; TV programs use; message functions; 8802535
- francophony; international press approaches compared; 8804282
- French cinematographic vocabulary development; English borrowing/neologism roles; 8804068

- typeset line length/text readability; Starch scores, advertisements; 8800532
- visual anthropology; film project; linguistic models; 8806699
- word learning/TV viewing; age, word type effect, preschool children aged 3/5; 8804794
- ### Mathematics
- arithmetic story problem solving; reading instruction model; 8807725
- computer technology applications, mathematical model; grammatical analyses; 8806427
- English-Russian mathematical logic terminology, comparative analysis; criteria/principles, applicability, quantitative approach; 8803801
- English-Russian mathematical texts; sentence length/type, terminological saturation, nominative peculiarities; 8803799
- Frege, G., triadic sign conception; arithmetics formal logic; repertoire importance; 8806859
- international terms, static/dynamic aspects; normalization/assimilation, Russian mathematical texts analyzed; word formation, source languages; 8803800
- math story problems, analysis/instruction, verbal reasoning; SQ3R/inference awareness, teacher preparation; 8804897
- mathematical English, syntactic peculiarities; German equivalents; 8803175
- Mathematical Vocabulary Reading Inventory; concepts/vocabulary testing; first-third grades; 8807867
- natural language, computational analysis; statistical/mathematical/morphological approaches' shortcomings; semantically based solution proposed, LIMAS II project; 8806409
- problem-guided reading, college math-related courses; problem-solving emphasis, mathematics texts; 8805324
- reading/spelling/math achievement; intelligence relationship; distribution "hump"; reading failure nature; 7-, 11-, 13-year-olds; 8805473
- superordinate category classification, semilattice representation; theoretical foundation, psycholinguistic concept analysis, mental testing

- similarities; 8804656
- transformational-generative grammar, mathematical-logical substratum; N. Chomsky's extralinguistic experience; 8806114
- Meaning**
- αἰτίον* 'part of a loom'/Πέρερον 'tight rope' etymologies/meanings; 8806291
- action, conceptual representation, meaning production; legal philosophy/theory relevance; 8807147
- adjudication; semiotic explanation proposed; rule-text/deictic sign resemblance; 8809202
- Akkadian verbless clause; stative/predicative forms, morphology/meaning; 8800796
- ambiguity access; context-sensitivity; cross-modal paradigm/lexical decision; 8807194
- ambiguity processing; context-sensitive parallel access model supported; ambiguity detection task; 8807291
- ambiguity processing; meaning frequency effects; sentence contexts; 8802275
- ambiguity; analytic/introspective criteria discrepancies, truth conditions; 8808233
- ambiguous word activities; learning-disabled adolescents; vocabulary training study; 8807066
- ambiguous word processing; eye movement evidence; exhaustive access model supported; 8807815
- ambiguous words; dominant/subordinant meaning processing; hemisphere roles; 8802420
- Amoy Chinese bound morpheme *á*; syntactic/semantic/phonological properties; 8800768
- anonymous adjectives' unmarkedness; affective meaning role; M. Ljung's hypothesis rejected/D. A. Cruse's statement modified; 8805854
- Arabic new term coining; derivation/archaism revival/borrowing; 8800628
- Arabic proverbs; semantic taxonomy; young adult males' pile sorting; 8803322
- Arabic/Hebrew particle *wāw*, meaning/syntactic function; grammarians' prescription/speakers' intuition; 8800743
- Argentine Spanish suffix *-ero* usage, effective adjective formation; 8805940
- attributive relation semantics; individual-/general-reference sentence, cause/condition meaning; German material; 8808264
- Azerbaijani terminological compositions, semantic typology; 8805882
- Baghdad Arabic consonants [q]/[k] co-occurrence; later "sophisticated" additions, abstract meanings; 8803926
- Bengali morpheme *tā*; semantic/morphological functions, connotative/identifying values; 8800905
- Boccaccio/Chaucer; religious/sexual language, ambiguous use; 8804335
- Brabant family name *Scheurweg*; *sheur* 'cleft/split', *Scheurweg* 'cleft bread'; 8803986
- British Isles toponyms, meaning reconstruction; toponym-formational elements; principal Celtic/Roman/Nordic/Norman/Anglo-Saxon toponym meanings reconstructed; 8801524
- Bulgarian ship-building terminology; Russian/English/German/French data compared; structural-lexical meanings, full/partial equivalence; 8803794
- Bulgarian toponyms, *Pirgovo/Pirgos/Pirgica/Pirgulja* origin/meaning/structure, Thracian source; 8806353
- case, semiotic interpretation; sentence meaning, case frame, cognitive competence; German surface/deep case; C. Fillmore's case grammar outlined; 8801923
- Castilian Arabic medical terms, etymology/meaning; A. Steiger's interpretations corrected; 8803760
- Central Cuba Spanish Bantu items, semantic changes, lexicographic vs Cuban meaning; 8803918
- Chaucer's poetry; syntactic patterns/vocabulary connotations, stylistic effects; 8809139
- children's comprehension-monitoring skills, literal meaning apprehension; first graders; literal/speaker meaning relationship; 8802289
- children's modal meaning acquisition; card sorting research method; adults/children aged 8,12; 8807213
- children's word learning; fast mapping strategy; color/shape/texture words; 8801634
- Chinese sentence-final particles; speaker's addressee-related attitude; mode-variable/mode-fixed types; 8800749
- clausal form/quantifiers, natural language; donkey sentences problems; sentence meaning representation; 8803529
- computational language analysis; meaning classification system; Japanese predicates; semantic restrictions; 8803841
- computational multilingual thesaurus compilation; lexical units' semantic equivalence, conceptual/extralinguistic/linguistic differences; 8803824
- computer-assisted language learning; interactive vocabulary development; meaning discovery, item retrieval, retention; advanced learners; 8807443
- computer-assisted text processing, Russian particles *razve* 'really?/neuzheli 'really? indeed?' semantic/modal/pragmatic meanings; 8806402
- computerized language acquisition, lexical representation; dynamic hierarchical phrasal lexicon; 8808725
- concept history; lexicological contribution, social consciousness linguistic reflection; *Arbeit* 'work' sememes, S. Brant's/T. Murner's writings; 8808854
- conceptual structure; lexical approach; emotion concepts; 8800928
- concrete nouns, meaning structure/semantic interdependences; name/denotat relationship, noun pairs; 8806540
- connotation, meaning status; connotation/denotation relationship; typology, lexicographic relevance; 8804076
- connotative meaning shifts; adjective-noun/adverb-verb combinations; Cliff's Law generalized; 8804648
- contrast connection semantic features/pragmatic function; English *but*/Spanish *pero*; 8805881
- conversation, new context negotiation; contextual configuration role; speaker-listener interactive behavior, social/cultural factors; 8800998
- Cresswell, M. J., *Structured Meanings: The Semantics of Propositional Attitudes*; critical review; 8803286
- critical poetry, meaning/visual arts; Mallarmé, Kleist, Artaud; 8809147
- Czech chiseling/carving/turning terminology, diachronic perspective; terms' etymology/semantic evolution/metaphorization/idiomatization; 8808869
- Czech contrastive connectors; syntactic/semantic role/meaning/status; 8803208
- Daco-Romanian *fîntîă* 'well'; Latin *fons* 'spring' vs 'fountain'; literary Romanian/administrative jargon influence; 8800920
- Dacoromanian *arnici* 'sewing thread' etymology; Old Greek etymon, Latin mediation; semantic evolution, etymological doublet; 8806299
- definite descriptions; referential/attributive uses; K. Donnellan's/B. Russell's/S. Kripke's positions; 8801957
- Derrida, Jacques; philosophical conceptions, meaning translatability/nontranslatability; 8806881
- dialogue rupture; discourse participants' practical syllogisms/interpretive schemes; 8803473
- dictionary articles, semantic-theoretical foundation; Chinese-German bilingual lexicons; 8801572
- dictionary compilation, meaning treatment; recent semantic research relevance; 8806553
- dictionary definition processing, phrasal pattern hierarchies; experimental system; 8808688
- discourse structure/information management; local coherence model; English discourse markers/connectives, sociolinguistic study; 8803490
- Duden Bedeutungsörterbuch* (The *Duden* Meaning Dictionary); review/treatment evaluation/critique; 8804079
- Dutch-Norwegian/Norwegian-Dutch false friends, second-language teaching implications; form/meaning confusion; 8803868
- early lexical development; linguistic input relationship; mother-child dyads; longitudinal study; 8804752
- Eco, Umberto, *The Name of the Rose*; implicit semiotics; interpretation pragmatics, culture theory; 8806856
- elementary school vocabulary instruction; traditional texts/methods problems examined; alternative approaches suggested; 8804896
- Eminescu, M.; *regia gîndirii* metaphor interpretation, G. I. Tohăneanu's reading rejected; 8801838
- emotion words similarity; colloquial transformation task, German material; psychology undergraduates; 8802229
- English aspectual distinctions; discourse functions/local context; V. Woolf novels examined; 8805987
- English *at*, meanings relationship; semantic prototype/derived senses motivation, application/basic spatial sense domains analogy; 8808273
- English diminutives' evaluative/objective-denotative aspects; context role; typology; 8808261
- English implicature interpretation, native/nonnative speaker differences; cultural background effect; interpretation ability measure; 8808328
- English morpheme pronunciation differences, meaning constancy; language structure issues; 8808066
- English *perhaps* evaluative meaning expression, context/occurrence restrictions; *perhaps/possible/can/may* modal value difference; 8808228

- English prefix *un-*, word-formational productivity/meanings; verbal/adjectival forms, systematization, German counterparts; 8805928
- English *skulduggery*; origin/formation/geographic dissemination/lexicographic attestation/contemporary meanings; humorous perspective; 8801596
- English temporal prepositions/subordinate conjunctions; rule determination/semantic meaning distinction; Dutch temporal replacement; 8808222
- equivalence, translation use; static/dynamic factors; word polysemy, axis differences; 8805599
- Erza-Mordvinian verb-forming suffixes; Ugric bases/meanings/functions; 8805927
- eussel-toponyms, Diest (Belgium) region, diachronic/regional variants/meaning; 8803984
- evaluation, linguistic/cognitive act/procedure; concept definition; contemporary German lexicons consulted, evaluative texts analyzed; 8801094
- fast mapping, novel words, oral stories; first/third/fifth graders; 8807808
- fictional character names, semantic content; M. Proust's *Honoré (Les Plaisirs et les jours)* (Pleasures and Regrets); 8808822

- French *avec* 'with'; comitative/instrumental meanings; monolingual French/French-Italian bilinguals; 8805779
- French locative adverbs *ici* 'here'/'là' 'there'; Latin origin/Italian counterparts/syntactic behavior/meaning; 8805693
- French possessive pronouns, syntax/semantics; traditional treatments/transformational-generative account; 8808109
- Frisian forenames *Seerp/Sjerp/Worp/Werp*, etymologies/meanings; 8803999
- function word, lexical/grammatical status; action-oriented integral description framework; German material; 8808879
- genus/species synonymy; A. B. Shapiro's claim contested; logical/denotative similarity confusion; 8803330
- German address forms, 1840-1860/1890-1900; diachronic/semantic changes; bourgeois/proletarian language use, socially dependent vocabulary; 8801550
- German conjunction *ohne dass* 'without', syntactic function/semantic value/meaning; preposition *ohne* 'without' distinction; 8805831
- German double-participle structures, grammaticality diachronic study; correct/incorrect use distinguished; 8803210
- German *können* 'can'/'mögen' 'may' meaning change; 16th-century Leipzig prints; Marxist-Leninist framework; 8803720
- German lexicon deficiencies, linguistic theory neglect; meaning treatment suggestions; 8806542
- German *Lust* 'pleasure, inclination, lust', meaning associations; *Grazer Linguistische Studien* 25th issue celebrated; 8800918
- German modal particle *doch* 'yet/however' meanings; possible-world semantics framework; structural sensitivity; 8800931
- German phrases, folk-etymological reinterpretation/element substitution; verbal/comparative/exclamative phrases; 8803333
- German *Rate*, old/new meanings; 'installment'/'frequency'; English rate assimilated; 8801445
- German sentence computer-aided analysis; verbal sememes formalized description; semantic structure/syntactic valence/case relations; 8803820
- German social group designations, use/meaning; conservative/liberal/socialist circles; 19th-century German newspapers analyzed; 8801583
- German *Sonderbehandlung* 'special handling/treatment', word meaning history, West German context; 8805845
- German structures *sein* 'be' + *zu* 'to' + infinitive; modal value/semantic ambiguity/passive voice interchangeability; legal texts; 8808166
- German *Tabu* 'taboo', origins; German political discourse use, denotative domain; discursive-instrumental role; 8804231
- German verb's meaning actualization, variant/invariant sememes; syntactic realization model role, actualization function; 8805772
- grammatical/semantic correlations; Mamimăța's theory; E. E. Cumming's poem analyzed; 8801830
- Greek *ὑποφθι* 'separately, far away' etymology; pronoun **nos* 'we' + *-φθι*, adverbial/prepositional use; 8803709
- Greimas, A. J.; meaning theory; structuralism/semiotics/discourse theory; 8809225
- Grillparzer; *Sappho*, *Diadem/Kranz/Krone*, etymology/symbolics/frequency statistics; 8800910
- hedges; English as a second language teaching implications; proposition/comment distinction; 8802571
- historical word semantics, psycholinguistic/textlinguistic aspects; A. Bodenstein von Karlstadt's writings, *bapst* 'pope' meanings/collocation; 8808621
- human language origins/development; meaning, evolutionary theory; 8801196
- hyponymy, semantic analysis; set-theoretical framework; inclusion/subordination relations, content/expression levels; 8803326
- idiom comprehension; figurative vs literal meanings; serial brief presentations/cued recall task; idiomatic processing model supported; 8807193
- idiomatic expressions; children's understanding; linguistic factors effect examined; 8802307
- indirect question semantics; Montague/game-theoretical approaches contrasted; formal meaning theory; 8805849
- integrated discourse strategies, conversational meaning relations; R. Hasan's identity/similarity chains; high-/low-involved speakers; 8808418
- intensional semantics; predicates/things; N. Goodman's view supported; 8803338
- intention/belief ascriptions; rule system proposed; communication maxims/nonnatural meaning; 8806873
- intentionality/language, Martin Heidegger's views; hermeneutic writers' views compared; 8806878
- interlanguage development; English past/present progressive tense learning; meaning importance; 8800366
- intonation/meaning relationship, spontaneous speech; British English; tonality/tonicity/tone; 8801013
- intonation/semantic nuance relationship; dramatic plays, actors'/readers' intonation/meaning variation; 8805646
- intonational phonology/meaning/phonetics relationships; Norwegian data; indefinite noun phrase specific/nonspecific readings; 8803035
- "isolation" lexicographic procedure, use/value; archaic meaning recovery; 8801592
- Italian as a second language, subjunctive instruction; anglophone students; 8805060
- Italian causative verbs' meaning analysis, J. Katz's framework, primitive features/variation fields; 8805874
- Italian preposition *di* 'of', semantic analysis; subjective/objective genitive cases; J. Vendryes's "empty word" notion; 8805838
- Japanese adverbs *namaji* 'thoughtlessly'/'sekkaku' 'with trouble'; meaning similarities; 8808240
- jokes, cognitive/affective dimensions; referent/meaning shift, humorousness effect; H. Kreidler's/S. Kreidler's meaning evaluation system; 8806677
- judicial sentence, normative meaning category; formal deontic representation proposed, semiotic-philosophical framework; 8801047
- Ket (Yeniseian) verbal formants *b/q*; pronominal past, current semantic value; 8803727
- Khakassian participle *-yp*, grammatical nature/meanings; verb/participle semantic relations typology; 8805709
- Kierkegaard, S.; *Uforanderlige* 'the unchangeable one'/'Uforanderlighed' 'unchangeableness' distinction; rank correlation/cluster analysis; 8801407
- language change valence model; German *abwarten* 'to wait for, to expect', 17th-century meaning explained; Hans Jacob Christoffel von Grimmelshausen's *Simplicius Simplicissimus*; 8801302
- language communicative function/functional-communicative analysis, dialectical-materialistic framework; interpersonal communication, text meaning vs word meaning; 8808481
- language philosophy, dialogue-based approach; word-/proposition-based models criticized; 8801944
- language processing; interactional reconstruction; communication/meaning/discourse modeling theories; 8800018
- language understanding, truth-conditional semantics; game-theoretic semantics approach; "pronouns of laziness"; 8804390
- language/knowledge; meaning/communication; language acquisition/origin/development, evolutionary theory; 8806136

- word-learning ability; poor/normal readers; paired associate learning; meaning/nonmeaning effects; 8800534
- word/phraseological component; semantic peculiarities studied; semantic markedness typology; 8800896
- word/sentence/text semantics; semantic research trends, literature survey; speaker/writer/listener/reader communication/message transfer process; 8808258
- word's grammatically relevant features; grammar-lexicon reciprocation manifestation, internal/external interactions; 8804027
- word's inner form, definition/description attempted; Soviet linguists' work emphasized; inner form/etymology/meaning relationship; 8800962
- writing instruction; adjective use; reader/writer interaction; 8804898
- Memory (see also Long-Term Memory, Short-Term Memory)**
- amnesia memory deficits, classification; 8809385
- anterograde/retrograde amnesia; herpes simplex encephalitis patient; visual memory perseveration; 8802427
- aphasia; short-term memory/sentence comprehension deficits; memory, phonological components; 8800036
- aphasia; word learning/processing deficits; semantic/grammatical information retention; 8804538
- Army officer reading-study skills program; learning style assessment/reading rate improvement data; 8805476
- auditory suffix effect; attenuating properties; recall mechanisms; 8802371
- aware vs unaware memory; written discourse; perceptual/comprehension tasks; high school students; 8800118
- bilingual memory representation; dual coding theory; synonym generation task; Spanish-English bilinguals; 8805555
- bilingualism; language relationships/linguistic memory; separate lexicons hypothesis supported; 8800604
- bilingualism; primary process thinking; memory/experience storage; mildly Spanish-dominant adult Spanish-English bilinguals; 8805550
- category name recall; free/indirect part-set cuing; high school students; 8804830
- Central Alaskan Yupik Eskimo prosody modifying processes; double articulation principle revised; 8803110
- child language; recursion development; biological cognitive-linguistic model; 8804736
- Chinese as a second language acquisition, mnemonic strategies; pictograph/keyword techniques; 8807573
- cognitive functioning; convolutional/matrix models; memory/perception; 8802439
- cognitive processing; sentence-picture verification tasks; individual differences/long-term strategy evolution; 8802247
- computer-generated phonemic cues, aphasia naming disorder treatment; Broca's aphasics; 8806978
- conversation recall; time/mode/expectancy effects; content vs descriptive statements; 8804164
- cooperative studying; learning/teaching scripts, different effects; initial recall/learning transfer; 8807160
- cued recall of prose; pre-passage question effect; hierarchical importance; 8807312
- depth processing/text recall relationship; three age groups; German adults; 8807595
- developmental dyslexia; dysgraphia/sequential memory deficits; case study; 8809490
- dual coding imagery theory, concreteness/semantic relatedness effects; composite imagery ratings/cued recall; J. C. Day's/F. S. Bellezza's findings reevaluated; 8807295
- electroencephalogram waveforms; P300 components; three-tone paradigm reflect task; adult Japanese speakers; 8801995
- elicited imitation; spontaneous language/auditory memory span relationships; 8804828
- English vocabulary learning; successive/simultaneous processing compared; Chinese bilingual students; 8802837
- environmental context-dependent recognition; shallow vs deep processing; S. M. Smith's hypothesis examined; 8807304
- episodic/semantic memory; functional independence tested; lexical decision/recognition tasks; 8802267
- expectancy message effects, listening comprehension recall measures; intermediate college French; 8807308
- expository prose comprehension; reading schemata transfer; English as a second language readers; writing recall tasks; 8800409
- expository text comprehension/recall; text structure information effect; ninth graders; 8807741
- expository text comprehension; prior topic/text structure knowledge contribution; fourth-grade proficient readers; 8802897
- expository text recall/production; discourse structure summarization training effects; college freshmen; 8802395
- expository text recall; top-level structure use; normal/learning-disabled college students; 8805458
- fast mapping, novel words, oral stories; first/third/fifth graders; 8807808
- focused memory search, semantic cases; complex question answering; relevant case retrieval; 8804715
- free short-/long-term recall; items number/organization degree; German adults; 8804684
- generation effect, target word recall; task/rule/trial effects; selective displaced rehearsal artifact; 8802394
- generation effect, word recognition inhibition; complete word processing, imagining effect; 8807798
- goal-directed reading, attention allocation/performance, age differences; reading comprehension/passage recall task data; fourth/sixth graders, college students; 8805497
- grammatical/semantic processing; auditorily presented sentences; auditory memory-impaired left brain-damaged patient; 8802445
- homophony/rhyming judgment time; articulatory suppression effects; processing requirements/working memory; 8800144
- human semantic memory; rapid semantic processes, intermediate products; 8800045

- Huntington's disease; lexico-semantic deficiencies; semantic priming task; spreading activation; 8802442
- idiom comprehension; figurative vs literal meanings; serial brief presentations/cued recall task; idiomatic processing model supported; 8807193
- imagined/heard word discrimination, another speaker's voice; memory differences; 8807317
- implicit memory, repetition priming effects; process analysis; image generation/encoding; 8807313
- indirect requests/conversational implicatures; judgment/memory/interpretation; semantic politeness strategies; speech act theory; 8801101
- information retrieval, written/aural sources; normal readers aged 7-9; recall responses; 8802824
- input modalities effects, long-term retention; incidental learning procedure; auditory presentation, vocalization; 8804825
- item recall prediction, metamemory; word list acquisition, subject-performed tasks; 8807272
- Japanese character retrieval/use, memory representations; *hiragana/kanji*/English alphabet use; 8807310
- language comprehension agrammaticality; content vs function word, mid-term memory; language comprehension patterns; 8809436
- language comprehension; unilateral brain-damaged children; Revised Token Test; memory demands; 8800158
- language processing; semantic priming effects; spreading activation/discourse models compared; ninth-grade students; 8800040
- language/verbal memory, left-hemisphere lesions, latent dysphasia, lexical-semantic/verbal memory deficit; nonaphasic left-brain-damaged stroke patients; 8809456
- learning disabilities, modular conception; semantic memory classification behavior, compositional/prototypical organization models; 8809481
- letter perception, particular experiences influence; pseudowords identification; 8807311
- lexical access measurement, lexical decision accuracy; repetition blocking effect, frequency/meaning values; 8807140
- lexical access, morphologically decomposed forms storage; augmented addressed morphology model; 8804662
- lexical access, phonological factors; auditory lexical decision task data; 8807163
- lexical ambiguity resolution; distributed memory scheme; auto-associative learning; 8800043
- lexical decision task; associative strength effects; automatic/attentional processing role; 8802366
- lexical decision; list composition effects; dual process model developed; recognition memory; 8802369
- lexical information memory; continuous prose; cloze tests; children aged 7.5-13.2; 8805402
- lexical meaning inference; context role; decontextualization strategy, cohesive patterns/generalization/aspect hierarchies utilization; automatic language processing implications; 8804716
- lexical memory, developmental differences; category cue use; second-/sixth-grade poor/normal readers; 8807853
- lexical memory; syntactic/semantic priming effects; automatic spreading activation/limited capacity attention mechanisms; 8802367
- lexical memory; word recognition; interconnected concept node network; activation growth, continuous models; 8800052
- linguistic processing; hemispheric asymmetries; lateralized lexical decision task/semantic primes; 8800038
- lipreading, serial recall; accompanying auditory pulse train effects; buzz-speech; 8804844
- list recall; items' phonetic similarity effect; school-age/preschool children; adult model applied; 8800113
- long-term prose retention; schematic/proposition-specific processing effects; 8800126
- long-term story recall; quantitative/psycholinguistic/propositional characteristics assessed; composition type/sex/picture manipulation; 8802390
- main idea retention; text structure/processing task effects; title generation; topicalization; 8807271
- maintenance rehearsal, habituation condition; attention to task effect; noun recall; 8802362
- major idea recall, prose material; related/unrelated detail effect; 8807290
- memory span, articulatory loop explanations; A. D. Baddeley's/G. J. Hitch's work challenged; 8807148
- memory structures; lexical fields/notional systems; conceptual categories; hierarchical organization; 8807157
- memory/communication, person/task/strategy variable interaction, children's awareness; 4-/5-/7-year-olds; 8807245
- memory/learning; biologically valid distinct mechanisms; focal brain damage; 8802434
- memory/retention capabilities; deaf/normal people; 8802064
- memory; cognitive processes; language acquisition/universal grammar; 8804499
- mental objects; automatic speech recognition; language comprehension; 8804501
- mood induction, semantic memory priming; lexical decision task; elation/depression asymmetric effects; 8807123
- naming errors, lexical retrieval model; semantic/phonological variables; interaction activation model; 8807161
- narrative information; storage/recall; story grammars/constructed meaning roles; 8800044
- narrative recall; J. Mandler's/W. Kintsch's text models compared; immediate/delayed protocols; 8800114
- narrative/dialogue comprehension; aphasic/nonaphasic listeners; 8802127
- nominal classifiers genesis, archaic Chinese; cognitive approach; echo classifiers, mnemonic function; 8808659
- noun meaning knowledge; age related differences; category verification/extension tasks; 8802269
- object naming deficit, Alzheimer's disease; lexical access/semantic deficits; 8807337
- part-list cuing, unrelated words, beneficial effect; subjective units integration, retrieval cues; organizational theory framework; 8807296
- passage recall; text structure instruction effects; graphic organizer/sentence connectives/free recall tasks; fifth-/sixth-grade readers; 8804834
- perceptual/memory process abilities, stuttering/nonstuttering speakers; unisensory/bisensory tasks; 8802094
- phonemic codes use, age/reading skill differences; short-term retention task data; disabled/average/above average readers, grades 2/4/6; 8802798
- phonetic mnemonic system; efficacy tested; 8802392
- phonetic similarity effect, early reading acquisition; kindergarten/first-/second-grade children; 8807827
- phonological confusability, sentence short-term memory; reading ability predictor; kindergarten children; 8802246
- physical object/memory, human semiosis; durability factors; 8809209
- pitch perception, memory encoding; frequency ratio model rejected; 8807318
- polysemy/synonymy; independent treatment proposed; complementary/contrastive senses; 8803277
- postmodern anthropology/ethnography; written language/everyday speech; 8808412
- pre-reading instruction; microcomputer lexical decision task; semantic memory/vocabulary instruction; reading comprehension; 8805480
- prior knowledge role, knowledge acquisition from text; text base, situation model, knowledge representation; 8807281
- program comprehension; theoretical framework developed; text analysis methodology; recall coding; 8800138
- pronunciation speed, numbers/digit span/mathematical ability; Chinese-/English-speaking undergraduates compared; 8802379
- proper name learning/recall, psycholinguistic models; learning difficulties/methods; 8806508
- propositional representations use, reading rate/retention; sentence length/reading ability variables; third/fifth graders; 8803436
- prose memory enhancement; metaphor effects; positive memory strategies; immediate/delayed recall; 8800133
- prose processing, disabled readers; multiple baseline design/cognitive training; 8807850
- prose recall reconstruction; written description/map use; locational inferences; mental text representations; 8800010
- reading ability variance, word decoding skill, context/memory/comprehension effects; 8805472
- reading ability/memory, procedural/declarative knowledge, procedure model; 8805440
- reading acquisition, speech perception/memory/IQ relationship; 6-year-old boys; 8807151
- reading comprehension, memory/linguistic components, context effects; fast/slow readers aged 20-40; 8804839
- reading comprehension; phonological memory role; speech/nonspeech auditory backgrounds, interfering effects; 8807831
- reading comprehension; working memory capacity; reading time experiments; 8805425
- reading deficits, learning-disabled children; attention/memory/syntactic awareness problems; prose decoding task; 8804588
- reading encoding processes; expert knowledge consequences; semantic activation/working memory; 8800526
- reading process/comprehension; text presentation rate/amount effect; rapid serial visual presentation technique; undergraduate poor/good readers; 8802801

- reading processes, high/low divergent thinkers; memory differences; sixth-grade students; 8802811
- reading processes, inference types, narrative information representation; inference predictability; 8805469
- reading rate/written free recall; textual variables' effect; cohesion, reference, predicates, topic; 8807731
- reading recall; domain knowledge effects; reading span task; 8807184
- reading, information selection process; summary writing units; good/poor comprehenders; 8807844
- reading, short-term storage; repetition/interruption conditions; 8802816
- reading/media cognitive processing; comprehension/memory, text-TV/text-radio compared; third/sixth graders; 8802840
- reading/spelling connections; phonological awareness, letter string memory; beginning readers, chronological study; 8805281
- recall performance; prose learning variables' effect, student knowledge; sixth graders; 8805294
- recognition failure; categorized word pairs; 8800128
- recognition memory/conscious awareness, functional relationship; episodic/other memory systems; 8807279
- recognition memory; primary/secondary rehearsal effects; data-driven/conceptually driven memory tests; 8804832
- repeated/unrepeated word pair, memory task; superadditive recall; 8804820
- repetition priming effect; morphological/semantic/formal relationships influence; lexical organization/context system; 8800026
- residual recall; organizational dimension, sorting/recall task; 8-/10-year-old learning/nondisabled children; 8805474
- retelling, reading comprehension/text recall effects; generative learning strategy; fourth-grade students; 8802714
- rhyming/nonrhyming text retention; paraphrase, rote recitation measures; preschool children; 8804759
- Russian as a second language acquisition, sentence retention/recall; presentation medium/mode effect; short-/long-term recall tests; East German undergraduates; 8800413
- Russian as a second language, East German students, vocabulary teaching; visual presentation mode effect; 8802522
- science passage recall; topic knowledge/macro-organization effects; fifth-grade readers; 8805403
- script acquisition; normal/language-impaired children aged 5:8-6:10; experience/learning mode/event temporal order influences; 8804719
- second-language comprehension; memory factors role; comprehension/reasoning/memory test battery; bilingual Chinese-English U students; 8805150
- second-language deterioration; grammatical elements/vocabulary contrasted; ninth-grade English-speaking French students; 8802631
- second-language retention patterns, seven-year Spanish immersion program; attitudinal factors; graduates, currently enrolled sixth graders; 8807559
- selective memory, auditory short-term memory; suffix effect; 8807300
- self-contradictory verbal material processing; working memory constraints role; liar's paradox; 8800117
- semantic integration/inferential reasoning; syntactic structure role; children aged 6:6-13:5; 8804769
- semantic memory information retrieval; intrinsic physical attribute information role; picture/word category decision task; 8804717
- semantic memory organization; age-related hemispheric control/lateralization variations; superordinate relationships development; 8804809
- semantic memory structure; normal/Alzheimer type dementia elderly individuals; sentence verification task; 8802276
- semantic memory test construction/validation; W. Kintsch's theory as basis; scales/application; children aged 9-14; 8802222
- semantic memory/conceptual organization; speech/language pathology work relationship; spreading activation network model; 8800048
- semantic memory; stimulus content/anxiety role; adjective recall task; word-/person-specific effects; high-/low-anxiety psychology freshmen; 8807189
- semantic processing; English-Ukrainian bilinguals; language effects; 8800609
- semantic system impairments; access failure/degraded store dichotomy; memory/knowledge; 8804714
- sentence comprehension; modular process model; reading disorder; verbal working memory; 8802297
- sentence comprehension; phonological processing role; syntactic analysis; tone/syllable shadowing tasks; 8800739
- sentence comprehension; verbal memory components relationship; sentence memory task; skilled/less-skilled elementary school readers; 8804823
- sentence memory; spreading activation theory; fan/priming effects; verbatim information; 8802399
- sentence recognition memory; pictorial context effect; aphasic/right hemisphere patients; 8809416
- sentence/list repetition skills; aphasic patients; meaningfulness effects; 8804556
- serial recall; good/poor readers; phonetic stimuli similarity; 8805430
- serial recall; unattended speech effects; articulatory suppression/auditory presentation conditions; 8800122
- short-term order memory; concomitant spatial information effects; aphasic adults; 8806968
- sleep; infant developmental changes; dreaming localization; sleep reduction/memorization processes; 8804500
- speech comprehension, cognitive changes; elderly; lessened memory capacity; hearing impairment; 8800014
- story memory, perceived/induced structure; recognition task; clustering analysis; 8807284
- story processing; narration/description interaction; reading time/free recall; information importance/semantic role effects; 8803402
- story retelling; volume loss/meaning distortion/plot preservation, informant age; psycholinguistic interpretation; 8806606
- story structure recall, hearing-impaired/learning-disabled students; pictures/story grammar use; 8809353
- Stroop-like interference effect, picture naming; interference effects loci, retrieval process; 8807186
- surface dyslexia; semantic/visual recognition systems, partial dissociation; case study; 8804600
- teacher questions, reading learning; text information type recall; 8807761
- temporal order memory, rehearsal strategies; distractor paradigm; serial position score differences; study-phase retrieval model supported; U students; 8807270
- text comprehension/retention; text structure instruction effect; research report vs journalism structure; 8807619
- text comprehension; conjunctions role; sentence recall tasks; 8807174
- text comprehension; short-term memory allocation strategies/text causal structure; free recall protocols; undergraduate psychology students; 8807278
- text memory/integration, time of day effect; reading strategy differences; 8807294
- text memory; age differences; adolescents/adults; information processing framework; 8804819
- text memory; perspective shifting effects; schematic encoding implications; 8802364
- text perception/reproduction relationship; visual-sequential vs normal reading; similar content reproduction found; undergraduates/vocational students; 8802834
- text processing, contextual information effects; text type expectancies; recognition/reproduction tests; 8807314
- text processing; previous knowledge affect; textual predicates; 8804671
- text reading/recall psychological aspects; information size/type, selective attention/retention/reproduction; literature survey; 8805477
- text recall; dogmatism/rhetorical structure interaction; 8802847
- text recall; retrieval cues formulation effects; 8804840
- text recall; structure sensitivity/metacognitive strategies; two-year college students; 8805986
- text retrieval; causal connections role; activation spread; 8800130
- text semantic processing; surface level information retention/text-based/situation model integration; abstract/concrete material, imagery role; 8800143
- tip-of-the-tongue state; attribute reports; college students; 8800021
- tip-of-the-tongue/feeling-of-knowing phenomena, functional difference; word memory task; recognition latency; 8804688
- translation, deep-level process; major content features retention/recall; English-Finnish undergraduates; 8805607
- untransparent composition memory representation, Dutch material; lexical decision task, semantic priming; full entry theory supported; 8808305
- verb phrase ellipsis interpretation; surface form encoding; antecedent distance effect; 8802372
- verbal information recall; mnemonic-keyword method effects; meta-analytic procedure; 8800136
- verbal learning; depression/age effects examined; recall/information processing strategy use; 8802365
- verbal material memorability; encoding difficulty effects; recall/processing/recognition performance; 8802387
- verbal performance, retention/recognition, motor activity effect; J. Engelkamp's/H. Krumnacker's thesis refuted; 8807299
- verbal/visual memory disorders, brain-damaged patients; hemispheric damage, locus, code impairment relationship; 8807033
- visual sequential memory/reading; labeling strategies effects; Barking Reading Project; task analysis/structuralist approaches; 8802805

- vocabulary recall difficulty, text comprehension effect, free recall/summary recall/sentence recognition task data; sixth-grade students; 8805392
- Wechsler Intelligence Scale for Children-Revised, normal/dyslexic readers; writing/copying speech/recognition memory; third-ninth graders; 8802861
- Whorfian linguistic relativity hypothesis; different languages/thinking patterns; English/Chinese speakers compared; 8801432
- within-story recalls/idea retention, prose processing; question use; 8807164
- word identification/lexical decision; repetition effects, explanatory model proposed; memory representations; 8802370
- word meaning acquisition; classroom word introductions; expository/narrative techniques contrasted; 8800140
- word memory traces; semantic structure; noun recognition experiments; 8804702
- word perceptual identification, word memory; perceptual/conceptual components role; German words/pseudowords; 8807298
- word recall; sentence generation effects; evaluation/effort ratings; 8800148
- word recall; slot openness effects; English as a second language U students; 8802386
- word recognition memory; stimulus suffix effect; 8804826
- word recognition/retention relationship; "recognition failure" effect; I. Begg's vandal theory supported; 8802377
- word retrieval; tip-of-the-tongue phenomenon; 8800125
- words, internal structure; crossword puzzle paradigm; syllabic/morphemic unit retrieval differences; interactive model proposed; 8804677
- written composition; main point development; novices/experts, different models use; 8807887
- written prose information recall; pictures' effect assessed; 8800112
- Mental Retardation**
- American Sign Language/Amerind Signs acquisition, mentally retarded young adults; 8809498
- autistic adolescent speech, computer-assisted linguistic analysis; normal/schizophrenic speech compared; Asperger's syndrome diagnosis; 8807078
- "before"/"after" event sequence comprehension, educable mentally retarded/normal children; verbal mental ability prediction, quantitative differences; 8809499
- child language acquisition; agent/instrument noun semantic/morphological analysis; natural morphology hypothesis, age factor; normal vs Down's syndrome children; 8804799
- child language development; stimulus equivalence relationship; normal/retarded/language-disabled preschool children; 8804735
- communication attribution; mothers-handicapped infants; nonbehavioral factors; 8809503
- communicative competence acquisition; requesting behavior; normal/Down syndrome/language-disordered toddlers; 8804806
- communicatively handicapped children; nonverbal communication devices use; semantic representation systems; 8807108
- computer-assisted instruction, mentally retarded learners; learner- vs trainer-based software; future applications; 8809495
- conversational skill development; mentally retarded persons; ratios/modeling/social praise/corrective feedback procedures; 8802187
- conversational skills; Fragile-X/autistic/Down syndrome individuals compared; 8804612
- Down syndrome children, nonverbal communication skills; non-Downs mentally retarded children compared; expressive language deficit; 8804348
- Down syndrome children; pragmatic language therapy effects; socio-dramatic play; 8807092
- Down syndrome infants, early language development; cognition/expressive/receptive language; longitudinal study; infants birth-3 years; 8807080
- Down syndrome preschool children; total communication intervention approach evaluated; 8807079
- Down's syndrome children; preschool education participation/pragmatic skills scores relationship; 8807082
- Down's syndrome; language/psycholinguistic abilities; young adults; 8807074
- expressive language development; autistic/mentally retarded boys; eye contact spontaneity; 8807075
- handicapped children; language skills development; adult mentally retarded classroom aides; mand-model/time-delay procedures; 8802197
- handicapped infants; social communication strategies intervention effects; older nonhandicapped siblings' responsiveness; 8804624
- language development; stimulus-response relationships; mentally retarded adolescents; preposition training; 8802186
- language intervention program; retarded child, longitudinal case study; 8802184
- maternal directiveness, Down syndrome children; non-Down syndrome children's mothers compared; 8809502
- maternal language, mentally retarded children; child language ability matching; 8809496
- mean length of utterance, Down syndrome children aged 2-12; chronological age correlation, grammatical complexity; 8809501
- mental retardation; prosody use; word/sentence stress; production experiments; 8804615
- mentally retarded children; letter-sound correspondences instruction; action mnemonic procedure; 8802183
- mentally retarded children; social behaviors/communicative language use relationship; structured communication elicitation tasks; 8807081
- mentally retarded children's communication; maternal communicative style effects; 8804613
- mother-child interaction; Down's syndrome/nonretarded children compared; responsiveness/interaction rate/topic control; 8804616
- mother-child speech patterns; Down syndrome/nonretarded/language-impaired children; 8806619
- mother/infant turn-taking; normal/Down Syndrome dyads; videotaped play sessions, group comparison tests/correlational analyses; 8802185
- oral language comprehension, mildly retarded children aged 6:5-9:6; "0-52" Test; lexical/cognitive deficits; 8804745
- phoneme blending training; word reading; trainable mentally retarded children; 8807077
- picture-cuing method, rebus program, reading instruction; trainable mentally retarded children; standard orthography transfer; 8804617
- reading achievement scores, overestimation; mentally retarded adolescents; Bond & Tinker formula revised; 8807764
- reading comprehension testing; exceptional learning disabled/educable mentally retarded secondary school students; testing condition variations; 8805487
- reading remediation, Corrective Reading Program; learning-disabled/mentally retarded adolescents; 8805347
- rebus symbol communication training; use generalization; mentally retarded preschool child; 8807111
- semantic processing; retarded adults; Stroop color naming paradigm; readers/nonreaders compared; 8800523
- sight word reading instruction, moderately retarded students; constant time delay/least prompts system compared; 8809497
- sign language use, severely/profoundly mentally retarded students; questionnaire, individual education plans; 8809494
- speech act elicitation methods; conversational dyad/structured task; mentally retarded adults; 8807076
- speech development; mentally retarded children; canonical babbling role studied; 8804614
- teaching sign word reading; progressive/constant time-delay procedures; moderately mentally retarded students; 8809493
- vocalization rate, operant conditioning; Down syndrome infants; continuous reinforcement vs differential reinforcement of other-than-vocalization; 8809500
- Mexican American**
- bilingualism; receptive/balanced distinction; acculturation/intelligence/achievement/personality differences tested; Mexican American bilinguals; 8805543
- cognitive/affective reactions; language shifts effects, Mexican American bilingual college students; Holtzman Inkblock Technique; 8802930
- English-Spanish contact, Chicano poetry; 8806433
- language acquisition; Mexican American preschool children; English oral language proficiency/cognitive tempo/locus of control; 8802327
- language minority children; educational difficulties; context-specific approach; 8807982
- learning modalities, reading/word recognition, ethnic groups comparison; Anglo-American/Black American/Mexican-American first graders; 8807854
- Mexican American bilingual children; speech/language pathologists perceptions; language therapy; 8804549
- Mexican-origin college students; cultural preferences/language proficiencies; academic achievement relationship; 8804245
- second-language acquisition; Mexican American elementary school children; peer-tutoring intervention effectiveness examined; 8802600
- Spanish dictionary; Mexican American proverbs; 8808852
- Spanish morpheme acquisition; spontaneous language samples; Mexican-American monolingual Spanish-speaking children aged 2:0-4:8; 8807236
- stuttering therapy, public school settings; scheduling difficulties/

- cultural considerations; 2-year project; Mexican-American elementary school children; 8809522
- text patterns, processing instruction; college history texts, research reported; Mexican-Americans; 8807686
- Mexican Amerindian Languages** (see also **Central Amerindian Languages**)
adult language education, language choice factors; Kwaio (Austronesian)/Tzeltal (Mayan) data; B. Spolsky's/P. Irvine's criteria; 8809059
- American Spanish, indigenous Amerindian languages lexical contribution; 8803862
- Castilian 16th-century pronunciation reconstruction; Diego de Ordaz's letters; consonants/vowels, Amerindian words; 8803700
- Mexican indigenous language groups; overview presented/sociolinguistic problems discussed; 8808758
- Mexican indigenous languages; Spanish contamination/purification efforts; 8809081
- Mexican indigenous populations; literacy development program described; 8809079
- Mexican indigenous populations; northern Veracruz situation; language maintenance/literacy development; 8809027
- Mexican plant names; Spanish/Indian/Caribbean origins; 8806519
- Nahuatl dialectology survey; morphological/lexical subgroupings; migration, language history; 8806459
- Nahuatl; comprehensive descriptive grammar; 8808583
- Ocuilteco (Otomangue); sociolinguistic situation/revitalization efforts discussed; 8809062
- Seri (Hokan) syllable structure, phonological processes; 8808073
- surrogate agreement, Tzotzil (Mayan) data; relational grammar approach; 8808105
- Yucatec Maya books, M. Edmonson's translations reviewed; empirical analysis, comparative framework; 8808144
- Modal Logic**
first order modal semantics; transformational model proposed; 8806870
- Kripkean tense logic; predicate modifier addition; quantifier-operator mixing/temporal adjectives; 8806864
- literary analysis; modal semantics relevance; U. Eco's *The Name of the Rose* examined; 8805974
- modality, syntactic framework analysis; government/binding theory; English/Arabic material; 8808459
- Montague grammar; fundamental notions introduced; Portuguese grammar fragment; 8806868
- propositional attitudes; modal logic problems noted; possible remedies suggested; 8805879
- quantified modal logic; rigid designator approach criticized; individual concept theory alternative defended; 8806869
- Mode**
African Portuguese-based creoles, number/tense/mood/person/aspect/genus verbi categories; 8808728
- American Spanish; perfect tense usage; aspectual criteria importance; 8805822
- Arabic *la-qad* + prefix tense verb structure, temporal/aspectual/modal features; poetry occurrence; 8808158
- aspect; diffuse-focused opposition; Mandarin Chinese aspectual system analyzed; 8803291
- aspectual difference, Old High German/Latin; syntagmatic vs paradigmatic means; *Isidor/Tatian* Gothic versions analyzed; 8801365
- aspectuality/actionality, Contemporary French, terms validity; research tasks; 8808135
- Balkan imperfect subjunctive; modal particle/verb tense form combinability pattern; interlinguistic interference; 8803170
- Balkan subjunctive areal typology; Bulgarian *da* + infinitive structure analysis, Balkan equivalences; interlinguistic interference; 8804121
- Brazilian Portuguese verb use; discourse factors; imperfect indicative; 8805813
- Bulgarian conclusive mood, Belorussian functional equivalents; Bulgarian verbal paradigm, Belorussian modifiers; 8803784
- children's modal meaning acquisition; card sorting research method; adults/children aged 8,12; 8807213
- Chinese assertive sentence adverbs/suggestive modal particles, syntax/semantics; scope, sentence topology/hierarchy; 8808113
- Chinese "double *le*" construction, predicate aspectual marking; plural/singular postverbal syntagm effects; 8805708
- Chinese sentence mode specification; sentence-final particle, syntactic property/communicative function; epistemic attitude particle; 8808114
- Chinese sentence-final particles; speaker's addressee-related attitude; mode-variable/mode-fixed types; 8800749
- complete precedence/temporal overlap; H. Kamp's notion critically examined; tense/aspect semantics; 8800889
- computer-assisted text processing, Russian particles *razve* 'really?'/ *neuzheli* 'really? indeed!' semantic/modal/pragmatic meanings; 8806402
- concessive sentence, definition/typology, semantic-modal criteria; Romanian-Bulgarian-German concessives; 8806374
- conditional mood use, 14th-century Italian; Giovanni Boccaccio's *Decameron*, functional/quantitative analyses; 8806338
- creole formation; substratic elements grammaticalization, contamination hypothesis; Senegal/Guinea-Bissau Portuguese-based creole, Mandingo/Balanta/Manjako substrata; tense/mood/aspect similarities; 8808746
- Czech syntactic structure *nemá kdo orat* 'there is no one to plough' derivation, *mit* 'to have' modal function; Czech-Russian-Polish compared; 8805751
- Czech/Russian verb 'remain', differences; comparative analysis; 8808226
- Dahl, Östen, *Tense and Aspect Systems*; review article; 8805703
- Danish modals *behøve/måtte*, German functional/syntactic/semantic equivalents; contrastive analysis; 8803782
- Dutch nominal composition formation; determinative word selection, verb root vs nomen actionis; suffix *-ing* productivity; 8808283
- English aspect/*aktionsart* (action type) categories; perfective/imperfective aspect, state/habit action type difference; 8805700
- English aspect; perfect/progressive/durational phrases; truth conditions; 8808254
- English modal usage; factual/clause clauses, *would/should*; 8805739
- English modals *must/may/can/should/will*, assertions, semantics/pragmatics/syntax; speech act analysis; 8808253
- English mood distinction refuted; indicative/subjunctive; 8808129
- English *perhaps* evaluative meaning expression, context/occurrence restrictions; *perhaps/possible/can/may* modal value difference; 8808228
- English possibility elements; contextual behavior differences; 8803282
- English subjunctive use; public/political statements; 8800839
- English tense/aspect interpretation; time frame/present point, state indicator; sentence structure temporal analysis; 8800948
- epistemic modality; spoken discourse functions; social relations establishment; 8803396
- French aspect; different approaches compared; 8808215
- French aspectual verbs; syntactic analysis; raising/control structures; 8800808
- French imperative, typology; sender-recipient relationship, subclassification; 8803123
- French imperfect modality; syntactic/semantic features; 8805802
- French present subjunctive, English verbal equivalents; positively oriented presupposition-based analysis; 8801383
- French verb morphology systematization; segment identity, similarity, difference; variable/unique radical; indicative/subjunctive subclasses; 8805945
- functional-semantic field/compositional-discursive forms relationship; true-false modality, argumentative texts, speaker's subjective viewpoint, German material; 8805898
- Galician/Latin verb systems; functional analysis; 8803804
- German conjunction *oder* 'or' new functions; decisive/alternative/ascertaining/rhetorical questions; substitute/emphatic word/modal particle; 8808151
- German double-participle structures, grammaticality diachronic study; correct/incorrect use distinguished; 8803210
- German first person present active verb form, subjunctive/indirect speech introduction; corpus analyzed/counterevidence found, German fiction/nonfiction works; 8800783
- German future tense; tense-mood unified description; oral standard language, verb forms subsystem; 8800821
- German unreal comparative sentence; mood/conjunction use, main clause presence/absence; belletristic material, quantitative analysis; 8800782
- German *können* 'can'/'mögen' 'may' meaning change; 16th-century Leipzig prints; Marxist-Leninist framework; 8803720
- German modal particle *doch* 'yet/however' meanings; possible-world semantics framework; structural sensitivity; 8800931
- German modal words, request-expressing sentences; semantic features, syntactic distribution, pragmatic functions; 8805719
- German modal/shade particles *denn/etwa/schon/eben/halt*, idiomatic use, colloquial language; German as a second language learners' difficulties, Norwegians; 8805162
- German moods; syntax/semantics; unified grammatical description; 8803354
- German objective modal verb + perfect/present infinitive; semantic nuance, temporal reference role, regular occurrence; 8800814
- German passive; *genus verbi*/verb aspect analysis compared; 8800748

- German pseudoconditionals, Bulgarian equivalents; comparative analysis; 8803788
- German questions; modal particles occurrence/function, *doch*, question typology; comment; 8808115
- German sentence adverbials' syntax, *vielleicht* 'perhaps' topology; transformational-generative framework; N. Chomsky's *move- α* rule application; theme-rheme division; 8808142
- German sentence mode, grammatical/communicative aspects; project "Satzmodus" (Sentence Mode) design, assumptions; 8808161
- German sentence-like situational ellipses, semantic indeterminacy; conceptual/interactional processing, syntactic/semantic representation; 8808194
- German structures *ist* 'is'/'*sind* 'are' + *zu* 'to' + infinitive/*hat* 'has'/'*haben* 'have' + *zu* 'to' + infinitive; modal value/semantic functional variants/context influence; general vs economics texts; 8808163
- German structures *sein* 'be' + *zu* 'to' + infinitive; modal value/semantic ambiguity/passive voice interchangeability; legal texts; 8808166
- German *werden* + infinitive future; modality/temporality; diachronic development; 8800831
- German *werden* 'to become', modal verb; potential modal adverbials occurrence; quantitative-statistical analysis; 8803258
- German-Czech prefixed verbs compared; quantitative/semantic equivalence, aspect/action type; 8801391
- grammatical categories; verbal inflection functions; voice/agreement/tense/aspect/mood; 8803220
- Haitian Creole; particle *pu* functions; H. Koopman's/C. Lefebvre's analysis rejected; 8803940
- Ife (Niger-Kongo) verb mood; particle co-occurrences; semantics; 8803134
- Italian as a second language, subjunctive instruction; anglophone students; 8805060
- Italian restrictive relatives; indefinite head NP interpretation; tense/mood/matrix verb type; 8808211
- Italian-Bulgarian unreal conditionals compared; verb tense/mood, syntactic structure, past/present reference point; 8803795
- Japanese temporal connectives; child acquisition; comprehension tasks; children aged 3-5; 8802318
- Klopstock's correspondence; subjunctive use; German modal system changes; 8804325
- Kuna (Central Amerindian) morphosyntax; auxiliarity/directionality/eventual modality, semantic analysis; ethnocultural implications; 8801259
- language transfer; Navajo/Western Apache native speakers; written English texts examined; verbal modes/aspects; 8805961
- Mandarin Chinese *le*; aspectual/phase marking functions; 8800767
- medieval English future constructions; semantic/grammatical status; modal/temporal auxiliaries; 8803121
- modal concepts; semantics/structural relations/universality; 8803340
- modality, linguistic/logical notion, integrative approach; J. Hintikka's possible world semantics framework; 8805858
- modality; possibility/necessity expression; speaker attitudes/propositional attitudes; 8803537
- mood/modality; systematic description; 8801187
- Nahuatl; comprehensive descriptive grammar; 8808583
- Nawdm (Niger-Kongo) completive aspect; two-verb complexes, simultaneity/sequentiality characterization; 8808232
- Northern Sotho (Niger-Congo) verb categories; descriptive analysis; tense/aspect/mood; 8805817
- Old English *cunnan/motan/magan/sculan/willan*; modal characteristics; 8803697
- Polish person/mood clitic *-(e)s*; syntactic behavior/historical origin; cross-linguistic phenomenon, occurrence conditions/constraints; 8803213
- Portuguese completive clause mode selection; semantic/pragmatic factors, social/regional variants; 8808137
- Proto-Indo-European verb aspect question; daughter languages' data analysis; 8803738
- real modality expression, typology; German material; 8808245
- reduplicated structures; South Asian languages; iterative/simultaneous aspect marking; areal universality; 8803115
- Romanian-Bulgarian *Aktionsart* (action mode) comparison; verbal aspect/*Aktionsart* morphological/functional distinction; belletristic material; 8806389
- Russian as a second language, imperative aspectual use model; basic functions/modal associations; 8800785
- Russian aspect-tense forms' special meanings/transpositions; special/general meaning relationship, special meaning criteria; 8805754
- Russian aspectology; traditional descriptive notions critique; verb's semantic/aspectual characteristics incongruence; 8803365
- Russian imperative, agreement/permission expression, perfective/imperfective aspect use, semantic nuances/connotations; 8805887
- Russian infinitive sentences, modal-temporal transformations; necessity/nonnecessity expression; 8803221
- Russian link-words, semantics formalization; particle *zhe* meaning, anaphorically related use; 8803317
- Russian *otvečat'*/*otvetit'* 'to answer' aspectual synonymy/distinction; L. N. Tolstoy's *Anna Karenina*, F. M. Dostoevskiy's *Prestuplenie i Nakazanie* (Crime and Punishment), perfective/imperfective use; 8801801
- Russian phraseologisms, aspectual meaning; motivating factors, quantitative analysis; second-language teaching implications; 8803323
- Russian verb aspect usage, Russian as a second language instruction, German students; methodological guidelines; 8805182
- Russian verb aspect; negation particle effect; new temporal/modal meaning formation; 8803207
- Russian verb aspectual correlation, naturalness/markedness; semantic/morphological levels, iconic symbolization; 8803360
- Russian verbs, nominative/syntagmatic meanings; aspect/tense system interaction; 8805777
- school communication, modal language use, East German high school, 14-year-olds; modal structures/verbs/stereotypes; 8808967
- Serbo-Croatian/German verb aspect systems; affixes; Serbo-Croatian aspect/German *Aktionsart*; 8801384
- Slovak tense system account; H. Reichenbach's notions replaced; modal/aspectual differences, "observation point" notion; 8800834
- Slovenian epitaphs, structural-poetic peculiarities; first person/optative/imperative forms use, stanza type/frequency, rhyme/meter conventions; 8801084
- Spanish modal verbs; semantic analysis; functional classification proposed; 8805888
- Spanish *quedar* 'to be' + participle structures, German rendition; second-language teaching; 8802987
- Spanish subjunctive mood use, Venezuelan vs Puerto Rican speakers; emotional statements, known/unknown fact; speaker's educational level, English interference; 8803429
- structural-typological language treatment, language structure formation hierarchy; Greek/Latin material, case/aspect/voice; 8806148
- subjunctive/tense sequence; morphophonological form, agreement continuum; college textbooks examined; 8800869
- temporal relations, text, anaphoric nature abandoned; time adverbials/tense, imperfective/perfective aspect framework proposed; 8808210
- tense/aspect, Polish/Swedish forms/functions; contrastive analysis; learner interference phenomena; 8805753
- Tzeltalan (Mayan) tense/aspect system; proto-language/daughter languages compared; morphological change/markedness reversal; 8803375
- verb, bare form, imperative, affix/modality distinction; debate; 8808217
- verba dicendi semantic/syntactic properties, sentence mode study; verba dicendi analysis; 8808213
- verbal aspect; formal description; perfective/imperfective constructions; 8803263
- Monaural Stimulation**
- speech perception; preattentive/attention-intensive processing levels; reaction-time monitoring tasks; 8802248
- Montague Grammar**
- English absolute constructions; adjuncts/absolutes; Montague semantics supported; G. Stump's *The Semantic Variability of Absolute Constructions*, review; 8805860
- English sentences; intensional contexts/logical entailments; new intensional logic; 8806884
- indirect question semantics; Montague/game-theoretical approaches contrasted; formal meaning theory; 8805849
- Montague grammar; fundamental notions introduced; Portuguese grammar fragment; 8806868
- Montague grammar; recent work reviewed; natural language quantifiers/question semantics/surface syntax; 8801198
- Montague's theory of semantics; pragmatic analysis; 8800906
- natural language quantification; generalized quantifier model; 8808447
- nominal syntagm scope, syntax/semantics relationship; compositional linguistic theories framework; transformational-generative/universal/phrase structure/Montague grammars; 8806123
- propositional attitudes; modal logic problems noted; possible remedies suggested; 8805879
- semantic interpretation; lexical/structural disambiguation mechanisms; Montague-grammar-inspired semantic interpreter; 8805853
- semantic interpretation; linguistic form/constraint propagation; situation schemata; 8806866

word formation comparative study; transformational-generative/
Montague grammar frameworks inadequacy; adequate analysis re-
quirements formulated; 8803558

Morphology

acquired dyslexia; morphological processing deficit/reading perfor-
mance; case study; 8804587
adult stuttering; high-level processing demands; linguistic variables ef-
fects; language/speech processing levels interaction supported;
8807044
affix substitution, word "reformation"; stress as marker; Dutch
-(e)ling reformations; 8800971
Afrikaans reduplication; formal/semantic properties; unified lexical
analysis; 8808282
agrammatic Broca's aphasics' narratives; syntactic/morphological/
discourse analysis; cross-language study; 8809426
agrammatism; syntactic deficits/speech comprehension parallels; noun
inflection sensitivity; 8804554
Akkadian verbless clause; stative/predicative forms, morphology/
meaning; 8800796
American Sign Language phonology; lexical/postlexical rule interac-
tion; generative phonological theory supported; 8800722
Amoy Chinese bound morpheme *á*; syntactic/semantic/phonological
properties; 8800768
analyticity/syntheticity; morphological typology/Romance morphosyn-
tax evolution; 8803739
Ancash Quechua dialect; conjugational paradigms described; 8805824
Ancash Quechua subordination; -*q/-nqa*- verbal affixes, semantic/
syntactic functions; 8800893
Arabic as a second language instruction, Arabic-English dictionary
use; Arabic morphology difficulty; 8807433
Arabic morphology; computational problems; unification-based solu-
tion proposed; 8801394
Arabic new term coining; derivation/archaism revival/borrowing;
8800628
Arabic nominal case endings; modern dialect loss, stress shift role; J.
Blau's data reanalyzed; 8801333
Arawak (Amerindian) language; grammatical description; phonology/
morphology/syntax/discourse; *wh*-movement, government-binding
analysis; 8803621
Argentine Spanish suffix *-ero* usage, effective adjective formation;
8805940
Atalyic dialect group classification; phonological/lexical/
morphological criteria; 8801483
Azerbaijani *-la*-suffixed verbs, root reconstruction; step-by-step pro-
cess; meaningful units derivation traced; nominal/verbal bases dis-
tinguished; 8800961
Azerbaijani morphological pleonasm, factors/manifestation/functions;
case/possessive/number/negation affixes; 8805912
Azerbaijani postpositions; development peculiarities examined; postpo-
sition/affixes differences, paradigmatic/stylistic means; 8800959
Bangla verb morphology; P. Dasgupta's analysis revised; 8803371
Bari (Chari-Nile) tonal system; descriptive analysis; verbal derivation
system, tonal properties; tone sandhi phenomena; 8805687
Basque zero-morpheme notion challenged, locative suffix evidence;
8808292
Bengali morpheme *tā*; semantic/morphological functions, connotative/
identifying values; 8800905
Beowulf; litotes/superlative use; syntactic/morphological devices;
8806821
Biblical Hebrew; pedagogical grammar; 8808193
bilingual child language development, morphosyntactic interference;
error analysis; longitudinal study; Italian-/German-speaking chil-
dren to age 10; 8802946
bilingualism; American German/American Icelandic dialects; English
influences; 8802929
blocking mechanism, phonological models; disjunctive ordering princi-
ple; French dialect data, morphological processes; 8805931
bound grammatical morpheme processing; aphasic patient; word moni-
toring task; 8807048
Brazilian Portuguese political lexicon; derogatory terminology/word
formation devices; other languages compared; 8806561
Brazilian Portuguese vowel nasality; generative analysis problems;
[a]/[æ] contrast distinctiveness; diphthong *ão*/plural allomorphy;
8800729
Brazilian Portuguese; Palmeiran dialect described; phonological/
morphosyntactic/lexical/semantic features; 8801496
Bybee, Joan L., *Morphology. A Study of the Relation between Mean-
ing and Form*; natural generative phonology theory extended;
8808293
case meaning/form relationship, Old-Modern Russian; comparative-
historical analysis, meaning/form dialectics perspective; 8803649

Cheyenne verbal agreement system; generalized phrase structure
grammar analysis; word internal structure; 8806162
Chichewa (Bantu) high tone assignment; tone melody lexical subcom-
ponent proposed; verbal tense marking; 8803074
child language acquisition; agent/instrument noun semantic/
morphological analysis; natural morphology hypothesis, age factor;
normal vs Down's syndrome children; 8804799
child language development, morphosyntax acquisition; individual dif-
ferences, diagnostic caution; Italian elementary school children aged
6:6-7:0; 8802299
Cholan (Mayan) ergativity, morphology/syntax; split ergativity pat-
terns; 8806602
cognitive processes; inflectional form mastery; contextual variables;
Finnish-speaking children aged 2:6-4:3; 8804683
Comox/Interior Salishan reduplication; semantic effect explained; his-
torical factors examined; 8805862
comparative morphosyntax; *Language Typology and Syntactic
Description*; review article; 8800984
computational complexity theory; natural language processing system
problem tractability; agreement/lexical ambiguity; lexical-functional
grammar/generalized phrase structure grammar/two-level morpho-
logical analysis; 8801149
computational dictionary formalization, dynamic component's rele-
vance; K. Koskeniemi's two-level model; morphological informa-
tion; 8803810
computational morphology, software systems; general-/special-purpose
types; 8800958
creole languages; typological implications; structural/historical fea-
tures; 8806155
Croatian Church Slavonic, noun declension; grammatical categories
role; 14th-/15th-century liturgical books; 8808655
cross-linguistic suffixing preference; explanatory hypothesis developed;
psycholinguistic/diachronic factors; 8803356
Czech *po* 'after, by way of' + noun compositions; verb formation base,
etymological key; 8803368
Daninos, Pierre, satirical prose; morphological figures/puns/
paronomasias/"diaphoras"; 8809169
derivative/word-formation/word type/category stylistic value; Slovak
material; stylistically marked/neutral bases/formants, word catego-
ry/type expressivity; 8801805
derived word processing; productive Italian derivational suffixes; visual
lexical decision tasks; 8804821
deverbal adjectives' nominal use/semantics; derivative suffix role;
Ukrainian data; 8803359
Dutch acronym affixation, *-er* derivatives; M. C. van den Toorn's ac-
count critically examined; morphological productivity/over-
characterization distinction; 8803379
Dutch adjectival suffixes *-en/-s/-isch*, lexical phonology framework,
stress-attracting morphemes; 8808279
Dutch denominal word formation, suffix *-er* polysemy/
polyfunctionality; restrictive hypothesis formulated/supported;
8808281
Dutch derived words, external syntax; deverbal formations' comple-
ment structure; morphological process; 8803350
Dutch deverbatives in *-(e)ling*, word-formational rules/motivation, se-
mantic structure, traditional/transformational accounts; 8805947
Dutch nominal composition formation; determinant word selection,
verb root vs nomen actionis; suffix *-ing* productivity; 8808283
Dutch tri-element compositions stress patterns; N. Chomsky's/M.
Halle's lexical category prominence rule adaptation; Dutch linguisti-
cally naïve listeners; 8808295
Dutch words coordination, syntax coordination rules, gapping/
backward/forward conjunction reduction; 8805932
Dutch/Tildonks (South Brabant) *-er/-ling* derivations; accusative/
ergative suffix; valence markedness; 8808313
Eastern Kayah (Tibeto-Burman); grammatical description; phonology/
morphology/syntax; verb serialization; 8803624
echoism, English bird names; phonological aspects; 8808833
English *-ing* adjectives, experiencer constraint; lexical-functional gram-
mar model; 8805903
English as a second language adult learners' spontaneous speech; syn-
tactic/morphological assessment; profile analysis approach; 8807587
English as a second language learning, morpheme acquisition se-
quence, Italian students; sequence order, inter-study results confor-
mity, natural order hypothesis support; 8805199
English causative verbs; computational lexical synthesis; word forma-
tion rules; 8806417
English derivational morphology knowledge; developmental acquisi-
tion; spelling abilities relationship; normal/learning-disabled stu-
dents; 8800954
English derived compounds; French translation difficulties; 8802999

- English derived/composed words, inner morphology; 8805948
- English dialectology; phonological/grammatical/lexical variation; review article; 8806432
- English diminutive suffixes, system; 8803366
- English diminutives, word derivation synchronic/diachronic sense; F. J. A. Mostert's study; 8805949
- English nouns, *-o* endings, plural forms; regular/irregular spelling, *-s/-es/-s-es/-i/-i/-i* endings, typology; 8806579
- English ordinals formation, *-th/-eth* occurrence rules; word-formational patterns; 8805923
- English prefix *un-*, word-formational productivity/meanings; verbal/adjectival forms, systematization, German counterparts; 8805928
- English suffix *-ee*; meanings; formation productivity; 8803346
- English third person singular *-th/-s* replacement; phonological/philological/semiotic factors; 8803750
- English-Chinese interinfluence; English nativization/Chinese Englishization, morphological/syntactic/semantic aspects; 8803919
- English/Croatian prefixes; contrastive analysis; lexicographic/pedagogical implications discussed; 8801371
- English/German morphosyntax; systematic differences; J. A. Hawkins's *Contrastive Typology of English and German* reviewed; 8806373
- Erza-Mordvinian verb-forming suffixes; Ugric bases/meanings/functions; 8805927
- Esperanto stems, computer-assisted frequency dictionary; project requirements, statistical procedures, computational processing; 8803808

- Finnish deverbative derivatives, *-in : ime-* type; verb stem/suffix semantics; 8808296
- folk etymologies; Spanish dialectal use; Antioquia, Colombia; 8808769
- Franco-Acadian writing, English form use, lexical borrowings/spelling/morphological adaptations; 8806451
- French anthroponym-/toponym-based appellatives; derivation patterns/affixes; speech parts/affix productivity; 8808310
- French free determinative expansion, nonaffixal derivation; morphological marker invariability trend; 8808284
- French future tense history, Latin infinitive + *habeo* as base; Romance morphological agglutination, medieval/contemporary developments; 8806252
- French internal plural/number, morphological system; G. Guillaume's hypothesis; ancient language dual compared; 8808286
- French language usage, secondary school students, Lubumbashi, Zaire, phonetic/morphosyntactic/lexicosemantic features; 8805019
- French *me(s)-* prefix; Spanish equivalents, comparative study; pedagogical implications; 8801388
- French middle *se* forms; Romanian constructions compared; passive form differences, movement rule; 8801374
- French phonology; lexical processes analyzed; three levels proposed; 8803055
- French phraseological units formation; primary/secondary transposition; conversational/derivational/elliptical transformations; 8800969
- French "portmanteau words"; language learners' difficulties; affixation/compounding processes; parody dictionaries; 8802510
- French subjectless verbs; *voici* 'here is' / *voilà* 'there is'; empty category theory implications; 8805699
- French verb inflection, lexical organization; composition/selection rules; defective/suppletive forms; 8805875
- French verb morphology systematization; segment identity, similarity, difference; variable/unique radical; indicative/subjunctive subclasses; 8805945
- French verb morphology; *passé simple*/past participle, second/third conjugations; root similarity, markers /s/, /t/; 8805938
- French verb morphosyntax; subject clitic inversion; government & binding model; 8803191
- French verbal prefix *in-*; syntactic effects; 8803176
- French verbs, morphological analysis; issue introduction; 8805946
- French verbs; morphological innovations; Humboldt's universal; 8803764
- Fula (Niger-Kongo) nominal class marking; strata/syllable dependencies, nasal variants; 8805937
- Fulfulde (Niger-Kongo)/Cushitic middle voice verb forms; typologically related behavior, transitivity/intransitivity/reflexivity; 8808218
- Galician evolution; 15th-century document presented/analyzed; morphological/orthographic/syntactic/lexical features noted; 8803446
- Galician-Portuguese historical morphology; verb stress/vowel quality alternations; analogical change theory implications; 8803380
- Galician-Portuguese word formation; compounds, diachronic/lexicographic/linguistic analysis; 8803348
- German as a second language, English-speaking students' adjective endings instruction method; S. Krashen's language appreciation approach adopted; 8800323
- German developed *-ung*-nouns, transformational/lexicalist account; N. Chomsky's/R. Jackendoff's frameworks; 8803376
- German dialects; allomorphic variation; basic/derivational/inflectional morphemes; Freiburg/Tübingen/Stuttgart speech; 8805911
- German foreign nouns' morphological adaptation; case/plural inflection, null/intermediate/strong markedness; 8803373
- German grammatical gender, morphopragmatic approach; morphology/speech situation effects; 8800957
- German modal/shade particles *denn/etwa/schon/eben/halt*, idiomatic use, colloquial language; German as a second language learners' difficulties, Norwegians; 8805162
- German moods; syntax/semantics; unified grammatical description; 8803354
- German morpheme, nonphonological variability; syllabic composition; 8803382
- German negation, micro-/macro-analyses; second-language teaching implications; word/sentence/text levels, semantic/syntactic/morphological aspects; 8803225
- German phrase/adjectival word formation, modelability/semantic content compared; 8803244
- German plural formation; "cue strength" psychological model; schema matching; 8808294
- German pseudo-compounds; word group/compound distinction, morphosyntactic criteria; historical development; 8803369
- German strong-weak verbs continuum; characteristics, transition stages; 8805902
- German *ver-*prefixed verbs description/multilevel analysis; valence/actant/typology problems; 8808306
- German weak masculine nouns; semantically based class, language-specific/universalist traits; 8803347
- German word formation logical form; word formation morphology/semantics interpretation; logical form derivation process outlined; 8800968
- German-French computer terminology comparison; Anglicisms/loan translations/neologisms/ equivalents/composition/derivation/shortening; 8806549
- grammatical morpheme acquisition; maternal recasts role; free/bound morpheme distinction; cognitive comparison model supported; 8802301
- Guadeloupe Creole; future tense evolution; creolization process; 8806295
- Hebrew verbal system; prosodic morphology approach; morphology/phonology interaction; 8805920
- Hindi vowel alternations, morphophonological explanation; noun/verb inflection/formation, word composition; 8805910
- Hittite duratives, Indo-European present formations; morphology problems; 8803630
- Hungarian morphophonological alternation, sources/processes; phonemic units/elementary speech events relationship; 8808309
- Hungarian nickname formation; rules/tendencies/exceptions; 8808799
- Hungarian nominal possessive forms; natural morphology explanation inadequacy, language-specific rules proposed; 8805917
- Icelandic prefixes/suffixes, stress; phonological structure constraints; 8803020
- Indo-European deferential address; historical development; grammatical person instability/slant phenomena; 8806301
- Indo-European demarcation terms; etymologies analyzed; single root **wer-* proposed; 8803658
- Indo-European *ex-*conjugation/proterodynamic verb inflection origin; 8806342
- Indo-European morphology, definition/characteristics; stem formation, agglutinative elements; 8808302
- Indo-European 'wine', T. V. Gamkrelidze's/V. V. Ivanov's Proto-Indo-European origin supported; alternative morphological proof proposed; 8803638
- inflectional morphology sensitivity; agrammatic Serbo-Croatian speakers; grammaticality judgment task; 8802136
- Inuit *katajjait* "throat games," linguistic analysis; morphological/metrical features; notation system; 8805617
- Inuit suffixes *-vu/-ju-* distribution, Eastern Arctic dialects; semantic representation distinctions; 8808297
- irony, word-formational means/strategies; morpheme/word combination; 8800972
- irrealis, creolization/complementizer development; W. Washabaugh's arguments disputed; reply; 8805935
- Isthmus Zapotec (Otomanguean); aspect morphophonemics/syllable structure; lexical phonology analysis; 8803066
- Italian feminine terms; morphological/semantic analyses; native-

- speaker/dictionary data; 8804250
- Italian-Latin-Romance relationship; contacts/stratification/parallels/linguistic differentiation; 8803924
- Japanese honorific marking, word formation hypothesis; causative/passive aspects; 8805919

- Japanese morphophonology; lexical phonology analysis; stratum ordering; tonal/segmental phenomena; 8805653
- Japanese *rendaku*, (g) to (ŋ) nasalization; lexical phonology approach; phonological rules/morphological structures; 8805649
- Jin (Chinese) dialects morphology; contraction/expansion; lexical derivation; 8805951
- Kabylie Berber morphophonology; syllable structure/initial syllable alternation; three-dimensional phonology; 8805616
- Kilivila (Austronesian) classificatory particles; listing, changes; 8805942
- Kivunjo (Niger-Kongo) morpheme *ni*, distribution/functions; noun phonology role; G. Dalgish's analysis refuted; 8808299
- Korean case marking; case tier transformational approach rejected; combinatorial relation encoding analysis proposed; 8805936
- Korean grammar; suppletion/defective paradigms; verbs/subject pronouns/honorifics; 8803201
- Korean morphological causative verbs; word formation fossilization claimed; 8803352
- Korean noun coordination; syntactic/morphological processes distinguished; syntax/morphology interaction examined; 8803149
- Korean numeral classification; concept-related nouns, noun classification syntactic criteria; numeral classification/morphological plural; 8803378
- Korean phonology; feature underspecification; melody plane feature structure; nonlinear morphology supported; 8805670
- Korean topic/conditional relative constructions; morphological/semantic interrelatedness; archimorphemic linguistic level postited; 8800860
- Korean umlaut; phonological/morphological/situational conditions; 8803093
- Kukuya (Niger-Kongo) phonology; tone/accent/prosodic domains interaction; autosegmental/lexical theories; 8800710
- Lakhota morphology/phonology interactions; lexical phonology explanation; 8808082
- language classification difficulties, Indo-Aryan; phonological/morphological features, tentative groupings; 8808757
- language contact; Spanish dialects; profound structural influences; 8806444
- language contact; vocabulary/morphology fertilization; French africanisms; 8803902
- language typology; G. A. Klímov's active structure pattern; Kamaiura (Tupi-Guarani) evidence; 8806603
- languages' basic units/relations, paradigmatic/syntagmatic/hierarchical; concrete/abstract basic units; 8803361
- Latin prefixation; compounding analysis proposed; phonological sub-components; 8803046
- learner-oriented Russian paradigmatic dictionary; Georgian audience; morphological operations; 8804026
- Lem, Stanisław, science fiction short stories; M. Kandel's English translations; structural/lexical correspondences; machine/human translation; 8800660
- lexemes, automatic identification, contemporary French; newspaper text; morphological analysis; 8808715
- lexical access, morphologically decomposed forms storage; augmented addressed morphology model; 8804662
- lexical category, purely morphological approach; Hungarian data; X-bar features incorporation; 8806146
- lexical derivation; descriptive hypotheses, second-language pedagogy applications; 8805213
- lexical recognition; prefixed words vs free morphemes; gating/auditory lexical decision/naming tasks; continuous access theory supported; 8807309
- lexical structure; world knowledge/experience categorization; Portuguese nominalizing suffixes, classificatory functions; 8807150
- lexical/word-formational decorrelation, Modern Russian; etymon/decorrelate relationship/synonymy, usual/occasional decorrelates; 8803355
- Lillooet (Interior Salish) 'pretending, acting like' forms; verbalizing morphological operations; semantic distinctions; 8805914
- linguistic theory development; grammatical categories, traditional/modern treatments; 8808444
- Luba-Kasaayi (Niger-Kongo) noun formation, verb-based derivation; 8805933
- Mandinka (Mande) verb causative/transitive extension, suffix *-ndi*, word-formational patterns, dictionaries data; 8805916
- markedness theory; morphological processes; iconicity role; 8805925
- medical Romanian, morphological peculiarities, didactic relevance; 8805901
- Menya (Papua New Guinea) verbal morphology; subject cross-reference markers; relevance degree; 8805952
- Mexican Spanish; historical emergence/contemporary dialects/variability; Chicano Spanish compared; 8801475
- Modern Greek absolute superlative/meaning intensification word-formational patterns; adjectival/adverbial/numeral compounds, productivity/frequency list; second-language teaching relevance; 8805906
- modern Hebrew construct state nouns; number marking/vowel duration differences; 8802000
- Moroccan dialectal Arabic; French influence; auto mechanics' terminology analyzed; 8803895
- morpheme acquisition; signed form; perceptual salience role; deaf children aged 2;3-6;3; 8804344
- morpheme-exponent correlation, agglutinative languages; distributional analysis; correlations typology; 8803344
- morpholexical rules; R. Lieber's/A. Marantz's evidence reviewed, new evidence presented; Spanish velar softening/Czech analogical leveling; 8806167
- Morphological Analysis for Retrieval Purposes system, lexical processing; Spanish application; 8803838
- morphological analyzer; PTP language network; 8801422
- morphological case-assignment/configurationality relationship; German; government-binding rules reinterpretation; "language" vs "grammar" distinction; 8808493
- morphological change; A. Carstairs's paradigm economy principle criticized; Maori passive suffix reanalysis/Latin third declension nouns; 8803370
- morphological fragmentation; sound change/lexical relation patterns; Old English strong verb ablaut; 8801319
- morphological neutralization, syntactic coordination; *take/can*, single entry solution proposed; 8808315
- morphological phenomena determinability; morphological structure formation principles; preliminary report; 8805953
- morphological productivity, separate subrules; French *-iss/-ir* verbs, chronological analysis; 8803342
- morphological rivalry, J. van Marle's domain hypothesis modified; Frisian suffixes *-heid/-ens*; 8808312
- morphological rules/grammar levels relationship; syntactic/lexical applications; Inuktitut/Quechua material; 8803364
- morphological structure/parsing relation; English prefixed words, lexicon storage; auditory priming experiments; 8808287
- morphological theories; comparative survey; 8800965
- morphological theory; lexeme/morpheme distinction; autonomous morphological/lexical components posited; 8800952
- morphologically defective Russian nouns/adjectives, unmarked case; foreign origin, assimilation process; 8806525
- morphology, lexicalist model; government-binding framework; 8805915
- morphology, new approach; ergative agreement prediction; percolation/merger principles, Basque data; 8808298
- morphology/syntax relationship, Yoruba (Niger-Kongo) phrasal morphology; modular bidirectional model proposed; 8808497
- morphophonemic alternation, interlinear text corpus application; 8808308
- morphophonemics, West Greenlandic (Eskimo-Aleut); assimilation/assibilation; synchronic analysis, diachronic facts; 8808033
- Nahuatl; comprehensive descriptive grammar; 8808583
- natural dynamic morphology, gestaltist approach; descriptive/explanatory adequacy; 8805900
- natural morphology, typological aspects/semiotic principles; W. Wurzel's theory, morphological typology model; 8805908
- negative morphemes, /n/ phoneme; Sanskrit-present; 8800966
- neologism formation, Greek-Bulgar parallel; prefixation/agglutination/semantic derivation/phrasalologization; 8805939
- neologism/exotic word formation; L. Zabrocki's word diacrisis theory; suffix restructuring/new suffix formation; 8808290
- Nigerian French learners; Yoruba interference; phonological/morphological/syntactic/socio-semantic levels; 8805524
- North Sea-Germanic *-s* plural, origin; French/English borrowing posited; Old Frisian *-ar* plural hypotheses; 8808301
- Northern Australian Kriol particle *na*, functions; intonation patterns, syntactic positions; 8808289
- Northern Pomo, topics; morphology/syntax/semantics/discourse pragmatics; 8808172
- null morpheme treatments reconstruction, linguistics historiography; deconstruction approach, literary-theoretical hermeneutic device;

- 8806170
Old English noun-adjective rection/concord; John M. Anderson's principle universality; 8803343
Old Estonian decliticization; diachronic syntax; agglutination hypothesis; 8801337
Orešnik, Janez, Icelandic contributions evaluated; morphological/phonological studies; 8803594
Oromo (Cushitic) causative morpheme /-s/; morphophonological analysis; dynamic cyclic approach; 8805921
Ostyak word compositions; typology, semantic criteria; German/Finno-Ugric comparison; 8805941
Paduan-Vincenzan-Polesinean, dialectal group subdivision, Central Venetian/Paduan-Vincenzan-Estean; characteristic morphology/phonetics; 8808779
Papuan medial verb morphology, Gorokan evidence; medial reconstruction; 8805913
paradigmatic-structural conditions; inflectional paradigm organization/change; Icelandic feminine nouns; 8803381
Peruvian Spanish plural marker -s deletion; functional constraints, functional hypothesis contradiction; 8803190
phonetic/morphological/syntactic alternation; typology; Russian material; 8806930
phonological changes, morphological origin; Y. Malkiel's Old Spanish examples challenged; 8801332
Plains Cree (Algonquian) dialect; morphology/syntax/discourse structure; verb inflection/grammatical relations/obviation/transitivity; 8805905
portmanteau formation; formal processes/phonetic factors; Spanish/Italian examples; 8803353
Portuguese causative constructions; syntactic/morphological patterns; semantic/pragmatic aspects; 8800742
Portuguese noun compounding; Brazilian political vocabulary; suffixal derivation; 8808219
pronominal suffixes, Arabic dialects/other Semitic languages; subject vs object distinction; 8808303
Proto-Bantu discontinuous verbal morpheme -jd-θ, reconstruction hypothesized; modern Bantu languages evidence; 8808304
Quechua numeral system, morphology/syntax; historical/sociolinguistic issues; 8808585
reading comprehension/morphological development, inflection, familiar vs nonsense words; learning-disabled pupils aged 7-11; 8805382
reduplicative affixation; historical Sanskrit evidence; fragmented reduplication; 8801316
repetition priming effect; morphological/semantic/formal relationships influence; lexical organization/context system; 8800026
Réunion Creole; verbal morphology origins; P. Baker's/C. Corne's analysis rejected; 8803968
Riehme, Joachim, German orthography teaching; orthography/grammar relationship; 8804090
Romance lexicon; Latin surviving/lost etyma; morphological/phonological/semantic analysis; 8806326
Romance nominal gender-marking; tree names; morphophonemic factors; 8808190
Romanian abbreviations, formation/functioning; related problems; 8805909
Romanian language; descriptive grammar; syntax/morphology/phonology/lexicon; 8808581
Romanian numeral, speech part status, morphological characterization/diagnostic context; 8805725
Romanian structures noun + adjective/adverb + *de* 'of' + supine; transformational analysis; adjective occurrence/morphological constraints; 8805697
Russian abbreviations; morphology, homonymy; pre-/post-revolutionary Russian; 8803363
Russian appositive compounds, journalistic style; semantic/morphological/structural properties; 8803351
Russian as a second language acquisition process; morphology/syntax learning paradigms/syntagmatics dialectics/asynchrony; methodological implications; 8805090
Russian as a second language instruction; materials/methodology, morphology teaching problems; polyparadigmatic nature; 8800298
Russian aspectology; traditional descriptive notions critique; verb's semantic/aspectual characteristics incongruence; 8803365
Russian deadjectival forms in -o/-e, speech part status/syntactic function; Soviet-East German treatments compared; second-language teaching implications; 8805944
Russian dialectal *grad-/gorod-*; Old Bulgarian/East Slavonic root morphemes; 8803374
Russian noun ending variants -e/-ie; orthographic rules, semantic/morphological/historical/phonetic factors; 8805943
Russian numerals, morphological description; cardinal/partitive/collective/ordinal numbers/numerals; 8805762
Russian suffixes' connotative values, typology; comparative (Russian-Ukrainian) framework; 8808236
Russian toponym-based adjectives, cross-republic word-formational variation; native-language/dialectal/sociolectal influence; 8803349
Russian verb aspect usage, Russian as a second language instruction, German students; methodological guidelines; 8805182
Russian verb aspectual correlation, naturalness/markedness; semantic/morphological levels, iconic symbolization; 8803360
Russian verb; stem size/accental complexity relationship; 8805629
Russian word-formational nest, *vesna* 'spring' core-word; center-derivative semantic relations, new meanings, lexicographic implications; 8803372
Saame (Lapp) diachronic syntax; decliticization/deaffixation; abessive morpheme; 8801336
Sabine River Spanish; phonological/morphosyntactic/lexical features; diachronic dialectological study; 8808778
Sacapultec Maya morphology, ergative-absolutive patterning; spoken narrative text counts; double positives; 8801621
Saint Teresa de Jesús; *Camino de perfección* (The Way of Perfection), diminutive use; Escorial/Valladolid versions compared; 8801847
Saxon place names; East Cornwall; etymologies/formal/semantic characteristics; 8801543
second-/foreign-language learning; grammatical morpheme research, methodological problems; Polish-speaking English as a foreign language students; 8800414
second-language acquisition, grammatical rules; morphological variation, context effects; English as a second language learners; 8807525
second-language acquisition, morphological markedness, in-/out-of-school language learning, German/French verbal-substantive markedness ratio; Italian migrants/anglophones; 8807519
second-language acquisition; Chichewa (Niger-Kongo) noun class morphology; first language/proficiency level effects; 8800427
segmental awareness development; morphological structure role; 8805924
semiotic theory; substance/substrate/structure concepts; V. Brøndal's/L. Hjelm's theories of meaning; 8801218
sentence head, Scandinavian/English/German/Dutch; government-binding/parametric syntax theoretical framework; 8808458
shifting stress, Russian present tense; suffix -i- verbs; morphologically based analogy; 8800784
Sino-Korean; phonology/morphology; non-Sino-Korean differences examined; 8801278
Slavic oikonyms/ethnonyms in *-itji, patronym-/nonpatronym-derived; distinction contested; appellative/anthroponymic bases affix difference; 8803994
Slavic verb; R. Jakobson's single stem hypothesis challenged; Belorussian dialectal evidence; 8805930
Slavonic possessive adjectives; inflectional/derivational character; control possibilities; 8800955
Slavonic spelling systems, differences; morphemic-morphophonemic systems, Russian examples; 8808910
Slovak verb derivation algorithm; analytic/synthetic components; multiword forms special treatment; 8800953
sociolinguistic terminology; -lect items; nonhybrid glossary proposed; 8801691
sound-structural rules; evolutionary typology; phonological/morpholexical/morphological/phonetic rules; 8806141
Soviet Korean; phonetic/phonological/lexical features; 8801478
Spanish adjectives *san/santo* 'saint' truncation; saints' names' initial syllable constraint; L. Menn's/B. MacWhinney's repeated morph constraint counterevidence; 8805926
Spanish analytic/synthetic futures; diachronic/comparative study; medieval texts examined; 8803651
Spanish inflection/cliticization; lexical analysis; pro-drop; 8808483
Spanish lexicon; lexical phonology analysis; word formation/word syntax/morphophonology/postlexical processes; 8805686
Spanish linguistics; generative studies bibliography; 8808485
Spanish loose compounds; morphological analysis; 8803362
Spanish masculine singular article *el*, morphology/phonology/syntax interaction; feminine/masculine noun appearance; 8808214
Spanish morpheme acquisition; spontaneous language samples; Mexican-American monolingual Spanish-speaking children aged 2;0-4;8; 8807236
Spanish morphological derivation; semantic/formal aspects; 8808280
Spanish verb morphophonology; *vengote* verbs, structure/evolution; extensions; 8806279
Spanish vocabulary development, 13th century; creative derivation role; Alfonsine manuscripts examined; 8801340
specialized term formation, concretization/generalization; feature-illustrative function; quasi-synonymic relationships; Russian materi-

- al; 8800963
- speech contact; morphological realm; naturalness/interference; 8803377
- spelling ability, morphological knowledge role; learning-disabled ninth graders; Wide Range Achievement Test; 8805904
- spelling ability; morphological knowledge relationship; kindergartners/first graders; 8800101
- spoken Arabic, Saudi Arabian village; verb morphology/forms/themes, noun/particle suffixation; 8808785
- St. Louis, Missouri, English; dialectological/sociolinguistic study; 8806471
- structural paradoxes; level ordering hypothesis, word-/phrase-level paradoxes; language principles conflict; 8808291
- structural-typological language treatment, language structure form-function hierarchy; Greek/Latin material, case/aspect/voice; 8806148
- suffix productivity change, Dutch *-lijk/baar*; semantic component role, diachronic perspective; 8808314
- surface case; autonomous tier treatment; universal grammar; 8801202
- Swahili (Bantu) animated nouns, morphological/semantic classifications; 8801275
- Swahili verb suffixes; lexical treatment; textual data, statistical analysis; 8800967
- Swiss German weak verb class; Old High German subdivision preservation, phonological/semantic basis; 8805795
- syntactic functions; morphological structure relationship; Finnish possessive suffixes; 8800960
- syntax/morphology distinction; word definition; lexicalist hypothesis/atomicity; word formation; 8803164
- syntax/morphology; cross-linguistic survey; T. Shopen's *Language Typology and Syntactic Description* reviewed; 8805757
- technical language compounds; German silicate terminology analysis; morphological/semantic/functional analysis; 8800973
- Thracian suffix *-sk-*; etymology/history/usage/variants/semantic/formational domain, onomastic formant; 8805929
- tier conflation effect, morphological information; J. McCarthy's argument applied; Modern Hebrew voicing assimilation/metathesis; 8808429
- Tocharian suppletive verbs; paradigmatics, contrast principle, first-class present-second-class aorist; 8806331
- Tolkien, J. R. R., linguistic techniques; private language creation/word play/sound symbolism; 8809141
- Turkish vowel harmony; structural analysis, item-argument approach; lexical/grammatical morphemes, phonological/morphophonological/morphological levels; 8803625
- Turkish, numeral vs transnumeral language; German-Chinese-Turkish compared; 8803345
- Tuyuca (South Amerindian) evidentials; origin/development; morpheme reanalysis/semantic drift; 8805922
- Tzeltalan (Mayan) tense/aspect system; proto-language/daughter languages compared; morphological change/markedness reversal; 8803375
- Ugic phrasal predicates, Hungarian reflexes; descriptive study; 8808278
- Ugic verbs, stem alternation type; lexicographic/etymological/historical-comparative relevance; 8803357
- Ukrainian complex noun structure, semantic syntax framework; compositional elements, affixes, semantic groups; 8808235
- Ukrainian derivative nouns, verbal/adjectival base; meaning change; quantitative analysis; 8800964
- Ukrainian deverbal derivatives, semantic/morphological valency, word-formational patterns; verbs semantic class, prefixation, derived speech parts; 8805918
- Ukrainian nonderivative masculine nouns, accent patterns; fixed/mobile stress; 8803103
- Ukrainian phraseological derivation, patterns/bases; words/syntactic structures as bases, derivation typology; 8805907
- Ukrainian/Belorussian/Russian word-formational nests; semantic parallels/analogies/correlations/divergences; 8805832
- untransparent composition memory representation, Dutch material; lexical decision task, semantic priming; full entry theory supported; 8808305
- Usan (Trans New Guinea phylum) language; descriptive grammar; functional grammar approach; 8806243
- verb morphology development; spontaneous speech, self-reference; discourse factors; child aged 1;10.16-2;0.2; 8807228
- verbal prefixation, characterization; Slavic/German scholars' comparative/noncomparative studies survey; 8800970
- voice synthesis; German sentences; prosodic/morphological analysis; 8806941
- Volney, Constantin François; Semitic studies contribution importance, innovative approach; Arabic/Hebrew root morphology; 8806207
- West Germanic consonant gemination; morphemic parsing role; 8805668
- West Germanic frequentative/diminutive suffixes, Frisian/Gronings examples; *-k-* verbs analyzed; 8808311
- Western Austronesian ergativity; discourse analysis approach critically examined; 8801001
- word formation, directionality; bidirectional morphology supported; 8808288
- word formation/grammar relationship; major aspects; derived word's grammar; 8803367
- word formation; French/English compared; learned compounding/derivation; 8803383
- word structure, phoneme-meaning correspondence; word formation internal structure; generative/natural theory framework; 8804055
- word-formation rules description, computational morphology; experimental systems, allomorphic variation/segmentation; 8808696
- word-formational meaning, formant/motivator semantic determination relationship, Ukrainian data; 8805899
- word's inner form, definition/description attempted; Soviet linguists' work emphasized; inner form/etymology/meaning relationship; 8800962
- words' mental representations morphological structuring; productivity/transparency/frequency parameters; Italian morphological errors analysis; 8804653
- Xhosa (Niger-Kongo) verbal extension; phonology/morphology/syntax/semantics; 8805792
- Yukaghir verbal/nominal stems differentiation; affixation, /ə/ phonetic value; 8805934
- Motor Theory of Speech Perception**
- speech motor control model, phonetic component form/function; action theory principles; 8807149
- verbal performance, retention/recognition, motor activity effect; J. Engelkamp's/H. Krumnacker's thesis refuted; 8807299
- Muscular Disorders**
- adductor spastic dysphonia therapy, EMG-biofeedback procedure; muscle relaxation; 8809347
- Parkinson's disease; motor speech problems described; velopharyngeal functioning/phonatory performance/speaking rate; 8804543
- Music**
- amusia, motor/sensory types; case history; 8802431
- child development/hearing-impaired child verbal therapy; space/music/dance role; 8800058
- Chinese tone reconstruction, Song Dynasty; Jiang Baishi's musical scores analyzed; 8808099
- Chinese tone/melody interaction; Cantonese/Mandarin commercially recorded songs studied; 8801977
- English as second language, pop-folk-rock music material; intermediate level; 8800296
- formant frequencies, choir singers; spoken/sung vowel differences; 8806932
- French folksongs, francophone Canadian immigrants, US New England; Lowell (Massachusetts) corpus; 8809050
- French metrics; final *-e*, rhyming function; E. Deschamps; 8801324
- Hausa oral poetry, Mamman Shata's production analysis/critique; poetry/music relationship; 8806018
- Inuit Eskimo vocal/musical games; structure, stylistic analysis; 8801262
- language learning, musical context relationship; special education application; language-impaired children aged 4;11-7;2; 8807103
- listening ability, parallel octaves/fifths discrimination; music students; 8806917
- music/linguistic writing, common origin/similarity; semiographic analysis, music/literature relationship; 8809227
- music/poetry relationship; expansion, grammatical/semantic levels; Schumann/Liszt; 8801904
- music/spelling instruction; tools/procedures/results; 8802462
- music; C. S. Peirce's sign classification system application; 8801917
- music; perception/interpretation; limbic/cortical systems role; music semantics; 8800917
- music; R. Barthes's views examined; semiology/musical meaning; 8801909
- musical language syntax/phonology, phrase's tonal structure/well-formedness principles; L. van Beethoven's sonatas linguistic analysis; 8808077
- musical work, semiotic status; C. Morris's sign conception application difficulty; 8801936
- musicotherapy; simple/secondary language retardation treatment; rhythm qualities; 8802198
- opera; meaning production/lyrical effect; musicality/vocality; 8801915

"park," text meaning category; phenomenological/semiotic/text-linguistic framework; music/literature/jurisprudence domains; 8801919
pitch determination, music/speech; fundamental frequency information algorithm; 8801974
qaṣīdih, Palestinian improvised-sung poetry; genre definition/classification, performance context, lyric/music; 8801099
reading comprehension; background music effects; classical vs rock; fourth-eighth graders; 8807710
repetitive music; modern/classical Indian forms; nonlinear time conception; 8801261
reviews, textual structure/organization; intra-genre variation, text modeling parameters; Russian music reviews; 8802556
rhythmic patterns; French/English differences; vocal/instrumental music relationship; 8804485
Ronsard; music-/art-related vocabulary; 8801843
second-language instruction, vocal music use; music/language structures compared; vertical segmentation; 8800337
second-language instruction; pronunciation improvement/music use; 8805042
speech/music performance, comparative analysis; human perceptive/cognitive systems; 8806891
"talking books," reading comprehension improvement; reading-disabled boys, grades 4-6; background music effect; 8802779
Ukrainian poetry, musical vocabulary; functions; 8801848

Narrative Structure

Appalachian narrative culture; structuralist/poststructuralist/narratological theory; 8801115
Bal, Mieke, *Narratology: Introduction to the Theory of Narrative*; review; 8806067
Brazilian Guaraní narrative; sentence initial elements, text forming functions; sentence grouping hierarchies/content framework; 8801007
causality expression, Commynes's writings; medieval narrative structure; 8803390
character introduction construction, primary-grade children; felicitous/audience-accommodating introductions; first-/second-grade children; 8804812
child narrative evaluation; story type/context effects; normal, language-disordered children; 8802346
children's storytelling; elaborated language use; props/pictures use; 8800079
children's written narratives; scary stories; oral language structures use; 8804760
conversational repetition; pervasiveness/functions/automatic nature; discourse coherence; 8801119
discourse structuring instruction, college freshmen; text summarizing vs sentence outlining; 8807901
Gavião (Brazil) word order; deep structure determination; information/coherence/topicalization/fronting; 8800867
Greimas, A. J.; meaning theory; structuralism/semiotics/discourse theory; 8809225
head-injured adults, narrative discourse characteristics; normal adults compared; information amount/rate/distribution; 8806988
Hindi short story *Liciyaā*; discourse analysis; structural narratology/semiotics; 8801053
interactive reading instructional model; active comprehension; story structure, declarative knowledge/question generation; 8805385
Jamamadī (Brazil) discourse; sentence repetition functions; 8800994
Karitiāna (Brazil) discourse structure; sentence-linking conjunctions; causal/temporal/additive semantic categories; 8801056
language shift, Arvanitika (Albanian) narratives, structure/function; ethnography of speaking paradigm use; 8809096
legal action; actantial model outlined; narrative structure/semiotics; 8809214
main character, children's narratives; agency/appearance features; preschool/kindergarten/second-/fourth-grade children; 8808379
medieval German texts; narrative structures compared; text scientific analysis; 8808407
Middlemarch; verbal texture; vocabulary/diction/syntax/sentence patterns; 8801831
narrative information; storage/recall; story grammars/constructed meaning roles; 8800044
narrative organization; pauses role; oral/written narratives analyzed; 8803483
narrative progression; verb tense participation; French/English compared; 8805580
narrative structure, story statement importance; causal relations/

hierarchical position effects; third/sixth/ninth/twelfth graders; 8803501
narrative structure/complexity; elicitation techniques; third graders; 8803440
narrative syntax, R. Thom's catastrophe theory applied; A.-J. Greimas's semiotic square; 8809210
narrative text readability; linguistic/text structural/semantic-pragmatic factors; passage-recall task; second-grade readers; 8807793
narrative universals, semiotic framework; broader perspective; Peircean/Saussurean traditions; 8801905
narrative, children's writing; fiction/nonfiction aspects; 8807936
oral narrative abilities; narrative structure developmental levels; first-/third-grade children; 8804765
oral narratives, orientations/codas use, adolescents; W. Labov's/J. Waletzky's model applied; adolescents aged 13-18; 8803492
paragraphs, student writing processes; structure strategies; 8807928
Paumari (Brazil) narrative structure; repetition techniques; overlay/coherence; 8801082
personal narratives, preschool children; meaning conveyance, context effects; conceptual conflict, adaptive value; 8804789
prose processing/recall; adult age differences; narrative/expository text types; 8802400
racism; black women's verbal accounts; reconstruction categories; 8806653
semiology; textual analysis; R. Barthes essay collection; 8809200
Spanish narrative structures; textual semiotic analysis; spatial locatives; 8809207
story comprehension, motivation analysis; abductive unification, non-monotonic equality; 8806403
story discourse, pragmatically defined constraints; interactions sequence; 8803292
story grammar ability; normal/language-disordered children aged 9-11 compared; story schema theory; 8804559
story memory, perceived/induced structure; recognition task; clustering analysis; 8807284
story schema; reading/writing instruction technique; 8807673
story structure recall, hearing-impaired/learning-disabled students; pictures/story grammar use; 8809353
story structure, teaching strategies; 8807744
storyline; structural/semantic functions; narrative universals; East/West African languages; 8801061
stylistic study, J. G. Rosa's "O Burrinho Pedrês" (The Little Spotted Donkey); syntactic/semantic/phonetic-rhythmic devices; 8801832
text analysis, F. Sabino's "A Culpa da Sociedade" (Society's Fault); narrative structure/meaning levels/semic relations; 8801003
text recall; structure sensitivity/metacognitive strategies; two-year college students; 8805986
tropic theory; narrative discourse analysis/phenomenology of language; metaphor/metonymy/synecdoche; 8803457
Xavante (Brazil) discourse structure; information distribution; topic indication; 8800990

Nasal Structures

coarticulation effects; orbicularis oris/levator veli palatini muscles; French speakers; speech motor encoding, hierarchical model; 8806942
French nasal vowel perception, acoustic cues; naso-pharyngeal tract simulation; 8806898
Parkinson's disease; motor speech problems described; velopharyngeal functioning/phonatory performance/speaking rate; 8804543
velopharyngeal orifice size; pressure-flow estimates accuracy examined; analog model/human subjects; 8804489
vowel nasalization; coarticulation effects; nasal accelerometric technique; 8804455

National Language

African language situation; national language promotion/adoption; external/internal factors; 8804270
Honduran Academy of Language, Spanish Academy correspondent; statutory laws; 8804291
Kiswahili (Niger-Kongo); national language role; Tanzanian language policy; 8804287
Nigerian language situation; national language selection problem; English vs indigenous languages; 8809107
Puerto Rico, language situation; Spanish/English relationship, Americanization threat; educational policy; historical-emotional perspective; 8804269
Taiwan language situation; Chinese community; language maintenance/shift/usage; sociocultural/attitudinal factors; 8806733
Native Language Instruction (see also Written Language Instruction, Reading Instruction)

- adult literacy development; child/adult differences, implications; participative methodology suggested; 8807637
- adult literacy education; international trends/approaches, "functional illiteracy"; programs reviewed; 8805253
- analytical writing instruction; dissertations, micro-structural defects; 8805508
- Andalusian adult education; literacy, program described; 8805250
- applied linguistics, language teaching relevance; domain, research goals; Dutch literature survey; 8804873
- applied linguistics, theoretical applied linguistics; language teaching relevance/applicability; 8804874
- argumentative texts writing, text structure; German high school students' compositions analyzed; linguistic/psychological causes; 8807902
- Australian National Curriculum Project methodology; Adult Migrant Education Program role; 8802451
- basal reader treatments; achievement/reading style relationship; second-grade children; 8802858
- basic writing competence; error awareness role; writing teachers' function; 8802898
- bilingual education; native-language literacy role; 8802315
- Brazilian education; literacy development; public/private school differences; 8802452
- Brazilian native language pedagogy; Stalin's ideas relevance; 8801433
- Brazilian native language pedagogy; teacher training; applied linguistics role; 8807353
- business communication instruction, international unit integration; 8802922
- business writing instruction; word processing, applications/reactions; 8802906
- Cajun French as a native language instruction, 20th-century activism; language maintenance issues; 8807358
- Canadian adult literacy programs; ethnic considerations, program description, Third World comparison; 8805256
- Canadian bilingualism; francophone minorities, educational possibilities; 8805542
- Carleton U Writing Tutorial Service; student use, teaching strategies; 8800561
- Castilian tenses nomenclature, designations confusion; teacher training problems; standardization urged; 8802464
- child language acquisition; educational foundation role; 8802347
- child language development; French elementary schools; standard language/home language divergence; 8802454
- child writing development; classroom discourse patterns effect; pedagogical implications; 8802892
- children's reading development; home-reading programs/parent involvement; 8800503
- children's scholastic performance; sociocultural factors; schema theory; decontextualized discourse acquisition; 8800015
- cloze technique; minimally educated adults' problems; open-ended interviews; 8805485
- communicatively oriented language classes, business world demands relevance; traditional written/grammatical skills recommended; 8800195
- complex sentence production; subordination categories, developmental trends; pedagogical application; 8804801
- composition courses, 20th-century abolitionist views; romanticism/elitism; T. Lounsbury's/O. J. Campbell's views examined; 8807938
- composition instruction, process emphasis; M. Heidegger's forestructure theory application; 8807919
- composition instruction, sentence-combining technique; advanced college level use; 8807932
- computer-based vocabulary instruction; learning-disabled/remedial/general education high school students; 8807369
- computers for play/language/thinking; requirements, benefits; 8807367
- conversation, first-language acquisition importance, hearing-impaired children; Natural Auralism method; 8806957
- conversational interaction, first-language acquisition, hearing-impaired children; Natural Aural approach; 8806960
- cross-cultural education; anthroliterary approach; oral/written literature use; 8807365
- curriculum development, pertinent problems; Italian schools; 8800180
- deductive/inductive teaching strategies, computer-based language lessons; field-dependent/-independent cognitive styles; French/Spanish high school students; 8807361
- dialogue instruction, East German elementary school; current empirical studies, data reevaluation; fourth grader's material; 8801033
- discourse analysis/training relationship; M. F. Steehouder's C. J. M. Jansen's/K. A. Maat's/J. L. C. van der Staak's/E. T. Woudstra's *Leren communiceren. Procedures voor mondelinge en schriftelijke communicatie* (Learning How to Communicate. Procedures for Oral and Written Communication) critically examined; conversation training methodology proposed; 8800980
- Duden Grammatik der deutschen Gegenwartssprache* (Duden Grammar of Contemporary German Language), 1984 edition critically reviewed; 8800193
- Duden Grammatik der deutschen Gegenwartssprache* (Duden Grammar of Contemporary German Language), 1959/1966/1973/1984 editions; critical reviews examined; 8800191
- Dutch as a native language instruction; grammar teaching role; sentence structure errors analysis/typology/causes; 8800182
- Dutch as a native language instruction, orthography; elementary level, principles formulated; 8800185
- Dutch as a native language instruction, letter writing courses; guidebooks reviewed; 8800559
- Dutch as a native language instruction; language reflection, traditional grammar teaching alternative; interview; 8802461
- Dutch as a native/second language instruction; child vocabulary acquisition studies/tests relevance; literature survey; 8804908
- Dutch as a native/second language, teaching materials selection; text's quality objective measure, coherence analysis; 8804876
- Dutch verb inflections, phonological aspects; native-language teaching; 8808081
- early written language instruction; lexical/phonological segmentation; first-grade children; 8807626
- educational issue illumination, functional grammar use; primary school morning news learning activity; schematic structure; 8802453
- educational phonetics; language instruction/therapy/pathology application; 8801999
- educational process; native-lang role; linguistic theory implications; 8807376
- elementary school vocabulary instruction; traditional texts/methods problems examined; alternative approaches suggested; 8804896
- emergent literacy, young children; recent work reviewed; language skill instruction implications; 8804890
- English grammar, correct usage; formal instruction advocated; 8805784
- English language usage standards; reader-determined model; student writing exercises; 8800573
- English usage; language purists' views/effective communication; 8806697
- English/regular system spelling instruction; reform strategies; Simplified Spelling Society report; 8804113
- ethnography, writing program development; S. B. Heath's/R. Scollon's & S. Scollon's/S. Scribner's & M. Cole's studies reviewed; 8801260
- expository passage comprehension; previewing effects; above/below average seventh graders; 8802843
- expository text comprehension; top-level structure use; 8807374
- expressive language problems, writing frames approach; group lesson described; 8807905
- first-language acquisition assumptions challenged; comprehension/production relationship; first-/second-language acquisition links/inferences; new empirical evidence; 8807226
- fourth-grade student compositions; prewriting activities effects; writing quality/quantity; 8802905
- French as a first language instruction; Quebec situation; language planning elements; 8806749
- French as a first language instruction, Ontario; undergraduates' written language analyzed; 8804903
- French as a native language instruction; grammar description role; 8800188
- French language test, secondary level; francophone/nonfrancophone students; 8805227
- German as a native language instruction; gymnasium level; communicative approach failure, grammar role; 8800192
- German as a native language instruction, teacher training; East German Us; word formation teaching; teaching plans/textbooks survey; 8802467
- German as a native language instruction, East German polytechnic high school; linguistic competence studies, theoretical/practical aspects; Marxist-Leninist framework; 8802460
- German as a native language instruction, German language history, East German polytechnic high school; textbook design, teaching tasks/objectives; 8802468
- German as a native language instruction, adults; reflection on language didactic use, methods/materials; 8804905
- German as a native language instruction, Hungary; ethnic minority mother-tongue education; error analysis; Hungarian/intralingual/dialectal interference; high school students; 8804899
- German as a native language instruction, writing component; *Sprachwerk* (language work) approach; writing as problem-solving;

- 8807882
German as a native language instruction, writing component; text re-writing, didactic benefits; 8807883
German as a native/second language, Belgium; language situation; German language status/selection, statistical data; 8804232
German as a native/second language, Bohemia/Moravia; history/geography/past/current statistics; Czech-German language contacts, minorities/language policies; 8809001
German grammar *Grundzüge einer deutschen Grammatik* (The Foundations of German Grammar) review; praise/critique reevaluated; 8800196
German language teaching, Belgium; elementary school, first-/second-language instruction, educational policies, attitudes; 8809038
German pedagogical grammars; design/form/content/drills evaluated; grammar learning difficulties discussed; 8800186
grammar instruction, Netherlands; computer-assisted instruction system; BOUWSTEEN/COGO/TDTDT programs; 8804902
grammar instruction; creativity role; 8804889
inference awareness instruction; four-step strategy; content area examples; 8807366
initial reading/writing instruction; constructivist approach; psychology/teaching relationship; 8807668
Iraqi adult literacy campaign; historical development, 1978 campaign description; 8805247
Italian advertising, cultural references; Italian language/culture teaching material, methodological suggestions; 8804884
Japanese language competence evaluation; standardized test development; 8800465
Japanese language placement/evaluation tests; non-Japanese, Japanese students; undergraduate level; 8805235
journalism instruction; composition teaching relevance; 8800189
language arts curriculum, linguists' contributions; content/methodology recommendations; 8804886
language awareness development; educational system's role; 8806663
language awareness instruction, children; E. Hawkins's methods; English as a native language instruction implications; 8804784
language contemplation program, native-/second-language instruction; authentic linguistic texts; procedure sample, bibliography; 8804892
language cultivation, educational objective, East German schools; 8807364
language education study; conceptual framework outlined; 8804910
language instruction, culture teaching, anthropological viewpoint; humanity/language/culture relationship, historical perspective; 8804891
language learning/personal identity relationship; English as a native language; 8804904
language learning/teaching model; effective English teaching; six postulates; 8807375
language teaching, linguistics application; ten areas outlined; 8804880
language teaching; communicative methodology/learner-centered approaches; 8800190
language variation; American South; black/white speech relationship; 8809057
language/content/delivery, public speaking elements; combination conditions; speech education implications; 8801039
learning strategies development; reading comprehension improvement; 8805325
linguistic development; first-grade literacy teaching method effects; Brazilian lower/upper class children; 8807633
linguistic oral content; primary school francophone children; formal/informal communicative situations; 8800302
literacy acquisition; formalist/functionalist perspectives compared; social interaction/language use; 8802358
literacy development; non-English-speaking background children; process writing classroom/narrative modeling; 8800564
literacy training; speech segmentation problems relationship; J. Morais'/P. Bertelson's/L. Cary's/J. Alegria's study; reply; 8802672
literature instruction model; reading, responding, writing; 8800179
logical relationship making; first-/second-language compositions; secondary students; Norwegian/English; 8805165
math story problems, analysis/instruction, verbal reasoning; SQ3R/inference awareness, teacher preparation; 8804897
metaphor instruction, language teaching importance; skill integration, instructional programs; 8807372
Mexican indigenous populations; literacy development program described; 8809079
Mexican indigenous populations; northern Veracruz situation; language maintenance/literacy development; 8809027
microcomputer use, language classroom; interactive/experiential model; international communications application; 8807362
multilingual education policies, Inner London Education Authority; native-/second-language instruction; 8807967
music/spelling instruction; tools/procedures/results; 8802462
Nande (Niger-Kongo) oral literature; language acquisition/pedagogy relationship; 8806230
national English curriculum, Great Britain; 8802470
native English instruction, Israel; curriculum creation, differing ability levels; 8807419
native language instruction, communication skills; classroom video use/materials; 8807360
native language reading instruction; Tok Pisin/Hiri Motu (New Guinea) literature; production factors; 8800511
native-/second-language instruction, language contemplation; linguistic-cultural education, reading instruction procedure proposal; 8804893
native-/second-language instruction, importance/attention/difficulties, Holland; survey data; 8809109
native-language education; written composition/questionnaire; Serbo-Croatian speakers, Denmark; 8807978
native-language instruction, ethnic minorities, West Germany; current educational policies/practice critically examined; guiding principles formulated, common/separate classes; 8800184
native-language instruction; metaphor treatment; language game approach; 8801812
native-language instruction; vocabulary acquisition importance; Portuguese teachers; 8802543
native-language instruction, communication-oriented teaching; grammar presentation relevance, sentence-oriented writing instruction; 8804906
native-language instruction; Argentinian secondary schools; theoretical bases examined/generative approach proposed; 8807363
native-language pedagogy; grammar instruction; 8800194
native-language teaching; computer-assisted learning programs; open-ended text disclosure program described; 8802466
native-language teaching; family folklore project; children aged 11; 8802321
New York City bilingual education; program creation/development; Puerto Rican students; 8800618
oral communication teaching, conference report, Saarland U, Saarbrücken, 8-10 Oct 1987; 8806609
oral communication; physiological/linguistic/psychological/social aspects; 8802458
oral/written language comprehension; processing strategies, constraints, perceptual/cognitive aspects; 8804894
pedagogical intervention, written language comprehension; reading instruction, early stages features; 8802766
personal anecdotes, U classroom use; functions, content-oriented/interactional goals; 8808374
phonemic segmentation, reading subskill; reading instruction importance; 8800500
Portuguese language teaching; Brazilian educational system, underlying model problems; sociolinguistic variation/standard prestige dialect; 8800181
précis writing; writing skill training; college students; 8802923
prereading activity; distinctive feature training effectiveness; pre-schoolers' letter discrimination ability; 8804797
problem-guided reading, college math-related courses; problem-solving emphasis, mathematics texts; 8805324
process approaches, writing/language instruction compared; Australian application discouraged; 8802463
reading achievement/locus of control; reading methods effects; learning-disabled students; 8802177
reading achievement; linguistic awareness relationship; kindergarten/first-grade/second-grade children; 8802795
reading acquisition, individual learning curves; different teaching methods effects; Dutch first graders; 8805435
reading aloud, native-/foreign-language classes; skills developed; 8807496
reading classroom; writing instruction role; teachers' beliefs; fifth-grade teachers; 8800491
reading comprehension instruction; traditional methods criticized/alternative constructive approach sketched; 8807631
reading comprehension; listening comprehension training effects; seventh-grade students; 8802774
reading comprehension; metacognitive strategy instruction effects; fourth-grade students; 8802812
reading comprehension; schema theory; adult/precocious good readers; 8802835
reading instruction differences, good/poor readers; classroom recommendations; 8805268

- reading instruction, linguistics contributions; lexicon/sentence/text features; 8805296
- reading instruction; stylistic comprehension/expression; innovative book report form; Brazilian high school classroom; 8800486
- reading pedagogy; first-grade classroom; shared big book approach; 8802686
- reading pedagogy; textbook terminology analyzed; 8802700
- reading skill development; direct instruction skills plan proposed; 8800485
- reading teachers' goals; children's interests/needs; 8802721
- reading teaching methodologies; philosophical foundations; 8807658

 lexical description, computational framework; rule formalisms; 8808719
 literary quotation, characteristics; pragmatic analysis; language norm/usage relationship, literary vs natural language; 8801079
 meaning theories, natural language semantics basis; categorial grammar approach; 8804418
 meaning, truth-conditional semantics; D. Davidson's approach revised; 8805833
 meaning/reference/truth/natural language; G. Kleiber's *Problèmes de référence: descriptions définies et noms propres* (Problems of Reference: Definite Descriptions and Proper Names)/R. Martin's *Pour une logique de sens* (Toward a Logic of Meaning) review/outline; 8805851
 model theoretic semantics; *Boolean Semantics for Natural Language* reviewed; 8803295
 morphological phenomena determinability; morphological structure formation principles; preliminary report; 8805953
 NABU natural language processing system; machine translation application; 8803849
 national language logical analysis, Moscow U conference, 1985; 8804396
 natural dynamic morphology, gestaltist approach; descriptive/explanatory adequacy; 8805900
 natural language definition; history, contemporary proposals; K. Marx's/F. Engel's/V. I. Lenin's language concepts; materialist-dialectical nature stressed; 8801953
 natural language generation; pragmatics/connected discourse/grammatical formalisms; generator design/human sentence production; 8803826
 natural language intensional contexts semantics; game-theoretical approach; 8803332
 natural language learning; J. Fodor's rationalist view/P. Churchland's criticisms; instrumentalism concept; 8801967
 natural language parsing; linear surface structures, hierarchical semantics; left-associative grammar, NEWCAT parsing algorithm; 8806137
 natural language processing research, AT&T Bell Laboratories; Transportable English-Language Interface described; 8806408
 natural language processing, software design issues; LISP/PROLOG use; 8803832
 natural language processing; Paninian approach; computer-based systems compared; 8803823
 natural language processing; representation/reasoning/recognition; 8801173
 natural language propositional structure; predicate logic framework; formal semantics logical relevance; 8806419
 natural language quantification; generalized quantifier model; 8808447
 natural language semiotics; C. S. Peirce's semiotic framework; natural language/linguistics/semiotics distinction; 8801937
 natural language syntax; left-associative grammar; NEWCAT parser; English/German grammatical analyses; 8806407
 natural language, computational analysis; statistical/mathematical/morphological approaches' shortcomings; semantically based solution proposed, LIMAS II project; 8806409
 natural language, science object; interpersonal communication, psychological/social concreteness; 8801180
 natural language; logic relationship; logical/syntactic tree structures; 8804411
 natural language; personality characteristics relationship; expressive language; thinker/feeler differences; 8804620
 natural language; semantic theory adequacy criteria; D. Davidson's model; 8805895
 natural language; semantic theory/discourse domains; 8806872
 natural morphology, typological aspects/semiotic principles; W. Wurzel's theory, morphological typology model; 8805908
 natural-language generation; knowledge representation; Ace framework; Knowledge INTensive Generator; 8801409
 natural/computational language units correlation; conjunction/disjunction as linguistic/logical operators; natural-to-formal language translation problems; 8803859
 number category, linguistic realization; means identified, natural languages; comparative study; 8803772
 Portuguese apparently synonymous structures; Rodolfo Ilari's account critically examined; radical pragmatics approach; static/dynamic interpretation distinction, gestalt theory; 8805880
 psycholinguistic semantics, moral truth; natural language orientation; 8804391
 referentiality; modern linguistic theory; meaning/ambiguity/polysemy; 8803585

- scientific discourse; pragmatic elements; natural/symbolic language mixture; 8803426
- second-language meaning comprehension; function word/suprasegmental cues effects; miniature artificial/natural language learning tasks; 8807536
- semantic interpretation, formal theory; topic-focus articulation/simple structures; intensional logic/tetogrammatical representations; 8800935
- stuttering children; central auditory nervous system functioning; language/learning problems; 8804578
- subworld concept lexicon, lexicon management system; machine translation application; 8808713
- syntactic category structures; various grammatical frameworks; 8808448
- truth/natural language relationship; A. Tarski's views; 8806871
- unification theory, natural language grammar formalism; D-PATR system introduction; 8805707
- Vico, Giambattista; language foundation notion; poetry as a language source, natural/figurative language synonymy; 8801954
- word structure, phoneme-meaning correspondence; word formation internal structure; generative/natural theory framework; 8804055
- Natural Phonology**
- Austrian phonological variation; dialectal influences, social status effect; politician interviews; natural phonology framework; 8804230
- Korean phonology; English loanword nativization; fortition, natural phonology analysis; 8803111
- Vienna German sociophonological variation; Vienna dialect/Standard German/cultivated colloquial; psycho-social factors; natural phonology framework; 8809058
- word structure, phoneme-meaning correspondence; word formation internal structure; generative/natural theory framework; 8804055
- Negative Statement**
- Akan (Niger-Kongo) consecutive verb negation; serial verb construction; tense/aspect marking; 8803166
- Catalán negation; 8800829
- Chinese negation/refutation, descriptive/polemical negation distinction; *bing-bu* (refutative expression) classes described; 8805737
- counterfactual conditionals; semantic analysis; negation/presupposition/possible worlds; 8809239
- Dutch sentence negation rule; French speakers' acquisition, developmental stages; 8802654
- English as a second language; syntax acquisition; Arabic-speaking children; 8805204
- English negated auxiliaries distributional patterns; context role, semantic factors, extralinguistic influence; elicited/spontaneous UK/US debate; 8806022
- English negation forms instruction; reading/reasoning contexts; 8807703
- English verb raising; *have*/negation placement; base-generated verb analysis proposed; 8808466
- French internal plural/number, morphological system; G. Guillaume's hypothesis; ancient language dual compared; 8808286
- French Neg-raising verbs; semantic properties; 8800926
- French negation innovations, cognitive grammar approach; Latin-modern French developments; 8808657
- German hedges; Spanish equivalents; fuzzy sets/relative classification; 8806396
- German negation, micro-/macro-analyses; second-language teaching implications; word/sentence/text levels, semantic/syntactic/morphological aspects; 8803225
- German *nicht* 'not' particle use; sentence/sentence part negation; second-language instruction implications; 8800826
- Haitian Creole; communication situation/language function; syntactic factors; 8803935
- Japanese degree adverbial *tashō* 'fairly'; lexical/semantic properties; 8808271
- Japanese negation; quantifier phrase interaction; case particles effects; 8808157
- Korean negation; recent semantic/pragmatic analyses; 8803309
- language norm/anomaly; philosophical perspective, Marxist-Leninist language/reality interrelationship; Russian negative/agrammatical sentences analyzed; 8801148
- Latin litotes; negatio contrarii, syntactic/semantic/pragmatic properties; functional grammar analysis; 8808147
- minimal quantifier, English/French examples; negation/problematic quantifiers described; 8801387
- negative coordination, Latin/Spanish occurrence; E. Coseriu's notion examined; 8803195
- negative morphemes, /n/ phoneme; Sanskrit-present; 8800966
- negative statements, explicit negation theory; Th. Fretheim's criticism challenged; 8808517
- negatives, literary stylistic use; reader involvement strategy; English literature examples; 8805404
- Portuguese implicit negation; R. Ibáñez's classification validated; 8800838
- Quebec French quantitative/qualitative expressions; equality negation; *aussi/plus* analyzed; 8803301
- Russian negation-raising phenomenon, syntactic/pragmatic/semantic accounts; transformational treatment review; 8803341
- Russian orthography, *ne* + N, separate/joint writing; particle/affix, noun's categorial semantics, semantic principle formulated; 8802457
- Russian verb aspect; negation particle effect; new temporal/modal meaning formation; 8803207
- Spanish subject extraction; government-binding analysis; L. Rizzi's postverbal position hypothesis upheld; 8808118
- Standard Arabic sentences; intonation/melodic curves; nominal affirmative/exclamatory/negative/interrogative sentences; 8806905
- Uralic languages verb negation, negation particle/auxiliary verb; intra-Uralic variation; 8808171
- Neologism**
- American slang, word intensification; *z* addition; 8801597
- aphasia types; lesion locus correlation; free speech samples, lexical diversity; hierarchical grouping analysis; 8802082
- Arabic syllable structure/nomination system; protolanguage development/French differences/modern terminological demands; neologic creativity; 8800678
- Belgian French vocabulary; English influence; alternative native devices; 8803888
- borrowing; lexicographic treatments; terminography/neography; 8803889
- Brazilian Portuguese political lexicon; derogatory terminology/word formation devices; other languages compared; 8806561
- British English lexicon; new words; 8806522
- British English neologisms; origins; 8804017
- Central Amerindian languages; maintenance/purism/Spanish influences; borrowing/neologisms; 8801497
- Colombian Spanish neologisms suggested; Academia Columbiana approval sought; 8801603
- Czech lexical items; neologisms/borrowings, assimilation/word formation; 8804086
- Drăgușanu, Ion Codru, *Peregrinul Transilvan* (The Transylvanian Pilgrim); foreign borrowings/neologisms, semantic domains; 8803878
- English phrase *supportive of*; origins/current status; 8805848
- English suffix *-ee*; meanings; formation productivity; 8803346
- English terms formation; Iran-Contra scandal; formation practices; 8801579
- Ethiopian literary languages, Amharic/Oromo/Tigrinya; modern socio-political terms translation strategies; 8800677
- French cinematographic vocabulary development; English borrowing/neologism roles; 8804068
- French "portmanteau words"; language learners' difficulties; affixation/compounding processes; parody dictionaries; 8802510
- French terminological neology; users' rejections; English borrowing preferred; 8803898
- German neologisms, lexicographic treatment need; neological dictionary compilation urged; 8804060
- German neologisms; contemporary German-Chinese dictionaries surveyed; neologism definition/typology; 8801559
- German "words of 1987"; *glasnost* 'publicity, openness', East/West German use, journalistic usage; 8804024
- German-French computer terminology comparison; Anglicisms/loan translations/neologisms/ equivalents/composition/derivation/shortening; 8806549
- Italian computer jargon, English terminology; translatable/nontranslatable terms; 8804032
- language contact; borrowings/calques/neologisms; French/Italian newspapers examined; 8803873
- Lenin's *Reminiscences of European Wars—Their Past and Present*, Arabic translation; neologisms/contemporary terminology; 8800683
- lexical productivity, innovative word formation, Modern Hebrew; word coinage test; undergraduates/graduates/eleventh graders; 8806529
- Marlowe, C., lexical innovation; neologisms/borrowing/word formation devices; 8809144
- neologism formation, Greek-Bulgar parallel; prefixation/agglutination/semantic derivation/phraseologization; 8805939
- neologism/exotic word formation; L. Zabrocki's word diacrisis theory; suffix restructuring/new suffix formation; 8808290
- neologisms; palimony? terminology creation; 8808248
- neologistic jargon aphasia; possible sources; phonemic paraphasia/random generator; target-related/abstruse neologism; 8802090
- new British English words, *-speak/-wise* formatives base; glossary; 8808837

- normative Spanish; mass media influence, foreignisms/lexical abuses/empty phrases; 8804268
- portmanteau formation; formal processes/phonetic factors; Spanish/Italian examples; 8803353
- Portuguese noun compounding; Brazilian political vocabulary; suffixal derivation; 8808219
- Proust, M.; *A la recherche du temps perdu* (Remembrance of Things Past), vocabulary examined; 8804319
- Romanian Latin-based neologisms, inflectional normalization, -tate/-ta forms; 19th-century linguists/purists debate; 8806357
- Romanian neological verbs, syntactic/semantic adaptations; 19th-century literary language; internal evolution/external models; 8808602
- Romanian neologisms accentuation; normative patterns; 8805678
- Romanian personal advertisements, vocabulary analysis; 8806630
- Romanian-Spanish common features; Latin elements preservation vs innovations; phonetic/syntactic/morphological/lexical phenomena discussed; 8801380
- Rovinean dialect technical neologisms, semantic/phonetic analysis; contemporary dialectal prose; 8803916
- Soviet Russian vocabulary, post-revolutionary neologisms; thematic domains, word-formational patterns, affixes; 8804049
- Standard Spanish neologisms; Royal Spanish Academy approval list, June/November 1984; 8801599
- Tadeusz Boy-Żeleński; French literary works, Polish translations; 8803004
- technical translation, German-English; specialized neologisms; personal experience; 8800645
- word meaning change; paradigmatically/syntagmatically motivated lexico-semantic derivation; patterns/mechanisms; 8803299
- word processing programs, everyday language use; borrowings/neologisms, standardized terminology development; 8800234
- ### Nervous System Pathology
- acquired dyslexia; morphological processing deficit/reading performance; case study; 8804587
- acquired verbal auditory agnosia; encephalitic etiology questioned; 8802424
- action-naming; Broca's/Wernicke's/anomic/conduction aphasics compared; confrontation naming/picture description tasks; 8802168
- adult language pathology; assessment/remediation; pragmatic perspective; 8807021
- affective prosody loss; left-sided Wada testing; spontaneous speech, affective flattening; 8802440
- agrammatism; Chinese conduction aphasic, case study; 8802423
- agrammatism; Chinese-speaking transcortical aphasics; neurolinguistic case study; 8802422
- Alzheimer's disease/dementia; language function; normal aging effects; 8809454
- Alzheimer's disease; language/pantomime relationship; 8807000
- Alzheimer's disease; nonverbal communication disturbance; pantomime recognition/expression; 8802132
- Alzheimer's disease; sentence repetition performance; syntactic processing/short-term memory/auditory comprehension; longitudinal study; 8802121
- Alzheimer's disease; verbal/visuo-spatial function impairment permanence; neuropsychological tests; 8800168
- Alzheimer's/Parkinson's disease patients, speech/language alterations; comparative analysis; 8806984
- ambiguous sentence comprehension; brain-damaged adults; mind modularity theory implications; 8804856
- American Sign Language; phonological structure/production; sign error data/aphasia study examined; 8804352
- amnesic aphasia, speaking/writing disorders; clinical features; 8806998
- anterograde/retrograde amnesia; herpes simplex encephalitis patient; visual memory perseveration; 8802427
- aphasia treatment; pause-&-hesitation approach described; 8804545
- aphasia treatment; psychomotor therapy technique; preliminary results; comments, reply; 8804632
- aphasia types; lesion locus correlation; free speech samples, lexical diversity; hierarchical grouping analysis; 8802082
- aphasia/neglect; unilateral subcortical haemorrhagic patients; 8804566
- aphasia; anticipatory coarticulation, acoustic analysis; speech motor programming model proposed; 8804548
- aphasia; caudate metabolism/language function correlations; 8807015
- aphasia; comprehension disabilities treatment; 8804522
- aphasia; function recovery, neurobiological model; recovery mechanisms/right hemisphere role; 8800163
- aphasia; language localization; right-handed left-hemisphere damaged woman; 8802087
- aphasia; language treatment effectiveness; 8804642
- aphasia; psychomotor therapy problems discussed; 8804639
- aphasia; right thalamic hemorrhage; language deficits; 8804563
- aphasia; word repetition performance; emotional content effects studied; 8804569
- aphasic anomia; word-finding defects/semantic lexical disturbances relationship; 8804535
- aphasic spontaneous communication; hand gesture use; Broca's/Wernicke's aphasics; 8807009
- aphonia etiologies, post-closed-head injury; case studies; diagnosis/therapeutic procedures; 8802159
- articulation disorders; athetoid/spastic cerebral palsy patients aged 7-14 years; perceptual difference detection; acoustic analysis; 8807055
- asymmetries; normal/aphasic subjects compared; high/low imagery word recall/recognition; 8804561
- augmentative communication instruction; cerebral palsied children aged 3:6-9:8; Blissymbols/Makaton Signing; longitudinal study; 8802195
- bilateral opercular syndrome/aphemia; language characteristics; case study; 8807347
- brain biochemistry; event related potential, Naloxone/tobacco effects; language, neuroanatomical bases; 8804498
- brain hemisphere equipotentiality, research review; language processing, lateralized brain damage; 8807327
- brain injury; aphasia/depression relationship; 8807041
- brain/language mechanisms; brain damage/aphasia/fundamental frequency contours; 8807031
- Broca's aphasia; syntactic processing deficits; CT lesion localization; 8802444
- callosal agenesis; language impairments; word retrieval deficits; 8802430
- cerebellar metabolic asymmetry; left hemisphere damaged aphasics; Broca's area; 8802144
- cerebral palsied children, speech regulation; conductive education; 8802194
- child aphasia; encephalitic cerebral damage, language rehabilitation program; one-/two-word/grammatical sentences development, generalizations; case description, boy aged 3:9; 8807032
- childhood acquired aphasia; language dissolution/neurological impairments; case study; 8800162
- compensatory language strategies, closed head injured patients; effectiveness/characteristics; therapeutic implications; 8807022
- conduction aphasics; sentence comprehension abilities; auditory verbal short-term memory role; 8804557
- contrastive/phonemic stress; acoustic correlates; right-hemisphere-damaged patients; 8802416
- crossed aphasia/apraxia; cerebral lateralization; 56-year-old male painter; neuropsychological tests/experimental tasks; 8802153
- crossed aphasia; nonverbal dysfunction; left-sided neglect/constructional apraxia; cerebral hemispheres role; 8802095
- crossed aphasia; normal lateralization implications; 8802088
- deep dyslexia; semantic paralexical errors/right hemisphere role; brain-damaged/illiterate normal subjects compared; 8802175
- disordered child phonology; phonotactic restrictions/motor-programming problems; English-speaking boy aged 9:0; 8804539
- distractibility, auditory comprehension; traumatically brain-injured/non-brain-injured patients; specific rehabilitation program development suggested; 8804862
- dysarthric speech, plosive consonant production; power/spectrum change; pseudobulbar palsy patients; 8809405
- expressively restricted aphasics; drawing/communication/language skill improvement; 8804637
- familiar phrase recognition; left-/right-brain-damaged patients; auditory comprehension task; 8802446
- fluent conduction aphasia; information retrieval strategies; verbal/nonverbal pathways; Chinese case; 8802421
- foreign accent, brain-damaged patient; case study; 8809372
- grammatical/semantic processing; auditorily presented sentences; auditory memory-impaired left brain-damaged patient; 8802445
- head-injured adults, narrative discourse characteristics; normal adults compared; information amount/rate/distribution; 8806988
- Huntington's disease; lexico-semantic deficiencies; semantic priming task; spreading activation; 8802442
- hyperactive children, Ritalin effect; reading performance implications; 8807643
- hypermelodicity; right-hemisphere-damaged patients; fundamental frequency variability/mean; 8802425
- iconic gestures; production/interpretation; brain-injured adults; 8806834

ictal speech, postictal language dysfunction; complex partial seizures, lateralization effects; 8807006

ideomotor apraxia; space-time movement system; error pattern analysis; 8809440

language acquisition disorder, neuropsychological pattern; child aged 0:6; 10-year study; 8802098

language acquisition failure; verbo-tonal therapy method; 8806990

language acquisition; mental development; dialogical activity/interpsychological processes; 8800103

language comprehension; unilateral brain-damaged children; Revised Token Test; memory demands; 8800158

language disorder research; language, neurological basis; aphasia/dementia relationship; 8806971

language dysfunction, early-/late-onset Alzheimer's disease; previous age difference reports challenged; 8809446

language dysfunctions; literate/illiterate left hemisphere impaired patients compared; language processing/right hemisphere; 8800165

language processing; spatial mechanisms role; right parietal area lesion patient; 8804515

language/verbal memory, left-hemisphere lesions, latent dysphasia, lexical-semantic/verbal memory deficit; nonaphasic left-brain-damaged stroke patients; 8809456

late-onset/acquired stuttering, adult; psychogenic/neurological factors; 36-year-old male; 8802075

left hemisphere damaged aphasics; limb apraxia; writing/praxis/drawing tasks; hemiparetic/nonhemiparetic patients compared; 8800161

letter stimuli; visuospatial processing; left/right cerebral hemisphere lesioned patients; 8804868

lexical decision effect, auditory semantic judgment; divided attention; right-/left-hemisphere-damaged adults; 8807325

lexical dysgraphia, left precentral gyrus lesion; case study; 8807343

lexical-semantic processing; object naming/semantic judgment tasks; Alzheimer's/aphasic patients; 8807187

linguistic retardation, cerebral disfunction diagnosis; neurological examination, neuro-psychological ability evaluation, behavioral observation; 8802169

long-term speech/language disorders, closed head injury children aged 8-16; speech/language tests; 8809410

memory/learning; biologically valid distinct mechanisms; focal brain damage; 8802434

metaphor performance; learning-disabled children; 8802178

multi-infarct dementia, speech/language alterations; Alzheimer's patients compared; 8807025

naming deficit, Alzheimer's type dementia; object/drawing, name frequency effects; 8809448

narrative discourse performance; right hemisphere lesioned patients; story retelling/summarizing/completing tasks; 8806972

narrative/dialogue comprehension; aphasic/nonaphasic listeners; 8802127

neurogenic communication disorders; loss/grief response, clinical implications; 8807045

neurolinguistics/linguistic aphasiology; language/brain relationship; 8804858

neurological disease diagnosis/documentation; acoustic analysis use; 8807027

neurological implications, reading disability; hemispheric strengths, reading skills; 8802756

object naming deficit, Alzheimer's disease; lexical access/semantic deficits; 8807337

orofacial motor control; Parkinson's disease patients; labial kinematics during speech; repetitive syllable production; 8802092

Parkinson's disease; motor speech problems described; velopharyngeal functioning/phonatory performance/speaking rate; 8804543

Parkinson's disease; spontaneous language production deficiencies; acoustic/linguistic analyses; 8802788

phonetically inaccurate spelling; learning-disabled/head-injured/nondisabled young adults; Wide Range Achievement Test; Boder-Jarrico criteria; 8804544

pictorial humor comprehension; aphasic/right-hemisphere damaged/normal adults; cognitive/conceptual processing; 8802114

pitch/speech discrimination, unilateral cerebral damage patients; right vs left lesion effects; 8807346

prosody loss, Parkinson's disease patients; motor control vs linguistic knowledge; 8809390

pure alexia, metabolic abnormalities resolution; case report; 8807038

reading disability subtypes, neurologically impaired students; reading-impaired/non-reading-impaired students aged 11-19; 8807064

secondary language retardation typology; congenital/acquired cerebral lesions classified; 8802093

secondary language retardation, verbatim absence/retardation; diagnosis difficulties; 8802141

semantic jargonaphasia; Taiwanese-Japanese bilingual; neurolinguistic study; 8802429

semantic memory structure; normal/Alzheimer type dementia elderly individuals; sentence verification task; 8802276

semantic processing impairment; brain-damaged patient; visual/semantic information interaction; 8804712

sensorineurally hearing-impaired children; maternal language tuning/responsiveness/imperative use; 8802069

sentence/list repetition skills; aphasic patients; meaningfulness effects; 8804556

spasmodic dysphonia; extralaryngeal motor functions; nervous system lesion localization; 8806980

speech apraxia; articulation omission errors; electropalatographic analysis; left-/right-handed male patients; 8804576

speech apraxia; neuromotor speech performance; anterior/posterior left hemisphere damaged patients; verbal reaction time/oral-facial EMG recordings; 8802164

speech intelligibility; dysarthric cerebral palsied adults; acoustic features contribution; 8804512

speech timing; Parkinson's/Huntington's disease effects; initiation/production/rhythmic timing relationships; syllable/sentence duration tasks; 8804553

speech-language pathology; pre-/postonset conditions; spouses' communicative roles; critical incident questionnaires; 8802107

spontaneous speech production; senile dementia/aphasia; neurolinguistic language production model proposed; 8802256

temporal lobe epilepsy; associated language abnormalities; written/oral language tests; adult patients; 8804532

transcortical sensory aphasia, two subtypes; preserved lexical repetition/nonlexical repetition; 8804529

unilateral posterior lesions, visual spatial attention deficit; centered/nonword letter strings comparison; 8807301

verbal abstract reasoning; CVA damage effects; Proverbs Interpretation Test; LCVA/RCVA/control subjects compared; 8802426

verbal communicative competence; informationally essential/socially conventional elements use; everyday language test; 8804520

verbal interaction, severe head injury; behavioral treatment; case study; 8806991

verbal/visual memory disorders, brain-damaged patients; hemispheric damage, locus, code impairment relationship; 8807033

voice perception deficits, brain-injured patients; familiar voice recognition tasks; right-/left-brain-damaged subjects; 8809327

voluntary muscle control, normal/athetoid dysarthric speakers; time/frequency domain analysis, smoothed/average electromyographic activity recorded intramuscularly; 8809346

word comprehension impairment; brain-damaged patient; picture vs word meaning processing; 8804703

word processing models, lexical/nonlexical routes; dual-route/analogy models; cross-linguistic evidence; comments, reply; 8802234

Neurolinguistics

acoustic features; auditory processing, three-stage model; vowels/voiceless fricatives, neural representations; 8806955

acquired verbal auditory agnosia; encephalitic etiology questioned; 8802424

adult language pathology; assessment/remediation; pragmatic perspective; 8807021

affective prosody loss; left-sided Wada testing; spontaneous speech, affective flattening; 8802440

affective/linguistic intonation processing; hemispheric differences; parallel processing hypothesis; 8802441

agrammatism, Y. Grodzinsky's theory reexamined; neurolinguistics' importance; 8807326

agrammatism; Chinese conduction aphasic, case study; 8802423

agrammatism; Chinese-speaking transcortical aphasics; neurolinguistic case study; 8802422

alcohol-related neuropsychological deficits; cerebral lateralization; brain damage; 8807341

Alzheimer's disease; sentence repetition performance; syntactic processing/short-term memory/auditory comprehension; longitudinal study; 8802121

Alzheimer's disease; verbal/visuo-spatial function impairment permanence; neuropsychological tests; 8800168

ambiguous sentence comprehension; brain-damaged adults; mind modularity theory implications; 8804856

ambiguous words; dominant/subordinant meaning processing; hemisphere roles; 8802420

amusia, motor/sensory types; case history; 8802431

animal/human communication; fundamental differences; symbolic function/hierarchical structuring; genetic factors; 8801884

- anterograde/retrograde amnesia; herpes simplex encephalitis patient; visual memory perseveration; 8802427
- aphasia treatment; neurobehavioral research applications; 8809513
- aphasia; anticipatory coarticulation, acoustic analysis; speech motor programming model proposed; 8804548
- aphasia; function recovery, neurobiological model; recovery mechanisms/right hemisphere role; 8800163
- aphasia; language localization; right-handed left-hemisphere damaged woman; 8802087
- asymmetries; normal/aphasic subjects compared; high/low imagery word recall/recognition; 8804561
- auditory comprehension disorders; aphasia therapy effectiveness; case studies; 8802106
- auditory periphery; speech encoding, anatomical/physiological bases; 8806947
- auditory speech processing; auditory periphery, computer model; speech recognition implications; 8806954
- auditory/phonatory performance; normal hearing subjects; interaural intensity/time differences; laryngeal reaction time/auditory brainstem response; 8800155
- brain biochemistry; event related potential, Naloxone/tobacco effects; language, neuroanatomical bases; 8804498
- brain function/language, child development; normal/abnormal language behavior, forced learning; 8807342
- brain organization; laterality tests implications; central/output processing; 8802435
- Broca's aphasia; syntactic processing deficits; CT lesion localization; 8802444
- callosal agenesis; language impairments; word retrieval deficits; 8802430
- cerebellar metabolic asymmetry; left hemisphere damaged aphasics; Broca's area; 8802144
- cerebral hemisphere differences, visual spatial stimuli processing; verbal/nonverbal stimuli, local/global components; 8807348
- cerebral lateralization; deaf/hearing individuals; stimuli meaningfulness; 8804861
- child aphasia; encephalitic cerebral damage, language rehabilitation program; one-/two-word/grammatical sentences development, generalizations; case description, boy aged 3:9; 8807032
- childhood acquired aphasia; language dissolution/neurological impairments; case study; 8800162
- cognitive functioning; convolutional/matrix models; memory/perception; 8802439
- color perception/naming, neurophysiological/linguistic data; opponent vision linear theory contradiction; English speakers; 8805891
- conceptual knowledge; semantic systems; neuropsychological research relevance; 8804711
- constructional apraxia; left-right orientation deficit; case study; 8807345
- contrastive/phonemic stress; acoustic correlates; right-hemisphere-damaged patients; 8802416
- crossed aphasia/apraxia; cerebral lateralization; 56-year-old male painter; neuropsychological tests/experimental tasks; 8802153
- crossed aphasia; cerebral organization role; case study; 8802160
- crossed aphasia; nonverbal dysfunction; left-sided neglect/constructional apraxia; cerebral hemispheres role; 8802095
- crossed aphasia; normal lateralization implications; 8802088
- deafness statistics, acquired/inherited, prenatal/perinatal/postnatal onset; preventive vaccination; 8806965
- deep dyslexia; semantic paralexical errors/right hemisphere role; brain-damaged/illiterate normal subjects compared; 8802175
- delayed language development heterochrony; cognitive function, wave-front mediation; 8807328
- dichotic listening performance; handedness/writing postures; inverted/noninverted left-/right-handers; consonant-vowel/motor tasks; 8802438
- distractibility, auditory comprehension; traumatically brain-injured/non-brain-injured patients; specific rehabilitation program development suggested; 8804862
- dyslexia definition; neuroanatomical/neurolinguistic perspectives; 8809476
- dyslexia, spatial thinking; visuo-spatial subtype unsupported; 8802417
- dyslexia; intrahemispheric collaboration deficits role; manual coordination/attentional processes; boys aged 9-14 years; 8807067
- electroencephalogram waveforms; P300 components; three-tone paradigm reflect task; adult Japanese speakers; 8801995
- familiar phrase recognition; left-/right-brain-damaged patients; auditory comprehension task; 8802446
- fluent conduction aphasia; information retrieval strategies; verbal/nonverbal pathways; Chinese case; 8802421
- fluent/nonfluent speech; phonetic anomalies role; neuropsycholinguistics; 8809418
- functional dyslexia diagnosis; psychiatric/psychological/neurological pathologies co-occurrence, dismaturative factors; high risk population; children aged 3.5-10.0; 8807042
- Goodglass, H., neuropsychology theory; clinical/experimental balance; 8807335
- Hécaen, H.; intellectual development; neuropsychology evolution; 8800167
- hemispheric language processing, French immersion students; finger-tapping/verbal tasks; bilingual processing implications; 8807336
- hemispheric specialization, letter matching, beginning readers; fixed/plastic structural models compared; kindergarten-second-grade children; 8807332
- hemispheric specialization, Morse code letters learning; phases; gender differences; 8807333
- Huntington's disease; lexico-semantic deficiencies; semantic priming task; spreading activation; 8802442
- iconic gestures; production/interpretation; brain-injured adults; 8806834
- Japanese writing processing; *Neurolinguistic Aspects of the Japanese Writing System* reviewed; 8802428
- language disorder research; language, neurological basis; aphasia/dementia relationship; 8806971
- language dysfunctions; literate/illiterate left hemisphere impaired patients compared; language processing/right hemisphere; 8800165
- language instruction; right brain learning approaches; interview; 8800416
- language laterality assessment; bilateral object naming latency task, effectiveness evaluated; 8804859
- language lateralization assessment, incongruent color-words paradigm; handedness/gender effects; 8807334
- language learning; critical period hypothesis; foreign accents, biological basis; 8807136
- language processes; right hemisphere role; story comprehension/prosody; 8802436
- language processing; hemispheric differences; dichotic listening tasks; 8804857
- language processing; spatial mechanisms role; right parietal area lesion patient; 8804515
- language teaching; historiography examined; bimodality concept; 8804959
- laterality/localization; brain processing efficiency; 8807349
- lateralization; speech/nonspeech motor function; stutterers/nonstutterers compared; 8804537
- left hemisphere damaged aphasics; limb apraxia; writing/praxis/drawing tasks; hemiparetic/nonhemiparetic patients compared; 8800161
- letter stimuli; visuospatial processing; left/right cerebral hemisphere lesioned patients; 8804868
- lexical decision effect, auditory semantic judgment; divided attention; right-/left-hemisphere-damaged adults; 8807325
- lexical dysgraphia, left precentral gyrus lesion; case study; 8807343
- linguistic tones, cerebral lateralization; narrow-band spectrographic analysis; right-/left-hemisphere-damaged Norwegian aphasics; 8802025
- linguistic units wholeness, dialectical-materialistic/neurological interpretation; cerebral hemispheres' speech perception roles; 8806144
- literacy effects, cerebral function/organization, studies reviewed; aphasia evaluation methods compared; 8804865
- long-term semantic memory; brain hemispheric asymmetry; item typicality effects; 8800170
- memory/learning; biologically valid distinct mechanisms; focal brain damage; 8802434
- metaphor; neurological basis; neural holography/physiognomic representational schemas/semiotic mechanisms; 8806849
- mirror-reversed text reading; sinistral inferiority; R. Tankle's/K. Heilman's results compared; 8802418
- motor behavior; verbal regulation/frontal lobe function; two-choice button-pushing task; children aged 2-5 years; 8802437
- name tracing identification, right/left palm; spatial aspect dominance; 8807340
- narrative comprehension deficits; right-hemisphere-damaged stroke patients; 8807329
- neurolinguistics history/origin/growth/application; C. P. Bouton's works reviewed; 8802792
- neurolinguistics/linguistic aphasiology; language/brain relationship; 8804858
- neurolinguistics; H. Hécaen's research; cognitive-linguistic processing; 8800166

object naming deficit, Alzheimer's disease; lexical access/semantic deficits; 8807337

Parkinson's disease; spontaneous language production deficiencies; acoustic/linguistic analyses; 8802788

phoneme recognition; left-hemisphere dominance, biological basis; brief temporal pattern representation; 8802388

phonemic processing; visual stimuli onsets, response latencies; 8802048

repetition; linguistic prepatterned/automaticity; neuroanatomical basis; 8803494

second-language acquisition; psycholinguistic/sociolinguistic/neurolinguistic/classroom research/bilingual education perspectives; 8807514

secondary language retardation typology; congenital/acquired cerebral lesions classified; 8802093

secondary language retardation, verbality absence/retardation; diagnosis difficulties; 8802141

semantic anomaly processing, cerebral hemisphere differences, commissuratory patients; event-related potentials data; 8807339

semantic jargonaphasia; Taiwanese-Japanese bilingual; neurolinguistic study; 8802429

simple language retardation, child language acquisition process disturbance; diagnosis/evolution/prognosis etiology; 8800100

simple/secondary language retardation; child language acquisition process disturbance; pathologies defined; 8802157

sociolinguistics, New Ways of Analyzing Variation conference overview; 8806639

spasmodic dysphonia; extralaryngeal motor functions; nervous system lesion localization; 8806980

speech apraxia; neuromotor speech performance; anterior/posterior left hemisphere damaged patients; verbal reaction time/oral-facial EMG recordings; 8802164

speech processing; auditory periphery role; spoken syllables, auditory nerve fiber responses; 8806945

speech processing; hemispheric differences; stop consonant categoricity/auditory evoked potentials; 8804860

speech processing; peripheral auditory system, composite model; 8806943

speech production; cerebral lateralization patterns; normal hearing/deaf adolescents; environmental effects; 8804863

speech representation; computational temporal nonplace model; low signal-to-noise performance evaluated; 8806946

spontaneous speech production; senile dementia/aphasia; neurolinguistic language production model proposed; 8802256

stop-consonant discrimination; averaged evoked response study; consonant-vowel/nonspeech stimuli; experimental design effect; 8800164

stuttering; voice reaction time/cortical auditory system activity; 8804560

surface dyslexia; semantic/visual recognition systems, partial dissociation; case study; 8804600

temporal lobe epilepsy; associated language abnormalities; written/oral language tests; adult patients; 8804532

tone processing; hemispheric lateralization; Modern Standard Chinese dichotic listening tests; Chinese/French subjects; 8800160

verbal abstract reasoning; CVA damage effects; Proverbs Interpretation Test; LCVA/RCVA/control subjects compared; 8802426

verbal/nonverbal processing, cerebral lateralization; right-/left-handed good/disabled readers aged 10; 8807331

verbal/nonverbal tasks; alpha wave topography; cerebral dominance/asymmetry; 8802432

visual systems; cognitive functioning; visual agnosia; 8802433

voice/tone onset time responses; right-hemisphere differentiation; preschool children; 8804864

vowel encoding; auditory-nerve fibers; phase-locking/average-rate features, relative importance; 8806953

word recognition; function/content words; lexical decision word reaction times/evoked potentials; 8800119

word recognition; length/visual field effects; right visual field advantage suggested; 8802419

word typicality judgment; electrophysiological manifestations, N400 component; adult males; 8804866

Neurotic Disorders

depressed patients; speech recordings, acoustic analysis; clinical state/speech variables correlation; 8804643

neurotic-like behavior/stuttering, children under age 4; stuttering severity, child-rearing environment data; 8807056

neurotic/psychotic language behavior; deviant/normal language; interdisciplinary approaches; 8807087

obsessive compulsive personality; speaking style; five speech categories investigated; 8802085

somatization/paranoia speech, self-concept expression; computerized content analysis; 8807085

Nilo-Saharan Languages

Akan (Niger-Kongo)/Luo (Chari-Nile) vowel systems; tongue mechanisms; front/back raising; 8802007

Bari (Chari-Nile) tonal system; descriptive analysis; verbal derivation system, tonal properties; tone sandhi phenomena; 8805687

DhoLuo (Nilo-Saharan) consonant alternation, noun plurals; lexical/grammatical conditioning rules; male native speaker; 8800732

Dinka (Chari-Nile) tongue twisters, preadolescent speakers; ethnolinguistic studies; grammar/socialization instruction; 8808565

Hausa (Chadic) topicalized constructions; focus construction differences; base generation/logical form binding approach supported; 8803196

Ik (Kuliak) *kut-* 'to say'; quotative/modal/independent use; clause structure/semantics, semantic grammaticalization; 8800858

Krongo (Nilo-Saharan) description; M. Reh's *Die Krongo Sprache (niino mo-di): Beschreibung, Texte, Wortverzeichnis* (The Krongo Language *niino mo-di*: Description, Text, Word List), review; 8806239

Lulubo (Chari-Nile) phonology; phonemic inventory/vowel harmony/syllable structure/ideophones/vowel elision; 8800694

Nigerian language situation; English, Pidgin, Arabic, Hausa, French; national language for education needed; 8801776

Samburu folk botanic categories, plant taxonomy; culture-specific taxonomy; 8801257

scarification/linguistic expression, Bahemba people, Zaire; 8806832

storyline; structural/semantic functions; narrative universals; East/West African languages; 8801061

Surma (Chari-Nile) languages, typological anomaly; 8808940

Toposa (Eastern Nilotic) vowel harmony system; diachronic perspective; 8805666

Toposa (Eastern Nilotic), voiceless vowels description; 8805667

Noise (see also Auditory Masking, Environmental Noise)

bisensory/summed-unisensory improvement scores relationship; speech-recognition tasks; 8804855

Four Alternative Auditory Feature test; normative data in noise; linguistic/psychometric properties; phoneme position; 8800147

nonsense syllable identification; presentation level effects; articulation index; normal hearing adult females; 8801989

phonation; noise/auditory feedback effects; long-term average spectrum/fundamental frequency analysis; singers/nonsingers compared; 8809318

s/z fricative recognition, English/Kazakh/Russian; segment content effect, noise/voiced element/vowel; 8804461

speech representation; computational temporal nonplace model; low signal-to-noise performance evaluated; 8806946

speech restoration; perceptual synthesis; auditory induction; 8801972

Nonsense Syllables (see also Trigrams, Nonsense Words)

Edgerton-Danhauer Nonsense Syllable Test; score prediction models; pure-tone thresholds; 8801983

nonsense syllable identification; presentation level effects; articulation index; normal hearing adult females; 8801989

Polish temporal organization, nonsense syllables; native Polish speaker; 8809309

stop-consonant discrimination; averaged evoked response study; consonant-vowel/nonspeech stimuli; experimental design effect; 8800164

Nonsense Words (see also Trigrams, Nonsense Syllables)

fast mapping, novel words, oral stories; first/third/fifth graders; 8807808

letter processing; word superiority effect; discriminability/bias; word/pronounceable nonword/unpronounceable nonword; 8800116

semantic anomaly processing, cerebral hemisphere differences, commissuratory patients; event-related potentials data; 8807339

word-learning ability; poor/normal readers; paired associate learning; meaning/nonmeaning effects; 8800534

Nonstandard Dialect

Arabic prestige dialect varieties; Modern Standard Arabic's traditional status; sociolinguistic analysis; 8801678

Austrian German pronunciation, standard/substandard variation; social stratification, situational/emotional factors; German teachers' speech analyzed; 8801702

Austrian phonological variation; dialectal influences, social status effect; politician interviews; natural phonology framework; 8804230

Bavarian/Austrian German/Standard German, linguistic separatism; lexical/phonetic differences, historical causes/current language policies; 8801781

Berlin dialect acquisition, kindergartners; Standard/Nonstandard differentiation, colloquial Berlin German preference, code-switching; longitudinal study; 8808780

Berlin German, variety development history; social/political/geographic factors; speakers migration/stratification; 8809083

- Berlinish-Northern Mark-Brandenburgish contacts; dialect/colloquial speech levels, High German influence; phonetic/lexical approximation; 8808766
- Cairene/Spoken Literary Arabic *b*-imperfect use; dialectal constraints identified; 8803936
- Chilean Spanish ludic formations, number-/letter-structures, lexicalization; thematic list; 8806568
- colloquial German; East German linguists' studies survey; 8801469
- dialect/Standard phonetic variation model; W. Labov's language variation model/alternative model; categorical rules; 8804222
- discourse/conversation/dialogue studies, Czechoslovakia, historical perspective; literacy/colloquial language relationship, conversation/dialogue typology; 8806020
- Dutch *om* 'to, in order to, so as to' use; written/oral language, formal/informal style, quantitative data, theoretical interpretation; 8805742
- Dutch-based creoles, existing forms, origin; "creolity" scale; 8803913
- Early Rus' written language, Old Church Slavonic relationship; 11th-century Russian; 8803704
- English as a second language instruction, standard vs nonstandard variety; multidialect communicative competence; D. Hymes's language use appropriateness conception challenged; 8807408
- English as a second language; Dutch students, pronunciation teaching; norm vs variants; 8804933
- European/Mozambique Portuguese phraseology; stability/variation/idiomaticity; Standard Portuguese norms; 8808671
- Fizuli, Mehmed, 16th-century Azerbaijani poet; lexico-semantic/stylistic peculiarities, nonstandard language/idioms use; 8806779
- French substandard vocabulary usage rating, French-German dictionary compilation relevance/French as a second language learning implications; native speakers' consensus; 8806555
- Fuldic/Standard German temporal relations expression; conjunctions/tenses/adverbs/predicates; South Hungary data; comparative-dialectal analysis; 8808789
- German *es* 'it' text-specific use, dialectal/colloquial/folk oral-poetic; 8805803
- German language development, 19th century; industrial revolution/proletariat-bourgeoisie conflict effect, normative works; 8801350
- German minority, Belgium, language official status; "öffentliches Deutsch" (public German), legal language planning; 8808998
- German Switzerland language situation; Standard German/dialect media diglossia; 8804247
- Hasdeu, B. P.; theoretical/practical dialectology conceptions; Romanian dialectal diversification studies; 8806458
- Italian pronominal redundancy, *a me mi piace* 'I like it' colloquialism; 17th-century norm; 8803731
- Kimgao dialect (Kiswahili); dialect status questioned; standard language interference; future prospects; 8801482
- language stratification, German/Czech; terminological aspect, written standard-colloquial-dialect; J. Chloupek's official-intimate language use dichotomy applied; 8801739
- language variation evaluation; dialectal-materialistic perspective, Prague school framework; national/nonnational attitudes; 8801734
- language variety/social status relationship; 19th-century English novels; second-language teaching implications; 8801851
- Literary Russian development, 18th-century vernacular/Church Slavonic relationship; Feofan Prokopovich's *Istoriya Petra Velikogo* (The History of Peter the Great) editions analyzed, grammatical/lexical norm changes; 8808661
- literary Serbian standardization, Jernej Kopitar's/Vuk Stefanović Karadžić's contribution/cooperation; Kopitar's/Dobrovsky's/Vuk's correspondence; 8806216
- Literary Swiss German; dialectal/Romance influence; lexical/syntactic/morphological peculiarities; 8803963
- Mauritius language situation/policies; colonial past, official English/French, nonnormalized/unrecognized creole, bilingualism/plurilingualism; 8809129
- Moravian dialects/Literary Czech relationship, North-Moravian borderland; vocational school students' spontaneous speech; word inflection/formation standard/nonstandard features; 8803955
- Newfoundland English; *tread* pronunciation, third-person *do* use, *finalize* attestation; 8801479
- nonstandard language; teachers' attitudes; language program participation effects; Black English; 8804253
- normative Spanish; mass media influence, foreignisms/lexical abuses/empty phrases; 8804268
- Novgorod language situation, 11th century; local dialect/Old Russian/Old Church Slavonic relationship; 8803767
- Persian dialects, non-Farsi elements; foreign influence/conservative nature; 8801442
- Russian as a second language instruction, familiar/nonstandard vocabulary word-formational patterns, East German students; ad hoc formations, communicative competence; 8804975
- Russian expressive-colloquial words, literary status; 8804075
- Russian language double history; national language formation, dialectal/Old Church Slavonic norms; 8803693
- Russian proverbs, colloquial speech type; lexico-semantic oppositions; 8800919
- South African Indian English, object-verb features syntax; substrate languages, obsolescence; 8805768
- speech-language pathology profession; nonstandard dialect speakers; public school situation; 8804629
- spelling variation, American English; speech-related/unrelated variations, colloquial register; 8801615
- Split (Yugoslavia) students'/workers' urban vernacular, phonological variables; standard/nonstandard relationship; 8801724
- Standard German, national variants/dialectal diversification; International German Teachers' Union 8th Congress; West/East German perspectives; 8806461
- style as sign, language/stylistic plurality; language-society relationship; centrum/periphery tension; French language variation; 8801902
- Swiss dialectal poetry, recent publications; message/audience/social functions; Swiss language situation outline; 8803957
- Swiss German diglossia, written-oral German, High German-Schwyzerdütsch, standard/dialect/colloquial relationship; 8806456
- Taiwanese complex noun phrase modal construction; modal nominal-auxiliary co-occurrence; 8800816
- Twain, Mark, *The Adventures of Huckleberry Finn*, innovative language/style; colloquial vocabulary, dialect/idiom use, pronunciation transcription; 8806805
- Venezuelan Antillean Spanish, segmental strength problem; new approach proposed; polysystemic natural model; 8801294
- vestigial Spanish, US; Cuban/Puerto-Rican/Mexican American Spanish/creole/pidgin speakers compared; 8801484
- Vienna German monophthongs, quality/vowel duration/height; East Middle/Swiss German material comparison; idiolectal/sex differences, regional similarities; 8805638
- Vienna German sociophonological variation; Vienna dialect/Standard German/cultivated colloquial; psycho-social factors; natural phonology framework; 8809058
- Zemskaja, J. A./Shelyev, D. M., *Gorodskoye prostorechiye. Problemy izucheniya* (Urban Popular Speech. Research Problems); review article; 8803962
- ### Nonverbal Communication
- acoustic patterns, human/monkey communication; phonetic approach relevance; intraspecific transcultural analyses; evolutionary aspects; 8809194
- Alzheimer's disease; language/pantomime relationship; 8807000
- Alzheimer's disease; nonverbal communication disturbance; pantomime recognition/expression; 8802132
- animal-human communication; V. Hearne's *Adam's Task: Calling Animals by Name* critically reviewed; 8804350
- aphasic children; nonverbal affective states/language development; intensive gazing; 8804807
- aphasic spontaneous communication; hand gesture use; Broca's/Wernicke's aphasics; 8807009
- autistic children, language training; presentation modes compared; 8809519
- autistic children; nonverbal pragmatic behavior; verbal/nonverbal subjects; 8802120
- bimodal language input, syntactic/semantic deficits, hearing-impaired subjects; signing teachers; Signing Exact English/Signed English classified; 8809363
- body language semiosis; presentation/transformation/representation relationship; C. Peirce's/M. Bense's/E. Walter's framework; 8801872
- Buck, R., *The Communication of Emotion*; G. Collier's *Emotional Expression*; prevalent assumptions; review; 8804340
- children's communicative acts; verbal/nonverbal aspects; taxonomic system proposed; speech act theory framework; 8802356
- communication-handicapped children, social/educational integration; therapeutic suggestions; 8802063
- communicatively handicapped children; nonverbal communication devices use; semantic representation systems; 8807108
- conversational interaction, synchrony/rhythm; turn taking/allocation; pragmatic/cultural knowledge, verbal/nonverbal cues, syntactic boundaries; 8808966
- conversational involvement; nonverbal behavior expression; interviews; unacquainted dyads; 8801629
- directives' directness evaluation; verbal/nonverbal components role; 8806837

- Down syndrome children, nonverbal communication skills; non-Downs mentally retarded children compared; expressive language deficit; 8804348
- emotional vulnerability/facial response relationship, disgust expression; stressful/neutral message; male/female undergraduates aged 20-30; 8806828
- English as a second/foreign language instruction, nonverbal communication; cultural differences; classroom activities; 8801870
- gestural sign perception; humans/bottlenosed dolphins compared; language/nonlanguage contexts; 8801883
- head movement; multiple interactional functions; Japanese dyadic casual conversations analyzed; 8804346
- historiography, nonwritten sources use; visual imagery/objects/places value; 8806336
- human operant performance; verbal/nonverbal repertoires interaction; computer game scenario; 8800124
- iconic gestures; production/interpretation; brain-injured adults; 8806834
- iconic/batonic gestures; hand movement classification, speech/nonspeech conditions; 8806829
- infant symbolic gesturing; name recognition; boys vs girls; infants aged 0:11-2:0; 8804718
- language/speech therapy, nonverbal educational-communicative treatment; communicative-symbolic-figurative systems, Blissymbolics; 8802199
- learning disability, nonverbal communication/self-concept/race effects; black/white learning-disabled students aged 9-11; 8809488
- morpheme acquisition; signed form; perceptual salience role; deaf children aged 2:3-6:3; 8804344
- motor mimicry; communicative function; left/right leaning; 8806826
- nonverbal behavior control; unconscious mind role; communication/intent; 8806830
- nonverbal behavior, aphasic adults; amount/effectiveness; 8807039
- nonverbal behavior, interpersonal communication; posed/spontaneous facial expressions; 8804347
- nonverbal communication role, interethnic communication; educational importance; 8804342
- nonverbal communication understanding; naive gestures; cognitive ability/age/language proficiency roles; 8806827
- nonverbal communication, Appalachian community's ethnographic study; 8809192
- nonverbal communication, functional perspective; M. L. Patterson's *Nonverbal Behavior: A Functional Perspective*; 8804339
- nonverbal communication; gender differences; schematic cognitive processing use; 8806605
- paralanguage, human audible movements communicative status; human body's anatomical-articulatory possibilities typology, English inventory; 8809191
- photo primer development/use, multiple-handicapped children; sign language use; 8802688
- psycholinguistics; D. McNeill's *Psycholinguistics: A New Approach* reviewed; 8807133
- request compliance; voice tone/nonverbal cue sensitivity effects; speech accommodation theory; 8806617
- scarification/linguistic expression, Bahemba people, Zaire; 8806832
- second-language instruction, communicative competence; linguistic/paralinguistic skills teaching, video use, autoscoping, auto-correction; 8804952
- second-language teaching; gestures role; 8807468
- self-instruction training, semantic/pragmatic production; deaf 10-year-old; problem-solving steps modeling; 8802067
- severe aphasia; nonverbal communicative abilities, compensatory function; videotaped interactions; 8804541
- severely/multiply handicapped students, nonverbal behaviors; description; 8807120
- sign acquisition, autistic boy; natural environment language training procedure; 8806835
- sign aphasiology; brain organization, signing function differences; spatial deficits; 8809190
- sign iconicity; single-sign receptive vocabulary skills, nonsigning hearing preschoolers; 8801875
- sign language communication skills development, vocational rehabilitation personnel/clients; rehabilitation process importance; 8809507
- Sorokin, Yu. A., *Psikholingvisticheskie aspekty izucheniya teksta* (The Psycholinguistic Aspects of Text Study); review/outline; 8803508
- speech acts; scientific metalanguage, descriptive/constructive approaches; language games; 8804398
- teacher behavior assessment; context free method presented; verbal/nonverbal channels; 8804125
- teacher/hearing-impaired student sign communication; English grammatical feature incorporation; teacher characteristics; 8801869
- telethesis communication system HECTOR; development/use discussed; 8807118
- Test of Nonverbal Intelligence; review; uses/limitations; 8809537
- verbal/gestural production relationship, Wernicke aphasic's coverbal gestures quantitative/qualitative/distributional/functional analyses; 47-year-old male; 8804524
- verbal/nonverbal behavior interaction/contingency; task requirements/audience characteristics; syntactic/semantic/pragmatic constraints; 8808969
- ### Nonverbal Languages
- American Sign Language acquisition, research areas; child acquisition ability; 8806836
- American Sign Language phonology; lexical/postlexical rule interaction; generative phonological theory supported; 8800722
- American Sign Language pronoun acquisition; gestures/linguistic structure; 8804349
- American Sign Language shift/maintenance; oppressive educational policies; ethnic identity; 8801876
- American Sign Language signs intelligibility; spatial frequency band filtering effects; 8801877
- American Sign Language structure; iconicity maintenance; sociolinguistic influences; 8804343
- American Sign Language, English interpretation; lexical suprasegmental register indications; hearing/deaf listeners; 8804351
- American Sign Language, linguistic stress effects; movement categories; 8809193
- American Sign Language/Amerind Signs acquisition, mentally retarded young adults; 8809498
- American Sign Language; phonological structure/production; sign error data/aphasia study examined; 8804352
- American Sign Language; writing system development; handshapes/nonmanual behaviors; 8801874
- augmentative communication instruction; cerebral palsied children aged 3:6-9:8; Blissymbols/Makaton Signing; longitudinal study; 8802195
- autonomous languages, signed/spoken children's languages; D. Bickerton's language bioprogram hypothesis framework; 8804721
- bilingualism/sign-verbal language acquisition compared; deaf children; double acculturation; 8802060
- bimodal language input, syntactic/semantic deficits, hearing-impaired subjects; signing teachers; Signing Exact English/Signed English classified; 8809363
- Blissymbolics/manual sign learnability; nonhandicapped adults; 8806833
- cerebral lateralization; deaf/hearing individuals; stimuli meaningfulness; 8804861
- communication-handicapped children, social/educational integration; therapeutic suggestions; 8802063
- deaf children's language experiences; orthographic study; 8801706
- foreign sign language intelligibility; referential communication experiment; 8801871
- gestural sign perception; humans/bottlenosed dolphins compared; language/nonlanguage contexts; 8801883
- gorilla utterances, pragmatic analysis; Koko's holophrastic period, American Sign Language acquisition; 8809195
- hearing-impaired children's education, francophone Belgium; institutions/methods/problems; 8809361
- language acquisition; linguistic theory/universal grammar; pronominal anaphora; 8806152
- language/speech therapy, nonverbal educational-communicative treatment; communicative-symbolic-figurative systems, Blissymbolics; 8802199
- linguistic perceptual mechanisms; phonemic restoration effects; American Sign Language analogs; 8801878
- linguistics as a discipline; real-world applications; 8800171
- paralanguage, human audible movements communicative status; human body's anatomical-articulatory possibilities typology, English inventory; 8809191
- prelingually deaf children; English/sign language, relative status; cognitive development; pidgin/creole situations; 8804511
- rebus symbol communication training; use generalization; mentally retarded preschool child; 8807111
- sign acquisition, autistic boy; natural environment language training procedure; 8806835
- sign language phonology, universal constraints; single finger contact/extension, (ulnar), (central); 8804353
- sign language use, severely/profoundly mentally retarded students; questionnaire, individual education plans; 8809494

- sign language/semiotics; A. Evans's/W. Falk's *Learning to Be Deaf*; J. Kyle's/B. Woll's *Sign Language: The Study of Deaf People and Their Language*; review; 8804364
- sign-language; hearing-impaired community; communicative competence development; 8804508
- signed English as a second language acquisition; native user contact effects; 8801873
- sociolinguistics, New Ways of Analyzing Variation conference overview; 8806639
- North Amerindian Languages**
- Alabama (Muskogean) noun marking absence; 8807218
- Alabaman (Muskogean) comparatives; simple/complex constructions described; 8805734
- Algonquian lexicography, Lahontan's/H. Kelsey's vocabularies; historical overview; 8808883
- American language situation; English/native/immigrant languages; language varieties, communicative uses; 8803972
- Amerind languages; new classification proposed; lexical/grammatical comparative study; 8806599
- Amerindian language description; history; Jesuit contribution; 8806238
- AUX category, Makah (Southern Wakashan) grammar; noun/verb status; 8808180
- Bloomfield, L./Voegelin, C. F.; Ojibwa correspondence; 8803606
- Canadian languages/linguistic/ethnic situation; J. K. Chambers's *The Languages of Canada*; 8804177
- Canadian Métis dialect; Algonquin/French/English features; syntactic/semantic structure; 8803904
- Cayuga (Iroquoian) primary stress placement; rule ordering revisions; stress/penultimate lengthening; 8805618
- Central Alaskan Yupik Eskimo prosody modifying processes; double articulation principle revised; 8803110
- Cheyenne kinship system, "filiocentric" notation proposed; interview data; 8808569
- Cheyenne verbal agreement system; generalized phrase structure grammar analysis; word internal structure; 8806162
- Chinook Jargon, Oregon; social aspects, creolization; 8806735
- Chippewa Indian moon names, annual environmental/ceremonial events designation; southern tribes comparison; 8808820
- Comox/Interior Salishan reduplication; semantic effect explained; historical factors examined; 8805862
- Dogrib (Athapaskan) control/agreement, empty noun phrase evidence; K. Hale's analysis refuted; 8808191
- English reading instruction, Cree children; difficulty/interference areas; holistic approach; 8807765
- evidentiality; North/South Amerindian/other languages; 8801946
- first person inclusive dual pronoun; Ilocano (Igorot) system analyzed, (speaker) (hearer) (restricted) features; Miwok (Penutian) compared; 8805731
- Fox (Algonquian) stem derivation; post-transformational processes; 8806131
- head-marking languages; government-based analysis difficulties; Lakota (Siouan) evidence; 8803262
- Hopi radio commercial, topic structure; new/old information, rhetoric codes; 8806083
- indigenous Amerindian languages, J. Greenberg's *Language in the Americas* outlined; typology; comments; reply; 8803617
- Inuit Eskimo vocal/musical games; structure, stylistic analysis; 8801262
- Inuit *katajjait* "throat games," linguistic analysis; morphological/metrical features; notation system; 8805617
- Klamath/Wintu pronominal paradigms; resemblances; 8803775
- Koasati (Muskogean) everyday speech; male speech forms loss; 8806710
- Lake Miwok (California); phoneme borrowing/naturalization; Proto-Miwok system reconstructed; 8800701
- Lakhota morphology/phonology interactions; lexical phonology explanation; 8808082
- language structure/social functions; Mohawk/Russian/Hua/Cape York Creole/Swahili/Chinese; introductory textbook; 8809085
- language transfer; Navajo/Western Apache native speakers; written English texts examined; verbal modes/aspects; 8805961
- language/speech relationships, Fourth World settings; indigenous language shift/maintenance; Gitksan (British Columbia) language situation; 8809073
- Lillooet (Interior Salish) 'pretending, acting like' forms; verbalizing morphological operations; semantic distinctions; 8805914
- literacy; aboriginal peoples, Northwest Territories, Canada; literacy taxonomy; 8805254
- Luisefo (Uto-Aztecan) absolutive; lexical categories; noun/verb universality; 8805806
- Mohawk vowel syncope; vowel strength hierarchy role; 8803049
- Montagnais prayers, 17th century; editions compared; 8809140
- native American language variation; Lakota (South Dakota) English; depidginization process; 8803937
- Navajo consonant merger, d-effect phenomenon; underspecification theory framework; 8805619
- Newman, S.; biographical sketch; E. Sapir/Amerindian linguistics/American structuralism; 8801236
- Northern Pomo, topics; morphology/syntax/semantics/discourse pragmatics; 8808172
- Papago (Uto-Aztecan) word order; syntactic role independence; information structuring/pragmatic principles role; 8803472
- place-names/landscape, Cibecue (Western Apache) use; therapeutic function; 8806224
- Plains Cree (Algonquian) dialect; morphology/syntax/discourse structure; verb inflection/grammatical relations/obviation/transitivity; 8805905
- plants, cultural significance, Thompson/Lillooet Interior Salish; ethnobotanical data; 8808574
- Proto-Algonquian demonstrative pronouns, reconstruction; 8808177
- Salinan (Hokan) grammar, Antoniaño dialect; descriptive study; 8808584
- Susquehanna inscribed stones; old Basque syllabary use; 8804095
- Noun**
- action nouns; French/Polish compared; 8802956
- adjective-noun order relationship; object-verb/verb-object languages; geographical patterns; J. H. Greenberg's analysis contradicted; 8808441
- agrammatism; syntactic deficits/speech comprehension parallels; noun inflection sensitivity; 8804554
- Alabama (Muskogean) noun marking absence; 8807218
- anaphoric reference interpretation; script-based antecedent use; sentence pair manipulation; text-related probe words; 8802253
- antonomasis, common noun; rhetorical tradition; Latin/Classical French rhetoric treatments; 8806510
- aphasia treatment; naming performance; compound-noun-stimulation method; 8809445
- aphasic referential processing; production/comprehension; narrative discourse; 8806977
- Arabic number agreement; colloquial Jordanian/standard dialects; lexical diffusion; paradigmatic parameters; 8801490
- AUX category, Makah (Southern Wakashan) grammar; noun/verb status; 8808180
- Azerbaijani -la-suffixed verbs, root reconstruction; step-by-step process; meaningful units derivation traced; nominal/verbal bases distinguished; 8800961
- Balto-Slavic instrumental case, -m-ending, o-stem nouns; genetic development/isogloss; comparative-historical paradigmatic/interparadigmatic analysis; 8808635
- British/American English words, grammatical differences; collocability/co-occurrence restrictions; 8808665
- Bulgarian K-C alternation; masculine gender nouns, Proto-Slavic origin; alternation exceptions, geographic distribution; 8800697
- Burmese language, syntactic studies; sentence parts, nominal/predicative particles; 8800849
- Chichewa (Niger-Kongo) gender; noun gender/agreement markers; comparative Bantu implications; 8800769
- child language acquisition; agent/instrument noun semantic/morphological analysis; natural morphology hypothesis, age factor; normal vs Down's syndrome children; 8804799
- child language acquisition; Hebrew noun compound production/comprehension; children aged 3-9; 8802292
- child language acquisition; meaning first hypothesis refuted; gender/count-mass noun distinctions; 8804773
- Chinese/Korean unit counters; numeral/unit counter/noun relationship; functions, patterns; 8801392
- colloquial gender neutralization; Modern Hebrew/Lebanese Arabic numeral systems; 8800752
- Colombian indigenous languages, nominal/verbal structures; seminar report, Yerbabuena (Colombia) 29 May 1987; 8803255
- complex English nominalizations; machine translation; nominal/verbal syntagms; 8805606
- compound acquisition, two/three year olds; verb base use, comprehension/production ability differences; 8807211
- compound noun grammaticality; judgment task; children aged 3;5-6;0; 8804730
- conceptual combination, context/structure; adjective + noun, categorization; attribute relationship, effects; 8804685
- concrete nouns, meaning structure/semantic interdependences; name/denotat relationship, noun pairs; 8806540

- connotative meaning shifts; adjective-noun/adverb-verb combinations; Cliff's Law generalized; 8804648
- content word/function word differentiation criterion; content word as a noun/nominalizable unit; 8800947
- Croatian Church Slavonic, noun declension; grammatical categories role; 14th-/15th-century liturgical books; 8808655
- Czech *po* 'after, by way of' + noun compositions; verb formation base, etymological key; 8803368
- Daghestan-Avar class indicators; adjective formation, genitive case; class-marking versus class-neutral nouns; 8800894
- DhoLuo (Nilo-Saharan) consonant alternation, noun plurals; lexical/grammatical conditioning rules; male native speaker; 8800732
- Dutch acronym affixation, *-er* derivatives; M. C. van den Toorn's account critically examined; morphological productivity/over-characterization distinction; 8803379
- Dutch-Italian translation difficulties, structural differences; verbal vs nominal language, compensatory transfer strategies; 8806386
- East Slavic deverbative nouns, *-m-* ending; new etymologies presented; 8808623
- Emai (Niger-Kongo) semantic noun classes, reference-point marking; discourse/lexical semantics relationship; 8808395
- English gerund, origins; diachronic analysis; French influence, English infinitive behavior; 8808615
- English nominal constructions, J. D. Gallagher's treatment supplemented; technical translator's viewpoint; 8803203
- English noun phrase, nonovert head-noun occurrence conditions/restrictions; attributive adjectives role; government/binding theory framework; 8803217
- English nouns, *-o* endings, plural forms; regular/irregular spelling, *-s/-es/-s-es/-i/-i-* endings, typology; 8806579
- English suffix *-ee*; meanings; formation productivity; 8803346
- English verb-noun compounds, formation principle; noun semantic roles; R. Lieber's principle modified; 8800822
- EUROTRA, European Community project; nouns' semantic valence; eclectic approach; 8803852
- French case system, Latin declensional system invalidation; 18th-century Spanish grammars of French survey; 8803663
- French nominal adverbs; syntactic/semantic characterization; 8808112
- French nominal group/definite article; Marvin D. Moody's *The Interior Article in "de-" Compounds in French: "Agent de police" Versus "Agent de la police"* critically reviewed; 8805798
- Fula (Niger-Kongo) nominal class marking; strata/syllable dependencies, nasal variants; 8805937
- gated familiar noun perception; word frequency/temporal processing effects; children/teenagers/older adults; 8800146
- German developed *-ung*-nouns, transformational/lexicalist account; N. Chomsky's/R. Jackendoff's frameworks; 8803376
- German elided nominal groups; syntagmatic ellipsis; occurrence constraints, context sensitivity; 8800845
- German foreign nouns' morphological adaptation; case/plural inflection, null/intermediate/strong markedness; 8803373
- German nominalization; production pattern/semantic interpretation; verb's thematic role abstraction; 8808259
- German "nominalized" adjectives, transformational account; government/binding theory framework, Pro-drop principle; 8803218
- German "nominalized" adjectives, transformational account; S. Olsen's account modified, "avoid empty category" rule; 8803267
- German nouns/adjectives genitive case marking, *-s* presence/absence; obligatory/optional affix, null-allomorph developmental trend; 8805789
- German weak masculine nouns; semantically based class, language-specific/universalist traits; 8803347
- German-French nominal determinants, comparative-semantic analysis; 8808674
- grammatical categories; functional characterization; nouns/adjectives/adverbs; 8803118
- grammatical category shifts; phonological structure effects; English noun/verb stress asymmetry; 8807175
- grammatical gender typology, Slavonic systems; pattern determination, noun assignment; 8805716
- Hebrew complex nominals, form/use; developmental study; *smixut* 'adjacency'/compound constructions; Hebrew-speaking children/adults; 8802286
- Hebrew/English dress/cooking collocations; open/close language activity model; contrastive analysis; language teaching implications; 8808677
- Hindi vowel alternations, morphophonological explanation; noun/verb inflection/formation, word composition; 8805910
- Hungarian nominal possessive forms; natural morphology explanation inadequacy, language-specific rules proposed; 8805917
- incidence, internal nouns; G. Guillaume's notion; nominal contrasts, pre/postposed adjectives; 8808455
- Japanese verb/deverbal noun pairs; thematic roles/grammatical functions; lexical functional grammar; 8805791
- Jewish Palestinian Aramaic numeral "one," noun modifier use; Amoraic period; Midrashic-Talmudic/Targumic corpora distinction; 8808164
- Jita (Niger-Kongo) noun-modifier phrases, tonology; final syllable tone placement; 8808046
- juxtaposed binominals; pragmatic/semantic/syntactic examination; E. Benveniste's framework; 8803151
- Kivunjo (Niger-Kongo) morpheme *ni*, distribution/functions; noun phonology role; G. Dalgish's analysis refuted; 8808299
- Korean noun coordination; syntactic/morphological processes distinguished; syntax/morphology interaction examined; 8803149
- Korean numeral classification; concept-related nouns, noun classification syntactic criteria; numeral classification/morphological plural; 8803378
- language acquisition; count/mass distinction emergence; longitudinal speech data; 8804749
- language typology; G. A. Klimov's active structure pattern; Kamaiurá (Tupi-Guarani) evidence; 8806603
- Lardil (Tangkic) nouns, minimum word size constraint; 8805683
- Latin noun complements, functional analysis; syntactic/semantic/pragmatic functions; 8805759
- Lòkàà (Niger-Congo) vowel harmony, simple/compound noun stems; [i]/[u] variants; co-occurrence pattern/phonemic distinction loss; 8808086
- Luisefio (Uto-Aztecan) absolutive; lexical categories; noun/verb universality; 8805806
- maintenance rehearsal, habituation condition; attention to task effect; noun recall; 8802362
- modern Hebrew construct state nouns; number marking/vowel duration differences; 8802000
- morphologically defective Russian nouns/adjectives, unmarked case; foreign origin, assimilation process; 8806525
- multisyllabic noun production development; children aged 2;0-4;3; syllable deletion; 8802360
- Nahuatl; comprehensive descriptive grammar; 8808583
- Najdi Arabic; verbal/nominal forms; 8803927
- naming reaction times, children/adults; noun/verb pictures, visual tachistoscopic study; 8807289
- new word learning strategies; noun/adjective; two-year-olds; 8804810
- noun classification, Thai children aged 2-11; meaning role; 8807209
- noun compounds, appropriateness discrimination guidelines; writing instruction application; 8807917
- noun gender/number marking, noun/article homonymous forms; defective marking, Piacenza dialects; 8803970
- noun meaning knowledge; age related differences; category verification/extension tasks; 8802269
- noun semantic realization, Russian nominal constructions; predicative/identifying nouns; noun-adjective combination difference; 8800828
- noun/verb production; aphasic patients; grammatical class organization; 8807162
- Nuni (Niger-Kongo) tone patterns, simple verbs/nouns; compound regular/irregular nouns, derivations/morphophonemic rules; 8808065
- Old English noun-adjective rection/concord; John M. Anderson's principle universality; 8803343
- Old/Middle High German noun + possessive pronoun phrases; word order diachronic change, pre-/post-position; 8806286
- onomatopoeia-based noun formation, word-formational stages, Kashubian (Baltic) wild bird names; etymology/phonology; 8805852
- paradigmatic-structural conditions; inflectional paradigm organization/change; Icelandic feminine nouns; 8803381
- Persian compound nouns; semantic/syntactic properties; percolation principle; 8800876
- Polish deverbal nouns; 18th-century passive/active meaning, denotats typology; H. Kołataj's writings analyzed; 8803768
- proper noun instruction; creative emphasis; 8807745
- Proto-Guang (Niger-Kongo), nominal classification; Togo-"residual" languages/Guang relationship; prefix reconstruction; 8800820
- Proto-Indo-European ergativity; animate/inanimate noun cases; 8804123
- Proto-Indo-European gender system/noun classes, Hittite data; Proto-Indo-European-Hittite nominal classifications; 8803765
- Proto-Slavic **polxъ* 'alarm, disquieting'/**straxъ* 'fear' etymology, Indo-European action nouns derivatives, verbal bases; 8803747
- Romance noun; lexigenetic model; *langue/parole*, G. Guillaume's conception; 8804416

- Romanian Gallicisms, nouns' gender modification; morphophonemic/morphological/historical/stylistic/ sociocultural causes; 8803907
- Romanian number-defective nouns; *singularia tantum*, classification/semantic domains; 8800763
- Romanian *pluralia tantum* nouns; typology/semantic domain/origin, borrowed/native words identified; 8800764
- Russian analyticity, syntactic implications; undeclinable words increase; 8808130
- Russian animate/nonanimate nouns opposition treatments, Soviet/East German literature; lexical-grammatical subclass vs morphological category; second-language teaching implications, morphological approach, East German high schools/Us; 8805890
- Russian nominative sentences chains; functional-semantic types, principal elements; 8803306
- Russian noun ending variants *-e/-ie*; orthographic rules, semantic/morphological/historical/phonetic factors; 8805943
- Russian noun polysemy, grammatical characterization; number opposition; abstract/concrete meanings; quantitative semantics; 8803313
- Russian numeral animacy, norms/usage; animal/human/gender effects; 8805730
- Russian orthography, *ne* + N, separate/joint writing; particle/affix, noun's categorial semantics, semantic principle formulated; 8802457
- Russian stress patterns, high frequency nouns/verbs; irregular morphological patterns; 8800703
- Russian transliteration, (h) proper nouns; non-Russian phonemic features, problems; 8808084
- semantic flexibility; context role; noun meaning, central/peripheral properties; 8804713
- sentence information structure; verb/noun role differences; Polish evidence; 8805807
- Slavic collective nouns pluralization; comparative/genetic-historical analysis; formalization/grammaticalization trends; 8803655
- Slavic deverbal nouns, *-t-* root; Indo-European base; reconstruction/phonological derivation; 8803677
- Slovenian orphan accusative; phrase structure framework; syntactic treatment; Russian data; 8800899
- Spanish loose compounds; morphological analysis; 8803362
- spoken Arabic, Saudi Arabian village; verb morphology/forms/themes, noun/particle suffixation; 8808785
- subject/predicate relationship, Romanian sentence; person/number agreement, subjectivity/government properties, nominal/verbal predicates; 8805811
- Swahili (Bantu) animated nouns, morphological/semantic classifications; 8801275
- Tăra Lăpuşului toponyms, lexical/grammatical/phonetic peculiarities; 8806505
- Temne (West Atlantic) lexemes, class system functioning; 8806526
- terminological fertilization; information processing/telecommunications/transportation vocabularies; noun compounding; 8803906
- Ukrainian agent designations, derivative bases; verb/deverbal noun, suffixes; lexico-semantic relationships; 8803331
- Ukrainian complex noun structure, semantic syntax framework; compositional elements, affixes, semantic groups; 8808235
- Ukrainian derivative nouns, verbal/adjectival base; meaning change; quantitative analysis; 8800964
- Ukrainian nonderivative masculine nouns, accent patterns; fixed/mobile stress; 8803103
- visual imagery, generation/persistence times; 8807153
- word memory traces; semantic structure; noun recognition experiments; 8804702
- Noun Phrase**
- adjunct direct objects; government-binding theory analysis; case/theta-role assignment problems; 8806143
- adnominal genitive; value/functions; noun phrase core relation; 8803231
- Aleppo Arabic elative formation, bases/patterns/German rendition; 8803128
- Arabic subject-verb agreement, historical aspects; nontopic noun phrases; 8808186
- Australian aboriginal languages; common grammatical features; 8806237
- Basque zero-morpheme notion challenged, locative suffix evidence; 8808292
- case patterns, German; combinatorial/distributional restrictions, empirical/theoretical motivation; case infections presence/absence; 8808437
- code-switching, word order constraints, Arabic/French; French noun phrase insertion vs borrowing; 8808735
- Colombian indigenous languages, nominal/verbal structures; seminar report, Yerbabuena (Colombia) 29 May 1987; 8803255
- complex noun phrase constraint, violations; lexical/grammatical head dichotomy, Swedish/English/Finnish evidence; 8808507
- Dogrib (Athapaskan) control/agreement, empty noun phrase evidence; K. Hale's analysis refuted; 8808191
- English coordinate NPs; generalized phrase structure analysis; unary features/feature percolation; 8806171
- English noun phrase, nonovert head-noun occurrence conditions/restrictions; attributive adjectives role; government/binding theory framework; 8803217
- English noun phrase-internal/-external movement; government-binding analysis; Chomsky's minimality condition revised; 8801179
- English NP-*be*-NP tautologies; semantic information contribution; 8808231
- English reduced nominal, definition/expansion/identification; pronouns compared; 8800885
- English specific indefinite subject noun phrases; literary motivation/linguistic justification; 8803288
- English verb particle movement; transformational analysis; heavy noun phrase shift case; 8800794
- existential/pseudo-cleft sentences/relative clauses; English, Chinese, Japanese compared; English as a second language teaching implications; 8801389
- French complex nominal phrases; formation processes; English influence; 8803883
- German *accusativus cum infinitivo* structures; transformational-generative treatment; 8803247
- German discontinuous noun phrases split, "free" word order; government/binding framework, universal grammar principles; 8808443
- German pseudo-compounds; word group/compound distinction, morphosyntactic criteria; historical development; 8803369
- grammatical overgeneration prevention, principles/parameters approach; Russian noun phrase examined; cross-linguistic empty category distribution; 8803553
- Hindi-Urdu ergative noun phrase, topic properties; subjecthood/topicality; 8800801
- Latin noun complements, functional analysis; syntactic/semantic/pragmatic functions; 8805759
- Mandarin Chinese noun phrase-movement rules; universal constraints sought; 8803542
- natural language quantification; generalized quantifier model; 8808447
- Norwegian noun phrase co-occurrence/agreement; phrase structure analysis; 8808162
- noun phrase gaps; comprehension/antecedent access; word-priming study; 8803513
- noun phrase structure; determiner head analysis; Chomskyan X-bar theory/word induction approaches; 8808511
- object noun phrase inclusive/noninclusive interpretation, "some"/"all" readings conversational principle; J. M. Lawler's account rejected; 8805839
- Old English noun-adjective rection/concord; John M. Anderson's principle universality; 8803343
- Old/Middle High German noun + possessive pronoun phrases; word order diachronic change, pre-/post-position; 8806286
- pied piping, noun phrase problems; percolation convention application; 8803519
- Pitjantjatjara (Australian Aboriginal) syntax; categories/word order; hierarchical structure; 8803136
- Portuguese noun-phrase-internal ellipsis; discourse factors; deixis/quantification; 8800864
- relative clause formation; noun phrase accessibility hierarchy revised; absolutive primacy hypothesized; 8803172
- resultatives; postverbal noun phrase/predicative expression; small clause distinction; governing verbs effects; 8808457
- Russian analyticity, syntactic implications; undeclinable words increase; 8808130
- Russian nominative sentences chains; functional-semantic types, principal elements; 8803306
- semantic competence; form-interpretation relationship; prosodic features/disambiguation; 8805859
- Serbo-Croatian noun phrases, internal structure; descriptive adjectives, X-bar theory analysis; word order effects; 8808474
- Spanish N-Prep-N constructions; Romanian equivalents; 8803786
- subject role; English passive clauses/nominals; government-binding Θ -criterion revised; 8806149
- Sukhothai Thai zero noun phrases, sentence/discourse topics; discourse/pragmatic factors; 8800977
- Taiwanese complex noun phrase modal construction; modal nominal-auxiliary co-occurrence; 8800816
- theta theory, noun phrase trace; predication/NP movement theories relation; 8803570

- anthroponyms, ethnic identity source; Carpathians area, multiethnic contacts, extralinguistic factors relevance; 8806494
- antononasis, common noun; rhetorical tradition; Latin/Classical French rhetoric treatments; 8806510

- English as a foreign language pedagogy; syllabus design/teaching strategy; situational method/functional-notional syllabi; 8802525
- English as a second language, German students, oral monologues teaching; spontaneous/free speech characteristics/classroom simulation; 8807452
- English pronunciation teaching; Portuguese-speaking students; rhythm/stress/vowel quality; error analysis; 8802511
- foreign-language oral proficiency, "process" viewpoint; proficiency testing, strong learner stance; 8800217
- foreign-language teaching; classroom interaction; research findings reviewed; 8804971
- foreign-language teaching; written language competence development; communicative approach; French instruction; 8802486
- French as a second language; advanced spoken French program; language laboratory use, materials; 8800241
- German as a foreign language instruction; French secondary schools; methodology revitalization suggested; 8805045
- German language teaching; Finnish secondary schools; cognitive/affective aims rated; 8802591
- Japanese aural comprehension, advanced level; methods, materials; 8805066
- language experience approach; basic skills emphasized; mildly handicapped children; 8805323
- language pedagogy; graded objectives/tests; oral language skill development/grammar instruction; 8800319
- language pedagogy; phonetic correction; 8804929
- language teaching; structuro-global approach; experimental phonetics/computerization influences; 8804996
- oral communication tests; feasibility/validity/reliability; English as a foreign language; 8805225
- second-language instruction, students' free oral expression, error correction/teacher intervention criteria; 8805121
- second-language instruction; pronunciation improvement/music use; 8805042

second-language teaching; "Greet & Seat" approach; 8805129
 secondary level French program; oral proficiency-based approach/
 functional-notional syllabus; 8805132
 spoken English testing, nonnative teacher trainees; *Curso Oxford* (Rio
 de Janeiro) method; 8800227

Oral Reading

aphasic reading impairment; neuropsychological approach; Japanese
kanji/kana oral reading/comprehension; 8809442
 child oral reading, miscue analysis, teacher behavior/language; indi-
 vidual reading conferences; 6-/7-year-olds; 8805283
 children's literacy awareness; enhancement strategies; parental story
 reading; low/high print aware children; 8802314
 children's literature, oral reading; reading methods classes; future
 teachers' attitudes; 8807617
 discourse, pitch pattern/pause use; acoustic analysis; Japanese story;
 professional male announcer, Tokyo dialect; 8809323
 dyslexic's reading anxiety; remedial program; case study; 8807627
 English reading intonation; D. Brazil's theory critically examined; in-
 tonational superordination/subordination/equivalence, A. Fox's/H.
 E. Palmer's notions applied; 8803034
 new literacy; oral reading importance; Papua New Guinea program;
 8805292
 oral language/reading readiness skills; language-delayed prekindergar-
 ten children; senior citizens' oral reading effects; 8800082
 oral reading behavior/reading views; good/poor readers, linguistic cue
 use, meaning/decoding orientations; 8805406
 oral reading error analysis; synthetic-phonics approach students; con-
 textual/graphic constraints; 8807803
 oral reading for meaning; error self-correction behavior; third-grade
 poor readers; 8807747
 oral reading performance; relaxation training effect; learning-disabled
 readers aged 12.50-15.58; 8809523
 oral reading problem solving strategies, first graders; error analysis;
 8805446
 oral reading procedure; 4-way oral reading; 8807762
 oral reading, listener reactions; interjections vs spontaneous speech; se-
 mantic differential scale judgments; 8806986
 oral reading; phonological information conversion; flexible rule system
 model developed; 8805623
 oral reading; undergraduates; preschool audience; 8805313
 oral/silent reading transition; progression monitored; written language
 relationship; 8807666
 reading aloud, native-/foreign-language classes; skills developed;
 8807496
 reading aloud, preschool children aged 3-6; research reviewed;
 8805334
 reading interest improvement; volunteer oral reading program; third/
 fourth graders; 8807616
 reading level/text readability match, standard test score/Fry Read-
 ability Graph data use; third graders' oral reading; 8807599
 reading miscues/teacher verbal feedback; error type/self-correction;
 good reader behaviors; classroom implications; 8805317
 reading rate increase, Optacon use; oral reading data; 8804640
 remedial reading instruction; critical listening/critical reading;
 8807625
 second-language instruction, reading aloud vs reading out loud, pro-
 nunciation/reading comprehension teaching; 8805058
 second-language learning; teacher's reading aloud effects; reading/
 listening comprehension; Hispanic English learners; 8805205
 self-corrections, oral reading, good/poor readers; linguistic information
 types; 8807825
 Spanish Oral Reading Test; English phonics; native Spanish speakers;
 8807879
 speech characteristics; alcohol effects; young adult male social drink-
 ers; fluency/articulation/timing/word finding/sequencing; 8804546
 teacher interruptions, oral reading instruction effects; self-monitoring
 method proposed; 8807739
 velopharyngeal function impairment, hypernasal speech patients; cin-
 eradiographic study; 8809341
 word meaning acquisition; children's story exposure relationship;
 8804767

Oral Structures

accented devoiced vowels, Kinki (Japanese) dialect; electromyographic
 recordings, identification/perception tests; native speakers; 8809317
 auditory/oral tactile sensory processes; interaction; magnitude estima-
 tion/cross-modality matching; 8802050
 children's sex determination; speech samples; male/female speakers,
 aged 7:6-8:9; normally sighted/visually handicapped listeners;
 8804442
 cleft palate, reaction time, speech motor control; digital/labial/
 velopharyngeal times compared; clinical patient evaluation; 8809337

coarticulation effects; orbicularis oris/levator veli palatini muscles;
 French speakers; speech motor encoding, hierarchical model;
 8806942
 connected speech, dynamic variations; inverse filtering, waveform
 parameterization; male adults/child; 8809276
 Egyptian Arabic vowel system; emphatic environments; acoustic analy-
 sis; 8804453
 glottal air flow, static/dynamic models compared; K. Ishizaka's/J.
 Matsudaira's formula; one- vs two-dimensional flow theory;
 8809340
 human jaw muscle activity; activation timing, task specificity;
 8802054
 intraoral air pressure, velopharyngeal inadequacy relationship; speaker
 adjustment; 8809338
 nasal air flow rate measurements, velopharyngeal closure screening;
 cleft palate/velar dysfunction patients; 8809343
 orofacial motor control; Parkinson's disease patients; labial kinematics
 during speech; repetitive syllable production; 8802092
 S/Z ratio reliability; normal/pathological larynx condition; elementary
 school children; 8804534
 speech apraxia; articulation omission errors; electropalatographic anal-
 ysis; left-/right-handed male patients; 8804576
 speech communication; Massachusetts Institute of Technology re-
 search report; 8809335
 speech therapy, /ʒ/ elicitation; children aged 8/older; 8804584
 stuttering, multiple movement coordination; kinematic analysis; stut-
 terers; 8809384
 tongue muscle control, vowel production; electromyographic record-
 ings; New York City English-speaking male; 8809336
 tongue position, American English vowels; opto-electronic device use;
 native Southern English speaker; 8802049
 tongue position/formant frequencies relationship; cineradiographic
 data; 8804490
 tongue-palate contact, Japanese consonants; dynamic palatography;
 adult native Japanese speakers; 8806926
 velopharyngeal orifice size; pressure-flow estimates accuracy exam-
 ined; analog model/human subjects; 8804489
 vocalic harmony dynamics, Shapsugh Circassian data; K. J. Gregerson-
 son's overlapping registers applied; 8803107
 voice onset/jaw kinematics interaction; stutterers versus nonstutterers;
 8802104
 voluntary muscle control, normal/athetoid dysarthric speakers; time/
 frequency domain analysis, smoothed/average electromyographic
 activity recorded intramuscularly; 8809346

Origin of Language

Coleridge, S. T.; language philosophy development; language/thought
 relationship; linguistic naturalness; 8801952
 human language origins/development; meaning, evolutionary theory;
 8801196
 language origin; articulatory phonetics concepts; brain organization,
 language disorder evidence; 8808475
 language/knowledge; meaning/communication; language acquisition/
 origin/development, evolutionary theory; 8806136
 language; origin/development; Jean-Jacques Rousseau's theories;
 8808554
 linguistic paleontology; G. Schwidetzky's humans/language origin the-
 ory, tongue-in-cheek presentation; 8801248
 Tiedemann, Dietrich; 18th-century language/thought study; origin of
 language theories; 8806221
 vervet monkey symbolic alarm calls; acoustic cue use; human speech
 evolution implications; 8806842

Orthography

abbreviated English, 1483-1660; Merton College Register; 8808896
 academic achievement; early language delay relationship; reading/
 spelling/written language production; children aged 9-12 years;
 8804575
 accents, Latin alphabet; adaptability/widespread use; quotation mark
 forms; 8804116
 African oral narratives written recording, notational system, verbal/
 nonverbal aspects; Pokomo (Niger-Kongo) fables; 8808897
 alphabet transmission, Greece, pre-1400 BC; R. Carpenter's/J.
 Naveh's theories challenged; G. F. Praetorius's hypothesis revived;
 8806582
 alphabet, semiotic characterization; visual/kinetic description;
 8808931
 American English orthography; systematicity described; procedural
 rules/tactics/grapheme-phoneme correspondences; 8808892
 American Sign Language; writing system development; handshapes/
 nonmanual behaviors; 8801874
 ancient Egyptian writing system; analytic cursive phonetic writing, de-
 velopment; 8806586

- ancient Northwest Semitic copying practices, biblical text variants; Ugaritic hippatric tets, Phoenician Karatepe inscriptions; 8808893
- Australian aboriginal languages; orthography design issues; 8801611

Cyril's/Methodius's Bible translation; archetype manuscript identification; E. C. Colwell's method applied; 8808371

Cyril's/Methodius's first Greek-Slavonic translation, reconstruction possibility; Old Church Slavonic breviaries as sources; 8806360

early Indo-European bilingualism; Etruscan/Lycian relationship; Albanian origins; Latin/Greek development; 8801335

early Nabataean inscription, Tell esh-Shuqafiya, Egypt; provenance, description; 8808907

Elamite dictionary; trilingual inscriptions word stock; 8804087

Gadelic inscription translation; Gadelic-English cognate dictionary; 8803653

Great Trajanic Frieze; imagery/iconography studied; communicative codes; 8801888

Greek language prehistory/protohistory; pre-Mycenaean period/Linear B development/post-Mycenaean, phonological characteristics; 8806257

Indo-European, non-Indo-European contacts, Western/Northern Europe; *wolf/dog*-onomastic formants; 8806316

Indo-European-Uralic language contacts history/chronology/strata; K. Rédei's *Zu den indogermanisch-uralischen Sprachkontakten* (On the Indo-European-Uralic Language Contacts); 8808747

Indo-European; T. V. Gamkrelidze's/V. V. Ivanov's *Indoevropskii jazyk i indoevropejcy. Rekonstrukcija i istoriko-tipologičeskij analiz prajazyka i protokultury* (The Indo-European Language and Indo-Europeans. A Reconstruction and Historical-Typological Analysis of a Proto-Language and Proto-Culture) evaluation; 8806370

Indus seals/inscriptions; corpus database; sources, selection criteria; 8804117

Kensington Runestone; authenticity; new evidence presented; 8804105

Kjolmen Thracian inscription, new reading; Greek transliteration, alphabet territorial origin; 8806248

language deciphering; etymological/combinatory methods; 8803646

Latin inscriptions, abbreviations/contractions; Rome/Africa, 1st to 8th century AD; 8808611

Lemnos Etruscan inscription, dialect chronology; archaic Etruscan phonology/morphology/vocabulary; 8806246

Linear B phonetics, consonant system reconstruction; stop/fricatives defective series, voiced/voiceless opposition; 8806283

Linear B, discovery/decipherment; uses, historical document function; 8804093

linguistic paleontology; G. Schwidetzky's humans/language origin theory, tongue-in-cheek presentation; 8801248

Mayan Dresden Codex; solar eclipses, mythological significance; 8801251

Mayan hieroglyphic writing origin/base; classical period, Yucateco dialect; historical/linguistic evidence; 8804108

medieval Armenian church inscription, Cerven fortress; transcription/translation, historical context conjectured; 8806315

Middle Latin/Romance languages development; R. Wright's one-norm theory assessed; B. Bischoff's Old Romance texts collection; 8801287

Neo-Phrygian *bas*; etymology, meaning, history, phonological development, attestations; 8806258

Old Aramaic inscriptions, *Daniel* Aramaic section correlations; comparative study; 8808405

Old Babylonian documents; Akkadian month names use; 8801255

Old Czech Bible; Vladimir Kyas's edition review/critique; 8803714

Old English/Germanic runes; international-phonetic-alphabet-based transliteration system; diachronic values; 8804100

old Ethiopic manuscripts; dating procedures; 8801002

Old Greek choral lyric language, pre-Homeric origin; poetic supradialect, Aeolian-Proto-Ionian koine; 8809150

Old Slavic, term ambivalence/variation; definition attempt; 8803757

Phoenician inscription *MLŠ HKRSYM*; sources/meaning; 8803668

Poteau Runestones; new translation suggested; 8804106

Puerto Rican stone artifacts; engraved script/stylistic features; 8804096

Rogozen vessel inscriptions, linguistic peculiarities/historical facts; anthroponyms/toponyms formational patterns, historical persons/places; 8806322

Roman inscriptions, Catalonia; four-volume publication report, content/organization outline; 8806303

Romanian/Slavic-Romanian cryptographic texts, 16th-18th centuries; Greek keys, Greek-Cyrillic substitutions/amalgams; 8801329

Romano-British inscriptions; cursive scripts; 8804097

Rosetta Stone, decipherment process; 8808887

runic Danish inscription, Gallehus gold horn, *Hlewagastir* meaning; 8806249

Sinaitic Slavic manuscripts, Saint Catherine Monastery, new discovery; codices/fragments described; 8808589

Slavic language/nations ethnogenesis, Middle Danube theory outline/defense; critique rebuttal, new evidence; 8806362

"sod," actual/symbolic functions; medieval Czech material; historical sociolinguistic analysis; 8804233

Solomon's Chalice inscription, *Vita Constantini* (Constantine's Life), line 2 new reading; Latin language/text relevance, Vulgate; 8808651

Spirit Pond Mapstone; graphic designs/runes lettering; medieval European civilization; 8804098

Sumerian grammar, historical problems; M.-L. Thomsen's *The Sumerian Language*; 8806300

Sumerian *Lugal*, Tigris river natural history; J. van Dijk's interpretation challenged; 8801034

Susquehanna inscribed stones; old Basque syllabary use; 8804095

Thamudic inscriptions; A. Jamme's interpretation rejected; 8801267

Tihosuco inscription; retranslation proposed; 8804099

Trojan (Trojo-Luwian) epic, C. Watkins's discovery; mass media treatment critically examined; 8801281

Tseytlin, R. M., *Leksika drevnebolgarskikh rukopisej X-XI vv* (The Vocabulary of Old Bulgarian Manuscripts of the Tenth to Eleventh Centuries) review/critique; term *Old Bulgarian* ambiguity; 8803692

Ukrainian bilingual (Turco-Slavic) inscription, Saint Sophia Cathedral, Kiev; Turkic elements, dialect identification, chronology; 8808636

Ur III toponym *LÚ.SU(A)*, Šimaški rebus etymology proposed; 8808828

Paralinguistics

conversational uncertainty/forgetfulness display; syntactic/paralinguistic techniques; 8804133

electronic mail communication; paralinguistic use; 8806397

English as a foreign/second language, paralinguistic features; G. Brown's framework utilized; second-year English students; 8804983

Ladaki honorific system; emergence/maintenance; interaction norms; 8801731

language development; pragmatic aspects; linguistic/paralinguistic expression; children's dyadic play exchanges; 8800071

laughter; orthographic representation; American English/Zotzil laughter analyzed; 8804094

paralinguistic behavior; learning-disabled/nondisabled third-/fourth-/fifth-grade boys; social rejection/interpersonal communication; 8804605

Patterns (Language)

primate vocal communication, analysis methods; pattern recognition, frequency modulated components; 8801880

Russian stress patterns, high frequency nouns/verbs; irregular morphological patterns; 8800703

syntactic reconstruction, theory/methodology; surface structure patterns; Chadic implications; 8801170

text patterns, processing instruction; college history texts, research reported; Mexican-Americans; 8807686

text patterns/rhetorical predicates; textbook/workplace occurrence; pattern/context interaction; 8808361

TV bilingualism; language use patterns evaluated; Spanish-English; California Chicanos; 8800595

Pauses

conversational narration; audience response, prosodic correlates; pitch/speech rate/pauses; 8806082

deaf young adults' speech; silent pauses, number/duration/location; 8804503

discourse, pitch pattern/pause use; acoustic analysis; Japanese story; professional male announcer, Tokyo dialect; 8809323

foreigner talk register; quantitative/qualitative suprasegmental aspects; native-nonnative English telephone conversations analyzed; 8801126

French pause behavior, anglophone second-language learners; native pause categories; pedagogical implications; 8800325

French speech timing; tempo change effects; pause behavior/segment durations; 8804435

maternal depression, motherese; temporal/intonational features; increased infant psychopathology risk; 8808942

narrative organization; pauses role; oral/written narratives analyzed; 8803483

pause duration; report/perception/actual occurrence discrepancies; poetic format effects; English/French speakers; 8805971

pause occurrence/duration, estimation measurement; American English/German material; native English/German speakers; 8804693

pauses/lexical processes, Finnish aphasic narrative; impairment degree, lexical/syntactic process connections; 8804565

second-language learning; conversational management strategies role; wait-time use; 8804129

- sentence intonation; physiological control; clause boundaries/respiratory mechanisms; 8801988
- speech pause semiotics; silence as conventional strategy/dyadic relationship infringement/illocutionary act; 8808950
- stutterers' oral reading; pause/utterance durations, fundamental frequency characteristics; nonstutterers' oral reading compared; 8802122
- stuttering event; speech planning unit context; durational changes/speech rate variables; 8804580
- Swedish durational pause rules; sentence database; 8803026
- turn-taking; temporal organization/affective correlates; interpersonal/switching pause matching; mother-infant dyads; 8808941
- writing process, planning/fluency; verbal communication strategies application, ideal addressee; writing process videotape analysis; 8808909
- Peabody Picture Vocabulary Test (see also Intelligence Testing)**
- bilingual (English-Italian) reading instruction, preschoolers; private project report; pre-/posttest results analysis; 8805533
- conceptual language measures, new/ revised, concurrent validity; Bracken Basic Concept Scale, Boehm Test of Basic Concepts-Preschool Version, Boehm-Revised, Peabody Picture Vocabulary Test-Revised; preschool children; 8809539
- environment effects, Japanese/English vocabulary acquisition/retention; returned college students; Peabody Picture Vocabulary Test; 8805196
- receptive vocabulary; two measures compared; Test of Language Development-Primary, Peabody Picture Vocabulary Test-Revised; 8802220
- sign iconicity; single-sign receptive vocabulary skills, nonsigning hearing preschoolers; 8801875
- Peirce**
- Aristotle's *Categories*; *ta legomena* 'this which is said', C. S. Peirce's interpretation critically examined; linguistic signs, Aristotle's semiotic notion stressed; 8801926
- Bakhtin, Mikhail M.; prose theory semiotic interpretation; Charles S. Peirce's/Max Bense's frameworks; 8801911
- body language semiosis; presentation/transformation/representation relationship; C. Peirce's/M. Bense's/E. Walter's framework; 8801872
- classical rhetoric, semiotics pragmatic system; M. Bense's/C. S. Peirce's/L. Wittgenstein's notions, Aristotelean rhetoric; 8804360
- codes, semiotic theory; C. S. Peirce's triadic representational schemes/M. Bense's functors as framework; 8801934
- color as communication element; semiotic interpretation; C. S. Peirce's semiotic framework, medium/object/interpretant relationship; 8801932
- communication/culture; social action/language theories; dramatism/semiotics contrasted; 8806852
- modern theoretical physics, language/reality; C. S. Peirce's semiotic interpretation; microphysics relevance; 8801913
- music; C. S. Peirce's sign classification system application; 8801917
- narrative universals, semiotic framework; broader perspective; Peircean/Saussurean traditions; 8801905
- natural language semiotics; C. S. Peirce's semiotic framework; natural language/linguistics/semiotics distinction; 8801937
- ontology/semiotics relationship; Y. Park's ontological-semantic matrix reinterpreted, M. Bense's/C. S. Peirce's semiotic framework; 8809201
- Peirce, C. S., predicate logic contributions; "amphack"/"dart" functors; 8801900
- Peirce, C. S.; anti-idealist-based pragmatism; thought evolution traced; 8801207
- Peirce, C. S.; pragmatism conception outlined; *The Monist* 1905-1906 articles; 8801929
- Peirce, C. S.; semiotic theories, historical development; 8809212
- Peirce, C. S.; sign theory, teleology; 8809226
- Peirce, Charles S.; supplemental bibliography, 1868-1987; 8804367
- Peircean semiotics; "ground" notion; post-1885 writings interpreted; 8801906
- Sapir, E., drift concept/teleological explanation; C. S. Peirce's semiotics/philosophy relevance; 8806213
- semiotics; theoretical aspects; traditional disciplines competition; 8801914
- sign self-reality; categories reality; 8801895
- speculative grammar; C. S. Peirce's semiotic adaptation; cognition theory, semiotic subdisciplines; 8801925
- visual sign classification, C. S. Peirce's categories; 8809204
- Perception (see also Speech Perception, Identification)**
- alaryngeal speech; vocal intensity/loudness/speech quality relationships; absolute magnitude estimation method; 8802170
- Arabic pharyngeal/laryngeal consonants; acoustic properties/distributional constraints; perceptual cues; 8804440
- Arabic pharyngealization; native speakers'/American learners' perception/production; 8802597
- articulation disorders; athetoid/spastic cerebral palsy patients aged 7-14 years; perceptual difference detection; acoustic analysis; 8807055
- auditory tau/kappa effects; voiced stop consonants, phonetic judgment; time-space interdependence; 8802031
- auditory/visual perceptual functioning; language-impaired/normal children; 8800041
- braille letter search, word relationship; word context character recognition; 8804622
- Cantonese vs English, perceived vitality; Subjective Vitality Questionnaire; Canadian-born/first-generation Chinese; 8809076
- catastrophe theory application; categorical perceptions, phonology; J. Petitot-Cocorda's *Les Catastrophes de la parole, de Roman Jakobson à René Thom* (Catastrophes of the Word: From Roman Jakobson to René Thom); 8806854
- child-adult conversations, child perceptions/knowledge of adults; children aged 4-14; response/age differences; 8808977
- cognitive functioning; convolutional/matrix models; memory/perception; 8802439
- color perception/naming, neurophysiological/linguistic data; opponent vision linear theory contradiction; English speakers; 8805891
- communication, prelinguistic children, parents' perceptions; dyadic perspective; 8808957
- comparison operation, verbal communication; difference/similarity verbalization; picture description task; Russians aged 25-35; 8801098
- confusion matrix error patterns; acoustic environment effects; English consonants; 8804843
- consonant intelligibility; esophageal/tracheoesophageal/dual-mode talkers; perceptual study; 8802110
- controversial discussion, experience-psychological process analysis; emotional excitability/friendly/dominant impression/perception; 8804126
- cross-modal similarity perception, metaphor comprehension; children aged 3:6-13:6, adults; 8802328
- cursive script reading; multi-level perception; representational hierarchy; learning modes; 8800543
- direct priming effect; word pairs; semantic/perceptual tasks; 8802376
- dominance/universal grammar interaction; perception/cognitive structure/modularity; salient/background constituents; 8801169
- editing process; fault detection strategies; expert/novice editors differences; 8802900
- English as a foreign language acquisition; reading obstacles, affective factor; native Hebrew speakers; 8802655
- ethnic labels, blacks/black Americans/Afro-Americans/whites; negative stereotyping; 8809039
- foreign-language sound perception/production; native-language influence; Catalan-speaking French learners; 8805052
- freedom-in-leisure perception, stuttering/nonstuttering individuals; comparative study; National Stuttering Project membership; 8802083
- gender perceptions; elementary students' creative writing; male/female character frequency, role assignment; 8802914
- gestural sign perception; humans/bottlenosed dolphins compared; language/nonlanguage contexts; 8801883
- infant cries, pitch variations/maternal perceptions; fundamental frequency aspects; 8802415
- intergroup perceptions, shared/ethnic languages; language competence/attitudes/social status/ingroup social identity; Spain; 8809075
- job satisfaction; verbal recognition role; perceptual differences; business superiors/subordinates; 8804153
- letter perception, particular experiences influence; pseudowords identification; 8807311
- letter perception; font-specific approach; tunable representational system proposed; 8804690
- letter-name knowledge; field dependence-field independence/reflection-impulsivity; kindergarten children; 8805259
- lexicography's descriptive neutrality/pedagogical purpose questioned; linguistic community's normative conflicts; discriminatory prejudice role; 8808850
- linguistic image; nature/perception, delimitation/designation/constituents; 8806790
- linguistic perceptual mechanisms; phonemic restoration effects; American Sign Language analogs; 8801878
- listener-located local reference, listener's local position/speaker's localization effort relationship; theoretical assumptions tested; 8806610
- Mesoamerican languages; color categorization; perceptual/cognitive

axioms; 8806232
 morpheme acquisition; signed form; perceptual salience role; deaf children aged 2;3-6;3; 8804344
 multiletter matching; displacement/serial position functions; order/item tasks; 8800131
 music; perception/interpretation; limbic/cortical systems role; music semantics; 8800917
 nasal vowels; height misperceptions/phonetic context; American English speakers; 8806916
 natural conversation intonation; analysis/descriptive categories; auditive criteria; 8806081
 object attributes recognition; overspecification facilitative/inhibitive effect; form/color/size recognition tasks; psychology undergraduates; 8804657
 paragraph perception; printed text experience factor; basic/advanced readers/writers; scientific text; 8801026
 perceptual grouping processes; good/poor readers; selective attention task; children aged 9-10; 8805482
 perceptual identification; contextual priming effects; automatic/controlled processes; 8800042
 peripheral auditory system; intensity perception; physiological/psychoacoustic data integrated; 8802047
 person perception; English language proficiency/physical attractiveness effects; Chinese "job applicants," Chinese "interviewers"; 8800408
 phonetic trading relations; general perceptual interpretation supported; nonspeech tonal stimuli; 8804464
 phonological development; velar-fronting children; voice onset time/own production perception; 8809334
 pitch perception; European starling; artificial stimuli, spectral/periodic properties discrimination; 8801881
 reading disability; phonological processing deficits relationship; temporal/phonetic perception; 8804603
 reading fixations; information utilization; variable utilization time hypothesis supported; 8800514
 repetition blindness; rapid serial visual presentation; word recognition; 8802384
 Rorschach response process; linguistic aspect; information processing/neuropsychological/dual-coding memory theory paradigms; 8802373
 /s/-/t/ distinction perception; syntactic boundaries role; prosodic/syntactic cues; 8804432
 self-reported behaviors/perceptions, adult aphasics' wives; group counseling experiences compared; 8809399
 semantic categories; internal representations; category decision tasks; 8800051
 semantic/repetition priming, stimulus duration effects; perceptual fluency, identification accuracy; 8804829
 situation perception; competence/communication interactions; high/low-competence communicators; 8804135
 /sk/ clusters; children's perceptual/productive representations; identification/production tasks; preschool children; 8804542
 social identity theory; language attitudes/maintenance; Israeli native Hebrew speakers, Melbourne; intergroup perspective; English/Hebrew shift, immigrants/children; 8809056
 Soviet children's books, children's perceptions/realistic literary presentation; English translations, Soviet books; seventh-grade students; 8805396
 speech processing; categorical perception; cue trading; interactive processing model supported; 8804479
 speech restoration; perceptual synthesis; auditory induction; 8801972
 stop consonant perception; voice onset time continuum; language set effect; Dutch/English speakers; 8804434
 student essays, faculty evaluation; error severity; foreign graduate students; 8805517
 stuttering/nonstuttering evaluation, leading questions effect; personality trait perception; 8802161
 syllable perceptual center location; center-of-gravity accounts disconfirmed/onset-rhyme account supported; alignment tasks; 8809270
 Tamil *unar*; meaning core dichotomy; sense perception knowledge; 8803748
 text perception/reproduction relationship; visual-sequential vs normal reading; similar content reproduction found; undergraduates/vocational students; 8802834
 verbal strategies, impression management, social predicament classification; multidimensional approach; 8808952
 vocal register transitions; perceptual evaluation; acoustic correlates; 8806915
 vocal roughness; psychological scaling methods; direct magnitude estimation/equal appearing intervals compared; 8802036
 vowel mixtures; perceptual separation; gliding fundamental frequency/crossing versus parallel glide effects; 8801991

vowel spectra perception; peripheral auditory system; geographic/temporal coding; internal representation; 8804852
 vowel spectrum perception; amplitude transition effects; forced choice identification task; 8801975
 Whorfian linguistic relativity hypothesis; different languages/thinking patterns; English/Chinese speakers compared; 8801432
 word perceptual identification, word memory; perceptual/conceptual components role; German words/pseudowords; 8807298
 word processing; constituent codes; single letter/letter bigram identification; priming effects; 8802375
 words/objects visual recognition; context role; literature survey; 8807273
Perceptual Motor Skills
 braille reading; perceptual strategies/training methods; 8804644
Performative Utterance
 legal utterances; pragmatic issues; speech act theory/performatives; 8801054
 performative hypothesis, verb's illocutionary force claim revised; weak version proposed; 8808324
 performative/declarative verbs; text analysis/pragmatics; 8808350
 politeness, written persuasion; explicit performatives; academics' letters; G. N. Leech's rhetorical approach; 8808331
Person
 African Portuguese-based creoles, number/tense/mood/person/aspect/genus verbi categories; 8808728
 English infinitive, *to* use; grammatical person participation; French infinitives compared; 8808668
 German first person present active verb form, subjunctive/indirect speech introduction; corpus analyzed/counterevidence found, German fiction/nonfiction works; 8800783
 grammatical categories; verbal inflection functions; voice/agreement/tense/aspect/mood; 8803220
 Indo-European deferential address; historical development; grammatical person instability/slant phenomena; 8806301
 medieval Galician; impersonal constructions; *Cantigas de Santa Maria*; 8808120
 oral/written discourse, first-person narrator's referential status, non-verbal vs verbal referential function; 8806107
 Polish person/mood clitic *-eś*; syntactic behavior/historical origin; cross-linguistic phenomenon, occurrence conditions/constraints; 8803213
 recursive categorical grammar; word induction; passive/person/tense/unbounded dependencies; 8808433
 sentence subject pronominal realization, first/second person; pragmatic/linguistic factors; Contemporary Czech; 8805826
 Slovenian epitaphs, structural-poetic peculiarities; first person/optative/imperative forms use, stanza type/frequency, rhyme/meter conventions; 8801084
 subject/predicate relationship, Romanian sentence; person/number agreement, subjectivity/government properties, nominal/verbal predicates; 8805811
Personality and Personality Investigation
 adult-child/pet communication; test proposed, personality evaluation, human-animal scale; 8801088
 bilingualism; receptive/balanced distinction; acculturation/intelligence/achievement/personality differences tested; Mexican American bilinguals; 8805543
 data collection language effects, healthy personality; Filipino bilinguals; Tagalog/English questionnaires; 8807124
 foreign-language learning; personality formation impact; French adolescents learning English; 8807414
 Japanese word *ki*; factor analysis; personality trait names; 8802228
 language cultivation communicative aspects, East Germany; language cultivation policy development/components; 8801657
 language learning/personal identity relationship; English as a native language; 8804904
 male/female speech acoustic/suprasegmental characteristics; personality/speaker's sex relationship, pronunciation features; cultural/social/biological/physiological factors; 8806901
 narcissism/personal pronoun use; extemporaneous monologues; males/females; 8807134
 natural language; personality characteristics relationship; expressive language; thinker/feeler differences; 8804620
 reading performance; extraversion/sex difference effects; children aged 7-8; Junior Eysenck Personality Inventory, Burt Graded Reading Test, NFER Reading Test 2, Neale Analysis of Reading Ability; 8802848
 second-language learner's personality traits/classroom behavior; teachers' stereotypes; questionnaire data; 8805184
 semantic memory; stimulus content/anxiety role; adjective recall task; word/person-specific effects; high-/low-anxiety psychology fresh-

- men; 8807189
Speech Locus of Control scale validity; anxiety/attitude/personality factors; 8807013
voice quality measurement; long-term average spectrum; personality marker; 8802411
- Persuasion**
Arabic parataxis, persuasion, linguistic constraints; phrase-/clause-level modification; 8806028
discourse processes; institutional contexts; medicine/law/education; 8803417
persuasive communicative ability acquisition; persuasiveness performance studies; social-cognitive theory; 8804772
persuasive language; advertising/evangelism; discourse analysis; 8801103
politeness, written persuasion; explicit performatives; academics' letters; G. N. Leech's rhetorical approach; 8808331
TV commercials, conversational processes; communicative interaction levels, persuasive utterances; 8808983
verbal persuasion, philosophical approach; R. A. V. van Haersolte's persuasivism/moral prescriptions theory evaluation; reply; 8809237
- Pharyngeal Structures**
speech articulator motion; universal constraints; kinematic variation/temporal organization/prosodic structure; 8804483
velopharyngeal orifice size; pressure-flow estimates accuracy examined; analog model/human subjects; 8804489
- Philosophy of Language**
action sentences, logical form; Davidson's account critically examined; 8806882
adverbial sensing theory; ordinary talking; subjective sensory experience indicator; 8801966
analytic philosophy, linguistic knowledge; words/values; 8809255
argumentation; rhetorical/technical logics relationship; narrative rationality; 8801948
Aristotelian fallacies; knowledge-seeking questioning games; J. Hintikka's question-answer theory/interrogative model; 8801950
Aristotle's *Categories*; *ta legomena* 'this which is said'; C. S. Peirce's interpretation critically examined; linguistic signs, Aristotle's semiotic notion stressed; 8801926
assertibility, conditionals property; judgment/truth accountability; 8804387
Barbosa, J. S.; Portuguese language, philosophical grammar; Enlightenment philosophy/Port Royal grammar; 8809247
Berkeley, G.; materialism, abstraction/language; 8809245
Blackburn, S., *Spreading the Word: Groundings in the Philosophy of Language*; review; 8804410
Boer, S./Lycan, W., *Knowing Who*; mathematical function approach; review; 8804358
Bottura, P./Pulić, J.; lives/teaching careers/language philosophies; contributions assessed; 8801213
Brøndal, V.; literary/semiotic studies; linguistic signs/grammar; 8801226
Brøndal, V.; scientific work; linguistics/philosophy/semiotics; 8801223
Brøndal, V.; *Théorie des prépositions* (Theory of Prepositions); linguistic analysis/intentionality; 8801222
Buber, M.; central insight clarified; hermeneutic philosophy/dialogue; 8804414
Carnap, R., *Der logische Aufbau der Welt* (The Logical Structure of the World); objections refuted; 8804385
Carnap, R., doctrine of analyticity; initial US reception; W. V. Quine's views; 8804381
causal relata, compound emphasis; D. Davidson's claims, F. Dretske's refutation disproved; 8800921
cause/effect/time relationship, German *weil* 'because'/English *while* affinity, philosophical investigation; 8809254
chicken/egg priority puzzle, linguistic solution; specific/generic definite article; 8801095
Chomsky, N.; *Knowledge of Language: Its Nature, Origin and Use* reviewed; reply; 8801204
co-operative principle, H. P. Grice; rational communication; international ethical/political implications; 8800996
cognitive notions, linguistic realization; time/space/possessivity/indefinite quantity/color; conceptualization/exteriorization process analyzed, speech level; 8800943
cognitive significance, G. Frege's semantic difference critically examined; D. Kaplan's indexicals theory; 8801963
Coleridge, S. T.; language philosophy development; language/thought relationship; linguistic naturalness; 8801952
Colonna, Francesco; *Hypnerotomachia Poliphili* linguistic content; Lorenzo Valla's/Leon Battista Alberti's/Francesco Colonna's works compared; linguistic ideas, humanistic history; 8801205
communication/communicative methods; philosophical-methodological questions; Marxist-Leninist perspective; 8801667
communicative intentions; F. Recanati's claims challenged; 8801941
conditionals, *if*-sentences, *since*-sentences; power ascription; 8804409
conditionals, *modus tollens* analysis; counterexample refuted; 8809231
"cosmos"/"chaos" semiotics, self-reality; part VII; 8806848
counting, cognitive operation/linguistic realization; linguistic-philosophical analysis; Russian material; 8805834
definite descriptions; referential/attribution uses; K. Donnellan's/B. Russell's/S. Kripke's positions; 8801957
definite reference; computational solution inadequacy; linguistics/logic; 8804404
Derrida, J.; early writings; subject/ideality; language analysis implications; 8801958
Derrida, J.; sign conception, sign physics/metaphysics, "difference" concept; grammatological theory outlined; 8801916
Derrida, Jacques; philosophical conceptions, meaning translatability/nontranslatability; 8806881
dialogue rupture; discourse participants' practical syllogisms/interpretive schemes; 8803473
disbelief/lies/manipulations; transactional discourse model; knowledge items within sets; 8806883
disjunction, J. A. Fodor's psychosemantics; 8809256
English sentences; intensional contexts/logical entailments; new intensional logic; 8806884
English studies, Soviet Us; Western theories/Marxist-Leninist approach; 8804368
evidentiality; North/South Amerindian/other languages; 8801946
explanation structure; deterministic/voluntaristic; contextual/interactive logic; 8801968
fallacies/argumentation; pragma-dialectical perspective; critical discussion/speech acts; 8801965
first order modal semantics; transformational model proposed; 8806870
form; W. von Humboldt's concept; language/extralinguistic reality relationships; 8803561
formal pragmatics/social criticism; J. Habermas's communicative action theory; 8801943
formal semantic theory; critical overview; 8801191
Frege, G., assertion sign; L. Wittgenstein's criticism refuted; 8804393
game-theoretical semantics, truth-definition; classical first-order logic; 8809244
Gemelli, Agostino; electroacoustic studies epistemological relevance, language psychology/psycholinguistics distinction; E. Galazzi's *Gli studi di fonetica di Agostino Gemelli* (Agostino Gemelli's Phonetic Studies) review; 8806214
genericalness, philosophical concept vagueness; "extensivity"/"extensitude" concepts proposed; 8808523
German 19th-century linguistics development; Johann Christoph Adelung's/Friedrich Schlegel's contributions; 8801233
grammar, *Encyclopédie* (Encyclopedia) articles, theoretical foundations; typologies, general grammar, grammatical analysis model; 8809253
grammatical logic approach; English *if*-sentences, antecedents/consequents; 8804383
Greimas, A. J.; meaning theory; structuralism/semiotics/discourse theory; 8809225
groundedness; truth concepts/semantic closure/classical languages; 8809248
Habermas, Jürgen, *Vorstudien und Ergänzungen zur Theorie des kommunikativen Handelns* (Preliminary Studies and Additions to the Theory of Communicative Action) review; 8804157
human communication rationality; transcendental pragmatics approach; argumentative discourse level; 8809232
identity; necessary/contingent propositions; logical quantifiers/modal concepts; 8801961
implicit arguments, situation semantics; chains of relations, "inferred" events; 8808246
insincerity/disloyalty; synchronic linguistic act vs diachronic inconsequence; 8806865
intensional semantics, formal approach; extensionalistic approach criticized; 8804379
intention/belief ascriptions; rule system proposed; communication maxims/nonnatural meaning; 8806873
intentional content; content attribution/individualism; T. Burge's approach examined/rejected; 8804423
intentionality/language, Martin Heidegger's views; hermeneutic writers' views compared; 8806878
interior discourse; language dependence; dialogue/human temporality; 8804420

- intersubjectivity, solitary locutor idea refuted; L. Wittgenstein's private language argument, S. Kripke's treatment; 8809257
- Itkonen, E., *Causality in Linguistic Theory* reviewed; 8803525
- judicial sentence, normative meaning category; formal deontic representation proposed, semiotic-philosophical framework; 8801047
- Kant, E., *Critique of Pure Reason*, J. Hamann's critical response challenged; 8809236
- Kilwardby, R.; 13th-century grammatical theory; 8808560
- knowledge/being relationship, onto-semantic matrix proposal; ontological/semantic perspectives tension; 8806875
- Kripkean tense logic; predicate modifier addition; quantifier-operator mixing/temporal adjectives; 8806864
- Kristeva, J.; maternal semiotics; sexist categories/arguments; 8801924
- language as action/representation; 18th/19th-century German philosophers' language conceptions survey; 8803592
- language communicative function/functional-communicative analysis, dialectical-materialistic framework; interpersonal communication, text meaning vs word meaning; 8808481
- "language feeling"/"language thoughtfulness"/"language consciousness" terms history, German Enlightenment; Johann Gottfried Herder/Johann Christoph Adelung; 8808540
- language knowledge; acquisition/use; principles/parameters model; 8806126
- language norm/anomaly; philosophical perspective, Marxist-Leninist language/reality interrelationship; Russian negative/agrammatical sentences analyzed; 8801148
- language philosophy, dialogue-based approach; word-/proposition-based models criticized; 8801944
- language philosophy, J. Locke's/G. W. Leibniz's differences; H. Aarsleff's view critically examined; 8809243
- language philosophy; truth-theoretic semantics; W. G. Lycan's *Logical Form in the Natural Language* critically reviewed; 8806879
- language theory; cognitivist/objectivist approaches; G. Lakoff's *Women, Fire, and Dangerous Things* reviewed; 8808471
- language typology history; comparative/historical/typological-philosophical linguistics origin; F. Schlegel's contribution; 8803588
- language understanding machines; J. Searle's Chinese room argument evaluated; 8806122
- language understanding, truth-conditional semantics; game-theoretic semantics approach; "pronouns of laziness"; 8804390
- language, informative aspect; language symbolic nature/information transfer capability relationship, "logos distinction," natural/artificial language; 8804415
- language/consciousness, T. Hobbes's/R. Descartes's views; 8809251
- language/knowledge; meaning/communication; language acquisition/origin/development, evolutionary theory; 8806136
- language/logical-methodological analysis; new subjective semantic perspective, descriptive/explanatory effectiveness; 8801959
- language/self relationship; meaning reification, meta-function; psychoanalytic implications; 8804619
- language/thought relationship, 19th-century conception; pragmatic vs imaginary approach; 8801945
- language; origin/development; Jean-Jacques Rousseau's theories; 8808554
- languages' incommensurability/incomparability; internal/external subject matter; 8804392
- law, symbolic/linguistic form; 8809242
- Leibniz, G. W.; language's classificatory function; 8809238
- Lenin, V. I., objective categories linguistic refraction; reality interpretation, human mediation; 8806163
- lexical competence theories; G. Frege's/R. Carnap's/S. Kripke's/H. Putnam's accounts critically examined; "dual" theory formulated; 8804399
- linguistic categorization; holistic/classical approach; integration proposed; 8804421
- linguistic meaning; discourse representation theory approach described; 8804389
- linguistic misunderstanding; Eleonor Rosch's prototype theory adequacy; Karl Popper's philosophy supported, experimental evidence; Polish speakers; 8806142
- linguistic philosophy; 18th-19th-century transition; phenomenism/idealism/transcendental subjectivity; 8809241
- linguistic units wholeness, dialectical-materialistic/neurological interpretation; cerebral hemispheres' speech perception roles; 8806144
- linguistic/cognitive theories interrelationship; cognitive functions explanation; artificial intelligence framework/terminology; 8804412
- linguistics' history, Ancient Greece; Jean Lallot's "Études sur les grammairiens grecs" (Essays on Greek Grammarians) outlined; 8808552
- linguistics metalanguage; prerequisites formulated; linguistic/cognitive categorization, philosophical perspective; 8801199
- linguistics study, natural/speculative science; grammar/language use study; science status prerequisites; 8803574
- linguistics, empirical vs hermeneutic science; philosophy of science framework; 8803526
- linguistics/physics problems similarities; language/meaning characterization; 8803567
- literary proper names, philosophical tradition; typology, literary-theoretical relevance; 8806493
- logical semantics; linguistic expressions categories, denotations structure; generalized quantifier perspective; 8800949
- Marty, A.; linguistic philosophy; syntax concept; 8808561
- Marxist-Leninist linguistics, axioms; word-sentence-expression dialectics; G. Frege's *Sinn* 'sense' / *Bedeutung* meaning distinction; 8806862
- meaning theories, natural language semantics basis; categorial grammar approach; 8804418
- meaning theory; Gricean approach rejected; conventionalist analysis proposed; 8801969
- meaning theory; mental states/representation; commonsense belief/desire psychology; 8809240
- meaning, language-game; new metaphor proposed; 8804371
- meaning/concept relationship/identity; concept visual/auditory/verbal composition; 8805841
- meaning/denotation relationship; intensional/extensional theories, historical overview; 8804384
- meaning/reference/truth/natural language; G. Kleiber's *Problèmes de référence: descriptions définies et noms propres* (Problems of Reference: Definite Descriptions and Proper Names)/R. Martin's *Pour une logique de sens* (Toward a Logic of Meaning) review/outline; 8805851
- meaning; truth-conditional theory, pragmatic basis; truth/language/reality relationship; 8806877
- mental activity; processing/interpretation limits; language, individual use; 8801197
- metaphor; neurological basis; neural holography/physiognomic representational schemas/semiotic mechanisms; 8806849
- modalities, G. W. Leibniz's/R. Descartes's/C. A. Crusius's views; 8809235
- model-theoretical semantics; logical truths class; necessity properties exemplification; 8804402
- modern theoretical physics, language/reality; C. S. Peirce's semiotic interpretation; microphysics relevance; 8801913
- Montague grammar; fundamental notions introduced; Portuguese grammar fragment; 8806868
- Montague's theory of semantics; pragmatic analysis; 8800906
- moral language; philosophical account; J. L. Mackie's *Ethics*; 8801947
- Mukařovský, Jan; Prague circle's structuralist concepts, "empty" aesthetics; works discussed; 8801209
- mutual understanding; G. Frege's sense-overlap claim; formal model proposed; 8801949
- national language logical analysis, Moscow U conference, 1985; 8804396
- natural language definition; history, contemporary proposals; K. Marx's/F. Engels's/V. I. Lenin's language concepts; materialist-dialectical nature stressed; 8801953
- natural language learning; J. Fodor's rationalist view/P. Churchland's criticisms; instrumentalism concept; 8801967
- natural language; logic relationship; logical/syntactic tree structures; 8804411
- natural language; semantic theory adequacy criteria; D. Davidson's model; 8805895
- natural language; semantic theory/discourse domains; 8806872
- nature/nature comprehension semiotics; human body behavior as a sign, secondness > thirdness, modern transition; 8809199
- Norris, C. *The Contest of Faculties*; poststructuralism critiqued; review; 8804403
- Old Germanic cosmic/eschatological myths; key-words analyzed; synthetic text reconstructed, poetic features identified; 8801266
- ontology/semiotics relationship; Y. Park's ontological-semantic matrix reinterpreted, M. Bense's/C. S. Peirce's semiotic framework; 8809201
- "park," text meaning category; phenomenological/semiotic/text-linguistic framework; music/literature/jurisprudence domains; 8801919
- particles, J. Locke's/G. W. Leibniz's views; 8809250
- Peirce, C. S.; semiotic theories, historical development; 8809212
- performative analysis, B. Fraser's conflicting claims; Gricean explanation admissibility; 8804417
- philosophy of color; L. Wittgenstein's framework; 8804375
- philosophy of language; meaning theory; introductory textbook; 8804401

- Plato's *Cratylus*; language theory/signs; Saussure/Derrida; 8804377
 poets'/writers' metalinguistic reflection linguistic value, poetics/stylistics theory; Paul Valéry's/Christa Wolf's language conceptions; 8806880
 Porphyrios's *On Abstinence*; semiotic world-view; 8806860
 possible worlds, reduction to language; cardinality argument; proposal generalization; 8804376
 postmodern anthropology/ethnography; written language/everyday speech; 8808412
 pragmatic contradiction, irrational speech; context effects; 8803442
 Prawitz, D.; logical consequence notion evaluated; M. Dummett's meaning theories compared; 8801955
 predicates; approximate/vague/unsaid uses; 8804400
 predication/copulation; G. Frege's sense/reference doctrine; concepts/properties; 8801962
 probabilistic semantics; history sketched/absolute comparative model developed; 8804408
 proper names necessity, semantic traditions; 8809234
 "proposition," 18th-/19th-century Russian grammarians' conceptions/definitions; M. V. Lomonosov/A. A. Barsov/L. H. Jakob; western grammarians'/logicians' influence; 8803584
 proposition-event/fact-event conceptual pairs; semantic analysis; proposition/event/fact differences; 8804369
 propositional attitudes; J. Barwise's/J. Perry's approach critically examined; 8804374
 protocol sentences; O. Neurath's views addressed; 8804378
 psychological attitudes; meaning, split approach; S. E. Boër's/W. G. Lycan's *Knowing Who* critically examined; 8805894
 psycholinguistic semantics, moral truth; natural language orientation; 8804391
 quantified modal logic; rigid designator approach criticized; individual concept theory alternative defended; 8806869
 Quine, W. V., translation indeterminacy thesis; N. Chomsky's critique; grammatical realism; 8804405
 rational argumentation, science theory relationship; influence, social-psychological theories; 8803418
 reality semiotic theory, conceptions/terminology survey; triadic-trichotomic sign; 8809203
 reference theory; explicit/implicit intensions distinguished; 8801951
 referentiality; modern linguistic theory; meaning/ambiguity/polysemy; 8803585
 Saint Augustine, language conception, meaning denominative theory, *De Magistro* (On the Teacher) analysis; L. Wittgenstein's opinion; 8804406
 Sapir, E., drift concept/teleological explanation; C. S. Peirce's semiotics/philosophy relevance; 8806213
 semantical/syntactical function correlation; mathematical description; 8804386
 semantics theory, history; Greek Antiquity/Middle Ages, philosophers/conceptions/theories; 8805867
 semantics/syntax relationship; judgments/concepts logic, reciprocity; 8801964
 signs, self-reality; relational sign system framework; 8801894
 speaker reference; speaker-intentions relationship; K. Donnellan's reference model rejected; 8801942
 speculative grammar; C. S. Peirce's semiotic adaptation; cognition theory, semiotic subdisciplines; 8801925
 speech acts; scientific metalanguage, descriptive/constructive approaches; language games; 8804398
 speech genres; utterance/text/literary discourse; 8806118
Sprachdenken (language thought), language-philosophical concept; experience/knowledge/language relationship mobility, language change typology; 8804395
 symbol-referent relationship; proposed schemata discussed; oral/written language differences; 8804419
 test of performatives, pragmatic framework; J. L. Austin's pragmatism; speech act theory; 8806867
 theoretic semantic models, semantic competence models probability; linguistic understanding theory; 8804370
 time/tense relationship; German preterite, language-philosophical account; E. Husserl's phenomenological conceptions; tense referential use; 8803237
 transcendental formal logic, R. Carnap's/L. Wittgenstein's views; "metasystematic" concept; 8804407
 translation; objective theory; W. V. Quine's meaning scepticism criticized; radical translation/language use theory; 8806863
 tropic theory; narrative discourse analysis/phenomenology of language; metaphor/metonymy/synecdoche; 8803457
 truth, R. Carnap's syntax/A. Tarski's semantics compared; technical analogies; 8804380
 truth/natural language relationship; A. Tarski's views; 8806871
 vagueness; philosophical analysis; fuzzy systems theory/semantic differential technique; 8801956
 verbal persuasion, philosophical approach; R. A. V. van Haersolte's persuasivism/moral prescriptions theory evaluation; reply; 8809237
 verse rhythm; language probability model; English/Romance/Medieval Latin systems compared; syllabic/syllabo-tonic forms; 8804299
 Vico, Giambattista; language foundation notion; poetry as a language source, natural/figurative language synonymy; 8801954
 Vico, Giambattista; language political philosophy; imagination/reason opposition, linguistic signs formation/manipulation; vernaculars formation, national bards' role; 8801960
 Vico, Giambattista; metaphor conception development; 8801800
 Wertsch, James V., *Vygotsky and the Social Formation of Mind*; review article; 8804413
 Whatley, R., language philosophy; language/thought/reality/meaning relationships; 8806874
 Wittgenstein, L., mental state description/ordinary language use; psychiatric implications; 8804388
 Wittgenstein, L., *Philosophical Investigations*; radical skepticism, S. Kripke's "communitarian" interpretation critically examined; 8804422
 Wittgenstein, L., philosophy/science distinction; language clarification; 8805829
 Wittgenstein, L., *Tractatus*, ontology/semantics/philosophy of mind; "language of thought" analysis; 8809246
 Wittgenstein, L.; middle period writings; rule following debate; 8809252
 Wittgenstein, Ludwig; analytic philosopher, logical/daily language analysis, *Tractatus* vs *Philosophical Investigations*; 8804373
 Wittgenstein, Ludwig; rules, sceptical view reinterpretation; S. Kripke's interpretation critically examined; 8804372
- ### Phonation
- accented devoiced vowels, Kinki (Japanese) dialect; electromyographic recordings, identification/perception tests; native speakers; 8809317
 alaryngeal voicing; laryngectomy/nonlaryngectomy judges' proficiency ratings compared; 8802167
 auditory-laryngeal reflexes; adult male stutterers/nonstutterers; voice fundamental frequency changes; 8802143
 auditory/phonatory performance; normal hearing subjects; interaural intensity/time differences; laryngeal reaction time/auditory brainstem response; 8800155
 breath, phonation analysis; behavior/respiratory/sensation analyses; 8809348
 diplophonia; acoustic analysis; amplitude/fundamental period perturbations; 8802044
 dysphonic voice rehabilitation program; phoniatric/psychoneurological treatment, phonation normalization, voice functional phonopedic training; 8807046
 fundamental frequency contour; local/global components, physiological basis; 8801987
 glottis states; acoustic correlates; spectrographic analyses; 8804495
 human voice development; genetic/personality/environmental factors; acoustic/articulatory development; 8804487
 intraoral air pressure; pulmonary/laryngeal function role; consonantal voicing distinction; 8802051
 Japanese *rendaku*, (g) to (ŋ) nasalization; lexical phonology approach; phonological rules/morphological structures; 8805649
 Mon-Khmer phonation types; instrumental phonetic study; Nyah Kur/Kui/Chong phonation distinction; 8802035
 Parkinson's disease; motor speech problems described; velopharyngeal functioning/phonatory performance/speaking rate; 8804543
 phonation types, different languages; vocal cord vibration mode, measurement techniques; 8802006
 phonation types, phonetic transcription problems; diacritics proposed; 8809260
 phonation; dipole source, time domain properties; 8806924
 phonation; noise/auditory feedback effects; long-term average spectrum/fundamental frequency analysis; singers/nonsingers compared; 8809318
 phonatory process; laryngeal receptors response; quiet respiration/phonatory inspiration/vocalization firing rates; anaesthetized cats; 8806944
 phonatory quality; physiologic correlates; larynx/voice features; 8802146
 reading performance; differential hemispheric preference; rhyme/shape matching tasks; good/poor readers aged 10-12; 8800535
 Russian voicing assimilation; syntactic boundary/semantic content effects; acoustic analysis; 8802040

- Sibawayhi's Arabic *Majhūra/Mahmūsa* dichotomy; voiced/voiceless, misplaced plosives; 8808079
- simulated human glottis; airflow velocity/acoustic sound relationship; 8802033
- singing voice control; laryngeal mechanisms role; electromyographic study; 8802017
- spastic dysphonia, phonatory conditions; acoustical analysis; 8802118
- speaker variation/phonation type, Tsonga (Niger-Kongo); discrimination properties, variation constraints; 8802037
- speech activity, absolute/relative measures variation; J. Kelso's task dynamic approach refuted; 8804451
- speech perception; lexical/sentence context role; phoneme identification/word recognition; voicing continua; 8802368
- sternothyroid muscle's role, fundamental frequency; sustained phonation, comfortable/higher/lower pitch; tenor singers; 8809345
- stop consonant perception; voice onset time continuum; language set effect; Dutch/English speakers; 8804434
- stutterers' prolonged acoustic laryngeal reaction time; respiratory/laryngeal systems' contributions; mild/severe stutterers; 8807052
- stutterers' voice reaction times; jaw movement restriction effects; 8804530
- stuttering; voice reaction time/cortical auditory system activity; 8804560
- thyroid cartilage fractures; phonatory effects; glottal configuration changes; excised larynges; 8802163
- tone production improvement; vocal exercises effects; junior high school female singers; 8804439
- vocal cord vibrations; high-speed digital image recording system, clinical application; 8801997
- vocal fold vibration; high-speed digital analysis; voiceless consonants; 8801996
- vocal function measures; normal adolescent males; 11-/13-/15-year-olds compared; respiration/phonation; 8804496
- voice onset/jaw kinematics interaction; stutterers versus nonstutterers; 8802104
- voice; linguistic/psychological functions; psychosis; 8804493
- voiced phonation ratio, infant cries/perception; semantic differential technique; 8807320
- voiceless consonant production; hearing-impaired speakers; laryngeal articulatory gesture, kinematic details; 8806923
- voicing/aspiration mechanisms; Hindi/other languages compared; plosive production, photoelectric glottography; 8801986
- Phonation Disorders**
- alaryngeal voicing; laryngectomy/nonlaryngectomy judges' proficiency ratings compared; 8802167
- dysphonic voice rehabilitation program; phoniatric/psychoneurological treatment, phonation normalization, voice functional phonopedic training; 8807046
- phonation types, phonetic transcription problems; diacritics proposed; 8809260
- s/z ratio, dysphonic children; mass lesions significance; 8809407
- secondary language retardation, verbality absence/retardation; diagnosis difficulties; 8802141
- simple language retardation, child language acquisition process disturbance; diagnosis/evolution/prognosis etiology; 8800100
- simple/secondary language retardation; child language acquisition process disturbance; pathologies defined; 8802157
- spastic dysphonia treatment; nerve section alternatives; 8802204
- velopharyngeal function impairment, hypernasal speech patients; cineradiographic study; 8809341
- vocal cord vibrations; high-speed digital image recording system, clinical application; 8801997
- voice disorders treatment, theory/practice; therapist's assumptions, respiration/phonation/resonance correction; 8807049
- voice disorders, epidemiological study; computerized file, 1973-1983, phoniatric clinic; treatment effectiveness; 8804533
- Wolf syndrome vocal features; language assessment, spectrographic analysis; 8804572
- Phonation Structures**
- adductor spastic dysphonia; physiologic/phonatory characteristics; 8806985
- Burmese voiceless nasals' articulation places determination; voiced murmur portion acoustic cue, nasal formant frequency/bandwidth relationship; 8806896
- Caipira (Brazilian Portuguese) *r*, phonetic properties/origin; Portuguese internal evolution; 8805635
- Chinese tone production, cricothyroid/sternohyoid muscles role; electromyographic data; female Chinese speakers; 8805664
- elevation/depression, vowel/consonant articulation mode/place; Medieval Arabic phonetic theory; 8804452
- fundamental frequency contour; local/global components, physiological basis; 8801987
- glottis states; acoustic correlates; spectrographic analyses; 8804495
- hoarseness, benign laryngeal disease; pitch-synchronous analysis, synthesized speech/pre-/postoperative voice samples; 8809431
- laryngeal structures; morphological/histological/topographic developments; 8804497
- laryngeal surgery, speech cepstrum changes; sustained utterances, subsequent recordings; laryngeal disease etiologies; 8809342
- orthognathic surgery effects, speech/velopharyngeal function/hearing; pre-/postsurgery cephalometric evaluations; 8809457
- phonation types, different languages; vocal cord vibration mode, measurement techniques; 8802006
- phonation; expiratory lung pressure measurement; airway interruption method; 8802026
- phonatory process; laryngeal receptors response; quiet respiration/pre-phonatory inspiration/vocalization firing rates; anaesthetized cats; 8806944
- simulated human glottis; airflow velocity/acoustic sound relationship; 8802033
- singing voice control; laryngeal mechanisms role; electromyographic study; 8802017
- speech changes, structural/functional aspects, adenotonsillectomy patients; pre-/postsurgery evaluation; children aged 5-8; 8809344
- speech production modeling; higher pole correction function; vocal tract model; 8806919
- sternothyroid muscle's role, fundamental frequency; sustained phonation, comfortable/higher/lower pitch; tenor singers; 8809345
- syllable definition/typology; voice vs breath syllable, laryngeal tone; 8802038
- temporal parameters of coordination, stuttered/fluent speech; physiological event recordings; 8806981
- thyroid cartilage fractures; phonatory effects; glottal configuration changes; excised larynges; 8802163
- tongue position, American English vowels; opto-electronic device use; native Southern English speaker; 8802049
- tongue root position, acoustic measure; formant frequency/bandwidth; male Akan (Niger-Kongo) speaker; 8809281
- vocal behavior simulation; vocal tract length variation, Kelly-Lochbaum model; 8802042
- vocal fold tissue; elastic properties; measurement technique developed; 8802055
- vocal fold vibration; high-speed digital analysis; voiceless consonants; 8801996
- voice disorders treatment, theory/practice; therapist's assumptions, respiration/phonation/resonance correction; 8807049
- voicing/aspiration mechanisms; Hindi/other languages compared; plosive production, photoelectric glottography; 8801986
- Phonemes**
- acoustic features; auditory processing, three-stage model; vowels/voiceless fricatives, neural representations; 8806955
- Ammonite phoneme /*ʔ*/, Canaanite dialect sibilants/interdentals; 7th-century BC Ammonite seal evidence, shibboleth incident; 8808085
- Association Québécoise de Linguistique; annual meeting's papers; 8804878
- Azerbaijani monosyllabic verbs, phonological structure; vowel/consonant sequence typology/frequency; phoneme occurrence frequency, statistical analysis; 8805660
- Brazilian Portuguese phonology; phonemic notation; problems discussed/system proposed; 8808060
- Bulgarian *K-C* alternation; masculine gender nouns, Proto-Slavic origin; alternation exceptions, geographic distribution; 8800697
- Caipira (Brazilian Portuguese) *r*, phonetic properties/origin; Portuguese internal evolution; 8805635
- Cakchiquel (Mayan) orthography; grapheme *w* use; standardization process; 8800726
- Castilian/Galician phonemes, fricative/occlusive/affricate consonants; oral/nasal opposition, interrupted/continuous articulation; 8803101
- Catalan phonological inventory; phonological features/phonemes/archiphonemes; 8808070
- Chinese phonemic distinction, rhyming, Taiwanese (southern Min); 8808067
- complimentary distribution, phonological analysis use; Old High German data; 8800717
- computer-generated phonemic cues, aphasia naming disorder treatment; Broca's aphasics; 8806978
- conduction aphasia, phoneme ordering deficit; linguistic/anatomical aspects; 8809411
- contrastive phonological analysis; tagmemic theory; particle/wave/field; 8803068

- Cuervo, R. J.; Spanish sibilants, diachronic phonology; 8808542

- early segmentation abilities; Italian-/English-speaking children compared; phoneme/syllable differences; 8802294
- English phonology teaching; phonemic symbols; computer keyboard use; 8803039
- English-Slovene phonemes compared; common/divergent distinctive features; vowels'/consonants' articulatory properties; 8808679
- foreign-language sound perception/production; native-language influence; Catalan-speaking French learners; 8805052
- Four Alternative Auditory Feature test; normative data in noise; linguistic/psychometric properties; phoneme position; 8800147
- French speech synthesis; phoneme duration prediction; context/speaking style effects; 8804427
- French vowels/consonants; phonematic perception; vowel system evolution; 8804457
- German as a second language, pronunciation teaching; Korean students; error analysis; German-Korean phonemic systems compared; 8800260
- German-Russian articulation/phonemes/grapheme-phoneme comparison/intonation patterns; similarities/differences; 8803791
- Hungarian morphophonological alternation, sources/processes; phonemic units/elementary speech events relationship; 8808309
- Ibero-Romance word variation; phonetic structure, cross-dialectal alterations; diachronic/synchronic perspective; 8804073
- initial sound cuing responsiveness; aphasic patients; A. R. Luria's hypothesis supported; 8804552
- Inland Northern American English speech; [ai]/[ai] contrast; phonemic distinction suggested; 8803965
- Italian nonsyllabic vowels, distributional properties; syllable structure models, phonemes inventory, practical applicability; 8803091
- Japanese borrowed phonemes; people's attitudes; age/education effects; 8808738
- Japanese phoneme similarity; phonological space, psychological reality; multidimensional scaling; semantic differential; 8800711
- Japanese/Spanish vowel systems; similarities/differences; acoustic analysis; 8809302
- Korean Hangul script; positive/negative features; inventor's linguistic insights discussed; 8804101
- Lake Miwok (California); phoneme borrowing/naturalization; Proto-Miwok system reconstructed; 8800701
- lexical diffusion, sound change; Catalan phonemes /š/, /č/; age/sex/writing ability correlation; quantitative sociolinguistic study, Barcelona; interviews; 8808737
- linguistic perceptual mechanisms; phonemic restoration effects; American Sign Language analogs; 8801878
- Lulubo (Chari-Nile) phonology; phonemic inventory/vowel harmony/syllable structure/ideophones/vowel elision; 8800694
- metalinguistic skills assessment; children aged 3-7 years; Metalinguistic Abilities Checklist; 8800059
- multilanguage speech synthesis, text-to-phoneme tool; French/German/Italian transcriptions; 8806398
- new English orthography proposed; morphophonematic spelling; 8808919
- Norwegian assimilation/allophones; linguistic form tri-level representation; paradigmatics/syntagmatics/intermediate; 8803105
- orthography; phonemic basis; reply to M. Barbosa da Silva; 8805637
- Pennsylvania German dialect, US; phonetic system; speakers' pronunciation difficulties; 8801486
- phoneme blending training; word reading; trainable mentally retarded children; 8807077
- phoneme changes, synthesized mid/back vowels, formant characteristics; 8806931
- phoneme concept; phonological systems; vowel/consonant phoneme classification; 8800699
- phoneme duration, age-related differences; women aged 20-35/75+; 8802089
- phoneme recognition; left-hemisphere dominance, biological basis; brief temporal pattern representation; 8802388
- phoneme-meaning correspondence; lexicon's role; lexical information content, grammar-lexicon interaction; 8804085
- phoneme/syllable accessibility, detection time comparison; partial/full stimulus analyses; 8807292
- phonemes; speech production/perception; phonemic segmentation/reading skills relationship; 8800540
- phonemic awareness concept; test reliability/predictive validity; kindergarten children; 8804817
- phonemic awareness development, reading acquisition effect; kindergarten/first-grade children; 8807810
- phonemic codes use, age/reading skill differences; short-term retention task data; disabled/average/above average readers, grades 2/4/6; 8802798
- phonemic false evaluation; aphasia analysis implications; theoretical/diagnostic consequences; 8804430
- phonemic paraphasia; phonological process analysis; posterior aphasic patients; 8807019
- phonemic processing; visual stimuli onsets, response latencies; 8802048
- phonemic segmentation, reading subskill; reading instruction importance; 8800500
- phonetic substance; three-level model; 8806929
- phonological awareness assessment, Japanese/US children; phoneme/syllable-counting/-deletion/-detection tasks; 8807240
- Portuguese digraphs *lh/nh*; corresponding phones, phonological status; 8805631
- Qhalaxarzi (Niger-Congo) phonology; consonant phonemes described; 8805625
- reading disability; linguistic coding deficits; causal relationship; 8800738
- reading process; phonemic awareness relationship; early readers; 8802860
- reading skill; phonemic awareness relationship; first-grade readers; longitudinal study; 8800097
- reading/spelling; multiletter units use; English vowel-final consonant/vowel-initial consonant units compared; 8807851
- residual recall; organizational dimension, sorting/recall task; 8-/10-year-old learning/nondisabled children; 8805474
- Russian phoneme *yot*; graphic/phonetic realization, root morphemes; didactic relevance; 8803033
- Russian-Armenian interconsonant reduced vowel functioning; weak phonemic value vs complete neutrality; 8806391
- sandhi, fictitious vs real linguistic problem; phoneme distinctivity, syntagmatic/paradigmatic manifestations; 8808083
- second-language learning; pronunciation accuracy/self-monitoring skills; English as a second language students; 8802662
- second-language sound perception; lexical knowledge effects; phoneme identification task; Japanese English learners; 8807572
- speech perception; higher level contextual influences; interactive processing model; 8804664
- speech perception; lexical/sentence context role; phoneme identification/word recognition; voicing continua; 8802368
- speech processing; auditory periphery role; spoken syllables, auditory nerve fiber responses; 8806945
- speech production/identification, profoundly hearing-impaired children, phoneme data; 8809350
- speech sounds; multiple functions; distinctive features/sound-meaning relationship/language universals; 8808062
- speech/writing relationship; children's speech; phoneme emergence; 8802353
- Standard/dialectal Slovene prosodic variation; typology/numerical estimates; 8803946
- vowels, Okpe/Uvwie (Niger-Kongo); C. Hoffman's/A. P. Omamor's evidence discussed; phonology/grammar interplay; 8808080
- word structure, phoneme-meaning correspondence; word formation internal structure; generative/natural theory framework; 8804055

Korean phonology; *Sai-sios*, gemination analysis proposed; 8806895
lenis/fortis distinction; voice quality features effects; German listening tests; 8804454
Lòkà (Niger-Congo) vowel harmony, simple/compound noun stems; [i]/[u] variants; co-occurrence pattern/phonemic distinction loss; 8808086
Maninka (Niger-Kongo) phonology; phonological units/ordered rules/tonal system; 8805633
phonemic paraphasia; phonological process analysis; posterior aphasic patients; 8807019
phonological defects; clinical description/assessment; data collection; treatment programs; 8800696
phrase processing; phonological recoding vs direct access; previous exposure effect; 8807862
potential remediation target selection; phonological analysis procedure impact; phonologically disordered children aged 3:5-6:5; 8802202
Saguenay French (Quebec) diphthong /wa/, description; variation constraints, classes distinguished; age/sex differences; 8805654
speech disorders, phonological assessment; clinical phonology applications, current views; tutorial review; 8809401
vowel pairs, tense/lax characterization; lead pellet positions/nonsense utterances, American English speaker; 8809277

Phonological Stylistics

abstractness problem, generative phonology; Arendal (Norway) dialect data; R-vocalization; 8800715
American Southwest/Rocky Mountain speech; tense vowel laxing before /l/; J. Hartman's claims disputed; 8800730
Ancient Chinese rhyme patterns; palatalization; *fan-ch'ieh* evidence; 8803703
Ancient Greek metrical system, foot construction; accentual alternation; A. Prince's free element condition; 8805672
Apabhram̐sa verse metrics; *gaṇa* (foot), *yati* (word break); 8806793
Arabic broken plurals, templatic transfer; melodic linking processes; 8806135
authorship attribution/dating; Cretan Renaissance literary works *Erotokritos/The Sacrifice of Abraham*; 8809162
Chinese phonemic distinction, rhyming, Taiwanese (southern Min); 8808067
Cockney rhyming slang; uses/metrical structure; reduction mechanisms; 8808782
Cockney, London rhyming slang, proper name use; prosodic/semantic functions; 8806511
comparative metrics; Russian method application; syllabic verse/syllabo-tonic meters; 8804293
complimentary distribution, phonological analysis use; Old High German data; 8800717
contrastive emphasis use, native/nonnative speaker differences; acoustic analysis; Spanish/English speakers; 8800713
Divine Comedy; sound repetitions; computer-generated statistics; 8801418
Eminescu, M.; proper name use, stylistic/prosodic functions; rhyme production; 8806769
English iambic meter; metrical constraints; period variations; 8804320
English intonation, functional sentence perspective; anomalous/ambiguous sentences; relative constructions/questions application; 8800735
Eskimo *Pükitsulik* tale, new reading proposed; German sailors, ditty-type rhyme/rhythm; 8801074
Ezzo lied, Germanic-Carolingian features, meter/sentence structure/word formation/usage; 8809170
French as a foreign language acquisition, phonetic deviations; Dutch learners' interlanguage, variation rules; 8805148
French metrics; final -e, rhyming function; E. Deschamps; 8801324
French phonological system acquisition; phoneme mastery age; pre-school children aged 3:3-6:2; 8800054
Germanic alliterative verse; diachronic accounts; reflexes of Indo-European meter, innovative restructuring; 8808650
homophony/rhyming judgment time; articulatory suppression effects; processing requirements/working memory; 8800144
indirect activation; semantic/phonological contexts; word completion test; 8800046
ingressive air-stream use; German/Scandinavian speakers; sociological/phonological factors; 8800723

- intonation, foreign accent; native Dutch speaker recognition; 8800736
 intonation/semantic nuance relationship; dramatic plays, actors'/
 readers' intonation/meaning variation; 8805646
 Iranian phonetic symbolism; onomatopoeic consonants/consonantal
 groups; written sources; 8806887
 Karelian/Finnish proverbs; Russian influences; sentence structures/
 alliteration/rhyme/meter; 8801437
 Lanzhou (Chinese) dialect, *xia* pronunciations; literary/colloquial pro-
 nunciations, age-related differences; lexical diffusion theory;
 8808102
 late spoken Manx; synchronic/diachronic studies; 8801271
 Luganda (Niger-Kongo) syllable structure; English loanwords; au-
 tosegmental syllable theory analysis; 8800712
 Marinetti, F. T.; Italian futurism; syntax destruction/onomatopoeia/
 typographical innovation; 8801862
 Maršak, S.; lyrical poems/children's poetry, rhythmic structure differ-
 ences; 8801834
 meter/meaning relationship; verse form/semantics; Eng lyrics exam-
 ined, iambic/trochiac tetrameter; 8801842
 modern Aramaic emphasis harmony; autosegmental analysis; floating/
 associated features; 8805636
 normal reading, phonology role; homophony/rhyme judgments, articu-
 latory suppression effects; 8804848
 Old English metrical constraints; foot concept supported; 8804313
 Old English verse grammar/meter/language grammar relationship;
 convertibility principle/constraints, traditional correctness nouns ob-
 servance; 8806792
 onomatopoeia, *The Tale of Genji*; Japanese (neu), mewing of cat ex-
 pression; 8804314
 onomatopoeia-based noun formation, word-formational stages, Kashu-
 bian (Baltic) wild bird names; etymology/phonology; 8805852
 Oriya (Indo-Aryan) deaspiration; syllable influence; natural aspirate
 class; 8800720
 Pasternak, Boris Leonidovich; traditional meters reinterpreted, new se-
 mantics; 8809149
 phonetically low/phonologically high tone, East Norwegian data; pitch
 contours, prosodic feet; 8800708
 phonological awareness development; component sound analysis;
 rhymes/nursery rhymes role; longitudinal study; 8800087
 phonological changes, morphological origin; Y. Malkiel's Old Spanish
 examples challenged; 8801332
 phonological confusability, sentence short-term memory; reading abili-
 ty predictor; kindergarten children; 8802246
 phonological perception, one-word stage; visual search paradigm; chil-
 dren aged 1;3-1;8; 8807250
 Pierro, Albino, Tursi dialect poems; phonic/syntactic/semantic/metric
 parallelisms; R. Jakobson's/Ruwet's frameworks; 8801839
 Pirahã phonology, metrical phonology model; stress evidence; 8805628
 poetry translation; metrical problems; French poems, English transla-
 tions; 8800646
 poetry; sound structure; Urdu poem, sound/sense correspondence;
 8801792
 Rabet, Claude; poetic/rhythmic devices; 8801820
 rhyme generation; deaf adults; orthographic/speech-related strategies;
 8806958
 rhyme judgment; phonology/orthography interaction; event-related po-
 tentials; young adult males; 8802249
 rhyming/nonrhyming text retention; paraphrase, rote recitation mea-
 sures; preschool children; 8804759
 Romanian diaeretic diphthong, *-oa/-oază* 'oasis'; poetry analyzed; pho-
 netic/metric properties, etymology; 8806815
 Russian "Kamarinskiy" song, meter/literary imitations; phonological-
 stylistic/genre-specific features; 8804316
 Shakespeare's meter; contemporary metrical models; statistical ap-
 proach advocated; 8801849
 sound change actuation; Semitic case study; phonetics-phonology in-
 terface model; 8801304
 syllable constituency; onset/rhyme distinction defended; 8803036
 toneme distribution, Scandinavian languages; terminal contour, mono-
 polysyllables; 8800706
 verbal music appreciation, cognitive component; aesthetic framework;
 8807717
 versification studies; comparative focus supported; Russian/German
 ottava rima, rhyming/syntactic patterns; 8804307
- Phonology (see also Generative Phonology)**
 Acadian phonology, regional varieties; comparative analysis; 8808050
 accented English; Mexican-American dialect features; phonological
 variation; 8802910
 acronyms, segmental/suprasegmental structure, modern English; stress
 rule/"canonical pressure" conditioning; 8808076
 Afrikaans ambiguity; phonology/semantics/syntax/pragmatics inter-
 action; traditional approaches critically reviewed; 8805885
 Akan (Niger-Kongo) palatalization; E. N. A. Mensah's proposal re-
 futed; 8808040
 Akan (Niger-Kongo)/Luo (Chari-Nile) vowel systems; tongue mecha-
 nisms; front/back raising; 8802007
 Ālu Kurumba (Dravidian) centralized vowels; conditioning factors, or-
 igins; 8805642
 American English orthography; systematicity described; procedural
 rules/tactics/grapheme-phoneme correspondences; 8808892
 American Sign Language phonology; lexical/postlexical rule interac-
 tion; generative phonological theory supported; 8800722
 American Sign Language; phonological structure/production; sign er-
 ror data/aphasia study examined; 8804352
 American Spanish temporal patterns; acoustic analysis, syllabic seg-
 ments variation; segmental/suprasegmental effects; 8803019
 Ammonite phoneme /t/, Canaanite dialect sibilants/interdentals; 7th-
 century BC Ammonite seal evidence, shibboleth incident; 8808085
 Ancient Greek metrical system, foot construction; accentual alterna-
 tion; A. Prince's free element condition; 8805672
 Anderson, S. R., *Phonology in the Twentieth Century: Theories of
 Rules and Theories of Representations* reviewed; modern relevance
 acknowledged; 8803060
 aphasia, phonological/speech perception; philosophical/methodological
 shortcoming; response; 8809391
 aphasia; short-term memory/sentence comprehension deficits; memo-
 ry, phonological components; 8800036
 aphasic object naming; initial sound cue use; 8809460
 Arabic consonant assimilation, formal autosegmental account; tier de-
 composition mechanism; 8808034
 Arabic nominal case endings; modern dialect loss, stress shift role; J.
 Blau's data reanalyzed; 8801333
 Arabic pharyngealization; native speakers'/American learners' percep-
 tion/production; 8802597
 Arabic slips of the tongue; classification/theoretical significance;
 8802223
 Arawak (Amerindian) language; grammatical description; phonology/
 morphology/syntax/discourse; *wh*-movement, government-binding
 analysis; 8803621
 aspirate assimilation, post-Mycenaean phenomenon; C. J. Ruijgh's
 thesis supported; 8803726
 association lines; well-formedness condition; overlap/nonlinear phonol-
 ogy; 8803557
 Association Québécoise de Linguistique; annual meeting's papers;
 8804878
 Atalyic dialect group classification; phonological/lexical/
 morphological criteria; 8801483
 Austrian phonological variation; dialectal influences, social status ef-
 fect; politician interviews; natural phonology framework; 8804230
 autosegmental theory; geminate inalterability constraint/feature un-
 derspecification/feature geometry; Tigrinya spirantization/child's
 English epenthesis; 8803564
 Azerbaijani monosyllabic verbs, phonological structure; vowel/
 consonant sequence typology/frequency; phoneme occurrence fre-
 quency, statistical analysis; 8805660
 Bantu (Niger-Kongo) languages classification, structural mutations;
 M. Guthrie's/J. Greenberg's systems criticized; 8808580
 Bantu (Niger-Kongo) vowel harmony; non-structure-preserving rules,
 lexical status demonstrated; 8803043
 Bari (Chari-Nile) tonal system; descriptive analysis; verbal derivation
 system, tonal properties; tone sandhi phenomena; 8805687
 Basque culture/language; history/origin/grammar sketched; 8801461
 beginning readers' English short front vowel categorizations; spelling
 knowledge effects; 8800069
 Belinish-North Upper Saxon phonological parallels; oral/written codes
 relationship, social/cultural similarities; 8808773
 bilingualism; American German/American Icelandic dialects; English
 influences; 8802929
 blocking mechanism, phonological models; disjunctive ordering princi-
 ple; French dialect data, morphological processes; 8805931
 borrowings adaptation, phonological system evolution; Latin/French
 loanword, Polish adaptations; reconstruction difficulties, early un-
 written languages; 8801363
 Brazilian Portuguese phonology; phonemic notation; problems dis-
 cussed/system proposed; 8808060
 Brazilian Portuguese sound-letter correspondences; *Leitura, ortografia
 e fonologia*, R. E. Hoyos-Andrade's criticisms answered; 8800704
 Brazilian Portuguese vowel nasality; generative analysis problems;
 [a]/[æ] contrast distinctiveness; diphthong *ão*/plural allomorphy;
 8800729

- Brazilian Portuguese; Palmeiran dialect described; phonological/morphosyntactic/lexical/semantic features; 8801496
- Breton consonant mutations; incomplete/full; mutation reversal/partial mutation analysis; 8800733
- Bulgarian *K-C* alternation; masculine gender nouns, Proto-Slavic origin; alternation exceptions, geographic distribution; 8800697
- Bulgarian vowel reduction; morphological/sociolinguistic/stylistic/dialectal factors; articulatory pattern/phonetic solutions; 8805657
- Bybee, Joan L., *Morphology. A Study of the Relation between Meaning and Form*; natural generative phonology theory extended; 8808293
- Caipira (Brazilian Portuguese) *r*, phonetic properties/origin; Portuguese internal evolution; 8805635
- Cairo (Egypt) Arabic stress; *madrasa* structure, conflicting opinions; accentuation, neutral intonation vs isolation; native speakers; 8808055
- Cakchiquel (Mayan) orthography; grapheme *w* use; standardization process; 8800726
- Cameroon Standard English pronunciation, sound pattern characteristics; polyglottal setting influence; 8808075
- Cardiff English glottal stop; social status; children aged 13-15, readings, interviews; 8805645
- Caribbean English, English-based creoles; common phonetic elements; West African influences; 8805681
- Castilian 16th-century pronunciation reconstruction; Diego de Ordaz's letters; consonants/vowels, Amerindian words; 8803700
- Castilian/Galician phonemes, fricative/occlusive/affricate consonants; oral/nasal opposition, interrupted/continuous articulation; 8803101
- Catalan phonological inventory; phonological features/phonemes/archiphonemes; 8808070
- catastrophe theory application; categorical perceptions, phonology; J. Petitot-Cocorda's *Les Catastrophes de la parole, de Roman Jakobson à René Thom* (Catastrophes of the Word: From Roman Jakobson to René Thom); 8806854
- Cayuga (Iroquoian) primary stress placement; rule ordering revisions; stress/penultimate lengthening; 8805618
- Central Alaskan Yupik Eskimo prosody modifying processes; double articulation principle revised; 8803110
- Central Yiddish vowel system; segmental/prosodic characteristics; diachronic/synchronic analysis; 8803053
- Chajul Ixil (Mayan) phonology; long/glottalized vowels, phonological status/orthographic representations; 8801984
- Chichewa (Bantu) high tone assignment; tone melody lexical subcomponent proposed; verbal tense marking; 8803074
- Chichewa (Bantu) tonal reduplication; nonlinear phonology approach; 8805648
- child language acquisition; cognitive development; theoretical concerns, phonology, grammar; 8800073
- child language; context-sensitive phonological patterns; poor intelligibility treatment; 8800085
- child phonology simplification; first/second language differences; English learners, longitudinal study; 8803084
- child phonology; between-word processes; English-acquiring child, diary study; 8804804
- child phonology; unusual patterns; language-impaired/normal children compared; 8800086
- child word acquisition; production/comprehension; new/mastered sounds; 8802345
- children's sentence production; syntactic/phonological/fluency characteristics; linguistic/extralinguistic factors; language-impaired/reading-disabled/normal children; 8800090
- Chinese phonemic distinction, rhyming, Taiwanese (southern Min); 8808067
- Chinese phonological development, computer program model; Middle Chinese-Modern Peking Mandarin; M. Y. Chen's rules; 8808707
- Chinese phonology; tone, classification/historical developments; 8808049
- Chinese syllabic tones synthesis; temporal/contour/intervalic/amplitude/register-related features representation, theoretical/practical problems; 8805663
- Chinese tone production, cricothyroid/sternohyoid muscles role; electromyographic data; female Chinese speakers; 8805664
- Chinese tone reconstruction, Song Dynasty; Jiang Baishi's musical scores analyzed; 8808099
- cleft palate speech, treatment techniques; phonological/articulation therapy; case studies; 8809512
- clinical linguistic profiles; computer software program; grammar/phonological process analysis; 8802135
- coarticulatory propensity; English/Polish consonant clusters, sonorant insertion; 8806384
- coexistent tone systems, Chinese dialects; Chaozhou/Kejia tonal development; 8808068
- consonant epenthesis, occlusive & liquid sequence; M. Picard's argument challenged; 8803071
- consonant epenthesis; general rule/universal constraints proposed; syllable structure role; 8802019
- consonant/vowel analysis suggestions, native speaker intuitions; 8808097
- contrastive phonological analysis; tagmemic theory; particle/wave/field; 8803068
- Cuervo, R. J.; Spanish sibilants, diachronic phonology; 8808542
- Cyrillic graphemes, phonological interpretation; A. Avram's principles, A. Rosetti's critique rebuttal; 8806251
- Derry (Northern Ireland) English intonation; auditory/acoustic analyses; Southern Standard English data compared; 8800719
- Dholuo (Nilo-Saharan) consonant alternation, noun plurals; lexical/grammatical conditioning rules; male native speaker; 8800732
- diachronic lexicography; phonological/dialectal/graphic variation; computerized treatment; 16th-/17th-century French dictionaries; 8801398
- dialect borrowing; word frequency role; Middle English /ð/ words, Modern English forms; 8801355
- dialectal Russian, territorial division; sonorous consonants articulation; reclassification proposed; 8801480
- Dimasa (Bodo) phonemes; segmental/suprasegmental phonemes, vowel harmony; 8803069
- disordered child phonology; phonotactic restrictions/motor-programming problems; English-speaking boy aged 9:0; 8804539
- Dutch adjectival suffixes *-en/-s/-isch*, lexical phonology framework, stress-attracting morphemes; 8808279
- Dutch loanword adaptation, orthography/pronunciation, source language differences; 8806446
- Dutch loanwords, Indonesian; historical background, difficulties/successes; phonological adaptation processes; 8808726
- Dutch verb inflections, phonological aspects; native-language teaching; 8808081
- early language development; phonological processes/homonymy incidence studied; 8803054
- early South African English phonology; J. Goldswain's *Chronicle*, reliability assessed; Middle English vowel reflexes; 8806439
- early Standard English phonology; vowel systems, diachronic analysis; 8806348
- Early Welsh aspiration; T. Griffen's analysis refuted; Celtic consonants; historical sound changes; 8803109
- East Slavic *akan'ye*; geographical distribution, historical development; 8803648
- Eastern Highland Papuan languages relationship; syllable structure evidence, reconstructions; 8805634
- Eastern Kayah (Tibeto-Burman); grammatical description; phonology/morphology/syntax; verb serialization; 8803624
- echoism, English bird names; phonological aspects; 8808833
- English /ng/; abstract analysis rejected; linguistic theory/explanation; 8800718
- English (f)/(θ) contrast; infants' perception; context effects; 8802410
- English accentuation pattern changes, phonological/systemic/normative character; English as a second language teaching implications, Russian students; 8805655
- English antigemination; obligatory contour principle; spirantization/syncope evidence; 8803023
- English dialectology; phonological/grammatical/lexical variation; review article; 8806432
- English homonym distribution; functional load/therapeutic change hypotheses implications; statistical tests; 8800857
- English morpheme pronunciation differences, meaning constancy; language structure issues; 8808066
- English phonology acquisition, speech therapy; case study; 4-year-old; 8807229
- English phonology teaching; phonemic symbols; computer keyboard use; 8803039
- English pronunciation teaching; Portuguese-speaking students; rhythm/stress/vowel quality; error analysis; 8802511
- English pronunciation; Dublin area; 8803108
- English sentence intonation; synthesizing algorithm; information focus; 8808059
- English suprasegmental phenomena; syntactic/semantic correlates; compounds/nominal *-ing* constructions/genitival phrases; 8808045
- English syllable duration; domain-final lengthening/foot-level shortening relationship; 8805659
- English syllable structure; onset-peak distributional constraints; deviant syllable rating/blending task; 8809322
- English third person singular *-th*; *-s* replacement; phonological/philological/semiotic factors; 8803750

- English vowel epenthesis, suffix-initial /i/; underlying absence, rule insertion; 8803112
- English vowel shortening, language-specific syllabification rules/universal conventions; vowel shortening rule obviated; 8803076
- English word-final stop-sibilant clusters; Japanese English learners' spontaneous speech production, acoustic study; 8802649
- English, Japanese users/uses; English loanwords, phonological/orthographic/semantic properties; 8801444
- English-Slovene phonemes compared; common/divergent distinctive features; vowels'/consonants' articulatory properties; 8808679
- final syllable lengthening, phonological domains; intonational-phrase boundary effects; 8800695
- Finnish phonology; gemination/antigemination; linguistic/social variation examined; 8803077
- Finnish secondary gemination; origin development/current status examined; 8803081
- Finnish *t* ~ *s* alternation; verbs' assilibration limitations; contraction/assilibration stages; 8803687
- Finnish word stress/sentence accent; methodological problems; 8803052
- foreign-language acquisition; foreign accent causes; anatomical/physiological factors; 8803015
- foreign-language learning; pronunciation acquisition research critically reviewed; stylistic evolution/age/interference; 8803065
- fragile X syndrome, cognitive deficits; phonological patterns, male Finnish-speaking patients; 8808096
- French facultative final consonant dropping/maintenance; sociolinguistic factors, age/sex/geography/profession; French/Belgian male/female speakers aged under 30-over 50; 8806727
- French language; Canadian/French dialects compared; syntactic/phonological/lexical features; 8806454
- French liaison; variability; radio broadcast corpus/political speeches/spontaneous conversation data analyzed; 8803022
- French phonology; lexical processes analyzed; three levels proposed; 8803055
- French phonology; theoretical analyses; data disagreement; schwa/liaison/aspirated *h*; 8803072
- French prosody/rhythm; prosodic/syntactic structures independence; eurhythmy relevance; 8803067
- French referential/spatial prepositions; occurrence rules; theoretical framework; 8803114
- French schwa behavior; Herault dialect described; 8803032
- French schwa; floating vowel treatment proposed; 8803097
- French speech perception, error structure; US undergraduates; phonologically variable acoustic signals; 8807556
- French speech timing; tempo change effects; pause behavior/segment durations; 8804435
- French syllable structure; tense vowel/lax vowel + sonorant rimes similarities; two-slot rime analysis proposed; 8803085
- French syllable theory; nonlinear phonology framework; syllable template distinction; M. Trommelen's/R. Noske's views disputed; 8805671
- French verbs; morphological innovations; Humboldt's universal; 8803764
- French vowel + nasal consonant sequences; Portuguese-speaking learners' difficulties; corrective exercises presented; 8800199
- French vowels/consonants; phonematic perception; vowel system evolution; 8804457
- Galician falling diphthong reduction; phonotactic conditions; 8803761
- Galician initial *s*-loss; colloquial variants; 8804037
- Gamkrelidze, T. V./Ivanov, V. V., *Indoeuropeyskiy yazyk i indoeuropeyskiy* (Indo-European Language and Indo-Europeans) content outline; 8806351
- Gascon (Occitan) metathesis; rule-governed account; syllable weighing method; 8805627
- General Nigerian English intonation, communicative functions; native-like intonational system; 8808087
- German discourse prosody, second-language instruction; listening exercises; Swedish-speaking students; 8802534
- German writing system; grapheme-phoneme correspondence, phonologically dependent lexical system, P. Kiparsky's elsewhere condition applicable; 8806595
- glottalization/gemination, Greater Bolton (Greater Manchester County, Lancashire, England) dialect; phonetic transcriptions analyzed; 8805669
- grammar data selection; systematicity/dialogue/linguistic competence relation; 8803414
- grammar/phonology relationship, phonologically impaired children; linguistic complexity effect; 8809403
- grammatical category shifts; phonological structure effects; English noun/verb stress asymmetry; 8807175
- Greek language prehistory/protohistory; pre-Mycenaean period/Linear B development/post-Mycenaean, phonological characteristics; 8806257
- Guiraut Riquier, 13th-century troubadour, manuscript R linguistic features; troubadour language characteristic traits; 8808634
- Gulf of Guinea creoles; liquid cluster treatment, comparative analysis; 8805630
- Haitian creole /*v*/: /*w*/ opposition, phonological distribution; J. Kaye's/J. Lowenstamm's/J.-R. Vergnaud's phonological representation theory; (+round) environment; 8808042
- Hebrew verbal system; prosodic morphology approach; morphology/phonology interaction; 8805920
- Hindi schwa deletion; lexical phonology analysis proposed; cyclic/postcyclic rule applications; 8803025
- Hindi vowel alternations, morphophonological explanation; noun/verb inflection/formation, word composition; 8805910
- Holder, William; 17th-century speech sound theory, "hylomorphic" distinction; 8806173
- Hungarian cola structures; need supported; 8803041
- Hungarian morphophonological alternation, sources/processes; phonemic units/elementary speech events relationship; 8808309
- Hungarian phonological rules, application domains; phonology/syntax interface theories evaluated; 8803104
- Hungarian sentence intonation; autosegmental treatment; J. Goldsmith's model applied; 8805641
- Ibero-Romance consonant palatality; diachronic analysis; medieval Portuguese orthographic evidence; 8803721
- Icelandic prefixes/suffixes, stress; phonological structure constraints; 8803020
- Indian English phonology, sociopsychological/articulatory factors; questionnaire; 8808088
- indirect activation; semantic/phonological contexts; word completion test; 8800046
- Indo-European laryngeal theory; spirant consonants */*h*₁/, */*h*₂/, */*h*₃/, diachronic-explanatory-reconstructive relevance; M. Mayrhofer's conceptions; 8806349
- Indo-European occlusives, glottal theory; literature review; reconstruction comparative-typological method; 8803778
- Indo-European phonological development; laryngeal theory; Anatolian, Greek data; 8803728
- information processing; given/new distinction, accentuation relationship; 8804837
- Inland Northern American English speech; [ai]/[ai] contrast; phonemic distinction suggested; 8803965
- interlanguage phonology variability; markedness relationships role; native Spanish-speaking English learners; target /*s*/ onset production; 8800380
- International Phonetic Alphabet, major features; feature/hierarchical organization revision proposed; 8809296
- intonation studies; D. Bolinger's *Intonation and Its Parts: Melody in Spoken English*/A. Cruttenden's *Intonation*/E. Couper-Kuhlen's *An Introduction to English Prosody* reviewed; 8803047
- intonational phonology/meaning/phonetics relationships; Norwegian data; indefinite noun phrase specific/nonspecific readings; 8803035
- intonational phrase definition; Slave (Canadian Athapaskan) phrase-level phonological rules evidence; 8803088
- intonational structure; R. Ladd's/J. Esser's, A. Polonski's concepts; constructed vs natural data; hierarchical vs sequential structure; 8800724
- Inuit *katajjait* "throat games," linguistic analysis; morphological/metrical features; notation system; 8805617

- Tokyo Japanese long nominal compounding accent; loanword/native word treatment; 8805677
- Tolkien, J. R. R., linguistic techniques; private language creation/word play/sound symbolism; 8809141
- tonal polarity, Moore/Lama (Niger-Kongo) data; associative construction, low-tone affix postulated; 8808063
- Toposa (Eastern Nilotic) vowel harmony system; diachronic perspective; 8805666
- Toposa (Eastern Nilotic), voiceless vowels description; 8805667
- Turkish vowel harmony; structural analysis, item-argument approach; lexical/grammatical morphemes, phonological/morphophonological/morphological levels; 8803625
- Ukrainian substitutive vowel lengthening; accounts survey; dialectal differentiation, stress/lengthening relationship; 8808100
- Uralic-Indo-European phonological parallels/similarities; *p/k* + cons, vowel context; 8808598
- Usan (Trans New Guinea phylum) language; descriptive grammar; functional grammar approach; 8806243
- variable rules, data collection device; generative claim refuted; prosodic organization/well-formedness conditions; 8808509
- Venetian palatalization *C/G⁺A*, cisalpine heritage/influence; 8805680
- "Vervins" pronunciation, dialect differences; phonetic/phonological researcher reliability; 8808052
- Vienna German monophthongs, quality/vowel duration/height; East Middle/Swiss German material comparison; idiolectal/sex differences, regional similarities; 8805638
- vocalic harmony dynamics, Shapsugh Circassian data; K. J. Gregerson's overlapping registers applied; 8803107
- vocalic underspecification, Yoruba (Niger-Kongo) (i); redundancy rule ordering constraint proposed; 8805658
- Vogul *s/š* Uralic-Finno-Ugric predecessors; Y. H. Toivonen's double palatalized sibilants thesis rejected; single Proto-Ugric **s*; 8806296
- voiced aspirate initials, Yung-hsing (Chinese) dialect; phonological analysis; 8808057
- vowel coalescence processes; universal/language-specific aspects; nonlinear theory; Old Portuguese/Kasem (Niger-Congo) data; 8805624
- vowel harmony; directional vowel features theory support; "whole tier" harmony hypothesis; 8805661
- vowel R', vowel sounds instruction program; vowel auding ability assessment, rules application; 8802734
- vowel "thinning," English; process characteristics; 8808098
- vowels, Okpe/Uvwie (Niger-Kongo); C. Hoffman's/A. P. Omamor's evidence discussed; phonology/grammar interplay; 8808080
- Welsh language; grammatical profile development; Language Assessment Remediation Screening Procedure; consonant mutation/profile borrowing/code-switching; 8804513
- West Belfast Irish-speaking community; language revival/bilingualism; sociolinguistic/linguistic analysis; 8801737
- West Germanic consonant gemination; morphemic parsing role; 8805668
- word length conceptions; literacy role; illiterate unschooled adults; 8800477
- word-level coarticulation/shortening; English/Italian compared; foot structure implications examined; 8803803
- writing/prosody relationship, diachronic perspective; Old High German material, E. Selkirk's model; 8808900
- Xhosa (Niger-Kongo) verbal extension; phonology/morphology/syntax/semantics; 8805792
- Xiamen (Chinese) tone sandhi rules operation; tone group definition; 8803027
- Yao tones, Guo-Shan Yao/Ba-Pai Yao varieties; fundamental frequency contour analysis; earlier data compared; 8803113
- Yoruba (Niger-Kongo) vowel deletion; lexical/postlexical rule application; 8803018
- Yukaghir verbal/nominal stems differentiation; affixation, /ə/ phonetic value; 8805934
- Zabid Arabic (Central Tihāmah Arabic) phonological/grammatical characteristics; oral code; descriptive study; 8803622
- Zulu (Bantu) stops, experimental determination; spectrographic/electro-aerometric data, fundamental/formant frequencies; Zululand natives; 8808051
- Zulu tonal depression, pitch perturbation; depressor phonetic properties; fiberoptic video/still photography, laryngographic/aerodynamic measurements, spectrographic analysis; 8805676
- Phrase Structure Grammar**
- agreement, phrase structure grammar account effectiveness; Basque/Achenese data; 8808178
- categorical grammar; computationally tractable model constructed; English syntactic/semantic problems treated; 8801181
- Cheyenne verbal agreement system; generalized phrase structure grammar analysis; word internal structure; 8806162
- computational complexity theory; natural language processing system problem tractability; agreement/lexical ambiguity; lexical-functional grammar/generalized phrase structure grammar/two-level morphological analysis; 8801149
- computational linguistics; natural language processing/linguistic theories relationship; unification grammars; 8808498
- context-free grammars; English nongenerability; *respectively* coordination argument; 8801178
- English coordinate NPs; generalized phrase structure analysis; unary features/feature percolation; 8806171
- English passive; monostratal phrase structure analysis; SLASH-like missing constituent feature proposed; 8801203
- feature distribution; German/Dutch modifier/specifier placement; 8806125
- Finnish particle clitics, general clitic theory; syntactic/morphological/phonological status; generalized phrase structure grammar model, Finnish connective/epistemic adverbs; 8801185
- formal syntactic theory; mathematical linguistics/natural language context-freeness; 8808505
- generalized phrase structure grammar, complexity sources; context-free languages; sentence parsing; 8801188
- generalized phrase structure grammar, Prague school perspective; G. Gazdar's/R. W. Jackendoff's preposition analyses; 8808489
- Japanese syntax; nontransformational phrase structure analysis; anaphora/control, syntactico-semantic approach; 8805732
- Japanese/English parser; generalized phrase structure grammar framework; 8806157
- Norwegian noun phrase co-occurrence/agreement; phrase structure analysis; 8808162
- Polish quasi-comitative construction; generalized phrase-structure grammar analysis; 8808442
- Quechua numeral system, morphology/syntax; historical/sociolinguistic issues; 8808585
- referent grammar, computer analysis/generation/translation; generalized phrase structure grammar basis; 8808508
- Scandinavian syntax; comparative studies/theoretical issues/language-specific phenomena; 8800786
- sentence analysis, verb control information; generalized phrase structure grammar/government & binding models; L. Frazier/C. Clifton/J. Randall data; 8808445
- Slovenian orphan accusative; phrase structure framework; syntactic treatment; Russian data; 8800899
- Swedish verb agreement; generalized phrase structure grammar framework; 8808425
- syntax current theories, generative grammar framework; nonspecialist overview; 8805713
- there*-insertion, agreement, generalized phrase structure grammar; English stipulation; 8808139
- Welsh clause structure, generalized phrase-structure grammar approach; verb-subject-object languages application; 8808430
- Phraseologism, Phraseology**
- Azerbaijani translation, Russian proverbs/sayings; culturally adequate translation; M. Gorki's prose; best Azerbaijani equivalents sought; 8800625
- Bakyhanov-Gidsi, A., 19th-century Azerbaijani poet; phraseological expressions use; 8806794
- Balkan phraseology, Osman-Turkish influence; phraseological loan translations; lexicon/phraseology relationship; 8800855
- biblical phrases quotation/alteration, literary device; English literature history; 8806806
- Czech proper names functions; phraseological units; onomastic/general linguistic roles; 8801542

- diachronic phraseology; material collection/research principles; Balto-Slavic example; 8806277
- East Slavic cattle market terminology, borrowing/metaphorization; A. F. Zhuravlev's 'Obmyvanie kopyt' reviewed; 8808269
- European/Mozambique Portuguese phraseology; stability/variation/idiomaticity; Standard Portuguese norms; 8808671
- French phraseological Russicisms, borrowed Russian proverbs corpus; literary use, semantic/structural discrepancies; 8803884
- French phraseological units formation; primary/secondary transposition; conversional/derivational/elliptical transformations; 8800969
- German coin names phraseologisms; coin usage, coin-names' meaning/etymology; second-language teaching implications; 8800819
- German dialectal temporal phrases, areal description; structural-semantic modeling approach; ideographic principle; 8803325
- German phrase/adjectival word formation, modelability/semantic content compared; 8803244
- German phraseology history; Wenzeslaus Linck's proverbial idioms/comparisons, quantitative analysis; lexicographic treatment; 8806367
- German phrases; folk-etymological reinterpretation/element substitution; verbal/comparative/exclamative phrases; 8803333
- German political phraseology; term versus general vocabulary; central/peripheral political phrases; 8801551
- German-Hungarian dephraseological derivation comparison; dominant formational means/patterns; 8806377
- German-Spanish idioms; complete/limited phrases, verb equivalence; 8808678
- German/French quotation translation problems; translational strategies; 8805584
- language for special purposes study; collocations/verb use/phraseology; 8800674
- Lenin, V. I., Latin popular expressions use; semantic/structural modifications, connotative expression; 8804304
- lexical fixation, linguistic description; criteria, grammatical treatment; 8803214
- neologism formation, Greek-Bulgar parallel; prefixation/agglutination/semantic derivation/phraseologization; 8805939
- personal appearance description, cliché use; Russian cliché/phraseologism; 8806001
- phraseologism, polylexemy criterion questioned; French language; word combination frequency, word combination/phrase distinction; communicative-pragmatic markedness; 8800865
- phrase production/perception, Nordic dialects; pitch/intonation curves compared; Danish/Swedish/Finnish dialect speakers; 8803050
- phraseological meaning formation; connotations role; cross-linguistic (Indo-European) material; 8805877
- phraseological unit; textual function; Russian material; 8801114
- phraseologisms text-formational potential; Soviet/East German research trends; dialectical-materialistic framework; 8805981
- phraseology, idioms; text role; form/content; semiotic status; 8803182
- Polish idiomatic phraseology, developmental changes/trends; dictionary material; semantic/structural alterations, extralinguistic factors; 8806278
- Romanian phraseological etymology, collective/multiple etymons, total/partial calques; 8803685
- Romanian phrases, incorrect usage; meaning confusion/stylistic connotations/special-general register transfer; 8800904
- Russian as a second language instruction, phraseology teaching; objectives/student's skills/phraseological competence; 8805046
- Russian phraseological units, 'very quickly' basic meaning; evaluative connotation, stylistic/expressive value; 8803199
- Russian phraseologisms history; A. N. Radischev's poem "Bova" (no gloss available); 8804329
- Russian proverbs structural modification, semantic/structural changes; 8803488
- Russian proverbs/sayings' meaning explanation, figurative/literary content; Russian as a native language instruction; 8803428
- Russian-Indonesian idiomatic expressions compared; differences/similarities identified; 8801369
- Russian-Ukrainian phraseology; comparative-typological study; semantic-structural similarity, stylistic/connotative variations; 8803783
- spasmodic dysphonia; extralaryngeal motor functions; nervous system lesion localization; 8806980
- Ukrainian phraseological derivation, patterns/bases; words/syntactic structures as bases, derivation typology; 8805907
- word combination idiomatization degree, objective measurement/typology; psycholinguistic experiment; Russian native speakers; 8804655
- word/phraseological component; semantic peculiarities studied; semantic markedness typology; 8800896
- work-related phrases, fun-oriented thematic listing; English/French/German/Lithuanian/Russian material; 8801116
- Piaget**
 bilingualism, cognition, theoretical considerations; 8807984
 children's listening comprehension assessment; J. Piaget's framework; 7-/5-year-olds; 8804798
 inner speech/oral language/reading; theories contrasted; E. B. Huey, L. S. Vygotsky, J. Piaget; 8807859
 kindergarten reading performance; Piagetian task relationship; 8807613
 language acquisition, constructivist theories, infant studies implications; Piagetian theory flaws; 8804779
 reading as individual/text confrontation; J. Piaget's/N. Chomsky's theories compared; 8807807
 reading readiness indicators, alphabet seriation tasks/traditional seriation tasks; Raven Progressive Matrices Test, Gates-McGinitie Word Recognition Test; 8805265
 superordinate categorization; metalinguistic awareness role; free definition task/nominal realism questionnaire; children aged 7:1-8:11; 8807202
 temporary concepts; spatial notions relationships; English/Chinese data; 8804696
 thought/language, developmental psychological perspective; W. Stern's language development theory refuted; 8802252
- Picture, Visual Media**
 aesthetics/cognition relationship; aesthetic judgment, linguistic interpretation, cognitive restructuring, art rating task; S. Ertel's text analysis procedure; 8807167
 Alzheimer's disease; early diagnosis; picture description analysis use supported; 8804577
 cartoon-illustrated format, limited reading ability audiences; limited-resource/non-limited-resource readers' comprehension compared; 8802747
 child drawing/scribbling, psychological/communicative/aesthetic aspects; semiotic interpretation; sign/object/interpretant relationship; 8801938
 child language stimulation; picture potency rating; Manzo-Legenza formula; Caldecott Award winning books analyzed; 8805393
 cognitive processing; sentence-picture verification tasks; individual differences/long-term strategy evolution; 8802247
 comparison operation, verbal communication; difference/similarity verbalization; picture description task; Russians aged 25-35; 8801098
 drawing/dictation, kindergartners; style/approach differences; teacher's assumptions; 8804740
 English as a second language instruction, picture stories; theoretical considerations; reader-oriented text analysis; 8805000
 French language instruction, political cartoons/drawings use; political discourse aspects; 8808339
 German as a second language instruction, motion picture as teaching material, *Die verlorene Ehre der Katharina Blum* (The Lost Reputation of Katharina Blum); 8802531
 illness/health description, linguistic imagery; social/cultural/emotional factors; conversation samples analysis; 8804130
 illustrations effect, junior high school textbook readability; cloze test data; children aged 8-11; 8805398
 interpretative comprehension; whole/partial illustration effects; Nigerian sixth graders; 8805441
 Kosovel, Srećko; *Integrali '26* (Integrals '26) poems, graphic elements/organization importance/semantic/poetic function; 8809168
 long-term story recall; quantitative/psycholinguistic/propositional characteristics assessed; composition type/sex/picture manipulation; 8802390
 naming reaction times; linguistic encoding dominance; hemispheric processing differences; stutterers/nonstutterers; 8809439
 negative priming; ignored pictures/words; selective attention tasks; semantic processing; 8802277
 Old Slavic manuscripts artistic design; ornamental/pictorial/illuminative elements, Glagolitic/Old Russian texts, Byzantine tradition; 8808637
 pictorial images, reading/writing/thinking impact; concept content alteration; English as international language influence; 8801677
 pictorial representation semiotics; S. Levy's theory challenged; 8809206
 pictorial/verbal information integration; general/specific sentence-picture presentation sequence; dual/common code semantic interpretation, dual-coding position elaboration; eleventh-grade students; 8804695
 picture naming; semantic knowledge accessing; discrete stage/cascade processing models; 8804707
 picture-cuing method, rebus program, reading instruction; trainable mentally retarded children; standard orthography transfer; 8804617

- reading comprehension; book illustration role; visual literacy; 8807746
- Russian as a second language teacher training, East German Us; illustrative aids, diagrams/tables typology; 8804980
- semantic facilitation; processing level/strategic factors role; pictures/words; 8802265
- semantic memory information retrieval; intrinsic physical attribute information role; picture/word category decision task; 8804717
- semantic processing impairment; brain-damaged patient; visual/semantic information interaction; 8804712
- sentence recognition memory; pictorial context effect; aphasic/right hemisphere patients; 8809416
- teaching materials, page-to-screen transition; surface/interface design problems; 8801043
- text comprehension evaluation; cloze test procedure; illustrated texts; French-speaking third graders; 8800468
- text comprehension; graphic elements role; reader-related variables; 8801085
- text learning; incidental pictorial/verbal adjuncts effects; 8804838
- text/picture relationship, fables; semiotic perspective; *Rotkäppchen* (Little Red Riding Hood) analysis; 8801939
- three-term series problem; linguistic/spatial processing strategies; sentence-picture/sentence-kana verification tasks; Japanese college students; 8802402
- visual images, verbal environment/captions; constructivist approach; 8804363
- word comprehension impairment; brain-damaged patient; picture vs word meaning processing; 8804703
- written prose information recall; pictures' effect assessed; 8800112
- Pitch (see also Suprasegmental Analysis, Frequency of Vibration)**
- auditory Stroop effect; psychoacoustic dimensions; pitch/loudness/time; 8800151
- conversational narration; audience response, prosodic correlates; pitch/speech rate/pauses; 8806082
- discourse, pitch pattern/pause use; acoustic analysis; Japanese story; professional male announcer, Tokyo dialect; 8809323
- English sentence intonation; synthesizing algorithm; information focus; 8808059
- English sentence stress perception; pitch role; Japanese learner/native speaker differences; 8809330
- English suprasegmental phenomena; syntactic/semantic correlates; compounds/nominal *-ing* constructions/genitival phrases; 8808045
- infant cries, pitch variations/maternal perceptions; fundamental frequency aspects; 8802415
- lipreading, serial recall; accompanying auditory pulse train effects; buzz-speech; 8804844
- listener perception, speaker height/weight; voice pitch cue; Japanese vowels; 8804482
- Parkinson's disease; motor speech problems described; velopharyngeal functioning/phonatory performance/speaking rate; 8804543
- phonation; expiratory lung pressure measurement; airway interruption method; 8802026
- phonetically low/phonologically high tone, East Norwegian data; pitch contours, prosodic feet; 8800708
- phrase production/perception, Nordic dialects; pitch/intonation curves compared; Danish/Swedish/Finnish dialect speakers; 8803050
- pitch judgments; spectral composition; frequency/sound pressure level/earphone-frequency responses effects; 8802414
- pitch perception, memory encoding; frequency ratio model rejected; 8807318
- pitch perception; European starling; artificial stimuli, spectral/periodic properties discrimination; 8801881
- pitch perception; intrasyllabic changes/accidental factors; English/Japanese speakers; 8809290
- pitch/speech discrimination, unilateral cerebral damage patients; right vs left lesion effects; 8807346
- second-language meaning comprehension; function word/suprasegmental cues effects; miniature artificial/natural language learning tasks; 8807536
- semantic competence; form-interpretation relationship; prosodic features/disambiguation; 8805859
- singing voice control; laryngeal mechanisms role; electromyographic study; 8802017
- speaker recognition, speech rhythm/pitch; Fourcin laryngograph recordings; 8809326
- Standard Swedish focal accent; tone-syllable floating relationship; 8803024
- Swedish pitch accent, nonlinear analysis; foot/tone mapping, accent distribution; 8808036
- tone production improvement; vocal exercises effects; junior high school female singers; 8804439
- visual/tactile aids, speech training program; pitch remediation program; profoundly hearing-impaired high school students, speech teachers; 8809527
- vocal register transitions; perceptual evaluation; acoustic correlates; 8806915
- vowel identification, template confusion; male/child speakers, Dutch sentences; 8806934
- Zulu tonal depression, pitch perturbation; depressor phonetic properties; fiberoptic video-/still photography, laryngographic/aerodynamic measurements, spectrographic analysis; 8805676
- Plurilingualism (see also Bilingualism)**
- Alicante sociolinguistic situation; multilectism/language shift/linguistic attitudes; 8809031
- American language situation; English/native/immigrant languages; language varieties, communicative uses; 8803972
- Australian minority languages, current issues/trends; journal introduction; 8809065
- Belgian linguistic environment; multilingualism/multiculturalism; interactive language teaching method; 8800619
- crossed aphasia incidence, bi-/multilingual subjects; right-handedness effect; South India; 8809413
- Danish/German children's language use/switch, Sønderjylland (Denmark)/Schleswig-Holstein (West Germany); pilot study; 8806698
- English as a second language learning; Indian multilingual sociocultural background impact; interpretive strategies; 8800228
- foreign-language/culture understanding; language planning; international interaction; 8809128
- French as a second language; teacher training/plurilingualism; Catalan-speaking Spain; 8805070
- German as a native/second language, Belgium; language situation; German language status/selection, statistical data; 8804232
- German/Danish minorities, linguistic rights legal protection; Sønderjylland/Northern Schleswig-Holstein; linguistic stratification/history/statistics/decrees; 8806652
- Guatemalan multilingualism; educational effects; illiteracy causes; 8804262
- historical linguistic reconstruction; autonomous/nonautonomous language research contribution; multilingual community's language shift implications; 8801318
- intercultural education; French immigrant children problem; interculturalism defined; 8807957
- intergroup perceptions, shared/ethnic languages; language competence/attitudes/social status/ingroup social identity; Spain; 8809075
- international scientific communication; English role; multilingualism advocated; 8801501
- Italian-speaking Montreal residents; language behavior/ethnolinguistic integration relationship; spontaneous conversations; 8803887
- language minority groups, England; mixed ability classes; recent bilingual emphasis; 8809072
- language policy; Tanzanian/Kenyan primary schools; English/Swahili textbooks analyzed; 8809122
- language shift/maintenance; former Portuguese colony Goa (India); 8801766
- language situation, African/Asiatic multilingual societies; colonial/indigenous languages role; 8804258
- language teaching procedures; cross-linguistic complementarity; multilingual training program; 8805094
- Literary Swiss German; dialectal/Romance influence; lexical/syntactic/morphological peculiarities; 8803963
- Luxembourg language situation; Letzeburgisch/French/German, Italian/Portuguese as foreign languages; 8804215
- Luxembourg, "desired" trilingualism; French/German/Letzeburgish relationship, status/domain; Letzeburgish as a dialect/standard; 8806676
- Mauritius language situation/policies; colonial past, official English/French, nonnormalized/unrecognized creole, bilingualism/plurilingualism; 8809129
- Mexican Mennonites' language situation/behavior, plurilingualism, Mennonite Low German/High German/Spanish; social/religious factors; 8804229
- Mozambique educational system; language learning problems; Portuguese/Bantu languages conflict; 8807453
- multilingual communities survey/comparison, methodological problems; Biel/Fribourg speakers' attitudes/code-switching/mixing/communicative frequency; 8806675
- multilingual society communication; interactional studies critically reviewed; cross-cultural analysis proposed; 8809087
- multilingual/multicultural phenomena, social foundation, Hawaiian islands; programs outlined; 8807969
- multilingualism, sociolinguistic approach; contact situation types; West Africa nations situation; 8801738

multilingualism/language learning; autobiographical account; 8800606
 multilingual communities descriptive/comparative study, South Tirol Germans/Burgenland Croats; procedural/methodological issues; 8806666
 Nigerian triglossia; community/schooling/home languages; effective/conative/cognitive psychological categories; 8800596
 Norwegian place-names, trilingual areas material; classification/comparison; 8801534
 Peruvian indigenous languages; classification/sociolinguistic situation; extinction process; 8809089
 Peruvian indigenous languages; sociolinguistic situation; maintenance/revitalization efforts; 8809090
 polyethnic language/linguistic heterogeneity; linguistic neocolonialism; dialectal-materialistic perspective; 8804227
 San Andrés/Providencia language situation; Standard English/Creole English/Spanish relationship/continuum; bilingualism/diglossia/multilingualism/polyglossia, decreolization/recreolization; 8804195
 South Kanara language use; English status/role; questionnaires/interviews; 8804243
 Soviet language policy, national form/socialist content; Russian as an international language/koine, national vs minority languages; 8806750
 Switzerland's language situation; German/French/Italian/Rhaeto-Roman relationship; status/education/mass media; 8804196
 third-language acquisition; native-language phonetic interference; Catalan/Castilian bilingual French learners; 8804931
 translation problems, India; multilingualism factors; 8800632
 value differentials, Asian immigrant groups/host culture; native/English language choice, Hindus/Muslims/Sikhs; Rokeach Value Survey; 8809070
 Venezuelan linguistic situation; official language policies/indigenous language maintenance; 8809061
 Yugoslavia language situation, multiethnic/multilingual society; language use markedness/unmarkedness, language policy equality principle; 8805528

Poetry

20th-century poetry, "traditional humilities"; critical approaches; 8809166
 Annand, J. K., Scots-English poet; German picture story translations; 8808543
 Apabhramṣa verse metrics; *gaṇa* (foot), *yati* (word break); 8806793
 Arceneaux, Jean, Louisiana poet; sociocultural institution criticism; 8809138
 Bakyhanov-Gidsi, A., 19th-century Azerbaijani poet; phraseological expressions use; 8806794
 Barbu, Ion; poetic credo; 8806804
 basal reading programs, writing types; preprimers/second-grade readers; 8802784
Beowulf; litotes/superlative use; syntactic/morphological devices; 8806821
 Berlin dialect; couplets/chanson, 19th-/20th-century cabarets; linguistic/artistic/aesthetic aspects; linguistic/artistic/aesthetic aspects; 8809146
 binary composition, poetry; F. de Saussure's *loi de couplaison* (law of coupling); C. Baudelaire's "La Cloche fêlée" (The Cracked Bell) analyzed; 8806791
 Boccaccio/Chaucer; religious/sexual language, ambiguous use; 8804335
 Bulakhov'skii, L. A.; artistic literature language studies; 8808553
 Celan, P.; poetic language evolution sketched; 8804306
 Chaucer's poetry; syntactic patterns/vocabulary connotations, stylistic effects; 8809139
 Chinese letters, symbolic character; palindromic/anacyclic poetry; visual aspects; 8801910
 Clare, John; verbal strategies, stylistic choices; poem analyzed; 8806785
 Claudel, Paul, lexicon study; word types; 8808838
 Coleridge, S. T.; language philosophy development; language/thought relationship; linguistic naturalness; 8801952
 comparative metrics; Russian method application; syllabic verse/syllabo-tonic meters; 8804293
 concordance project, C. K. Norwid's poetic cycles; compilation details; 8803839
 context-based language study; language learning/discourse analysis/grammatical theory; 8808409
 Coteanu, I.; *Stilisticii funcționale a limbii române* (Functional Styles of the Romanian Language), outline; 8806813
 critical poetry, meaning/visual arts; Mallarmé, Kleist, Artaud; 8809147
 Croatian dialectal poetry, stylistic/illustrative function; dialectal prerequisites; Kajkavian/Čakavian poems analyzed; 8801795

Czech/Slovak poetry, German translations, East Germany; translational strategies/principles; 8805585
Divine Comedy; sound repetitions; computer-generated statistics; 8801418
 dramatic discourse functioning/structure, recorded/printed/performed play distinction; dramatic discourse musicalization; T. S. Eliot's *Murder in the Cathedral* recording analyzed; 8806795
 Dupin, Jacques/Ubac, Raoul, *Proximité du murmure* (Proximity of Murmur), poet-painter collaboration; review article; 8801004
 Eminescu, M.; proper name use, stylistic/prosodic functions; rhyme production; 8806769
 Eminescu, M.; *regia gîndirii* metaphor interpretation, G. I. Tohăneanu's reading rejected; 8801838
 English iambic meter; metrical constraints; period variations; 8804320
 English iambic verse; rhythmical figures, semantic/stylistic functions; 8801840
 English poem *The Tournament of Tottenham*; Londoner/East Anglian dialect features; textual cruces, editors' solutions, new interpretations; 8809177
 English-Tagalog literary bilingualism; Philippine literature, representative poets; 8800598
 epic French literature; direct-reported discourse transition; linguistic devices; 8808320
 Eskimo *Pükitsulik* tale, new reading proposed; German sailors, ditty-type rhyme/rhythm; 8801074
 experienced speech; structural elements' communicative-poetic functions; East German literature; 8806037
 Ezzo lied, Germanic-Carolingian features, meter/sentence structure/word formation/usage; 8809170
 Fizuli, Mehmed, 16th-century Azerbaijani poet; lexico-semantic/stylistic peculiarities, nonstandard language/idioms use; 8806779
 Franco-American poetry, regional heritage influence; 8809142
 French metrics; final -e, rhyming function; E. Deschamps; 8801324
 German *es 'it'* text-specific use, dialectal/colloquial/folk oral-poetic; 8805803
 German-English poetry translation; ambiguity/equivalence/cultural adequacy/creativity/fidelity aspects; Hans Magnus Enzensberger's poems, English translations; 8802975
 Germanic alliterative verse; diachronic accounts; reflexes of Indo-European meter, innovative restructuring; 8808650
 Goga, O., lyrical poetry; proper names use/frequency/stylistic functions, statistical analysis; 8806784
 grammatical/semantic correlations; Mammaṭa's theory; E. E. Cumming's poem analyzed; 8801830
 Grillparzer; *Sappho*, *Diadem/Kranz/Krone*, etymology/symbolics/frequency statistics; 8800910
 Guiraut Riquier, 13th-century troubadour, manuscript R linguistic features; troubadour language characteristic traits; 8808634
 Hadina, E.; poetic novels philological analysis; narrative conventions/rhetorical figures/symbolism/microstylistics, genre reception; 8801825
 Hausa (Niger-Kongo) classical poetry, metric patterns; traditional Arabic analysis rejected; 8809152
 Hausa oral poetry, Mamman Shata's production analysis/critique; poetry/music relationship; 8806018
 Hugo, V., vocabulary; revolutionary nature assessed; two-million-word corpus, quantitative study; 8804023
Iliad; enjambement; sentence/verse boundaries; statistical analysis; 8801809
 indirect/experienced speech/thought, text-stylistic phenomena; definition/poetic/linguistic description; A. Steube's linguistic description critically examined; 8806781
 Jakobson, R. O./Vinokur, G. O.; poetic language theories outlined/compared; 8801235
 Japanese literary translation, English rendition; ambiguity, poetry translations; 8808021
 Jeremiah's poetry prosody, universal features; generative phonology framework; prosody-based Bible reconstruction/emendation critiqued; 8804317
 Kalevala, Finnish epic Hungarian reception; scholarly examination, translations, teaching, staging; 8806234
 Kalevala, Finnish epic, national epos features European position/reception, E. Lönnrot's compilation, comparative approach; 8806235
 Kalevala, Finnish national epic, historical vs mythological epos; alternative approaches; 8806228
 Kalevala, Finno-Ugric background posited; Karelian folk-poetry analyzed; 8806231
 Kosovel, Srečko; *Integrali '26* (Integrals '26) poems, graphic elements/organization importance/semantic/poetic function; 8809168
 Kovačić, Ivan Goran; Croatian translator; French poetry translations; 8801815

- Lazamon's synthetic genitive use, *Brut* poem analysis; Haruo Iwasaki's thesis supported, Anglo-Saxon syntax survival; 8806767
- "Lallans"/"Doric" language, North-Eastern Scottish poetry; 18th-20th centuries; dialect features; 8806467
- Leconte de Lisle, 19th-century poet; poems analyzed, phonetic/thematic aspects; 8806810
- lexical/grammatical meaning distinction, text meaning/sense; E. Yevushenko's "Budem Velikimi" (We Will Grow Up) analyzed; 8808882
- linguistic simile use; Titus Lucretius Carus, *De rerum natura* (On the Nature of All Things); 8801844
- linguistics as a discipline; real-world applications; 8800171
- literary criticism; social text/unconscious; poetry/film/narrative/cultural materials; 8809181
- literary form; style/technique; Sanskrit poems; 8801813
- literary texts; systemic nature; nonsummativity/indeterminacy distinguished; 8806072
- literary texts; verbal/aesthetic dimensions; Punjabi poem analyzed; 8801806
- literary thematic elements; semantic analysis; Shakespeare's sonnets; 8801841
- literary translation/general translation theory relationship; artistic/aesthetic/creative components; 8805600
- literary translation; productive nature; textual indeterminacy; 8807989
- Luba (Niger-Kongo) anthroponymy; epic poem *kasala* analyzed; 8806225
- Marinetti, F. T.; Italian futurism; syntax destruction/onomatopoeia/typographical innovation; 8801862
- Marlowe, C., lexical innovation; neologisms/borrowing/word formation devices; 8809144
- Maršak, S.; lyrical poems/children's poetry, rhythmic structure differences; 8801834
- metalanguage/metadiscourse/metatext, János Sándor Petőfi's framework; Dante's *Vita Nuova* (New Life) analyzed, text/pretext/metatext; 8806861
- metaphor, deep/surface characterization; gnoseological perspective; anthropopetal/anthropofugal metaphors distinguished, poetic/scientific texts; 8801816
- metaphor, syntactic issues; Paul Verlaine's *Pierrot* analyzed; *sens figuré* 'figured meaning' context; lexicalist view challenged; 8806797
- meter/meaning relationship; verse form/semantics; Eng lyrics examined, iambic/trochiac tetrameter; 8801842
- music/poetry relationship; expansion, grammatical/semantic levels; Schumann/Liszt; 8801904
- muted euphony/consonant matching; Classical Irish verse features; 8801824
- Nazor, Vladimir; Croatian modernistic poet; literary-interpretative analysis; 8801855
- normative Romanian, M. Eminescu's *Scrisoarea III* (Epistle III) correct writing/reading; 8804331
- North Ostyak folk poetry, word parallelism as a stylistic figure, Wolfgang Steinitz's framework; 8804315
- Occitan ethnicity; 13th-century troubadour lyrics; 8801807
- Old English metrical constraints; foot concept supported; 8804313
- Old English stylistic devices, linguistic analysis; 8806773
- Old English verse grammar/meter/language grammar relationship; convertibility principle/constraints, traditional correctness nouns observance; 8806792
- Old English verse; pitch/juncture/length; *Beowulf* analysis; 8809151
- Old Estonian folk song verse parallelism, stylistic/aesthetic/economic/mnemonic functions; 8804310
- Old Greek choral lyric language, pre-Homeric origin; poetic supradialect, Aeolian-Proto-Ionian koine; 8809150
- Old High German poems, missing word/lines reconstruction; 8806276
- Old Literary Swahili, G. Mische's research examined; Standard/Old/Modern/Literary Swahili relationships, Swahili dialects interaction; 8801793
- Ostyak folk poetry, parallelism as a stylistic figure; bibliography; 8804298
- Ostyak prose poetry parallelism, syntactic functions; asyndeton type, coordination/cohesion instrument; prose vs poetry; 8804301
- oxymoron, poetic/nonpoetic language; direct/indirect/metaphor structures; 8806809
- Papillon de Lasphrise, M.; poems' cryptic anagram style, metabole constructions; 8801790
- parallelism, Isaiah 1-18; methodology description; 8809174
- parallelism, Isaiah 40-45; grammatical/semantic parallelism; 8809143
- parallelism, stylistic/poetic figure, Finno-Ugric poetry; grammar developed, secondary structure formation universal principle; 8804305
- Pasternak, Boris Leonidovich; traditional meters reinterpreted, new semantics; 8809149
- pause duration; report/perception/actual occurrence discrepancies; poetic format effects; English/French speakers; 8805971
- Pierro, Albino, Tursi dialect poems; phonic/syntactic/semantic/metric parallelisms; R. Jakobson's/Ruwet's frameworks; 8801839
- poem linguo-stylistic analysis, analytic procedure; Bobrowski's "Sprache" (Language); 8806814
- poem's title, nominative multiplanned character; ideological-thematic content role; statistical analysis; 8808353
- poems, semantic analysis; P. Verlaine's/R. Desnos's work; 8808220
- poetic communication, comment's metacommunicative function; Günter de Bruyn's *Märkischen Forschungen*; 8809145
- poetic connection; T. L. Beddoes' "the Phantom Wooer"/R. Frost's "Stopping by Woods on a Snowy Evening" ties questioned; 8809148
- poetic figure/text, criteria/model, Romanian material, M. Eminescu's poetry, linguistic/poetic norm relationship; 8806801
- poetic images; translation difficulties; Baudelaire, Romanian translations; 8802990
- poetic text autonomy hypothesis test/proof; Ion Barbu's "Mod" (The Mode) analyzed; 8806778
- poetic text linguistic analysis; lexical/syntactic/phonetic/metric levels; A. S. Pushkin's poem analyzed; 8801833
- poetic texts, functional typology, primary/secondary criteria; 8806772
- poetic translation problems; poetic sign intrinsic meaning; poem versions compared; 8805602
- poetic word, semantic transformation; I. F. Annenskiy's *ogon* 'fire', cliché's semantic renovation; 8806776
- poetry analysis; grammatical approach; R. Duncan's "The Propositions. 2"; prosody/grammar interaction; 8801794
- poetry as verbal detour, M. Riffaterre's poetic interpretation theory; 8806777
- poetry translation problems; Ion Horea's Romanian poems, English translation; 8802997
- poetry translation; metrical problems; French poems, English translations; 8800646
- poetry; sound structure; Urdu poem, sound/sense correspondence; 8801792
- poets'/writers' metalinguistic reflection linguistic value, poetics/stylistics theory; Paul Valéry's/Christa Wolf's language conceptions; 8806880
- Ponge, F., French poetry translatability; 8808022
- Posner, Roland, *Rational Discourse and Poetic Communication. Methods of Linguistic, Literary and Philosophical Analysis*; review article; 8809219
- Pound, E.; critical vocabularies; W. Pater's formative role; 8801865
- proper name; semantics/poetics; semantic/emotional/stylistic aspects; German poetry/prose; 8806518
- prose/poetry distinction; lexicographic characterization; Féraud's *Dictionnaire critique*; 8804046
- qasīdih, Palestinian improvised-sung poetry; genre definition/classification, performance context, lyric/music; 8801099
- Rabet, Claude; poetic/rhythmic devices; 8801820
- linguistic means choice; social factors role; *Raoul de Cambrai* poem analyzed; 8801817
- repertoire semiotic concept, aesthetic implications; poetic text's invariance/mutability; 8801907
- repetition, poetic textual organization; W. Blake's "The Lamb" analyzed; 8804322
- Romanian diaeretic diphthong, -oa-/oază 'oasis'; poetry analyzed; phonetic/metric properties, etymology; 8806815
- Romanian folklore language, literary features; 19th-century collections analysis; 8806820
- Romanian symbolist poetry; text-title relationship; 8804296
- Ronsard; music-/art-related vocabulary; 8801843
- Ronsard's *Amours*; Muret's commentary; metalinguistic glosses; 8801860
- Russian "Kamarinskiy" song, meter/literary imitations; phonological-stylistic/genre-specific features; 8804316
- Russian language/literature instruction; Soviet national schools, lexical difficulties; 19th-century Russian poetry obsolete vocabulary; 8805105
- Russian phraseologisms history; A. N. Radischev's poem "Bova" (no gloss available); 8804329
- secondary equivalentization processes, micro-/macro-"equivalentization"; Russian poetry, Ukrainian lexemes occurrence/equivalence; 8809154
- semantic obliqueness; Quechua regulated verse; pragmatic/syntactic/poetic factors; lexical form repetition; 8803450
- semiotic aesthetics/heuristics; poet's creative process/word selection procedures analyzed; Stuttgart school framework, M. Bense's semiotic heuristics concept; 8801908

- semiotic poetic theory; plastic text extensions; 8809211
- Shakespeare's Italian sources; vocabulary/rhetoric/context/parallel passages; Tasso/Petrarch evidence; 8809182
- Shakespeare's meter; contemporary metrical models; statistical approach advocated; 8801849
- Shevchenko, Taras; *shlyakh* 'road', poetic connotations/values; 8809157
- Slovenian epitaphs, structural-poetic peculiarities; first person/optative/imperative forms use, stanza type/frequency, rhyme/meter conventions; 8801084
- specialized terminology, poetic use; contemporary Ukrainian poetry; L. A. Bulakhov's thesis tested; 8809175
- speech rhythm, recited poetry; normal speech compared; stress-/syllable-timed languages study implications; 8804433
- subjectivity, first-person poems; speaker/subject creation/reading strategies; G. M. Hopkins's "Thou Art Indeed Just Lord .." analyzed; 8804302
- Swiss dialectal poetry, recent publications; message/audience/social functions; Swiss language situation outline; 8803957
- syntactic symbolism, syntactic form content; sentence elements relationships; attributive/compensative/causal structures, Russian poetry/prose; 8800897
- text interpretation; created context role; poetic language; 8801845
- troubadour poetry language, Provençal vs Old Occitan, clarifications proposed; 8806308
- troubadour poetry; unusual term *goitz*, Gavaudan's use; 8804321
- Ukrainian poetry, Greek/Latin mythological names use; stylistic-expressive function, adaptation; 8804309
- Ukrainian poetry, musical vocabulary; functions; 8801848
- verse language prosody, theoretical/experimental research; Russian/Serbo-Croatian syllabo-tonic verse; 8804323
- verse rhythm; language probability model; English/Romance/Medieval Latin systems compared; syllabic/syllabo-tonic forms; 8804299
- verse/language relationship, rhythm stylistic value; S. V. Kalacheva's *Evolutsiya russkogo stikha* (The Evolution of Russian Verse) outline/review; 8806818
- versification studies; comparative focus supported; Russian/German ottava rima, rhyming/syntactic patterns; 8804307
- Vico, Giambattista; language foundation notion; poetry as a language source, natural/figurative language synonymy; 8801954
- Vico, Giambattista; language political philosophy; imagination/reason opposition, linguistic signs formation/manipulation; vernaculars formation, national bards' role; 8801960
- Vico, Giambattista; metaphor conception development; 8801800
- Villena, L. A. de, *Huir del invierno* (Flee from the Winter); lexical richness/poetic creativity; 8809186
- Villon, F., ballad construction; *mais* 'but' use; 8801361
- writing/feeling relationship, language/culture interdependence; personal expression/poems; 8800588
- Polish (see also Slavic Languages)**
- action nouns; French/Polish compared; 8802956
- Albanian question exponents, contrastive features; Polish data compared; 8800892
- borrowings adaptation, phonological system evolution; Latin/French loanword, Polish adaptations; reconstruction difficulties, early unwritten languages; 8801363
- Chełmno (Poland) accounting books; orthographic/graphic/inflectional/word-formational peculiarities, 17th/18th century; German influence; statistical analysis; 8808658
- coarticulatory propensity; English/Polish consonant clusters, sonorant insertion; 8806384
- concordance project, C. K. Norwid's poetic cycles; compilation details; 8803839
- Contemporary Polish pronunciation norm, nasal vowels *e/q*; native/borrowed words, speaker age/education/social background/territorial origin; 8809121
- contrastive linguistics, English-Polish; Adam Mickiewicz U project reported; 8801376
- foreign-language acquisition; cognitive style/orientation role, IQ/second-language aptitude testing; Polish undergraduates; 8805111
- French-Polish translations; cultural/linguistic problems; U of Wrocław workshop; 8802969
- Holy Qur'an; Arabic/Latin script; Polish translations; 8800661
- language processing; active/passive sentence comprehension; Polish-speaking agrammatic aphasic; 8804547
- linguistic misunderstanding; Eleonor Rosch's prototype theory adequacy; Karl Popper's philosophy supported, experimental evidence; Polish speakers; 8806142
- Old Prussian geographical names, polonization; phonetic substitutions, South Warmia (Poland); 8801537
- phonological opposition acquisition; R. Jakobson's theory examined; Polish child data applied; 8807231
- plurality expression; abstractness; French/Romanian/Polish compared; 8803179
- Polish Center for Contrastive Analysis; language universals focus; 8801386
- Polish deverbal nouns; 18th-century passive/active meaning, denotative typology; H. Kołłątaj's writings analyzed; 8803768
- Polish idiomatic phraseology, developmental changes/trends; dictionary material; semantic/structural alterations, extralinguistic factors; 8806278
- Polish main stress/stress group boundaries, perceptual distinctiveness; syllable perception test; native listeners; 8800731
- Polish person/mood clitic *-(e)ś*; syntactic behavior/historical origin; cross-linguistic phenomenon, occurrence conditions/constraints; 8803213
- Polish quasi-comitative construction; generalized phrase-structure grammar analysis; 8808442
- Polish river names, *Łyna/Pasłęka*; etymology/adaptation/variants, Baltic cognates; 8801538

- Russian negation-raising phenomenon, syntactic/pragmatic/semantic accounts; transformational treatment review; 8803341
- scientific discourse; pragmatic elements; natural/symbolic language mixture; 8803426
- second-language acquisition; interlanguage pragmatics; lexical/grammatical pragmatic indicators use; Hebrew/English learners; 8800985
- second-language competence, pragmatics instruction; conversation skills; 8807387
- second-language instruction; Catalan immersion program; immigrant children; 8804917
- second-language learning; discourse analysis perspective; 8807410
- self-instruction training, semantic/pragmatic production; deaf 10-year-old; problem-solving steps modeling; 8802067
- semantic case, valence theory framework/extension; semantic-syntactic/semantic-significative/pragmatic case notions; 8803287
- semantic obliqueness; Quechua regulated verse; pragmatic/syntactic/poetic factors; lexical form repetition; 8803450
- semantic-pragmatic ambiguity analysis; conversational interpretation; Gricean model developed; Interpretive Model through Actualization; 8801129
- semiotic representation recategorization; constitutive/regulative rules; teleological orientation/projective appropriateness; 8809218
- sentence processing; functional constraints; syntax/semantics/pragmatics interaction; Italian/English speakers; 8802931
- sentence subject pronominal realization, first/second person; pragmatic/linguistic factors; Contemporary Czech; 8805826
- sentential adverbs; referential utterance complements; semantic/pragmatic restrictions; 8803283
- soliloquy, expository/pragmatic function; monologic/dialogic nature; Elizabethan dramas; 8806802

- Spanish article; pragmatic-linguistic analysis; G. de la Vega's "Canción V" (Song 5) analyzed; 8808332
- Spanish interrogative sentences; forms/illocutionary functions; 8806061
- Spanish justificatory tag questions; conversational function; speech act theory; 8803470
- speech act comprehension, pragmatic information underlying structure processing; verbs of committing; 8808318
- speech act theory; J. Searle's *Intentionality* reviewed; social interaction/network/background; 8803395
- speech acts; scientific metalanguage, descriptive/constructive approaches; language games; 8804398
- speech genres; utterance/text/literary discourse; 8806118
- stylistics; text pragmatics contribution; 8806819
- subjectivity, first-person poems; speaker/subject creation/reading strategies; G. M. Hopkins's "Thou Art Indeed Just Lord .." analyzed; 8804302
- Sukhothai Thai zero noun phrases, sentence/discourse topics; discourse/pragmatic factors; 8800977
- telephone closings; children's conversation analyzed; turn-taking/transition relevance/socialization; 8805965
- test of performatives, pragmatic framework; J. L. Austin's pragmatism; speech act theory; 8806867
- text analysis; speech acts; act/activity distinction; 8803458
- text production/reception, information status; shared/nonshared information, pragmatic/syntactic aspects relationship; English material; 8806099
- text translation; semantico-pragmatic meaning parameters; Greek/English announcements, contrastive analysis; 8806046
- text typology/analysis methodology; language action type notion relevance, speech act theory/pragmatics/communicative grammar integration; W. Hartung's text analysis model presented; 8801122
- Usan (Trans New Guinea phylum) language; descriptive grammar; functional grammar approach; 8806243
- utterance meaning inference; pragmatic/linguistic factors interaction; 8807180
- utterances social/intellectual functions; role play, preschool children; 8809104
- valence/communicative-pragmatic factors relationship; comparison/contrast/metaphorization/reduction effects, stylistic procedures; journalistic texts analyzed; 8800744
- Vietnamese pronouns/plural markers; pragmatic ambiguity; contextual presuppositions/implications/syntactic function; 8803447
- writing research; linguistic application; pragmatics/sociolinguistics/functional grammar; 8805519
- written argumentations; syntactic/semantic/textual/pragmatic features analyzed; attitude effects; 8806112
- Prague School**
- Arabic sentence structure; Prague school functional analysis; constituent order variation, communicative functions; 8803117
- colloquial Czech; proper function/grammatical content; Prague school theory; 8801231
- Czechoslovak linguistics, 1940s to 1980s; developmental stages/chronological periods; structuralism to Marxism; 8803589
- generalized phrase structure grammar, Prague school perspective; G. Gazdar's/R. W. Jackendoff's preposition analyses; 8808489
- Jakobson, R., interview; general linguistics, language theory; 8806185
- Karcevskij, S. J.; proposition/phrase distinction; Prague school syntactic theory development; 8801228
- language variation evaluation; dialectal-materialistic perspective, Prague school framework; national/nonrational attitudes; 8801734
- literary text pragmatics; Prague Linguistic Circle contribution, semiotics field extension; 8801140
- markedness theory; objectivist/experientialist approaches; language acquisition; 8802357
- Mukařovský, Jan; Prague circle's structuralist concepts, "empty" aesthetics; works discussed; 8801209
- de Oliveira, Fernão, *Gramática da Linguagem Portuguesa*; vowel nasality interpretation; 8800709
- Prague Linguistic Circle, F. de Saussure's impact; functional stylistics development; 8801225
- Prague Linguistic Circle, linguistics history; dialectal materialist perspective; 8801232
- Tahitian phonology; borrowed lexical items integration; Prague school analysis; 8803083
- therapeutic discourse analysis; Prague school notions, dynamic discourse framework; 8807083
- Preposition**
- British/American English words, grammatical differences; collocability/co-occurrence restrictions; 8808665
- Brøndal, V.; *Théorie des prépositions* (Theory of Prepositions); linguistic analysis/intentionality; 8801222
- Chinese double-object syntagm development; preposition specialization, complex transformation; Wundt's thesis supported; 8805819
- Czech *po* 'after, by way of' + noun compositions; verb formation base, etymological key; 8803368
- Czech secondary prepositions' syntax/semantics; L. Kroupová's *Sekundární předložky v současné spisovné češtině* (Secondary Prepositions in Contemporary Written Czech) review/outline; 8803211
- Dutch *om* 'to, in order to, so as to' use; written/oral language, formal/informal style, quantitative data, theoretical interpretation; 8805742
- East-Polesian Ukrainian movement expression syntax; *V + prep + N* model variants, preposition doubling/alternation; 8805825
- English absolute *with*-phrases; preposition stranding/extraction conditions; M. Siegel's analysis refuted/subjacency analysis proposed; 8808149
- English as a foreign language acquisition, Hungarian learners' difficulties; word order/preposition differences; written language error analysis; 8805147
- English as a second language acquisition; preposition stranding/pied-piping, acquisition order; markedness/salience; 8802602
- English *at*, meanings relationship; semantic prototype/derived senses motivation, application/basic spatial sense domains analogy; 8808273
- English final-position prepositions; grammatical avoidance; 8800825
- English particles; dramatic/undramatic distinction; baseball game descriptions/commentaries analyzed; 8803148
- English temporal prepositions/subordinate conjunctions; rule determination/semantic meaning distinction; Dutch temporal replacement; 8808222
- French preposition *pour* 'for'; temporal functions; 8803336
- French referential/spatial prepositions; occurrence rules; theoretical framework; 8803114
- French time/place complements/direct-indirect objects distinction; intermediate category proposed; 8805799
- Galician *en* 'in, into', uses/values; Alvaro Cunqueiro's *Merlín e familia* (Merlin and Family) analysis; 8804300
- generalized phrase structure grammar, Prague school perspective; G. Gazdar's/R. W. Jackendoff's preposition analyses; 8808489
- German conjunction *ohne dass* 'without', syntactic function/semantic value/meaning; preposition *ohne* 'without' distinction; 8805831
- German *sein + zu + infinitive* structure + agentive phrase; occurrence rules tested; 8800791
- grammatical morpheme misuse, aphasia patients; lexical/syntactic prepositions; sentence completion task; 8804521
- Haitian Creole; particle *pu* functions; H. Koopman's/C. Lefebvre's analysis rejected; 8803940
- Italian inflected prepositions; five analyses considered; inflected preposition analysis supported; 8803078
- Italian preposition *di* 'of', semantic analysis; subjective/objective genitive cases; J. Vendryes's "empty word" notion; 8805838
- language development; stimulus-response relationships; mentally retarded adolescents; preposition training; 8802186
- Latin prepositions; Romance developments sketched; 8803645
- Mandarin Chinese serial verb constructions; syntax/semantics/diachronic change; African languages compared; 8800795
- Polish spatial prepositions, Russian formal/semantic equivalents; location/motion expression; 8801372
- Polish/Russian prepositions; contrastive study; semantic content/function; 8803798
- preposition *for* + infinitive clause; occurrences/criteria; 8800761
- preposition, psychomechanics general syntax; diastematic/stematic incidence, supporting elements; 8805755
- prepositional phrase attachment disambiguation, on-line dictionary definitions; hand coding elimination; 8808705
- relational preverbs; New World languages; typology, synchronic/diachronic interpretations; 8808285
- Romanian preposition government supremacy; Ș. Háy's theory refuted; 8805812
- semantic interpretation; linguistic form/constraint propagation; situation schemata; 8806866
- Spanish N-Prep-N constructions; Romanian equivalents; 8803786
- spatial expressions, preposition paradigm, locative/directive distinction; $\bar{X}$ theory/thematic roles/extraction/reference/deixis; 8808140
- transitivity; Spanish preposition-governing verbs, syntactic properties/semantic functions; 8808141
- Preschool**
- bilingual (English-Italian) reading instruction, preschoolers; private project report; pre-/posttest results analysis; 8805533

child language acquisition; language awareness/comprehension relationship; age factor; pronoun recognition task; German preschool students; 8804724

child language development; stimulus equivalence relationship; normal/retarded/language-disabled preschool children; 8804735

child speech development assessment; text perception/reproduction procedure; Russian normal/abnormal speakers aged 6-8; 8807121

children's reading attitudes; reading ability relationship; Preschool Reading Attitudes Observation Checklist; 8807877

children's word reading; environmental print identification effect; sign/logo recognition; preschoolers; 8807602

conceptual language measures, new/revise, concurrent validity; Bracken Basic Concept Scale, Boehm Test of Basic Concepts-Preschool Version, Boehm-Revised, Peabody Picture Vocabulary Test-Revised; preschool children; 8809539

conversational eye contact; child-mother, child-M/F experimenter; sex effect; preschool children aged 2;0-2;6; 8804790

conversational fluency; linguistically advanced preschool/school-aged children; disfluency typology; 8807220

Down's syndrome children; preschool education participation/pragmatic skills scores relationship; 8807082

dyslexic readers' reading comprehension, prediction/diagnosis; initial reading level/IQ score; M. Condemarin's/M. Blomquist's decodification test; Wechsler Intelligence Scale for Children-Revised; Santiago (Chile) normal/dyslexic preschool/elementary students; 8800483

early readers, neuropsychological/environmental characteristics; cerebral hemisphere/home reading factors; preschool children; 8807606

early reading desirability, preschool age; precocious readers, intellectual capacity; 8802676

early reading programs; literacy skills instruction; world schools' failure; experimental programs reported; 8805257

English as a second language acquisition; nursery school classroom; communicative strategies, ethnolinguistic study; 8805211

English as a second language instruction, Italian public/private nursery schools survey; course availability/organization, curriculum, materials, methods; 8804939

hyperactive preschool children, language-delayed subgroup; group characteristics; 8802285

hyperactivity, activity/language; listening tasks; underarousal theory supported; hyperactive/normal preschoolers; 8804611

language acquisition; Mexican American preschool children; English oral language proficiency/cognitive tempo/locus of control; 8802327

language disorder/attention deficit disorder relationship, preschoolers; psychiatric diagnosis, Stanford-Binet Intelligence Scale; 8809420

language functions use, preschool children; language disorder assessment implications; 8807003

list recall; items' phonetic similarity effect; school-age/preschool children; adult model applied; 8800113

literacy/bilingualism effects differentiation; metalinguistic awareness measures; Italian bilingual preschoolers; 8807958

metaphor comprehension development; preschool children; cognitive/pragmatic variables; 8800061

mothers' communication mode, preschool deaf children's language development; oral/manual modes; 8809364

oral reading; undergraduates; preschool audience; 8805313

otitis media, semantic/pragmatic skills development, preschool children; educational implications; 8809354

personal narratives, preschool children; meaning conveyance, context effects; conceptual conflict, adaptive value; 8804789

pre-first-grade reading instruction approaches; literacy development, present practices/improvement suggestions; 8802678

pre-kindergarten good/poor reading prediction; four-year follow-up program; Holbrook Screening Battery, Stanford Achievement Test; 8802675

preschool preventive programs, handicapped children; legal history, program elements; 8802754

preschoolers' language abilities; instructional variables effects; 2-parameter item response model; Head Start children aged 3;0-6;5; 8807238

preschoolers' linguistic abilities test, elementary school admission screening measure; Italian 5-/6-year-olds; 8804729

reading aloud, preschool children aged 3-6; research reviewed; 8805334

rebus symbol communication training; use generalization; mentally retarded preschool child; 8807111

rhyming/nonrhyming text retention; paraphrase, rote recitation measures; preschool children; 8804759

second-language development, gesture comprehension, preschoolers; social semiotic perspective; native/nonnative English-speaking children aged 4-5; 8807545

shared book experience approach, preschool literacy activities; other language experience approaches combined; reading readiness/literacy achievement facilitation; New Zealand program; 8802787

sign iconicity; single-sign receptive vocabulary skills, nonsigning hearing preschoolers; 8801875

social interaction skills, development/generalization; preschool hearing-impaired children; 8809359

spelling/reading abilities, preschool/kindergarten students; "invented spelling" ability, written language assessment indicator; 8804795

successful reading pedagogy; printed material, children's preschool familiarization, parent's role; classroom methodology suggested; 8802692

teacher-child language interactions; child initiations; "incidental teaching" technique; nursery school; 8804737

utterances social/intellectual functions; role play, preschool children; 8809104

voice/tone onset time responses; right-hemisphere differentiation; preschool children; 8804864

word learning/TV viewing; age, word type effect, preschool children aged 3/5; 8804794

word meaning constituent; mutual exclusivity use; preschool children; familiar/unfamiliar object, novel term; 8804778

Presupposition

counterfactual conditionals; semantic analysis; negation/presupposition/possible worlds; 8809239

French present subjunctive, English verbal equivalents; positively oriented presupposition-based analysis; 8801383

French *sans/sans que* 'without'; semantic analysis; pragmatic presuppositions; M. Riegel's/R. Zuber's analyses; 8803300

implicit language use; literary characters' communication skills, indirect/ceremonial interaction; 8806817

language philosophy; truth-theoretic semantics; W. G. Lycan's *Logical Form in the Natural Language* critically reviewed; 8806879

Levinson, S. C., *Pragmatics*; critical review; 8808408

Old Norse comparison, case-marked/particle types; presupposition; 8808622

referring expressions; definite description/anaphora; discourse/presupposition/accessibility; 8806115

relevance theory; D. Sperber's/D. Wilson's *Relevance, Communication and Cognition* critically reviewed; 8804691

semantic competence; form-interpretation relationship; prosodic features/disambiguation; 8805859

Vietnamese pronouns/plural markers; pragmatic ambiguity; contextual presuppositions/implications/syntactic function; 8803447

Printed Type

bilingual typography, history/current status, Welsh/English; 8805530

letter perception; font-specific approach; tunable representational system proposed; 8804690

printing; visual reading association; 8806585

Private Languages

autonomous language acquisition, twins' private language development; innate faculty, pragmatic conditions; literature survey; 8807201

intersubjectivity, solitary locutor idea refuted; L. Wittgenstein's private language argument, S. Kripke's treatment; 8809257

women's language, derogatory terms; women's "dirty" words for men; frequency/response variation; public/private discourse differences; 8801757

Problem Solving

anticipation, verbal markers; problem-solving framework; 8807135

disagreements, linguistic process; young children's dyadic problem solving; children aged 7/9; 8807225

German as a native language instruction, writing component; *Sprachwerk* (language work) approach; writing as problem-solving; 8807882

math story problems, analysis/instruction, verbal reasoning; SQ3R/inference awareness, teacher preparation; 8804897

oral reading problem solving strategies, first graders; error analysis; 8805446

problem solving; language controlling/stabilizing effects; "Hanoi tower" task; adults; 8804680

problem-guided reading, college math-related courses; problem-solving emphasis, mathematics texts; 8805324

problem-solving linguistic characteristics, poor vs good problem-solvers; experiments recapitulated; 8804689

reader strategies, word solving, context effects, text familiarity, problem-solving skills; 6-year-olds; 8805447

reading comprehension instruction; direct instruction approach; problem-solving/cognitive strategies roles; 8802716

reading/content area instruction; scientific method applied; 8805311

- self-instruction training, semantic/pragmatic production; deaf 10-year-old; problem-solving steps modeling; 8802067
- words, internal structure; crossword puzzle paradigm; syllabic/morphemic unit retrieval differences; interactive model proposed; 8804677
- Prognostic Tests**
reading-disabled children; mental functioning/achievement prediction; Kaufman Assessment Battery for Children validity evaluated; 8804646
- Programmed Instruction** (see also **Computer-Assisted Instruction, Teaching Machines**)
computer-assisted spelling instruction; programs reviewed; linguistic/cognitive processing/instructional research implications; 8802894
grammar instruction, Netherlands; computer-assisted instruction system; BOUWSTEEN/COGO/TDTDT programs; 8804902
- Pronoun**
18th-century Russian "Razsuzhdeniya o okazatelstvakh' k' miru..." (*Deliberations on the Fundamentals of Peace*); syntactic peculiarities, complex sentence; pronominal/conjunctive connectors use; 8803432
adult second-language acquisition; parametric variation role; pro-drop parameter; Spanish-/Arabic-/Japanese-speaking English learners; 8800415
adult second-language learning; parameter-setting model/universal grammar; English anaphora acquisition; Japanese/Spanish speakers contrasted; 8802612
Albanian reflexive pronoun *vete* 'self'; anomalous passive constructions/binding theory difficulties; 8803571
Albanian/Tocharian A-Tocharian B isogloss, *kush/kus/kuse* 'who'; parallel development; 8806332
American Sign Language pronoun acquisition; gestures/linguistic structure; 8804349
American women's language; changing attitudes/practices; R. Lakoff's *Language and the Woman's Place*; 8801719
anaphor resolution; sentential representation models tested; *it*, object vs event reference; 8807179
anaphora/locality; theta fields/government; reflexives/control/pronominal anaphora; 8808438
anaphora; distributivity; discourse representation/government-binding theories; 8801189
anaphoric dependencies; lexical knowledge/syntactic principles relationship; acting-out tasks; children aged 3-5 years; 8807232
anaphoric pronouns use; speaker/hearer attention split, focus factors; 8800805
anaphoric pronouns; L. Tasmowski's/P. Verluyten's treatment, limitations discussed; number/gender agreement; 8800908
anaphoric relations comprehension; delayed reference assignment; assignment/reading time influence; 8800049
aphasic referential processing; production/comprehension; narrative discourse; 8806977
Australian aboriginal languages; common grammatical features; 8806237
automatic text processing/translation, English *it* anaphoric use automatic recognition, rules formulation/testing; technical texts; 8808716
Biblical Hebrew third person personal pronoun *hu*; monolingual dictionaries/computer-generated data comparison; 8808858
bound pronouns, Tarifit (Berber) overt pronoun data; government binding theory; 8808490
child language acquisition; language awareness/comprehension relationship, age factor; pronoun recognition task; German preschool students; 8804724
Chinese reflexive pronoun *tziji* 'self'; Charles Li's/Sandra A. Thompson's analysis critiqued; 8800793
discourse representation theory; frame representations/compositionality; 8806121
Dutch pronouns *zich/zichzelf* 'oneself, himself' syntax/semantics, M. Everaert's/A. Pauw's analyses critiqued; "frame of mind" solution proposed; 8808206
Dutch reflexivization, government/binding theory framework, universal principles; M. Everaert's *The Syntax of Reflexivization* critiqued; 8805816
early child language; agentivity/control, linguistic marking; self-reference forms; English-speaking children; 8804727
elliptical phenomena; distributional/interpretive properties; government-binding analysis; 8800765
English anaphora; adverbial clauses; syntactic analyses rejected/semantic alternative proposed; 8808514
English anaphora; pronouns/*another* contrasted; categorial binding theory; 8800803
English *each other/one another*; distribution, differences; government & binding theory/deductive analysis; 8800868
English first/second person pronouns; children's learning; cross-sectional studies/intervention experiment; 8800096
English grammar, correct usage; formal instruction advocated; 8805784
English pronoun usage; nonfictional bestsellers/periodical articles/newspaper editorials examined; actual uses/historical information/grammar handbook descriptions; 8800770
English pronoun use; children's acquisition; speech observation effects; modeling conditions; 8804788
English pronouns, markedness; hierarchical structure developed; 8800746
English reduced nominal, definition/expansion/identification; pronouns compared; 8800885
English subjective/objective case distinction; language styles, E. Klima's scheme; 8800790
English *whom*; current status; 8804077
Finnish invariant adjectives/pronouns/compounds/borrowings, American Finnish assimilation, word frequency/invariant nature relationship; 8808743
first person inclusive dual pronoun; Ilocano (Igorot) system analyzed, (speaker) (hearer) (restricted) features; Miwok (Penutian) compared; 8805731
French as a second language, relative pronoun acquisition; learner interlanguage systematicity examined; 8800429
French conjoined personal pronoun position, evolution; nominal/verbal system changes; 8803202
French *nous* 'we' development; 15th-century texts; textual coherence/cohesion; 8803463
French personal pronoun; diachronic/generative transformational study; Old/Modern French; A. de Kok's *La Place du pronom personnel régime conjoint en français* (The Place of Jointly Governed Personal Pronouns in French); 8806271
French possessive pronouns, syntax/semantics; traditional treatments/transformational-generative account; 8808109
French pronominal system; third person forms; teaching methods; 8803234
French relative pronoun *dont* 'of whom, of which'; historical origins; 8803673
French relative pronoun *où* 'where, when', 16th-century use; Montaigne's *Essais* (Essays) analysis; 8803716
French three-clitic-series system; prepositional syntagm; general Romance order exception; 8803229
French *tu/vous* 'you'; translation problems; semantic modulation use; 8805574
French verb morphosyntax; subject clitic inversion; government & binding model; 8803191
Fula (Niger-Kongo) pronoun choice; current syntactic theories inadequate; 8806127
generic pronoun choice, behavioral intent measure; male/female differences; 8808990
German *es* 'it' text-specific use, dialectal/colloquial/folk oral-poetic; 8805803
German pronoun *es* 'it' pronominal/pro-word/sentence-typological/verb-typological functions; 8805702
German-French demonstratives; referent identification approach; referent presence constraint refuted; 8808672
German-French nominal determinants, comparative-semantic analysis; 8808674
German/Bulgarian possessive relative pronouns; comparative study; 8801385
Gondi (Dravidian) personal pronouns; variation development; comparative analysis; 8803666
Gothic *izwis* origin, second person plural personal pronoun, **es-we-s*; Indo-European number/case system development; 8803744
grammatical/anaphoric agreement; lexical-functional grammar theory developed; Chicheŵa (Niger-Kongo) agreement system; 8803517
Greek *ἄλλοι* 'separately, far away' etymology; pronoun **nos* 'we' + *-φι*, adverbial/prepositional use; 8803709
Haitian Creole; communication situation/language function; syntactic factors; 8803935
Hindi anaphoric relations; weak/strong cross over configurations; binding theory implications; 8800836
Hungarian anaphoric pronouns; switch reference marking/sentence processing; English differences; 8803223
Indo-European deferential address; historical development; grammatical person instability/slant phenomena; 8806301
Italian clitic pronouns; salient features; dialectal variation; 8803264
Italian pronominal redundancy, *a me mi piace* 'I like it' colloquialism; 17th-century norm; 8803731
Japanese pronominal designatives; scientific/technical texts use; 8806025

- Japanese syntax; categorical grammar approach; *ga/wa* particles/multiple subject construction/*jibun* interpretation; 8800740
- Japanese-English translation issues, general semantics perspective; demonstrative pronouns, nature dissection; 8808009
- Ket (Yeniseian) verbal formants *b/q*; pronominal past, current semantic value; 8803727
- Klamath/Wintu pronominal paradigms; resemblances; 8803775
- Korean anaphora; *caki* 'self' interpretation; grammatical relations, structural encoding; 8800835
- Korean grammar; suppletion/defective paradigms; verbs/subject pronouns/honorifics; 8803201
- language acquisition; linguistic theory/universal grammar; pronominal anaphora; 8806152
- Latvian pronouns; generality indicators subclass, deictic function; nominal/adjectival character; 8805778
- Lenin, V. I., speech *Zadachi soyzov molodezhi* (The Tasks of Youth Associations) analysis; characteristic features; 8803425
- Modern Greek empty categories; government-binding analysis; null pronominal anaphora/traces/clitic constructions; 8803552
- Modern Irish "ethical ablative," use conditions; verb action interest; 8808626
- Nahuatl; comprehensive descriptive grammar; 8808583
- narcissism/personal pronoun use; extemporaneous monologues; males/females; 8807134
- Nigerian French learners; Yoruba interference; phonological/morphological/syntactic/socio-semantic levels; 8805524
- nuclear discourse, thought influence; pronoun use effect; 8808413
- Old English 'every'/'each', syntactic description/use variations; Early Middle English development; 8808617
- Old French demonstratives; *cist/cil* pronominal series differentiation; 8801322
- Old French *tu/vous* (second person pronouns) use, social meaning; Chrétien de Troyes's *Le Chevalier de la charrette* (The Knight of the Cart) analyzed; 8806042
- Old/Early Middle English relativization strategies; 12th-century developments; *Peterborough Chronicle* material; 8803657
- Old/Middle High German noun + possessive pronoun phrases; word order diachronic change, pre-/post-position; 8806286
- on-line sentence processing; primary role; pronominal reference; coordination/subordination/grammatical roles; 8802260
- personal pronoun development, monolingual Spanish-speaking children aged 2-3; English developmental data, cross-linguistic comparisons; 8807199
- pidgin/creole genesis; substratal influence; homogeneity role; pidginized Liberian English/Niger-Congo languages; 8806165
- Pitjantjatjara (Australian Aboriginal) syntax; categories/word order; hierarchical structure; 8803136
- Poguli (Indo-Aryan) syntax; Kashmiri compared; pronominal suffixes/inverse transitions/dative case restrictions; 8803188
- popular science writing, rhetorical techniques; audience adaptation; 8800560
- possessive pronoun acquisition; third-first-second person order; age effect; children aged 2;9, 3;9, 4;0; 8804816
- pronominal reference; auditory comprehension; sentence/discourse factors; children/adults; 8804699
- pronominal selection, political/negotiation context; ideological factors; British politicians; 8803449
- pronominal suffixes, Arabic dialects/other Semitic languages; subject vs object distinction; 8808303
- pronoun antecedent processing; clause pattern effects; subjects' handedness; 8800034
- pronoun resolution; syntactic structure role; hierarchical/linear search models tested; word-by-word timed reading tasks; 8807177
- pronoun studies, Hispanic treatments/approaches history, conceptions/theories outline; 8806188
- pronoun use; semantico-syntactic/referential-anaphoric distinction; agreement role/discourse representation; 8808224
- pronouns/gaps, internal operator binding; WH movement, S-structure; 8808440
- Proto-Algonquian demonstrative pronouns, reconstruction; 8808177
- Queensland Kanaka English personal pronoun system; historical development; 8806470
- Rabelais, F., *tu/vous* 'you/you (formal)' usage, norms/exceptions; literary/linguistic motives; 8809158
- reflexive possessive pronouns, Slavic languages; textual/grammatical coreference; dependency-based approach; 8803184
- relative pronoun use; English/Hebrew, Israeli; learners vs native English speakers; language register/style/acquisition level; 8807570
- relativization strategies; main clause anaphora relationship; Tok Pisin/Brazilian Portuguese, comparative diachronic/synchronic analysis; 8800854
- Renaissance grammar; Donat/Priscian influences; pronoun characterization; 8801220
- Romance indefinite pronouns, negation aspects; polarity/emotive contexts; 8800890
- Romanian adjective-pronoun opposition; dialectal neutralization; 8803966
- Romanian personal pronouns, indicators; Latin system legacy; 8803163
- Romanian reflexive verbs/pronouns/constructions; N. Chomsky's government/binding framework; 8803155
- rural Japanese address/reference; ethnographic description; language/social structure relationship; 8801721
- Russian-Slovak emotional dative expressions compared; counterparts/non-equivalences, personal/reflexive pronouns, typological differences; 8806393
- sentence subject pronominal realization, first/second person; pragmatic/linguistic factors; Contemporary Czech; 8805826
- Spanish articles; personal pronouns relationship; functional analysis; 8808200
- Spanish clitic pronouns; New York/Caribbean usage patterns; English-/Spanish-dominant bilinguals; 8805815
- Spanish clitics, pronominal vs verbal status; clitic as verb inflection; 8803140
- Spanish implicit/explicit pronouns, anaphoric behavior; government/binding framework; semantic representations reformulation; 8803543
- Spanish pronominal clitics; transformational approaches reviewed; clitic generation/clitic doubling/government-binding theory; 8803177
- Spanish pronominally conjugated verbs + direct object + null subject structures; statistical/syntactic analyses; 8805729
- Spanish question words selection, criteria/restrictions; syntactic/semantic/pragmatic/lexical factors; interrogative pronoun's/adverb's identificatory/anaphoric function; 8803135
- Spanish reflexive pronoun constructions; middle voice interpretation; functional analysis; 8803178
- Spanish relative clauses; generative/structural theories, diverse approaches; 8808506
- spoken Arabic, Saudi Arabian village; verb morphology/forms/themes, noun/particle suffixation; 8808785
- strong pronouns, Catalan data; syntactic/semantic divergences; non-argument position; 8808499
- subreption process; English pronoun changes; 8801291
- Swahili (Niger-Kongo) phonological allomorphy; inanimate pronominal clitics form; dual constituent analysis; 8808038
- Swedish-English-German-Serbo-Croatian relative clause; formation/relativizer selection strategies; second-language learning implications, interference problems; 8808676
- syntactic changes; automatic/simultaneous processes; Greek copy-raising; 8801320
- Ukrainian complex sentence paradigmatics; pronoun-/conjunction-based sentences; conjunctless sentences typology; 8800862
- Vedic 'speech'/'sound'; pronoun agreement; Upanishad interpretation; 8806263
- verbal autistic children; deictic words/gestures use; pronoun/spatial term contrasts comprehension; child/teacher conversations analyzed; 8804567
- verbal constructions syntax; new approach, C. Blanche-Benveniste et al.; "group of formulations" notion; French material; 8803212
- Vietnamese pronouns/plural markers; pragmatic ambiguity; contextual presuppositions/implications/syntactic function; 8803447
- Welsh syntax; government-binding analysis; word order/null subjects/agreement/movement rules/passive constructions; 8805790
- Yoruba (Niger-Kongo) relativization; noun phrase accessibility hierarchy/continuous segment principle violations; 8800812
- Pronunciation Accuracy (see also Foreign Accent)**
- American Southwest/Rocky Mountain speech; tense vowel laxing before /l/; J. Hartman's claims disputed; 8800730
- apraxic pronunciation repetition, error patterns; syllable misarticulation; 8809451
- articulatory disorders; age/sex/previous speech therapy influences; Finnish-speaking students; 8802131
- British English correct usage/pronunciation, British Broadcasting Corporation; broadcasters as models; 8808784
- Castilian 16th-century pronunciation reconstruction; Diego de Ordaz's letters; consonants/vowels, Amerindian words; 8803700
- Chinese anthroponyms/toponyms, Latin-alphabet rendition, *Hanyu Pinyin Fang'an* system; project history, alternative systems; 8801617
- Contemporary Polish pronunciation norm, nasal vowels *ę/q*; native/borrowed words, speaker age/education/social background/territorial origin; 8809121

- contrastive emphasis use, native/nonnative speaker differences; acoustic analysis; Spanish/English speakers; 8800713
- Czech lexical items; neologisms/borrowings, assimilation/word formation; 8804086
- dictionary entries, intonation/pronunciation connection, orthographic representation; Cobuild dictionary system; 8808891
- Early New High German orthoepic norm formation; spelling pronunciation principle; model pronunciation shift; 8804104
- English as a foreign language, student oral errors; sound/meaning/syntax factors; 8800407
- English as a second language errors evaluation, German learners; systemic/normative/communicative criteria, native speaker's linguistic acceptability rating; 8804963
- English as a second language instruction, pronunciation/intonation teaching, German Us; program proposal; 8805091
- English as a second language instruction, spelling error/pronunciation pattern; 8807521
- English as a second language; Dutch students, pronunciation teaching; norm vs variants; 8804933
- English pronunciation accuracy, computerized assessment; native English/native Brazilian Portuguese speakers; 8807584
- English pronunciation instruction, General American/General British models; phonetic characteristics; 8807450
- English pronunciation instruction; Chinese-speaking students; computer-assisted techniques/contrastive phonology/speech processing; 8805059
- English pronunciation instruction; orthography use; 8800236
- English pronunciation; D. Jones' dictionary; history/International Phonetic Alphabet use; 8805127
- English pronunciation; Dublin area; 8803108
- English spelling simplification; international application; 8808921
- English word accent marking; A. C. Gimson's transcription symbols criticized; level stress marking ambiguity; 8802032
- foreign-language acquisition; foreign accent causes; anatomical/physiological factors; 8803015
- foreign-language learning; pronunciation acquisition research critically reviewed; stylistic evolution/age/interference; 8803065
- foreign-language pedagogy; phonetic conditioning technique; 8805032
- foreign-language pronunciation instruction, phonetics application; 8806937
- foreign-language sound perception/production; native-language influence; Catalan-speaking French learners; 8805052
- foreign-language testing; pronunciation accuracy evaluation; atomistic/holistic approaches compared; generalizability theory; 8800343
- French facultative final consonant dropping/maintenance; sociolinguistic factors, age/sex/geography/profession; French/Belgian male/female speakers aged under 30-over 50; 8806727
- French pause behavior; anglophone second-language learners; native pause categories; pedagogical implications; 8800325
- French pronunciation norm, second-language teaching implications, Russian students; cultivated colloquial style traditional/allowed pronunciation; 8805082
- French/English prosody; contrastive instrumental study; didactic application; 8801373
- German as a second language, Chinese speakers; pronunciation errors; English interference; error analysis; 8800383
- German as a second language, pronunciation teaching; Korean students; error analysis; German-Korean phonemic systems compared; 8800260
- German plosives /p/, /t/, /k/ perception/identification; acoustic cues effect, closure/burst variation; pronounceability measurements; male/female normal-hearing listeners; 8809313
- German-Russian coarticulation/intonation patterns; assimilation/articulatory position/rhythm/word stress/pitch compared; second-language pronunciation instruction; 8803790
- German/Italian consonants transferability; auditive test, sound identification/similarity rating; North Italian/South Austrian listeners; 8807420
- hearing-impaired individuals; speech intelligibility assessment; methodological procedures; adolescent males; 8804505
- international English varieties; British/North American English predominance; pronunciation/grammatical/orthographical/lexical differences; 8803978
- intonation, foreign accent; native Dutch speaker recognition; 8800736
- Irish language standardization, language planning efforts; dictionaries publication; 8806756
- Italian polysyllabic words' primary stress, rules formulated; computer-assisted Italian as a second language teaching application; 8804426
- language learning; critical period hypothesis; foreign accents, biological basis; 8807136
- language pedagogy; phonetic correction; 8804929
- lispering children; correct /s/, /z/ articulation; response cost procedures effectiveness; 8802148
- Lomonosov, M. V., phonetic conceptions; 8806206
- male/female speech acoustic/suprasegmental characteristics; personality/speaker's sex relationship, pronunciation features; cultural/social/biological/physiological factors; 8806901
- memory span, articulatory loop explanations; A. D. Baddeley's/G. J. Hitch's work challenged; 8807148
- mispronunciation detection; adults/normal-speaking children/misarticulating children compared; 8802080
- monosyllabism concept history, Chinese Jesuit studies, chronological phases; J.-H. M. de Prémare's Chinese pronunciation treatise; 8806198
- National Adult Reading Test, inter-rater reliability; pronunciation accuracy; therapy outpatients, clinical psychologists; 8802878
- Newfoundland English; *tread* pronunciation, third-person *do* use, *finalize* attestation; 8801479
- nonnative English articulation/phonation, Dutch speakers; mother-tongue settings; 8809287
- nonnative speech; listeners' tolerance; English/Spanish listeners compared; 8802226
- Pennsylvania German dialect, US; phonetic system; speakers' pronunciation difficulties; 8801486
- place names; native/foreign pronunciations; 8800447
- pronunciation features, English words, Dutch normal/hearing-impaired secondary students; Institute of Phonetic Sciences Groningen U research project; 8809360
- pronunciation instruction, different phonological theory use; production/identification; 8807378
- Received Pronunciation (British English), standardization status challenged; prescriptive norm, usefulness outmoded; 8809053
- /s/ acquisition, misarticulating kindergartners; *The Deep Test of Articulation*; 8807248
- second-language accent acquisition, discrimination/perception; phonetic training program; adult French as a second language learners; 8807558
- second-language instruction, East Germany, phonetic performance evaluation; "communicatively competent" pronunciation, evaluative criteria; 8802521
- second-language instruction, reading aloud vs reading out loud, pronunciation/reading comprehension teaching; 8805058
- second-language instruction; pronunciation improvement/music use; 8805042
- second-language learning; pronunciation accuracy/self-monitoring skills; English as a second language students; 8802662
- second-language pronunciation; social marking/stereotypes; Spanish-speaking English learners; 8805221
- second-language speech production; instrumental phonetic studies; phonetic norm approximation; 8802611
- second-language teaching; phonetic production/proper breathing techniques; 8806940
- second-language voice setting, instructional methodology; accent development; 8804968
- Shakespearean proper names pronunciation, historical overview; 8808800
- speech defect correction, computer system, Corine; therapeutic/evaluative applications; 8806909
- speech production; phonological complexity effects; children aged 3-5 years; 8804783
- speech therapy; profoundly deaf individuals; phonological sampling/individualized instruction; 8806987
- stop consonant pronunciation; normal/speech-disordered preschool children compared; 8802101
- Swedish-German accelerated course, German/Swedish intonational patterns; psycholinguistic explanation/linguodidactic implications; 8803045
- third-language acquisition; native-language phonetic interference; Catalan/Castilian bilingual French learners; 8804931
- "Vervins" pronunciation, dialect differences; phonetic/phonological researcher reliability; 8808052
- voiced stops acquisition; English as a second language learners; South American Spanish speakers; 8802634
- Psychoacoustics**
- 57S Speech Discrimination Test; speech sound discrimination/confusion patterns; intensity function; 8800152
- acoustic features; auditory processing, three-stage model; vowels/voiceless fricatives, neural representations; 8806955
- aspirated/unaspirated stops; formant transition differences; perceptual boundary shift; American English speakers; 8802023

- auditory continuity effects; binaural noise/tone/speech stimuli; 8800156
- auditory discrimination/oral production relationship; Spanish sounds; young adults/children; second-language learning implications; 8804849
- auditory pattern perception; tonal frequency range effect; temporal order perception; hybrid hypothesis supported; 8804842
- auditory perceptual learning, tonal patterns identification; frequency/duration factors; 8804846
- auditory periphery; speech encoding, anatomical/physiological bases; 8806947
- auditory speech processing; auditory periphery, computer model; speech recognition implications; 8806954
- auditory Stroop effect; psychoacoustic dimensions; pitch/loudness/time; 8800151
- auditory system; spectral representation; vowel masking patterns; 8806956
- auditory/phonatory performance; normal hearing subjects; interaural intensity/time differences; laryngeal reaction time/auditory brainstem response; 8800155
- auditory/phonetic perception, stop consonant place of articulation; possible nonlinguistic bases; 8807322
- bisensory/summed-unisensory improvement scores relationship; speech-recognition tasks; 8804855
- Canadian speech audiometry; speech reception threshold testing; English digits; 8804850
- cleft palate children; compensatory articulation/audible nasal air escape; parents' preferences; 8802404
- context effects, word recognition; L. K. Tyler's hypothesis reexamined; native Scots English speakers; 8807319
- delayed speech feedback; disruptive effects circumvention; duration variation; 8800149
- Dutch obstruent-sequences; voicing perception/acoustic parameters; natural speech stimuli; 8809324
- emotional expression; vocal behavior, acoustic analysis; multifactorial model proposed; 8800150
- English (f)/(θ) contrast; infants' perception; context effects; 8802410
- English sentence stress perception; pitch role; Japanese learner/native speaker differences; 8809330
- environmental sounds psychological representation; acoustic vs verbal presentation; multidimensional scaling analysis; "continuity," mental code central element; 8804845
- foreign accent perception; synthesized English sentences; Spanish cues manipulated; fundamental frequency/voice onset time/vowel durations; 8802412
- Four Alternative Auditory Feature test; normative data in noise; linguistic/psychometric properties; phoneme position; 8800147
- gated familiar noun perception; word frequency/temporal processing effects; children/teenagers/older adults; 8800146
- gliding/steady-state tone continuity perception; interrupting noise effects; auditory processing; 8800145
- homophony/rhyming judgment time; articulatory suppression effects; processing requirements/working memory; 8800144
- imagined/heard word discrimination, another speaker's voice; memory differences; 8807317
- infant cries, pitch variations/maternal perceptions; fundamental frequency aspects; 8802415
- infant timbre perception, spectral envelope discrimination; 7-month-old infants; 8802405
- interaural aftereffects transfer, tone sound level change; moving sound source localization; 8804847
- interpersonal influence, vocalization, interview situations; temporal measures; 8802413
- lexical stress role/function, auditory word recognition; word monitoring/identification tasks; 8807324
- loudness additivity, critical bands; conjoint measurement approach; sound intensity sensory representation, individual differences; 8804851
- nasal vowels; height misperceptions/phonetic context; American English speakers; 8806916
- phonetic trading relations; general perceptual interpretation supported; nonspeech tonal stimuli; 8804464
- pitch perception, memory encoding; frequency ratio model rejected; 8807318
- prevocalic (m)/(n) contrast; acoustic cues; peripheral auditory interaction role; 8800154
- prosodic feature detectors; spoken questions/statements, perceptual differentiation; fundamental frequency changes; 8806938
- /s/-/ʃ/ distinction perception; syntactic boundaries role; prosodic/syntactic cues; 8804432
- second-language sound perception; lexical knowledge effects; phoneme identification task; Japanese English learners; 8807572
- sound perception; visual metaphor choice; cultural/environment/age/music training effects; 8800157
- speech coding; auditory periphery; representational models reviewed; 8806948
- speech intelligibility prediction; modulation transfer function; psychoacoustic application; normal-hearing/hearing-impaired subjects; 8804444
- speech perception; infant/adult differences; perceptual reorganization; Zulu click discrimination; 8804428
- speech processing; auditory periphery role; spoken syllables, auditory nerve fiber responses; 8806945
- speech processing; peripheral auditory system, composite model; 8806943
- speech representation; computational temporal nonplace model; low signal-to-noise performance evaluated; 8806946
- speech restoration; perceptual synthesis; auditory induction; 8801972
- speech timing effects, children's sentence comprehension; first/second/third graders; 8802403
- spoken word perception; syntactic/semantic processing separability; lexical decision tasks; Serbo-Croatian speakers; 8802409
- syllable perceptual center location; center-of-gravity accounts disconfirmed/onset-rhyme account supported; alignment tasks; 8809270
- tone duration, ipsilateral/contralateral masking; auditory perception; 8802408
- vocal register perception, 4-year-old language-impaired/normal children; 8807323
- vocal roughness; psychological scaling methods; direct magnitude estimation/equal appearing intervals compared; 8802036
- voice quality impressions; acoustic/perceptual measures; Long-Term Average Spectrum value; 8800153
- voiced phonation ratio, infant cries/perception; semantic differential technique; 8807320
- vowel encoding; auditory-nerve fibers; phase-locking/average-rate features, relative importance; 8806953
- vowel length variation; consonant voicing effects; auditory explanation experimentally supported; 8809289
- vowel mixtures; perceptual separation; gliding fundamental frequency/crossing versus parallel glide effects; 8801991
- word recall; sentence generation effects; evaluation/effort ratings; 8800148
- word recognition; spontaneous speech acoustic offsets, subsequent context effects; U students; 8807315
- Psychoanalysis and Psychotherapy**
- Alzheimer's disease patient-therapist communication breakdown; interactive approach/strategies, linguistic/social consequences; 8806994
- behaviorial language research, severely disabled persons' communication development; 8809531
- computer-aided realistic text analysis, robust parsers; ungrammatical strings; German psychoanalysis patients' stories; 8803811
- depressed patients; speech recordings, acoustic analysis; clinical state/speech variables correlation; 8804643
- discourse analysis, psychotic discourse; manic patient; context importance; 8809505
- dreams, "metalingual statement," psychological interpretation; pictographic language use; 8808321
- emotions/language relationship changes; emotive language abstractization/impoverishment, conference paper summary; 8808654
- German psycholanguage; historical/communicative/psychological/pedagogical aspects examined; 8801720
- historiography/psychoanalysis, discourse similarities; time differences; "I"/"Other" perspectives; 8806032
- interactional group psychotherapy; foreign students; language modality effects; 8802218
- interpersonal symbolization; semiotic perspective; object relations, psychotherapeutic applications; 8804356
- language/self relationship; meaning reification, meta-function; psychoanalytic implications; 8804619
- language/speech disorders, psychiatric disordered children aged 6:0-12:11; speech-language pathologist role; 8807007
- metaphor use, psychotherapy; M. H. Erickson's work examined; 8809504
- pitch judgments; spectral composition; frequency/sound pressure level/earphone-frequency responses effects; 8802414
- psychoanalytic free association; metaphor production; discursive conditions effects; 8802219
- psychoanalytic reading; J. Conrad's "The Secret Sharing," criticism. technique; 8801856
- psychoanalytic verbal interaction analysis; computerized coding system; 8802188

- psychological diagnosis; linguistic contribution, sentence completion task; normal/neurotic 12-year-olds; 8807084
- psychotherapy; communication transaction model; speech clarity role; 8802189
- self-reported behaviors/perceptions, adult aphasics' wives; group counseling experiences compared; 8809399
- somatization/paranoia speech, self-concept expression; computerized content analysis; 8807085
- speech-therapeutic German discourse; nonembedded *dass*-sentences function; psychological/linguistic viewpoints; 8807086
- stuttering, psychological group therapy effect; personal construct theory; 8807107
- therapeutic discourse analysis; Prague school notions, dynamic discourse framework; 8807083

- word recognition; spontaneous speech acoustic offsets, subsequent context effects; U students; 8807315

words' mental representations morphological structuring; productivity/transparency/frequency parameters; Italian morphological errors analysis; 8804653

writing skill development; psycholinguistic analysis; discourse form/topic knowledge; elementary school children; 8800574

written language acquisition; text copying task, psycholinguistic measure validity; French-speaking first-/second-grade children; 8805510

Psychotic Disorders (see also Schizophrenia)

autistic adolescent speech, computer-assisted linguistic analysis; normal/schizophrenic speech compared; Asperger's syndrome diagnosis; 8807078

conversational skills; psychiatric inpatient youths; skills training intervention; 8801655

discourse analysis, psychotic discourse; manic patient; context importance; 8809505

functional dyslalia diagnosis; psychiatric/psychological/neurological pathologies co-occurrence, dismaturative factors; high risk population; children aged 3.5-10.0; 8807042

neurotic/psychotic language behavior; deviant/normal language; interdisciplinary approaches; 8807087

psychotic discourse, sameness/difference; linguistic sameness reproduction; adolescent girl; 8805995

schizophrenic linguistic performance; positive/negative symptoms correlation; syntactic/semantic errors; 8802192

schizophrenic verbal hallucinations; discourse planning defect/cognitive defect models contrasted; 8807058

somatization/paranoia speech, self-concept expression; computerized content analysis; 8807085

therapeutic interaction problems; psychiatric hospital; communication barriers; 8801072

voice; linguistic/psychological functions; psychosis; 8804493

Punctuation

accents, Latin alphabet; adaptability/widespread use; quotation mark forms; 8804116

Chinese/Western punctuation; graphemic, functional aspects; English-speaking learners of Chinese; 8808914

cloze technique; minimally educated adults' problems; open-ended interviews; 8805485

English punctuation marks usage rules/functions; British/US literary works/linguistic study survey; 8806596

English punctuation rules, English as a second language instruction, East German school; English-German punctuation comparison; 8806581

English-German punctuation; William Safire's jocular approach, *Hart's Rules for Compositors and Readers at the University Press Oxford*; 8804114

German colon usage rules, *Duden* rules inadequacy; contemporary journalistic texts analysis; colon's values/functions, rules modification; 8806594

information processing terminology; hyphen use; English/French compared; 8804115

medieval French text analysis; *Traictiet moult profitable* (Very Useful Treatise); majuscule/sentence relation; text coherence role; 8803401

punctuation instruction, rhetorical effects creation; norm violations; 8807927

punctuation marks, semantic analysis; Russian colon; written language independent units; semantic valence/syntactic behavior/pragmatic function; 8806592

punctuation relative autonomy; syntactic-semantic/phonological information expression; punctuation intonational/syntactic principle; 8808889

punctuation rules; children's acquisition; period placement errors analyzed; first/third graders' writing; 8802293

Richardson, S., *Clarissa* dialogues; Prévost's translation; 8805594

spelling/punctuation development; classroom writing samples; third-/fourth-grade Native American children; 8807266

translation teaching difficulties; Arabic speaking students; Arabic/English punctuation systems; 8802950

written English conventions, British hyphen use; standardization suggested; 8808901

written language errors; native/nonnative English speakers; Finnish/British U students; 8805513

Quantification

comparative constructions; semantic analysis; quantificational/verbal properties; 8805866

computational linguistics; natural language processing/linguistic theories relationship; unification grammars; 8808498

discourse representation theory; frame representations/compositionality; 8806121

English *few/a few*; focal differences; sentence continuation procedure; 8808256

English sentences; intensional contexts/logical entailments; new intensional logic; 8806884

Hornstein, N.; quantifier typology; J. Hintikka's objections answered; 8803535

identity; necessary/contingent propositions; logical quantifiers/modal concepts; 8801961

Japanese negation; quantifier phrase interaction; case particles effects; 8808157

modal adverbs; linguistic function; logical form/semantic interpretation; 8803524

Montague grammar; recent work reviewed; natural language quantifiers/question semantics/surface syntax; 8801198

natural language quantification; generalized quantifier model; 8808447

psychological attitudes; meaning, split approach; S. E. Boër's/W. G. Lycan's *Knowing Who* critically examined; 8805894

quantified modal logic; rigid designator approach criticized; individual concept theory alternative defended; 8806869

quantifier scope; multiple quantification sentences/resumptive quantifiers; 8808479

temporal adverbials; existential quantification; 8803337

verbal prefix *na-*; quantitative meaning; genitive case marking; metase-mantic quantificational operator; 8800938

wh/quantifier interactions; logical form/surface structure/scope representations; R. May's/E. Williams's theories; 8803546

Quine

Carnap, R., doctrine of analyticity; initial US reception; W. V. Quine's views; 8804381

Chomsky, N.; *Knowledge of Language: Its Nature, Origin and Use* reviewed; reply; 8801204

meaning; truth-conditional theory, pragmatic basis; truth/language/reality relationship; 8806877

Quine, W. V., translation indeterminacy thesis; N. Chomsky's critique; grammatical realism; 8804405

translation; objective theory; W. V. Quine's meaning scepticism criticized; radical translation/language use theory; 8806863

Radiograph

palatal consonant place of articulation, phonetic description; X-ray data; 8806912

phonetic radiocinematography, history/present status; descriptive/explanatory relevance, Romanian; 8802016

velopharyngeal function impairment, hypernasal speech patients; cineradiographic study; 8809341

Rating Scale (see also Semantic Differential)

aesthetics/cognition relationship; aesthetic judgment, linguistic interpretation, cognitive restructuring, art rating task; S. Ertel's text analysis procedure; 8807167

antonymy/synonymy rating/identification; word pair relation elements role; undergraduates; 8802270

causal attribution; verb type/participant animacy effects; prototypicality parallels; 8807154

directives' directness evaluation; verbal/nonverbal components role; 8806837

emotion adjectives, similarity evaluation/rating; multidimensional scaling procedure/cluster analysis; judgment criteria/emotion-antecedent factors relationship; German adults; 8804706

English as a second language errors evaluation, German learners; systemic/normative/communicative criteria, native speaker's linguistic acceptability rating; 8804963

French substandard vocabulary usage rating, French-German dictionary compilation relevance/French as a second language learning implications; native speakers' consensus; 8806555

metaphor interpretation; factor analysis; Slovak material; 8800950

semantic flexibility; context role; noun meaning, central/peripheral properties; 8804713

Readability

beginning readers' expectations; text readability; discourse structure effects; miscue data; kindergartners/first graders; 8807777

beginning reading instruction, international trends/needs; survey data; assessment/instruction/trends; 8805286

beginning sight words instruction, predictable materials/preprimers use; sight word recognition, unknown word strategies, reading task attitudes; first-grade students; 8805282

cloze procedure, disabled reader instruction; activities/procedures; 8802873

content textbook readability; formulas compared; middle/junior high

- school; 8807682
- critical reading skills; intelligence/motivation/readability effects; secondary students; 8805356

- phonological confusability, sentence short-term memory; reading ability predictor; kindergarten children; 8802246
- phonological segmentation; reading ability relationships; Italian-speaking children; 8804733
- prereading activity; distinctive feature training effectiveness; preschoolers' letter discrimination ability; 8804797
- reader strategies, word solving, context effects, text familiarity, problem-solving skills; 6-year-olds; 8805447
- reading ability development, adults; child development compared; 8805249
- reading ability differences, phonological/lexical reading routes; impaired/normal/superior readers compared; 8807834
- reading ability prediction; dyslexic readers; tests/reading achievement correlation; 8807609
- reading ability prediction; visual-auditory style task performance; third graders; California Achievement Test; 8802868
- reading ability variance, word decoding skill, context/memory/comprehension effects; 8805472
- reading ability, academic learning role; reading skill development technology; 8802832
- reading ability, individual differences; reading comprehension/linguistic awareness, reading skill/syntactic processes; 8807811
- reading ability, visual dysfunctions effect; classroom recognition; 8805448
- reading ability/attitudes, ReCaRe developmental reading/study skills program; seventh-grade students; 8807720
- reading ability/memory, procedural/declarative knowledge, procedure model; 8805440
- reading ability/self-concepts, mildly educationally subnormal children; special schools/classes effects; 8802777
- reading ability; oral language connectives use/recognition relationship; second graders; 8802810
- reading ability; verbal short-term recall/phonetic processing efficiency; reading-disabled children; 8805449
- reading achievement/ability correlations; special education students aged 9:6-12:8; Wechsler Intelligence Scale for Children-Revised, Basic Visual-Memory Association Test, Test of Reading Comprehension; 8804598
- reading attainment; West-Indian origin British children; social/other factors; 8805350
- reading attitudes; gender/grade level differences; Canadian fourth, fifth, sixth graders; Survey of Reading Attitudes, Gates-MacGinitie Reading Test; 8807690
- reading comprehension, children's monitoring; reading ability/context effects; inserted cloze task; Australian children levels 3 & 4; 8807822
- reading disabilities; cognitive skills/hemispheric specialization relationship; good/poor male readers aged 8-12 years; 8805434
- reading efficiency; comprehension enhancing techniques; adult readers;

- 8805272
reading errors/style, changing pattern, age differences; Schonell Graded Word Reading Test, Neale Analysis of Reading Ability, Raven's Colored Matrices, Schonell Spelling Test; reading ages 5-11 years; 8805429
- reading instruction differences, good/poor readers; classroom recommendations; 8805268
- reading materials, difficulty levels/progress groups; error analysis; *Ready to Read* series/new texts compared; 8805496
- reading miscues/teacher verbal feedback; error type/self-correction; good reader behaviors; classroom implications; 8805317
- reading performance; Black English vernacular interference effects; third-/fourth-grade students; 8803950
- reading performance; extraversion/sex difference effects; children aged 7-8; Junior Eysenck Personality Inventory, Burt Graded Reading Test, NFER Reading Test 2, Neale Analysis of Reading Ability; 8802848
- reading performance; student-generated analogies effect; analogy-based/conventional instructional methods compared; sixth-grade students; 8800539
- reading process/comprehension; text presentation rate/amount effect; rapid serial visual presentation technique; undergraduate poor/good readers; 8802801
- reading processes, main idea identification; text features, summary writing; 8807856
- reading retardation classification stability; longitudinal study; children at ages 7/9/11; Burt Word Reading Test, Wechsler Intelligence Scale for Children-Revised, Progressive Achievement Test; 8802854
- reading skill acquisition; cognitive processing abilities relationship; reading performance variability; first-grade students; 8805409
- reading skill improvement, writing skill effect; pre-/postcompositions analyzed; ninth-/tenth-grade classes; Davis Reading Test; 8802885
- reading skill; syntactic processing efficiency relationship; temporary structural ambiguity; adult readers; 8805414
- reading testing, black/white undergraduates, score comparison; classification analysis; National Assessment of Educational Progress findings; 8805491
- reading/listening comprehension, prior knowledge vs new topic-related information; stringed musical instruments, Western vs Eastern hemisphere; multiple-choice test; seventh/eighth graders; 8807806
- reading/spelling/math achievement; intelligence relationship; distribution "hump"; reading failure nature; 7-, 11-, 13-year-olds; 8805473
- reading/writing skills examined; hearing-impaired adolescents; "Wide-span" test, "Southgate" test, reading battery; test limitations; 8802070
- secondary student reading ability, content-area teacher assessments, accuracy/validity; 8805488
- segmental speech analysis, reading ability relationship's dyslexia implications; 8807070
- speech perception/reading ability relationship; identification/discrimination tests; first-grade good/poor readers; 8807813
- spelling error analysis; children's reading/spelling skills effects; third/sixth graders; 8804726
- spelling/reading abilities, preschool/kindergarten students; "invented spelling" ability, written language assessment indicator; 8804795
- "talking books," reading comprehension improvement; reading-disabled boys, grades 4-6; background music effect; 8802779
- text comprehension predictors; reading ability/prior knowledge; fifth/sixth graders; 8807632
- textbook prose proficiency; standardized reading comprehension test, predictive capacity; native/limited English proficiency college students; 8800547
- textbook readability; reading abilities/course grades correlations; freshman community college students; 8800512
- visual tracking/reading ability; Pac-Man play effect; second graders; 8807736
- Reading Achievement**
academic achievement; early language delay relationship; reading/spelling/written language production; children aged 9-12 years; 8804575
- basal reader treatments; achievement/reading style relationship; second-grade children; 8802858
- bilingual education, English-Spanish; Hispanic reading achievement relationship; 8802945
- bilingualism/reading difficulties; oral language assessment; "bilingualism" redefined; 8802936
- children's language use; qualitative differences; good/poor readers; story recounting task; 8800095
- children's reading development; home-reading programs/parent involvement; 8800503
- early spelling ability/reading achievement; first-grade students; classroom implications; 8805340
- English as a second language instruction; structured/conventional programs; reading/language achievement; 8805195
- English as a second language; reading achievement; computer-assisted instruction effects; 8800493
- English reading achievement; Spanish reading ability/oral English proficiency relationship; third-/fourth-grade bilingual program students; 8805163
- gifted readers' enrichment; D. Durkin's study reviewed; 8807669
- high school achievement; elementary school reading aptitude correlation; longitudinal study; 8800480
- Individualized Reading Approach, teacher accountability/reading progress, child's needs emphasis; 8805320
- language variation; American South; black/white speech relationship; 8809057
- metaphonological skills, good/learning-disabled poor decoders; reading achievement measures relationship, male third/fourth graders; 8809478
- motivation studies/reading instruction, study skills improvement; classroom management strategies, self-governed adolescent learners; 8805370
- reading achievement prediction, kindergarten children; Kindergarten Teacher Rating Scale validity tested; 8802680
- reading achievement prediction, kindergarten-third grade; screening implications; 8802697
- reading achievement prediction; Individual Reading Readiness Inventory; subtest use; Metropolitan Readiness Test; Metropolitan Achievement Test; 8800546
- reading achievement prediction; readiness tests, first-year instructional programs; 8805261
- reading achievement scores, overestimation; mentally retarded adolescents; Bond & Tinker formula revised; 8807764
- reading achievement tests, format changes effect, learning-disabled students implications; Metropolitan Achievement Test Level E1, Stanford Achievement Test P1; 8805503
- reading achievement, administrator implemented homogeneous/heterogeneous grouping effects; sixth-grade students; 8807607
- reading achievement, ECRI techniques; test/attitude information; first-/fourth-grade students; 8807864
- reading achievement, preferred reading instruction method; first-fifth grades; 8807758
- reading achievement/ability correlations; special education students aged 9-6-12-8; Wechsler Intelligence Scale for Children-Revised, Basic Visual-Memory Association Test, Test of Reading Comprehension; 8804598
- reading achievement/attitude correlates; National Assessment of Education Progress scores; 9-year-olds; 8802881
- reading achievement/attitudes, 13-year-olds; Fourth National Assessment data reevaluated; input-output analysis; 8807873
- reading achievement/electronic media use, age-related differences; questionnaire data; fourth-/eighth-/eleventh-grade students; 8805372
- reading achievement/locus of control; reading methods effects; learning-disabled students; 8802177
- reading achievement/metalinguistic awareness; reading readiness, socioeconomic status relations; kindergartners/first graders; 8807263
- reading achievement/school reading; US students, literacy definitions, international comparison; 8805351
- reading achievement; afternoon instruction effects; long-term memory; beginning readers; 8802809
- reading achievement; Hispanic English as a second language students; cognitive strategies role; 8805456
- reading achievement; linguistic awareness relationship; kindergarten/first-grade/second-grade children; 8802795
- reading achievement; syntactic/pragmatic/discourse competence relationship; bilingual Mexican-American elementary school children; 8800611
- reading achievement; visual-auditory cross-modal integration relationship; learning-disabled/average/poor readers aged 9-11; 8800516
- reading acquisition/skill/disability continuities; word decoding link; remediation/instruction implications; 8802752
- reading disability, future work speculations; early diagnosis/intervention; 8802731
- reading disability; left hemisphere dysfunction research; 8802740
- reading habits formation, home/school environment roles; school library/reading achievement; 8802850
- reading pedagogy; competent reader development, basic abilities; macro-/micro-level reading strategies; 8802748
- reading performance; differential hemispheric preference; rhyme/shape matching tasks; good/poor readers aged 10-12; 8800535
- reading performance; student-generated analogies effect; analogy-based/conventional instructional methods compared; sixth-grade students; 8800539

- reading programs, aptitude-treatment interaction, behaviorally oriented/rich language experience formats, achievement outcomes; sixth graders; Matteson/Scott Foresman programs; 8805306
- reading remediation project; parental involvement; 8807620
- reading skill acquisition; cognitive processing abilities relationship; reading performance variability; first-grade students; 8805409
- reading skill acquisition; English as a second language kindergartners; monolingual classroom; observational case study; 8800531
- reading testing, black/white undergraduates, score comparison; classification analysis; National Assessment of Educational Progress findings; 8805491
- reading theory, reading achievement assessment; cognitive approach implications; 8802707
- reading-disabled children; mental functioning/achievement prediction; Kaufman Assessment Battery for Children validity evaluated; 8804646
- reading-writing relationship, three theoretical models; developmental comparison; interactive model supported; 8805470
- reversal errors/reading achievement, sex differences; first graders; Jordan Left-Right Reversal Test, Gates MacGinitie Reading Tests; 8802822
- Spanish free-reading sessions, English reading achievement/interest; bilingual US Hispanic students; 8802761
- Spanish orthographic structure acquisition; decoding skill/reading achievement relationship; monolingual children; 8804770
- specific reading disability; visual functions relationship; print size/luminance levels effects; normal first-grade/disabled sixth-grade readers; 8804599
- sustained silent reading, previous research data; SSR implementation/evaluation; 8805360
- symbol reversals/reading achievement; first-grade children; higher order process indicated; 8805431
- test-taking strategies; reading achievement tests, confidence/carelessness factors; interview data; elementary school children; Stanford Achievement Test, reading subtests; 8805500
- word recognition skills; parents' contributions; low-income Hispanic first graders; 8800490
- word recognition subprocesses, speed; reading achievement results; undergraduates; Nelson-Denny Reading Test; 8805411
- Reading Aids for the Blind**
- blind written communication, braille system; new computer-based reading aids; 8809529
- braille letter search, word relationship; word context character recognition; 8804622
- Braille reading speed; stimulus degradation, misspellings, context change effects; 8805450
- braille reading, early developmental learning; instructional activities; 8804645
- braille reading/instruction, schools for the blind, Saudi Arabia; elementary grade teachers, blind students; 8809530
- braille reading; perceptual strategies/training methods; 8804644
- closed circuit television reading rates, visually-impaired college-bound students; phase differences; 8804623
- hand movement training, Braille reading; perceptual ability effect; blind children aged 6-13; 8802862
- hand preferences/reading skills; braille readers; strategic preference view supported; Slosson Oral Reading Test; 8800169
- Kurzweil Reading Machine, subjective evaluation; problems/limitations; 8804625
- miscue analysis, blind braille readers; Reading Miscue Inventory; 8807848
- orthographic codes, auditory modality; braille/print compared; blind/sighted girls aged 17-19; 8807321
- reading skills, partially sighted students; integrated education implications; optical aids need; 8802768
- Reading Comprehension**
- adjunct story frames; reading preorganizer/comprehension aid use; fifth graders; 8805463
- anaphoric relations comprehension, skilled/less skilled readers; reference/ellipsis/substitution/lexical anaphors; children aged 7-8; 8807197
- anaphoric relations comprehension; delayed reference assignment; assignment/reading time influence; 8800049
- argumentative text interpretation; argument ordering/conjunction *maar* 'but' presence/absence; Dutch undergraduates; 8806026
- arithmetic story problem solving; reading instruction model; 8807725
- Association Québécoise de Linguistique; annual meeting's papers; 8804878
- attributional feedback, extended ability/effort sequence, children's skill development effect; teaching implications; 8802762
- business foreign-language teaching; reading comprehension instruction; 8802647
- cause-effect text passages, main idea comprehension; *why* question use; low-average/good sixth-grade readers; 8805336
- children's reading awareness/comprehension skills, metacognition/performance relations; third/sixth graders; 8802838
- children's reading comprehension; anaphora/age/prose genre effects; elementary school students; 8802831
- children's sentence comprehension; phonological recoding/suppression effects; 10-/14-year-olds; 8807260
- comprehension instruction techniques; theoretical bases; coaching; 8807730
- comprehension instruction, long-term effects; conceptual framework; disadvantaged Polynesian Hawaiian second/third graders; 8802689
- comprehension monitoring skills; assessment/training; consistent/inconsistent prose statements; fourth/fifth graders, undergraduates; 8807675
- comprehension monitoring strategies; disabled/nondisabled readers; eye movements/error recovery; 8805419
- comprehension strategies, monitoring; unfamiliar text material, experienced adult readers; intra-/extra-text strategies; 8807847
- computer-assisted metacognitive strategies, sequential reading skills/semantic unit cognition; computer-mediated texts; fourth-grade English as a second language students; 8807460
- computer-generated personalized stories, comprehension/interest; second graders; 8807802
- concept learning, thematic pre-organizer/guided instruction; literal/inferential unaided recall, one-way variance analyses; ninth-grade average readers; 8805270
- critical reading skills; intelligence/motivation/readability effects; secondary students; 8805356
- decoding role, reading/reading disability; reading disability types; 8802719
- decoding, reading comprehension component, secondary students; comprehension test data; ninth graders; 8805319
- dyslexic readers' reading comprehension, prediction/diagnosis; initial reading level/IQ score; M. Condemarin's/M. Blomquist's decodification test; Wechsler Intelligence Scale for Children-Revised; Santiago (Chile) normal/dyslexic preschool/elementary students; 8800483
- effective reading strategies; graduate student journals; reading comprehension/instruction implications; 8807816
- engineering English reading ability; general English proficiency cloze test; US/Chinese engineering/nonengineering students; 8807517
- English as a foreign language learning; reading comprehension evaluation; student translations analyzed; 8802603
- English as a foreign language reading; cultural knowledge role; reading comprehension improvement; 8800395
- English as a foreign language teaching; reading comprehension improvement; writing activities effectiveness; Hebrew-speaking students; 8800358
- English as a foreign language; reading comprehension; schema theory/discourse analysis; advanced Thai students; 8800412
- English as a second language instruction; Dutch high school, reading readiness tests validation; reading readiness/vocabulary knowledge/IQ relationship; 8802515
- English as a second language instruction; structured/conventional programs; reading/language achievement; 8805195
- English as a second language learning; reading comprehension skills; Finnish students; 8805180
- English as a second language reading comprehension; culture-specific content schemata/formal schemata effects; Muslim/Catholic-Spanish background students; 8800381
- English reading skills acquisition; Jewish speakers' difficulties; linguistic/cultural differences; 8801685
- expository passage comprehension; previewing effects; above/below average seventh graders; 8802843
- expository prose comprehension; reading schemata transfer; English as a second language readers; writing recall tasks; 8800409
- expository text comprehension/recall; text structure information effect; ninth graders; 8807741
- expository text comprehension; prior topic/text structure knowledge contribution; fourth-grade proficient readers; 8802897
- expository text comprehension; top-level structure use; 8807374
- expository text recall; top-level structure use; normal/learning-disabled college students; 8805458
- foreign-language pedagogy; vocabulary learning/teaching; reading comprehension; 8800280
- foreign-language reading material, genre/comprehension; secondary school students; 8807768
- foreign-language teaching; computer assistance; reading comprehension; 8802555

- French as a foreign language acquisition; textual/lexical competence; semantic coherence/world knowledge; 8800346
- German administrative texts readability/intelligibility; syntactic/lexical peculiarities/pragmatic conditions; West German vocational/gymnasium students; 8801065
- German as a second language instruction, Arabic students; text reception/comprehension difficulties; 8802472
- German as a second language instruction; text interpretation/comprehension scheme, literary texts reading; 8802504
- German as a second language, professional schools, foreign students; technical texts difficulties; teaching suggestions; 8802593
- gifted readers, reading program modifications; characteristics/skills development; 8802703
- given-new comprehension strategy; good/poor comprehenders; reading comprehension test data; reading materials analysis/comprehension problem diagnosis implications; 8805479
- goal-directed reading, attention allocation/performance, age differences; reading comprehension/passage recall task data; fourth/sixth graders, college students; 8805497
- hand preferences/reading skills; braille readers; strategic preference view supported; Slosson Oral Reading Test; 8800169
- hedges, readers' information learning; composition class implication; ninth-grade students; 8807809
- hyperlexia; reading skills/word knowledge/comprehension; developmentally delayed/language-disordered children; 8800110
- inference awareness instruction; four-step strategy; content area examples; 8807366
- inference training techniques, children's expository text comprehension; structural overview/cloze treatment, below average readers; sixth graders; 8805408
- inference, reading comprehension process; information types; 8800542
- interpretative comprehension; whole/partial illustration effects; Nigerian sixth graders; 8805441
- Japanese aphasics; discourse reading comprehension ability; 8806996
- lateralization patterns; prose material spatial configuration manipulation effects; short-term memory/verbal facility; 8805415
- learning strategies development; reading comprehension improvement; 8805325
- learning-disabled readers; reading comprehension; cognitive strategy training effects; 8807061
- learning-disabled students; reading comprehension improvement; monitoring strategy; 8802176
- learning-disabled students; reading comprehension; questioning mode/placement effects; 8807071
- lexical information memory; continuous prose; cloze tests; children aged 7-5-13-2; 8805402
- linguistic maturity; scholastic achievement correlation; written language competence/course grades analyzed; Brazilian students grades 4-8; 8807373
- literary material, comprehension instruction; Directed Reading Activity; 8807650
- metacomprehension; reading comprehension monitoring; self-control; 8807662
- metaphor comprehension, metaphor-related language tasks; third-/fifth-grade good vs poor readers; 8805468
- metaphor comprehension; semantic feature approach; definition bearing traits function; sixth graders; 8807242
- minimum reading comprehension assessment, prospective teachers; textbook readability; Degrees of Reading Power Test; 8805498
- narrative comprehension/production, developmental differences; reading-disabled/normally achieving children aged 6-7; 8802814
- oral/written language comprehension; processing strategies, constraints, perceptual/cognitive aspects; 8804894
- paragraph processing, study guide; text relationship understanding, comprehension/recall enhancement; 8805373
- pedagogical intervention, written language comprehension; reading instruction, early stages features; 8802766
- poor readers' short-term memory, Broadbent's human attention/immediate memory model explanation; $3 \times 3 \times 3$ repeated measure design; fourth graders; Bloom's proposition supported; 8807287
- pre-reading instruction; microcomputer lexical decision task; semantic memory/vocabulary instruction; reading comprehension; 8805480
- prereading activities effects, comprehension monitoring, learning-disabled adolescents; statement identification tasks; 8809467
- prior knowledge effect, reading comprehension, learning-disabled students; word decoding deficit; junior high school learning-disabled students; 8809487
- prior knowledge role, knowledge acquisition from text; text base, situation model, knowledge representation; 8807281
- progressive achievement tests, discriminant validity/factorial structure, reading comprehension/vocabulary/listening comprehension; 8805495
- prose processing/recall; adult age differences; narrative/expository text types; 8802400
- reader-/text-based text inconsistencies; detection abilities; comprehension monitoring training; middle school students; 8805352
- reading ability variance, word decoding skill, context/memory/comprehension effects; 8805472
- reading ability, academic learning role; reading skill development technology; 8802832
- reading ability, individual differences; reading comprehension/linguistic awareness, reading skill/syntactic processes; 8807811
- reading ability; oral language connectives use/recognition relationship; second graders; 8802810
- reading achievement; afternoon instruction effects; long-term memory; beginning readers; 8802809
- reading achievement; Hispanic English as a second language students; cognitive strategies role; 8805456
- reading achievement; syntactic/pragmatic/discourse competence relationship; bilingual Mexican-American elementary school children; 8800611
- reading behavior index, information collection model research; questionnaire data; college students; subjective/objective evaluation differences; 8802758
- reading competency, 21st-century needs, children's development/preparation; learning readiness, vocabulary/comprehension skills; 8805288
- reading comprehension achievement; Junior Great Books literature program effects; gifted fifth-grade students; 8805399
- reading comprehension changes, individual elementary students; longitudinal study; 8807842
- reading comprehension development component processes; structural modeling; learning-disabled children aged 6-11; 8802830
- reading comprehension development techniques; literary sociogram, semantic web, plot profile, mutilated summary; 8807692
- reading comprehension development; task type effects; 10-, 11-year-olds; 8805342
- reading comprehension improvement; computer display use; rapid serial visual presentation; 8805438
- reading comprehension improvement; low-achieving readers; teacher-questioning/prediction-generating instruction effectiveness; 8800492
- reading comprehension improvement; narrative structure instruction; fourth graders; 8805302
- reading comprehension improvement; reading-disabled students; content text revision; 8805400
- reading comprehension instruction, disabled readers; three models compared; 8807069
- reading comprehension instruction; background knowledge/text information relationship; instructional implications; 8802690
- reading comprehension instruction; cross-cultural considerations; 8805273
- reading comprehension instruction; direct instruction approach; problem-solving/cognitive strategies roles; 8802716
- reading comprehension instruction; "how to learn"; exercise examples; 8807654
- reading comprehension instruction; prediction, reciprocal questioning; 8807756
- reading comprehension instruction; techniques suggested; 8807640
- reading comprehension instruction; traditional methods criticized/alternative constructive approach sketched; 8807631
- reading comprehension measurement, sentence verification technique; good/medium/poor reading third graders; 8805499
- reading comprehension measures; total random cloze format vs correctional cloze testing; 8807870
- reading comprehension monitoring strategies; cultural schemata effects; American/Palauan proficient eleventh-grade readers; 8802846
- reading comprehension performance; passage variables/question types/format variables effects; successful/unsuccessful readers; 8802807
- reading comprehension processes; current research, text meaning construction; 8802813
- reading comprehension processes; teacher influence, meaning source/comprehension process choice; fourth graders, teachers; 8805453
- reading comprehension readiness, parallel lessons concept; comprehension strategies; 8805264
- reading comprehension research, organizing framework; historical context; 8802755
- reading comprehension research; educational publishing implications, knowledge/structure/metacognition theories; 8805412
- reading comprehension skills development; blind/informed training, relative effectiveness; ninth-grade remedial readers; 8805413

- reading comprehension strategies, metacognitive curriculum; third-/fifth-grade students; 8807719
- reading comprehension teaching; psycho-pedagogical analysis model; relevant characteristics; 8800501
- reading comprehension testing; exceptional learning disabled/educable mentally retarded secondary school students; testing condition variations; 8805487
- reading comprehension testing; prior knowledge effect; question type; eighth graders; 8805437
- reading comprehension tests, German; psycholinguistic models; 8805493
- reading comprehension tests; formation procedures; Venezuelan sixth graders; 8802867
- reading comprehension theory/practice, theoretical debates, commercial reading program analyses, evaluative research emphasized; 8805436
- reading comprehension training/testing, practice materials; 8807752
- reading comprehension, children's monitoring; reading ability/context effects; inserted cloze task; Australian children levels 3 & 4; 8807822
- reading comprehension, content fields effect; psycholinguistic study; fifth-grade high/average/low ability readers; prior knowledge/interest roles; 8802819
- reading comprehension, hearing-impaired adolescents; information content/syntactic complexity/format effects; profoundly deaf students aged 12-16; 8804504
- reading comprehension, memory/linguistic components, context effects; fast/slow readers aged 20-40; 8804839
- reading comprehension, morphemic orthography; automatic processing hypothesis tested; Chinese lexicon access; 8802829
- reading comprehension, perceptual connectives; good/poor fourth-grade readers compared; 8803448
- reading comprehension, prereading activities effects; English as a foreign language; schema-theoretic interpretation; Brazilian college students; 8807562
- reading comprehension, selected context factors; high-average/low-average fifth-grade readers; 8807795
- reading comprehension, sentence-combining research; exploratory review; 8807845
- reading comprehension, sociocultural background; 8802803
- reading comprehension/expository writing; scrambled paragraph reconstruction ability relationship; college freshmen; 8805432
- reading comprehension/linguistic awareness relationship; common processing skills; 8-year-old children; 8807799
- reading comprehension/morphological development, inflection, familiar vs nonsense words; learning-disabled pupils aged 7-11; 8805382
- reading comprehension/polysemic word knowledge, poor readers; vocabulary instruction suggestions; 8807837
- reading comprehension/response; fourth/sixth/eighth graders compared; symbolism/metaphor comprehension differences; 8802806
- reading comprehension/short-term memory function; lateral preference; fourth-grade boys; 8802852
- reading comprehension/vocabulary tests, cultural bias, progressive achievement tests; item performance analysis; Pacific Island Polynesian/New Zealand European students; 8805486
- reading comprehension; background knowledge effect; prereading activity effect; measurement uses; sixth graders; 8807826
- reading comprehension; book illustration role; visual literacy; 8807746
- reading comprehension; cloze procedures effectiveness; intersentential comprehension; children/adults; 8805494
- reading comprehension; cognitive style effect; schema-familiar/-unfamiliar passages; fourth-, fifth-, sixth-grade students; 8807838
- reading comprehension; computer-assisted instruction; developmental reading students; sentence combining/main idea reading/cloze procedure; 8805442
- reading comprehension; inference awareness training effects; 7-/8-year-olds; 8805483
- reading comprehension; information processing model; passage emotional orientation effects; fourth-grade readers; 8805481
- reading comprehension; Kintsch's reading model, instructional implications; 8805464
- reading comprehension; language skills/cognitive processes relationship; poor-reading high school students; 8802853
- reading comprehension; listening comprehension training effects; seventh-grade students; 8802774
- reading comprehension; metacognitive awareness/self regulatory mechanisms utilization; seventh-grade good readers; 8802797
- reading comprehension; metacognitive strategy instruction effects; fourth-grade students; 8802812
- reading comprehension; monitoring strategies; summarizing, question types; 8805312
- reading comprehension; phonological memory role; speech/nonspeech auditory backgrounds, interfering effects; 8807831
- reading comprehension; pre-reading orientations effects; sixth-grade able readers; 8805421
- reading comprehension; reading theory predictions; reading purpose/speed effect; undergraduates; 8805410
- reading comprehension; schema theory; adult/precocious good readers; 8802835
- reading comprehension; text organization effects; average vs disabled readers; fourth/sixth graders; 8805424
- reading comprehension; text presentation format effects; rapid serial visual presentation limitations; 8800529
- reading comprehension; word knowledge relations; cloze/modified cloze/multiple-choice/free response task formats; good/poor readers compared; 8802808
- reading comprehension; working memory capacity; reading time experiments; 8805425
- reading efficiency; comprehension enhancing techniques; adult readers; 8805272
- reading instruction, unrelated content areas; college reading lab; vocabulary/reading achievement improvement; Nelson Denny Reading Test; 8805315
- reading lessons, third/fourth grades, text-related comprehension lack; topic-coordinated reading materials need; 8805333
- reading materials readability, Chilean grades three/four; cloze procedure as readability measure; textbooks/leisure books reevaluation urged; 8802783
- reading performance; advanced organizers effects; English/Portuguese scientific texts; Brazilian U students; 8807832
- reading process/comprehension; text presentation rate/amount effect; rapid serial visual presentation technique; undergraduate poor/good readers; 8802801
- reading process; metacognitive strategy reports; eye movement validation; 8802877
- reading process; phonemic awareness relationship; early readers; 8802860
- reading regulation processes; high-/low-cohesion sentences reading time/processing depth; sentence's/reader's semantic representations correlation; 8805478
- reading remediation, componential/traditional approaches; DISTAR program/computer games; primary school poor readers; 8807737
- reading retardation classification stability; longitudinal study; children at ages 7/9/11; Burt Word Reading Test, Wechsler Intelligence Scale for Children-Revised, Progressive Achievement Test; 8802854
- reading skill development, reading materials/negative impact, independent reading/reading comprehension emphases; National Commission on Reading report; 8805386
- reading testing, black/white undergraduates, score comparison; classification analysis; National Assessment of Educational Progress findings; 8805491
- reading, information selection process; summary writing units; good/poor comprehenders; 8807844
- reading, social process; social context/cultural/sociocognitive aspects; 8802799
- reading/information processing relationship, reading speed/comprehension differences; reading task data analysis; 8805457
- reading/language comprehension, psychology; computer-simulated reading comprehension model READER; 8802383
- reading/listening comprehension, prior knowledge vs new topic-related information; stringed musical instruments, Western vs Eastern hemisphere; multiple-choice test; seventh/eighth graders; 8807806
- reading/media cognitive processing; comprehension/memory, text-TV/text-radio compared; third/sixth graders; 8802840
- reading/study procedures updated; ReQuest, CAT, GRP, REAP; metacognitive processes; 8807700
- reading/writing relationships, reading comprehension development; writing-based procedures suggested; 8802804
- reciprocal teaching technique, illiterate adults; metacognitive intervention effectiveness, inconsistent results; comment; 8807667
- retelling process, reading comprehension relationship; comprehending/comprehension differentiated; reader experience relevance; ethnically different readers compared; 8802818
- retelling, reading comprehension/text recall effects; generative learning strategy; fourth-grade students; 8802714
- Russian as a foreign language reading strategies, text-related background information; silent reading task; college students; 8807861
- Russian as a second language, reading comprehension difficulties; Soviet foreign graduates; scientific texts; 8802471
- schema instantiating behavior/cognitive style/reading comprehension relationship; schema theory framework; subjects aged 18-30; 8807852

- second-language instruction, reading aloud vs reading out loud, pronunciation/reading comprehension teaching; 8805058
- second-language instruction, reading comprehension testing/training; reading process analysis; methods/materials suggested; 8807751
- second-language learning, written text input; English as a second language students; 8807547
- second-language learning; teacher's reading aloud effects; reading/listening comprehension; Hispanic English learners; 8805205
- second-language learning; text comprehension processes; 8802661
- second-language reading comprehension testing; IQ component over-emphasis; rebuttal/comment; 8805244
- second-language reading comprehension, principal textual themes identification; methodological suggestions; Russian text, German students; 8805047
- second-language reading comprehension, self-monitoring; reciprocal teaching/think-aloud procedure; 8807397
- second-language reading instruction, methodology effects; experimental reading activities; first-/second-lang reading process theory; U-level French as a foreign language students; 8805143
- second-language reading process; native-/second-language reading comparison, interference phenomena; 8802528
- second-language reading; inferencing/language similarities; text selection process; Swedish-speaking young English learners; 8807549
- sentence comprehension, psycholinguistic research methods; adults; 8807130
- sentence comprehension; modular process model; reading disorder; verbal working memory; 8802297
- silent reading; prosody, cognitive role; isochronous speech rhythm/linguistic processing; 8802825
- Spanish/English bilingual children; second-language oral proficiency/first-/second-language reading performance relationship; 8802912
- story characters' motives/intentions, reader interpretation/projection; age factor; Dutch 14-/15-/16-/17-year-olds, adults; 8805959
- story comprehension/recall; story grammar, schema theory notions; third graders; Southgate Word Selection Test, Sentence Completion Test; 8807757
- story comprehension; story structure/questioning strategy effects; directed reading activity; kindergartners; 8807709
- summarization ability/strategic skill deficit relationship; good/poor eighth-grade readers, adults; 8807857
- summary writing/comprehension; summarization instruction effects; rule governed vs intuitive approach; sixth graders; 8807622
- sustained silent reading programs, effectiveness studies findings; word recognition, reading comprehension, attitudes; 8805379
- syntactic comprehension, reading-disabled second graders; syntactic deficit/processing limitation hypotheses; 8809486
- "talking books," reading comprehension improvement; reading-disabled boys, grades 4-6; background music effect; 8802779
- teaching reading comprehension; cloze exercise use; semantic/syntactic cues; 8807624
- Test of Reading Comprehension, subtest scaled scores comparison, intraindividual scores; subtest statistically significant differences table; 8802872
- test performance; language proficiency/reading comprehension, cognitive/linguistic aspects; 8805228
- text cohesion; reading comprehension role; 8807742
- text comprehension evaluation; cloze test procedure; illustrated texts; French-speaking third graders; 8800468
- text comprehension predictors; reading ability/prior knowledge; fifth/sixth graders; 8807632
- text comprehension problems, genre-appropriate schema recall; macrostructure model developed; 8808357
- text comprehension/production, performance relationship; children, adolescents, adults; 8807814
- text comprehension/retention; text structure instruction effect; research report vs journalism structure; 8807619
- text comprehension/search; reading volume effect, adults, work settings; 8807823
- text comprehension; background knowledge role; reading classroom; 8800498
- text comprehension; cohesion role; native/nonnative speakers compared; 8802619
- text comprehension; graphic elements role; reader-related variables; 8801085
- text comprehension; segmentation/background knowledge influences; good/average/poor seventh-/eighth-grade readers; 8802833
- text comprehension; short-term memory allocation strategies/text causal structure; free recall protocols; undergraduate psychology students; 8807278
- text comprehension; topic knowledge effects; top-down processes/language learning; 8805422
- text memory; perspective shifting effects; schematic encoding implications; 8802364
- text structure/reading comprehension; B. Meyer's "Organizational Aspects of Text: Effects on Reading Comprehension and Applications for the Classroom" reviewed; 8802864
- text-learning strategies, good/poor readers; comprehension strategies, meaning-enhancing relationships; 8805471
- textbook prose proficiency; standardized reading comprehension test, predictive capacity; native/limited English proficiency college students; 8800547
- vocabulary comprehension/retention; Vocabulary Overview Guide; self-monitoring; 8807635
- vocabulary development component, postsecondary reading courses, word knowledge/reading comprehension relationship; questionnaire data; 8805368
- vocabulary instruction, research-based methods; reading comprehension relationship; 8807368
- vocabulary learning, reading context; incidental word meaning learning; fifth-grade students; 8802730
- vocabulary preinstruction effect, reading comprehension, fifth graders; mixed treatment, depth of processing; 8805369
- vocabulary recall difficulty, text comprehension effect, free recall/summary recall/sentence recognition task data; sixth-grade students; 8805392
- writing experience effect, expressive modes; children's reading comprehension/writing ability; 8807944
- writing processing; active/nominal styles; international scientists; 8802888
- written content material comprehension; learning-disabled high school students; supplemental auditory information effects; 8802173
- Reading Deficiency**
- acquired dyslexia; morphological processing deficit/reading performance; case study; 8804587
- acquired reading disorders; treatment methods; 8804641
- alexia research; reading models; instruction implications; 8809395
- aphasic reading impairment; neuropsychological approach; Japanese *kanji/kana* oral reading/comprehension; 8809442
- aphasic syndrome classifications; Wernicke's aphasia, surface dyslexia, deep dysgraphia, conduction aphasia, paragrammatism; single case study; 8809421
- attention deficit disorder/reading disability; cognitive deficits; R. Felton's/F. Wood's/I. Brown's/S. Campbell's/M. Harter's data reanalyzed; reply; 8809484
- attributional feedback, extended ability/effort sequence, children's skill development effect; teaching implications; 8802762
- auditory feedback/writing, learning-disabled/nondisabled students; written error identification; 8809471
- bilingualism/reading difficulties; oral language assessment; "bilingualism" redefined; 8802936
- cartoon-illustrated format, limited reading ability audiences; limited-resource/non-limited-resource readers' comprehension compared; 8802747
- child speech/reading disturbances, long-term project report; reading model, components testing, diagnostic experiments; kindergartners/elementary school children; 8804583
- childhood dyslexia/adult reading; developmental lag hypothesis disproved; 8802760
- children's sentence production; syntactic/phonological/fluency characteristics; linguistic/extralinguistic factors; language-impaired/reading-disabled/normal children; 8800090
- cloze procedure, disabled reader instruction; activities/procedures; 8802873
- cognitive characteristics, reading-/learning-disabled undergraduates; compensation strategies; Wechsler Adult Intelligence Scale-Revised; 8807691
- college reading lab use; individualized direct instruction; U of Georgia program; 8807715
- comprehension monitoring strategies; disabled/nondisabled readers; eye movements/error recovery; 8805419
- Corrective Reading program, evaluation; psychologist/school cooperation; secondary-aged children; 8802722
- decoding role, reading/reading disability; reading disability types; 8802719
- deep dyslexia; semantic paralexia errors/right hemisphere role; brain-damaged/illiterate normal subjects compared; 8802175
- developmental dyslexia etiology; other reading disability forms compared; 8807059
- developmental dyslexia, acquired dyslexia differences; single word reading task; dyslexic boys/normal equivalent age readers/younger equivalent reading age readers; lexicality effects; 8809466
- developmental dyslexia, disconnection concept application; N. Geschwind's pioneering work; 8807063

- developmental dyslexia/dysgraphia, middle-age persistence; case study; 8809489
- developmental dyslexia; dysgraphia/sequential memory deficits; case study; 8809490
- developmental dyslexia; genetic influences evidence reviewed; 8800497
- developmental lag hypothesis, reading; nondyslexic reading problems; third-/fifth-/seventh-grade children; 8802857
- Distar Reading, remedial children; infant school experimental project; 8804596
- dyslexia definition; neuroanatomical/neurolinguistic perspectives; 8809476
- dyslexia identification; Wechsler Intelligence Scale for Children-Revised use; 8804610
- dyslexia treatment; model program presented; 8802739
- dyslexia, spatial thinking; visuo-spatial subtype unsupported; 8802417
- dyslexia, specific diagnostic category status; controversy; 8804602
- dyslexia, word knowledge developmental stages; spelling ability, dyslexic/normally developing readers; 8809465
- dyslexia; Boder test diagnosis/hemisphere arousal relationship; reading-spelling patterns; 8802179
- dyslexia; cognitive model; P. K. H. Seymour's *Cognitive Analysis of Dyslexia* reviewed; 8804593
- dyslexia; intrahemispheric collaboration deficits role; manual coordination/attentional processes; boys aged 9-14 years; 8807067
- dyslexia; research studies problems; sex differences/socioeconomic background/intelligence/birth order factors discussed; 8804597
- dyslexic children's reading attainment; specific teaching effects; reading/spelling; 8807073
- dyslexic readers' reading comprehension, prediction/diagnosis; initial reading level/IQ score; M. Condemarin's/M. Blomquist's decodification test; Wechsler Intelligence Scale for Children-Revised; Santiago (Chile) normal/dyslexic preschool/elementary students; 8800483
- dyslexic students, special reading instruction; dyslexic behaviors, teaching tactics; 8805290
- dyslexic's reading anxiety; remedial program; case study; 8807627
- early reading difficulty, longitudinal prediction/prevention; spoken language skills deficits; 8802744
- educational achievement; relaxation/visual imagery training effects; low-achieving tenth graders; 8807766
- educational factors, poor reading; materials/atmosphere/persons involved; teacher's role; 8802683
- emotional stress/reading disability, causes/effects; educational/home environments; 8802775
- English orthographic structure sensitivity, poor/normal readers; word categorical grouping task; second/fourth/sixth graders; 8807836
- hearing-impaired children, reading acquisition issues; theoretical/research issues; 8809366
- hyperlexia; reading skills/word knowledge/comprehension; developmentally delayed/language-disordered children; 8800110
- illiterate adults, reading related problems; performance self-perception; interviews; 8809473
- impress method, remedial reading technique; research findings reviewed; 8802746
- inefficient readers, coping strategies; higher employment/employment situation application; 8802764
- inverted reading patterns, dyslexia subgroups; eye movement data; second-grade poor/good readers; 8802737
- Kindergarten Teacher Rating Scale appropriateness, reading learning disability diagnosis, Costa Rica; cross-cultural application; 8809536
- language development, disabled readers; complex syntactic structures comprehension; C. Chomsky's language development stages; disabled readers aged 6-10; 8802685
- language disabilities, L. Bender's pioneering accomplishments; 8807060
- learning-disabled readers; reading comprehension; cognitive strategy training effects; 8807061
- lexical decision/naming task difficulty; function vs content words; phonological recoding; first-grade disabled readers; 8809483
- literacy learning; learning-disabled-labeled adolescents; dynamic assessment/instruction model; ethnographic procedures/protocol analysis; 8800544
- literacy, barrio text manifestations/use; ethnographic study; bilingual Hispanic children aged 10-19; 8802769
- medications/reading disability; attention deficit disorder treatment; 8802728
- metacomprehension; reading comprehension monitoring; self-control; 8807662
- method of repeated readings, disabled readers; neurological impress method expanded; 8802733
- narrative comprehension/production, developmental differences; reading-disabled/normally achieving children aged 6-7; 8802814
- neglect dyslexia; word/nonword visual processing; nonphasic patient; 8804594
- neurological implications, reading disability; hemispheric strengths, reading skills; 8802756
- oral language/literacy acquisition relationships, vernacular Black English speakers; theoretical/research publications 1961-1980 summarized; 8802693
- oral reading behavior/reading views; good/poor readers, linguistic cue use, meaning/decoding orientations; 8805406
- out-of-level testing; fourth-/fifth-grade poor readers; Gates-MacGinitie Levels C/D; 8807743
- perceptual processing; developmental vs sensory deficit effects, reading disabled; visual processing differences, good/poor readers aged 8, 10,12; 8809469
- phonemic codes use, age/reading skill differences; short-term retention task data; disabled/average/above average readers, grades 2/4/6; 8802798
- phonological coding, normal/dyslexic reading; developmental bypass hypothesis tested; readers aged under 12-over 18; Wide Range Achievement Test, Woodcock Word Attack Test; 8805656
- phonological/whole-word reading processes use; specific reading retarded vs reading backward 13-year-olds; 8805420
- photo primer development/use, multiple-handicapped children; sign language use; 8802688
- physiological variables, reading disability; genetics/haptics research; 8802702
- picture-cuing method, rebus program, reading instruction; trainable mentally retarded children; standard orthography transfer; 8804617
- prereading activities effects, comprehension monitoring, learning-disabled adolescents; statement identification tasks; 8809467
- preschool preventive programs, handicapped children; legal history, program elements; 8802754
- prose processing, disabled readers; multiple baseline design/cognitive training; 8807850
- pure alexia, metabolic abnormalities resolution; case report; 8807038
- reading ability differences, phonological/lexical reading routes; impaired/normal/superior readers compared; 8807834
- reading ability prediction; dyslexic readers; tests/reading achievement correlation; 8807609
- reading ability/self-concepts, mildly educationally subnormal children; special schools/classes effects; 8802777
- reading ability; verbal short-term recall/phonetic processing efficiency; reading-disabled children; 8805449
- reading accuracy/text difficulty evaluation; Rasch's probabilistic model; fifth-/sixth-grade pupils; 8802870
- reading achievement; visual-auditory cross-modal integration relationship; learning-disabled/average/poor readers aged 9-11; 8800516
- reading acquisition/skill/disability continuities; word decoding link; remediation/instruction implications; 8802752
- reading comprehension improvement; low-achieving readers; teacher-questioning/prediction-generating instruction effectiveness; 8800492
- reading comprehension improvement; reading-disabled students; content text revision; 8805400
- reading comprehension instruction, disabled readers; three models compared; 8807069
- reading comprehension skills development; blind/informed training, relative effectiveness; ninth-grade remedial readers; 8805413
- reading comprehension/polysemic word knowledge, poor readers; vocabulary instruction suggestions; 8807837
- reading comprehension; language skills/cognitive processes relationship; poor-reading high school students; 8802853
- reading comprehension; text organization effects; average vs disabled readers; fourth/sixth graders; 8805424
- reading deficits, learning-disabled children; attention/memory/syntactic awareness problems; prose decoding task; 8804588
- reading deficits; adult developmental dyslexics/acquired dyslexics compared; reading aloud/single word comprehension; information processing model; 8802182
- reading difficulties, metacognitive/affective/motivational aspects; learned helplessness assessment; 8807760
- reading disabilities, English script role; language differences, reading difficulty/ease; 8804608
- reading disabilities; cognitive skills/hemispheric specialization relationship; good/poor male readers aged 8-12 years; 8805434
- reading disability assessment; IQ score use; cognitive tasks; reading-disabled/normal children aged 7-16; 8809485
- reading disability identification; rate of response measures; two-year study; first/second graders; 8805501

- reading disability subtypes, neurologically impaired students; reading-impaired/non-reading-impaired students aged 11-19; 8807064
- reading disability subtypes; remediation implications; 8802710
- reading disability treatment; palliative/direct action stress-reduction procedures; electromyocardiograph biofeedback/relaxation training/remedial teaching compared; fourth/fifth graders; 8802855
- reading disability, diagnostic/remedial work, historical view; 20th-century developments; 8802751
- reading disability, future work speculations; early diagnosis/intervention; 8802731
- reading disability/emotional maladjustment relationship; post-1930 studies; 8802706
- reading disability/general language skills relationship; longitudinal study; children aged 3/11; 8807072
- reading disability; cleft lip/palate elementary school children; 8804606
- reading disability; genetic component evidence; behaviorally defined homogeneous subtypes; 8807062
- reading disability; interactionist perspective, research implications; historical background; literature reviewed; 8802741
- reading disability; left hemisphere dysfunction research; 8802740
- reading disability; linguistic coding deficits; causal relationship; 8800738
- reading disability; phonological processing deficits relationship; temporal/phonetic perception; 8804603
- reading game plan, phases; reading-disabled class; reading skill development; 8802736
- reading instruction method, learning-disabled students; lunch menu/newspaper use; 8802745
- reading instruction, computer use; motivation effects; reading-disabled students; 8809491
- reading instruction, preparation/intervention/monitoring; disabled adolescent readers; 8807687
- reading instruction, synthetic vs whole-word approach, experimental evaluation; first graders; 8805416
- reading instruction; new word decoding skills; phonics, metacognitive approach; 8805307
- reading materials selection, elementary school level disabled readers; teacher support/communication needs; 8802782
- reading problems, early detection; longitudinal study; third-eighth graders; Standard Reading Inventory; 8805303
- reading problems, learning-disabled/disadvantaged students; new instructional possibilities; 8804585
- reading problems, ocular anomaly relationship; exophoria/esophoria treatment; reading progress; 8807119
- reading progress, social/emotional attitudes, bibliography method; academic achievement/mental health; 8805345
- reading readiness instruction, overall importance; readiness skills, instructional guidelines; 8805346
- reading remediation project; parental involvement; 8807620
- reading remediation, componential/traditional approaches; DISTAR program/computer games; primary school poor readers; 8807737
- reading remediation, Corrective Reading Program; learning-disabled/mentally retarded adolescents; 8805347
- reading remediation, right hemisphere skills use; reading-disabled students; reading/study skills improvement; 8809468
- reading retardation classification stability; longitudinal study; children at ages 7/9/11; Burt Word Reading Test, Wechsler Intelligence Scale for Children-Revised, Progressive Achievement Test; 8802854
- reading retardation/IQ score classification; "Isle of Wight" studies, M. Rutter's/W. Yule's review; "retarded"/"dull" distinction challenged; reading score ceiling effect; 8802772
- reading retardation/visual deficit relationship; word recognition impairment; 8809475
- reading skill development, reading materials/negative impact, independent reading/reading comprehension emphases; National Commission on Reading report; 8805386
- reading tests; discriminant validity assessed; Woodcock-Johnson Psycho-Educational Battery/California Achievement Tests/Metropolitan Readiness Test; 8802874
- reading-disabled children, cognitive deficit self-awareness; reading/testing operation, phonological patterning; 8802705
- reading-disabled children, intellectual characteristics; factor analytic perspective; cognitive strengths/weaknesses; 8802773
- reading-disabled children; mental functioning/achievement prediction; Kaufman Assessment Battery for Children validity evaluated; 8804646
- reading/cognitive remediation; disadvantaged Israeli adolescents; 8807697
- reading/language development; learning-disabled elementary students; standard/special education curricula compared; 8804607
- reading/learning style, poor readers; aptitude-treatment-interaction research, R. Dunn's/K. Dunn's learning style model; 8802701
- reading/metalinguistic awareness; phonological awareness role; language-/reading-impaired students; 8809470
- reading/primary school success; student reading conceptions/school reading experiences; second graders; 8802800
- reading/spelling relationship; good vs poor readers; word recognition/oral spelling/written spelling; 8805460
- reading/writing difficulties, remedial technique; VAKT methodology; tactile modality/right hemisphere emphasized; 8805280
- redundancy, reading ability, fifth/sixth graders; reading skill/time differences; 8807801
- remedial readers, poor long-term memory, basic sight vocabulary; cerebral hemisphere functioning/coordination; 8802865
- remedial reading instruction, computer applications; commercial programs; 8802790
- remedial reading instruction; critical listening/critical reading; 8807625
- remedial reading teacher burnout; prevention, supervisor's role; 8807634
- remedial reading/English instruction; junior high/high school students; structure/scope; literacy assessment; 8802711
- remedial teaching strategies effects, reading-disabled children; word recognition; Kaufman Assessment Battery for Children scores; 8809477
- remedial writing exercises, reading program incorporation; 8802717
- reversal error correction techniques; spatial orientation theories; remedial suggestions; 8802732
- reversal errors/reading achievement, sex differences; first graders; Jordan Left-Right Reversal Test, Gates MacGinitie Reading Tests; 8802822
- secondary level disabled readers, materials/instruction; materials location/selection suggestions; 8802786
- segmental speech analysis, reading ability relationship's dyslexia implications; 8807070
- self-concept levels/reading attitudes/learning styles, remedial/regular U freshmen; Tennessee Self-Concept Scale, Mickulecky Behavioral Reading Attitude Measure, "learning style indicator"; 8805300
- self-concept/reading achievement, eighth-grade low reading class students; statistical analysis; disassociation/instructional implications; 8802726
- self-corrections, oral reading, good/poor readers; linguistic information types; 8807825
- sentence comprehension; modular process model; reading disorder; verbal working memory; 8802297
- sentence development, visual-spatial technique; poor readers/writers; 8802763
- serial recall; good/poor readers; phonetic stimuli similarity; 8805430
- slight word instruction, mastery learning model; disabled readers; 8804590
- specific language disabilities; secondary school student success; intervention programs effectiveness; 8802181
- specific reading disability subtyping; developmental dyslexia research; interactive reading theory implications; 8802742
- specific reading disability; visual functions relationship; print size/luminance levels effects; normal first-grade/disabled sixth-grade readers; 8804599
- specific reading disorders, etiology concepts; physiological/behavioral factors; 8804586
- spelling error profiles, able/disabled readers; phonetic strategies use differences; Test of Written Spelling; 8804092
- staff development, reading education; disabled reader; 8802757
- stuttering, accompanying problems, language/vocabulary delay/articulation disorders/reading/writing disability; treatment effectiveness; Rome U Otolaryngological Clinic data, 1973-1983; 8807026
- surface dyslexia; semantic/visual recognition systems, partial dissociation; case study; 8804600
- symbol reversal remediation; visual-motor training; first graders; Jordan Left-Right Reversal Test Level 1; 8805316
- syntactic comprehension, reading-disabled second graders; syntactic deficit/processing limitation hypotheses; 8809486
- "talking books," reading comprehension improvement; reading-disabled boys, grades 4-6; background music effect; 8802779
- text comprehension problems, genre-appropriate schema recall; macrostructure model developed; 8808357
- text lookback strategy; remedial readers; 8802715
- textbook rewriting, secondary learning-disabled students' level; reading level reduction; 8802750
- U-based reading clinics, offerings/clients; survey data; teacher training role, program design, methods/materials; 8805277

- uninterrupted sustained silent reading (USSR) technique; implementation rules, remedial application; 8805330
- verbal/nonverbal processing, cerebral lateralization; right-/left-handed good/disabled readers aged 10; 8807331
- visible persistence, flicker effect; tachistoscope stimuli; specific reading-disabled children; previous studies examined; 8807846
- vocabulary development component, postsecondary reading courses, word knowledge/reading comprehension relationship; questionnaire data; 8805368
- Wechsler Intelligence Scale for Children-Revised, normal/dyslexic readers; writing/copying speech/recognition memory; third-ninth graders; 8802861
- word recognition abilities, reading-disabled elementary-secondary students; Wide Range Achievement Test, Stanford Diagnostic Reading Test/cloze passages; minimum competence testing implications; 8809479
- word recognition training; decoding skills/OWLS/classroom survival skills programs; accuracy-/rate-disabled dyslexic children; 8809480
- word recognition; good/poor readers differences; developmental-interactive hypothesis; 8802363
- word-learning ability; poor/normal readers; paired associate learning; meaning/nonmeaning effects; 8800534
- Reading Instruction**
 - adaptive reading instruction; flexible materials; 8807695
 - Adult Basic Word List, illiterate adult learners; most frequently used words; 8807755
 - adult literacy campaign, Great Britain; literacy as basic right, literacy education approaches; 8802673
 - adult literacy development; child/adult differences, implications; participative methodology suggested; 8807637
 - adult literacy, developmental process; "functional literacy" instruction inadequate; 8807597
 - age of information, universal literacy role; 8807672
 - alexia remediation; adult female; case study; 8807671
 - alexia research; reading models; instructional implications; 8809395
 - arithmetic story problem solving; reading instruction model; 8807725
 - Army officer reading-study skills program; learning style assessment/reading rate improvement data; 8805476
 - attributional feedback, extended ability/effort sequence, children's skill development effect; teaching implications; 8802762
 - balanced reading program; skill mastery/pleasure reading combination; reductionist reading theory criticized, strategic view proposed; 8802776
 - basal reader syntax/children's oral syntax; grade levels one, two, three; words per T-unit; 8807829
 - basal reader treatments; achievement/reading style relationship; second-grade children; 8802858
 - basal readers, quality/knowledge gap; instructional materials, improvement suggestions; 8805394
 - basal reading programs; content development/influences, effectiveness, quality improvement methods; 8802749
 - beginning reading instruction, international trends/needs; survey data; assessment/instruction/trends; 8805286
 - beginning sight words instruction, predictable materials/preprimers use; sight word recognition, unknown word strategies, reading task attitudes; first-grade students; 8805282
 - bilingual (English-Italian) reading instruction, preschoolers; private project report; pre-/posttest results analysis; 8805533
 - bilingual reading instruction, Spanish-English; initial reading methods evaluation, materials/application detailed; 8802718
 - bilingualism/reading difficulties; oral language assessment; "bilingualism" redefined; 8802936
 - braille reading, early developmental learning; instructional activities; 8804645
 - braille reading; perceptual strategies/training methods; 8804644
 - business foreign-language teaching; reading comprehension instruction; 8802647
 - caption books, beginning reading material; benefits; 8805390
 - cartoon-illustrated format, limited reading ability audiences; limited-resource/non-limited-resource readers' comprehension compared; 8802747
 - cause-effect text passages, main idea comprehension; why question use; low-average/good sixth-grade readers; 8805336
 - child oral reading, miscue analysis, teacher behavior/language; individual reading conferences; 6-/7-year-olds; 8805283
 - childhood dyslexia/adult reading; developmental lag hypothesis disproved; 8802760
 - children's literature, oral reading; reading methods classes; future teachers' attitudes; 8807617
 - children's reading development; home-reading programs/parent involvement; 8800503
 - children's story comprehension; implied statements; listening guide; 8805271
 - Chinese characters/pinyin instruction; rapid character system acquisition promotion; Chinese primary school data; 8805289
 - cloze procedure, disabled reader instruction; activities/procedures; 8802873
 - college reading lab use; individualized direct instruction; U of Georgia program; 8807715
 - college reading program; reading/writing/speaking/listening skills; 8805357
 - College Reading Specialist Competency Checklist; professional standards; 8807629
 - college study skills instruction; news magazine use; 8807665
 - comprehension instruction techniques; theoretical bases; coaching; 8807730
 - comprehension instruction, long-term effects; conceptual framework; disadvantaged Polynesian Hawaiian second/third graders; 8802689
 - comprehension monitoring skills; assessment/training; consistent/inconsistent prose statements; fourth/fifth graders, undergraduates; 8807675
 - comprehension strategies, monitoring; unfamiliar text material, experienced adult readers; intra-/extra-text strategies; 8807847
 - computer-aided instruction, courseware reading level; student knowledge acquisition; 8807648
 - computer-assisted literacy programs; US Armed Forces; Army Research Institute for the Behavioral & Social Sciences; 8807594
 - computer-assisted reading instruction software; purchase criteria; software listing; 8805327
 - computer-assisted reading instruction, programs described; creative writing use; 8807749
 - computer-assisted reading instruction; componential, constructivist theories; RACER, Reader's Assistant systems; 8805374
 - computer-assisted reading instruction; divergent cloze microcomputer program development; 8807753
 - computer-assisted reading instruction; error correction, feedback methods; novice reader first/second graders; 8807306
 - computer-assisted reading instruction; integrated materials series development; 8802704
 - computer-assisted reading instruction; Russian Text-Fill program; 8802682
 - computer-assisted reading/writing instruction; teacher's positive attitude; learning process psychology; 8800481
 - concept learning, thematic pre-organizer/guided instruction; literal/inferential unaided recall, one-way variance analyses; ninth-grade average readers; 8805270
 - conflict as reading motivation; cognitive dissonance resolution; high school classroom technique; 8807664
 - content area reading improvement; Effective Reading in Content Areas model; Australian secondary schools; 8807651
 - content area reading instruction; Australian junior/senior high school in-service program; 8807707
 - content area reading instruction; effectiveness monitoring; self/outside assessment; 8805363
 - content area reading model evaluated; Peters Content Processing Model; text-dependent/-related skills; 8807642
 - content area reading/listening instruction; "whole class" techniques; secondary school; 8807702
 - content area reading; coping strategies; concurrent interviewing benefits; junior high school pupils; 8807714
 - content area reading; teacher certification requirements; state differences; 8805297
 - content reading heuristic; listen-read-discuss; "learn by doing"; 8807701
 - content reading instruction; teacher reluctance; classroom setting realities; eighth-/eleventh-grade classrooms observed; 8807721
 - content reading material, comprehension/production; text structure instruction effects; seventh graders; 8805371
 - content text studying processes; inserted questions effect; eye-movements traced; undergraduates/fifth graders; 8805362
 - context-dependent reading strategies, guessing/phonetic analysis/error correction, differing viewpoints; F. Smith's/D. Stott's approaches; 8805348
 - cooperative studying; learning/teaching scripts, different effects; initial recall/learning transfer; 8807160
 - Corrective Reading program, evaluation; psychologist/school cooperation; secondary-aged children; 8802722
 - creative reading instruction, high school; 8802687
 - cross-age tutoring; beneficial effects on tutors; theoretical considerations; 8805344
 - cross-cultural understanding; content area reading strategies; group discussion/reasoning guide; Alaska examples; 8807641

- cultural inventory technique, second-language reading; prereading phase emphasized; 8800308
- decoding role, reading/reading disability; reading disability types; 8802719
- decoding, reading comprehension component, secondary students; comprehension test data; ninth graders; 8805319
- Distar Reading, remedial children; infant school experimental project; 8804596
- dramatic improvization as reading instruction device; 8807705
- dyslexia treatment; model program presented; 8802739
- dyslexic readers' reading comprehension, prediction/diagnosis; initial reading level/IQ score; M. Condemarin's/M. Blomquist's decodification test; Wechsler Intelligence Scale for Children-Revised; Santiago (Chile) normal/dyslexic preschool/elementary students; 8800483
- dyslexic students, special reading instruction; dyslexic behaviors, teaching tactics; 8805290
- dyslexic's reading anxiety; remedial program; case study; 8807627
- early book knowledge; reading performance relationship; parental role; 8807716
- early literacy development; prereading child; instructional program suggestions; 8805309
- early reading difficulty, longitudinal prediction/prevention; spoken language skills deficits; 8802744
- early reading instruction; word introduction, isolated vs in context; first graders; 8807711
- early reading recollections; 10-year-olds, high school students, teacher; insights encouraged; 8807693
- early reading, deaf children; spoken language acquisition impairment, written language acquisition compared; Swedish hearing-impaired children; 8806966
- early spelling ability/reading achievement; first-grade students; classroom implications; 8805340
- early written language instruction; lexical/phonological segmentation; first-grade children; 8807626
- educational achievement; relaxation/visual imagery training effects; low-achieving tenth graders; 8807766
- educational technology/theory; scientific/humanistic approaches; 8807748
- effective reading strategies; graduate student journals; reading comprehension/instruction implications; 8807816
- elementary reading methods textbook survey; emphasis patterns; teacher training implications; 8807683
- emergent literacy, mother-child interaction, attachment security; children aged 1;6/3;6/5;6; reading instruction processes; 8808945
- English as a second language instruction, literature-language integration; language-based approach; 8802489
- English as a second language instruction, reading; communicative activities; 8807636
- English as a second language reading comprehension; culture-specific content schemata/formal schemata effects; Muslim/Catholic-Spanish background students; 8800381
- English as a second language reading instruction; Hong Kong context; text type/cultural context considerations; 8804954
- English as a second language; reading achievement; computer-assisted instruction effects; 8800493
- English literacy instruction, teacher preparation; cognitive psychology application; 8802698
- English negation forms instruction; reading/reasoning contexts; 8807703
- English phonics, history; writing systems, spoken language, spelling; 8800482
- English prose readability, microcomputer program; Rix procedure; 8805328
- English reading instruction, Cree children; difficulty/interference areas; holistic approach; 8807765
- experimental reading development course, partially sighted students; Institute for the Blind & Partially Sighted (Copenhagen, Denmark) program; 8804621
- expository passage comprehension; previewing effects; above/below average seventh graders; 8802843
- eye movement training; history, research misinterpretation; classroom implications; 8807706
- foreign-language instruction; beginning levels; authentic texts use; 8802476
- foreign-language reading instruction, reading strategy use; French as a foreign language students; 8807512
- foreign-language reading, student competence improvement; reading process components; 8800332
- foreign-language teaching; college-level French reading class; advertisements use; 8807645
- foreign-language teaching; communicative approach/authentic materials; 8807462
- foreign-language teaching; computer assistance; reading comprehension; 8802555
- French literature teaching; reading/writing approach; 8802484
- German as a second language instruction, rapid reading; German human sciences textbooks; 8800212
- German as a second language instruction; text interpretation/comprehension scheme, literary texts reading; 8802504
- German language teaching; economic texts use; reading/writing skills development; 8800297
- gifted children programs; reading interests differences, instructional implications; 8805395
- gifted readers' enrichment; D. Durkin's study reviewed; 8807669
- gifted readers, reading instruction; interactive processing emphasis; 8805381
- gifted readers, reading program modifications; characteristics/skills development; 8802703
- hand movement training, Braille reading; perceptual ability effect; blind children aged 6-13; 8802862
- high school newspaper *Desert Wind*; American Indian reservation; *Foxfire* model; 8807729
- high-frequency word identification, basal reading series texts/word lists agreement; sight vocabulary instruction; 8802385
- home reading attitudes, reading stanine scores, writing ability; relationships investigated; 8807605
- hyperactive children, Ritalin effect; reading performance implications; 8807643
- impress method, remedial reading technique; research findings reviewed; 8802746
- independent learning model; PLAE-preplan, list, activate, evaluate; undergraduates; 8807740
- Individualized Reading Approach, teacher accountability/reading progress, child's needs emphasis; 8805320
- inefficient readers, coping strategies; higher employment/employment situation application; 8802764
- inference training techniques, children's expository text comprehension; structural overview/cloze treatment, below average readers; sixth graders; 8805408
- inferential question processing; confirmation strategy instruction; 8807685
- informal reading inventories, selection/use; deaf students; reading modality adaptation; 8802789
- initial reading/writing instruction; constructivist approach; psychology/teaching relationship; 8807668
- instructional computer use guidelines; International Reading Association's Computer Technology & Reading Committee; 8805298
- instructional reading level measures, basal reading level; Wide Range Achievement Test score deviation; second/fourth/sixth graders; 8807628
- interactive computer-assisted learning exercises, language/reading development; reading curriculum activities, computer adaptation; 8805384
- interactive reading instructional model; active comprehension; story structure, declarative knowledge/question generation; 8805385
- kindergarten reading instruction; Hebrew/English bilingual program; 8807600
- kindergarten reading performance; Piagetian task relationship; 8807613
- kindergarten reading, decoding strategies; teaching implications; 8805380
- language achievement, "Writing to Read" computer program effect; kindergartners; 8807257
- language development/reading skills relationship; teacher workshop; 8805359
- language experience approach, hearing-impaired students; severely hearing-impaired kindergarten/first-grade children; 8809358
- language experience approach; basic skills emphasized; mildly handicapped children; 8805323
- language for specific purposes; pedagogical methods; symposium papers reviewed; 8804991
- language/reading development program, Vietnamese children; basic English-vocabulary/grammatical features emphasis, oral English communication experiences; 8805376
- learning-disabled children, reading instruction; testing types; instructional guidelines; 8804589
- learning-disabled readers; reading comprehension; cognitive strategy training effects; 8807061
- learning-disabled students, reading strategies; social studies text assignments; 8807723

- learning-disabled students; reading comprehension; questioning mode/ placement effects; 8807071
- letter name/phonics instruction; correlated knowledge areas; 8807678
- letter processing, dyslexic subgroups; cognitive strengths/weaknesses tested; Boder/Jarrico Reading-Spelling Pattern Test challenged; 8802770
- linguistic cohesion; reading/writing ability; instructional implications; 8807820
- linguistic context use, good/poor reader strategies; preceding/ succeeding contexts, background knowledge; children aged 7/8; 8802753
- linguistic development; first-grade literacy teaching method effects; Brazilian lower/upper class children; 8807633
- linguistic/metalinguistic awareness, children's development, reading instruction implications; child/adult awareness differences; 8805279
- listening/reading methods; implementation guidelines; 8802729
- literacy acquisition, home-school roles; C. Goldenberg's report critically examined; 8805551
- literacy conceptions, first graders; reading instruction method effects; 8807253
- literacy conventions, children's knowledge; reading achievement relationship; 8807649
- literacy instruction effects; preliterate societies; 8800496
- literacy instruction, US schools; reading/writing studies reviewed, instructional scaffolding; 8805329
- literacy knowledge, hearing-impaired children; reading/writing instruction; 8809349
- literacy learning; learning-disabled-labeled adolescents; dynamic assessment/instruction model; ethnographic procedures/protocol analysis; 8800544
- literacy obligation; society's/illiterate's role; mandatory adult participation urged; 8807661
- literacy program development, Pakari Kilo (Pakistan); social/economic improvement; 8800489
- literacy program development, Papua, New Guinea; government/community/church interaction; 8800495
- literacy programs, Appalachia culturally relevant factors; teacher attitude, community enculturation; 8805275
- literacy projects, Guatemalan highlands; indigenous languages; native speaker training; 8800505
- literacy, barrio text manifestations/use; ethnographic study; bilingual Hispanic children aged 10-19; 8802769
- literacy, high school graduates' definition; secondary school goals; 8802720
- literary material, comprehension instruction; Directed Reading Activity; 8807650
- literature instruction model; reading, responding, writing; 8800179
- main idea identification; instructional explanations; basal reader series compared; 8807781
- McCall, W./Smith, E./Palmer, B.; *Test Lessons in Reading Figurative Language* reviewed; 8802765
- mentally retarded children; letter-sound correspondences instruction; action mnemonic procedure; 8802183
- metacomprehension; reading comprehension monitoring; self-control; 8807662
- method of repeated readings, disabled readers; neurological impress method expanded; 8802733
- Mexican indigenous populations; literacy development program described; 8809079
- minimum competency testing; US survey; promotion/remediation criterion; 8807869
- motivation studies/reading instruction, study skills improvement; classroom management strategies, self-governed adolescent learners; 8805370
- motor imaging, reading vocabulary strategy; definition + psychomotor meaning; 8807804
- multiple meaning words; teaching suggestions; primary grades; 8807738
- native-/second-language instruction, language contemplation; linguistic-cultural education, reading instruction procedure proposal; 8804893
- newspaper as literacy motivation; 8807647
- nonverbatim cloze responses, program success/student reading instruction needs; hearing-impaired students aged 7-15; 8802876
- oral reading for meaning; error self-correction behavior; third-grade poor readers; 8807747
- oral reading problem solving strategies, first graders; error analysis; 8805446
- oral reading procedure; 4-way oral reading; 8807762
- oral/silent reading transition; progression monitored; written language relationship; 8807666
- paired/relaxed reading methods, parental involvement; children aged 8-7-10-4; 8805444
- paragraph processing, study guide; text relationship understanding, comprehension/recall enhancement; 8805373
- passage recall; text structure instruction effects; graphic organizer/sentence connectives/free recall tasks; fifth-/sixth-grade readers; 8804834
- pedagogical intervention, written language comprehension; reading instruction, early stages features; 8802766
- pedagogical lists, development methods; elementary/secondary student composition vocabulary; 8802723
- peer interaction, grade level/sex composition effects; drill/practice reading computer programs; second/fifth graders; 8807255
- phoneme blending training; word reading; trainable mentally retarded children; 8807077
- phonemic segmentation, reading subskill; reading instruction importance; 8800500
- phonetic similarity effect, early reading acquisition; kindergarten/first-/second-grade children; 8807827
- phonic English reading program, Navajo students; description; second-seventh graders; 8805378
- Phonics 44; program advantages; English grapheme-phoneme correspondence; 8807708
- phonics terms, children's definition/application ability; high-/low-level readers compared; fourth-grade students; phonetic knowledge; instructional implications; 8805338
- phonics/reading instruction, phonetics/phonics confusion, theories/implications; linguistic-informed phonics system described; K. Goodman's reading theory; 8805341
- photo primer development/use, multiple-handicapped children; sign language use; 8802688
- picture-cuing method, rebus program, reading instruction; trainable mentally retarded children; standard orthography transfer; 8804617
- pre-first-grade reading instruction approaches; literacy development, present practices/improvement suggestions; 8802678
- pre-reading instruction; microcomputer lexical decision task; semantic memory/vocabulary instruction; reading comprehension; 8805480
- prereading activity; distinctive feature training effectiveness; pre-schoolers' letter discrimination ability; 8804797
- preschool preventive programs, handicapped children; legal history, program elements; 8802754
- preservice reading teachers; basic skills course; competency model; Nelson-Denny Reading Test; 8805293
- prior knowledge effect, question answering, good/poor readers; fifth-grade students; 8805318
- problem-guided reading, college math-related courses; problem-solving emphasis, mathematics texts; 8805324
- professional reading development, teacher evaluation procedures; inservice reading offerings; school superintendent responses; professional organization membership; 8805287
- proficient reading; strategies/knowledge use; pedagogical implications; 8807718
- proper noun instruction; creative emphasis; 8807745
- prose reading, self-questioning strategy; sixth graders; 8807652
- question-answering behavior, metacognition processes, fifth/eighth graders; information sources determination; question-answer relationships, instructional program effect; 8805462
- readability formula development, McCall-Crabbs Standard Test Lessons in Reading validity; 8805455
- readability formula, G. McLaughlin's SMOG grading technique, modified technique; 8805364
- readability levels, personal/impersonal newspaper articles; Fry readability formula; 8806027
- reader processing strategies; text difficulty effects; field-dependent/field-independent adolescent students; 8802815
- reader-/text-based text inconsistencies; detection abilities; comprehension monitoring training; middle school students; 8805352
- reading ability, academic learning role; reading skill development technology; 8802832
- reading ability/attitudes, ReCaRe developmental reading/study skills program; seventh-grade students; 8807720
- reading ability/self-concepts, mildly educationally subnormal children; special schools/classes effects; 8802777
- reading achievement prediction, kindergarten-third grade; screening implications; 8802697
- reading achievement, preferred reading instruction method; first-fifth grades; 8807758
- reading achievement/school reading; US students, literacy definitions, international comparison; 8805351
- reading achievement; afternoon instruction effects; long-term memory; beginning readers; 8802809

- reading achievement; folklore material effect; second graders; 8807789
- reading achievement; linguistic awareness relationship; kindergarten/first-grade/second-grade children; 8802795
- reading acquisition, individual learning curves; different teaching methods effects; Dutch first graders; 8805435
- reading acquisition, intention/expectation role; induced intention/comprehension; 7-, 8-year-olds; 8800528
- reading acquisition, social interaction role; disadvantaged beginning readers, Israel/Quebec; 8800487
- reading acquisition/skill/disability continuities; word decoding link; remediation/instruction implications; 8802752
- reading activities, social contexts; educational planning implications; 8804201
- reading activity behavior, first-grade children; 8807603
- reading aloud, preschool children aged 3-6; research reviewed; 8805334
- reading as developmental process; K-12 perspective; 8807638
- reading as discourse act; rhetorical reading strategies; pedagogical implications; 8805428
- reading attitudes, developmental changes; F. Wallbrown's/D. Brown's/A. Engin's survey data; fourth/fifth/sixth graders; 8802695
- reading behavior index, information collection model research; questionnaire data; college students; subjective/objective evaluation differences; 8802758
- reading classroom; writing instruction role; teachers' beliefs; fifth-grade teachers; 8800491
- reading competency, 21st-century needs, children's development/preparation; learning readiness, vocabulary/comprehension skills; 8805288
- reading comprehension achievement; Junior Great Books literature program effects; gifted fifth-grade students; 8805399
- reading comprehension development techniques; literary sociogram, semantic web, plot profile, mutilated summary; 8807692
- reading comprehension development; task type effects; 10-, 11-year-olds; 8805342
- reading comprehension improvement; computer display use; rapid serial visual presentation; 8805438
- reading comprehension improvement; low-achieving readers; teacher-questioning/prediction-generating instruction effectiveness; 8800492
- reading comprehension improvement; narrative structure instruction; fourth graders; 8805302
- reading comprehension instruction, disabled readers; three models compared; 8807069
- reading comprehension instruction; background knowledge/text information relationship; instructional implications; 8802690
- reading comprehension instruction; cross-cultural considerations; 8805273
- reading comprehension instruction; direct instruction approach; problem-solving/cognitive strategies roles; 8802716
- reading comprehension instruction; "how to learn"; exercise examples; 8807654
- reading comprehension instruction; prediction, reciprocal questioning; 8807756
- reading comprehension instruction; techniques suggested; 8807640
- reading comprehension instruction; traditional methods criticized/alternative constructive approach sketched; 8807631
- Reading Comprehension Interview; classroom reading tasks, student perception assessment; intermediate/middle school; 8807880
- reading comprehension processes; current research, text meaning construction; 8802813
- reading comprehension skills development; blind/informed training, relative effectiveness; ninth-grade remedial readers; 8805413
- reading comprehension strategies, metacognitive curriculum; third-/fifth-grade students; 8807719
- reading comprehension teaching; psycho-pedagogical analysis model; relevant characteristics; 8800501
- reading comprehension theory/practice, theoretical debates, commercial reading program analyses, evaluative research emphasized; 8805436
- reading comprehension training/testing, practice materials; 8807752
- reading comprehension/polysemic word knowledge, poor readers; vocabulary instruction suggestions; 8807837
- reading comprehension; background music effects; classical vs rock; fourth-eighth graders; 8807710
- reading comprehension; book illustration role; visual literacy; 8807746
- reading comprehension; computer-assisted instruction; developmental reading students; sentence combining/main idea reading/cloze procedure; 8805442
- reading comprehension; inference awareness training effects; 7-/8-year-olds; 8805483
- reading comprehension; Kintsch's reading model, instructional implications; 8805464
- reading comprehension; listening comprehension training effects; seventh-grade students; 8802774
- reading comprehension; metacognitive strategy instruction effects; fourth-grade students; 8802812
- reading comprehension; pre-reading orientations effects; sixth-grade able readers; 8805421
- reading comprehension; schema theory; adult/precocious good readers; 8802835
- reading confusion; high school examples; possible remedies; 8807713
- reading curriculum design; scope/sequence; teacher's role; 8807657
- reading difficulties, metacognitive/affective/motivational aspects; learned helplessness assessment; 8807760
- reading disability subtypes; remediation implications; 8802710
- reading disability, future work speculations; early diagnosis/intervention; 8802731
- reading disability/emotional maladjustment relationship; post-1930 studies; 8802706
- reading disability; left hemisphere dysfunction research; 8802740
- reading English as a second language; classroom "magic" theme; 8807759
- reading functions, students' views; Irish/US third, fifth, eighth graders; 8807676
- reading game plan, phases; reading-disabled class; reading skill development; 8802736
- reading group instruction, race-related positive/negative feedback behaviors; white/black second-grade teachers, white/black second graders; 8805266
- reading groups; amount read/reading mode; good vs poor readers; first/third/fifth grade; 8807612
- reading improvement programs; varied settings/approaches, basic principles; 8805301
- reading improvement; problematic techniques; 8807621
- reading in-service education, Wisconsin teachers; state survey; staff-development, reading instruction; 8807763
- reading instruction differences, good/poor readers; classroom recommendations; 8805268
- reading instruction improvement, daily life literacy techniques; 8807699
- reading instruction language; native vs second language; cognitive confusion; Papua New Guinea situation; 8807404
- reading instruction method, learning-disabled students; lunch menu/newspaper use; 8802745
- reading instruction method; Y. Lingart's psycholinguistic instruction theory basis; successful reading didactics requirements formulated; 8800494
- reading instruction strategies, psycholinguistic/subskills approaches; specific strategy lessons; 8805274
- reading instruction teacher effectiveness program; evaluation, knowledge/attitudes/behavior; 8805337
- reading instruction workshop; C.R.A.P. meeting, August 1984; 8800521
- reading instruction, cerebral hemisphere integration, right brain learning; cognitive approaches; 8805331
- reading instruction, computer games; development/implication; 8802738
- reading instruction, computer use; limitations; 8800504
- reading instruction, computer use; motivation effects; reading-disabled students; 8809491
- reading instruction, historical development; school's ideological/social status relationship; reading skills conception evolution; 8802778
- reading instruction, innovative program; fifth-grade classroom; 8807663
- reading instruction, language-reflection component; related literature surveyed; 8807750
- reading instruction, learning-disabled students; popular misconceptions refuted; empirically based teaching strategies; 8804601
- reading instruction, linguistics contributions; lexicon/sentence/text features; 8805296
- reading instruction, parental involvement effects; working-class children's reading test performance; Haringey Project compared; 8807680
- reading instruction, parents' role; game format; learning-disabled children; 8807688
- reading instruction, preparation/intervention/monitoring; disabled adolescent readers; 8807687
- reading instruction, special education resource rooms; mildly handicapped elementary students; 8805314
- reading instruction, synthetic vs whole-word approach, experimental evaluation; first graders; 8805416

- reading instruction, teacher beliefs; Conceptual Framework of Reading Interview; 8807674
- reading instruction, teacher-student generated lessons; eighth-grade science classes; 8802708
- reading instruction, unrelated content areas; college reading lab; vocabulary/reading achievement improvement; Nelson Denny Reading Test; 8805315
- reading instruction, young English as a second language learners; 5-/6-year-old Pakistani/Vietnamese/Bengali/Chinese children; grammar/intonation improvement; 8805284
- reading instruction/materials; school board's role; 8807639
- reading instruction; child's meaning, reading acquisition developmental stages; self/literature integration; 8805387
- reading instruction; new pedagogical methodology introduction; French instruction, French-speaking Swiss schools example; 8805299
- reading instruction; new word decoding skills; phonics, metacognitive approach; 8805307
- reading interest improvement; volunteer oral reading program; third/fourth graders; 8807616
- reading knowledge models; "transmissive"/"interactive"; 8800484
- reading learning; cognitive/affective aspects; remedial methods; Adlerian framework; 8805339
- reading lessons, interactive language; second-/sixth-grade classes; audiotaped data; 8807754
- reading lessons, social construction; teacher-student resistance/accommodation patterns; reading remediation failure; 8802743
- reading lessons, third/fourth grades, text-related comprehension lack; topic-coordinated reading materials need; 8805333
- reading material, selection criteria; adult literacy students; 8807788
- reading materials readability, Chilean grades three/four; cloze procedure as readability measure; textbooks/leisure books reevaluation urged; 8802783
- reading materials, difficulty levels/progress groups; error analysis; *Ready to Read* series/new texts compared; 8805496
- reading miscues/teacher verbal feedback; error type/self-correction; good reader behaviors; classroom implications; 8805317
- reading mistake, correction challenged; 8802759
- reading motivation technique; outside reading/oral reports; grade determination; 8807735
- reading motivation techniques, second-language instruction; Chadly Fitouri interview; 8807656
- reading motivation, New Zealand "book theater" project; reading at home importance; 8802696
- reading motivation; bulletin board use; 8805305
- reading pedagogy; competent reader development, basic abilities; macro-/micro-level reading strategies; 8802748
- reading pedagogy; first-grade classroom; shared big book approach; 8802686
- reading pedagogy; textbook terminology analyzed; 8802700
- reading performance/writing ability, idea relationships emphasis; 8805326
- reading performance; student-generated analogies effect; analogy-based/conventional instructional methods compared; sixth-grade students; 8800539
- reading pleasure; H. Steinmetz's theory outlined; didactic application, teacher's role defined; 8802771
- reading prediction strategies/predictable materials use, bilingual classroom; Chinese/English-speaking children; 8807805
- reading preferences/attitudes; teacher observation; third graders; 8807722
- reading problems, early detection; longitudinal study; third-eighth graders; Standard Reading Inventory; 8805303
- reading problems, learning-disabled/disadvantaged students; new instructional possibilities; 8804585
- reading process understanding, preservice teachers; psycholinguistic research effects; 8805310
- reading process; communicative nature; meaning production/reading materials/teaching practices; 8807843
- reading program enlivening; activities/materials suggested; 8802724
- reading program evaluation, appropriate atmosphere; self-evaluation techniques; 8805355
- reading program, public support; media use; 8807646
- reading programs, aptitude-treatment interaction, behaviorally oriented/rich language experience formats, achievement outcomes; sixth graders; Matteson/Scott Foresman programs; 8805306
- reading programs, structured/holistic approaches alternation; sustained silent reading adaptation; 8807653
- reading progress, social/emotional attitudes, bibliotherapy method; academic achievement/mental health; 8805345
- reading readiness instruction, overall importance; readiness skills, instructional guidelines; 8805346
- reading readiness skill reinforcement, kindergarten; computer-assisted/teacher-directed instruction; 8807601
- reading readiness, cognitive developmental research; conservation skills; D. Elkind's stage structure analysis; 8802699
- reading recovery program, home literacy context/parents; at-risk first graders; 8807684
- reading recovery, special reading instruction program follow-up study, tutoring impact; 8805285
- reading remediation project; parental involvement; 8807620
- reading remediation, componential/traditional approaches; DISTAR program/computer games; primary school poor readers; 8807737
- reading remediation, Corrective Reading Program; learning-disabled/mentally retarded adolescents; 8805347
- reading remediation, right hemisphere skills use; reading-disabled students; reading/study skills improvement; 8809468
- reading research; verbal report data use; benefits/limitations; methodology components; 8807610
- reading resource room organization; basal text use, readers' frustrations; 8802712
- reading retardation/IQ score classification; "Isle of Wight" studies, M. Rutter's/W. Yule's review; "retarded"/"dull" distinction challenged; reading score ceiling effect; 8802772
- reading selection previews; uses/effects; 8807778
- reading skill development, reading materials/negative impact, independent reading/reading comprehension emphases; National Commission on Reading report; 8805386
- reading skill development; direct instruction skills plan proposed; 8800485
- reading skill development; storyhour/book borrowing program effects; first-grade children; 8802821
- reading skill improvement, writing skill effect; pre-/postcompositions analyzed; ninth-/tenth-grade classes; Davis Reading Test; 8802885
- reading skills instruction, comprehension deficient methods; 8805383
- reading skills, partially sighted students; integrated education implications; optical aids need; 8802768
- reading speed/efficiency, Nigerian/British students compared; differing background effects; secondary school students; 8807618
- reading strategies instruction, Israeli English as second language students; thought quality/approach; 8805128
- reading strategies, gifted learners, research-based approach; learning style characteristics/preferences; 8805276
- reading strategies, gloss technique; gloss implementation stages; 8805353
- reading strategies, psycholinguistic focus; literature review; 8805354
- reading study strategies, self-questioning/summarizing; freshmen/sophomore developmental reading course students; 8807821
- reading teacher qualifications; mock interview; 8807726
- reading teacher services; marketing approach; 8807670
- reading teachers' goals; children's interests/needs; 8802721
- reading teaching methodologies; philosophical foundations; 8807658
- reading testing; product/in-process assessment relationships; third-grade students; 8805492
- reading theories instructional practice; reader's background knowledge/text organization, theory application; 8805278
- reading theory, reading achievement assessment; cognitive approach implications; 8802707
- reading tutorial; peer tutors; reading ability/attitude effects; fifth-grade tutors, second-grade students; 8802455
- reading, pleasure/work; motivating factors; 8800537
- reading, science instruction; U of Colorado Science Meta-Analysis project; 8805332
- reading, social process; social context/cultural/sociocognitive aspects; 8802799
- reading-writing instruction; Kirundi-speaking elementary school students; suprasegmental elements; 8804888
- reading/cognitive remediation; disadvantaged Israeli adolescents; 8807697
- reading/compositional approach, practical/theoretical aspects; reading-writing relationship; 8805343
- reading/content area instruction; scientific method applied; 8805311
- reading/English curriculum; determining factors; negotiated curriculum notion; survey, Australian primary/secondary teachers; 8807630
- reading/language development; learning-disabled elementary students; standard/special education curricula compared; 8804607
- reading/language instruction, microcomputer use; R. P. Taylor's tutor/tool/tuttee framework; 8807615
- reading/language treatment, integrated approach; listening-/language-disabled second graders; 8807732

- reading/learning style, poor readers; aptitude-treatment-interaction research, R. Dunn's/K. Dunn's learning style model; 8802701
- reading/literary theory relationship, reader-text-writer; perception modalities; social institutions role; 8801863
- reading/metalinguistic awareness; phonological awareness role; language-/reading-impaired students; 8809470
- reading/primary school success; student reading conceptions/school reading experiences; second graders; 8802800
- reading/self-concept, Hispanic/non-Hispanic students; bilingual instructional mode effects; ninth-grade monolingual English/Spanish, bilingual students; Comprehensive Test of Basic Skills; 8802709
- reading/spelling connections; phonological awareness, letter string memory; beginning readers, chronological study; 8805281
- reading/study procedures updated; ReQuest, CAT, GRP, REAP; metacognitive processes; 8807700
- reading/study skills learning, objectives sequencing; classified scaling application; 8802725
- reading/writing difficulties, remedial technique; VAKT methodology; tactile modality/right hemisphere emphasized; 8805280
- reading/writing instruction, secondary school contexts; life-long developmental process; 8802735
- reading/writing instruction; communicative approach described; 8804879
- reading/writing instruction; language views' influence; literacy models; 8800011
- reading/writing instruction; psychogenetic/psycholinguistic studies; 8800499
- reading/writing pedagogy; microcomputer applications; software evaluation; 8805269
- reading/writing reversals, reduction techniques; classroom/clinical situations use; 8802727
- reading/writing skill improvement, state governors'/educational leaders' opinions; questionnaire data; targeted monies, class size reduction, teacher education, home help issues; 8804881
- reading/writing skills improvement; free-response/opinion-proof instructional sequence; secondary language arts classes; 8807733
- recall performance; prose learning variables' effect, student knowledge; sixth graders; 8805294
- Reciprocal Questioning Procedure; questioning ability/reading comprehension improvement; 8807696
- reciprocal teaching technique, illiterate adults; metacognitive intervention effectiveness, inconsistent results; comment; 8807667
- remedial readers, poor long-term memory, basic sight vocabulary; cerebral hemisphere functioning/coordination; 8802865
- remedial reading instruction, computer applications; commercial programs; 8802790
- remedial reading instruction; critical listening/critical reading; 8807625
- remedial reading teacher burnout; prevention, supervisor's role; 8807634
- remedial reading/English instruction; junior high/high school students; structure/scope; literacy assessment; 8802711
- remedial teaching strategies effects, reading-disabled children; word recognition; Kaufman Assessment Battery for Children scores; 8809477
- remedial writing exercises, reading program incorporation; 8802717
- retelling, college reading programs, student skill assessment; checklist/holistic scoring; 8805308
- retelling, reading comprehension/text recall effects; generative learning strategy; fourth-grade students; 8802714
- reversal error correction techniques; spatial orientation theories; remedial suggestions; 8802732
- Russian as a second language, reading comprehension difficulties; Soviet foreign graduates; scientific texts; 8802471
- Saramaccan (Suriname) transitional primer; English translation; 8800510
- second-language instruction, reading aloud vs reading out loud, pronunciation/reading comprehension teaching; 8805058
- second-language instruction, reading comprehension testing/training; reading process analysis; methods/materials suggested; 8807751
- second-language reading comprehension, principal textual themes identification; methodological suggestions; Russian text, German students; 8805047
- second-language reading instruction, methodology effects; experimental reading activities; first-/second-lang reading process theory; U-level French as a foreign language students; 8805143
- second-language reading instruction/strategies; background knowledge activation, linguistic/cultural/process strategy advance organizers; 8805367
- second-language reading process; native-/second-language reading comparison, interference phenomena; 8802528
- second-language reading; English for special purposes; research directions; 8802488
- secondary reading instruction; individual contract use; 8807677
- secondary reading program, organization/scheduling, student/content area teacher needs; 8805377
- secondary school reading programs; necessary elements; 8807689
- segmental analysis/alphabetic literacy relationship; interactive perspective; comments; reply; 8805451
- self-concept levels/reading attitudes/learning styles, remedial/regular U freshmen; Tennessee Self-Concept Scale, Mickulecky Behavioral Reading Attitude Measure, "learning style indicator"; 8805300
- self-concept/reading achievement, eighth-grade low reading class students; statistical analysis; disassociation/instructional implications; 8802726
- sentence development, visual-spatial technique; poor readers/writers; 8802763
- shared book experience approach, preschool literacy activities; other language experience approaches combined; reading readiness/literacy achievement facilitation; New Zealand program; 8802787
- Shaughnessy, Mina P., *Errors and Expectations: A Guide for the Teacher of Basic Writing*; review article; 8800566
- sight word reading instruction, moderately retarded students; constant time delay/least prompts system compared; 8809497
- Southern Sudan Local Languages Literacy Project; reading materials development; 8800507
- Spanish free-reading sessions, English reading achievement/interest; bilingual US Hispanic students; 8802761
- specialist reading journals; usefulness; sources; 8807679

- spelling knowledge, reading learning; phonics instruction relationship; visual/phonological word recognition, initial reading errors literature; 8802713
- spoken/written language differences, theoretical approaches, beginning reading instruction; cuing system/content/structure/purpose/function differences; 8805260
- staff development, reading education; disabled reader; 8802757
- story comprehension/recall; story grammar, schema theory notions; third graders; Southgate Word Selection Test, Sentence Completion Test; 8807757
- story comprehension; story structure/questioning strategy effects; directed reading activity; kindergartners; 8807709
- story schema; reading/writing instruction technique; 8807673
- story schema; story grammar theories; reading instruction implications; 8808390
- story structure, teaching strategies; 8807744
- storytelling as reading motivation; 8807611
- student-directed reading groups; material selection, presentation planning; fourth-twelfth grades; 8807623
- study skills instruction, sixth-grade students, commitment/success; 8805361
- successful reading pedagogy; printed material, children's preschool familiarization, parent's role; classroom methodology suggested; 8802692
- summarization skills, instruction process; summary task data; fourth/fifth graders, bright high school seniors, average/below average college freshmen, professionals; 8805475
- sustained silent reading programs, accountability/teacher effectiveness/formal-informal instruction debate; 8805358
- sustained silent reading programs, effectiveness studies findings; word recognition, reading comprehension, attitudes; 8805379
- sustained silent reading, interest decline; reestablishment techniques; 8805365
- sustained silent reading, previous research data; SSR implementation/evaluation; 8805360
- teacher beliefs/conceptions; reading theory; four-year study; 8807655
- teacher explanation/student metacognitive awareness; reading instruction; fifth-grade teachers; 8802691
- teacher interruptions, oral reading instruction effects; self-monitoring method proposed; 8807739
- teacher questions, reading learning; text information type recall; 8807761
- teacher support groups; meaning-centered/student-focused language programs; definition/implementation; reading materials exchange; 8805375
- teacher-parent collaboration, children's reading assistance; home reading intervention; top infant classes; 8802767
- teaching graphically similar words; techniques suggested; 8807734

teaching reading comprehension; cloze exercise use; semantic/syntactic cues; 8807624

teaching sign word reading; progressive/constant time-delay procedures; moderately mentally retarded students; 8809493

teaching text lookbacks; mildly handicapped learners; 8807724

technical writing instruction, reading assignments; engineering students; 8807945

text cohesion; reading comprehension role; 8807742

text construction process; reader interpretation; 8802785

text lookback strategy; remedial readers; 8802715

text patterns, processing instruction; college history texts, research reported; Mexican-Americans; 8807686

textbook difficulties, advanced level texts; sentence length, ambiguity, syntax; 8800506

textbook rewriting, secondary learning-disabled students' level; reading level reduction; 8802750

Third World literacy projects; Western-based programs adjusted; Gambia, West Africa; 8807728

U-based reading clinics, offerings/clients; survey data; teacher training role, program design, methods/materials; 8805277

Ukrainian native language instruction, oral reading benefits; written-oral language relationship, meaning-phonetics relationship, communicative competence development; 8804882

uninterrupted sustained silent reading (USSR) technique; implementation rules, remedial application; 8805330

US Adult Literacy Initiative; professional/volunteer involvement; 8807598

verbal music appreciation, cognitive component; aesthetic framework; 8807717

vernacular language reading instruction; analytical eclectic vs language experience approach; Papua New Guinea; 8805295

visual tracking/reading ability; Pac-Man play effect; second graders; 8807736

vocabulary comprehension/retention; Vocabulary Overview Guide; self-monitoring; 8807635

vocabulary development component, postsecondary reading courses, word knowledge/reading comprehension relationship; questionnaire data; 8805368

vocabulary instruction, research-based methods; reading comprehension relationship; 8807368

vocabulary instruction, student-centered method; intellectual/practical/affective areas; 8805366

vocabulary instruction; context exposures, active thinking; intermediate grade program; 8805335

vocabulary learning strategies; semantic- vs mnemonic-based; high/low achieving fourth/fifth graders; 8807698

vocabulary learning, reading context; incidental word meaning learning; fifth-grade students; 8802730

vocabulary preinstruction effect, reading comprehension, fifth graders; mixed treatment, depth of processing; 8805369

vocabulary teaching; "intelligence" approach; overt/covert strategies; 8805304

vowel R', vowel sounds instruction program; vowel auding ability assessment, rules application; 8802734

whole language classroom; learning-teaching relationship; K. Goodman/Y. Goodman interviewed; 8807380

"whole word" vs "single letter" reading controversy; graphic/semantic information importance; reading/writing as social activities; 8802802

"word" concept; children's difficulties; studies reviewed; 8807681

word decoding; contextual cue use; research applied; case study; Neale test; 8805349

word meaning instruction; concept network experience vs dictionary work vs reading context; fifth graders; 8807659

word recognition skills; parents' contributions; low-income Hispanic first graders; 8800490

word recognition training; decoding skills/OWLS/classroom survival skills programs; accuracy-/rate-disabled dyslexic children; 8809480

word shape use, word recognition; reading task; fifth/seventh graders; 8800488

workplace literacy demands; student preparation techniques; 8807704

writing instruction; writing/reading relationship; media use; 8807644

written retelling task; reading/learning skills assessment tool; 8807878

Reading Materials

basal reader selection; adoption/nonadoption state school districts compared; questionnaire data; 8800509

basal reader syntax/children's oral syntax; grade levels one, two, three; words per T-unit; 8807829

basal readers, quality/knowledge gap; instructional materials, improvement suggestions; 8805394

basal reading programs, writing types; preprimers/second-grade readers; 8802784

basal reading programs; content development/influences, effectiveness, quality improvement methods; 8802749

basal reading textbooks, Native Americans; supplemental literature, realism, Native American characters; 8807787

basic sight vocabulary; familiar words; primary grades; 8807796

beginning readers' expectations; text readability; discourse structure effects; miscue data; kindergartners/first graders; 8807777

beginning sight words instruction, predictable materials/preprimers use; sight word recognition, unknown word strategies, reading task attitudes; first-grade students; 8805282

bilingual reading instruction, Spanish-English; initial reading methods evaluation, materials/application detailed; 8802718

British basal readers; purposeful reading portrayal; series evaluation criteria; 8807780

caption books, beginning reading material; benefits; 8805390

cartoon-illustrated format, limited reading ability audiences; limited-resource/non-limited-resource readers' comprehension compared; 8802747

child language stimulation; picture potency rating; Manzo-Legenza formula; Caldecott Award winning books analyzed; 8805393

children's literature, writing aspects; 8805388

children's reading choices, book responses; Ingham-Clift reading record form; children aged 7-11; 8807773

children's social studies texts; main idea frequency/placement, R. Braddock's topic sentence research replicated; 8807769

classroom literature; student choice approach; selection skill development; 8807774

college study skills instruction; news magazine use; 8807665

computer-assisted reading instruction; integrated materials series development; 8802704

content textbook readability; formulas compared; middle/junior high school; 8807682

decoding/developmental reading programs; "scope and sequence" concept, instruction improvement suggestions; 8805466

educational factors, poor reading; materials/atmosphere/persons involved; teacher's role; 8802683

emerging reading/writing behaviors; encouragement; predictable books; early literacy attempts; 8807608

English as a second language composition instruction; reading journal use; 8807400

English as a second language instruction, literature-language integration; language-based approach; 8802489

FOGINDEX readability formula; microcomputer use; 8807779

folktales rewritten; traditional/modern language; 8807776

foreign-language instruction; beginning levels; authentic texts use; 8802476

foreign-language reading material, genre/comprehension; secondary school students; 8807768

German as a second language, professional education, foreign students; reading/comprehension difficulties, strategies; 8802552

German as a second language, professional schools, foreign students; technical texts difficulties; teaching suggestions; 8802593

gifted children programs; reading interests differences, instructional implications; 8805395

gifted readers, reading program modifications; characteristics/skills development; 8802703

given-new comprehension strategy; good/poor comprehenders; reading comprehension test data; reading materials analysis/comprehension problem diagnosis implications; 8805479

goal-directed reading, attention allocation/performance, age differences; reading comprehension/passage recall task data; fourth/sixth graders, college students; 8805497

high school level reading; student needs, teacher awareness; background establishment; 8805427

high-frequency word identification, basal reading series texts/word lists agreement; sight vocabulary instruction; 8802385

Hindi text readability; cloze procedure, public school text; artificial difficult style; 8800974

illustrations effect, junior high school textbook readability; cloze test data; children aged 8-11; 8805398

informal reading inventories, selection/use; deaf students; reading modality adaptation; 8802789

language development, disabled readers; complex syntactic structures comprehension; C. Chomsky's language development stages; disabled readers aged 6-10; 8802685

language variation research, E.N.G. group (Toulouse); municipal slogans, Revolution-era reading texts; 8801695

language/reading development program, Vietnamese children; basic English vocabulary/grammatical features emphasis, oral English

- communication experiences; 8805376
- main idea identification; instructional explanations; basal reader series compared; 8807781

- reading materials, children's choice encouraged; school library resources; 8807771
- reading materials, difficulty levels/progress groups; error analysis; *Ready to Read* series/new texts compared; 8805496
- reading materials, interest-/age-appropriate books, intermediate-level adult readers; nonfiction books listed; 8805391
- reading pedagogy; textbook terminology analyzed; 8802700
- reading pleasure; H. Steinmetz's theory outlined; didactic application, teacher's role defined; 8802771
- reading practice/interests/materials/preferences, East Germany; statistical/survey data interpretation; 8802780
- reading prediction strategies/predictable materials use, bilingual classroom; Chinese/English-speaking children; 8807805
- reading process; communicative nature; meaning production/reading materials/teaching practices; 8807843
- reading program enlivening; activities/materials suggested; 8802724
- reading research literature, specific information sources; 8805322
- reading resource room organization; basal text use, readers' frustrations; 8802712
- reading selection previews; uses/effects; 8807778
- reading skill development, reading materials/negative impact, independent reading/reading comprehension emphases; National Commission on Reading report; 8805386
- reading skills instruction, comprehension deficient methods; 8805383
- reading teaching methodologies; philosophical foundations; 8807658
- reading textbook teachers' guides, 1920-1980; physical/social/cultural changes; 8802793
- reading-writing relationships, idea generation; text analogies, argument writing; 8807840
- reading/English curriculum; determining factors; negotiated curriculum notion; survey, Australian primary/secondary teachers; 8807630
- remedial reading instruction, computer applications; commercial programs; 8802790
- Russian as a second language, vocabulary teaching/learning; words' elemental parts analysis; grammatical/semantic role; 8800251
- Saramaccan (Suriname) transitional primer; English translation; 8800510
- school book selection; freedom of choice/censorship; faculty selection guidelines; 8807785
- school material censorship; personal beliefs presented; 8807775
- second-/foreign-language reading skills, text type relationship; *ACTFL Proficiency Guidelines* task-based performance standards; U language students; 8807828
- second-language instruction, reading comprehension testing/training; reading process analysis; methods/materials suggested; 8807751
- secondary level disabled readers, materials/instruction; materials location/selection suggestions; 8802786
- semantic mapping, college developmental/nondevelopmental readers; prior knowledge activation; experiments; 8807830
- shared book experience approach, preschool literacy activities; other language experience approaches combined; reading readiness/literacy achievement facilitation; New Zealand program; 8802787
- Southern Sudan Local Languages Literacy Project; reading materials development; 8800507
- Soviet children's books, children's perceptions/realistic literary presentation; English translations, Soviet books; seventh-grade students; 8805396
- Spanish-language text readability assessment; *Perfil 4* (Profile 4); 8802781
- spelling instruction; materials/instructional practices, effective program guidelines; 8806587
- story comprehensibility, revision features; effects; 8807770
- storytelling as reading motivation; 8807611
- "talking books," reading comprehension improvement; reading-disabled boys, grades 4-6; background music effect; 8802779
- teacher support groups; meaning-centered/student-focused language programs; definition/implementation; reading materials exchange; 8805375
- teacher-parent collaboration, children's reading assistance; home reading intervention; top infant classes; 8802767
- text construction process; reader interpretation; 8802785
- text patterns/rhetorical predicates; textbook/workplace occurrence; pattern/context interaction; 8808361
- text readability variation, estimation; LAB Method explained; 8805389
- textbook content analysis; Content Analysis Training Model for Teacher Educators; 8807790
- textbook difficulties, advanced level texts; sentence length, ambiguity, syntax; 8800506
- textbook readability; Brazilian/French elementary school texts compared; 8807786
- textbook readability; reading abilities/course grades correlations; freshman community college students; 8800512
- textbook rewriting, secondary learning-disabled students' level; reading level reduction; 8802750
- U-level composition courses; reading/writing relationship; English as a second language students; 8802919
- vocabulary development component, postsecondary reading courses, word knowledge/reading comprehension relationship; questionnaire data; 8805368

- vocabulary recall difficulty, text comprehension effect, free recall/
summary recall/sentence recognition task data; sixth-grade students;
8805392
- writing instruction; writing/reading relationship; media use; 8807644
- Reading Processes**
- action plan creation, written instructions with conditionals;
unless/prohibitions effects; 8807858
- adjunct story frames; reading preorganizer/comprehension aid use;
fifth graders; 8805463
- adult reading attainment; longitudinal study; NRC National Survey of
Health & Development data; 8802849
- advertising texts, psychosemiotics; iconic/verbal/denotative/
connotative reading/decoding; sex/sociocultural background/
cognitive style; embedded figures test; 8805461
- alphabet, semiotic characterization; visual/kinetic description;
8808931
- ambiguous newspaper headline comprehension; syntactic/problem-
solving hypotheses; 8802393
- ambiguous word processing; eye movement evidence; exhaustive access
model supported; 8807815
- anaphoric reference, model developed; reading implications; 8807839
- anaphoric relations comprehension, skilled/less skilled readers; refer-
ence/ellipsis/substitution/lexical anaphors; children aged 7-8;
8807197
- anaphoric relations comprehension; delayed reference assignment; as-
signment/reading time influence; 8800049
- argumentative text interpretation; argument ordering/conjunction
maar 'but' presence/absence; Dutch undergraduates; 8806026
- Army officer reading-study skills program; learning style assessment/
reading rate improvement data; 8805476
- auditory feedback/writing, learning-disabled/nondisabled students;
written error identification; 8809471
- auditory word recognition, sentence context role; interactive processes
constraints; 8800039
- auditory/visual imagery, word recognition processes; blind/sighted
children mean ages 10.9-12.12; 8802845
- balanced reading program; skill mastery/pleasure reading combina-
tion; reductionist reading theory criticized, strategic view proposed;
8802776
- basal reader treatments; achievement/reading style relationship; sec-
ond-grade children; 8802858
- basal readers, quality/knowledge gap; instructional materials, im-
provement suggestions; 8805394
- beginning readers; given-new strategy; conversational implicature;
8800522
- bigraphic Spanish words, Buenos Aires dialect texts; frequency/key
characteristics; semantic syntactic marker use; 8802796
- bilingual reading skill acquisition; English-/Hungarian-speaking child;
Look and Say method/phonetic practice; 8800622
- Braille reading speed; stimulus degradation, misspellings, context
change effects; 8805450
- Brazilian reading research; verbal report techniques use; cognitive pro-
cessing; 8800518
- children's language use; qualitative differences; good/poor readers;
story recounting task; 8800095
- children's reading awareness/comprehension skills, metacognition/
performance relations; third/sixth graders; 8802838
- children's reading comprehension; anaphora/age/prose genre effects;
elementary school students; 8802831
- children's scholastic performance; sociocultural factors; schema theory;
decontextualized discourse acquisition; 8800015
- children's word reading; environmental print identification effect;
sign/logo recognition; preschoolers; 8807602
- cloze technique; minimally educated adults' problems; open-ended in-
terviews; 8805485
- cohesive narrative text reading; English determiners, miscues analyzed;
transactional/constructive reading model supported; 8802817
- comprehension monitoring strategies; disabled/nondisabled readers;
eye movements/error recovery; 8805419
- comprehension strategies, monitoring; unfamiliar text material, experi-
enced adult readers; intra-/extra-text strategies; 8807847
- computer-assisted reading/writing instruction, English-language soft-
ware, Spanish-language application; 8802684
- computer-based reading time methods, ecological validity; basic re-
search reading paradigms; 8802794
- computer-generated personalized stories, comprehension/interest; sec-
ond graders; 8807802
- computer-presented text material, reading efficiency; task analyses;
human information processing implications; 8802863
- content area reading model evaluated; Peters Content Processing
Model; text-dependent/-related skills; 8807642
- context-based language study; language learning/discourse analysis/
grammatical theory; 8808409
- cooperative studying; learning/teaching scripts, different effects; initial
recall/learning transfer; 8807160
- creative reading instruction, high school; 8802687
- cross-case matching abilities development; letter identification process,
nonphonological basis; 8800538
- cursive script reading; multi-level perception; representational hierar-
chy; learning modes; 8800543
- cursive/manuscript writing; recognition ease compared; profoundly
deaf children; 8804102
- decoding/developmental reading programs; "scope and sequence" con-
cept, instruction improvement suggestions; 8805466
- depth processing/text recall relationship; three age groups; German
adults; 8807595
- developmental dyslexia etiology; other reading disability forms com-
pared; 8807059
- developmental dyslexia, acquired dyslexia differences; single word
reading task; dyslexic boys/normal equivalent age readers/younger
equivalent reading age readers; lexicality effects; 8809466
- developmental lag hypothesis, reading; nondyslexic reading problems;
third-/fifth-/seventh-grade children; 8802857
- disciplinary literacy development; first year rhetoric doctoral student;
case study; 8802887
- discourse comprehension; story grammar problems; sequential process-
ing model proposed; 8803469
- dyslexia; Boder test diagnosis/hemisphere arousal relationship; read-
ing-spelling patterns; 8802179
- dyslexic children's reading attainment; specific teaching effects; read-
ing/spelling; 8807073
- dyslexic readers' reading comprehension, prediction/diagnosis; initial
reading level/IQ score; M. Condemarin's/M. Blomquist's decodifica-
tion test; Wechsler Intelligence Scale for Children-Revised; Santi-
ago (Chile) normal/dyslexic preschool/elementary students;
8800483
- early reading development; Gough/Hillinger two stage model sup-
ported; 8802856
- early segmentation abilities; Italian-/English-speaking children com-
pared; phoneme/syllable differences; 8802294
- Eco, Umberto, *The Name of the Rose*; implicit semiotics; interpreta-
tion pragmatics, culture theory; 8806856
- effective reading strategies; graduate student journals; reading com-
prehension/instruction implications; 8807816
- encoding strategies, native/nonnative Chinese Mandarin readers; word
recognition tasks; error analysis; proficient US/native readers;
8807818
- English as a foreign language acquisition; reading obstacles, affective
factor; native Hebrew speakers; 8802655
- English as a foreign language reading; cultural knowledge role; read-
ing comprehension improvement; 8800395
- English as a foreign language; reading comprehension; schema theory/
discourse analysis; advanced Thai students; 8800412
- English as a second language; reading achievement; computer-assisted
instruction effects; 8800493
- English as a second language; spelling competence/voluntary reading
relationship; 8805078
- English orthographic structure sensitivity, poor/normal readers; word
categorical grouping task; second/fourth/sixth graders; 8807836
- English reading intonation; D. Brazil's theory critically examined; in-
tonational superordination/subordination/equivalence, A. Fox's/H.
E. Palmer's notions applied; 8803034
- English vocabulary learning; successive/simultaneous processing com-
pared; Chinese bilingual students; 8802837
- English/Japanese expository texts; structural aspects compared; coher-
ence markers; scrambled paragraph reordering; 8806385
- expository passage comprehension; previewing effects; above/below av-
erage seventh graders; 8802843
- expository prose comprehension; reading schemata transfer; English as
a second language readers; writing recall tasks; 8800409
- expository text comprehension; prior topic/text structure knowledge
contribution; fourth-grade proficient readers; 8802897
- expository text recall/production; discourse structure summarization
training effects; college freshmen; 8802395
- expository text recall; top-level structure use; normal/learning-disabled
college students; 8805458
- eye movement control, reading perceptual span; saccade length/word
examination time; 8802841
- fast mapping, novel words, oral stories; first/third/fifth graders;
8807808
- foreign-language learning research; introspective methods; reading/
word-solving strategies; 8805203

- foreign-language pedagogy; newspapers use; 8800261
- foreign-language reading instruction, reading strategy use; French as a foreign language students; 8807512
- foreign-language reading, student competence improvement; reading process components; 8800332
- friendly words, readability; orthographic sequences; children aged 8:4-10:4; 8804768
- generation effect, word recognition inhibition; complete word processing, imagining effect; 8807798
- German as a second language instruction, Arabic students; text reception/comprehension difficulties; 8802472
- German as a second language, professional education, foreign students; reading/comprehension difficulties, strategies; 8802552
- gifted readers, reading instruction; interactive processing emphasis; 8805381
- given-new comprehension strategy; good/poor comprehenders; reading comprehension test data; reading materials analysis/comprehension problem diagnosis implications; 8805479
- goal-directed reading, attention allocation/performance, age differences; reading comprehension/passage recall task data; fourth/sixth graders, college students; 8805497
- hand movement training, Braille reading; perceptual ability effect; blind children aged 6-13; 8802862
- hand preferences/reading skills; braille readers; strategic preference view supported; Slosson Oral Reading Test; 8800169
- headings use, text search strategies; fourth/sixth/eighth graders; 8807824
- hedges, readers' information learning; composition class implication; ninth-grade students; 8807809
- hemispheric specialization, letter matching, beginning readers; fixed/plastic structural models compared; kindergarten-second-grade children; 8807332
- high school level reading; student needs, teacher awareness; background establishment; 8805427
- hyperlexia; reading skills/word knowledge/comprehension; developmentally delayed/language-disordered children; 8800110
- illustrations effect, junior high school textbook readability; cloze test data; children aged 8-11; 8805398
- inference concept activation; coherence effects; lexical decision/naming tasks; 8807166
- inference training techniques, children's expository text comprehension; structural overview/cloze treatment, below average readers; sixth graders; 8805408
- inference, reading comprehension process; information types; 8800542
- information retrieval, written/aural sources; normal readers aged 7-9; recall responses; 8802824
- inner speech/oral language/reading; theories contrasted; E. B. Huey, L. S. Vygotsky, J. Piaget; 8807859
- interactive reading instructional model; active comprehension; story structure, declarative knowledge/question generation; 8805385
- Japanese aphasics; discourse reading comprehension ability; 8806996
- kindergarten reading, decoding strategies; teaching implications; 8805380
- lateralization patterns; prose material spatial configuration manipulation effects; short-term memory/verbal facility; 8805415
- learning modalities, reading/word recognition, ethnic groups comparison; Anglo-American/Black American/Mexican-American first graders; 8807854
- learning-disabled students; reading comprehension improvement; monitoring strategy; 8802176
- learning-disabled students; reading comprehension; questioning mode/ placement effects; 8807071
- leisure reading/home environment; process variable identification/ measurement; parental encouragement effect; fifth graders; 8802836
- letter processing, dyslexic subgroups; cognitive strengths/weaknesses tested; Boder/Jarrico Reading-Spelling Pattern Test challenged; 8802770
- lexical access; encoding cue use; verbal ability tests/lexical decision tasks; adult readers; 8805423
- lexical memory, developmental differences; category cue use; second/sixth-grade poor/normal readers; 8807853
- linguistic cohesion; reading/writing ability; instructional implications; 8807820
- linguistic context use, good/poor reader strategies; preceding/succeeding contexts, background knowledge; children aged 7/8; 8802753
- literacy conceptions, first graders; reading instruction method effects; 8807253
- literacy, US; C. J. Swearingen's/T. J. Farrell's/B. Daniell's views examined; 8800513
- literacy; Great Leap Theory rejected; orality/literacy dichotomy refuted; 8800519
- literary texts as closed system; reading processes equifinality; 8802851
- major idea recall, prose material; related/unrelated detail effect; 8807290
- math story problems, analysis/instruction, verbal reasoning; SQ3R/inference awareness, teacher preparation; 8804897
- McCall, W./Smith, E./Palmer, B.; *Test Lessons in Reading Figurative Language* reviewed; 8802765
- meaning role, binocular rivalry; dichoptic reading tasks; 8807800
- minimum competency testing; US survey; promotion/remediation criterion; 8807869
- mirror-reversed text reading; sinistral inferiority; R. Tankle's/K. Heilman's results compared; 8802418
- miscue analysis, blind braille readers; Reading Miscue Inventory; 8807848
- motor imaging, reading vocabulary strategy; definition + psychomotor meaning; 8807804
- narrative comprehension/production, developmental differences; reading-disabled/normally achieving children aged 6-7; 8802814
- narrative comprehension; character tracking; pronouns/perspectivized descriptions/scene continuity cues influences; 8804692
- narrative recall; J. Mandler's/W. Kintsch's text models compared; immediate/delayed protocols; 8800114
- narrative text reading study; recent advances, overview; schema theory; 8801023
- negatives, literary stylistic use; reader involvement strategy; English literature examples; 8805404
- normal reading, phonology role; homophony/rhyme judgments, articulatory suppression effects; 8804848
- oral reading behavior/reading views; good/poor readers, linguistic cue use, meaning/decoding orientations; 8805406
- oral reading error analysis; synthetic-phonics approach students; contextual/graphic constraints; 8807803
- oral reading problem solving strategies, first graders; error analysis; 8805446
- oral/written language comprehension; processing strategies, constraints, perceptual/cognitive aspects; 8804894
- orality/literacy; euphemisms use, military/defense terminology; response; discussion; 8800525
- orthographic codes, auditory modality; braille/print compared; blind/sighted girls aged 17-19; 8807321
- orthography; phonemic basis; reply to M. Barbosa da Silva; 8805637
- paired/relaxed reading methods, parental involvement; children aged 8:7-10:4; 8805444
- paragraph processing, study guide; text relationship understanding, comprehension/recall enhancement; 8805373
- passage recall; text structure instruction effects; graphic organizer/sentence connectives/free recall tasks; fifth/sixth-grade readers; 8804834
- perceptual grouping processes; good/poor readers; selective attention task; children aged 9-10; 8805482
- phonemes; speech production/perception; phonemic segmentation/reading skills relationship; 8800540
- phonemic awareness development, reading acquisition effect; kindergarten/first-grade children; 8807810
- phonemic codes use, age/reading skill differences; short-term retention task data; disabled/average/above average readers, grades 2/4/6; 8802798
- phonemic processing; developmental lag; poor readers; 8807797
- phonetic similarity effect, early reading acquisition; kindergarten/first/second-grade children; 8807827
- phonics/reading instruction, phonetics/phonics confusion, theories/implications; linguistic-informed phonics system described; K. Goodman's reading theory; 8805341
- phonological coding, normal/dyslexic reading; developmental bypass hypothesis tested; readers aged under 12-over 18; Wide Range Achievement Test, Woodcock Word Attack Test; 8805656
- phonological/whole-word reading processes use; specific reading retarded vs reading backward 13-year-olds; 8805420
- phrase processing; phonological recoding vs direct access; previous exposure effect; 8807862
- printed school English; vocabulary size; 8807835
- printed word recognition; sentence context effects; lexical access/physical word features; 8802274
- printing; visual reading association; 8806585
- prior knowledge effect, question answering, good/poor readers; fifth-grade students; 8805318
- prior knowledge role, knowledge acquisition from text; text base, situation model, knowledge representation; 8807281

- problem-guided reading, college math-related courses; problem-solving emphasis, mathematics texts; 8805324
- proficient reading; strategies/knowledge use; pedagogical implications; 8807718
- program comprehension; theoretical framework developed; text analysis methodology; recall coding; 8800138
- prose memory enhancement; metaphor effects; positive memory strategies; immediate/delayed recall; 8800133
- prose processing, disabled readers; multiple baseline design/cognitive training; 8807850
- prose processing/recall; adult age differences; narrative/expository text types; 8802400
- prose reading, self-questioning strategy; sixth graders; 8807652
- reader processing strategies; text difficulty effects; field-dependent/field-independent adolescent students; 8802815
- reader strategies, word solving, context effects, text familiarity, problem-solving skills; 6-year-olds; 8805447
- reading ability development, adults; child development compared; 8805249
- reading ability differences, phonological/lexical reading routes; impaired/normal/superior readers compared; 8807834
- reading ability variance, word decoding skill, context/memory/comprehension effects; 8805472
- reading ability, academic learning role; reading skill development technology; 8802832
- reading ability, individual differences; reading comprehension/linguistic awareness, reading skill/syntactic processes; 8807811
- reading ability, visual dysfunctions effect; classroom recognition; 8805448
- reading ability/memory, procedural/declarative knowledge, procedure model; 8805440
- reading ability; oral language connectives use/recognition relationship; second graders; 8802810
- reading achievement/locus of control; reading methods effects; learning-disabled students; 8802177
- reading achievement/metalinguistic awareness; reading readiness, socioeconomic status relations; kindergartners/first graders; 8807263
- reading achievement; Hispanic English as a second language students; cognitive strategies role; 8805456
- reading achievement; visual-auditory cross-modal integration relationship; learning-disabled/average/poor readers aged 9-11; 8800516
- reading acquisition, individual learning curves; different teaching methods effects; Dutch first graders; 8805435
- reading acquisition, intention/expectation role; induced intention/comprehension; 7-, 8-year-olds; 8800528
- reading acquisition, speech perception/memory/IQ relationship; 6-year-old boys; 8807151
- reading acquisition; decoding, reading skill development, literacy definition; lexical access issues; 8805459
- reading acquisition; words as programs; brain as pattern detector; instruction implications; 8807817
- reading activities, social contexts; educational planning implications; 8804201
- reading as discourse act; rhetorical reading strategies; pedagogical implications; 8805428
- reading as individual/text confrontation; J. Piaget's/N. Chomsky's theories compared; 8807807
- reading attitudes, developmental changes; F. Wallbrown's/D. Brown's/A. Engin's survey data; fourth/fifth/sixth graders; 8802695
- reading attitudes, eight dimensions; normative data reliability; fourth/fifth/sixth graders; 8802823
- reading comprehension changes, individual elementary students; longitudinal study; 8807842
- reading comprehension development component processes; structural modeling; learning-disabled children aged 6-11; 8802830
- reading comprehension instruction; traditional methods criticized/alternative constructive approach sketched; 8807631
- reading comprehension measures; total random cloze format vs correctional cloze testing; 8807870
- reading comprehension monitoring strategies; cultural schemata effects; American/Palauan proficient eleventh-grade readers; 8802846
- reading comprehension performance; passage variables/question types/format variables effects; successful/unsuccessful readers; 8802807
- reading comprehension processes; current research, text meaning construction; 8802813
- reading comprehension processes; teacher influence, meaning source/comprehension process choice; fourth graders, teachers; 8805453
- reading comprehension research; educational publishing implications, knowledge/structure/metacognition theories; 8805412
- reading comprehension strategies, metacognitive curriculum; third-/fifth-grade students; 8807719
- reading comprehension teaching; psycho-pedagogical analysis model; relevant characteristics; 8800501
- reading comprehension tests, German; psycholinguistic models; 8805493
- reading comprehension theory/practice, theoretical debates, commercial reading program analyses, evaluative research emphasized; 8805436
- reading comprehension, children's monitoring; reading ability/context effects; inserted cloze task; Australian children levels 3 & 4; 8807822
- reading comprehension, content fields effect; psycholinguistic study; fifth-grade high/average/low ability readers; prior knowledge/interest roles; 8802819
- reading comprehension, hearing-impaired adolescents; information content/syntactic complexity/format effects; profoundly deaf students aged 12-16; 8804504
- reading comprehension, morphemic orthography; automatic processing hypothesis tested; Chinese lexicon access; 8802829
- reading comprehension, perceptual connectives; good/poor fourth-grade readers compared; 8803448
- reading comprehension, selected context factors; high-average/low-average fifth-grade readers; 8807795
- reading comprehension, sentence-combining research; exploratory review; 8807845
- reading comprehension/linguistic awareness relationship; common processing skills; 8-year-old children; 8807799
- reading comprehension/polysemic word knowledge, poor readers; vocabulary instruction suggestions; 8807837
- reading comprehension/response; fourth/sixth/eighth graders compared; symbolism/metaphor comprehension differences; 8802806
- reading comprehension/short-term memory function; lateral preference; fourth-grade boys; 8802852
- reading comprehension; information processing model; passage emotional orientation effects; fourth-grade readers; 8805481
- reading comprehension; Kintsch's reading model, instructional implications; 8805464
- reading comprehension; language skills/cognitive processes relationship; poor-reading high school students; 8802853
- reading comprehension; metacognitive awareness/self regulatory mechanisms utilization; seventh-grade good readers; 8802797
- reading comprehension; monitoring strategies; summarizing, question types; 8805312
- reading comprehension; pre-reading orientations effects; sixth-grade able readers; 8805421
- reading comprehension; schema theory; adult/precocious good readers; 8802835
- reading comprehension; text presentation format effects; rapid serial visual presentation limitations; 8800529
- reading comprehension; word knowledge relations; cloze/modified cloze/multiple-choice/free response task formats; good/poor readers compared; 8802808
- reading comprehension; working memory capacity; reading time experiments; 8805425
- reading deficits, learning-disabled children; attention/memory/syntactic awareness problems; prose decoding task; 8804588
- reading deficits; adult developmental dyslexics/acquired dyslexics compared; reading aloud/single word comprehension; information processing model; 8802182
- reading disabilities, English script role; language differences, reading difficulty/ease; 8804608
- reading disabilities; cognitive skills/hemispheric specialization relationship; good/poor male readers aged 8-12 years; 8805434
- reading disability treatment; palliative/direct action stress-reduction procedures; electromyocardiograph biofeedback/relaxation training/remedial teaching compared; fourth/fifth graders; 8802855
- reading disability, future work speculations; early diagnosis/intervention; 8802731
- reading encoding processes; expert knowledge consequences; semantic activation/working memory; 8800526
- reading errors/style, changing pattern, age differences; Schonell Graded Word Reading Test, Neale Analysis of Reading Ability, Raven's Colored Matrices, Schonell Spelling Test; reading ages 5-11 years; 8805429
- reading fixations; information utilization; variable utilization time hypothesis supported; 8800514
- reading habits formation, home/school environment roles; school library/reading achievement; 8802850
- reading instruction; stylistic comprehension/expression; innovative book report form; Brazilian high school classroom; 8800486

- reading knowledge evolution; psycholinguistic/cognitive strategies; early reading process components; 8800517
- reading learning; cognitive/affective aspects; remedial methods; Adlerian framework; 8805339
- reading pedagogy; textbook terminology analyzed; 8802700
- reading performance; advanced organizers effects; English/Portuguese scientific texts; Brazilian U students; 8807832
- reading performance; differential hemispheric preference; rhyme/shape matching tasks; good/poor readers aged 10-12; 8800535
- reading performance; extraversion/sex difference effects; children aged 7-8; Junior Eysenck Personality Inventory, Burt Graded Reading Test, NFER Reading Test 2, Neale Analysis of Reading Ability; 8802848
- reading performance; phonetic factors role; verbal short-term memory task; good/poor beginning readers; 8800515
- reading performance; student-generated analogies effect; analogy-based/conventional instructional methods compared; sixth-grade students; 8800539
- reading pleasure; H. Steinmetz's theory outlined; didactic application, teacher's role defined; 8802771
- reading prediction strategies/predictable materials use, bilingual classroom; Chinese/English-speaking children; 8807805
- reading process selective nature; cognitive economy principle, reader's objective/information type; 8805454
- reading process understanding, preservice teachers; psycholinguistic research effects; 8805310
- reading process, meaning component; 8800541
- reading process, time measures; eye movement data; 8805405
- reading process/comprehension; text presentation rate/amount effect; rapid serial visual presentation technique; undergraduate poor/good readers; 8802801
- reading process; communicative nature; meaning production/reading materials/teaching practices; 8807843
- reading process; communicative nature; text analysis, semiotic approach; 8807371
- reading process; dynamic/interactive nature; text production relationship; 8807819
- reading process; ethical obligation; literature, social function/deconstructive reading; 8800530
- reading process; literary work apprehension; cognitive processes; text-reader interface; 8800520
- reading process; metacognitive strategy reports; eye movement validation; 8802877
- reading process; phonemic awareness relationship; early readers; 8802860
- reading process; text-/reader-based concepts; literary theory parallels; 8800524
- reading processes, conceptual tempo; advanced reading tasks; reflective/impulsive sixth graders; 8805465
- reading processes, early stages; associated skills; longitudinal study, 5- to 7-year-olds; Weschler Intelligence Scale for Children; 8805418
- reading processes, high/low divergent thinkers; memory differences; sixth-grade students; 8802811
- reading processes, inference types, narrative information representation; inference predictability; 8805469
- reading processes, main idea identification; text features, summary writing; 8807856
- reading processes, redundancy/word perception, visual information extraction; reading test/eye movement data; 8805484
- reading processes; multiple mental functions; "partial" vs "thorough" reading; material-oriented strategies; 8807727
- reading processes; normal/dyslexic readers similarities; P. Bryant's/L. Impey's study discussed; 8804591
- reading programs, aptitude-treatment interaction, behaviorally oriented/rich language experience formats, achievement outcomes; sixth graders; Matteson/Scott Foresman programs; 8805306
- reading programs, structured/holistic approaches alternation; sustained silent reading adaptation; 8807653
- reading progress, social/emotional attitudes, bibliotherapy method; academic achievement/mental health; 8805345
- reading progress; intelligence/cognition relationship; first-, third-, fifth-grade children; 8807849
- reading rate; prompting effects; Israeli first-grade students; 8802694
- reading recall; domain knowledge effects; reading span task; 8807184
- reading regulation processes; high-/low-cohesion sentences reading time/processing depth; sentence's/reader's semantic representations correlation; 8805478
- reading research literature, specific information sources; 8805322
- reading retardation classification stability; longitudinal study; children at ages 7/9/11; Burt Word Reading Test, Wechsler Intelligence Scale for Children-Revised, Progressive Achievement Test; 8802854
- reading skill acquisition; English as a second language kindergartners; monolingual classroom; observational case study; 8800531
- reading skill development; direct instruction skills plan proposed; 8800485
- reading skill development; storyhour/book borrowing program effects; first-grade children; 8802821
- reading skill; phonemic awareness relationship; first-grade readers; longitudinal study; 8800097
- reading skill; syntactic processing efficiency relationship; temporary structural ambiguity; adult readers; 8805414
- reading speed, real/simulated visual impairment; partially sighted persons; 8802828
- reading strategies, gifted learners, research-based approach; learning style characteristics/preferences; 8805276
- reading strategies, gloss technique; gloss implementation stages; 8805353
- reading strategies; English as a second language learners; C-Test reliability/validity evaluated; new format proposed; 8804647
- reading strategies; highly proficient college freshmen; case analyses; 8802820
- reading study strategies, self-questioning/summarizing; freshmen/sophomore developmental reading course students; 8807821
- reading style/short-term memory; good vs poor spellers; U. Frith's hypothesis tested/confirmed; ninth/tenth graders; 8800027
- reading success promotion; hearing-impaired mother/3-year-old child; 8802059
- reading testing; product/in-process assessment relationships; third-grade students; 8805492
- reading theories instructional practice; reader's background knowledge/text organization, theory application; 8805278
- reading theory, reading achievement assessment; cognitive approach implications; 8802707
- reading theory; meaning inference/context; cloze procedure; 8800536
- reading tutorial; peer tutors; reading ability/attitude effects; fifth-grade tutors, second-grade students; 8802455
- reading, Freudian resistance; classroom activity vs transference strategies; 8801853
- reading, information selection process; summary writing units; good/poor comprehenders; 8807844
- reading, pleasure/work; motivating factors; 8800537
- reading, short-term storage; repetition/interruption conditions; 8802816
- reading, social process; social context/cultural/sociocognitive aspects; 8802799
- reading, theoretical model; language facility/word recognition effects; 8807139
- reading-writing relationship, three theoretical models; developmental comparison; interactive model supported; 8805470
- reading-writing relationships, idea generation; text analogies, argument writing; 8807840
- reading/content area instruction; scientific method applied; 8805311
- reading/information processing relationship, reading speed/comprehension differences; reading task data analysis; 8805457
- reading/language comprehension, psychology; computer-simulated reading comprehension model READER; 8802383
- reading/media cognitive processing; comprehension/memory, text-TV/text-radio compared; third/sixth graders; 8802840
- reading/primary school success; student reading conceptions/school reading experiences; second graders; 8802800
- reading/spelling learning; invented spelling effects; first-grade children; 8800065
- reading/spelling relationship; good vs poor readers; word recognition/oral spelling/written spelling; 8805460
- reading/spelling; multiletter units use; English vowel-final consonant/vowel-initial consonant units compared; 8807851
- reading/spelling; separate lexicons proposed; poor readers' misspellings analyzed; 8802239
- reading/writing models; college remedial students; naturalistic study; 8800527
- reading/writing relationships, reading comprehension development; writing-based procedures suggested; 8802804
- reading/writing, student processes; experienced/inexperienced readers/writers; 8807812
- reading/writing's cognitive strategies; proficient readers/writers; 8805445
- reading; syllable role; Korean Hangul script readability tested; Korean learners; 8802827
- redundancy, reading ability, fifth/sixth graders; reading skill/time differences; 8807801
- residual recall; organizational dimension, sorting/recall task; 8-/10-year-old learning/nondisabled children; 8805474

- response/accuracy/lookback frequency; proficient readers; time/access/question-type effects; undergraduates; 8807794
- retelling process, reading comprehension relationship; comprehending/comprehension differentiated; reader experience relevance; ethnically different readers compared; 8802818
- reversal errors/reading achievement, sex differences; first graders; Jordan Left-Right Reversal Test, Gates MacGinitie Reading Tests; 8802822
- romaji knowledge/English reading ability relationship; Japanese English as a second language students; 8807860
- Russian as a foreign language reading strategies, text-related background information; silent reading task; college students; 8807861
- schema instantiating behavior/cognitive style/reading comprehension relationship; schema theory framework; subjects aged 18-30; 8807852
- science passage recall; topic knowledge/macro-organization effects; fifth-grade readers; 8805403
- second-/foreign-language reading skills, text type relationship; *ACTFL Proficiency Guidelines* task-based performance standards; U language students; 8807828
- second-language instruction, reading aloud vs reading out loud, pronunciation/reading comprehension teaching; 8805058
- second-language instruction, reading comprehension testing/training; reading process analysis; methods/materials suggested; 8807751
- second-language instruction, unknown word's contextual meaning comprehension; premise hierarchy/quantity/quality role; second-language teaching materials selection implications; 8807456
- second-language learning; communicative interactional structure; discourse, dynamic model; authenticity/autonomy/self-directed learning; 8800176
- second-language reading comprehension, self-monitoring; reciprocal teaching/think-aloud procedure; 8807397
- second-language reading instruction/strategies; background knowledge activation, linguistic/cultural/process strategy advance organizers; 8805367
- second-language reading process; native-/second-language reading comparison, interference phenomena; 8802528
- second-language reading processes; interactive model; current research; 8807561
- segmental analysis/alphabetic literacy relationship; interactive perspective; comments; reply; 8805451
- semantic mapping, college developmental/nondevelopmental readers; prior knowledge activation; experiments; 8807830
- semantic processing; retarded adults; Stroop color naming paradigm; readers/nonreaders compared; 8800523
- sentence comprehension; verbal memory components relationship; sentence memory task; skilled/less-skilled elementary school readers; 8804823
- serial recall; good/poor readers; phonetic stimuli similarity; 8805430
- sight word acquisition; word categorization level effect; prereading first graders; 8807694
- silent reading, Ancient Greece; B. M. W. Knox's claims; visual/sound sequence representation; 8806092
- silent reading; prosody, cognitive role; isochronous speech rhythm/linguistic processing; 8802825
- silent word reading, automatic prelexical phonetic activation; backward masking evidence; 8802839
- Spanish orthographic structure acquisition; decoding skill/reading achievement relationship; monolingual children; 8804770
- Spanish-language text readability assessment; *Perfil 4* (Profile 4); 8802781
- specific reading disability subtyping; developmental dyslexia research; interactive reading theory implications; 8802742
- speech perception/reading ability relationship; identification/discrimination tests; first-grade good/poor readers; 8807813
- Standard English acquisition; literate society success; 8800545
- story characters' motives/intentions, reader interpretation/projection; age factor; Dutch 14-/15-/16-/17-year-olds, adults; 8805959
- story memory, perceived/induced structure; recognition task; clustering analysis; 8807284
- story processing; narration/description interaction; reading time/free recall; information importance/semantic role effects; 8803402
- story reading responses; linguistic background effects; bilingual/English-speaking/Spanish-dominant children; 8802355
- subjective reading experience, fiction responses; models/theories/descriptions examined; 8807833
- summarization ability/strategic skill deficit relationship; good/poor eighth-grade readers, adults; 8807857
- summarization skills, instruction process; summary task data; fourth/fifth graders, bright high school seniors, average/below average college freshmen, professionals; 8805475
- summer reading loss; first-seventh grades; 8804758
- sustained silent reading, interest decline; reestablishment techniques; 8805365
- symbol reversal remediation; visual-motor training; first graders; Jordan Left-Right Reversal Test Level 1; 8805316
- symbol reversals/reading achievement; first-grade children; higher order process indicated; 8805431
- syntactic category ambiguity resolution; eye movement, parsing tasks; delay strategy; 8800035
- technical discourse, implied author; reader-text mediation; 8807895
- technical writing instruction, reading assignments; engineering students; 8807945
- Test of Reading Comprehension, subtest scaled scores comparison, intraindividual scores; subtest statistically significant differences table; 8802872
- test performance; language proficiency/reading comprehension, cognitive/linguistic aspects; 8805228
- text cohesion; bottom-up analysis system; cohesive ties; M. Halliday's/R. Hasan's framework; 8805452
- text comprehension evaluation; cloze test procedure; illustrated texts; French-speaking third graders; 8800468
- text comprehension problems, genre-appropriate schema recall; macrostructure model developed; 8808357
- text comprehension/production, performance relationship; children, adolescents, adults; 8807814
- text comprehension/search; reading volume effect, adults, work settings; 8807823
- text comprehension; background knowledge role; reading classroom; 8800498
- text comprehension; cohesion role; native/nonnative speakers compared; 8802619
- text comprehension; conjunctions role; sentence recall tasks; 8807174
- text comprehension; graphic elements role; reader-related variables; 8801085
- text comprehension; segmentation/background knowledge influences; good/average/poor seventh-/eighth-grade readers; 8802833
- text comprehension; short-term memory allocation strategies/text causal structure; free recall protocols; undergraduate psychology students; 8807278
- text comprehension; topic knowledge effects; top-down processes/language learning; 8805422
- text construction process; reader interpretation; 8802785
- text information; importance assessment; novice/expert differences; category membership role; 8807275
- text learning judgments, processing variables effects; rated confidence values/recognition correctness; age differences; third/sixth/eighth graders, college freshmen; 8802389
- text learning; incidental pictorial/verbal adjuncts effects; 8804838
- text lookback strategy; remedial readers; 8802715
- text memory/integration, time of day effect; reading strategy differences; 8807294
- text memory; perspective shifting effects; schematic encoding implications; 8802364
- text patterns, processing instruction; college history texts, research reported; Mexican-Americans; 8807686
- text perception/reproduction relationship; visual-sequential vs normal reading; similar content reproduction found; undergraduates/vocational students; 8802834
- text processing, contextual information effects; text type expectancies; recognition/reproduction tests; 8807314
- text processing/decoding, reader's perspective; emotional/motivational factors; 8807889
- text reading/recall psychological aspects; information size/type, selective attention/retention/reproduction; literature survey; 8805477
- text recall, comprehension; perseverative text processing strategy effects; fifth/sixth graders; 8805439
- text recall; dogmatism/rhetorical structure interaction; 8802847
- text recall; retrieval cues formulation effects; 8804840
- text retrieval; causal connections role; activation spread; 8800130
- text structure awareness, expository discourse recognition/production; high/low ability college students; 8806021
- text structure/reading comprehension; B. Meyer's "Organizational Aspects of Text: Effects on Reading Comprehension and Applications for the Classroom" reviewed; 8802864
- text-learning strategies, good/poor readers; comprehension strategies, meaning-enhancing relationships; 8805471
- typeset line length/text readability; Starch scores, advertisements; 8800532
- U-level composition courses; reading/writing relationship; English as a second language students; 8802919

unfamiliar word meaning; contextual information use; intervention strategies; fourth/fifth/sixth graders; 8805407
 US literacy needs; education system shortcomings; learning theory/child development data; multisensory approach; 8805443
 verbal/nonverbal processing, cerebral lateralization; right-/left-handed good/disabled readers aged 10; 8807331
 visual encoding skills; phonological vs whole word approach; females vs males; 8807855
 visual sequential memory/reading; labeling strategies effects; Barking Reading Project; task analysis/structuralist approaches; 8802805
 visual tracking/reading ability; Pac-Man play effect; second graders; 8807736
 visual/aural word recognition; context effects; sentences/single-word associates; 8802859
 vocabulary test performance, context clues effect, word/paragraph dominant readers; standardized reading test; fifth/eighth/eleventh graders; 8805417
 Wechsler Intelligence Scale for Children-Revised, normal/dyslexic readers; writing/copying speech/recognition memory; third-ninth graders; 8802861
 "whole word" vs "single letter" reading controversy; graphic/semantic information importance; reading/writing as social activities; 8802802
 within-story recalls/idea retention, prose processing; question use; 8807164
 word decoding; contextual cue use; research applied; case study; Neale test; 8805349
 word frequency/reading vocabulary relationship; lognormal model, family frequency concept; fourth- through twelfth-grade students; 8805426
 word meaning learning; word/text properties effects; 8800533
 word processing models, lexical/nonlexical routes; dual-route/analogy models; cross-linguistic evidence; comments, reply; 8802234
 word reading time, text processing research; computer-generated task; 8802842
 word recognition processes, blind/sighted children; semantic processing/work frequency/phonological recoding; blind children mean age 12.2/sighted children mean age 10.6; 8802844
 word recognition subprocesses, speed; reading achievement results; undergraduates; Nelson-Denny Reading Test; 8805411
 word recognition; focal attention/contextual theories; graphic similarity effect; word frequency effect; first graders; 8807712
 word recognition; good/poor readers differences; developmental-interactive hypothesis; 8802363
 word recognition; semantic/syntactic cues; 8-year-olds; Schonell Graded Word Reading Test; 8805433
 word recognition; subliminal verbal priming; phonemic/graphemic/semantic primes; lexical decision task; 8804836
 written content material comprehension; learning-disabled high school students; supplemental auditory information effects; 8802173
 written prose information recall; pictures' effect assessed; 8800112
 written text understanding; practical sociological reasoning use; social ordering; 8806052
 written word acquisition/retention; isolated word vs word-sentence conditions; kindergartners; 8807841

Reading Rate

Army officer reading-study skills program; learning style assessment/reading rate improvement data; 8805476
 braille reading; perceptual strategies/training methods; 8804644
 closed circuit television reading rates, visually-impaired college-bound students; phase differences; 8804623
 computer-based reading time methods, ecological validity; basic research reading paradigms; 8802794
 Neale Analysis of Reading Ability; revision, major features outlined; standardization sample; Australian elementary school children, grades 1-6; 8804649
 propositional representations use, reading rate/retention; sentence length/reading ability variables; third/fifth graders; 8803436
 reading comprehension development component processes; structural modeling; learning-disabled children aged 6-11; 8802830
 reading comprehension; reading theory predictions; reading purpose/speed effect; undergraduates; 8805410
 reading efficiency; comprehension enhancing techniques; adult readers; 8805272
 reading processes, inference types, narrative information representation; inference predictability; 8805469
 reading rate increase, Optacon use; oral reading data; 8804640
 reading rate/written free recall; textual variables' effect; cohesion, reference, predicates, topic; 8807731
 reading rate; prompting effects; Israeli first-grade students; 8802694

reading speed, real/simulated visual impairment; partially sighted persons; 8802828
 reading speed/efficiency, Nigerian/British students compared; differing background effects; secondary school students; 8807618
 reading/information processing relationship, reading speed/comprehension differences; reading task data analysis; 8805457
 word reading time, text processing research; computer-generated task; 8802842

Reading Readiness

children's word reading; environmental print identification effect; sign/logo recognition; preschoolers; 8807602
 early book knowledge; reading performance relationship; parental role; 8807716
 early readers, neuropsychological/environmental characteristics; cerebral hemisphere/home reading factors; preschool children; 8807606
 early reading achievement, teacher predictions; social judgment theory analysis; kindergartners/teacher trainees; 8802871
 early reading desirability, preschool age; precocious readers, intellectual capacity; 8802676
 early reading programs; literacy skills instruction; world schools' failure; experimental programs reported; 8805257
 early reading, deaf children; spoken language acquisition impairment, written language acquisition compared; Swedish hearing-impaired children; 8806966
 early/non-early readers, kindergarten entrants; home/book/learning background effects; 8805262
 emergent literacy, mother-child interaction, attachment security; children aged 1.6/3.6/5.6; reading instruction processes; 8808945
 emerging reading/writing behaviors; encouragement; predictable books; early literacy attempts; 8807608
 English as a second language instruction; Dutch high school, reading readiness tests validation; reading readiness/vocabulary knowledge/IQ relationship; 8802515
 letter-name knowledge; field dependence-field independence/reflection-impulsivity; kindergarten children; 8805259
 literacy conventions, children's knowledge; reading achievement relationship; 8807649
 maternal questions, joint picture book reading; question frequency/type; children aged 1.0-3.2; 8802677
 oral language/reading readiness skills; language-delayed prekindergarten children; senior citizens' oral reading effects; 8800082
 phonemic awareness concept; test reliability/predictive validity; kindergarten children; 8804817
 phonemic awareness development, reading acquisition effect; kindergarten/first-grade children; 8807810
 pre-kindergarten good/poor reading prediction; four-year follow-up program; Holbrook Screening Battery, Stanford Achievement Test; 8802675
 reading achievement prediction, kindergarten children; Kindergarten Teacher Rating Scale validity tested; 8802680
 reading achievement prediction; readiness tests, first-year instructional programs; 8805261
 reading achievement, administrator implemented homogeneous/heterogeneous grouping effects; sixth-grade students; 8807607
 reading achievement/metalinguistic awareness; reading readiness, socioeconomic status relations; kindergartners/first graders; 8807263
 reading achievement; linguistic awareness relationship; kindergarten/first-grade/second-grade children; 8802795
 reading activity behavior, first-grade children; 8807603
 reading comprehension readiness, parallel lessons concept; comprehension strategies; 8805264
 reading level/text readability match, standard test score/Fry Readability Graph data use; third graders' oral reading; 8807599
 reading potential measurement; children, adolescents; measures evaluated; 8805263
 reading readiness indicators, alphabet seriation tasks/traditional seriation tasks; Raven Progressive Matrices Test, Gates-McGinitie Word Recognition Test; 8805265
 reading readiness instruction, overall importance; readiness skills, instructional guidelines; 8805346
 reading readiness skill reinforcement, kindergarten; computer-assisted/teacher-directed instruction; 8807601
 reading readiness, cognitive developmental research; conservation skills; D. Elkind's stage structure analysis; 8802699
 reading readiness/home support relationship, kindergarten children; mother's education/copying skills positively correlated; 8802679
 reading recovery, special reading instruction program follow-up study, tutoring impact; 8805285
 segmental analysis/alphabetic literacy relationship; interactive perspective; comments; reply; 8805451

- shared book experience approach, preschool literacy activities; other language experience approaches combined; reading readiness/ literacy achievement facilitation; New Zealand program; 8802787
- spoken/written language differences, theoretical approaches, beginning reading instruction; cuing system/content/structure/purpose/function differences; 8805260
- storytelling as reading motivation; 8807611
- transitional first-grade program, student attitude/readiness scores; 8807604
- word recognition, first graders; cognitive development/sex/abstractness; children aged 5:9-6:9; 8802681
- Reading Testing**
- beginning reading instruction, international trends/needs; survey data; assessment/instruction/trends; 8805286
- bilingual (English-Italian) reading instruction, preschoolers; private project report; pre-/posttest results analysis; 8805533
- bilingual reading instruction, Spanish-English; initial reading methods evaluation, materials/application detailed; 8802718
- blood glucose level fluctuations, reading test performance; diabetic children aged 9-12; 8802875
- cloze deletion patterns; cloze construction; cloze vs MAZE; 8807593
- cloze procedure, disabled reader instruction; activities/procedures; 8802873
- cloze technique; minimally educated adults' problems; open-ended interviews; 8805485
- college reading placement; test score predictions; Verbal SAT, Nelson-Denny Reading Test; 8807874
- community college reading tests; Washington State survey; placement/diagnosis; Nelson Denny Reading Test; 8805502
- content area reading assessment; cloze procedures; secondary students; Slosson Oral Reading Test; 8807865
- decoding, reading comprehension component, secondary students; comprehension test data; ninth graders; 8805319
- early reading achievement, teacher predictions; social judgment theory analysis; kindergartners/teacher trainees; 8802871
- Estes Reading Attitude Scale*; internal consistency reliability/convergent validity; fifth-/sixth-/seventh-grade students; 8802880
- Gates-MacGinitie Reading Tests, Forms 1/3, Level E, readability equivalence; use implications; 8805490
- home reading attitudes, reading stanine scores, writing ability; relationships investigated; 8807605
- informal reading comprehension measures, validity; questions/recall/oral/cloze; handicapped middle/junior high school boys; 8805489
- instructional reading level measures, basal reading level; Wide Range Achievement Test score deviation; second/fourth/sixth graders; 8807628
- Italian foreign-language testing; reading/writing/oral skill evaluation; 8805222
- minimum reading comprehension assessment, prospective teachers; textbook readability; Degrees of Reading Power Test; 8805498
- National Adult Reading Test, inter-rater reliability; pronunciation accuracy; therapy outpatients, clinical psychologists; 8802878
- Neale Analysis of Reading Ability; revision, major features outlined; standardization sample; Australian elementary school children, grades 1-6; 8804649
- nonverbatim cloze responses, program success/student reading instruction needs; hearing-impaired students aged 7-15; 8802876
- out-of-level testing; fourth-/fifth-grade poor readers; Gates-MacGinitie Levels C/D; 8807743
- pre-kindergarten good/poor reading prediction; four-year follow-up program; Holbrook Screening Battery, Stanford Achievement Test; 8802675
- progressive achievement tests, discriminant validity/factorial structure, reading comprehension/vocabulary/listening comprehension; 8805495
- question-answering behavior, metacognition processes, fifth/eighth graders; information sources determination; question-answer relationships, instructional program effect; 8805462
- reading ability prediction; visual-auditory style task performance; third graders; California Achievement Test; 8802868
- reading accuracy/text difficulty evaluation; Rasch's probabilistic model; fifth-/sixth-grade pupils; 8802870
- reading achievement prediction, kindergarten children; Kindergarten Teacher Rating Scale validity tested; 8802680
- reading achievement prediction; Individual Reading Readiness Inventory; subtest use; Metropolitan Readiness Test, Metropolitan Achievement Test; 8800546
- reading achievement prediction; readiness tests, first-year instructional programs; 8805261
- reading achievement tests, format changes effect, learning-disabled students implications; Metropolitan Achievement Test Level E1, Stanford Achievement Test P1; 8805503
- reading achievement, ECRI techniques; test/attitude information; first-/fourth-grade students; 8807864
- reading achievement/attitude correlates; National Assessment of Education Progress scores; 9-year-olds; 8802881
- reading achievement/attitudes, 13-year-olds; Fourth National Assessment data reevaluated; input-output analysis; 8807873
- Reading Comprehension Interview; classroom reading tasks, student perception assessment; intermediate/middle school; 8807880
- reading comprehension measurement, sentence verification technique; good/medium/poor reading third graders; 8805499
- reading comprehension performance; passage variables/question types/format variables effects; successful/unsuccessful readers; 8802807
- reading comprehension testing; exceptional learning disabled/educable mentally retarded secondary school students; testing condition variations; 8805487
- reading comprehension testing; prior knowledge effect; question type; eighth graders; 8805437
- reading comprehension testing; short-context technique; English as a second/foreign language students; 8807872
- reading comprehension tests, German; psycholinguistic models; 8805493
- reading comprehension tests; formation procedures; Venezuelan sixth graders; 8802867
- reading comprehension training/testing, practice materials; 8807752
- reading comprehension/vocabulary tests, cultural bias, progressive achievement tests; item performance analysis; Pacific Island Polynesian/New Zealand European students; 8805486
- reading comprehension; cloze procedures effectiveness; intersentential comprehension; children/adults; 8805494
- reading comprehension; computer-assisted instruction; developmental reading students; sentence combining/main idea reading/cloze procedure; 8805442
- reading comprehension; monitoring strategies; summarizing, question types; 8805312
- reading comprehension; word knowledge relations; cloze/modified cloze/multiple-choice/free response task formats; good/poor readers compared; 8802808
- reading difficulty, essay test score relationship proposition analysis; readability scoring task; 8802869
- reading disability identification; rate of response measures; two-year study; first/second graders; 8805501
- reading errors/style, changing pattern, age differences; Schonell Graded Word Reading Test, Neale Analysis of Reading Ability, Raven's Colored Matrices, Schonell Spelling Test; reading ages 5-11 years; 8805429
- Reading Evaluation Adult Diagnosis; nonreaders-fifth grade level; review; 8807868
- reading gain evaluation, computer use; program described; 8807876
- reading instruction, parental involvement effects; working-class children's reading test performance; Haringey Project compared; 8807680
- reading instruction, unrelated content areas; college reading lab; vocabulary/reading achievement improvement; Nelson Denny Reading Test; 8805315
- reading potential measurement; children, adolescents; measures evaluated; 8805263
- reading problems, early detection; longitudinal study; third-eighth graders; Standard Reading Inventory; 8805303
- reading process; metacognitive strategy reports; eye movement validation; 8802877
- reading proficiency test, motivational test relationship; high school/junior high school students; 8807866
- reading program evaluation, appropriate atmosphere; self-evaluation techniques; 8805355
- reading retardation classification stability; longitudinal study; children at ages 7/9/11; Burt Word Reading Test, Wechsler Intelligence Scale for Children-Revised, Progressive Achievement Test; 8802854
- reading retardation/IQ score classification; "Isle of Wight" studies, M. Rutter's/W. Yule's review; "retarded"/"dull" distinction challenged; reading score ceiling effect; 8802772
- reading speed/efficiency, Nigerian/British students compared; differing background effects; secondary school students; 8807618
- reading strategies; English as a second language learners; C-Test reliability/validity evaluated; new format proposed; 8804647
- reading subtest performance; learning-disabled/regular education students; Wide Range Achievement Test, Woodcock Reading Mastery Test, Wechsler Intelligence Scale for Children-Revised; 8802879
- reading test development/evaluation, low vision macular loss individuals; 8802866

- reading test performance; print vs computer display; Nelson-Denny Reading Test; adults; 8807871
- reading testing, black/white undergraduates, score comparison; classification analysis; National Assessment of Educational Progress findings; 8805491
- reading testing; product/in-process assessment relationships; third-grade students; 8805492
- reading testing; strict/modified cloze procedure; content validity questioned; 8807863
- reading tests; discriminant validity assessed; Woodcock-Johnson Psycho-Educational Battery/California Achievement Tests/Metropolitan Readiness Test; 8802874
- reading theory, reading achievement assessment; cognitive approach implications; 8802707
- reading-disabled children; mental functioning/achievement prediction; Kaufman Assessment Battery for Children validity evaluated; 8804646
- reading/listening skills development, visually handicapped fourth/fifth/sixth graders; verbal intelligence testing variance; Durrell Listening-Reading Series; 8802882
- retelling, college reading programs, student skill assessment; checklist/holistic scoring; 8805308
- Scholastic Aptitude Test performance/reading ability relationship; Metropolitan Achievement Test: Reading; Degrees of Reading Power; high school seniors; 8809533
- second-/foreign-language reading skills, text type relationship; *ACTFL Proficiency Guidelines* task-based performance standards; U language students; 8807828
- second-language instruction, reading comprehension testing/training; reading process analysis; methods/materials suggested; 8807751
- secondary student reading ability, content-area teacher assessments, accuracy/validity; 8805488
- Spadafore Diagnostic Reading Test; review; 8807875
- Spanish Oral Reading Test; English phonics; native Spanish speakers; 8807879
- Test of Reading Comprehension, subtest scaled scores comparison, intraindividual scores; subtest statistically significant differences table; 8802872
- test performance; language proficiency/reading comprehension, cognitive/linguistic aspects; 8805228
- test-taking strategies; reading achievement tests, confidence/carelessness factors; interview data; elementary school children; Stanford Achievement Test, reading subtests; 8805500
- textbook prose proficiency; standardized reading comprehension test, predictive capacity; native/limited English proficiency college students; 8800547
- vocabulary test performance, context clues effect, word/paragraph dominant readers; standardized reading test; fifth/eighth/eleventh graders; 8805417
- written retelling task; reading/learning skills assessment tool; 8807878
- Receptive Language**
- receptive vocabulary; two measures compared; Test of Language Development-Primary, Peabody Picture Vocabulary Test-Revised; 8802220
- Sentence Comprehension Test; Panjabi bilingual version development; child language difficulty assessment; 8800111
- Redundancy**
- acoustic-phonetic decoding; methods outlined; redundancy problem; 8806889
- agreement, subject/verb independence, semantic value basis; independent grammatical systems proposed; 8808179
- English-Bulgarian translation; redundancy/nonredundancy opposition; change-of-state asymmetry; 8803002
- father-infant speech characteristics; mother-infant speech compared; redundancy rate; infants aged 0:2.5-0:9.5; 8806036
- language acquisition; phrase grouping information role; redundant phrase structure cues; 8800092
- reading processes, redundancy/word perception, visual information extraction; reading test/eye movement data; 8805484
- redundancy, reading ability, fifth/sixth graders; reading skill/time differences; 8807801
- spoken message comprehension; auditory comprehension-impaired aphasics; redundant cues effect; 8804579
- text-to-speech systems; psycholinguistic study; perceptually similar words set; 8809284
- Register**
- air-traffic control English, register analysis; lexical/grammatical/discursive aspects; didactic relevance; 8801132
- American language situation; English/native/immigrant languages; language varieties, communicative uses; 8803972
- American Sign Language, English interpretation; lexical suprasegmental register indications; hearing/deaf listeners; 8804351
- American slang, word intensification; *z* addition; 8801597
- American women's language; changing attitudes/practices; R. Lakoff's *Language and the Woman's Place*; 8801719
- aphorisms/mottoes, political/philosophical statements; anti-establishment movements; communicative/social/cultural aspects; 8801777
- Berlin dialect acquisition, kindergartners; Standard/Nonstandard differentiation, colloquial Berlin German preference, code-switching; longitudinal study; 8808780
- Berlin German, variety development history; social/political/geographic factors; speakers migration/stratification; 8809083
- Berlinish-Northern Mark-Brandenburgish contacts; dialect/colloquial speech levels, High German influence; phonetic/lexical approximation; 8808766
- bureaucratic language; functions/effects; 8806641
- business French; quantitative study; business documents analyzed; 8800999
- colloquial gender neutralization; Modern Hebrew/Lebanese Arabic numeral systems; 8800752
- colloquial German cultivation, preliminary remarks; 8809127
- colloquial German; East German linguists' studies survey; 8801469
- colloquial speech features; East German newspaper text analyzed; 8801121
- colloquial/technical/special language relationship; technical vs occupational vocabulary, social/professional idioms; 8806547
- Czech military jargon/vocabulary; written/oral codes, social stratification; Czech-Slovak interference, semantic/syntactic peculiarities; 8804064
- emotion words similarity; colloquial transformation task, German material; psychology undergraduates; 8802229
- English advertising, Indian press; clause structure analyzed; 8801674
- English advertising; linguistic features; 8801671
- English as a foreign language; style/register teaching model; 8802473
- English as a second language instruction, West German high school, graffiti as teaching material; 8805015
- English diminutives' evaluative/objective-denotative aspects; context role; typology; 8808261
- English register variation; government & binding framework; instructional writing features; 8803947
- English subjective/objective case distinction; language styles, E. Klima's scheme; 8800790
- ethnographic conversation analysis, theses formulated/exemplified; Mannheim (Germany) youth jargon analyzed; 8801104
- folk speech; San Francisco cab drivers; 8800992
- foreigner talk adjustments; individual variation; English as a second language teachers/naïve native speakers/nonnative speakers compared; language learning implications; 8803403
- foreigner talk register; quantitative/qualitative suprasegmental aspects; native-nonnative English telephone conversations analyzed; 8801126
- French slang, syntax role; transitive-intransitive verb transference; 8800762
- Galician initial *s*-loss; colloquial variants; 8804037
- German *es* 'it' text-specific use, dialectal/colloquial/folk oral-poetic; 8805803
- German idioms use, political/journalistic speech; *Idiomaton* as idiom-producing/analyzing tool; 8801027
- German modal/shade particles *denn/etwa/schon/eben/halt*, idiomatic use, colloquial language; German as a second language learners' difficulties, Norwegians; 8805162
- German political phraseology; term versus general vocabulary; central/peripheral political phrases; 8801551
- German psycholanguage; historical/communicative/psychological/pedagogical aspects examined; 8801720
- German slang, norm violation; speaker's attitude, metaphorical/careless language use; language cultivation problem; 8809048
- Hebrew-Yiddish diglossia; Ganzfried's *Kitzur Shulhan Arukh* analyzed; realia vocabulary; 8801712
- informal narrative language, social distance/listener involvement; register adaptation; 8808391
- language cultivation, mass media language use; clichés/stereotypes/"institutionalized word groups," mass media communication vocabulary; 8808979
- language cultivation/literary language relationship, literary/colloquial language distinction; linguistics tasks; 8809125
- language misuse; stylistic deceptive mechanisms; 8801837
- language stratification, German/Czech; terminological aspect, written standard-colloquial-dialect; J. Chloupek's official-intimate language use dichotomy applied; 8801739

- language; social history; British/French/Italian case studies; 8804183
- linguistic oral content; primary school francophone children; formal/informal communicative situations; 8800302
- literary hero characterization, dialogue use; M. Sholokhov's *O Kolchake*, *krapive i prochem* (About Kolchak, Stinging Nettle, and Other Things), dialectal/colloquial vocabulary use; 8806090
- Modern Russian Americanized argot; sociolinguistic analysis; social boundaries/social change; 8804217
- Mon register distinction parameters; T. Lee's/G. Diffloth's dispute re-examined; 8802034
- Newfoundland English colloquial plant names; Ernest Rouleau's list reproduced/supplemented; 8801541
- pragmatic development; controlling/feeling speech act intents; puppet/picture elicitation tasks; children aged 4-7; 8802291
- qaṣīdih*, Palestinian improvised-sung poetry; genre definition/classification, performance context, lyric/music; 8801099
- register analysis; systemic-functional framework; meaning/context relevance; language for special purposes application; 8801110
- Romanian phrases, incorrect usage; meaning confusion/stylistic connotations/special-general register transfer; 8800904
- Russian expressive-colloquial words, literary status; 8804075
- Russian proverbs, colloquial speech type; lexico-semantic oppositions; 8800919
- second-language acquisition theory; linguistic interaction/interethnic relations; speech accommodation theory; 8805154
- second-language learning; native speakers, classroom use; English/Russian program; 8802547
- Slavicisms, Berlin German; colloquial style; Sorbian as a source language, available lexicons analyzed; 8801455
- small group slang formation; lexical innovation; language change, social aspects; 8801325
- sociolinguistic studies relevance, East German society; Marxist-Leninist perspective; 8801684
- spelling variation, American English; speech-related/unrelated variations, colloquial register; 8801615
- sports language/terminology; literature survey; sports vocabulary's/activities'/principles' social values; 8805956
- sports terms, social meaning; proletariat speech analyzed; German material; 8801679
- Swiss German diglossia, written-oral German, High German-Schwyzerdütsch, standard/dialect/colloquial relationship; 8806456
- teacher foreigner talk; English as a second language classroom; ethnographic analysis; 8802536
- text production, language/register choice/situational factors interrelationship; M. A. K. Halliday's register theory; 8808355
- text readability; colloquial style effects; cloze tests; Chilean newspaper; 8808335
- Twain, Mark, *The Adventures of Huckleberry Finn*, innovative language/style; colloquial vocabulary, dialect/idiom use, pronunciation transcription; 8806805
- Vienna German sociophonological variation; Vienna dialect/Standard German/cultivated colloquial; psycho-social factors; natural phonology framework; 8809058
- youth jargon, East/West German; second-language teaching material, idiomatic expressions; 8801036
- Rehearsal (Verbal Learning Strategy)**
- recognition memory; primary/secondary rehearsal effects; data-driven/conceptually driven memory tests; 8804832
- rehearsal effects, stutterers' oral reading; psychophysiological study; 8802149
- serial order recall; word length effect; overt/covert rehearsal; 5-year-olds; 8800081
- temporal order memory, rehearsal strategies; distractor paradigm; serial position score differences; study-phase retrieval model supported; U students; 8807270
- Reinforcement (see also Feedback, Conditioning)**
- early language acquisition; reinforcement role; foreign vocabulary, monolingual US/Mexican 2-3-year-olds; 8804815
- human lever pressing conditioning; verbal behavior role; 8801008
- lispng children; correct /s/, /z/ articulation; response cost procedures effectiveness; 8802148
- motivation studies/reading instruction, study skills improvement; classroom management strategies, self-governed adolescent learners; 8805370
- reading group instruction, race-related positive/negative feedback behaviors; white/black second-grade teachers, white/black second graders; 8805266
- vocalization rate, operant conditioning; Down syndrome infants; continuous reinforcement vs differential reinforcement of other-than-vocalization; 8809500
- word productivity enhancement; artificial reinforcement/word processors; black male sixth graders; 8802211
- Relation (Grammatical)**
- Acehnese (Austronesian) passive construction; verb agreement/grammatical relations; 8805721
- Australian aboriginal languages; common grammatical features; 8806237
- categorial grammar; computationally tractable model constructed; English syntactic/semantic problems treated; 8801181
- causal attribution; verb type/participant animacy effects; prototypicality parallels; 8807154
- comparative syntax; language universals; passive/grammatical relations/accessibility hierarchy; 8806428
- English absolutive constructions; various types illustrated; 8803240
- ergativity; surface grammar/discourse information flow relationships; 8803405
- grammatical relations; government-binding approach; A. Marantz's *On the Nature of Grammatical Relations* reviewed; 8803555
- grammatical/anaphoric agreement; lexical-functional grammar theory developed; Chicheŵa (Niger-Kongo) agreement system; 8803517
- Italian syntax; relational grammar analysis; 8803230
- Japanese motion verbs; accusative-marked nominals; oblique-direct object advancement analysis; 8808128
- Japanese syntax; categorial grammar approach; *ga/wa* particles/multiple subject construction/*jibun* interpretation; 8800740
- Japanese verb/deverbal noun pairs; thematic roles/grammatical functions; lexical functional grammar; 8805791
- Korean multiple subject constructions; movement analysis/first NP subjecthood rejected; topic prominence parameter; 8803192
- Mapudungu (Southamerindian) transitivity; syntactic functions/argument slots; transitive markers, inverse value assignment; 8808184
- on-line sentence processing; primary role; pronominal reference; coordination/subordination/grammatical roles; 8802260
- passivization; English/Korean/Japanese differences; objective/empathy-based affectedness; 8803796
- Plains Cree (Algonquian) dialect; morphology/syntax/discourse structure; verb inflection/grammatical relations/obviation/transitivity; 8805905
- Portuguese sentence; verb role; participants, hierarchical organization; 8808462
- Portuguese verb complements; semantic classification; verbal participants/semantic roles; 8800797
- relational grammar, bibliography update; 8808478
- relational grammar; unions, multipredicate clause analysis proposed; 8806128
- relative clause formation; noun phrase accessibility hierarchy revised; absolutive primacy hypothesized; 8803172
- sentence processing strategies; Japanese/English speakers; subject identification, word order/animacy cues; 8802934
- sentence relation ambiguity; sources, normal prose component; 8805889
- Siswati (Niger-Kongo) indirect objects, direct objects distinction; relational grammar framework; 8808124
- Spanish ergativity; agentivity/subjecthood; middle voice; 8808150
- Spanish inflection/cliticization; lexical analysis; pro-drop; 8808483
- subject role; English passive clauses/nominals; government-binding Θ -criterion revised; 8806149
- surrogate agreement, Tzotzil (Mayan) data; relational grammar approach; 8808105
- Swedish syntax; subject properties/voice; transitivity/passivization/causativity; 8803248
- syntactic relations/verbal agreement; universal grammar; Kapampangan (Philippines) evidence examined; 8803520
- syntax current theories, generative grammar framework; nonspecialist overview; 8805713
- unaccusativity, relational grammar approach; agent/patient semantic relations, Italian data; more restricted model proposed; 8801152
- Respiration and Respiratory Structures**
- breath, phonation analysis; behavior/respiratory/sensation analyses; 8809348
- phonatory process; laryngeal receptors response; quiet respiration/phonatory inspiration/vocalization firing rates; anaesthetized cats; 8806944
- respiratory system behavior; articulatory/intensity factors; adult/child differences; 8804494
- second-language teaching; phonetic production/proper breathing techniques; 8806940
- sentence intonation; physiological control; clause boundaries/respiratory mechanisms; 8801988

speech breathing; age influence; respiratory function; men aged 25/50/75 years; 8806949
 stutterers' prolonged acoustic laryngeal reaction time; respiratory/laryngeal systems' contributions; mild/severe stutterers; 8807052
 stuttering therapy; regulated breathing method, experimental evaluation; 8807114
 vocal function measures; normal adolescent males; 11-/13-/15-year-olds compared; respiration/phonation; 8804496

Rheme

functional sentence perspective; thematic-rhematic structure; serialization/intonation interplay; 8803523
 major sentence constituent placement; theme/rheme schema; Anglo-Norman text *Quatre Livres des Rois* (Four Books of the Kings); 8803158
 thematic progression typology; "multiple"/"gapped" developments added; F. Danes's terminology simplified; 8801010

Rhetoric

academic English writing instruction; information structure/communicative dynamism; 8805506
 anonomasis, common noun; rhetorical tradition; Latin/Classical French rhetoric treatments; 8806510
 argumentation; rhetorical/technical logics relationship; narrative rationality; 8801948
 classical rhetoric, semiotics pragmatic system; M. Bense's/C. S. Peirce's/L. Wittgenstein's notions, Aristotelean rhetoric; 8804360
 composition instruction, epistemology; rhetorical stance encouraged; 8807903
 concessive constructions, English written discourse; rhetorical device approach, writer's/reader's regard; 8801123
 conversation rhetoric, social behavior; US guides, 1776-1828; 8803415
 disciplinary literacy development; first year rhetoric doctoral student; case study; 8802887
 Dzerzhinsky, F. E., persuasive speech; interrogative statements, partitive/emphatic functions; Russian teaching material; 8806194
 English as a second language instruction, rhetorical competence teaching; F. Klippel's drills; 8804913
 fine art photography, visual communication rhetoric; linguistic-visual mode parallel; 8809198
 Geoffrey of Vinsauf, *ars dictaminis* (art of written discourse); medieval rhetoric theory; 8808330
 Hopi radio commercial, topic structure; new/old information, rhetoric codes; 8806083
 I Thessalonians, text-linguistic/rhetorical approach; communicative act, context effects; 8808365
 legal language, interpretation/writing difficulties; sentence-level problems; 8807950
 literary prefaces; critical/rhetorical function; silence, ideological implications; 8801861
 memo writing, developmental differences; rhetorical strategies use; ninth/twelfth graders, college juniors, adult graduate students; role-play session data; 8807886
 news broadcasts; children's/adult's programs differences; childhood/rhetoric; 8802317
 nuclear discourse, authors' style/world-view; quantitative analysis; 8808334
 popular science writing, rhetorical techniques; audience adaptation; 8800560
 Portuguese apparently synonymous structures; adequate semantic explanation, argumentative pragmatics framework; rhetorical component importance; 8805855
 postmodern anthropology/ethnography; written language/everyday speech; 8808412
 Renaissance rhetoric; literary genres misclassification; Erasmus's influence; 8801808
 rhetorical structure theory, natural text organization; definitions, claims/findings; 8806096
 Richards, I. A., translation theory; translator's comparative activities, English-Chinese/Chinese-English; 8800690
 Sanskrit/Greek fables; rhetorical structure compared; 8803498
 scientific rhetoric; biomedical slide talks; imprecise numerical expressions use; 8804191
 self-portrayal, written discourse; rhetorical/literary critical theory treatments; ethos/persona distinction; 8807894
 society/knowledge; rhetorical structure; political/scientific discourse; 8806640
 topic sentence use, scientific writing; rhetorical division variations; 8805518
 writing; cultural differences; contrastive rhetoric/second-language learning/literacy education; 8807935

Rhetorical Figures

African literature/culture; proverb role; 8801253
 antonymous proverbs; contextual reconciliation/truthfulness rating; 8802244
 antonymy; speech parts, roots; stylistic/rhetorical value; Russian material; 8804059
 Austrian political party platforms, discourse-analytical examination; macro-/micro-analyses; syntactic/argumentative/lexical/rhetorical strategies compared; 8801017
 beauty salon names, rhetorical devices use; 1983 Denver, Colorado, metropolitan phonebook; 8808834
 Beowulf; litotes/superlative use; syntactic/morphological devices; 8806821
 biblical exegesis, R. Jakobson's metaphor/metonymy opposition model; 8805990
 Catholic Pentecostal ritual language; rhetorical conditions; metaphor/creativity; 8801250
 composing process; revisions, writers' metaphors; pedagogical implications; 8805522
 cross-modal similarity perception, metaphor comprehension; children aged 3:6-13:6, adults; 8802328
 Daninos, Pierre, satirical prose; morphological figures/puns/paronomasias/"diaphoras"; 8809169
 dramatic character names, plays' themes relationship; Shakespeare's *Hamlet/King Lear/Macbeth*; 8808803
 East Slavic cattle market terminology, borrowing/metaphorization; A. F. Zhuravlev's 'Obmyvanie kopyt' reviewed; 8808269
 Eminescu, M.; *regia gîndirii* metaphor interpretation, G. I. Tohăneanu's reading rejected; 8801838
 English clichés, positive side; sources, phonology; 8804312
 English ellipsis, description; spoken/written style; 8809173
 English picturesque expressions; dictionary; 8801595
 English-language advertising texts analysis; implicit/explicit hyperboles; 8804168
 European Economic Community metaphorical description; personification, growing organism; journalistic texts/parliamentary speeches; 8808398
 Ezzo lied, Germanic-Carolingian features, meter/sentence structure/word formation/usage; 8809170
 Ezzolied, Medieval German poem; discourse analysis; rhetorical/stylistic figures found; 8804324
 figurative language, conventional normative charge manipulation; modern fiction; 8806807
 figurative language; written production; Metaphoric Triads Task; verbal creativity/ideational fluency; 8802254
 German cabaret puns; typology, semantic context criterion; 8800983
 German slang, norm violation; speaker's attitude, metaphorical/careless language use; language cultivation problem; 8809048
 Gonchar, Oles; Ukrainian linguistic symbolism/creative strategies; metaphors/word-formation/dialectal-colloquial vocabulary; 8809167
 Hadina, E.; poetic novels philological analysis; narrative conventions/rhetorical figures/symbolism/microstylistics, genre reception; 8801825
 illness/health description, linguistic imagery; social/cultural/emotional factors; conversation samples analysis; 8804130
 Indo-European/early Germanic worldviews; 'blood' images; root metaphor analysis; 8803699
 Italian neofascist political texts; ideological/textual analysis; 8803406
 journalistic style rhetoric; Hu Na asylum request, AP/UPI reports; rhetorical devices; 8801137
 Lacandon Maya ritual; symbolism, historical/mythological background; 8803615
 Latin litotes; negatio contrarii, syntactic/semantic/pragmatic properties; functional grammar analysis; 8808147
 linguistic discipline; foundational assumptions examined; human/scientific orientation advocated; 8806627
 linguistic metaphor quality, psycholinguistic factors; comprehensibility/aptness/novelty; 8807138
 linguistic simile use; Titus Lucretius Carus, *De rerum natura* (On the Nature of All Things); 8801844
 linguistic theory development; evolutionary view; reader-response/deconstructionist theories applied; 8801158
 literal meaning; psychological reality; metaphor theory/semantics-pragmatics distinction; 8801163
 literary genre theory; analogies role examined; pluralistic approach advocated; 8804332
 litotes, discursive strategy; discourse rationalization, speaker self-defense; attenuation structures; pragmatic analysis; 8801068
 marketing education; military metaphors use; 8801673
 McCall, W./Smith, E./Palmer, B.; *Test Lessons in Reading Figurative Language* reviewed; 8802765

- metaphor appreciation; categorical/affective constituent similarities; semantic distance/cognitive variables; Japanese data; 8804708
- metaphor comprehension development; preschool children; cognitive/pragmatic variables; 8800061
- metaphor comprehension, cultural/linguistic factors; global vocabulary/specific attribute knowledge; 8800616
- metaphor comprehension, metaphor-related language tasks; third-/fifth-grade good vs poor readers; 8805468
- metaphor comprehension, semantic feature approach; definition bearing traits function; sixth graders; 8807242
- metaphor development, structure-mapping theory; relational shift, children aged 5-6/9-10, 4-5/7-8, adults; 8802306
- metaphor instruction, language teaching importance; skill integration, instructional programs; 8807372
- metaphor interpretation, attribute saliency; predicate-promoting/predicate-introducing metaphors; third/fifth/seventh graders; 8807221
- metaphor interpretation; factor analysis; Slovak material; 8800950
- metaphor performance; learning-disabled children; 8802178
- metaphor selection; tenor/vehicle connotative meaning proximity effects; semantic differential instruments; 8807182
- metaphor translation, communicative function; literary/nonliterary texts; 8808020
- metaphor use, psychotherapy; M. H. Erickson's work examined; 8809504
- metaphor use; children aged 3-7; topic/vehicle link, syntax, explicit metaphorization; 8804744
- metaphor, communicative risk-taking; cline of metaphoricity, specific lexical items; 8809185
- metaphor, deep/surface characterization; gnoseological perspective; anthropopetal/anthropofugal metaphors distinguished, poetic/scientific texts; 8801816
- metaphor, syntactic issues; Paul Verlaine's *Pierrot* analyzed; *sens figuré* 'figured meaning' context; lexicalist view challenged; 8806797
- metaphor, technical writing; figurative language, composition theory, teaching, figurative skills; 8807893
- metaphor/analogy comprehension; constrained semantic transference theory developed; 8802271
- metaphor; neurological basis; neural holography/physiognomic representational schemas/semiotic mechanisms; 8806849
- metaphor; universal unity/similarity; 8801802
- metaphors, Western European discourse; post-1950 documents/press stories; progressive integration topics; 8806080
- metaphors/intimate relationships; relational character; linguistic/social styles; 8804249

- Russian as a second language teacher training, East German Us; dialogue skills/theory teaching; 8805018
- Russian as a second language teacher training, East German Us; monologue text dialogization, communication teaching; 8805095
- Russian as a second language teaching methodology; recent psycholinguistic/linguo-didactic research survey; 8802538
- Russian as a second language, case homonymy; theoretical description/methodological suggestions; 8805043
- Russian as a second language, East German freshmen; grammatical knowledge repetition/systematization language-internal/-external criteria; 8804916
- Russian as a second language, East German high school, knowledge repetition/consolidation; U. Borgwardt et al, *Russisch in Übungen* (Russian in Drills) presentation; 8804978
- Russian as a second language, French educational system; statistical data; materials, popularization efforts; 8800209
- Russian as a second language, learning motivation/attitude/interest development suggestions; 8805096
- Russian as a second language, reading comprehension difficulties; Soviet foreign graduates; scientific texts; 8802471
- Russian as a second language, sociopolitical terminology instruction; US, UK/West German/Japanese students' perception; 8800419
- Russian as a second language, Soviet national schools; direct/indirect address, social/cultural appropriateness; 8802565
- Russian as a second language, teacher training; problem-oriented historical topics; comparative-historical approach; Marxist-Leninist framework; Kazan State Pedagogical Institute; 8800200
- Russian as a second language, vocabulary teaching/learning; words' elemental parts analysis; grammatical/semantic role; 8800251
- Russian as a second language, word formation teaching, stylistic differentiation; East German Russian as a second language teacher trainees; 8804925
- Russian as a second language; Soviet technical colleges, foreign students' oral proficiency; communicative requirements; 8804989
- Russian deadjectival forms in -o/-e, speech part status/syntactic function; Soviet-East German treatments compared; second-language teaching implications; 8805944
- Russian language social status/use, Lithuania; communicative domains, Russian as a second/international language; 8806679
- Russian language/literature instruction; Soviet national schools, lexical difficulties; 19th-century Russian poetry obsolete vocabulary; 8805105
- Russian language/literature instruction, Ukrainian schools; *bylina* (Russian folk epic) as teaching material; 8805074
- Russian noun ending variants -e/-ie; orthographic rules, semantic/morphological/historical/phonetic factors; 8805943
- Russian past tense stress; particle -*nya* effect; second-language teaching implications; 8800716
- Russian phraseologisms, aspectual meaning; motivating factors, quantitative analysis; second-language teaching implications; 8803323
- Russian prefixed verbs semantics, second-language instruction implications, textbook presentation; K. Gabka's/L. Wilske's *Die russische Sprache der Gegenwart. Lexikologie* (Contemporary Russian. Lexicology); 8806552
- Russian verb aspect usage, Russian as a second language instruction, German students; methodological guidelines; 8805182
- Russian verb conjugation, stress; instructional methods, minimal rule approach; 8800258
- Russian verb government variation, norm gradation/acceptability/expressive potential; second-language teaching implications; 8805089
- Russian verbs, deverbals/imperatives; integrated two-stem instruction system; 8800832
- Russian vocabulary words, second-language textbooks; 8807463
- schema theory, language teaching problems; English as a foreign language teachers cautioned; 8807417
- school-academic grammar transition, East German second-language teacher training course, material evaluation; 8805101
- scientific communication skills, scientific/technical students; video-active techniques; 8800264
- scientific English instruction; history of science texts; 8800345
- second language for special purposes, East German Us; communicative-functional language description approach didactic relevance; 8805075
- second-/first-language acquisition, learning strategies similarity; institutionalized language teaching, natural learning strategies adoption; error correction; 8802637
- second-/foreign-language instruction; contrastive analysis validity examined; word juncture phenomena; English-speaking Arabic learners; 8805151
- second-/foreign-language learning; grammatical morpheme research, methodological problems; Polish-speaking English as a foreign language students; 8800414
- second-/foreign-language proficiency testing, new approaches; oral language assessment, innovations, English for specific purposes; 8805242
- second-/foreign-language reading skills, text type relationship; *ACTFL Proficiency Guidelines* task-based performance standards; U language students; 8807828
- second-/foreign-language teaching programs evaluation, context-adaptive model; quantitative/qualitative techniques; 8807454
- second-/foreign-language teaching; syllabus construction/communicative orientations; synthetic/analytic approaches; 8802537
- second-language academic competence transfer, Shona (Niger-Kongo) -English; third-/fourth-/fifth-grade Zimbabwean children; 8807477
- second-language accent acquisition, discrimination/perception; phonetic training program; adult French as a second language learners; 8807558
- second-language acquisition measures; loquacity/variety/well-formedness; 8800385
- second-language acquisition process; modular chunking/coupling role; 5-year-old Japanese girl; 8800436
- second-language acquisition research; word association test reliability/validity; native Dutch-speaking English students; 8800277
- second-language acquisition theories; "natural" acquisition; student evaluation criteria; 8805149
- second-language acquisition theory; indigenized English varieties research relevance; 8800446

- second-language acquisition theory; Krashen's Monitor model tested; linguistic versus communicative competence; 8800434
- second-language acquisition theory; linguistic interaction/interethnic relations; speech accommodation theory; 8805154
- second-language acquisition, communication role; natural approach; affective filter hypothesis; English as a second language student data; 8802630
- second-language acquisition, constituency/dependency; learner formulae analysis; 8800438
- second-language acquisition, current research review; learning/acquisition theories, first-language role; 8805161
- second-language acquisition, grammatical rules; morphological variation, context effects; English as a second language learners; 8807525
- second-language acquisition, instruction influence; universal speech processing constraints; German as a second language learner interlanguage development; 8802640
- second-language acquisition, J. Fodor's/S. Krashen's models; B. D. Schwartz's claims examined; 8807529
- second-language acquisition, listening comprehension; auditory cloze exercises; 8807503
- second-language acquisition, locus of control/pidginization relationship; Hispanic English as a second language learners; 8807518
- second-language acquisition, markedness theory application; error evaluation extension; student compositions, professor reactions; 8800442
- second-language acquisition, morphological markedness, in-/out-of-school language learning, German/French verbal-substantive markedness ratio; Italian migrants/anglophones; 8807519
- second-language acquisition, social/linguistic information integration; English/Japanese conversation; turn-taking behaviors; 8807569
- second-language acquisition, subset principle; H. Zobl's position challenged; 8807565
- second-language acquisition, tuning model; learner/native speaker linguistic/interactional behavior; 8802633
- second-language acquisition, universal grammar relationship; first-/second-language acquisition process differences; 8807557
- second-language acquisition/instruction, conversation role; theoretical issues, classroom application, task type approach; 8802609
- second-language acquisition/use research; basilectal/acrolectal Singapore English relevance; 8800437
- second-language acquisition; acculturation relationship; Dutch-speaking Turkish immigrant children; 8802624
- second-language acquisition; acquisition-theoretic approach; foreign teaching assistants; attention factor; 8800363
- second-language acquisition; age factors; theory, empirical findings, method effects; 8800404
- second-language acquisition; applied social process model; 8805160
- second-language acquisition; Chichewa (Niger-Kongo) noun class morphology; first language/proficiency level effects; 8800427
- second-language acquisition; cognitive psychology relevance; J. Anderson's theoretical model; 8802635
- second-language acquisition; cognitive factors/brain development; structuro-global pedagogical approach; 8804994
- second-language acquisition; crosslinguistic influence; European-based research; 8800410
- second-language acquisition; din phenomenon; survey results reported; Spanish-speaking English as a second language students; 8802615
- second-language acquisition; H. Giles's/J. L. Byrnes's intergroup model; social factors; international students; 8800403
- second-language acquisition; interlanguage pragmatics; lexical/grammatical pragmatic indicators use; Hebrew/English learners; 8800985
- second-language acquisition; learner/native speaker interaction contribution; computer-assisted instructional setting; 8805155
- second-language acquisition; Mexican American elementary school children; peer-tutoring intervention effectiveness examined; 8802600
- second-language acquisition; motivation role; cultural differences; 8802656
- second-language acquisition; parameter-setting model; Japanese/Spanish anaphora/head directionality parameter; 8800396
- second-language acquisition; proficiency movement critically assessed; 8802623
- second-language acquisition; psycholinguistic/sociolinguistic/neurolinguistic/classroom research/bilingual education perspectives; 8807514
- second-language acquisition; repetition role; interactional styles/communicative interaction development; Portuguese-learning German children; 8807574
- second-language acquisition; S. Krashen's extended monitor model criticized; 8800256
- second-language acquisition; socio-ecological systems impact; first-grade limited English proficient children; 8805215
- second-language acquisition; sociolinguistic context role; Malaysian English nativization; bilingual proficiency; 8800420
- second-language acquisition; vocabulary learning/use; 8800418
- second-language attrition; attitude/motivation role; twelfth-grade French as a second language students; 8802614
- second-language competence, pragmatics instruction; conversation skills; 8807387
- second-language comprehension; interactional modifications role; English learners; 8802639
- second-language comprehension; memory factors role; comprehension/reasoning/memory test battery; bilingual Chinese-English U students; 8805150
- second-language conversations, participant satisfaction; English conversations, Japanese students; 8804161
- second-language deterioration; grammatical elements/vocabulary contrasted; ninth-grade English-speaking French students; 8802631
- second-language development, enculturation importance; 8807416
- second-language development, gesture comprehension, preschoolers; social semiotic perspective; native/nonnative English-speaking children aged 4-5; 8807545
- second-language didactics/reference disciplines relationship; conference report, Braunschweig, 5-7 October 1987; 8804979
- second-language error analysis, causes/remediation; French/English, Dutch high school students; 8805123
- second-language error analysis/explanation; interference/ignorance causes; 8802592
- second-language errors, transfer vs interference; English questions word order violation, Italian students; 8804985
- second-language errors; learning process nonlinearity; German as a second language data, English-speaking adults; 8802645
- second-language examinations; Belgian secondary school system; 8805229
- second-language fluent production; automaticity component, design criteria; communicative framework; 8807415
- second-language immersion/academic achievement relationship; Chinese/English secondary school program; 8800608
- second-language instruction content/form, Dutch high school; teachers questioning/interviews; 8804943
- second-language instruction methods, left-/right-brain focus; didactic effectiveness, right-brain capacities didactic use; 8807469
- second-language instruction reformation, Germany, 1882-1900; goals/methods/theoretical principles; 8808531
- second-language instruction, communicativity-oriented methodology; principles/components; 8802557
- second-language instruction, communicative competence; linguistic/paralinguistic skills teaching, video use, autoscapy, auto-correction; 8804952
- second-language instruction, communicative methodology; course description; 8804995
- second-language instruction, computer's role; drillmaster vs playmate; 8800263
- second-language instruction, computer-assisted language learning; meaningful uses; 8804957
- second-language instruction, cultural information teaching, U level; rule concept/drills; German as a second language course; 8807485
- second-language instruction, didactic/authentic texts use; psychological/textlinguistic/language-acquisition research, didactic implications; 8802588
- second-language instruction, East Germany, phonetic performance evaluation; "communicatively competent" pronunciation, evaluative criteria; 8802521
- second-language instruction, future trends; computer-assisted instruction; 8800202
- second-language instruction, grammar teaching; material content/selection criteria; 8805029
- second-language instruction, grammar teaching; objectives/methods; 8805053
- second-language instruction, grammar teaching role/new approach; second-language teacher training, Dutch Us; 8805027
- second-language instruction, grammar teaching; Dutch schools; material presentation; 8807444
- second-language instruction, grammatical rules teaching; methodological suggestions; 8807445
- second-language instruction, integrative grammar, German secondary school; acquisition/reflection phases, interdisciplinary/contrastive-comparative aspects; 8807418
- second-language instruction, jokes use; humor's didactic effectiveness; 8800326
- second-language instruction, language laboratory use; West German industry experience survey, educational implications; 8805079

- second-language instruction, learner-independent learning ten commandments; 8805017
- second-language instruction, linguo-cultural information; dialectical-materialist/Marxist framework, sociolinguistic studies/materials/methodology considered; 8800213
- second-language instruction, listening comprehension; instructional reading model adaptation; 8804988
- second-language instruction, listening comprehension; guided/unguided listening practices; 8807435
- second-language instruction, listening comprehension training; historical background; seminar papers presentation; 8807486
- second-language instruction, listening comprehension; strategies/didactic organization; 8807487
- second-language instruction, listening comprehension; methodological suggestions; 8807401
- second-language instruction, listening comprehension teaching; receptive skills priority/acquisitional precedence, theses; 8807382
- second-language instruction, listening comprehension teaching; pedagogically authentic materials; 8807441
- second-language instruction, listening comprehension/speaking integrated teaching, learning materials samples; Dutch high school level; 8807449
- second-language instruction, material selection/structuring; functional-communicative language description applicability, East German school; sentence/text level; 8800206
- second-language instruction, material/curricula design, communicative competence teaching; communicative-functional language description didactic application; 8804938
- second-language instruction, methodological revolution implications; secondary school; 8800210
- second-language instruction, reading aloud vs reading out loud, pronunciation/reading comprehension teaching; 8805058
- second-language instruction, reading comprehension testing/training; reading process analysis; methods/materials suggested; 8807751
- second-language instruction, sketch as teaching material, analytic/productive classroom work; 8802564
- second-language instruction, students' free oral expression, error correction/teacher intervention criteria; 8805121
- second-language instruction, teaching methods trends/extreme shifts; form/function balance urged; error correction importance; 8807455
- second-language instruction, text summary skills development; strategies/tactics teaching, psychological rules; 8804967
- second-language instruction, unknown word's contextual meaning comprehension; premise hierarchy/quantity/quality role; second-language teaching materials selection implications; 8807456
- second-language instruction, vocabulary teaching plans/methods; productive/receptive/obligatory/optional vocabulary; 8804936
- second-language instruction, vocabulary work; efficient vocabulary teaching guidelines; 8805002
- second-language instruction, vocabulary work, word meaning teaching; cultural-contrastive approach; 8804998
- second-language instruction, vocal music use; music/language structures compared; vertical segmentation; 8800337
- second-language instruction, Zhivoy Yazik/living language method; Russian as a foreign language high school students; 8807498
- second-language instruction/cultural education relationship; conference report; 8802512
- second-language instruction/learning, grammatical terminology relevance; *Grammatische Fachausdrücke für den Sprachunterricht* (Grammatical Special Expressions for Language Instruction) presented; 8807554
- second-language instruction/teaching material; etymological dictionary; D. Becker's proposals critiqued, alternative approach proposed; 8800224
- second-language instruction; Catalan immersion program; immigrant children; 8804917
- second-language instruction; grammar teaching, auxiliary function, practical focus; 8805028
- second-language instruction; group activities; goal structure/teaching methods; 8805007
- second-language instruction; Italian secondary school, school/U cooperation, academic research didactic application; 8807351
- second-language instruction; macromethods rejected, meso-/micromethods proposed; teacher-learner interaction stressed, transactional aspects; 8800357
- second-language instruction; pronunciation improvement/music use; 8805042
- second-language instruction; technical text types teaching; 8807388
- second-language learners' emotionality expression; joy/anger/fear/sorrow manifestation; Russian undergraduates; pedagogical implications; 8800441
- second-language learner's personality traits/classroom behavior; teachers' stereotypes; questionnaire data; 8805184
- second-language learning generalization; English relative clauses; typological marking effect; 8805158
- second-language learning strategies; recent research findings; 8800428
- second-language learning success; contributing cognitive/affective/social variables; initial learning stages; 8807474
- second-language learning variance; language use relationship; integrative/instrumental motivation; English-speaking Chinese learners; 8802653
- second-language learning, cognitive aspect/mechanism; literature critical-evaluative survey, didactic implications; 8802241
- second-language learning, general theory requirements, goals/outcomes; parallel distributed processing model; 8807560
- second-language learning, research; classroom focus; 8802625
- second-language learning, social-psychological theory; R. C. Gardner's approach criticized; response; 8807511
- second-language learning, translation process; new term recognition; 8800663
- second-language learning, written text input; English as a second language students; 8807547
- second-language learning/teaching continuity, Italian primary/secondary school; practical problems/difficulties, educational policies critique; 8804990
- second-language learning/teaching; motivation importance, motivation-enhancing materials/methods; 8805005
- second-language learning; beginning students' conscious strategies; journal writings/interview transcripts analyzed; 8802613
- second-language learning; bilingual dictionary use; 8802947
- second-language learning; children aged 3-5; intelligence/parent attitudes/motivation/age/sex influences; 8802646
- second-language learning; communicative interactional structure; discourse, dynamic model; authenticity/autonomy/self-directed learning; 8800176
- second-language learning; conversational management strategies role; wait-time use; 8804129
- second-language learning; discourse analysis perspective; 8807410
- second-language learning; first-language semantic system role; predicate argument structures; 8802651
- second-language learning; first-language interpersonal communication skills importance; case study report, kindergartner; 8805198
- second-language learning; grammatical rule fossilization; communicative/traditional grammar-translation methods compared; 8805172
- second-language learning; home-language/cultural maintenance; language planning role; Australia/New Zealand; 8806762
- second-language learning; information processing model; 8802632
- second-language learning; interference/error analysis; Arabic-speaking English learners; 8805193
- second-language learning; listening vocabulary proficiency; sex differences; Chinese college English students; 8802290
- second-language learning; listening models; 8805152
- second-language learning; native speakers, classroom use; English/Russian program; 8802547
- second-language learning; oral communication skills development; 8804132
- second-language learning; productive linguistic systems, comparative analysis; native language/interlanguage/target language; 8805206
- second-language learning; pronunciation accuracy/self-monitoring skills; English as a second language students; 8802662
- second-language learning; simplified input/foreigner talk; telephone call transcribed; native/nonnative Arabic speakers; 8800452
- second-language learning; teacher's reading aloud effects; reading/listening comprehension; Hispanic English learners; 8805205
- second-language learning; text comprehension processes; 8802661
- second-language maintenance programs; returning Japanese students; program reform, new measures; 8805557
- second-language meaning comprehension; function word/suprasegmental cues effects; miniature artificial/natural language learning tasks; 8807536
- second-language oral proficiency evaluation methods, self-directed study program; Spanish lesson example; 8805231
- second-language oral proficiency test, Summer Institute of Linguistics; bilingual populations; 8805232
- second-language pedagogy; communicative/translation approaches complementarity; 8802985
- second-language pedagogy; computer-assisted instruction problems; 8805185
- second-language performance; explicit grammatical knowledge influence; advanced English learners; 8805167
- second-language proficiency testing, theoretical/practical aspects; F. H. van Eemeren's/R. Grootendorst's/B. Meuffels's argumentation

- recognition test critiqued; 8802667
- second-language proficiency/acclulturation; language status/individual characteristics effects; francophone U students; 8800384
- second-language proficiency; grammatical competence testing; latent trait model; English as a second language oral interview; 8800459
- second-language program evaluation; definitions, approaches, relations; 8804956
- second-language pronunciation; social marking/stereotypes; Spanish-speaking English learners; 8805221
- second-language prosody acquisition; metrical model; Dutch speakers learning English; 8805177
- second-language reading comprehension, principal textual themes identification; methodological suggestions; Russian text, German students; 8805047
- second-language reading comprehension, self-monitoring; reciprocal teaching/think-aloud procedure; 8807397
- second-language reading instruction, methodology effects; experimental reading activities; first-/second-lang reading process theory; U-level French as a foreign language students; 8805143
- second-language reading instruction/strategies; background knowledge activation, linguistic/cultural/process strategy advance organizers; 8805367
- second-language reading process; native-/second-language reading comparison, interference phenomena; 8802528
- second-language reading processes; interactive model; current research; 8807561
- second-language reading; English for special purposes; research directions; 8802488
- second-language reading; inferencing/language similarities; text selection process; Swedish-speaking young English learners; 8807549
- second-language referential communication; dyadic communication task; 8800374
- second-language research, area integration; sociolinguistic/psycholinguistic/linguistic aspects; 8807528
- second-language retention patterns, seven-year Spanish immersion program; attitudinal factors; graduates, currently enrolled sixth graders; 8807559
- second-language selection, factors/motives; Dutch secondary school student survey; 8807502
- second-language sentence processing, fluency; performance definition; 8807539
- second-language sound perception; lexical knowledge effects; phoneme identification task; Japanese English learners; 8807572
- second-language speech production; instrumental phonetic studies; phonetic norm approximation; 8802611
- second-language teacher training, 21st-century education context; second-language speaker/world citizen training; 8805035
- second-language teaching methodology/general principles; H. E. Palmer's contribution; 8804950
- second-language teaching, G. Helbig's grammar typology didactic relevance; A/B/C grammars characterized, oral/written language grammars distinguished; 8800305
- second-language teaching, "intercourse" approach; tongue-in-cheek proposal; 8800243
- second-language teaching, literature use; 8802554
- second-language teaching-/learning-aid theory; general teaching theory component; 8802540
- second-language teaching/learning, cybernetic account; macro-/micro-steering processes, sender/receiver/channel, control/feedback; 8802574
- second-language teaching/teacher training, Netherlands; applied linguistics role; 8804877
- second-language teaching; communicative approach critically reviewed; 8802507
- second-language teaching; cooperative learning techniques described; 8805144
- second-language teaching; gestures role; 8807468
- second-language teaching; "Greet & Seat" approach; 8805129
- second-language teaching; interpretative translation exercises; 8802962
- second-language teaching; phonetic production/proper breathing techniques; 8806940
- second-language teaching; structuro-global approach; French as a foreign language; 8805166
- second-language teaching; structuro-global method/computer-assisted program; English-speaking French learners; 8805124
- second-language testing; communicative-competence-oriented dictation/ACTFL Oral Proficiency Interview; U-level language majors, prospective French/German/Spanish teachers; 8800353
- second-language testing; English as a second language; Ontario colleges, post-admission test battery; 8800473
- second-language testing; instructional goals/student performance evaluation; 8805243
- second-language testing; text comprehension, communicative items test; foreign-language knowledge importance; Dutch high school students, French/German/English learners; 8807578
- second-language textbook theory, principles/categories/criteria; textbook model development, model textbook's functions; 8802481
- second-language textbooks, texts design/didactic adaptation; text analysis, propositional/organizational/structural criteria; 8803497
- second-language vocabulary learning/teaching; material conceptual organization; stable/variable items networks; 8802519
- second-language voice setting, instructional methodology; accent development; 8804968
- second-language writing ability tests, translation/multiple-choice; score/response differences; 8807884
- second-language writing research; pedagogical implications; 8802891
- second-language writing strategies; second-grade English as a second language students; 8807552
- second-language writing, product-/process-oriented approaches; first-/second-language texts, anglophone/francophone students; 8807501
- second-language writing; cognitive complexity effects; English learners; 8805218
- secondary level French program; oral proficiency-based approach/functional-notional syllabus; 8805132
- segmental awareness development; morphological structure role; 8805924
- semantic quantification, English-language learning/teaching; quantification subcategories, language teaching materials development; 8800411
- semantics teaching, anthropocentric method; transformational/componential analyses, V. V. Morkovkin's framework; Russian as a second language, Soviet national schools; 8803294
- sentence interpretation; syntactic/semantic cue usage; Dutch/English bilinguals; 8802940
- sentence processing strategies; Japanese/English speakers; subject identification, word order/animacy cues; 8802934
- sentence processing; functional constraints; syntax/semantics/pragmatics interaction; Italian/English speakers; 8802931
- sentence typology, communicative intention criterion; Russian as a second language instruction implications; 8805968
- sentence, lexical/grammatical aspects; lexicon priority; language teaching implications; 8802506
- Sieger Institut für Sprachen im Beruf* (Siegen Institute for Languages in Profession), formation/program/activities/objectives, research/didactics/service; 8807350
- signed English as a second language acquisition; native user contact effects; 8801873
- simplified phonetic English instruction; key words, direction-/information-giving; Spanish police; 8807407
- Slavic studies/teaching history, Greifswald U; Slavic institute formation; 8806190
- slip of the tongue phenomena; foreign-language learners; native-language phonological processes; Poles learning English; 8805157
- South African educational language policies; apartheid ideology; indigenous languages, English, Afrikaans; 8801753
- Spanish as a foreign language instruction; Mexico City, history/modern life; 8800331
- Spanish as a foreign language instruction, role-playing games; French-speaking students; Spanish-language video creation; 8800238
- Spanish as a foreign language instruction, France; current status, materials, methods; 8800248
- Spanish as a foreign language instruction, Afro-Latin American culture inclusion; themes/lesson format; 8800271
- Spanish as a foreign language instruction, Spanish puns; advertising media sources; 8800203
- Spanish as a foreign language textbook, fourth-grade level; oral proficiency; 8800267
- Spanish as a foreign language, Renaissance teaching materials; 8806208
- Spanish as a foreign language; French-speaking students; guided tour technique; 8800290
- Spanish as a second language acquisition, keyword method; simple sentences meaningfulness/recall; 8807538
- Spanish as a second language; Antigua, Guatemala; instruction evaluation; 8805054
- Spanish language instruction, Queensland (Australia); syllabus development; 8805106

- stuttering, adult typical/imitated, acoustic/perceptual correlates; adult stutterers mean age 36.2; 8809414
- Semantic Differential (see also Rating Scale)**
- Japanese phoneme similarity; phonological space, psychological reality; multidimensional scaling; semantic differential; 8800711
- oral reading, listener reactions; interjections vs spontaneous speech; semantic differential scale judgments; 8806986
- pleasant/unpleasant words' emotional meaning; trait anxiety; German material, semantic differential; psychology undergraduates; 8803303
- second-language acquisition; H. Giles's/J. L. Byrnes's intergroup model; social factors; international students; 8800403
- self/others perceptions, semantic differential questionnaire; stutterers/nonstutterers; therapy implications; 8802126
- T-shirt message, stutterer stereotype effect; semantic differential; 8809449
- voiced phonation ratio, infant cries/perception; semantic differential technique; 8807320
- Semantics**
- 19th-century German semantics; historical word semantics/psychosemantics; 8808547
- absolute constructions; semantic criteria; alternative essential-nonessential function definition; French material; 8803186
- adjectives subcategorization, descriptive framework; functional/complementational/semantic approaches integration; three-level scheme; 8808504
- adjectives, property expression; position/function, semantic type assignment; "thematic dimensions" perspective; 8808221
- adult stuttering; high-level processing demands; linguistic variables effects; language/speech processing levels interaction supported; 8807044
- Afrikaans ambiguity; phonology/semantics/syntax/pragmatics interaction; traditional approaches critically reviewed; 8805885
- Afrikaans reduplication; formal/semantic properties; unified lexical analysis; 8808282
- aging/priming effects, naming latencies; adult women aged 30-79; visual perception thresholds; 8807196
- agreement, subject/verb independence, semantic value basis; independent grammatical systems proposed; 8808179
- ambiguity access; context-sensitivity; cross-modal paradigm/lexical decision; 8807194
- ambiguity processing; context-sensitive parallel access model supported; ambiguity detection task; 8807291
- ambiguity; analytic/introspective criteria discrepancies, truth conditions; 8808233
- ambiguous word lexical processing; sentence focus effect; cross-modal semantic priming/focus-identifying task; 8802266
- American humor, various aspects; World Humor and Irony Membership conference proceedings; 8803311
- American Slovene linguistic humor/word play; migration patterns, newspapers; word polysemy, Croat words/Croat-like expressions; 8801441
- anaphor resolution; sentential representation models tested; *it*, object vs event reference; 8807179
- anaphoric pronouns; L. Tasmowski's/P. Verluyn's treatment, limitations discussed; number/gender agreement; 8800908
- anaphoric relations comprehension, skilled/less skilled readers; reference/ellipsis/substitution/lexical anaphors; children aged 7-8; 8807197

- anaphoric relations comprehension; delayed reference assignment; assignment/reading time influence; 8800049
- Ancash Quechua subordination; *-q/-nqa-* verbal affixes, semantic/syntactic functions; 8800893
- anonymous adjectives' unmarkedness; affective meaning role; M. Ljung's hypothesis rejected/D. A. Cruse's statement modified; 8805854
- antonymy/synonymy rating/identification; word pair relation elements role; undergraduates; 8802270
- aphasia, semantic knowledge; object naming, shared function; 8809423
- aphasia; word learning/processing deficits; semantic/grammatical information retention; 8804538
- aphasic anomia; word-finding defects/semantic lexical disturbances relationship; 8804535
- Arabic proverbs; semantic taxonomy; young adult males' pile sorting; 8803322
- Arabic sentence structure; Prague school functional analysis; constituent order variation, communicative functions; 8803117
- Arabic slips of the tongue; classification/theoretical significance; 8802223
- Aristotelian fallacies; knowledge-seeking questioning games; J. Hintikka's question-answer theory/interrogative model; 8801950
- aspect; diffuse-focused opposition; Mandarin Chinese aspectual system analyzed; 8803291
- aspectuality/actionality, Contemporary French, terms validity; research tasks; 8808135
- attributive relation semantics; individual-/general-reference sentence, cause/condition meaning; German material; 8808264
- auditory word recognition, sentence context role; interactive processes constraints; 8800039
- autistic children; sentence comprehension/semantic knowledge; agent/patient/location relations; 8802180
- Azerbaijani terminological compositions, semantic typology; 8805882
- Barbu, Ion; poetic credo; 8806804
- Barwise, Jon/Perry, John, *Situations and Attitudes*; review article; 8808272
- basilectal Belizean Creole copula; *da/a* syntactic/sociolinguistic functions; creolization/decreolization/semantic change; 8803284
- Bengali morpheme *tā*; semantic/morphological functions, connotative/identifying values; 8800905
- big* interpretation; object differences effect; 8804709
- bilingual lexicography, translation equivalence; comparative lexical/contrastive text semantics; 8806546
- bilingualism, early/late onset; semantic interference concept formation, cognitive style; 8807955
- binary composition, poetry; F. de Saussure's *loi de couplaison* (law of coupling); C. Baudelaire's "La Cloche fêlée" (The Cracked Bell) analyzed; 8806791
- Brøndal, V.; *Théorie des prépositions* (Theory of Prepositions); linguistic analysis/intentionality; 8801222
- Bulgarian core vocabulary, Kent's/Russanov's *The List of One Hundred Words* translation/expansion, semantic fields/associations, anthropocentric principle; 8806551
- Canadian Métis dialect; Algonquin/French/English features; syntactic/semantic structure; 8803904
- categorical grammar; computationally tractable model constructed; English syntactic/semantic problems treated; 8801181
- category evolution; social convergence processes role; animal labeling; children aged 1/2/3 years; 8800037
- category-specific aphasia; naming deficit; multiple semantic representation systems; 8809447
- causal attribution; verb type/participant animacy effects; prototypicality parallels; 8807154
- causal connectives *because/so*, children's/adult's use; children aged 4-6/7-9, adults; 8807178
- causal relata, compound emphasis; D. Davidson's claims, F. Dretske's refutation disproved; 8800921
- Central Cuba Spanish Bantu items, semantic changes, lexicographic vs Cuban meaning; 8803918
- child color vocabulary development; age/sex; Italian elementary school children aged 7-11; 8802331
- child language acquisition; agent/instrument noun semantic/morphological analysis; natural morphology hypothesis, age factor; normal vs Down's syndrome children; 8804799
- child language acquisition; meaning first hypothesis refuted; gender/count-mass noun distinctions; 8804773
- child language acquisition; mother's speech effects; semantic primacy; Dutch motherese utterances; 8802284
- child language development; stimulus equivalence relationship; normal/retarded/language-disabled preschool children; 8804735
- child language; referential/expressive styles; linguistic/nonlinguistic domains; short-term longitudinal study; 8800056
- children's word learning; fast mapping strategy; color/shape/texture words; 8801634
- children's word understanding; semantic/metalinguistic knowledge development; sentence/word/syllable segmentation; 8802337
- child's semantic processing; computer simulation; parser database, algorithms development; 8800945
- Chinese assertive sentence adverbs/suggestive modal particles, syntax/semantics; scope, sentence topology/hierarchy; 8808113
- Chinese disposal construction, Sui-Tang period; semantic relations types; 8803766
- Chinese scope adverbs/degree particles, syntax/semantics; scope/syntactic domain/accent role/presupposition expression; 8808195
- Chinese words, semantic type distributions; 8808255
- Chinese *yi* examined; related phrases; 8800911
- Chinese *zai* 'again'; lexicographic study; reiteration concept; 8806559
- Chukchee (Paleosiberian) absolutive; syntax/semantics/pragmatics; 8800841
- Classical Sanskrit/Prākritis passivized causatives; semantics/syntax; valency changes; 8800758
- clausal form/quantifiers, natural language; donkey sentences problems; sentence meaning representation; 8803529
- cognitive notions, linguistic realization; time/space/possessivity/indefinite quantity/color; conceptualization/exteriorization process analyzed, speech level; 8800943
- cognitive semantics, discourse representations; H. Kamp's theory critically examined; conceptual representation notion; 8808268
- cohesion relationships, Russian pedagogical texts; L. Hoffman's cumulative text-analysis model applied; 8803484
- color perception/naming, neurophysiological/linguistic data; opponent vision linear theory contradiction; English speakers; 8805891
- communication process modeling; C. Shannon's/W. Weaver's transmission model critically evaluated; A. Korzybski's general semantics model advocated; 8801649
- communicatively handicapped children; nonverbal communication devices use; semantic representation systems; 8807108
- comparative constructions; semantic analysis; quantificational/verbal properties; 8805866
- comparative syntax; language universals; passive/grammatical relations/accessibility hierarchy; 8806428
- complete precedence/temporal overlap; H. Kamp's notion critically examined; tense/aspect semantics; 8800889
- computational language analysis; meaning classification system; Japanese predicates; semantic restrictions; 8803841
- computational linguistics; natural language processing/linguistic theories relationship; unification grammars; 8808498
- computational multilingual thesaurus compilation; lexical units' semantic equivalence, conceptual/extralinguistic/linguistic differences; 8803824
- computer-assisted text processing, Russian particles *razve* 'really?'/*neuzheli* 'really? indeed!' semantic/modal/pragmatic meanings; 8806402
- computerized terminological study; database refinement/expansion possibilities; semantic information thematization; 8800644
- concept history; lexicological contribution, social consciousness linguistic reflection; *Arbeit* 'work' sememes, S. Brant's/T. Murner's writings; 8808854
- conceptual knowledge; semantic systems; neuropsychological research relevance; 8804711
- conceptual structure; lexical approach; emotion concepts; 8800928
- concession; traditional treatments critically reviewed, argumentation theory approach developed; 8801060
- concessive sentence, definition/typology, semantic-modal criteria; Romanian-Bulgarian-German concessives; 8806374
- connotation, meaning status; connotation/denotation relationship; typology, lexicographic relevance; 8804076
- content word/function word differentiation criterion; content word as a noun/nominalizable unit; 8800947
- context, linguistic definition problem; static vs dynamic conception, language as communication; 8806158
- contextual indifference hypothesis; distributional study, scalar nature; 8803275
- contrast connection semantic features/pragmatic function; English *but*/Spanish *pero*; 8805881
- control theory, Chinese; verbs tensed/untensed clauses, syntactic predictability; matrix verbs' lexical meaning/pragmatic factors; 8808525
- control, semantic-pragmatic interface; control theory/formalization, Theta-specifications, control verbs classification; 8808263

- "coppice," Indo-European semantic development; Greek root etymology; 8801338
- counterfactual conditionals; semantic analysis; negation/presupposition/possible worlds; 8809239
- counting, cognitive operation/linguistic realization; linguistic-philosophical analysis; Russian material; 8805834
- creole languages; typological implications; structural/historical features; 8806155
- Cresswell, M. J., *Structured Meanings: The Semantics of Propositional Attitudes*; critical review; 8803286
- Czech chiseling/carving/turning terminology, diachronic perspective; terms' etymology/semantic evolution/metaphorization/idiomatization; 8808869
- Czech contrastive connectors; syntactic/semantic role/meaning/status; 8803208
- Czech local names derivation; toponymic bases, word-formational pattern/semantic motivation; 8808819
- Czech secondary prepositions' syntax/semantics; L. Kroupová's *Sekundární předložky v současné spisovné češtině* (Secondary Prepositions in Contemporary Written Czech) review/outline; 8803211
- Czech translations compared, I. S. Turgenev's *Vernal Waters*; J. Hrubý's/V. Očadlíková's versions, text-cohesive devices; 8802980
- Czech/Russian verb 'remain', differences; comparative analysis; 8808226
- Daco-Romanian *fîntină* 'well'; Latin *fons* 'spring' vs 'fountain'; literary Romanian/administrative jargon influence; 8800920
- database semantic information content measure; Yu. Shreder's/Y. Bar-Hillel's/R. Carnap's approaches, R. Benerdzhii's ambience model; 8803840
- definite descriptions; referential/attributive uses; K. Donnellan's/B. Russell's/S. Kripke's positions; 8801957
- definiteness; inclusive reference approach revised; 8800915
- definition, logical/linguistic components; logical criteria, linguistic realization; Russian material; 8800859
- deverbal adjectives' nominal use/semantics; derivative suffix role; Ukrainian data; 8803359
- dialogic language processing; spatial descriptions, semantic analysis; description schemes; 8802268
- dialogue; misunderstanding role; conversational requirements; 8804382
- dictionary articles, semantic-theoretical foundation; Chinese-German bilingual lexicons; 8801572
- dictionary compilation, meaning treatment; recent semantic research relevance; 8806553
- direct priming effect; word pairs; semantic/perceptual tasks; 8802376
- disambiguation, prosody role; interactive processing; 8807188
- discourse comprehension; story grammar problems; sequential processing model proposed; 8803469
- discourse production/comprehension; formal properties; enunciative process; 8801273
- discourse representation theory; frame representations/compositionality; 8806121
- discourse structure/information management; local coherence model; English discourse markers/connectives, sociolinguistic study; 8803490
- "disinterested speech"; H. P. Grice's conversational maxims, John May's arguments reviewed; 8803327
- disjunctive coordination; exclusive/inclusive semantic relations; Latin-Spanish evolution, functional analysis; 8803194
- doublespeak; euphemism/jargon/bureaucratic/inflated language; political/military/business uses; 8803305
- Dutch eponyms; word-formational patterns/orthography/semantic classification; 8801529
- Dutch loanwords, Indonesian; historical background, difficulties/successes; phonological adaptation processes; 8808726
- Dutch nominal composition formation; determinant word selection, verb root vs noun actionis; suffix *-ing* productivity; 8808283
- Dutch pronouns *zich/zichzelf* 'oneself, himself' syntax/semantics, M. Everaert's/A. Pauw's analyses critiqued; "frame of mind" solution proposed; 8808206
- early child language; agentivity/control, linguistic marking; self-reference forms; English-speaking children; 8804727
- early reading difficulty; metalinguistic awareness relationship examined; sentence revision ability; second-grade students; 8802826
- early word acquisition; maternal speech effect; syntactic/semantic aspects; children aged 1;1; 8804776
- East Slavic cattle market terminology, borrowing/metaphorization; A. F. Zhuravlev's 'Obmyvanie kopyt' reviewed; 8808269
- Emai (Niger-Kongo) semantic noun classes, reference-point marking; discourse/lexical semantics relationship; 8808395
- Emberá-Spanish time designation/notions; conceptual/denotative differences; 8803290
- emotion adjectives, similarity evaluation/rating; multidimensional scaling procedure/cluster analysis; judgment criteria/emotion-antecedent factors relationship; German adults; 8804706
- emotion terms, affect attribution; cross-cultural analysis; semantic space factor; 8800032
- emotionality, Azerbaijani linguistic expression; 8805864
- English absolute constructions; adjuncts/absolutes; Montague semantics supported; G. Stump's *The Semantic Variability of Absolute Constructions*, review; 8805860
- English absolute constructions; various types illustrated; 8803240
- English anaphora; adverbial clauses; syntactic analyses rejected/semantic alternative proposed; 8808514
- English anaphora; pronouns/*another* contrasted; categorial binding theory; 8800803
- English aspect/*aktionsart* (action type) categories; perfective/imperfective aspect, state/habit action type difference; 8805700
- English aspect; perfect/progressive/durational phrases; truth conditions; 8808254
- English *at*, meanings relationship; semantic prototype/derived senses motivation, application/basic spatial sense domains analogy; 8808273
- English bare plurals; dependent reading/distributivity; 8805710
- English *be*, auxiliary/verb; single lexical unit proposed, correspondence rule; 8803335
- English causative/middle constructions; semantic analysis; agentivity/causation relationship; "break"/"cut" class verbs; 8805892
- English change expressions, logical-semantic structure; explicit/implicit realizations, causative/noncausative types; 8805868
- English comic dictionary; modern life commentary; 8801570
- English comparatives; semantic interpretation; comparative operator; 8800901
- English conjunction *and*; early/modern writings; semantic/structural relation marking; discourse cohesion; 8800850
- English control verbs; interpretive analysis; lexical features/logical form rules; 8806159
- English dative alternation; second-language learning; acceptability-judgment tasks; Japanese college students; 8800449
- English diminutives' evaluative/objective-denotative aspects; context role; typology; 8808261
- English echo questions; prosody, syntactic/semantic aspects; 8803073
- English estimative sentences; communicative-pragmatic typology; 8808344
- English *few/a few*; focal differences; sentence continuation procedure; 8808256
- English first/second person pronouns; children's learning; cross-sectional studies/intervention experiment; 8800096
- English *fixin' to*; Mid-South dialect; semantic analysis; interviews, questionnaire; 8803934
- English *good and well/well and good*; semantic/syntactic differences; 8800925
- English gradable adjectives; semantic analysis; J. Rusiecki's *Adjectives and Comparison in English* reviewed; 8803137
- English homonyms/homophones/homographs; language teaching implications; 8808251
- English iambic verse; rhythmical figures, semantic/stylistic functions; 8801840
- English *if*-sentences; V. Dudman's objections refuted; 8800903
- English *just*; semantic analysis; meaning category interaction; doctor-patient interviews; 8800930
- English kinship terminology; production grammar; reduction/structure/morphological rules; 8800807
- English lexicon; Chinese borrowings; 8806429
- English middles, ergative constructions compared; semantic analysis proposed; 8805723
- English modal usage; factual *that* clauses, *would/should*; 8805739
- English modal verbs; pragmatic-semantic framework; personal/objective modality; instructional implications; 8800913
- English modals *must/may/can/should/will*, assertions, semantics/pragmatics/syntax; speech act analysis; 8808253
- English NP-*be*-NP tautologies; semantic information contribution; 8808231
- English number agreement, meaning/syntactic form basis; 8808169
- English partitive construction; syntax/semantics/pragmatics; child acquisition/adult use; 8805690
- English passive acquisition; semantic constraints; thematic roles/grammatical functions; 8800099
- English possibility elements; contextual behavior differences; 8803282
- English post-determiners *same/different*, event-related semantics; sentence internal readings, distributivity; 8803273
- English pragmatic expressions; *you know/I mean/you see*; functions/grammatical constraints; 8805978

- English *pregnant*; semantic components; explanatory combinatorial dictionary framework; 8808863
- English productive causative verbs; syntactic/semantic properties; *to* deletion rule proposed; 8808519
- English *rain/snow*; E. Hemingway's use; semantic properties; 8800929
- English reflexivization; syntactic/semantic/pragmatic factors; R. B. Lees's/E. S. Klima's analysis augmented; 8803233
- English scientific text prefaces; structural-semantic peculiarities, 18th-century corpus; preface organization pattern; 8806007
- English semantic space, mathematical modeling; natural language computing, knowledge representation theory; 8803848
- English semantic/pragmatic fuzziness; typology; 8800900
- English sentences; intensional contexts/logical entailments; new intensional logic; 8806884
- English simple verb form, underlying meaning; Z. Vendler's event classification examined; 8808239
- English *some/any*, discourse functions; unconscious mental system; 8808238
- English specific indefinite subject noun phrases; literary motivation/linguistic justification; 8803288
- English subordinate *if*-clauses; verb phrase structure levels; semantic/intonation differences; 8808515
- English support verbs; idiomatic expressions; semantic properties/syntactic frozenness; 8805764
- English suprasegmental phenomena; syntactic/semantic correlates; compounds/nominal *-ing* constructions/genitival phrases; 8808045
- English temporal prepositions/subordinate conjunctions; rule determination/semantic meaning distinction; Dutch temporal replacement; 8808222
- English tense/aspect interpretation; time frame/present point, state indicator; sentence structure temporal analysis; 8800948
- English verb, semantic/syntactic relations; dictionary treatment; *bake* example; 8808839
- English viewpoint subjuncts; syntactic/semantic properties; word order variation; 8803147
- English *wake*, transitive verb use; formation development; 8800909
- English *will/be going to*, semantic relation; modal verb probability marker analysis; 8803308
- English, Japanese users/uses; English loanwords, phonological/orthographic/semantic properties; 8801444
- English, naming/foreign-language learning/international language issues; reply to W. Kilborne; 8803307
- English-based creole, disambiguation; discourse filter, speaker competence; 8805836
- English-Chinese interinfluence; English nativization/Chinese English-ization, morphological/syntactic/semantic aspects; 8803919
- English-Ukrainian lexical-semantic field "respect"; structural characteristics, quantitative/qualitative comparisons; 8803777
- English-Ukrainian size expression; comparative analysis; interlinguistic semantic relationships; 8801381
- English/German morphosyntax; systematic differences; J. A. Hawkins's *Contrastive Typology of English and German* reviewed; 8806373
- English/Russian prefixal verbs; semantic status examined; ambiguity similarities/differences; 8803893
- énonciation*; historical overview; pragmatic/neostructuralist approach compared; 8801024
- enunciation/text distinction/grammaticality/acceptability, syntactic vs semantic-pragmatic judgment; 8806064
- environmental sounds psychological representation; acoustic vs verbal presentation; multidimensional scaling analysis; "continuity," mental code central element; 8804845
- episodic/semantic memory; functional independence tested; lexical decision/recognition tasks; 8802267
- Erlangen speech recognition system EVAR; semantic analysis component description; valence/case theory basis, pragmatic elaboration; 8803806
- European Economic Community metaphorical description; personification, growing organism; journalistic texts/parliamentary speeches; 8808398
- EUROTRA, European Community project; nouns' semantic valence; eclectic approach; 8803852
- expectation-violation effect; semantic relatedness effects; 8802378
- fictional character names, semantic content; M. Proust's *Honoré* (*Les Plaisirs et les jours* (Pleasures and Regrets)); 8808822
- Fillmore, C.; case grammar papers; 8801164
- Fillmore, Charles J.; case semantics critique; deep case notion, instrumental case; 8806145
- Finnish deverbative derivatives, *-in* : *ime-* type; verb stem/suffix semantics; 8808296
- Finno-Ugric/Indo-European semantic parallel, 'to write'/'to paint', Balkan languages, Bulgarian/Hungarian/Old Greek/Arumanian; 8803886
- first order modal semantics; transformational model proposed; 8806870
- focused memory search, semantic cases; complex question answering; relevant case retrieval; 8804715
- "force dynamics," semantic category; entity interaction; language/cognition structure; 8804670
- foreign-language learning; lexical boundaries; native English speakers/Spanish-speaking English learners compared; 8805170
- formal semantic theory; critical overview; 8801191
- FRANTEXT text database, single word evolution; French *expression* 'expression', 1750-1850 uses; 8808842
- French adjective-governed subordinate clauses; infinitives/completives; syntactic/semantic properties; 8800777
- French aspect; different approaches compared; 8808215
- French aspectual verbs; syntactic analysis; raising/control structures; 8800808
- French *avec* 'with'; comitative/instrumental meanings; monolingual French/French-Italian bilinguals; 8805779
- French causative diathesis, German equivalents; functional-communicative language description framework; 8806390
- French construction *Sylvie a les yeux bleus* 'Sylvia has eyes of blue'; semantic/syntactic properties; 8808136
- French four-part verbal system; *être* 'to be', *avoir* 'to have', *faire* 'to do/make', *devenir* 'to become'; semantic system; 8803279
- French *grâce* 'grace'; three-actant structure; historical evolution; 8801343
- French grammatical tense, semantic values; foreign-language teaching applications; 8805714
- French imperfect modality; syntactic/semantic features; 8805802
- French indefinite article *des*; plurality expression; occurrence contexts/semantic traits; 8808198
- French language usage, secondary school students, Lubumbashi, Zaire, phonetic/morphosyntactic/lexicosemantic features; 8805019
- French lexemes *grâce* 'grace'/'*merci* 'mercy'; semantic structure/evolution; 8804069
- French lexicon; term semantic evolutions correlations; 8804074
- French *me(s)-* prefix; Spanish equivalents; comparative study; pedagogical implications; 8801388
- French Neg-raising verbs; semantic properties; 8800926
- French nominal adverbs; syntactic/semantic characterization; 8808112
- French perception verbs; semantic/syntactic features; 8803157
- French possessive pronouns, syntax/semantics; traditional treatments/transformational-generative account; 8808109
- French preposition *pour* 'for'; temporal functions; 8803336
- French *presque* 'almost'/'*à peine* 'just, barely', approximation expression; semantic analysis; fuzzy set theory application challenged; 8805857
- French pronominal system; third person forms; teaching methods; 8803234
- French *sans/sans que* 'without'; semantic analysis; pragmatic presuppositions; M. Riegel's/R. Zuber's analyses; 8803300
- French *tu/vous* 'you'; translation problems; semantic modulation use; 8805574
- French verb *prendre* 'take, grasp'; semantics/pragmatics; case grammar analysis; 8803548
- French word order; object complement ordering; semantic factors; *traduire* 'to translate' example; 8803238
- French/English gapping phenomena; deletion analysis rejected/feature transmission analysis proposed; 8808185
- Fulfulde (Niger-Kongo)/Cushitic middle voice verb forms; typologically related behavior, transitivity/intransitivity/reflexivity; 8808218
- function word, lexical/grammatical status; action-oriented integral description framework; German material; 8808879
- functional-semantic field/compositional-discursive forms relationship; true-false modality, argumentative texts, speaker's subjective viewpoint, German material; 8805898
- funny errors, typology; language/humor relationship, linguistic ambiguity, funny results; 8800942
- Funo Japanese dialect; verbal system; formal/semantic features; 8805950
- Galician poem *Cantigas de Santa María* (Odes of Saint Mary); agent indeterminateness, functional analysis; 8803150
- game-theoretical semantics, truth-definition; classical first-order logic; 8809244
- general semantics, semiotics relation; A. Korzybski's philosophy; 8801928
- generative transformational grammar; semantic applications; componential analysis/network models; 8803550

- generative/interpretative semantics, extended standard theory; competence/meaning components, semantics/syntax relationship; 8808257
- genus/species synonymy; A. B. Shapiro's claim contested; logical/denotative similarity confusion; 8803330
- German action verbs, cause-effect relationship expression; valence value, actant structure; facultative/obligatory correlates; 8800781
- German cabaret puns; typology, semantic context criterion; 8800983
- German conjunction *ohne dass* 'without', syntactic function/semantic value/meaning; preposition *ohne* 'without' distinction; 8805831
- German deverbal proper names formation; semantic limitations, constraining sememes; 8803319
- German dialectal temporal phrases, areal description; structural-semantic modeling approach; ideographic principle; 8803325
- German emphatic stress; oral discourse property, communicative-pragmatic function; semantic-phonological hybrid; 8805674
- German *gewiss* 'certain'; hedging functions; intensification/weakening; 8805897
- German hedges; Spanish equivalents; fuzzy sets/relative classification; 8806396
- German *Lust* 'pleasure, inclination, lust', meaning associations; *Grazer Linguistische Studien* 25th issue celebrated; 8800918
- German modal particle *doch* 'yet/however' meanings; possible-world semantics framework; structural sensitivity; 8800931
- German modal words, request-expressing sentences; semantic features, syntactic distribution, pragmatic functions; 8805719
- German moods; syntax/semantics; unified grammatical description; 8803354
- German negation, micro-/macro-analyses; second-language teaching implications; word/sentence/text levels, semantic/syntactic/morphological aspects; 8803225
- German nominalization; production pattern/semantic interpretation; verb's thematic role abstraction; 8808259
- German phrases, folk-etymological reinterpretation/element substitution; verbal/comparative/exclamative phrases; 8803333
- German pre-forefield expressions, typology; semantic-pragmatic peculiarities, metacommunicative value; 8805808
- German *Rate*, old/new meanings; 'installment'/'frequency'; English *rate* assimilated; 8801445
- German relative sentences, typology/semantic value; causal/concessive/adversative/temporal/semi-adverbial; 8800951
- German semantic cases typology/description, valence framework; 8803250
- German sentence adverbs, *wahrscheinlich* 'probably'/'*möglicherweise* 'possibly'/'*vielleicht* 'perhaps', speaker's attitudes/certainty expression; 8805840
- German sentence computer-aided analysis; verbal sememes formalized description; semantic structure/syntactic valence/case relations; 8803820
- German sentence-like situational ellipses, semantic indeterminacy; conceptual/interactional processing, syntactic/semantic representation; 8808194
- German *Sonderbehandlung* 'special handling/treatment', word meaning history, West German context; 8805845
- German structures *sein* 'be' + *zu* 'to' + infinitive; modal value/semantic ambiguity/passive voice interchangeability; legal texts; .. 8808166
- German weak masculine nouns; semantically based class, language-specific/universalist traits; 8803347
- German *werden* + infinitive "future"; temporal/modal; uncertainty expression; 8803226
- German-Czech prefixed verbs compared; quantitative/semantic equivalence, aspect/action type; 8801391
- German-French demonstratives; referent identification approach; referent presence constraint refuted; 8808672
- German/English intonation functions; comparative study; semantic/grammatical/thematic structure; 8800725
- Goethe's *Faust I*, English translation; semantic/grammatical evaluation, lexical equivalence; 8807987
- grammatical analysis limits; juxtaposed/hypotactic/paratactic sentences; grammatical/psychological subject; aesthetic/semantic constraints; 8800772
- grammatical terminology, 14th-/15th-century insular French; Latin-French "semantic borrowing" tradition; 8808867
- grammatical/semantic correlations; Mammata's theory; E. E. Cummings's poem analyzed; 8801830
- grammatical/semantic processing; auditorily presented sentences; auditory memory-impaired left brain-damaged patient; 8802445
- grazing*, origin/temporary use, cows vs humans; 8808247
- Grillparzer; *Sappho*, *Diadem/Kranz/Krone*, etymology/symbolics/frequency statistics; 8800910
- Halliday, M. A. K., *Introduction to Functional Grammar*; review article; 8806139
- hedges; English as a second language teaching implications; proposition/comment distinction; 8802571
- Hindi transitivity, descriptive framework; Hindi particle *ko*; 8808250
- Hindi verb *lagñā*, linguistic behavior; grammaticalized meanings; historical explanation; 8806350
- Hornstein, N.; quantifier typology; J. Hintikka's objections answered; 8803535
- human cognition; classification/language; hierarchical systems; pre-schoolers' appreciation; 8800109
- human semantic memory; rapid semantic processes, intermediate products; 8800045
- Hungarian phonological rules, application domains; phonology/syntax interface theories evaluated; 8803104
- Huntington's disease; lexico-semantic deficiencies; semantic priming task; spreading activation; 8802442
- hyperonym/hyponym semantic relationship; dialectical nature; paradigmatic/syntagmatic level; Russian material; 8801525
- hyponymy, semantic analysis; set-theoretical framework; inclusion/subordination relations, content/expression levels; 8803326
- Ibero-Romance *ser/estar* contrast; Vañó-Cerdá's *Ser y Estar + Adjetivos: Estudio sincrónico y diacrónico* (*Ser* and *Estar* + Adjectives: A Synchronic and Diachronic Study) reviewed; 8801803
- idiomatic expressions; children's understanding; linguistic factors effect examined; 8802307
- if-then* sentence interpretation; content/context effects; reasoning theories/instruction design; age differences; 8802300
- Ife (Niger-Kongo) verb mood; particle co-occurrences; semantics; 8803134
- implicit arguments, situation semantics; chains of relations, "inferred" events; 8808246
- inclusive language, publishers' language policy; sexism; 8801762
- indefinite reference, referential opacity; Krio/Mandarin Chinese/spoken English case studies; 8806110
- indirect activation; semantic/phonological contexts; word completion test; 8800046
- indirect question semantics; Montague/game-theoretical approaches contrasted; formal meaning theory; 8805849
- Indo-European etymon, semantic reconstruction; statistical/logical criteria; historical/derivational meaning; 8801364
- Indo-European number system universals; numeric system theory requirements; 8804359
- Indo-European/early Germanic worldviews; 'blood' images; root metaphor analysis; 8803699
- information, material/semantic forms; basic ontology outlined, metaphorical approach; encoding role; comments, reply; 8807181
- insomniacs' speech; semantic analysis; self references; 8804562
- intensional semantics, formal approach; extensionalistic approach criticized; 8804379
- intensional semantics; predicates/things; N. Goodman's view supported; 8803338
- intentional content; content attribution/individualism; T. Burge's approach examined/rejected; 8804423
- international maritime transportation vocabulary; English language use; 8808762
- intonation/semantic nuance relationship; dramatic plays, actors'/readers' intonation/meaning variation; 8805646
- intonational structure; spontaneous language; prosodic-syntactic/prosodic-semantic/accidental rules interaction; 8804474
- Inuit suffixes *-vu-/-ju-* distribution, Eastern Arctic dialects; semantic representation distinctions; 8808297
- island constraint distribution asymmetry; functional explanation/generalizations; 8808451
- Italian causative verbs' meaning analysis, J. Katz's framework, primitive features/variation fields; 8805874
- Italian feminine terms; morphological/semantic analyses; native-speaker/dictionary data; 8804250
- Italian preposition *di* 'of', semantic analysis; subjective/objective genitive cases; J. Vendryès's "empty word" notion; 8805838
- Italian restrictive relatives; indefinite head NP interpretation; tense/mood/matrix verb type; 8808211
- Italian/Romanian supplementary predicative elements; syntactic functions/semantic features, predicative-copulative verb passage/hierarchy; 8803318
- Jackendoff, R., *Semantics and Cognition*; review article; 8803339
- Japanese adverbs *namaji* 'thoughtlessly'/'*sekkaku* 'with trouble'; meaning similarities; 8808240
- Japanese classifiers *-ken/-mune*; semantic analysis; prototype structures; 8808252

- Japanese degree adverbial *tashō* 'fairly'; lexical/semantic properties; 8808271
- Japanese modifiers; future time differentiation; 8803296
- Japanese morphological tense forms; temporal interpretation; simple/complex/conditional sentences; 8803289
- Japanese negation; quantifier phrase interaction; case particles effects; 8808157
- Japanese "passive," *-(r)are-* verb stem formant, semantic functions; affective aspect; 8805750
- Japanese pronominal designatives; scientific/technical texts use; 8806025
- Japanese syntax; nontransformational phrase structure analysis; anaphora/control, syntactico-semantic approach; 8805732
- Japanese 'this'/'that'; three divisions; cultural territorial aspects; general semantics; 8803293
- Japanese verb action categories, transitive/intransitive; children's acquisition; semantic, formal factors; 8804796
- Japanese-English translation issues, general semantics perspective; demonstrative pronouns, nature dissection; 8808009
- Jewish English; semantic specialization/terminology origin; scholarly study urged; 8801473
- juxtaposed binominals; pragmatic/semantic/syntactic examination; E. Benveniste's framework; 8803151
- Karitiāna (Brazil) discourse structure; sentence-linking conjunctions; causal/temporal/additive semantic categories; 8801056
- Keenan, E. L./Faltz, L. M., *Boolean Semantics for Natural Language*; review article; 8805893
- Ket (Yeniseian) verbal formants *b/q*; pronominal past, current semantic value; 8803727
- kin classification; markedness relations; J. Greenberg's hypotheses revised; 8803616
- kinship terms, psychologically real meaning; R. Burling's, A. Wallace's/J. Atkins's arguments refuted; lexical universal semantic analysis; Australian Aboriginal languages application; 8808274
- Kiyaka (Niger-Kongo) object agreement markers; topicality hierarchies role; 8805749
- knowledge/being relationship, onto-semantic matrix proposal; ontological/semantic perspectives tension; 8806875
- Korean conjunctions *ko/a/ə*; syntactic/semantic differences; 8808170
- Korean negation; recent semantic/pragmatic analyses; 8803309
- Korean numeral classification; concept-related nouns, noun classification syntactic criteria; numeral classification/morphological plural; 8803378
- Korean speech act verbs; semantic/pragmatic classification; 8803274
- Korean topic/conditional relative constructions; morphological/semantic interrelatedness; archimorphemic linguistic level postited; 8800860
- Kripkean tense logic; predicate modifier addition; quantifier-operator mixing/temporal adjectives; 8806864
- Krongo (Nilo-Saharan) description; M. Reh's *Die Krongo Sprache (niino mo-di): Beschreibung, Texte, Wortverzeichnis* (The Krongo Language *niino mo-di*: Description, Text, Word List); review; 8806239
- Kuna (Central Amerindian) morphosyntax; auxiliarity/directionality/eventual modality, semantic analysis; ethnocultural implications; 8801259
- language acquisition delay; phonology/syntax/semantics interaction; preschool children; 8804782
- language analysis, central issues; K. Bühler's contributions; sociocultural aspects, artificial language processing systems organization; 8803324
- language change; analogical reformation; onomasticon prototypicality; 8803278
- language comprehension process; modularity framework, states/operations/organization modules; experimental data reinterpreted; 8802238
- language elicitation tasks, two-year-olds; unstructured/structured types compared, effectiveness; 8807237
- language for special purposes study; collocations/verb use/phraseology; 8800674
- language philosophy; truth-theoretic semantics; W. G. Lycan's *Logical Form in the Natural Language* critically reviewed; 8806879
- language processing; semantic priming effects; spreading activation/discourse models compared; ninth-grade students; 8800040
- language theory; cognitivist/objectivist approaches; G. Lakoff's *Women, Fire, and Dangerous Things* reviewed; 8808471
- language transfer; Navajo/Western Apache native speakers; written English texts examined; verbal modes/aspects; 8805961
- language understanding, truth-conditional semantics; game-theoretic semantics approach; "pronouns of laziness"; 8804390
- Latin adjective *dignus*; derivatives/semantic history studied; 8803652
- Latin *cauda* 'tail'; Greek semantic parallel; 8803674
- Latin homonym *ius* 'broth, soup'/'right, law'; tongue-in-cheek treatment; 8800902
- Latin litotes; negatio contrarii, syntactic/semantic/pragmatic properties; functional grammar analysis; 8808147
- Latin *nōdus* 'knot'/'*nūx* '(wal)nut'/'*nūrus* 'daughter-in-law', Romance transmission; phonetic/semantic analogies; diachronic study; 8803706
- Latin noun complements, functional analysis; syntactic/semantic/pragmatic functions; 8805759
- Latin prepositions; Romance developments sketched; 8803645
- Latin word order; subordinate clauses; syntactic/semantic/pragmatic factors; displacement/informational status; 8805788
- Lenin, V. I., Latin popular expressions use; semantic/structural modifications, connotative expression; 8804304
- lexical comprehension; experimental data/explanatory models, logogen/cohort/trace models; 8802237
- lexical decision effect, auditory semantic judgment; divided attention; right-/left-hemisphere-damaged adults; 8807325
- lexical decision; Serbo-Croatian low constraint adjective contexts; congruous/incongruous situations; 8800022
- lexical knowledge/linguistic knowledge/conceptual knowledge relationship; lexical system/mental lexicon relationship; lexical entries ordering, lemma/lexeme subsystems; 8802236
- lexical meaning inference; context role; decontextualization strategy, cohesive patterns/generalization/aspect hierarchies utilization; automatic language processing implications; 8804716
- lexical meaning; ideological knowledge role; semantics/cognition relationship; 8808223
- lexical memory; syntactic/semantic priming effects; automatic spreading activation/limited capacity attention mechanisms; 8802367
- lexical memory; word recognition; interconnected concept node network; activation growth, continuous models; 8800052
- lexical polysemy/semantic variants, langue/parole dichotomy approach; reduced sememes multiple realization; 8803297
- lexical semantics; "commonsense metaphysics"; core theory construction; 8808704
- lexical semantics; contextual approach; opposition/synonymy; 8800912
- lexical semantics; marginal treatment, historical perspective; East German lexical semantics tradition, theory/objectives; 8808276
- lexical-semantic processing; object naming/semantic judgment tasks; Alzheimer's/aphasic patients; 8807187
- lexical/semantic reconstruction, Austronesian "house" words; I. Dyen's/D. F. Aberle's approach; 8808593
- lexicography as applied semasiology; monolingual/bilingual dictionaries, word's meaning semasiological treatment; 8804062
- lexicology/lexicography, theoretical/practical problems; prototype/frame semantics, valence theory, Finnish-German comparative perspective; 8804088
- lexicon/grammar relationship; valence theory framework; actant's grammatical structure; valence carrier's lexical meaning influence; German material; 8803334
- lexicon's semantic diversification; G. Altmann's mathematical-statistical models correction; 8805884
- Lillooet (Interior Salish) 'pretending, acting like' forms; verbalizing morphological operations; semantic distinctions; 8805914
- linguistic knowledge; language understanding models; syntactic/semantic/discourse processing; artificial intelligence; 8804678
- linguistic meaning; discourse representation theory approach described; 8804389
- linguistic processing; hemispheric asymmetries; lateralized lexical decision task/semantic primes; 8800038
- linguistic semantics bibliography; major works; 8800916
- linguistics as a discipline; real-world applications; 8800171
- literal meaning; psychological reality; metaphor theory/semantics-pragmatics distinction; 8801163
- literary analysis; modal semantics relevance; U. Eco's *The Name of the Rose* examined; 8805974
- literary text analysis/interpretation; superstructure/macrostructure differentiation; 8804334
- literary thematic elements; semantic analysis; Shakespeare's sonnets; 8801841
- literary work translation/interpretation; Robert Musil's *Triedere*, polysemic structures, French/Dutch renditions; 8806799
- locution (expression) semantics; reinterpretation, idiomatization; 8803276
- logical semantics; linguistic expressions categories, denotations structure; generalized quantifier perspective; 8800949
- long-term semantic memory; brain hemispheric asymmetry; item typicality effects; 8800170

- Lydian *śrfašti*- 'left'; etymology/word-formation pattern, Indo-European root **sy-w-*, semantic evolution; 8808609
- Mandarin Chinese adverbs *cai/jiu*, focusing differences; unified analysis; 8803271
- Mandarin Chinese tone; neutral tone words, underlying representation; semantic factors; 8803063
- Mandinka (Mande) verb causative/transitive extension, suffix *-ndi*, word-formational patterns, dictionaries data; 8805916
- marketing communications research, semiotics/schema-theoretics approaches; 8809215
- Mauritius Creole; semantic transparency/lexical item selection; verbal shortening/predicate raising; 8805886
- meaning theories, natural language semantics basis; categorial grammar approach; 8804418
- meaning theory; Gricean approach rejected; conventionalist analysis proposed; 8801969
- meaning theory; mental states/representation; commonsense belief/desire psychology; 8809240
- meaning, linguistic varieties; idiolectal sign/"diasign"; polysemy/homonymy; 8805863
- meaning, mental representation; semantic network notion, alternatives proposed; 8804681
- meaning, recursive theory; G. Evans's tacit knowledge proposals; 8803285
- meaning, truth-conditional semantics; D. Davidson's approach revised; 8805833
- meaning/concept relationship/identity; concept visual/auditory/verbal composition; 8805841
- meaning/reference/truth/natural language; G. Kleiber's *Problèmes de référence: descriptions définies et noms propres* (Problems of Reference: Definite Descriptions and Proper Names)/R. Martin's *Pour une logique de sens* (Toward a Logic of Meaning) review/outline; 8805851
- meaning; truth-conditional theory, pragmatic basis; truth/language/reality relationship; 8806877
- meaningful tautologies; "X is X" form; lang use theory; 8800939
- medieval English future constructions; semantic/grammatical status; modal/temporal auxiliaries; 8803121
- memory structures; lexical fields/notional systems; conceptual categories; hierarchical organization; 8807157
- memory/learning; biologically valid distinct mechanisms; focal brain damage; 8802434
- meronymic relations; taxonomy developed; apparent syllogism intransitivity explained; 8802279
- metaphor appreciation; categorical/affective constituent similarities; semantic distance/cognitive variables; Japanese data; 8804708
- metaphor comprehension, semantic feature approach; definition bearing traits function; sixth graders; 8807242
- metaphor interpretation; factor analysis; Slovak material; 8800950
- metaphor selection; tenor/vehicle connotative meaning proximity effects; semantic differential instruments; 8807182
- metaphor/analogy comprehension; constrained semantic transference theory developed; 8802271
- Middle French *ainz/mais*; adversative conjunction marking; syntactic conditioning/semantic-rhematic functions; 8801315
- minimal quantifier, English/French examples; negation/problematic quantifiers described; 8801387
- modal adverbs; linguistic function; logical form/semantic interpretation; 8803524
- modal concepts; semantics/structural relations/universality; 8803340
- modal logic content semantics; Yu. V. Ivlev's *Soderzhatel'naya semantika modal'noy logiki* (The Content Semantics of Modal Logic) review/outline; 8805865
- modality, early development; F. R. Palmer's/J. Lyons's approaches; G. Le Bonniec's neo-Piagetian theory advocated; 8805870
- modality, linguistic/logical notion, integrative approach; J. Hintikka's possible world semantics framework; 8805858
- modality; possibility/necessity expression; speaker attitudes/propositional attitudes; 8803537
- model theoretic semantics; *Boolean Semantics for Natural Language* reviewed; 8803295
- model-theoretic semantics; logical truth/logical consequence relation; 8805843
- model-theoretical semantics; logical truths class; necessity properties exemplification; 8804402
- Modern Hebrew body part terminology; frame semantics analysis; experience-based schematizations; 8803316
- Modern Russian adjectival metonymy; metonymy/adjective types interdependence; displacement/associative/reflected metonymies; 8800907
- Montague grammar; fundamental notions introduced; Portuguese grammar fragment; 8806868
- Montague grammar; recent work reviewed; natural language quantifiers/question semantics/surface syntax; 8801198
- Montague's theory of semantics; pragmatic analysis; 8800906
- music/poetry relationship; expansion, grammatical/semantic levels; Schumann/Liszt; 8801904
- music; perception/interpretation; limbic/cortical systems role; music semantics; 8800917
- mutual understanding; G. Frege's sense-overlap claim; formal model proposed; 8801949
- Nahuatl; comprehensive descriptive grammar; 8808583
- name meaning; functionalist account proposed; narrow semantics; 8809249
- naming errors, lexical retrieval model; semantic/phonological variables; interaction activation model; 8807161
- narrative information; storage/recall; story grammars/constructed meaning roles; 8800044
- narrative text readability; linguistic/text structural/semantic-pragmatic factors; passage recall task; second-grade readers; 8807793
- natural language intensional contexts semantics; game-theoretical approach; 8803332
- natural language processing; integrated knowledge representation system; nonpropositional meaning encoding; machine translation; 8801414
- natural language propositional structure; predicate logic framework; formal semantics logical relevance; 8806419
- natural language quantification; generalized quantifier model; 8808447
- natural language; semantic theory adequacy criteria; D. Davidson's model; 8805895
- natural language; semantic theory/discourse domains; 8806872
- natural/computational language units correlation; conjunction/disjunction as linguistic/logical operators; natural-to-formal language translation problems; 8803859
- negated belief-attributions, semantical games; game rules formulated; pragmatic analysis compared; 8803533
- negative priming; ignored pictures/words; selective attention tasks; semantic processing; 8802277
- negative raising, Modern Greek evidence; weak assertive verbs, syntactic/semantic/pragmatic conditions; 8803197
- Nelson, K., *Making Sense: The Acquisition of Shared Meaning*; language/thought relationship; semantic development; 8804674
- neologisms; palimony" terminology creation; 8808248
- Nigerian French learners; Yoruba interference; phonological/morphological/syntactic/socio-semantic levels; 8805524
- nominal syntagm scope, syntax/semantics relationship; compositional linguistic theories framework; transformational-generative/universal/phrase structure/Montague grammars; 8806123
- nonword lexical decisions; closed-class words effect; special retrieval mechanism tested; agrammatism theory implications; 8809435
- Northern Pomo, topics; morphology/syntax/semantics/discourse pragmatics; 8808172
- noun meaning knowledge; age related differences; category verification/extension tasks; 8802269
- noun semantic realization, Russian nominal constructions; predicative/identifying nouns; noun-adjective combination difference; 8800828
- object noun phrase inclusive/noninclusive interpretation, "some"/"all" readings conversational principle; J. M. Lawler's account rejected; 8805839
- object utterance order; temporal organization/drawing; 24-hour interval effect; primary school students; 8802243
- obligatory control; semantic analysis; responsibility/about relations proposed; 8806130
- obviously/certainly; discourse functions; inferability indicators/epistemic modifiers; 8803384
- Old English verb *drēogan*; semantic range 'to do'/'to suffer'; chronological patterns; 8801300
- Old English verb-substitute *dōn*; communicative function; 8801131
- Old French verb *mener* 'to lead'; historical semantic/syntactic development; 8803647
- Old High German nature vocabulary; etymological/semantic analysis; wood/water terminology; 8803755
- onomatopoeia-based noun formation, word-formational stages, Kashubian (Baltic) wild bird names; etymology/phonology; 8805852
- oral reports; communicative semantics model; coagentivity; 8808417
- Ostyak descriptive vocabulary, meaning/sound symbolic correlations, nononomatopoeic words; denotat's expressive quality, phonetic representation; 8805883

- otitis media, semantic/pragmatic skills development, preschool children; educational implications; 8809354
- oxymorons, humorous appraisal; 8803272
- Papiamentu creole *di*, ordinal number formation; semantic analysis, substrate influence; D. Bickerton's comments addressed; 8805871
- paragraph structure; discourse aims/semantic movement/sentence roles; exploratory-poetic/informative-persuasive paragraphs; pedagogical implications; 8801076
- "park," text meaning category; phenomenological/semiotic/text-linguistic framework; music/literature/jurisprudence domains; 8801919
- paronymy, new definition; Hungarian data, typology; 8803980
- parts of speech; classificational systems; 8805800
- passivization; English/Korean/Japanese differences; objective/empathy-based affectedness; 8803796
- Pasternak, Boris Leonidovich; traditional meters reinterpreted, new semantics; 8809149
- Persian compound nouns; semantic/syntactic properties; percolation principle; 8800876
- personal appearance description, cliché use; Russian cliché/phraseologism; 8806001
- personality-descriptive verbs taxonomy; adjective structure compared; self-/partner-ratings; 8807126
- philosophy of language; meaning theory; introductory textbook; 8804401
- phonological/lexical processing; fluent/nonfluent aphasics; 8809428
- phraseological meaning formation; connotations role; cross-linguistic (Indo-European) material; 8805877
- phraseology, idioms; text role; form/content; semiotic status; 8803182
- pictorial/verbal information integration; general/specific sentence-picture presentation sequence; dual/common code semantic interpretation, dual-coding position elaboration; eleventh-grade students; 8804695
- picture naming; semantic knowledge accessing; discrete stage/cascade processing models; 8804707
- pleasant/unpleasant words' emotional meaning; trait anxiety; German material, semantic differential; psychology undergraduates; 8803303
- poems, semantic analysis; P. Verlaine's/R. Desnos's work; 8808220
- poetic text linguistic analysis; lexical/syntactic/phonetic/metric levels; A. S. Pushkin's poem analyzed; 8801833
- poetic word, semantic transformation; I. F. Annenskiy's *ogon* 'fire', cliché's semantic renovation; 8806776
- poetry; sound structure; Urdu poem, sound/sense correspondence; 8801792
- Polish/Russian prepositions; contrastive study; semantic content/function; 8803798
- Pollyanna hypothesis, adult aphasia patients; positive versus negative words; 8802113
- polysemous adverbs; homonyms/semantic composition analysis; sense relations; 8800922
- polysemy comparative study, typological perspective; problems/objectives/procedures; methodological suggestions; 8801375
- polysemy/heterosemy opposition; etymological/loanword relations; 8803314
- polysemy/synonymy; independent treatment proposed; complementary/contrastive senses; 8803277
- Portuguese apparently synonymous structures; adequate semantic explanation, argumentative pragmatics framework; rhetorical component importance; 8805855
- Portuguese apparently synonymous structures; Kanavillil Rajagopalan's critique rebuttal, statements clarification; 8805856
- Portuguese apparently synonymous structures; Rodolfo Ilari's account critically examined; radical pragmatics approach; static/dynamic interpretation distinction, gestalt theory; 8805880
- Portuguese causative constructions; syntactic/morphological patterns; semantic/pragmatic aspects; 8800742
- Portuguese complete clause mode selection; semantic/pragmatic factors, social/regional variants; 8808137
- Portuguese coordinating conjunctions; intersentential use; common semantic/syntactic/contextual values; 8800833
- Portuguese direct/indirect speech; elocutionary verbs; indirect speech transformation; 8801005
- Portuguese implicit negation; R. Ibáñez's classification validated; 8800838
- Portuguese noun compounding; Brazilian political vocabulary; suffixal derivation; 8808219
- Portuguese sentence; verb role; participants, hierarchical organization; 8808462
- Portuguese verb complements; semantic classification; verbal participants/semantic roles; 8800797
- pragmatic connectives; developmental aspects; functional/semantic/syntactic characteristics; children aged 4-6; 8807214
- pre-reading instruction; microcomputer lexical decision task; semantic memory/vocabulary instruction; reading comprehension; 8805480
- predicate nominals, "referring"/"predictional" types; diagnostics developed; discursive anaphora basis; 8808229
- predicate types; universal distinctions; facts/propositions/events; 8808262
- predicates; approximate/vague/unsaid uses; 8804400
- predication/copulation; G. Frege's sense/reference doctrine; concepts/properties; 8801962
- preschool children; communicative competence; verb knowledge/use effects; 8807040
- probabilistic semantics; history sketched/absolute comparative model developed; 8804408
- problem-solving linguistic characteristics, poor vs good problem-solvers; experiments recapitulated; 8804689
- products' proper names; name-giving stages, appellativization, word-formational patterns/semantic motivation; chrematistics; 8808812
- proficient reading; strategies/knowledge use; pedagogical implications; 8807718
- pronoun use; semantico-syntactic/referential-anaphoric distinction; agreement role/discourse representation; 8808224
- proper name; semantics/poetics; semantic/emotional/stylistic aspects; German poetry/prose; 8806518
- proper names necessity, semantic traditions; 8809234
- proposition-event/fact-event conceptual pairs; semantic analysis; proposition/event/fact differences; 8804369
- propositional attitude verbs, semantic analysis; various theories; transparent intensional logic system; belief reconsidered; 8803315
- propositional attitudes; J. Barwise's/J. Perry's approach critically examined; 8804374
- propositional attitudes; modal logic problems noted; possible remedies suggested; 8805879
- pseudo-usage, pragmatic inference; semantic constraint violation; 8801097
- psychological attitudes; meaning, split approach; S. E. Boër's/W. G. Lycan's *Knowing Who* critically examined; 8805894
- psychological semantics, moral truth; natural language orientation; 8804391
- public discourse; critical analysis; Doublespeak/Orwell awards; 8800932
- punctuation marks, semantic analysis; Russian colon; written language independent units; semantic valence/syntactic behavior/pragmatic function; 8806592
- punctuation rules; children's acquisition; period placement errors analyzed; first/third graders' writing; 8802293
- quantified modal logic; rigid designator approach criticized; individual concept theory alternative defended; 8806869
- quantitative lexical availability; gender/sociocultural/school-level effects; Spanish-speaking high school students; 8808230
- Quebec French quantitative/qualitative expressions; equality negation; *aussi/plus* analyzed; 8803301
- Quine, W. V., translation indeterminacy thesis; N. Chomsky's critique; grammatical realism; 8804405
- race semantics; native-language teaching implications; critical pedagogy framework; 8802339
- racism/semantics relationship, linguistic judgment; Dutch autochthones, foreigners, semantic strategies, we-they polarization; 8808974
- Raskin, V., *Semantic Mechanisms of Humor* reviewed; script-based semantic theory approach; 8803280
- reading comprehension, content fields effect; psycholinguistic study; fifth-grade high/average/low ability readers; prior knowledge/interest roles; 8802819
- reading comprehension; phonological memory role; speech/nonspeech auditory backgrounds, interfering effects; 8807831
- reading encoding processes; expert knowledge consequences; semantic activation/working memory; 8800526
- reading regulation processes; high-/low-cohesion sentences reading time/processing depth; sentence's/reader's semantic representations correlation; 8805478
- real modality expression, typology; German material; 8808245
- reference skills development; language-impaired children; mother diaries/formal expression probes; 8802298
- reference theory; explicit/implicit intensions distinguished; 8801951
- referentiality; modern linguistic theory; meaning/ambiguity/polysemy; 8803585
- referring expressions; definite description/anaphora; discourse/presupposition/accessibility; 8806115

- repetition priming effect; morphological/semantic/formal relationships influence; lexical organization/context system; 8800026
- representational/enunciative semantics; approaches compared; enunciative semantics advocated; 8801077
- residual recall; organizational dimension, sorting/recall task; 8-/10-year-old learning/nondisabled children; 8805474
- restrictive *when*-clauses, meaning/function; noun phrase reference restriction; 8808227
- Romance lexicon; Latin surviving/lost etyma; morphological/phonological/semantic analysis; 8806326
- Romance noun; lexigenetic model; *langue/parol *, G. Guillaume's conception; 8804416
- Romanian constituents, partitioned referent; homogeneous/nonhomogeneous entities; 8805830
- Romanian dialectal clothing terminology, semantic aspects; inter-/intradialectal polysemy; 8808266
- Romanian *g nd* 'thought, idea' etymology/semantic evolution, Hungarian *gond* 'care, worry' source; 8806256
- Romanian neological verbs, syntactic/semantic adaptations; 19th-century literary language; internal evolution/external models; 8808602
- Romanian phrases, incorrect usage; meaning confusion/stylistic connotations/special-general register transfer; 8800904
- Romanian second degree appositives, syntactic/semantic analysis difficulties; artistic prose material; 8803281
- Romanian/Norwegian temporal systems; contrastive analysis; interval semantics framework; 8803770
- Russian adjectives, intensity expression; quality differentiation, analytic strategies identified; 8803298
- Russian color terms; Berlin's/Kay's hierarchy; 8805835
- Russian conjunction *to... to 'now... now'* double function; semantic characteristics/meaning scope; 8805814
- Russian contextual causatives; grammatical factors; reflexive verbs; 8805810
- Russian figurative verbs incorrect use; causes identified, fourth to tenth graders; 8802225
- Russian imperative, agreement/permission expression, perfective/imperfective aspect use, semantic nuances/connotations; 8805887
- Russian impersonal sentence, definition/typology, indefinite-personal meaning expression, linguistic means; 8805872
- Russian link-words, semantics formalization; particle *zhe* meaning, anaphorically related use; 8803317
- Russian multiword designations' semantic motivation; typology, technical jargon; 8805847
- Russian negation-raising phenomenon, syntactic/pragmatic/semantic accounts; transformational treatment review; 8803341
- Russian noun polysemy, grammatical characterization; number opposition; abstract/concrete meanings; quantitative semantics; 8803313
- Russian orthography, *ne + N*, separate/joint writing; particle/affix, noun's categorial semantics, semantic principle formulated; 8802457
- Russian phraseologisms, aspectual meaning; motivating factors, quantitative analysis; second-language teaching implications; 8803323
- Russian prefix *o-/ob*, transitive verbs; complement's case/semantic function determination; 8800811
- Russian prefixed verbs semantics, second-language instruction implications, textbook presentation; K. Gabka's/L. Wilske's *Die russische Sprache der Gegenwart. Lexikologie* (Contemporary Russian. Lexicology); 8806552
- Russian proverbs, colloquial speech type; lexico-semantic oppositions; 8800919
- Russian state designation, words, semantic/grammatical properties; semantic/morphological/syntactic features; 8803310
- Russian suffixes' connotative values, typology; comparative (Russian-Ukrainian) framework; 8808236
- Russian verb aspect; negation particle effect; new temporal/modal meaning formation; 8803207
- Russian verb *metat* 'to baste', etymology/semantic structure; origin, contamination; 8800923
- Russian voicing assimilation; syntactic boundary/semantic content effects; acoustic analysis; 8802040
- Russian word-formational nest, *vesna* 'spring' core-word; center-derivative semantic relations, new meanings, lexicographic implications; 8803372
- Russian/Ukrainian nicknames; onomastic status/characteristics, motivation classification; 8801544
- Saint Augustine, language conception, meaning denominative theory, *De Magistro* (On the Teacher) analysis; L. Wittgenstein's opinion; 8804406
- Saint Augustine's semiotics conception; fiction theory, linguistic/extralinguistic signs; interpersonal communication, psychological perspective; 8804366
- Saxon place names; East Cornwall; etymologies/formal/semantic characteristics; 8801543
- Schiffer, S., *Remnants of Meaning*; symposium papers; 8808277
- schizophrenic linguistic performance; positive/negative symptoms correlation; syntactic/semantic errors; 8802192
- second-language learning; first-language semantic system role; predicate argument structures; 8802651
- second-language meaning comprehension; function word/suprasegmental cues effects; miniature artificial/natural language learning tasks; 8807536
- self-instruction training, semantic/pragmatic production; deaf 10-year-old; problem-solving steps modeling; 8802067
- semantic activation; D. Hollander's theory considered; 8807198
- semantic analysis, past/current trends/methods; major problems, various orientations; 8808265
- semantic anomaly processing, cerebral hemisphere differences, commissuratory patients; event-related potentials data; 8807339
- semantic attributes, script type effect, Stroop color-naming task; distractor word/color semantic relationship, *kanji/kana* differences; I. Biederman's/Y-C. Tsao's hypothesis tested; 8807185
- semantic case, valence theory framework/extension; semantic-syntactic/semantic-significative/pragmatic case notions; 8803287
- semantic categories; internal representations; category decision tasks; 8800051
- semantic competence; form-interpretation relationship; prosodic features/disambiguation; 8805859
- semantic decision tasks; repeated experience effects; category membership confirmation/decision times; 8800047
- semantic facilitation; processing level/strategic factors role; pictures/words; 8802265
- semantic field analysis, Modern French noises; 8808243
- semantic flexibility; context role; noun meaning, central/peripheral properties; 8804713
- semantic infiltration; *Oxford English Dictionary*, Russian editions; Soviet ideologically guided definitions; 8800946
- semantic information; textual organization; seven analysis criteria; 8803493
- semantic integration/inferential reasoning; syntactic structure role; children aged 6-6:13-5; 8804769
- semantic interpretation, formal theory; topic-focus articulation/simple structures; intensional logic/tetogrammatical representations; 8800935
- semantic interpretation; lexical/structural disambiguation mechanisms; Montague-grammar-inspired semantic interpreter; 8805853
- semantic interpretation; linguistic form/constraint propagation; situation schemata; 8806866
- semantic interrelatedness, category triads, contextual composition; encoding/recognition phase; 8807190
- semantic memory information retrieval; intrinsic physical attribute information role; picture/word category decision task; 8804717
- semantic memory organization; age-related hemispheric control/lateralization variations; superordinate relationships development; 8804809
- semantic memory structure; normal/Alzheimer type dementia elderly individuals; sentence verification task; 8802276
- semantic memory test construction/validation; W. Kintsch's theory as basis; scales/application; children aged 9-14; 8802222
- semantic memory/conceptual organization; speech/language pathology work relationship; spreading activation network model; 8800048
- semantic memory; stimulus content/anxiety role; adjective recall task; word-/person-specific effects; high-/low-anxiety psychology freshmen; 8807189
- semantic obliqueness; Quechua regulated verse; pragmatic/syntactic/poetic factors; lexical form repetition; 8803450
- semantic organization, classification skills; fluent/nonfluent aphasics; 8809424
- semantic priming/prime reportability/retroactive priming interdependence; 8807183
- semantic priming; lexical decision task; word masking; word recognition/interruption masking theories; 8800050
- semantic processing impairment; brain-damaged patient; visual/semantic information interaction; 8804712
- semantic processing; English-Ukrainian bilinguals; language effects; 8800609
- semantic processing; retarded adults; Stroop color naming paradigm; readers/nonreaders compared; 8800523
- semantic quantification, English-language learning/teaching; quantification subcategories, language teaching materials development; 8800411
- semantic relations comprehension development; age factor; words-pair matching task; second/third/fourth/fifth/sixth/eighth graders;

- 8804397
 semantic representation, salience ratings; typicality/flexibility/variable features; 8807192
 semantic strategies, Wole Soyinka's *The Road*; syntax/clause type/meaning; 8809160
 semantic system impairments; access failure/degraded store dichotomy; memory/knowledge; 8804714
 semantic theory; nonthematic/nonrestrictive approach; J. Katz's decomposition theory; 8800937
 semantic unity, object-word relationship; semantic processes study, lexicographic definition value; word definition-textual figure relationship examined; 8801892
 semantic/repetition priming, stimulus duration effects; perceptual fluency, identification accuracy; 8804829
 semantical/syntactical function correlation; mathematical description; 8804386
 semantico-pragmatic ambiguity analysis; conversational interpretation; Gricean model developed; Interpretive Model through Actualization; 8801129
 semantics teaching, anthropocentric method; transformational/componential analyses, V. V. Morkovkin's framework; Russian as a second language, Soviet national schools; 8803294
 semantics theory, history; Greek Antiquity/Middle Ages, philosophers/conceptions/theories; 8805867
 semantics, linguistic/nonlinguistic meaning types; issues involved; 8808237
 semantics/syntax relationship; judgments/concepts logic, reciprocity; 8801964
 semantics/text meaning, ordinary discourse mode relation; control/determinacy system, meaning processing; 8805837
 semantics; bibliography; 8808234
 sentence constitution, children's conceptions; quantitative/syntactico-semantic conditions; Spanish-speaking 8-year-olds; 8804787
 sentence grammar/discourse interpretation mechanism distinction; gapping/slucing processes; 8808422
 sentence interpretation; syntactic/semantic cue usage; Dutch/English bilinguals; 8802940
 sentence priming; word priming effects; 8802278
 sentence processing; functional constraints; syntax/semantics/pragmatics interaction; Italian/English speakers; 8802931
 sentence relation ambiguity; sources, normal prose component; 8805889
 sentence structure, formed/semantic/communicative aspects; Russian attributive constructions' described; 8805728
 sentence syntactic structure/information content relationship; Slovak journalistic texts analyzed; 8800944
 sentence/text phasal modification, predicative actant theory framework; Spanish material; phase verb/base predicate semantic nature correlation; 8803320
 sentential adverbs; referential utterance complements; semantic/pragmatic restrictions; 8803283
 serial verb constructions; syntactic analysis; Sranan (Surinam creole) case study; 8803239
 Seuren, P. A. M., *Discourse Semantics*; review article; 8803471
 Seuren, P. A. M., *Discourse Semantics*; review article; 8805869
 sexist language; structural linguistic theories/feminist philosophy; 8803312
 signifié identification; semantic features contribution; "noise" semantic field; 8805846
 situation semantics approach; J. Barwise's/J. Perry's application extended, embedded sentences; simplified version outlined; 8803269
 Slavic syndetic/adversative inter-clausal connections semantics/syntax, R. Lakoff's framework; Russian/Serbo-Croatian/Slovene/German compared; 8806382
 Slovak giving/receiving verbs, classification; structured system; 8808260
 Slovak sentence type *Karol má syna inžiniera* 'Karol has an engineer son'; syntactic-semantic analysis, sentence-part structure/functions, paraphrases; 8805741
 Solomon, R. C., semantic theory empirically tested; Dutch emotion words; 8808267
 South African English; adverbs *just/now*, temporal scope; proximal futurity; 8806478
 Spanish adjectives *san/santo* 'saint' truncation; saints' names' initial syllable constraint; L. Menn's/B. MacWhinney's repeated morph constraint counterevidence; 8805926
 Spanish analytic/synthetic futures; diachronic/comparative study; medieval texts examined; 8803651
 Spanish coordination; functional description; 8808152
 Spanish linguistics; generative studies bibliography; 8808485
 Spanish modal verbs; semantic analysis; functional classification proposed; 8805888
 Spanish morphological derivation; semantic/formal aspects; 8808280
 Spanish relative adverbs; *donde* 'where'/'*cuando* 'when'; syntactic/semantic analysis; 8800843
 Spanish/Kekchi (Mayan) bilingualism; lexical borrowing, cognitive implications; 8801694
 spatial expressions, preposition paradigm, locative/directive distinction; X theory/thematic roles/extraction/reference/deixis; 8808140
 spatial perception; linguistic manifestation; Portuguese idiomatic speech; 8800933
 speaker reference; speaker-intentions relationship; K. Donnellan's reference model rejected; 8801942
 spoken word perception; syntactic/semantic processing separability; lexical decision tasks; Serbo-Croatian speakers; 8802409
 story discourse, pragmatically defined constraints; interactions sequence; 8803292
 story processing; narration/description interaction; reading time/free recall; information importance/semantic role effects; 8803402
 story semantics, "the story says that" operator; implication semantics; 8800914
 storyline; structural/semantic functions; narrative universals; East/West African languages; 8801061
 strong pronouns, Catalan data; syntactic/semantic divergences; nonargument position; 8808499
 Stroop-like interference effect, picture naming; interference effects loci, retrieval process; 8807186
 stylistic study, J. G. Rosa's "O Burrinho Pedrês" (The Little Spotted Donkey); syntactic/semantic/phonetic-rhythmic devices; 8801832
 subordination/coordination; syntactic/semantic characterization; Portuguese examples; 8800780
 suffix productivity change, Dutch *-lijk/baar*; semantic component role, diachronic perspective; 8808314
 suffixes *-ist/-ism* new meaning, derivation; 8808249
 surface dyslexia; semantic/visual recognition systems, partial dissociation; case study; 8804600
 Swahili (Bantu) animated nouns, morphological/semantic classifications; 8801275
 symbol-referent relationship; proposed schemata discussed; oral/written language differences; 8804419
 synesthesia; metaphor status; linguistic/psychological aspects; cultural/genetic-universal phenomenon, communicative functions; 8805828
 syntactic acquisition; semantic/lexical aspects; grammaticality judgment test; English as a second language learners; 8800364
 syntactic/semantic relationship, modern standard Arabic verb forms I, II; main function/theme; linear systematic sampling; 8808126
 syntax; invariance analysis, surface constants/paradigmatic change, relational vs notional; comparison problems; 8808188
 system network, definition/example, Polish/Bulgarian verb systems; bogus/real system networks; 8800924
 Tacaná (Mam) dialect; grammatical description; spatial reference categories; 8803618
 Talmudic tradition; modern semantics perspective; argumentation/rationality/oral transmission; 8808392
 Tamil *unār*; meaning core dichotomy; sense perception knowledge; 8803748
 tautologies/contradictions; children's perceptions; semantic/cognitive explanations; 8802344
 technical vs literary translation; translator specialization/versatility, technical syntax/syntagmatics; Norwegian-English medical text translation; 8805592
 temporal adverbials; existential quantification; 8803337
 temporal expressions, computer-generated analysis; Chinese/French application; 8806421
 temporary concepts; spatial notions relationships; English/Chinese data; 8804696
 tense, H. Mellor's claims; objections refuted; 8800936
 text analysis, F. Sabino's "A Culpa da Sociedade" (Society's Fault); narrative structure/meaning levels/semic relations; 8801003
 text internal organization, grammar/coherence; text/pseudotext, coherence functions; paradigmatics/syntagmatics application; 8801107
 text processing; previous knowledge affect; textual predicates; 8804671
 text reformulation, semantic transformations; continuing education students; 8805844
 text semantic processing; surface level information retention/text-based/situation model integration; abstract/concrete material, imagery role; 8800143
 text translation; semantico-pragmatic meaning parameters; Greek/English announcements, contrastive analysis; 8806046

- thematic roles, grammar/semantics link; Dutch impersonal passives analyzed; 8808207
- theme-rheme structure, syntactic-semantic category, cognitive aspects; 8808242
- theoretic semantic models, semantic competence models probability; linguistic understanding theory; 8804370
- theoretical/applied semantics; M. Alinei festschrift; 8808225
- Toba (South Amerindian) time expression; English compared; 8808241
- topological notation, notional system description; 8805608
- transcortical sensory aphasia, two subtypes; preserved lexical repetition/nonlexical repetition; 8804529
- transitive/intransitive distinction development; conceptual/semantic aspects; mother-child pairs; 8807254
- truth, indicative sentence; Z. Frajzyngier's claims disputed; reply; 8805876
- truth, R. Carnap's syntax/A. Tarski's semantics compared; technical analogies; 8804380
- Turkish word order; noun phrase semantic features role/restriction, ($\pm$ definite)/($\pm$ animate); 8805842
- Ukrainian agent designations, derivative bases; verb/deverbal noun, suffixes; lexico-semantic relationships; 8803331
- Ukrainian complex multicomponent sentence semantic structure, models/relationships/correlations; 8803329
- Ukrainian complex noun structure, semantic syntax framework; compositional elements, affixes, semantic groups; 8808235
- Ukrainian deverbal derivatives, semantic/morphological valency, word-formational patterns; verbs semantic class, prefixation, derived speech parts; 8805918
- Ukrainian vocative, semantic-syntactic functions; stimulative-imperative use, appealing mode; 8803242
- Ukrainian/Belorussian/Russian word-formational nests; semantic parallels/analogies/correlations/divergences; 8805832
- unaccusativity, relational grammar approach; agent/patient semantic relations, Italian data; more restricted model proposed; 8801152
- ungradable adjectives; comparative forms; *perfect*, semantic features; 8808270
- Usan (Trans New Guinea phylum) language; descriptive grammar; functional grammar approach; 8806243
- utterance meaning; anthropological linguistic audience-centered view; interpretation heterogeneity problem; 8805966
- utterance, informative/argumentative constraints; separate enunciative competence; 8800934
- vagueness; linguistic communication basic organizational principle, speaker's/hearer's vagueness reduction tasks; German oral dialogue; 8804150
- vagueness; philosophical analysis; fuzzy systems theory/semantic differential technique; 8801956
- valence, notion definition/typology; formal/content valence distinction/description; verb/predicate valence; 8800927
- verb concatenation; Southeast Asian languages compared; cross-linguistic patterns discovered; 8803181
- verb, processual semantics; dynamic system application; German examples; 8808275
- verba dicendi semantic/syntactic properties, sentence mode study; verba dicendi analysis; 8808213
- verbal aspect; formal description; perfective/imperfective constructions; 8803263
- verbal prefix *na-*; quantitative meaning; genitive case marking; metase-mantic quantificational operator; 8800938
- verbal syntax, incidence/reference relations; logical/sentence structures; 8805781
- voice, grammatical category semantic definition; semantic/syntactic concepts correlation; active/passive/reversive/inactive voices; 8805878
- Waama (Niger-Kongo) *maa*, contrast particle; inter-clause position, meaning; 8803142
- wh-questions, Akan (Niger-Kongo) vs English; syntactic/semantic differences, similar function; 8808189
- wh/quantifier interactions; logical form/surface structure/scope representations; R. May's/E. Williams's theories; 8803546
- why-questions; semantic analysis; explanatory theory; 8805861
- Wittgenstein, L., philosophy/science distinction; language clarification; 8805829
- Wittgenstein, L., *Tractatus*, ontology/semantics/philosophy of mind; "language of thought" analysis; 8809246
- word acceptability; meaning grammar; common gender/synonymy; lexical databank; 8803304
- word desemantization process; lexical vs grammatical item; English *thing*, grammatical functions; 8808244
- word emotivity, objective lexical phenomenon; denotative/connotative/potential emotivity; 8800941
- word formation, lexical conglomerate; autonomous principles; lexical categories combination syntax/semantics; 8804054
- word identification; attentive/nonattentive stimulus effect, word/nonword, interstimulus interval variation; dual coding theory evidence; 8804710
- word meaning change; paradigmatically/syntagmatically motivated lexico-semantic derivation; patterns/mechanisms; 8803299
- word meaning construction, discourse context; time course of priming; 8807195
- word meaning representation; developmental shift; conceptual structure; Yoruba-speaking children/adults; 8802272
- word memory traces; semantic structure; noun recognition experiments; 8804702
- word naming deficit; right brain damaged patients; semantic class responses, scanning process; 8809409
- word naming; associative/grammatical priming; pre-/postlexical contextual effects; Serbo-Croatian; 8804704
- word play, translatability; French language *Astérix* comic strip/R. Queneau's *Zazie* novels; 8808031
- word recognition processes, blind/sighted children; semantic processing/work frequency/phonological recoding; blind children mean age 12:2/sighted children mean age 10:6; 8802844
- word, lexical/grammatical meanings interaction; lexical/grammatical unit; Russian/English material; 8800824
- word-formational meaning, formant/motivator semantic determination relationship, Ukrainian data; 8805899
- word/phraseological component; semantic peculiarities studied; semantic markedness typology; 8800896
- word/sentence/text semantics; semantic research trends, literature survey; speaker/writer/listener/reader communication/message transfer process; 8808258
- word's emotive/conceptual meaning; users' common reference contexts; semantic component; 8803328
- word's grammatically relevant features; grammar-lexicon reciprocity manifestation, internal/external interactions; 8804027
- written argumentations; syntactic/semantic/textual/pragmatic features analyzed; attitude effects; 8806112
- Xhosa (Niger-Kongo) verbal extension; phonology/morphology/syntax/semantics; 8805792
- ### Semiotics
- adjudication; semiotic explanation proposed; rule-text/deictic sign resemblance; 8809202
- advertising texts, psychosemiotics; iconic/verbal/denotative/connotative reading/decoding; sex/sociocultural background/cognitive style; embedded figures test; 8805461
- advertising, commercial language, art/poetry references; semiotic analysis; 8806857
- aesthetic/scientific creation semiotics; semiotic framework; 8801898
- alphabet, semiotic characterization; visual/kinetic description; 8808931
- analogy/induction/deduction/abduction, semiotic interpretation; M. Bense's framework; K. Gfesser's "Die alltägliche Argumentation: Analogie und Induktion" (The Daily Argumentation: Analogy and Induction) supplemented; 8809228
- "anti-novel," theoretical construct; contemporary narratology issues; Ben Stoltzfus's *Alain Robbe-Grillet: The Body of the Text* reviewed; 8806850
- Aristotle's *Categories*; *ta legomena* 'this which is said', C. S. Peirce's interpretation critically examined; linguistic signs, Aristotle's semiotic notion stressed; 8801926
- Bakhtin, Mikhail M.; prose theory semiotic interpretation; Charles S. Peirce's/Max Bense's frameworks; 8801911
- body language semiosis; presentation/transformation/representation relationship; C. Peirce's/M. Bense's/E. Walter's framework; 8801872
- Boer, S./Lycan, W., *Knowing Who*; mathematical function approach; review; 8804358
- Brøndal, V.; literary/semiotic studies; linguistic signs/grammar; 8801226
- Brøndal, V.; scientific work; linguistics/philosophy/semiotics; 8801223
- case, semiotic interpretation; sentence meaning, case frame, cognitive competence; German surface/deep case; C. Fillmore's case grammar outlined; 8801923
- catastrophe theory application; categorical perceptions, phonology; J. Petit-Cocorda's *Les Catastrophes de la parole, de Roman Jakobson à René Thom* (Catastrophes of the Word: From Roman Jakobson to René Thom); 8806854

- ### Sentence
- 18th-century Russian "Razsuzhdeniya o okazatelstvakh' k' miru..." (*Deliberations on the Fundaments of Peace*); syntactic peculiarities, complex sentence; pronominal/conjunctive connectors use; 8803432
- action sentences, logical form; Davidson's account critically examined; 8806882
- Alzheimer's disease; sentence repetition performance; syntactic processing/short-term memory/auditory comprehension; longitudinal study; 8802121
- ambiguity processing; meaning frequency effects; sentence contexts; 8802275
- ambiguous word lexical processing; sentence focus effect; cross-modal semantic priming/focus-identifying task; 8802266
- anaphor resolution; sentential representation models tested; *it*, object vs event reference; 8807179
- anaphoric reference interpretation; script-based antecedent use; sentence pair manipulation; text-related probe words; 8802253
- attributive relation semantics; individual/general-reference sentence, cause/condition meaning; German material; 8808264
- Azerbaijani appositions; typology; historical prose analysis; 8800853
- Balkan sentence connection system; grammatical interference; connective development/use parallels/mutual influence; 8803171
- bilingualism; first-/second-language sentence processing strategies; competition model; 8802939
- Burmese language, syntactic studies; sentence parts, nominal/predicative particles; 8800849
- case, semiotic interpretation; sentence meaning, case frame, cognitive competence; German surface/deep case; C. Fillmore's case grammar outlined; 8801923
- children's sentence comprehension; phonological recoding/suppression effects; 10-/14-year-olds; 8807260
- children's sentence production; syntactic/phonological/fluency characteristics; linguistic/extralinguistic factors; language-impaired/reading-disabled/normal children; 8800090
- children's social studies texts; main idea frequency/placement, R. Braddock's topic sentence research replicated; 8807769
- children's word understanding; semantic/metalinguistic knowledge development; sentence/word/syllable segmentation; 8802337
- Chinese assertive sentence adverbs/suggestive modal particles, syntax/semantics; scope, sentence topology/hierarchy; 8808113
- Chinese degree adverbs syntactic properties, level analysis; constituent-oriented sentence structure conception; German grammar framework; 8808182
- Chinese representation perspective, agent-oriented/-nonoriented sentences; 8801042
- Chinese sentence mode specification; sentence-final particle, syntactic property/communicative function; epistemic attitude particle; 8808114
- Chinese sentence-final particles; speaker's addressee-related attitude; mode-variable/mode-fixed types; 8800749
- Chinese sentential word order; theoretical view; 8808167
- clausal form/quantifiers, natural language; donkey sentences problems; sentence meaning representation; 8803529
- clause/sentence treatment; R. Quirk et al, *A Grammar of Contemporary English* examined; 8800741

- communicative dynamism; functional sentence perspective; 8803528
- complex sentence notion; history, 18th-19th century Spanish grammars; 8806193
- complex sentence production; subordination categories, developmental trends; pedagogical application; 8804801
- composition instruction, sentence-combining technique; advanced college level use; 8807932
- concessive sentence, definition/typology, semantic-modal criteria; Romanian-Bulgarian-German concessives; 8806374
- conditionals, *if*-sentences, *since*-sentences; power ascription; 8804409
- conduction aphasics; sentence comprehension abilities; auditory verbal short-term memory role; 8804557
- Contemporary Italian complement clauses; journalistic texts; Italian as a second language instruction implications; 8802546
- coordinated structures, children's narratives; sentence/phrase; children aged 3:6-9:6; 8800098
- Cresswell, M. J., *Structured Meanings: The Semantics of Propositional Attitudes*; critical review; 8803286
- Czech lexically unmarked verb complements, linguistic/communicative functions; Czech belletristics analysis; 8803245
- dialect intelligibility testing; sentence-test approach advantages/limitations; 8808776
- Dutch as a native language instruction; grammar teaching role; sentence structure errors analysis/typology/causes; 8800182
- Dutch *deelwoordenjammer* 'participle jammer'; imposed prescription/genuine grammatical rule; prescription/rule distinction criteria proposed; 8800800
- Ellipsen und fragmentarische Ausdrücke* (Ellipses and Fragmentary Expressions), review/critique; 8803260
- ellipsis, Hungarian sentence, generative framework; forward/backward reduction, universal/language specific features; 8805747
- English complex complements; usage/function/occurrence/structure/paraphrase; 8805818
- English complex sentences, communicative organization; theme/rheme division/opposition; active division criteria; 8801050
- English estimative sentences; communicative-pragmatic typology; 8808344
- English existential sentences derivation; Marina K. Burt's, Adrian Akmajian's/Frank Henry's *there*-insertion rules inadequacy; alternative formulated; 8800776
- English *if* cleft sentence, function/structure; *it/what* clefts compared, textual aspects; preform/non-preform subsets; 8808168
- English intonation, functional sentence perspective; anomalous/ambiguous sentences; relative constructions/questions application; 8800735
- English question-answer unit, preliminary characterization; obligatory/facultative elements, question/prequestion correlates, word order/intonation/subordination; 8800887
- English sentence accentuation; intransitive sentences; C. Gussenhoven's rule elaborated; 8803169
- English sentence initial elements; discourse function; coherence properties; 8801062
- English sentence intonation, discourse-based model; rule system developed; 8808359
- English sentence intonation; synthesizing algorithm; information focus; 8808059
- English sentences, identical verbal/participant lexemes, semantico-syntactic variations; left-/right-hand participant mutual shift; J. Panevová's theory; 8808202
- English temporal prepositions/subordinate conjunctions; rule determination/semantic meaning distinction; Dutch temporal replacement; 8808222
- English tense/aspect interpretation; time frame/present point, state indicator; sentence structure temporal analysis; 8800948
- English *there*-sentences, transformational analysis; J. Emonds's account, structure-preserving hypothesis; 8801156
- English/Russian verbs, valence/combinaability; phrasal/sentential combinaability, valence typology; 8805771
- enunciation/text distinction/grammaticality/acceptability, syntactic vs semantic-pragmatic judgment; 8806064
- exclamative communicative function; subjective judgment expression; oral/written realization, functional styles; 8801117
- existential/pseudo-cleft sentences/relative clauses; English, Chinese, Japanese compared; English as a second language teaching implications; 8801389
- Ezzo lied, Germanic-Carolingian features, meter/sentence structure/word formation/usage; 8809170
- French copula sentence reversibility; conditions, restrictions; 8803261
- French sentence constituent order; family oral productions; 8803216
- French verb placement, sentence types; semantic/pragmatic effects; 8803251
- French word order, functions; topic marking, sentence ordering; 8803129
- Galilean Arabic, particle *la* object-marking function; sentence type/structure, dialects compared; 8803205
- German as a second language, Hungarian students; subject omission errors, linguistic interference; subject omission rules formulated; 8800339
- German conjunction *sondern* 'but', facultative/obligatory use rules; German prose; Norwegian comparison; 8800817
- German modal words, request-expressing sentences; semantic features, syntactic distribution, pragmatic functions; 8805719
- German *nicht* 'not' particle use; sentence/sentence part negation; second-language instruction implications; 8800826
- German objective modal verb + perfect/present infinitive; semantic nuance, temporal reference role, regular occurrence; 8800814
- German pre-forefield expressions, typology; semantic-pragmatic peculiarities, metacommunicative value; 8805808
- German pseudoconditionals, Bulgarian equivalents; comparative analysis; 8803788
- German relative sentences, typology/semantic value; causal/concessive/adversative/temporal/semi-adverbial; 8800951
- German *sein* + *zu* + infinitive structure + agentive phrase; occurrence rules tested; 8800791
- German sentence adverbials' syntax, *vielleicht* 'perhaps' topology; transformational-generative framework; N. Chomsky's *move- α* rule application; theme-rheme division; 8808142
- German sentence adverbs, *wahrscheinlich* 'probably'/'*möglicherweise* 'possibly'/'*vielleicht* 'perhaps', speaker's attitudes/certainty expression; 8805840
- German sentence computer-aided analysis; verbal sememes formalized description; semantic structure/syntactic valence/case relations; 8803820
- German sentence mode, grammatical/communicative aspects; project "Satzmodus" (Sentence Mode) design, assumptions; 8808161
- German sentence production, part positioning/article choice; communicative function vs information-processing account, lexical type retrieval, sentence production model; 8804661
- German sentence-like situational ellipses, semantic indeterminacy; conceptual/interactional processing, syntactic/semantic representation; 8808194
- German simple sentence, basic structural models; belletristic material, statistical analysis; 8805712
- German structures *ist* 'is'/'*sind* 'are' + *zu* 'to' + infinitive/*hat* 'has'/'*haben* 'have' + *zu* 'to' + infinitive; modal value/semantic functional variants/context influence; general vs economics texts; 8808163
- German subjunction *seit(dem)* 'since', main/subordinate clause tense combinatorics; H. W. Eroms's rules critiqued; 8805727
- German-English sentence subject/topic; syntactic/thematic functions difference, translational implications, reframing; 8803165
- German/English word order; principles, typology, Korean/Japanese/Turkish/German compared; 8804122
- grammatical analysis limits; juxtaposed/hypotactic/paratactic sentences; grammatical/psychological subject; aesthetic/semantic constraints; 8800772
- Hungarian sentence intonation; autosegmental treatment; J. Goldsmith's model applied; 8805641
- Hungarian sentence stress; Katalin É. Kiss's claim critiqued; 8805679
- indirect object recognition; presentation mode, context/indicator presence; paper-&-pencil test; Dutch undergraduates; 8803503
- Indo-European sentence syntax; earliest verbal/nonverbal patterns; 8803735
- Indo-European sentence typology; lexical entries/structural patterns, active-nonactive opposition, revised typology proposal; 8806358
- innate subjacency, Y. Otsu's hypothesis refuted; sentence comprehension, right association interpretation; children, mean age 4:6; 8807215
- Italian-Bulgarian unreal conditionals compared; verb tense/mood, syntactic structure, past/present reference point; 8803795
- Italian/Romanian supplementary predicative elements; syntactic functions/semantic features, predicative-copulative verb passage/hierarchy; 8803318
- judicial sentence, normative meaning category; formal deontic representation proposed, semiotic-philosophical framework; 8801047
- language for special purposes research/teaching; sentence syntax/semantics; functional sentence perspective approach advocated; 8803187
- Latin passive; agent expression/implication/substitution, Cicero's speeches analyzed; 8803253
- lipreading ability; sex differences; syllable/word/overlearned sentence recognition; 8806831

- male/female sentences; concept reviewed; V. Woolf, French feminists, M. Wittig; 8801745
- Marxist-Leninist linguistics, axioms; word-sentence-expression dialectics; G. Frege's *Sinn* 'sense' / *Bedeutung* meaning distinction; 8806862
- medieval French text analysis; *Traitiet moult profitable* (Very Useful Treatise); majuscule/sentence relation; text coherence role; 8803401
- Modern Written Arabic, basic unmarked word order; verb phrase constituent absence; transformational framework; 8800877
- Moravian Early New High German hypotactic conjunctions; developmental tendency/polysemy/syntactic distribution/function; 15th-/16th-century texts analyzed; genre-specific diversification; 8801330
- native-language instruction, communication-oriented teaching; grammar presentation relevance, sentence-oriented writing instruction; 8804906
- Oghuz subordinate object clauses, Turkic languages; structure similarities/differences; 8801458
- Old/Early Middle English relativization strategies; 12th-century developments; *Peterborough Chronicle* material; 8803657
- Ostyak prose poetry parallelism, syntactic functions; asyndeton type, coordination/cohesion instrument; prose vs poetry; 8804301
- phonological confusability, sentence short-term memory; reading ability predictor; kindergarten children; 8802246
- pictorial/verbal information integration; general/specific sentence-picture presentation sequence; dual/common code semantic interpretation, dual-coding position elaboration; eleventh-grade students; 8804695
- printed word recognition; sentence context effects; lexical access/physical word features; 8802274
- pronominal reference; auditory comprehension; sentence/discourse factors; children/adults; 8804699
- proposition-event/fact-event conceptual pairs; semantic analysis; proposition/event/fact differences; 8804369
- protocol sentences; O. Neurath's views addressed; 8804378
- psychological diagnosis; linguistic contribution, sentence completion task; normal/neurotic 12-year-olds; 8807084
- reading comprehension measurement, sentence verification technique; good/medium/poor reading third graders; 8805499
- reading comprehension, sentence-combining research; exploratory review; 8807845
- reading regulation processes; high-/low-cohesion sentences reading time/processing depth; sentence's/reader's semantic representations correlation; 8805478
- referential/nonreferring expressions; sentence truth; U. Blau's model justified; 8806154
- Romanian adversative coordinatives; new structural types; 8805695
- Romanian coordinative structures, treatments/classifications survey; tripartite system proposed; 8800880
- Romanian coordinative structures, tripartite system; copulative/oppositive/conclusive coordination; 8800881
- Romanian disjunctive coordination, traditional theses contested; 8803131
- Russian active participle use; *Skazaniya o Mamaevom* (Legends about Mamaev) analyzed; contexts/syntactic functions; 15th-century scribal errors; 8803629
- Russian active/passive sentences' stylistic functions; agent-action-object relationship expression; 8805769
- Russian as a second language acquisition, sentence retention/recall; presentation medium/mode effect; short-/long-term recall tests; East German undergraduates; 8800413
- Russian as a second language instruction, East German U textbooks; syntactically synonymic sentences, functional principle; 8805063
- Russian complex sentence with adherent clause; classification problem; adherent clause meaning; coordinative/subordinative transformations; 8803167
- Russian conjunct conjunctionless sentences, linguistic/theoretical treatment, didactic application/relevance; Russian as a second language teacher training; Soviet literature survey; 8805698
- Russian conjunctive word *kotoryy* 'which' word order; contactive/distant position, definite subordinate sentences, occurrence restrictions; 8805780
- Russian impersonal sentence, definition/typology, indefinite-personal meaning expression, linguistic means; 8805872
- Russian impersonal verbal sentences, English/Indonesian translations/equivalents; subjective/subjectless structures, agent/carrier explicit expression; 8806383
- Russian infinitive sentences, modal-temporal transformations; necessity/nonnecessity expression; 8803221
- Russian literary/scientific styles, sentence size parameter; quantitative analysis; 8804326
- Russian nominative sentences chains; functional-semantic types, principal elements; 8803306
- Russian sentence classification; "typical communicative function" criterion; 8801051
- Russian sentence valence structure, comitative-determining relationship; Russian-German translational implications; 8803180
- Russian verb's propositional empty position compression, syntactic/semantic variants; 8805793
- Russian vocative, communicative characterization; vocative/sentence relationship; 8800818
- Russian-Ukrainian polypredicative complex sentences, typology/comparison; 8808154
- Saramaccan verb complementation/serialization; government-binding analysis; constituent movement/verb copy; serial constructions, sentential nature; 8803870
- second-language instruction, material selection/structuring; functional-communicative language description applicability, East German school; sentence/text level; 8800206
- second-language sentence processing, fluency; performance definition; 8807539
- sentence analysis algorithm; communication semiosis model; sentence as fact, *langue/parole* levels, sentence/text relationship; Slovak/universal application; 8800827
- sentence analysis, verb control information; generalized phrase structure grammar/government & binding models; L. Frazier/C. Clifton/J. Randall data; 8808445
- sentence combining, composition technique; D. A. Daiker's/A. Kerek's/M. Morenberg's study replicated; 8800562
- sentence comprehension, Japanese children; longitudinal study; children aged 4:1-6:1; word-order strategy acquisition; 8804757
- sentence comprehension/writing/speaking; error analysis; partially hearing/hearing/deaf children mean ages 7.4-12.95; 8802065
- sentence comprehension; phonological processing role; syntactic analysis; tone/syllable shadowing tasks; 8800739
- sentence comprehension; verbal memory components relationship; sentence memory task; skilled/less-skilled elementary school readers; 8804823
- sentence constitution, children's conceptions; quantitative/syntactico-semantic conditions; Spanish-speaking 8-year-olds; 8804787
- sentence context experiments; different neutral conditions compared; word-naming times; 8804841
- sentence development, visual-spatial technique; poor readers/writers; 8802763
- sentence formation, L. Tesnière's/ V. Mathesius's models compared; 8808122
- sentence head, Scandinavian/English/German/Dutch; government-binding/parametric syntax theoretical framework; 8808458
- sentence information structure; verb/noun role differences; Polish evidence; 8805807
- sentence interpretation; syntactic/semantic cue usage; Dutch/English bilinguals; 8802940
- sentence memory; spreading activation theory; fan/priming effects; verbatim information; 8802399
- sentence processing strategies; competition model; adult Dutch-English bilinguals; 8802938
- sentence processing strategies; Japanese/English speakers; subject identification, word order/animacy cues; 8802934
- sentence processing, cross-language model; English/Dutch material; gap-filling system; 8802257
- sentence reanalysis/restructuring; multiple syntactic representations explanation challenged; empty categories/theta theory problems; R. Huybregts's analysis advocated; 8801174
- sentence recognition memory; pictorial context effect; aphasic/right hemisphere patients; 8809416
- sentence relation ambiguity; sources, normal prose component; 8805889
- sentence structure, formed/semantic/communicative aspects; Russian attributive constructions' described; 8805728
- sentence style variation, informative essays 1850s/1910s/1970s; W. Weathers's Quintilian analysis; 8807906
- sentence subject pronominal realization, first/second person; pragmatic/linguistic factors; Contemporary Czech; 8805826
- sentence syntactic structure/information content relationship; Slovak journalistic texts analyzed; 8800944
- sentence typology, communicative intention criterion; Russian as a second language instruction implications; 8805968
- sentence understanding, simultaneous inferences; ST/TSP models; J. Fodor/M. Garrett/E. Walker/C. Parkes refuted; 8808450
- sentence, lexical/grammatical aspects; lexicon priority; language teaching implications; 8802506
- sentence, semiotic unit; sentence structural algorithm; sentence as fact; *langue-parole* distinction, sentence communicative function; 8801921

sentence/text phasal modification, predicative actant theory framework; Spanish material; phase verb/base predicate semantic nature correlation; 8803320

sentence/text/literary work; theses formulated; 8805957

sentence's major constituents; ordering principle; theta roles scale; topic-focus semantics; 8803532

Slovak sentence type *Karol má syna inžiniera* 'Karol has an engineer son'; syntactic-semantic analysis, sentence-part structure/functions, paraphrases; 8805741

Soames, Scott/Perlmutter, David M., *Syntactic Argumentation and the Structure of English*, critique; passive sentence generation, "missing" argument provided; 8801176

Spanish *hace* + time structure; English *ago* vs *since*; didactic implications; 8803138

Spanish pronominally conjugated verbs + direct object + null subject structures; statistical/syntactic analyses; 8805729

Spanish *quedar* 'to be' + participle structures, German rendition; second-language teaching; 8802987

specialized texts' description/classification; topical sentence division/thematic progression typology criteria; 8806075

speech timing effects, children's sentence comprehension; first/second/third graders; 8802403

speech timing; Parkinson's/Huntington's disease effects; initiation/production/rhythmic timing relationships; syllable/sentence duration tasks; 8804553

speech-therapeutic German discourse; nonembedded *dass*-sentences function; psychological/linguistic viewpoints; 8807086

spoken French sentence, structural patterns, communicative functions; topic/focus/grammar; 8808372

Standard Arabic sentences; intonation/melodic curves; nominal affirmative/exclamatory/negative/interrogative sentences; 8806905

subject/predicate relationship, Romanian sentence; person/number agreement, subjectivity/government properties, nominal/verbal predicates; 8805811

syntactic processing; C. Clifton's/L. Frazier's delayed information application theory questioned; 8804697

tagmemic theory; clause level independence questioned; 8801160

theme-rheme structure, syntactic-semantic category, cognitive aspects; 8808242

topic sentence use, scientific writing; rhetorical division variations; 8805518

transitive verbs, existential sentence use; Germanic languages; Swedish/Icelandic existential constructions compared; 8808477

Turkish word order; noun phrase semantic features role/restriction, ($\pm$ definite)/($\pm$ animate); 8805842

Ukrainian complex multicomponent sentence semantic structure, models/relationships/correlations; 8803329

Ukrainian complex sentence paradigmatics; pronoun/conjunction-based sentences; conjunctless sentences typology; 8800862

Ukrainian homogeneous predicate sentences; functional varieties; 8800802

verba dicendi semantic/syntactic properties, sentence mode study; verba dicendi analysis; 8808213

verbal syntax, incidence/reference relations; logical/sentence structures; 8805781

weak ungrammaticality/self-referentiality; "total" grammatical rules; 8800898

Welsh empty subjects, basic sentence structure, embedded clauses; verbal agreement processes; 8808503

wh-questions, Akan (Niger-Kongo) vs English; syntactic/semantic differences, similar function; 8808189

word order, grammatical description; grammatical/communicative/rhythmic principles interplay, functional sentence perspective proposed; 8800895

word recall; sentence generation effects; evaluation/effort ratings; 8800148

word/sentence intelligibility; spectral alternation effects; low/high-pass filtering; 8801971

word/sentence/text semantics; semantic research trends, literature survey; speaker/writer/listener/reader communication/message transfer process; 8808258

writing pedagogy; sentence-combining exercises; English native-/second-language teaching; 8802884

Serial Learning (see also Verbal Learning, Discrimination Learning, Paired Associate Learn

reading readiness indicators, alphabet seriation tasks/traditional seriation tasks; Raven Progressive Matrices Test, Gates-McGinitie Word Recognition Test; 8805265

word identification; attentive/nonattentive stimulus effect, word/nonword, interstimulus interval variation; dual coding theory evidence; 8804710

Sexual Differences

advertising texts, psychosemiotics; iconic/verbal/denotative/connotative reading/decoding; sex/sociocultural background/cognitive style; embedded figures test; 8805461

American women's language; changing attitudes/practices; R. Lakoff's *Language and the Woman's Place*; 8801719

aphasia type; age/sex/time since onset/handedness effects; continuing lateralization hypothesis; 8802099

articulatory disorders; age/sex/previous speech therapy influences; Finnish-speaking students; 8802131

asymmetrical address; Catania (Italy) secondary schools; female teachers/nonreciprocity; 8804185

Australian English voice quality, listener evaluation; male/female voice differences; status/solidarity; 8804466

brain lesion site; global aphasia patients; sex differences; 8809383

British modern language education, French; female student preponderance; 8802643

child color vocabulary development; age/sex; Italian elementary school children aged 7-11; 8802331

children's oral narratives, dramatization devices; age/sex differences; 8808394

children's sex determination; speech samples; male/female speakers, aged 7:6-8:9; normally sighted/visually handicapped listeners; 8804442

Chinese culture; address forms/yes-no questions; 8803612

Chinese women only script; origins discussed; 8804254

communicator/social style, self perceptions; sexes compared; Communicator Style Measure, Social Style Profile; 8808972

conversation qualifiers, male speakers; partner's age/sex factors; life experience role; 8803489

conversation topic; triviality perception; gender-based differences; 8804213

conversational eye contact; child-mother, child-M/F experimenter; sex effect; preschool children aged 2:0-2:6; 8804790

conversational intensity, age-related differences; women aged 20-30/75+; 8802147

conversational interruptions, men vs women; context importance; uninterrupted interactions; comment; rejoinder; 8808978

creole genesis, women's role; Upper Guinea Coast social/ethnic groups; I. Hancock's domestic hypothesis; 8806730

doctor-patient discourse; speaker strategies; age/sex/social class; medical interviews recorded/analyzed; 8801035

dyadic conversation strategies; gender/dominance effects; unacquainted pairs; speech rate/amplitude; 8801643

dyslexia; research studies problems; sex differences/socioeconomic background/intelligence/birth order factors discussed; 8804597

emotional vulnerability/facial response relationship, disgust expression; stressful/neutral message; male/female undergraduates aged 20-30; 8806828

English as a second language listening recall; speaker's gender/perceived expertness; orally presented material; advanced/intermediate English as a second language U students; 8807542

English language acquisition; Singapore kindergarten children; multisensory communicative approach; group/sex differences; 8800084

English language aptitude test scores; predictive validity; ethnic/sex/age biases; college admission policy implications; 8800474

fathers'/mothers' speech to infants; syntactic, melodic features; 8801640

feminine/feminist writing, literary-symbolic interpretation; 8806822

foreign-language education; British comprehensive schools; sexual differences; 8800310

French facultative final consonant dropping/maintenance; sociolinguistic factors, age/sex/geography/profession; French/Belgian male/female speakers aged under 30-over 50; 8806727

French linguistic sexism, feminine/masculine designations; semantic/grammatical neutralization, gender vs grammatical agreement; 8805745

functional dysphonia type/occurrence/patient's occupation/sex/recovery correlation; Perugia U Otolaryngological Clinic data statistical analysis; 8807017

gender perceptions; elementary students' creative writing; male/female character frequency, role assignment; 8802914

gender-directed insults, male/female differences; questionnaire; 8809069

generic referent usage; gender role orientation effects; children grades 3-12; 8806615

German as a foreign/second language, diastatic/diatopic varieties teaching; feminist approach; 8805039

German language cultivation; linguistic sexism, feminine suffix *-in* usage rules; East/West/Austrian German differences; 8806757

- hemispheric specialization, Morse code letters learning; phases; gender differences; 8807333
- Hutterites, sociocultural/linguistic situation; 1982 visit report, German dialects use; bilingualism/diglossia; American English influence; 8801755
- infant symbolic gesturing; name recognition; boys vs girls; infants aged 0;11-2;0; 8804718
- Inuit sex difference expression, lexical means; terms, etymological analysis; 8806648
- journal article publishing/writing attitudes; women/men/women's college faculty compared; questionnaire; 8800551
- Koasati (Muskogean) everyday speech; male speech forms loss; 8806710
- Korean umlaut; social stratification; sex/age/socioeconomic status; 8803016
- Kristeva, J.; maternal semiotics; sexist categories/arguments; 8801924
- language acquisition; sex/manual motor skill/laterality correlations; children aged 1;6/2;0/2;6; 8800055
- language use, sex differences; group discussion; interaction process analysis; same-/cross-sex groups; 8801751
- language variables/conversational patterns; gender differences; mixed-/same-sex adolescent dyads; 8800991
- language/gender relationship, Australian society, research surveyed; 8804235
- language; social history; British/French/Italian case studies; 8804183
- linguistic sex differences; B. Preisler's *Linguistic Sex Roles in Conversation: Social Variation in the Expression of Tentativeness in English* reviewed; 8801723
- linguistic sexism; U. Rampillon's linguistic sex equality proposals, H. Reisener's critique rejected; sexism elimination recent trends, American English; 8801744
- lipreading ability; sex differences; syllable/word/overlearned sentence recognition; 8806831
- long-term story recall; quantitative/psycholinguistic/propositional characteristics assessed; composition type/sex/picture manipulation; 8802390
- male/female language differences; four-person group discussions; utterance tentativeness; 8801091
- male/female sentences; concept reviewed; V. Woolf, French feminists, M. Wittig; 8801745
- male/female speech acoustic/suprasegmental characteristics; personality/speaker's sex relationship, pronunciation features; cultural/social/biological/physiological factors; 8806901
- mothers' narratives; thematic analysis; child gender effects; mothers aged 40-50; 8801646
- nonverbal communication; gender differences; schematic cognitive processing use; 8806605
- North Indian speech; gender/communicative style differences; continuous verbal interactions; 8804252
- peer interaction, grade level/sex composition effects; drill/practice reading computer programs; second/fifth graders; 8807255
- Pekinese (Chinese) syntactic variation; social factors/usage frequencies; 8803236
- personal involvement predicates; use, manner/frequency; Soviet-American "spacebridge"; 8806646
- phoneme duration, age-related differences; women aged 20-35/75+; 8802089
- Portuguese dialectology; Ponta Grossa (Brazil) postvocalic /l/ realization, sociolinguistic study; 8800728
- preschool children's symbolic play; language/thought/constructive action; gender/representational objects presence effects; 8804738
- quantitative lexical availability; gender/sociocultural/school-level effects; Spanish-speaking high school students; 8808230
- question-asking strategies; anticipated future interaction effect; same-/opposite-sex interactions; 8804149
- reaction time differences, Stroop color-word stimuli; sex differences; male/female college students; 8807283
- reading attitudes; gender/grade level differences; Canadian fourth, fifth, sixth graders; Survey of Reading Attitudes, Gates-MacGinitie Reading Test; 8807690
- reading choices, fifth graders; reading interest inventory; sex differences; 8807219
- reading materials gender characteristics; traditional/nontraditional sex-role narratives; fourth/seventh/eleventh graders; 8802791
- reading performance; extraversion/sex difference effects; children aged 7-8; Junior Eysenck Personality Inventory, Burt Graded Reading Test, NFER Reading Test 2, Neale Analysis of Reading Ability; 8802848
- reversal errors/reading achievement, sex differences; first graders; Jordan Left-Right Reversal Test, Gates MacGinitie Reading Tests; 8802822
- rural German dialect; variation/change; sociolinguistic analysis; 8803958
- Saguenay French (Quebec) diphthong /wa/, description; variation constraints, classes distinguished; age/sex differences; 8805654
- schizophrenia; high risk children's verbal behavior; communication deviance; 8802190
- second-language learning; children aged 3-5; intelligence/parent attitudes/motivation/age/sex influences; 8802646
- second-language learning; listening vocabulary proficiency; sex differences; Chinese college English students; 8802290
- sex differences, interpersonal verb use; E. G. Thompson's/P. Hat-chett's/J. L. Phillips's findings unsupported; 8801767
- sexist language; structural linguistic theories/feminist philosophy; 8803312
- speaking styles; gender differences; listeners' evaluative reactions analyzed; 8804146
- speech nonfluency, anxiety indicator; marital relationship questions; gender/content interaction; husbands, wives; 8809433
- speech processing; linguistic/nonlinguistic processes; consonant contrasts; sex/age/bilingualism; 8800028
- speech synthesis, source-filter interactive concept; formant synthesizer; male/female voices; 8801980
- substandard speech, English-language drama characters; sociostylistic analysis; protagonist's age/sex, stressful/nonstressful situation; 8804318
- terminological commissions; linguistic usage relevance; French professional label feminization; 8804039
- Vienna German monophthongs, quality/vowel duration/height; East Middle/Swiss German material comparison; idiolectal/sex differences, regional similarities; 8805638
- Vienna German sociophonological variation; Vienna dialect/Standard German/cultivated colloquial; psycho-social factors; natural phonology framework; 8809058
- visual encoding skills; phonological vs whole word approach; females vs males; 8807855
- vocal characteristics adjustment, postoperative transsexual patient; longitudinal study; fundamental/formant frequency changes; 8809429
- vocal stress analyzer; deception detection; Mark II Voice Analyzer evaluated; gender differences; 8802018
- women's graffiti; communicative function/linguistic style; 8806664
- women's language, derogatory terms; women's "dirty" words for men; frequency/response variation; public/private discourse differences; 8801757
- women's/men's language differences; historical/sociolinguistic bases; 8801697
- word recognition, first graders; cognitive development/sex/abstractness; children aged 5;9-6;9; 8802681
- writing styles; male/female differences; business communications students' writing samples; 8805521
- young lovers' interpersonal sentiments; idiomatic communication relationship; 8804147
- ### Short-Term Memory
- Alzheimer's disease; sentence repetition performance; syntactic processing/short-term memory/auditory comprehension; longitudinal study; 8802121
- aphasia; short-term memory/sentence comprehension deficits; memory, phonological components; 8800036
- Chinese radicals/characters, short-term memory; frequency, complexity factors; 8804827
- conduction aphasias; sentence comprehension abilities; auditory verbal short-term memory role; 8804557
- free short-/long-term recall; items number/organization degree; German adults; 8804684
- German as a second language instruction, Chinese students; speaking skills development, radio interview utilization; personal experience account; 8805040
- lateralization patterns; prose material spatial configuration manipulation effects; short-term memory/verbal facility; 8805415
- narrative recall; J. Mandler's/W. Kintsch's text models compared; immediate/delayed protocols; 8800114
- phonemic codes use, age/reading skill differences; short-term retention task data; disabled/average/above average readers, grades 2/4/6; 8802798
- phonological confusability, sentence short-term memory; reading ability predictor; kindergarten children; 8802246
- poor readers' short-term memory, Broadbent's human attention/immediate memory model explanation; $3 \times 3 \times 3$ repeated measure design; fourth graders; Bloom's proposition supported; 8807287
- prose memory enhancement; metaphor effects; positive memory strategies; immediate/delayed recall; 8800133

- reading ability; verbal short-term recall/phonetic processing efficiency; reading-disabled children; 8805449
- reading comprehension/short-term memory function; lateral preference; fourth-grade boys; 8802852
- reading performance; phonetic factors role; verbal short-term memory task; good/poor beginning readers; 8800515
- reading style/short-term memory; good vs poor spellers; U. Frith's hypothesis tested/confirmed; ninth/tenth graders; 8800027
- reading, short-term storage; repetition/interruption conditions; 8802816
- relevant information retrieval; irrelevant information effect; Stroop color word test; ink color/word meaning; 8804833
- Russian as a second language acquisition, sentence retention/recall; presentation medium/mode effect; short-/long-term recall tests; East German undergraduates; 8800413
- Russian as a second language, East German students, vocabulary teaching; visual presentation mode effect; 8802522
- selective memory, auditory short-term memory; suffix effect; 8807300
- self-contradictory verbal material processing; working memory constraints role; liar's paradox; 8800117
- sentence/list repetition skills; aphasic patients; meaningfulness effects; 8804556
- short-term order memory; concomitant spatial information effects; aphasic adults; 8806968
- text comprehension; short-term memory allocation strategies/text causal structure; free recall protocols; undergraduate psychology students; 8807278
- text reading/recall psychological aspects; information size/type, selective attention/retention/reproduction; literature survey; 8805477
- tone duration, ipsilateral/contralateral masking; auditory perception; 8802408
- Sign Theory**
- adjudication; semiotic explanation proposed; rule-text/deictic sign resemblance; 8809202
- "hypersigns," literary significance unit; intertextual/intratextual types; 8806858
- interface design, sign status; semiotic approach; 8809217
- meaning, linguistic varieties; idiolectal sign/"diasign"; polysemy/homonymy; 8805863
- music; C. S. Peirce's sign classification system application; 8801917
- musical work, semiotic status; C. Morris's sign conception application difficulty; 8801936
- nature/nature comprehension semiotics; human body behavior as a sign, secondness > thirdness, modern transition; 8809199
- operational semiotics, causality verbal form; explanation, linguistic structures; 8806851
- Pascal, B., *Pensées* (Thoughts); sign theory; S. E. Melzer's *Discourses of the Fall: A Study of Pascal's Pensées* reviewed; 8809216
- Peirce, C. S.; semiotic theories, historical development; 8809212
- Peirce, C. S.; sign theory, teleology; 8809226
- Plato's *Cratylus*; language theory/signs; Saussure/Derrida; 8804377
- Port Royal semiotics; language/thought parallelism; sign nature, function; 8804365
- reality semiotic theory, conceptions/terminology survey; triadic-trichotomic sign; 8809203
- semiology; textual analysis; R. Barthes essay collection; 8809200
- sign self-reality; categories reality; 8801895
- sign self-reality; small/large sign classes distinguished; 8801893
- signs self-reality; signs/numbers representation meanings, aesthetic reality; reality themes, semiotic diagonality; 8801897
- visual sign classification, C. S. Peirce's categories; 8809204
- Signifiant and Signifié**
- French *avec* 'with'; comitative/instrumental meanings; monolingual French/French-Italian bilinguals; 8805779
- language systems, complete/incomplete; reconstruction principles; 8801171
- langue/parole* distinction, Geneva school, F. de Saussure/C. Bally/A. Sechehaye; 8805992
- Port Royal semiotics; language/thought parallelism; sign nature, function; 8804365
- semiotic theory; substance/substrate/structure concepts; V. Brøndal's/L. Hjelmslev's theories of meaning; 8801218
- signifié identification; semantic features contribution; "noise" semantic field; 8805846
- Singing**
- dialect shift; professional Yiddish folksinger; vowel changes; social factors; 8801494
- formant frequencies, choir singers; spoken/sung vowel differences; 8806932
- language learning, musical context relationship; special education application; language-impaired children aged 4:11-7:2; 8807103
- phonation; noise/auditory feedback effects; long-term average spectrum/fundamental frequency analysis; singers/nonsingers compared; 8809318
- singing voice control; laryngeal mechanisms role; electromyographic study; 8802017
- singing, laryngeal functioning; electroglottograph recordings; 8802117
- song translation; sociocultural context recreation; G. Brassens's French songs, Italian translations; 8802963
- sternothyroid muscle's role, fundamental frequency; sustained phonation, comfortable/higher/lower pitch; tenor singers; 8809345
- tone production improvement; vocal exercises effects; junior high school female singers; 8804439
- vocal register transitions; perceptual evaluation; acoustic correlates; 8806915
- Sino-Tibetan**
- Burmese language, syntactic studies; sentence parts, nominal/predicative particles; 8800849
- Burmese script, computer encoding, imaging; Burmese-English dictionary; 8806590
- Burmese voiceless nasals' articulation places determination; voiced murmur portion acoustic cue, nasal formant frequency/bandwidth relationship; 8806896
- Classical Tibetan zero-anaphora/cataphora/ellipsis; actor/undergoer suppression, nonpromotional antipassive; 8805689
- Dimasa (Bodo) phonemes; segmental/suprasegmental phonemes, vowel harmony; 8803069
- East Asian languages, linguistic/cultural variations; descriptive/historical/comparative studies; 8801276
- Eastern Kayah (Tibeto-Burman); grammatical description; phonology/morphology/syntax; verb serialization; 8803624
- Ladaki honorific system; emergence/maintenance; interaction norms; 8801731
- Li, Fang Kuei (1902-1987), linguistic theory contributions; academic career/major publications; 8803605
- Limbu (Tibeto-Burman) syllable structure, voicing/gemination features; allophone distribution, phonological conditioning; 8805647
- Middle-Old Tibetan consonant system, tonogenesis; 8808101
- reduplicated structures; South Asian languages; iterative/simultaneous aspect marking; areal universality; 8803115

 system network, definition/example, Polish/Bulgarian verb systems; bogus/real system networks; 8800924
 Szentistványi, Dániel; *Hilfsbuch zur deutschen Sprache. "Antibarbarus" und kurzer Auszug der neuesten Rechtschreibung. Praktische Anleitung zum Vermeiden vieler Fehler in der deutschen Sprache* (A Textbook of the German Language. *Antibarbarus* and a Short Excerpt from the Newest Orthography. A Practical Guide for How to Avoid Many Errors in the German Language); 1905 orthography textbook, Slovakian German, language situation; 8806205
 Tarkovich, Grigori; 18th-century circular letters analyzed, Trans-Carpathian Ukrainian linguistic peculiarities; 8803758
 toponym *Osmar* origin/meaning, T. Balkanski's critique/alternative explanation rejected; 8806515
 Transdanian Voronezh toponyms, Polish-Russian-Ukrainian contacts; Semenivka village dialect; literary/dialectal Russian influence; 8803998
 translation, concrete consequences; language-specific thought expression; Greek Beatitudes, Slavic translation; 8806031

- Trubar, Primož, *Catechismus*, Germanisms usage, puristic activities, semantic fields; 8808749
- Tseytlin, R. M., *Leksika drevnebolgarskikh rukopisey X-XI vv* (The Vocabulary of Old Bulgarian Manuscripts of the Tenth to Eleventh Centuries) review/critique; term *Old Bulgarian* ambiguity; 8803692
- Ukrainian agent designations, derivative bases; verb/deverbal noun, suffixes; lexico-semantic relationships; 8803331
- Ukrainian anthroponym *Karmalyuk* etymology; Turkish base, *karmal* 'stir, be aggressive', *Karmanyuk* > *karmalyuk*; 8804015
- Ukrainian bilingual (Turco-Slavic) inscription, Saint Sophia Cathedral, Kiev; Turkic elements, dialect identification, chronology; 8808636
- Ukrainian case system; semantic/syntactic/morphological criteria, central/peripheral cases; 8808212
- Ukrainian complex multicomponent sentence semantic structure, models/relationships/correlations; 8803329
- Ukrainian complex noun structure, semantic syntax framework; compositional elements, affixes, semantic groups; 8808235
- Ukrainian complex sentence paradigmatics; pronoun-/conjunction-based sentences; conjunctless sentences typology; 8800862
- Ukrainian derivative nouns, verbal/adjectival base; meaning change; quantitative analysis; 8800964
- Ukrainian deverbal derivatives, semantic/morphological valency, word-formational patterns; verbs semantic class, prefixation, derived speech parts; 8805918
- Ukrainian dialectal stratification chronology; Eastern Slavs ethno-/glottogenesis framework; Northern/South-West/South-East dialect formation; 8808783
- Ukrainian historical documents, Ukrainian Linguistic Institute 1958-1985 publications; linguistic relevance; 8801341
- Ukrainian homogeneous predicate sentences; functional varieties; 8800802
- Ukrainian infinitives accentuation patterns, history/variation; penultimate syllable length, Proto-Slavic forms; 8808647
- Ukrainian native language instruction, oral reading benefits; written-oral language relationship, meaning-phonetics relationship, communicative competence development; 8804882
- Ukrainian nonderivative masculine nouns, accent patterns; fixed/mobile stress; 8803103
- Ukrainian phraseological derivation, patterns/bases; words/syntactic structures as bases, derivation typology; 8805907
- Ukrainian poetry, Greek/Latin mythological names use; stylistic-expressive function, adaptation; 8804309
- Ukrainian poetry, musical vocabulary; functions; 8801848
- Ukrainian present tense/imperative innovation, components; diachronic motivations; 8808132
- Ukrainian socio-political terminology development; 19th-century poets'/nationalists' contribution; Lenin's socialist vocabulary adoption; 8808870
- Ukrainian substitutive vowel lengthening; accounts survey; dialectal differentiation, stress/lengthening relationship; 8808100
- Ukrainian verb Aktionsart; Bulgarian material compared; 8803776
- Ukrainian vocative, semantic-syntactic functions; stimulative-imperative use, appealing mode; 8803242
- Ukrainian-Odesa Russian contacts; Ukrainian borrowings typology, meaning/form; 8803874
- Ukrainian/Belorussian/Russian word-formational nests; semantic parallels/analogies/correlations/divergences; 8805832
- verb second word order; historical developments; Slovene/Serbo-Croat/Germanic compared; 8803640
- verbal prefixation, characterization; Slavic/German scholars' comparative/noncomparative studies survey; 8800970
- verse language prosody, theoretical/experimental research; Russian/Serbo-Croatian syllabo-tonic verse; 8804323
- vowel duration/rhythm; English/Bulgarian rhythmic feet, syllable stress; 8804447
- Wagner, Jan, Bulgarian-Czech dictionary; comparative assessment; 8803582
- Wallachians, German etymon Slavic adaptation, Romanians origin question unanswered; 8806520
- Wellerisms, internal structure; *dictum/factum* parts; English Wellerisms, Slovak translation; 8801827
- West Slavic/Baltic linguistics; *Slavic and East European Journal* coverage 1957-1987; 8806192
- word formation patterns, Russian/Bulgarian; "competition" lexical domain; intralinguistic factors; 8803793
- word meaning, syntagmatic shift models; Russian/Ukrainian material; 8800875
- word naming; associative/grammatical priming; pre-/postlexical contextual effects; Serbo-Croatian; 8804704
- word-formational meaning, formant/motivator semantic determination relationship, Ukrainian data; 8805899
- Yugoslavia language situation, multiethnic/multilingual society; language use markedness/unmarkedness, language policy equality principle; 8805528
- Sleep**
- communication, deaf people's dreams; "pure communication," inter-/intrapersonal dynamics; 8809356
- dreams, intensive language learning effect; pre-/postlanguage course observations; 8807522
- Slips of the Tongue**
- Arabic slips of the tongue; classification/theoretical significance; 8802223
- slip of the tongue phenomena; foreign-language learners; native-language phonological processes; Poles learning English; 8805157
- slips of the tongue, discourse analysis; language system/speech production mechanisms; 8803506
- speech production; retrieval processes, connectionist model; initial/final consonant errors; 8804663
- Socioeconomic Status**
- doctor-patient discourse; speaker strategies; age/sex/social class; medical interviews recorded/analyzed; 8801035
- dyslexia; research studies problems; sex differences/socioeconomic background/intelligence/birth order factors discussed; 8804597
- Indian caste identity, social hierarchy; linguistic behavior; sociolinguistic analysis; 8806712
- ingroup vs outgroup speakers, social identity/self categorization theories; Dundee/Glasgow (Scottish)/Received Pronunciation English; Dundee teenagers; 8808989
- Korean unlaut; social stratification; sex/age/socioeconomic status; 8803016
- Liberian English; sociolinguistic factors; western-based cultural values; 8809003
- linguistic development; first-grade literacy teaching method effects; Brazilian lower/upper class children; 8807633
- Mexican-origin college students; cultural preferences/language proficiencies; academic achievement relationship; 8804245
- Montreal French; phoneme /r/ variation; sociocultural/socioeconomic factors; 8803096
- Philippine bilingual education policy; declining achievement scores; socioeconomic factors; 8800620
- Porto Portuguese dialect; phonetic variation, socioeconomic basis; 8806892
- Portuguese dialectology; Ponta Grossa (Brazil) postvocalic /l/ realization, sociolinguistic study; 8800728
- quantitative lexical availability; gender/sociocultural/school-level effects; Spanish-speaking high school students; 8808230
- reading achievement/metalinguistic awareness; reading readiness, socioeconomic status relations; kindergartners/first graders; 8807263
- reading instruction, parental involvement effects; working-class children's reading test performance; Haringey Project compared; 8807680
- reading recovery program, home literacy context/parents; at-risk first graders; 8807684
- reading speed/efficiency, Nigerian/British students compared; differing background effects; secondary school students; 8807618
- relative clause formation strategies; Mexican children aged 6 years; sociolinguistic study; accessibility hierarchy; 8802281
- rural German dialect; variation/change; sociolinguistic analysis; 8803958
- social class grouping problem; M. Davis's proposed solutions discussed; 8804240
- sound change, adolescent phonological variables; social structure influences; (A) lowering/backing; Detroit suburban high schools; 8809023
- Sociolinguistics**
- 17th-century French grammar; Jansenist/Jesuit theological conflict; Pascal's *Les Provinciales* (The Provincials), D. Bouhours's grammatical critique; 8808534
- Abakua language, Cuban cultural/social role; Afro-Spanish pidgin-creole status disproved; questionnaire data; male informants aged 60-70; 8806692
- Abidjan (Niger-Kongo) language attitudes; language planning implications, Ivory Coast; 8809018
- adult language education, language choice factors; Kwaio (Austronesian)/Tzeltal (Mayan) data; B. Spolsky's/P. Irvine's criteria; 8809059
- adult second-language acquisition; dialect variation role; Standard English/New York nonstandard English/Black English; learners' reactions; 8800392
- affectivity, Persian language use; sociolinguistic analysis; communicative contexts; 8808995

- African English varieties; features/problems surveyed; 8808771
- African language situation; national language promotion/adoption; external/internal factors; 8804270
- African languages scientific/technical terminology; linguistic independence/subjugation; Marxist-Leninist perspective; 8801692

indigenous bilingual education, Karajá Amerindians (Brazil); cultural-ly relevant program; 8805267
indigenous Brazilian languages; classificatory/sociolinguistic sketch; language loss/revitalization; 8808759
indigenous languages/cultures; name determination/classification; 8801263
Jamamadí (Brazil) discourse; sentence repetition functions; 8800994
Juruá River (Brazil) indigenous tribes; identity/clan transmission devices; Katukina linguistic status; 8806223
Karajá (Brazil) literary acquisition; government program, cultural effects; 8806657
Karitiána (Brazil) discourse structure; sentence-linking conjunctions; causal/temporal/additive semantic categories; 8801056
Krenák (Brazilian) vowel system; distinctive feature characterization; 8800702
Kuna (Colombia) phonology; segmental inventory/syllable structure/phonological rules; 8808069
language planning, bilingual education; Peru; Quechua situation; 8809117
language typology, contemporary problems; Amazonian languages data; traditional dogmas/universals falsification; 8806600
language typology; G. A. Klimov's active structure pattern; Kamaiurá (Tupi-Guarani) evidence; 8806603
Mapuche (Southernerindian) culture; Mapudungu-Spanish bilingualism/vernacular lang preservation; 8809078
Mapuche unified alphabet; Temuco meeting, 22-23 May 1986; normalized graphic conventions/orthographic norms; 8801618
Mapudungu (Southernerindian) transitivity; syntactic functions/argument slots; transitive markers, inverse value assignment; 8808184
Mayan hieroglyphic writing origin/base; classical period, Yucateco dialect; historical/linguistic evidence; 8804108
Mbjá (Tupi-Guarani) phonology; /h/ insertion/vowel reduplication; 8808054
morphological rules/grammar levels relationship; syntactic/lexical applications; Inuktitut/Quechua material; 8803364
Muisca (Colombia) language; historical/comparative evidence; linguistic relations/substratal influences; 8808755
Muisca Quechuisms, *Atlas lingüístico-etnográfico de Colombia* (The Linguistic-Ethnographic Atlas of Colombia); chronicles/dictionaries analysis; 8803908
myth, syntactic structure; Yukuna (Colombian Amazon) speech creation myth; Claude Lévi-Strauss's structural anthropology framework; 8806229
Nambikuára topicalization; fronting/left dislocation; topic spans; 8801063
Nasaywe (Paez) orthography; functional alphabet design discussed; 8808923
null objects, pronominal/variable; Quechua/English data; 8803518
Paumarí (Brazil) narrative structure; repetition techniques; overlay/coherence; 8801082
Peruvian indigenous languages; classification/sociolinguistic situation; extinction process; 8809089
Peruvian indigenous languages; sociolinguistic situation; maintenance/revitalization efforts; 8809090
Pirahã phonology, metrical phonology model; stress evidence; 8805628
Quechua numeral system, morphology/syntax; historical/sociolinguistic issues; 8808585
Quechua vowel harmony; autosegmental analysis; origin/development; 8808048
Quechua-Spanish bilingualism; experimental Peruvian educational program evaluated; 8807985
Quechuan folklore; "Juan del Oso," various versions/Spanish translations; 8808576
ritual wailing, Amerindian central Brazil; semiotic analysis; 8808575
semantic obliqueness; Quechua regulated verse; pragmatic/syntactic/poetic factors; lexical form repetition; 8803450
Southern Peruvian Quechua sibilants; historical analysis; philological/comparative evidence; apical/laminal distinction; 8805644
split-ergativity, De'Kwana (South American Carib) pronominal agreement; verb system feature interaction; 8808143
Toba (South Amerindian) time expression; English compared; 8808241
Tuyuca (South Amerindian) evidentials; origin/development; morpheme reanalysis/semantic drift; 8805922
Venezuelan indigenous languages; revitalization efforts discussed; 8809060
Venezuelan linguistic situation; official language policies/indigenous language maintenance; 8809061
vernacular literacy, Machiguenga (Peru); increasing Spanish importance; retention possibilities; 8809015
Xavante (Brazil) discourse structure; information distribution; topic indication; 8800990
Space, Spatial Position
cerebral hemisphere differences, visual spatial stimuli processing; verbal/nonverbal stimuli, local/global components; 8807348
child development/hearing-impaired child verbal therapy; space/music/dance role; 8800058
children's spatial term acquisition; intensional/extensional approaches; language therapy procedures; 8804780
coarticulation, timing/spatial effects; proposed models; 8806911
constructional apraxia; left-right orientation deficit; case study; 8807345
dialogic language processing; spatial descriptions, semantic analysis; description schemes; 8802268
dyslexia, spatial thinking; visuo-spatial subtype unsupported; 8802417
ideomotor apraxia; space-time movement system; error pattern analysis; 8809440
Japanese/English demonstratives, spatial domains; *koko, soko, asoko, here, there*; 8805850
language processing; spatial mechanisms role; right parietal area lesion patient; 8804515
letter imagery deficit, writing impairments; spatial imagery relationship; apraxic agraphia, case study; 8809386
listener-located local reference, listener's local position/speaker's localization effort relationship; theoretical assumptions tested; 8806610
name tracing identification, right/left palm; spatial aspect dominance; 8807340
Polish spatial prepositions, Russian formal/semantic equivalents; location/motion expression; 8801372
prose recall reconstruction; written description/map use; locational inferences; mental text representations; 8800010
Spanish narrative structures; textual semiotic analysis; spatial locatives; 8809207
spatial expressions, preposition paradigm, locative/directive distinction; X theory/thematic roles/extraction/reference/deixis; 8808140
spatial perception; linguistic manifestation; Portuguese idiomatic speech; 8800933
Swahili (Niger-Kongo) demonstratives; proximity role; spatial/temporal/narrative/anaphoric distance; 8801139
Tacaná (Mam) dialect; grammatical description; spatial reference categories; 8803618
temporary concepts; spatial notions relationships; English/Chinese data; 8804696
three-term series problem; linguistic/spatial processing strategies; sentence-picture/sentence-kana verification tasks; Japanese college students; 8802402
verbal autistic children; deictic words/gestures use; pronoun/spatial term contrasts comprehension; child/teacher conversations analyzed; 8804567
Spanish (see also Romance Languages)
Abakua language, Cuban cultural/social role; Afro-Spanish pidgin-creole status disproved; questionnaire data; male informants aged 60-70; 8806692
Academy of the Spanish Language, institution presentation; history/correspondent branches/tasks/objectives/members; 8804264
accented English; Mexican-American dialect features; phonological variation; 8802910
adult second-language acquisition, attitudinal barriers; circumvention techniques; 8800400
adult second-language learning; parameter-setting model/universal grammar; English anaphora acquisition; Japanese/Spanish speakers contrasted; 8802612
African/Hispano-American studies, "conscientious examination"; post-1975 literature; 8803881
American Spanish temporal patterns; acoustic analysis, syllabic segments variation; segmental/suprasegmental effects; 8803019
American Spanish, indigenous Amerindian languages lexical contribution; 8803862
American Spanish, R. J. Cuervo's observations; normative standards; 8806191
American Spanish; perfect tense usage; aspectual criteria importance; 8805822
Argentine Spanish suffix *-ero* usage, effective adjective formation; 8805940
auditory discrimination/oral production relationship; Spanish sounds; young adults/children; second-language learning implications; 8804849
authorship attribution, 17th-century Spanish plays; computer analysis methods; 8803853

 gated familiar noun perception; word frequency/temporal processing effects; children/teenagers/older adults; 8800146

- German discourse prosody, second-language instruction; listening exercises; Swedish-speaking students; 8802534
- German plosives /p/, /t/, /k/ perception/identification; acoustic cues effect, closure/burst variation; pronounceability measurements; male/female normal-hearing listeners; 8809313
- hearing impairment; temporal acuity/speech perception relationship; Japanese vowels; 8802071
- human speech recognition; speech signal; coarse aspects; context-dependent processing; 8802374
- imagined/heard word discrimination, another speaker's voice; memory differences; 8807317
- infant emotional discrimination, face/voice roles; infants aged 4-7 months; 8807208
- infant timbre perception, spectral envelope discrimination; 7-month-old infants; 8802405
- interaural aftereffects transfer, tone sound level change; moving sound source localization; 8804847
- intonation, foreign accent; native Dutch speaker recognition; 8800736
- language acquisition precursors, young infants; native/nonnative language utterance distinction; French infants aged 0:0:4, US infants aged 0:2; 8807243
- language acquisition, constructivist theories, infant studies implications; Piagetian theory flaws; 8804779
- language processing models, structuring levels; speech errors; 8807144
- lenis/fortis distinction; voice quality features effects; German listening tests; 8804454
- lexical access/selection, place/voice discrimination; gating paradigm; symmetric/asymmetric decision processes; 8802255
- lexical stress/access, word recognition; phoneme perception response speed; homographs/nonhomographs; 8807303
- linguistic perceptual mechanisms; phonemic restoration effects; American Sign Language analogs; 8801878
- linguistic units wholeness, dialectical-materialistic/neurological interpretation; cerebral hemispheres' speech perception roles; 8806144
- listener perception, speaker height/weight; voice pitch cue; Japanese vowels; 8804482
- listening ability, parallel octaves/fifths discrimination; music students; 8806917
- loudness additivity, critical bands; conjoint measurement approach; sound intensity sensory representation, individual differences; 8804851
- (m)/(n) distinction perception; vowel-consonant syllables; relational spectral information; 8804470
- "new"/"old" words, speech signals; listener perception; 8800017
- nonnative speaker coherence perception, discourse structuring cues effect; teaching demonstration videotapes, Korean/Chinese teaching assistants; 8808411
- oral reading, listener reactions; interjections vs spontaneous speech; semantic differential scale judgments; 8806986
- oral/written language comprehension; processing strategies, constraints, perceptual/cognitive aspects; 8804894
- Pattani Malay consonant length; word-initial consonants; acoustic cues examined; 8804425
- Pattani Malay word-initial consonant length; listeners' perception/acoustic cues; 8804424
- pause duration; report/perception/actual occurrence discrepancies; poetic format effects; English/French speakers; 8805971
- perceptual evaluation, children's stuttering/nonstuttering fluent speech; paired-/single-stimulus paradigm; children mean age 6:8; 8802100
- perceptual/memory process abilities, stuttering/nonstuttering speakers; unisensory/bisensory tasks; 8802094
- phoneme/syllable accessibility, detection time comparison; partial/full stimulus analyses; 8807292
- phonemes; speech production/perception; phonemic segmentation/reading skills relationship; 8800540
- phonemic false evaluation; aphasia analysis implications; theoretical/diagnostic consequences; 8804430
- phonological development; velar-fronting children; voice onset time/own production perception; 8809334
- phonological perception, one-word stage; visual search paradigm; children aged 1:3-1:8; 8807250
- phrase production/perception, Nordic dialects; pitch/intonation curves compared; Danish/Swedish/Finnish dialect speakers; 8803050
- pitch judgments; spectral composition; frequency/sound pressure level/earphone-frequency responses effects; 8802414
- pitch perception, memory encoding; frequency ratio model rejected; 8807318
- pitch perception; intrasyllabic changes/accentual factors; English/Japanese speakers; 8809290
- pitch/speech discrimination, unilateral cerebral damage patients; right vs left lesion effects; 8807346
- Polish main stress/stress group boundaries, perceptual distinctiveness; syllable perception test; native listeners; 8800731
- prevoalcalic (m)/(n) contrast; acoustic cues; peripheral auditory interaction role; 8800154
- processed speech evaluation; intelligibility measures effectiveness; 8804459
- pulse train repetition rate discriminability; rabbit sequences; order effect experiments; 8809319
- rapid/rabid distinction; acoustic cues; stressed vowel duration/closure duration/glottal buzz; 8804458
- reading acquisition, speech perception/memory/IQ relationship; 6-year-old boys; 8807151
- reading disability; phonological processing deficits relationship; temporal/phonetic perception; 8804603
- Russian dialects, vowel perception/production; Minsk/Kiev/Moscow dialect differences; 8801476
- s/z fricative recognition, English/Kazakh/Russian; segment content effect, noise/voiced element/vowel; 8804461
- second-language accent acquisition, discrimination/perception; phonetic training program; adult French as a second language learners; 8807558
- second-language instruction, listening comprehension teaching; receptive skills priority/acquisitional precedence, theses; 8807382
- second-language meaning comprehension; function word/suprasegmental cues effects; miniature artificial/natural language learning tasks; 8807536
- second-language sound perception; lexical knowledge effects; phoneme identification task; Japanese English learners; 8807572
- sibilant fricatives; production/perception; Shona (Niger-Kongo) material; 8801973
- speaker recognition, speech rhythm/pitch; Fourcin laryngograph recordings; 8809326
- speaking rate perception; talker's face information effects; 8802245
- speech intelligibility prediction; modulation transfer function; psychoacoustic application; normal-hearing/hearing-impaired subjects; 8804444
- speech intelligibility; dysarthric cerebral palsied adults; acoustic features contribution; 8804512
- speech intelligibility; speech intensity/melody effect; perceptual condition role; German undergraduates; 8804456
- speech perception research; overview; perceptual integration/segregation; 8802022
- speech perception/reading ability relationship; identification/discrimination tests; first-grade good/poor readers; 8807813
- speech perception; higher level contextual influences; interactive processing model; 8804664
- speech perception; infant/adult differences; perceptual reorganization; Zulu click discrimination; 8804428
- speech perception; lexical/sentence context role; phoneme identification/word recognition; voicing continua; 8802368
- speech perception; phonetic/auditory modes; intensity-dependent duplexity; 8802041
- speech perception; preattentive/attention-intensive processing levels; reaction-time monitoring tasks; 8802248
- speech processing; categorical perception; cue trading; interactive processing model supported; 8804479
- speech processing; linguistic/nonlinguistic processes; consonant contrasts; sex/age/bilingualism; 8800028
- speech rate perception, relative/absolute judgments, masked/content-standard stimuli; vocal frequency/intensity effect; 8809264
- speech recognition/speech perception; decision-making process; preprocessing/matching stages; 8802043
- speech restoration; perceptual synthesis; auditory induction; 8801972
- speech signal; acoustic cues; trajectory notions/instability function; 8802014
- speech therapy; auditory discrimination training; articulation-disordered children aged 6 years; 8806979
- speech transmission systems; bandwidth parameter examined; speech intelligibility; hearing-impaired/normal-hearing subjects; 8802406
- speech wave/intelligibility, shaping speech wave relationship; acoustic parameters; men aged 20-24; 8806908
- speech/music performance, comparative analysis; human perceptive/cognitive systems; 8806891
- speechreading tests, deaf education/rehabilitation; 15 tests reviewed; colloquial language comprehension test recommendations; 8807089
- spoken word perception; syntactic/semantic processing separability; lexical decision tasks; Serbo-Croatian speakers; 8802409
- stuttering severity, perceptual scaling; seven-point equal-appearing-intervals scale/on-line judgments; 8807012

- syllable duration, rhythm/duration perception; earlier data reevaluated; 8806933
- syllable perceptual center location; center-of-gravity accounts disconfirmed/onset-rhyme account supported; alignment tasks; 8809270
- synthetic/natural speech; aphasic subjects' comprehension; Votrax Personal Speech System; clinical implications; 8802124
- target language prosody; second-language learner's perceptual knowledge; English/non-English speech discrimination; 8802618
- text-to-speech systems; psycholinguistic study; perceptually similar words set; 8809284
- "Vervins" pronunciation, dialect differences; phonetic/phonological researcher reliability; 8808052
- vocal register perception, 4-year-old language-impaired/normal children; 8807323
- voice perception deficits, brain-injured patients; familiar voice recognition tasks; right-/left-brain-damaged subjects; 8809327
- voice quality impressions; acoustic/perceptual measures; Long-Term Average Spectrum value; 8800153
- voice/word identification; hemispheric specialization; processing differentiation; 8807338
- voiced phonation ratio, infant cries/perception; semantic differential technique; 8807320
- vowel information; syllable initial/final regions; talker-independent form; 8802039
- vowel length variation; consonant voicing effects; auditory explanation experimentally supported; 8809289
- vowel perception, form/stability; gestalt theory, "everywhere organizing theory"; 8802029
- vowel perception; single channel cochlear implant patients; formant frequency adjustment training; 8804626
- vowel perception; varied theories; 8802045
- vowel reduction; perceived stress relationship; 8804471
- word initial consonant length perception; Pattani Malay data; 8806885
- Speech Rate**
- adaptive word prediction program; input/output alternatives; 8803821
- conversational narration; audience response, prosodic correlates; pitch/speech rate/pauses; 8806082
- delayed auditory feedback speech; acoustic analysis; disfluencies/decreased rates; 8804525
- discourse interaction; foreign-language classroom; ruptures, prosodic signals/discourse markers; 8803485
- dyadic conversation strategies; gender/dominance effects; unacquainted pairs; speech rate/amplitude; 8801643
- foreigner talk register; quantitative/qualitative suprasegmental aspects; native-nonnative English telephone conversations analyzed; 8801126
- formant trajectories; speaking rate effects; speech synthesis implications; Japanese vowels; 8801998
- French speech timing; tempo change effects; pause behavior/segment durations; 8804435
- fundamental frequency, speech rate relationship; American English speakers; 8809278
- interactional discourse; prosodic characteristics; televised cultural debate analyzed; 8803454
- machine speech intelligibility/listenability; Varispeech versus Variable Speech Control; time alteration effects; 8802028
- maternal speech rate, child stuttering effect; mother-child dyads; conversational synchrony accounts rejected; 8807043
- paralinguistic behavior; learning-disabled/nondisabled third-/fourth-/fifth-grade boys; social rejection/interpersonal communication; 8804605
- Parkinson's disease; motor speech problems described; velopharyngeal functioning/phonatory performance/speaking rate; 8804543
- phoneme duration, age-related differences; women aged 20-35/75+; 8802089
- prenasalized stops, speech timing effects; Fijian vowel length data; native Fiji speakers; 8809300
- request compliance; voice tone/nonverbal cue sensitivity effects; speech accommodation theory; 8806617
- speaking rate perception; talker's face information effects; 8802245
- speech behavior; social evaluation differences; perspective/presentational medium effects; 8806625
- speech characteristics; alcohol effects; young adult male social drinkers; fluency/articulation/timing/word finding/sequencing; 8804546
- speech rate perception, relative/absolute judgments, masked/content-standard stimuli; vocal frequency/intensity effect; 8809264
- stuttering event; speech planning unit context; durational changes/speech rate variables; 8804580
- treated stutterers' fluent speech; naturalness/rate/attitudes evaluated; airflow therapy/Precision Fluency shaping compared; 8804528
- vowel perception; single channel cochlear implant patients; formant frequency adjustment training; 8804626
- Speech Recognition by Machine**
- acoustic-phonetic decoding; methods outlined; redundancy problem; 8806889
- adaptive word prediction program; input/output alternatives; 8803821
- auditory speech processing; auditory periphery, computer model; speech recognition implications; 8806954
- Australian speech research; major themes reviewed; 8804462
- automatic recognition, partitioning measures evaluation; information-theoretic approach proposed, extracted information percentage calculation; 8809267
- automatic speech recognition; artificial intelligence component relevance; related problems addressed; 8806414
- Chinese character processing; automatic speech recognition; second tone syllables; 8804484
- computer-coded phonetic transcription, Speech Assessment Methods project; automatic speech recognition devices, assessment method standardization; 8809332
- Erlangen speech recognition system EVAR; semantic analysis component description; valence/case theory basis, pragmatic elaboration; 8803806
- isolated prosodic patterns recognition, Hidden Markov Models' application; recognition rate tests; male/female speakers; 8809299
- isolated word recognition; triangle inequality verification, dynamic time-warping dissimilarity measures; 8806936
- language understanding machines; J. Searle's Chinese room argument evaluated; 8806122
- mental objects; automatic speech recognition; language comprehension; 8804501
- speaker-independent word recognition system, multiple classification functions; recognition performance tests; male/female speakers; 8809268
- speech automatic recognition, back-propagation learning procedure, filters sets learning; 8809307
- speech production/recognition model, M4; speech synthesis/analysis tasks; U of Cologne; 8801990
- speech recognition devices' performance, automatic measurement; commercially available systems testing; 8809303
- speech recognition, vector quantizers; isolated words; IBM Spellmode vocabulary; 8806906
- Speech Synthesis**
- articulation-oriented tactile speech synthesis; locally/temporally coded obstruent-vowel system learnability; 8809306
- Australian speech research; major themes reviewed; 8804462
- British English text-to-speech system; dialect relatedness issues; 8804429
- Chinese syllabic tones synthesis; temporal/contour/intervalic/amplitudinal/register-related features representation, theoretical/practical problems; 8805663
- Danish text-to-speech system; morph-analysis-based text normalizer; 8806900
- digital formant synthesizers; voice excitation sources; Klatt's source/G. Fant's glottal model; 8802020
- diphone-based speech synthesis, British English speech; inventory/computer program; 8809271
- English stop consonants +q; formant transitions, aspiration factor; acoustic theory of speech production; 8804469
- foreign accent perception; synthesized English sentences; Spanish cues manipulated; fundamental frequency/voice onset time/vowel durations; 8802412
- foreign-language learning; speech synthesis system; computer-assisted language learning; 8801424
- formant trajectories; speaking rate effects; speech synthesis implications; Japanese vowels; 8801998
- French nasal vowel synthesis; neural representation model; classification/hierarchical tests; native speakers; 8801979
- French speech synthesis; phoneme duration prediction; context/speaking style effects; 8804427
- grapheme-phoneme conversion, development tool; text-to-speech synthesis system; Dutch application; 8809329
- Japanese prosody; fundamental frequency contour/speech material analyses, simple/complex sentences; improved speech synthesis implications; 8809273
- linear predictive vocoder; simulation/implementation; hardware configuration/software algorithms; 8802024
- machine speech intelligibility/listenability; Varispeech versus Variable Speech Control; time alteration effects; 8802028
- Modern Greek phoneme transcription system; speech synthesis use; PHONEMIA computer program; 8801395

- multilanguage speech synthesis, text-to-phoneme tool; French/German/Italian transcriptions; 8806398
- Norwegian text-to-speech system, toneme 1 1/2; test tape ratings; Norwegian listeners; 8803038
- personal computer-assisted linguistics, text/word processing; speech synthesis/analysis; 8808708
- processed speech evaluation; intelligibility measures effectiveness; 8804459
- rapidly time-varying speech spectrographic misrepresentation; synthetic speech; 8809315
- speaker's emotion/attitude attribution; acoustic parameters effect, speech resynthesis; 8807316
- speech analysis; units/acoustic signal continuum; speech synthesis, computer-implemented mathematic model; time-coordinated event pairs; British English; 8801105
- speech intelligibility, voice output communication aids; Personal Communicator/SpeechPAC; clinical use implications; 8807106
- speech production simulation; linear predictive diphone approach; 8806927
- speech production/recognition model, M4; speech synthesis/analysis tasks; U of Cologne; 8801990
- speech synthesis techniques, segmental/prosodic features; improved system objectives; 8809288
- speech synthesis, recorded speech quality; PARCOR program; telephone/speech signals; 8809312
- speech synthesis, source-filter interactive concept; formant synthesizer; male/female voices; 8801980
- speech/music performance, comparative analysis; human perceptive/cognitive systems; 8806891
- synthesized speech coding, articulation transitions; temporal decomposition method; 8809325
- synthesized speech comprehension, language-impaired children; Token Test for children, synthesized-/natural-speech versions; 8809422
- synthesized speech intelligibility; Votrax Personal Speech System/Echo GP small computer systems compared; 8809269
- synthetic/natural speech; aphasic subjects' comprehension; Votrax Personal Speech System; clinical implications; 8802124
- tactile pattern synthesis/stimulus generation system, SEHR-2; stimulation device, theoretical background/software description; 8809320
- telethesis communication system HECTOR; development/use discussed; 8807118
- text-to-speech synthesis; grapheme-to-phoneme subsystem; Australian English; dictionary development; 8804460
- vocal behavior simulation; vocal tract length variation, Kelly-Lochbaum model; 8802042
- voice synthesis; German sentences; prosodic/morphological analysis; 8806941
- Voxton/Russon speech synthesis systems; structure/function, hardware/software; Hungarian/Russian; 8806888
- Speech Testing**
- aphasia/apraxia of speech; differences; speech processing skills; 8804574
- aphasic language, change evaluation; methods compared; clinical judgments, Western Aphasia Battery Spontaneous Speech subtest, Shewan Spontaneous Language Analysis; 8807036
- child language development/immaturity test chart validation, socialization/decodification/codification phases; Italian children aged 2:6; 8804781
- child speech development assessment; text perception/reproduction procedure; Russian normal/abnormal speakers aged 6-8; 8807121
- hearing-impaired individuals; speech intelligibility assessment; methodological procedures; adolescent males; 8804505
- hypernasality/velopharyngeal inadequacy; clinical assessment; speech therapy possibilities; 8809417
- long-term speech/language disorders, closed head injury children aged 8-16; speech/language tests; 8809410
- preschoolers' linguistic abilities test, elementary school admission screening measure; Italian 5-6-year-olds; 8804729
- scoring revision, Token/Reporter's Tests; normal/language-disordered children, kindergarten-fourth grade; 8809402
- Shewan Spontaneous Language Analysis system; aphasic adults' connected language; reliability/validity; 8807035
- speech assessment services; hearing-impaired children/youth; demographic information; 8804502
- speech/language testing; possible changes, restraints; clinician role; 8809535
- stuttering consistency measures, reevaluation; recurrence ratio/weighted percentage measures compared; 8806983
- Speech Therapy (see also Language Therapy)**
- acquired stuttering; delayed auditory feedback treatment; adult head-injury stutterers; 8802140
- adductor spastic dysphonia therapy, EMG-biofeedback procedure; muscle relaxation; 8809347
- aphasia treatment; bromocriptine effects; 8809373
- aphasic speech therapy, microcomputers use; trial programs, England; 8809380
- apraxia treatment; learned cognitive strategy; sensory-motor planning; 8804633
- articulatory disorders; age/sex/previous speech therapy influences; Finnish-speaking students; 8802131
- Australian speech research; major themes reviewed; 8804462
- cerebral palsied children, speech regulation; conductive education; 8802194
- child aphasia; encephalitic cerebral damage, language rehabilitation program; one-/two-word/grammatical sentences development, generalizations; case description, boy aged 3:9; 8807032
- child development/hearing-impaired child verbal therapy; space/music/dance role; 8800058
- children's language development; parental report accuracy; 8804762
- chronic perseverative stuttering syndrome; college-age stutterer's case history; therapeutic implications; 8804527
- cleft palate patients, fiberscopy/fluorovideoradiography evaluation; speech therapy use; 8809408
- cleft palate speech, treatment techniques; phonological/articulation therapy; case studies; 8809512
- deaf student education; oral communication development/experimental program; 8807088
- dysphonic voice rehabilitation program; phoniatric/psychoneurological treatment, phonation normalization, voice functional phonopedic training; 8807046
- English phonology acquisition, speech therapy; case study; 4-year-old; 8807229
- esophageal speech intelligibility; relaxation training effects; 8802207
- fluent speech facilitation; parental conversation aspects; incipient stutterers; 8809518
- functional dysphonia type/occurrence/patient's occupation/sex/recovery correlation; Perugia U Otolaryngological Clinic data statistical analysis; 8807017
- hypernasality/velopharyngeal inadequacy; clinical assessment; speech therapy possibilities; 8809417
- language disorder assessment/remediation procedures; revisions/modifications; 8807102
- language/speech therapy, nonverbal educational-communicative treatment; communicative-symbolic-figurative systems, Blissymbolics; 8802199
- laryngectomy patient rehabilitation, esophageal speech acquisition; speech therapist's role/difficulties; therapeutic/procedural recommendations; 8804519
- lexical/syntactic knowledge acquisition; matrix-training procedures effectiveness; developmentally delayed preschool males; 8802145
- lisp children; correct /s/, /z/ articulation; response cost procedures effectiveness; 8802148
- phoneme blending training; word reading; trainable mentally retarded children; 8807077
- phonological deviance diagnosis; *Phonological Assessment of Child Speech (PACS)* reviewed; 8804635
- phonological systems, speech-disordered children; otitis media history effects; 8804526
- Reinke's oedema phoniatric aspects, logopedic treatment effectiveness; Ferrara U Otolaryngological Clinic cases description; 8807057
- S/Z ratio reliability; normal/pathological larynx condition; elementary school children; 8804534
- simple/secondary language retardation, general educational therapy; Centro Sanitorio di Otofoniatria Infantile (Health Center of Infantile Otophoniatria); 8802208
- simultaneous sound-position training, (s) misarticulation; kindergartners; 8809524
- speech defects; computerized correction; 8802013
- speech therapy, /3/ elicitation; children aged 8/older; 8804584
- speech therapy, professional aspects, Italy; questionnaire data evaluation; 8807093
- speech therapy; auditory discrimination training; articulation-disordered children aged 6 years; 8806979
- speech therapy; communication-impaired children; intensive group therapy method; 8807110
- speech therapy; consonant contrasts; phonetic/phonological skill development; partially hearing child aged 6:8; 8807104
- speech therapy; continuous discourse tracking procedure; hearing-impaired nursing home residents; 8804636
- speech therapy; profoundly deaf individuals; phonological sampling/individualized instruction; 8806987

- speech-therapeutical German discourse; nonembedded *dass*-sentences function; psychological/linguistic viewpoints; 8807086
- stutterers' cognitive/autonomic anxiety; therapy effects; 8807008
- stuttering behavior therapy; relapse prediction/prevention; perceived control enhancement; 8807096
- stuttering rate; assertiveness training effect; young adult stutterers; 8802158
- stuttering therapy, public school settings; shedding difficulties/cultural considerations; 2-year project; Mexican-American elementary school children; 8809522
- stuttering therapy, rate control approach; unison speech modeling technique; 8807101
- stuttering therapy; regulated breathing method, experimental evaluation; 8807114
- stuttering, accompanying problems, language/vocabulary delay/articulation disorders/reading/writing disability; treatment effectiveness; Rome U Otolaryngological Clinic data, 1973-1983; 8807026
- syllable structure/segmental development; consonant preferences; phonologically disordered child aged 3;5-7;3; case study; 8804568
- synthetic/natural speech; aphasic subjects' comprehension; Votrax Personal Speech System; clinical implications; 8802124
- transcortical motor aphasia; speech akinesia therapy; verbal generativity; case study; 8806997
- treated stutterers' fluent speech; naturalness/rate/attitudes evaluated; airflow therapy/Precision Fluency shaping compared; 8804528
- visual/tactile aids, speech training program; pitch remediation program; profoundly hearing-impaired high school students, speech teachers; 8809527
- vocal characteristics adjustment, postoperative transsexual patient; longitudinal study; fundamental/formant frequency changes; 8809429
- voice disorders treatment, theory/practice; therapist's assumptions, respiration/phonation/resonance correction; 8807049
- voice disorders, epidemiological study; computerized file, 1973-1983, phoniatric clinic; treatment effectiveness; 8804533
- Voiscope, voice analysis program; voice rehabilitation role; 8809339
- ### Spoken vs Written Communication
- bilingual written code-switching, language interference/code-switching; language variation, oral language differences; Spanish-English bilingual third graders; 8807907
- child language; speech/writing compared; connectives use; 8804793
- child writing development; classroom discourse patterns effect; pedagogical implications; 8802892
- Confucian education; oral communication principles; Lu Hsiang-Shan/Chu Hsi; 8801069
- descriptive linguistics, introduction; phonetics/syntax/semantics/orthography/discourse issues; 8806240
- discourse processes; oral/written language stylistic differences; writing skill development, oral exercises role; 8802915
- early reading, deaf children; spoken language acquisition impairment, written language acquisition compared; Swedish hearing-impaired children; 8806966
- English as a second language; writing skills development; adolescent native Arabic speaker; 8800393
- English grammar, correct usage; formal instruction advocated; 8805784
- English verb-particle construction; particle placement, written text/spontaneous conversation differences; 8800755
- foreign-language teaching; instrumental French courses; successful Brazilian U programs; 8800316
- Haitian Creole/French; oral/written communication; educational use, social status; 8801686
- Hebrew-Yiddish diglossia; Ganzfried's *Kitzur Shulhan Arukh* analyzed; realia vocabulary; 8801712
- information retrieval, written/aural sources; normal readers aged 7-9; recall responses; 8802824
- linguistic/metalinguistic awareness, children's development, reading instruction implications; child/adult awareness differences; 8805279
- medieval Castilian documents; grapheme omission significance; 8801614
- narrative language, oral/written texts; first-/second-grade children; 8807262
- nonnative English discourse type development, Hindi/Indian English; gender strategies; spoken/written language; 8808414
- oracy models, Australian youth; oral/written language interaction; TV sports interviews; 8808340
- oral discourse; written language transfer; Black English-speaking youth; 8801125
- oral/written language comprehension; processing strategies, constraints, perceptual/cognitive aspects; 8804894
- orality/literacy; euphemisms use, military/defense terminology; response; discussion; 8800525
- regional French dialects, standardized written language; Provençal student problems; 8801464
- Renaissance rhetoric; literary genres misclassification; Erasmus's influence; 8801808
- Russian as a foreign language; written errors; oral-written proficiency relationship; 8800440
- scholarly oral papers; oral/written text distinction; 8806094
- simplified phonetic English instruction; key words, direction-/information-giving; Spanish police; 8807407
- speech/writing relationship; children's speech; phoneme emergence; 8802353
- spoken/written language differences, theoretical approaches, beginning reading instruction; cuing system/content/structure/purpose/function differences; 8805260
- spoken/written language, developmental differences; writing acquisition processes; 8807217
- spoken/written language, structural/functional differences; studies review; 8805972

- ### Spontaneous Speech
- adult-child play interaction; social/cognitive/linguistic development; spontaneous language/pretense play; 8806608
- affective prosody loss; left-sided Wada testing; spontaneous speech, affective flattening; 8802440
- aging, spontaneous language changes; Shewan Spontaneous Language Analysis System; normal adults aged 40-79; 8807037
- aphasia types; lesion locus correlation; free speech samples, lexical diversity; hierarchical grouping analysis; 8802082
- aphasia; short-term memory/sentence comprehension deficits; memory, phonological components; 8800036
- basilectal Belizian Creole copula; *da/la* syntactic/sociolinguistic functions; creolization/decreolization/semantic change; 8803284
- causal expressions, young children's comprehension/production; spontaneous speech, story format, imitation data; children aged 2;11-4;9; 8807206
- child language; spontaneous speech revisions; form/function differentiation; 8804811
- conversation flow/speaking mode interrelationship; situation/emotional factors; East German workers' spontaneous conversation; 8801006
- conversational narration; audience response, prosodic correlates; pitch/speech rate/pauses; 8806082
- early language development; premature/high-risk children; verbal output/syntactic complexity/morphemic acquisition; 8800107
- elicited imitation; spontaneous language/auditory memory span relationships; 8804828
- emotion/experience thematization; communication/experience/emotion interrelationship; German conversation analyzed; 8801653
- English as a second language adult learners' spontaneous speech; syntactic/morphological assessment; profile analysis approach; 8807587
- English as a second language, German students, oral monologues teaching; spontaneous/free speech characteristics/classroom simulation; 8807452
- English as a second language; syntax acquisition; Arabic-speaking children; 8805204
- English infinitival complement clauses; matrix verb subcategorization inadequacy; text-grammatical/functional-normative factors' role; spontaneous speech, British English; 8803209
- English negated auxiliaries distributional patterns; context role, semantic factors, extralinguistic influence; elicited/spontaneous UK/US debate; 8806022
- English pragmatic expressions; *you know/I mean/you see*; functions/grammatical constraints; 8805978
- ethnographic conversation analysis, theses formulated/exemplified; Mannheim (Germany) youth jargon analyzed; 8801104
- evaluation, linguistic expression, Russian free discourse; primary/secondary evaluative elements, positive/negative/neutral evaluations; 8805985
- French liaison; variability; radio broadcast corpus/political speeches/spontaneous conversation data analyzed; 8803022
- intonation/meaning relationship, spontaneous speech; British English; tonality/tonicity/tone; 8801013
- intonational structure; spontaneous language; prosodic-syntactic/prosodic-semantic/accental rules interaction; 8804474

- Italian-speaking Montreal residents; language behavior/ethnolinguistic integration relationship; spontaneous conversations; 8803887
- language evaluation; elicited imitation/spontaneous language sampling compared; language-disordered children aged 5:6-6:6; 8802205
- Mandarin Chinese zero pronouns; planned/unplanned discourse differences; 8803256
- Moravian dialects/Literary Czech relationship, North-Moravian borderland; vocational school students' spontaneous speech; word inflection/formation standard/nonstandard features; 8803955
- oral communication coherence, German spontaneous dialogues; hearer's global/local situation/topic assessment strategies, coherence definition; 8804158
- oral reading, listener reactions; interjections vs spontaneous speech; semantic differential scale judgments; 8806986
- phonological skills; normally developing 2-year-olds; conversational speech samples analyzed; clinical implications; 8800104
- relative clause acquisition; spontaneous production data; English-/Korean-speaking children aged 2-3 years; 8805181
- speech act elicitation methods; conversational dyad/structured task; mentally retarded adults; 8807076
- speech characteristics; alcohol effects; young adult male social drinkers; fluency/articulation/timing/word finding/sequencing; 8804546
- spontaneous discourse; rewriting problems; children aged 12 years; 8806920
- spontaneous speech production; senile dementia/aphasia; neurolinguistic language production model proposed; 8802256
- spontaneous speech; self-repairs, cognitive model developed; experimental elicitations examined; 8801128
- spontaneous verbal repetition; language-disordered children; child-adult interactions; observational study; 8804550
- spontaneous verbal repetition; normal/language-disordered children; language structure acquisition; 8802320
- utterance length; word mean/morpheme mean/word-morpheme mean measures consistency; spontaneous expressive language samples; 8802074
- Wernicke's neologistic jargonaphasia; speech errors framework analysis; 8806975
- word recognition; spontaneous speech acoustic offsets, subsequent context effects; U students; 8807315
- Standard Dialect**
- Afghanistan, language situation/policies; 8808756
- Arabic prestige dialect varieties; Modern Standard Arabic's traditional status; sociolinguistic analysis; 8801678
- Armenian/Persian literary languages development; comparative sociological/anthropological analysis; 8803792
- Austrian German pronunciation, standard/substandard variation; social stratification, situational/emotional factors; German teachers' speech analyzed; 8801702
- Austrian phonological variation; dialectal influences, social status effect; politician interviews; natural phonology framework; 8804230
- Bavarian/Austrian German/Standard German, linguistic separatism; lexical/phonetic differences, historical causes/current language policies; 8801781
- Berlin dialect acquisition, kindergartners; Standard/Nonstandard differentiation, colloquial Berlin German preference, code-switching; longitudinal study; 8808780
- Berlin German, variety development history; social/political/geographic factors; speakers migration/stratification; 8809083
- Berlinish-Northern Mark-Brandenburgish contacts; dialect/colloquial speech levels, High German influence; phonetic/lexical approximation; 8808766
- Brazilian Portuguese; grammar teaching/linguistic reality/standard dialect establishment; H. H. do Couto's *O que é português brasileiro* reviewed; 8804214
- Cairene/Spoken Literary Arabic *b*-imperfect use; dialectal constraints identified; 8803936
- Cameroon Standard English pronunciation, sound pattern characteristics; polyglottal setting influence; 8808075
- Chilean Spanish; standard dialect; A. Bello's philological work; 8809094
- Chinese anthroponyms/toponyms, Latin-alphabet rendition, *Hanyu Pinyin Fang'an* system; project history, alternative systems; 8801617
- Colombian Spanish neologisms suggested; Academia Columbiana approval sought; 8801603
- communication, education context; Standard English development; dialect variation, literacy; 8806621
- Contemporary Polish pronunciation norm, nasal vowels *ę/q*; native/borrowed words, speaker age/education/social background/territorial origin; 8809121
- dialect/Standard phonetic variation model; W. Labov's language variation model/alternative model; categorical rules; 8804222
- discourse/conversation/dialogue studies, Czechoslovakia, historical perspective; literacy/colloquial language relationship, conversation/dialogue typology; 8806020
- Duden Grammatik der deutschen Gegenwartssprache* (The Duden Grammar of Contemporary German), 1966 edition reception; German/foreign reviews survey; part II; 8804080
- Dutch *om* 'to, in order to, so as to' use; written/oral language, formal/informal style, quantitative data, theoretical interpretation; 8805742
- Dutch standardization/general linguistic influences, Flanders, Belgium; historical background, J. Lefèvre's analysis; 19th-century Frenchification mechanism; 8809102
- Early New High German orthoepic norm formation; spelling pronunciation principle; model pronunciation shift; 8804104
- Early Rus' written language, Old Church Slavonic relationship; 11th-century Russian; 8803704
- English accentuation pattern changes, phonological/systemic/normative character; English as a second language teaching implications, Russian students; 8805655
- English as a second language instruction, standard vs nonstandard variety; multidialect communicative competence; D. Hymes's language use appropriateness conception challenged; 8807408
- English as a second language, Black English target; Hispanic boys; 8801474
- English as a second language; Dutch students, pronunciation teaching; norm vs variants; 8804933
- European/Mozambique Portuguese phraseology; stability/variation/idiomaticity; Standard Portuguese norms; 8808671
- Fizuli, Mehmed, 16th-century Azerbaijani poet; lexico-semantic/stylistic peculiarities, nonstandard language/idioms use; 8806779
- French pronunciation norm, second-language teaching implications, Russian students; cultivated colloquial style traditional/allowed pronunciation; 8805082
- Fuldic/Standard German temporal relations expression; conjunctions/tenses/adverbs/predicates; South Hungary data; comparative-dialectal analysis; 8808789
- German as a native language instruction, Hungary; ethnic minority mother-tongue education; error analysis; Hungarian/intralingual/dialectal interference; high school students; 8804899
- German language development, 19th century; industrial revolution/proletariat-bourgeoisie conflict effect, normative works; 8801350
- German minority, Belgium, language official status; "öffentliches Deutsch" (public German), legal language planning; 8808998
- German Switzerland language situation; Standard German/dialect media diglossia; 8804247
- Goran-Kaikavian dialect, sociolinguistic analysis; Gorski district, Yugoslavia; standard speech influence; Delnice vs Turni Kaikavian; 8801735
- Grammatische Telefon* (Grammatical Telephone), German-language grammar/orthography norms; consultation service; 8804272
- Hasdeu, B. P.; theoretical/practical dialectology conceptions; Romanian dialectal diversification studies; 8806458

- Icelandic prefixes/suffixes, stress; phonological structure constraints; 8803020
- information processing; given/new distinction, accentuation relationship; 8804837
- interactional discourse; prosodic characteristics; televised cultural debate analyzed; 8803454
- intonational structure; spontaneous language; prosodic-syntactic/prosodic-semantic/accental rules interaction; 8804474
- Italian polysyllabic words' primary stress, rules formulated; computer-assisted Italian as a second language teaching application; 8804426
- Italian word stress; second conjugation infinitives; phonological conditions; 8803031
- Italian-English word stress comparison, left-dominant foot structure; M. Nespor's/I. Vogel's thesis unsupported; educated adults; 8806392
- Japanese accent; vowel/consonant duration relationship; 8802001
- lexical stress role/function, auditory word recognition; word monitoring/identification tasks; 8807324
- lexical stress/access, word recognition; phoneme perception response speed; homographs/nonhomographs; 8807303
- mental retardation; prosody use; word/sentence stress; production experiments; 8804615
- metrical phonology; English rhythm/stress; introductory textbook; 8808058
- Mochi (Middle Chagga, Kilimanjaro Bantu) tone structure, high/low/null values, intersyllabic position; J. W. G. Mölig's prosodology approach, distinctive prosodeme description; 8805685
- Old English stress assignment, synchronic analysis; alliterative meter evidence reliability; M. Halle's/S. J. Keyser's account critically examined; 8808092
- Pirahã phonology, metrical phonology model; stress evidence; 8805628
- pitch perception; intrasyllabic changes/accental factors; English/Japanese speakers; 8809290
- Polish main stress/stress group boundaries, perceptual distinctiveness; syllable perception test; native listeners; 8800731
- prosodic stress, oral text; fundamental frequency rise characteristics; 8804480
- prosodic structure, Danish stress accent; prosodic representation levels/categories interface; 8803089
- Proto-Slavic diphthongs/diphthongal compounds accent/tone patterns; long/short diphthongs characterization/reconstruction, accent rules; 8803745
- Proto-Uralic/Ugric vowel harmony; case suffixes/word stem vowel combination rules role; syllable stress/agglutination restrictions; 8806339
- Romanian neologisms accentuation; normative patterns; 8805678
- Russian past tense stress; particle *-sya* effect; second-language teaching implications; 8800716
- Russian stress patterns, high frequency nouns/verbs; irregular morphological patterns; 8800703
- Russian verb; stem size/accental complexity relationship; 8805629
- second-language meaning comprehension; function word/suprasegmental cues effects; miniature artificial/natural language learning tasks; 8807536
- Serbo-Croatian tone/stress; autosegmental account; 8808061
- shifting stress, Russian present tense; suffix *-i-* verbs; morphologically based analogy; 8800784
- Spanish accents; orthographic convention instruction; acoustically based autodidactic method evaluated; 8807377
- Spanish falling diphthongs, primitives existence; rising diphthong contraction rule derivation; learnability implications; 8808043
- Spanish implicit/explicit pronouns, anaphoric behavior; government/binding framework; semantic representations reformulation; 8803543
- Spanish lexicon; lexical phonology analysis; word formation/word syntax/morphophonology/postlexical processes; 8805686
- Spanish stress acquisition, "neutral" unbiased start; syllable aspects; monolingual Spanish speakers aged 1;5-1;6; 8807230
- Spanish stress; acoustic parameters; duration/intensity/fundamental frequency; Costa Rican speakers; 8806935
- Spanish word stress; J. W. Harris's study examined; 8808500
- speech articulator motion; universal constraints; kinematic variation/temporal organization/prosodic structure; 8804483
- speech rhythm, recited poetry; normal speech compared; stress-/syllable-timed languages study implications; 8804433
- speech tempo/stress structure, Polish utterances; listening tests; 8809316
- Standard/dialectal Slovene prosodic variation; typology/numerical estimates; 8803946
- stress differentiation, English word sets; Old English origin; prefix/particle constructions; lexical diffusion; 8803059
- stress/intonation, hearing-impaired Hebrew-speaking children; spectrographic analysis/fundamental frequency measures; 8809352
- stuttering; sentence focus/constituent structure effects; stuttering frequency/fundamental voice frequency patterns; adult males; 8807004
- Swedish word prosody; nonlinear analysis; stress/syllabification/tone accents; 8803092
- syllable duration, anticipatory length; word boundary/stress placement-free hypothesis; spectrograph data; 8809328
- tracheostoma valve use, contrastive stress/sentence intonation marking; tracheoesophageal speakers; 8807047
- Ukrainian infinitives accentuation patterns, history/variation; penultimate syllable length, Proto-Slavic forms; 8808647
- Ukrainian nonderivative masculine nouns, accent patterns; fixed/mobile stress; 8803103
- Ukrainian substitutive vowel lengthening; accounts survey; dialectal differentiation, stress/lengthening relationship; 8808100
- verse rhythm; language probability model; English/Romance/Medieval Latin systems compared; syllabic/syllabo-tonic forms; 8804299
- vocal stress analyzer; deception detection; Mark II Voice Analyzer evaluated; gender differences; 8802018
- voice synthesis; German sentences; prosodic/morphological analysis; 8806941
- vowel production; consonant-vowel-consonant word repetitions; stress levels/formant parameters; 8801981
- vowel reduction; perceived stress relationship; 8804471
- word-level coarticulation/shortening; English/Italian compared; foot structure implications examined; 8803803
- Stroop Color Word Test**
- reaction time differences, Stroop color-word stimuli; sex differences; male/female college students; 8807283
- relevant information retrieval; irrelevant information effect; Stroop color word test; ink color/word meaning; 8804833
- semantic attributes, script type effect, Stroop color-naming task; distractor word/color semantic relationship, *kanji/kana* differences; I. Biederman's/Y-C. Tsao's hypothesis tested; 8807185
- Stroop-like interference effect, picture naming; interference effects loci, retrieval process; 8807186
- Structuralist Linguistic Theory**
- Bosianu, Gheorghe; traditional/structural grammar critique rejected; 8801151
- Czechoslovak linguistics, 1940s to 1980s; developmental stages/chronological periods; structuralism to Marxism; 8803589
- dialectology; traditional/structural/transformational approaches compared; extralinguistic/internal factors roles; 8803932
- enonciation*; historical overview; pragmatic/neosstructuralist approach compared; 8801024
- Greimas, A. J.; meaning theory; structuralism/semiotics/discourse theory; 8809225
- historical linguistics; concept defined/Brazilian history sketched; 8806318
- iconic message translation; semiotics/structural anthropology; 8805605
- linguistic formalism, historical rejection; structuralist/generativist approaches; 8804665
- linguistic structuralism history, *où tout se tient* (where everything is connected) phrase authorship/origin year; Bela Brogyanyi's authorship/date proposal rejected; 8806215
- Mukařovský, Jan; Prague circle's structuralist concepts, "empty" aesthetics; works discussed; 8801209
- Newman, S.; biographical sketch; E. Sapir/Amerindian linguistics/American structuralism; 8801236
- philological historiography, historical outline; structuralist linguistic model impact; language/society relations; 8806344
- referentiality; modern linguistic theory; meaning/ambiguity/polysemy; 8803585
- semiology; textual analysis; R. Barthes essay collection; 8809200
- sentence, semiotic unit; sentence structural algorithm; sentence as fact; *langue-parole* distinction, sentence communicative function; 8801921
- sexist language; structural linguistic theories/feminist philosophy; 8803312
- Spanish relative clauses; generative/structural theories, diverse approaches; 8808506

- structural-typological language treatment, language structure form-function hierarchy; Greek/Latin material, case/aspect/voice; 8806148
- text semiotics; M. A. K. Halliday, V. N. Voloshinov, U. Eco; structural linguistics background; 8801935
- Turkish vowel harmony; structural analysis, item-argument approach; lexical/grammatical morphemes, phonological/morphophonological/morphological levels; 8803625
- Zabrocki, L.; cybernetic structuralism, second-language learning/communication representation; positive assessment; 8801664
- Stuttering**
- acoustic voice reaction time; foreperiod length effect; stutterers vs non-stutterers; 8809419
- acquired stuttering; delayed auditory feedback treatment; adult head-injury stutterers; 8802140
- adolescents' fluent speech production; stutterers/nonstutterers; perceptual differentiation; 8804523
- adult stutterers, subjective/objective recovery measures; Stutterer's Self-Rating of Reactions to Speech Situations form/interviews/statistical analysis; 8809463
- adult stuttering; high-level processing demands; linguistic variables effects; language/speech processing levels interaction supported; 8807044
- articulatory gesture invariance; stutterers' perceptually fluent speech; spatial characteristics; 8802073
- auditory-laryngeal reflexes; adult male stutterers/nonstutterers; voice fundamental frequency changes; 8802143
- beginning speech language pathology clinicians, stuttering children treatment competencies; preservice educational needs assessed; 8802201
- central auditory processing abilities; adolescent/preadolescent stutterers vs nonstutterers; Staggered Spondaic Word Test; 8809371
- cerebral organization, visual language processing, stutterers; reading reaction times, concrete/abstract words; 8807344
- chronic perseverative stuttering syndrome; college-age stutterer's case history; therapeutic implications; 8804527
- click presentation effect, syllable-initial position, stutterers' speech; metronome click comparison; perceptual experiment; 8802123
- communication attitudes; adult stutterers; self-report inventory assessed; 8804582
- communicative attitudes; stutterers/nonstutterers compared; self-report inventory; 8804581
- fluent speech facilitation; parental conversation aspects; incipient stutterers; 8809518
- fluent speech; temporal aspects; stuttering/nonstuttering children compared; reaction time/segmental timing tasks; 8804558
- fluent/stuttered syllable identification, interclinic agreement; stuttering measurement discrepancies; 8809517
- late-onset/acquired stuttering, adult; psychogenic/neurologic factors; 36-year-old male; 8802075
- lateralization; speech/nonspeech motor function; stutterers/nonstutterers compared; 8804537
- masking level differences, stutterers/nonstutterers; synthetic sentence identification tasks; auditory processing ability continuum supported; 8802129
- maternal speech rate, child stuttering effect; mother-child dyads; conversational synchrony accounts rejected; 8807043
- microcomputer-based simulation, preschool stutterers' listening partners; evaluation/intervention technique training; 8802215
- Monterey Fluency Program; Great Britain use; 8802212
- mother/child interaction; conversational act analysis; stuttering/nonstuttering children; 8802102
- naming reaction times; linguistic encoding dominance; hemispheric processing differences; stutterers/nonstutterers; 8809439
- neurotic-like behavior/stuttering, children under age 4; stuttering severity, child-rearing environment data; 8807056
- normal speakers' self-evaluations; pseudostuttering assignment effects; graduate/undergraduate students; 8802128
- oral reading, listener reactions; interjections vs spontaneous speech; semantic differential scale judgments; 8806986
- perceptual evaluation, children's stuttering/nonstuttering fluent speech; paired-/single-stimulus paradigm; children mean age 6:8; 8802100
- perceptual/memory process abilities, stuttering/nonstuttering speakers; unisensory/bisensory tasks; 8802094
- Porky Pig cartoons, clinical study; therapeutic application; 8802125
- public school intensive stuttering treatment programs; graded airflow/relaxation/biofeedback procedures; 8802206
- reaction time accuracy scores, stutterers/nonstutterers; dichotic listening syllable recognition task; 8802103
- rehearsal effects, stutterers' oral reading; psychophysiological study; 8802149
- school-aged stutterers speech/language/hearing characteristics; descriptive study; first-twelfth graders; National Speech & Hearing Survey data; 8809452
- self/others perceptions, semantic differential questionnaire; stutterers/nonstutterers; therapy implications; 8802126
- Speech Locus of Control scale validity; anxiety/attitude/personality factors; 8807013
- speech shadowing; stutterers/nonstutterers compared; diotic/dichotic conditions; 8804540
- stop consonant-vowel relationship acoustics, fluent/stuttered utterances; acoustic duration compared; 8802084
- stutterers' cognitive/autonomic anxiety; therapy effects; 8807008
- stutterers' oral reading; pause/utterance durations, fundamental frequency characteristics; nonstutterers' oral reading compared; 8802122
- stutterers' plasma chemistry; reciprocal interhemispheric neurotransmitter balance theory; 8807028
- stutterers' prolonged acoustic laryngeal reaction time; respiratory/laryngeal systems' contributions; mild/severe stutterers; 8807052
- stutterers' visual coding strategies; hemisphere dominance; letter-naming task; 8802152
- stutterers' voice reaction times; jaw movement restriction effects; 8804530
- stutterers, speech/language/learning problems; family members; survey data; 8809406
- stuttering behavior imbalance, bilingual speakers; spontaneous speech, reading aloud; linguistic/sociocultural factors; 8807976
- stuttering behavior therapy; relapse prediction/prevention; perceived control enhancement; 8807096
- stuttering causation; normal hesitations magnified; 1930s study reexamined; 8809450
- stuttering children subgroups; speech/voice reaction times, segmental duration, naming latencies; 8802142
- stuttering children; central auditory nervous system functioning; language/learning problems; 8804578
- stuttering children; mother-child communication patterns; 8802166
- stuttering consistency measures, reevaluation; recurrence ratio/weighted percentage measures compared; 8806983
- stuttering event; speech planning unit context; durational changes/speech rate variables; 8804580
- stuttering frequency/speech timing; syntactic boundary location effects; adult male stutterers; 8807005
- stuttering rate; assertiveness training effect; young adult stutterers; 8802158
- Stuttering Severity Instrument, inter-intrajudge reliability; adult stutterers, graduate student judges; 8802115
- stuttering severity, perceptual scaling; seven-point equal-appearing-intervals scale/on-line judgments; 8807012
- stuttering therapy, public school settings; scheduling difficulties/cultural considerations; 2-year project; Mexican-American elementary school children; 8809522
- stuttering therapy, rate control approach; unison speech modeling technique; 8807101
- stuttering therapy; regulated breathing method, experimental evaluation; 8807114
- stuttering verification; legal problem; case history; 8806976
- stuttering, accompanying problems, language/vocabulary delay/articulation disorders/reading/writing disability; treatment effectiveness; Rome U Otolaryngological Clinic data, 1973-1983; 8807026
- stuttering, adult typical/imitated, acoustic/perceptual correlates; adult stutterers mean age 36:2; 8809414
- stuttering, attentional phenomenon; overload/regression hypotheses; simultaneous speaking/tracking tasks; 8806969
- stuttering, children's literature; brief reviews; 8809381
- stuttering, clinical training, speech/language pathologists; survey data; special training needs; 8809521
- stuttering, forensic verification; case study; legal proceedings, implications; 8802162
- stuttering, multiple movement coordination; kinematic analysis; stutterers; 8809384
- stuttering, neural mechanisms; bimanual handwriting performance evidence; 8807054
- stuttering, psychological group therapy effect; personal construct theory; 8807107
- stuttering/nonstuttering evaluation, leading questions effect; personality trait perception; 8802161
- stuttering; sensory-motor processing, computational model; human tracking performance; 8804564

- stuttering; sentence focus/constituent structure effects; stuttering frequency/fundamental voice frequency patterns; adult males; 8807004
- stuttering; voice reaction time/cortical auditory system activity; 8804560
- T-shirt message, stutterer stereotype effect; semantic differential; 8809449
- temporal parameters of coordination, stuttered/fluent speech; physiological event recordings; 8806981
- treated stutterers' fluent speech; naturalness/rate/attitudes evaluated; airflow therapy/Precision Fluency shaping compared; 8804528
- visual coding dominance; phonation/letter naming; stutterers/nonstutterers; 8807029
- voice onset/jaw kinematics interaction; stutterers versus nonstutterers; 8802104
- ### Stylistics
- 20th-century poetry, "traditional humilities"; critical approaches; 8809166
- active past participle, expressive-stylistic function; 12th/13th-century Russian religious texts, *Uspenskiy Collection*; main verb/participle relationship; 8803385
- Ahundov, M., *Aldanmysh kevakib* (Deceived Stars), language/narration techniques; 8809165
- Akundov, M. F.; comedies' titles/heroes' names, aesthetic-informative-representative function; 8801826
- American Indians-white relations, America; historians' biased language use; 8801814
- anamorphic naming, Shakespeare's *Twelfth Night*; Malvolio's self-distortion/self-fashioning; 8808821
- Anandavardhana's *Dhavyanyāloka* examined; *dhvani/lakṣhaṇā* concepts discussed; 8801799
- antonymy; speech parts, roots; stylistic/rhetorical value; Russian material; 8804059
- Attic/Homeric/Pindaric $\alpha/\eta/\tau\acute{o}$ nonrelative use; article/optional element, article/null article opposition; langue/parole perspective; 8808628
- author attribution, focal style; Charles Perrault's *Histoires ou contes du temps passez* (Mother Goose Tales) analyzed; 8806406
- authorship attribution/dating; Cretan Renaissance literary works *Erotokritos/The Sacrifice of Abraham*; 8809162
- Azerbaijani passive vocabulary, archaic/obsolete terms; historical novels analyzed, vocabulary evolution stages; 8801560
- Azerbaijani postpositions; development peculiarities examined; postposition/affixes differences, paradigmatic/stylistic means; 8800959
- Azerbaijani translation, Russian proverbs/sayings; culturally adequate translation; M. Gorki's prose; best Azerbaijani equivalents sought; 8800625
- Bakhyanov-Gidsi, A., 19th-century Azerbaijani poet; phraseological expressions use; 8806794
- Berlin dialect; couplets/chanson, 19th-/20th-century cabarets; linguistic/artistic/aesthetic aspects; linguistic/artistic/aesthetic aspects; 8809146
- Bernhard, Thomas, *Beton* (Concrete); text-linguistic/stylistic analysis; coherence strategies, text structure; 8803480
- biblical phrases quotation/alteration, literary device; English literature history; 8806806
- binary composition, poetry; F. de Saussure's *loi de couplaison* (law of coupling); C. Baudelaire's "La Cloche fêlée" (The Cracked Bell) analyzed; 8806791
- Black English dialect features, R. Wright's *Native Son*; orthographic techniques; 8806788
- Bulakhovskii, L. A.; artistic literature language studies; 8808553
- bureaucratic language; functions/effects; 8806641
- Celan, P.; poetic language evolution sketched; 8804306
- character names use, J. Updike's "Rabbit" trilogy novels; 8808806
- characterization, literary use; case grammar analysis; W. Faulkner's *As I Lay Dying*; 8806789
- Chaucer's poetry; syntactic patterns/vocabulary connotations, stylistic effects; 8809139
- Clare, John; verbal strategies, stylistic choices; poem analyzed; 8806785
- Coleridge, S. T.; language philosophy development; language/thought relationship; linguistic naturalness; 8801952
- Colonna, Francesco; *Hyperotomachia Poliphili* linguistic content; Lorenzo Valla's/Leon Battista Alberti's/Francesco Colonna's works compared; linguistic ideas, humanistic history; 8801205
- computer stylistics, large/small machines transition/costs/limitations; simpler analytical algorithms construction; 8808712
- contemporary prose nonlinearity, M. M. Bakhtin's "polyphony" notion; text producer-recipient multiple relationships; English material; 8808319
- Coteanu, I.; *Stilisticii funcționale a limbii române* (Functional Styles of the Romanian Language), outline; 8806813
- critical poetry, meaning/visual arts; Mallarmé, Kleist, Artaud; 8809147
- Czech lexically unmarked verb complements, linguistic/communicative functions; Czech belletristics analysis; 8803245
- Daninos, Pierre, satirical prose; morphological figures/puns/paronomasias/"diaphoras"; 8809169
- derivative/word-formation/word type/category stylistic value; Slovak material; stylistically marked/neutral bases/formants, word category/type expressivity; 8801805
- Desdemona*, Shakespeare's use; Giovan Battista Giralaldi Cizio's *Hecatomithi* (Hundred Stories) as source; Greek origins; 8808816
- digression, discourse strategy, Okot p'Betik's dramatic monologue texts; coherence/digression type relationship; 8809161
- discourse processes; oral/written language stylistic differences; writing skill development, oral exercises role; 8802915
- discourse; stylistic elements use; English/Hindi/Tamil film reviews, comparative study; 8800976
- dramatic action, linguistic styles; O. Wilde, B. Shaw, T. Stoppard; 8809155
- dramatic character names, plays' themes relationship; Shakespeare's *Hamlet/King Lear/Macbeth*; 8808803
- dramatic language/text, metatextual/referential functions, textualization levels; French/Italian plays; 8806800
- Dudhanath Singh's *Duswapna*; point of view use; narrative semiotics; 8801009
- Dumas, Alexandre (senior); *Impressions de voyage: De Paris à Cadix* (Impressions from a Voyage: From Paris to Cadix), Hispanisms analyzed; 8806768
- Eminescu, M.; proper name use, stylistic/prosodic functions; rhyme production; 8806769
- English ad-adjectival adverbs; functional styles; typology; 8800806
- English as a foreign language; style/register teaching model; 8802473
- English auxiliary *do*; Shakespeare's use; transitivity/adverb position role; 8806796
- English clichés, positive side; sources, phonology; 8804312
- English ellipsis, description; spoken/written style; 8809173
- English iambic verse; rhythmical figures, semantic/stylistic functions; 8801840
- English *rain/snow*; E. Hemingway's use; semantic properties; 8800929
- English words use, 20th-century French novels; sociological/spelling changes; 8806782
- English-Russian mathematical texts; sentence length/type, terminological saturation, nominative peculiarities; 8803799
- epic French literature; direct-reported discourse transition; linguistic devices; 8808320
- everyday vs literary language use, text type/stylistic form definition; speech situation relevance; H. R. Maturana's/S. J. Schmidt's conceptions; 8806803
- experienced speech; structural elements' communicative-poetic functions; East German literature; 8806037
- Ezzo lied, Germanic-Carolingian features, meter/sentence structure/word formation/usage; 8809170
- Ezzolied*, Medieval German poem; discourse analysis; rhetorical/stylistic figures found; 8804324
- figurative language, conventional normative charge manipulation; modern fiction; 8806807
- Fizuli, Mehmed, 16th-century Azerbaijani poet; lexico-semantic/stylistic peculiarities, nonstandard language/idioms use; 8806779
- Franco-American poetry, regional heritage influence; 8809142
- Franco-American writer, heritage impact; novel in progress described; 8809176
- French didactic prose style; expression *tout se passe comme si ...* 'everything happens as if...'; modern origins/uses; 8803702
- Galician *en* 'in, into', uses/values; Alvaro Cunqueiro's *Merlín e familia* (Merlin and Family) analysis; 8804300
- Galician *sinsar, inzar* variant; Armando Cotarello Valledor's usage/formation; 8804294
- German first person present active verb form, subjunctive/indirect speech introduction; corpus analyzed/counterevidence found, German fiction/nonfiction works; 8800783
- Goethe's *Faust I*, English translation; semantic/grammatical evaluation, lexical equivalence; 8807987
- Goga, O., lyrical poetry; proper names use/frequency/stylistic functions, statistical analysis; 8806784
- Gonchar, Oles; Ukrainian linguistic symbolism/creative strategies; metaphors/word-formation/dialectal-colloquial vocabulary; 8809167
- grammatical analysis limits; juxtaposed/hypotactic/paratactic sentences; grammatical/psychological subject; aesthetic/semantic constraints; 8800772

- Greek *Athenaion Politeia*; 5th-century document; suggested correction rejected; 8801796
- Hadina, E.; poetic novels philological analysis; narrative conventions/rhetorical figures/symbolism/microstylistics, genre reception; 8801825
- Hardy, Thomas; English language interests, uses; 8806780
- Hausa (Niger-Kongo) classical poetry, metric patterns; traditional Arabic analysis rejected; 8809152
- Hedenvind-Eriksson, Gustav, literary language; quantitative study; 8809163
- historical documents; social context analysis; medieval Spanish juridical texts; 8809032
- historiographic language, 20th-century task/goal change effects; text reconstruction issues; 8806812
- Hughes, L.; "Feet Live Their Own Life," stylistic features; Black English oral literacy; 8801804
- implicit language use; literary characters' communication skills, indirect/ceremonial interaction; 8806817
- indirect/experienced speech/thought, text-stylistic phenomena; definition/poetic/linguistic description; A. Steube's linguistic description critically examined; 8806781
- inserted structures, writer's subjective viewpoint expression; Bulgarian literary texts; 8804303
- Inuit Eskimo vocal/musical games; structure, stylistic analysis; 8801262
- irony, word-formational means/strategies; morpheme/word combination; 8800972
- Italian literary prose characteristics, 17th-century; U. Foscolo's *Ultime lettere di Jacopo Ortis* (The Last Letters of Jacopo Ortis) analyzed; 8806333
- Itinerarium Egeriae* (Itinerary of Egeria); philological interest; 4th-century Latin; 8803759
- Jacob, Shakespeare's use; play type/name versions relationship; 8808818
- journalistic style rhetoric; Hu Na asylum request, AP/UPI reports; rhetorical devices; 8801137
- Kerouac, Jack; French language/Canadian origin, attitudes/influence; 8809180
- La Fontaine, *Fables*; translation difficulties; F. Scarfe's translation examined; 8805578
- language misuse; stylistic deceptive mechanisms; 8801837
- language variety/social status relationship; 19th-century English novels; second-language teaching implications; 8801851
- language/literature relationship; fictional discourse; 8801868
- language/space, A. Djebar's/L. Sebbar's novels; gender-linked public/private space; 8809159
- Leconte de Lisle, 19th-century poet; poems analyzed, phonetic/thematic aspects; 8806810
- Lenin, V. I., Latin popular expressions use; semantic/structural modifications, connotative expression; 8804304
- linguistic image; nature/perception, delimitation/designation/constituents; 8806790
- linguistic simile use; Titus Lucretius Carus, *De rerum natura* (On the Nature of All Things); 8801844
- Literary Chinese norm; Wang-Yang elements, stylistic status; typology; script norm violation; 8804275
- literary form; style/technique; Sanskrit poems; 8801813
- literary language/artistic style/translational activity, primary/secondary communicative spheres, borrowings; 8809153
- literary quotation, characteristics; pragmatic analysis; language norm/usage relationship, literary vs natural language; 8801079
- literary stylistics; structural parallelism; C. Meireles's chronicle "Arte de ser feliz" (Art of Being Happy) analyzed; 8809156
- literary texts; verbal/aesthetic dimensions; Punjabi poem analyzed; 8801806
- literary work translation/interpretation; Robert Musil's *Triedere*, polysemic structures, French/Dutch renditions; 8806799
- literature/literary text/language notions ambiguity; empirical-culture specific definitions; 8806787
- Marinetti, F. T.; Italian futurism; syntax destruction/onomatopoeia/typographical innovation; 8801862
- Marlowe, C., lexical innovation; neologisms/borrowing/word formation devices; 8809144
- Maršak, S.; lyrical poems/children's poetry, rhythmic structure differences; 8801834
- Medieval French "generalizing future"; Jean Dupin's *Mélancolies* (Melancholies) analyzed; 8801791
- metaphor, deep/surface characterization; gnoseological perspective; anthropopetal/anthropofugal metaphors distinguished, poetic/scientific texts; 8801816
- metaphor, syntactic issues; Paul Verlaine's *Pierrot* analyzed; *sens figuré* 'figured meaning' context; lexicalist view challenged; 8806797
- metaphor; universal unity/similarity; 8801802
- meter/meaning relationship; verse form/semantics; Eng lyrics examined, iambic/trochaic tetrameter; 8801842
- Middlemarch*; verbal texture; vocabulary/diction/syntax/sentence patterns; 8801831
- Montagnais prayers, 17th century; editions compared; 8809140
- muted euphony/consonant matching; Classical Irish verse features; 8801824
- names, Shakespeare's *Antony and Cleopatra*; literary/dramatic functions; 8808830
- names, Shakespeare's works; bibliography; 8808804
- narrative style comparison; statistical analysis; word-type frequencies; 8801396
- narrative/translational situation, authorial vs personal narrative; rendition problems, writer/text/reader relationship; 8806816
- negatives, literary stylistic use; reader involvement strategy; English literature examples; 8805404
- normative Romanian, M. Eminescu's *Scrisoarea III* (Epistle III) correct writing/reading; 8804331
- North Ostyak folk poetry, word parallelism as a stylistic figure, Wolfgang Steinitz's framework; 8804315
- nuclear discourse, authors' style/world-view; quantitative analysis; 8808334
- Old English stylistic devices, linguistic analysis; 8806773
- Old English *Unferth*; etymological analysis; allegorical intent undermined; 8803989
- Old English *unhlitme* 'voluntarily', *Beowulf* l. 1097; etymology, other translations rejected; 8809172
- Old Estonian folk song verse parallelism, stylistic/aesthetic/economic/mnemonic functions; 8804310

- text production/reception; producer/recipient expectation/disappointment; 8801654
- text stylistics; social action domain/language use correlation; communicative domain/situation distinction; 8806051
- text typology; determinants/structural models/stylistic patterns; text type definition, functional-communicative language description framework; 8808349
- The Federalist* papers, author attribution; statistical analysis; 8801829
- Tolkien, J. R. R., linguistic techniques; private language creation/word play/sound symbolism; 8809141
- Tolstoy, L.; name usage/social conventions; semiotic analysis; 8806770
- translation didactics; rhetorical acts/stylistic elements; rhetorical acts typology; German material; 8800692
- Twain, Mark, *The Adventures of Huckleberry Finn*, innovative language/style; colloquial vocabulary, dialect/idiom use, pronunciation transcription; 8806805
- Ukrainian poetry, Greek/Latin mythological names use; stylistic-expressive function, adaptation; 8804309
- verb-adverb combinability, English prose/poetry/journalism, cross-style variation; 8804048
- verse language prosody, theoretical/experimental research; Russian/Serbo-Croatian syllabo-tonic verse; 8804323
- Vico, Giambattista; metaphor conception development; 8801800
- Villon, F., ballad construction; *mais* 'but' use; 8801361
- Wellerisms, internal structure; *dictum/factum* parts; English Wellerisms, Slovak translation; 8801827
- Wichert, Ernst; *Lithauische Geschichten. Erinnerungen eines preussischen Kreisrichters* (Lithuanian Stories. Recollections of a Prussian District Judge); Lithuanian personal names, German influence; stylistic/nominative function; 8801810
- word stylistic characterization, lexicographic representation; Russian as a second language teaching implications, Soviet national republics; 8801553
- writing processing; active/nominal styles; international scientists; 8802888
- writing quality; topic effects; general vs specific information; upper-level college students; 8800577
- written language errors; native/nonnative English speakers; Finnish/British U students; 8805513
- Yoruba *Orí-Inú*, mythical allusions; verbal/visual metaphors; *Ifá literary corpus*; 8801885
- Zola, E.; grammatical categories use; statistical study; 8800757
- Subvocal Response**
homophony/rhyming judgment time; articulatory suppression effects; processing requirements/working memory; 8800144
- Suprasegmental Analysis**
affective prosody loss; left-sided Wada testing; spontaneous speech, affective flattening; 8802440
- American Sign Language, English interpretation; lexical suprasegmental register indications; hearing/deaf listeners; 8804351
- American Spanish temporal patterns; acoustic analysis, syllabic segments variation; segmental/suprasegmental effects; 8803019
- Ancient Greek metrical system, foot construction; accentual alternation; A. Prince's free element condition; 8805672
- case marking, formal means; prosodic features/word order/morphemes, homosignification relation, natural languages; 8800799
- Central Alaskan Yupik Eskimo prosody modifying processes; double articulation principle revised; 8803110
- Central Yiddish vowel system; segmental/prosodic characteristics; diachronic/synchronic analysis; 8803053
- Chichewa (Bantu) tonal reduplication; nonlinear phonology approach; 8805648
- Chinese syllabic tones synthesis; temporal/contour/intervalic/amplitudinal/register-related features representation, theoretical/practical problems; 8805663
- Chinese tone reconstruction, Song Dynasty; Jiang Baishi's musical scores analyzed; 8808099
- conversational narration; audience response, prosodic correlates; pitch/speech rate/pauses; 8806082
- Derry (Northern Ireland) English intonation; auditory/acoustic analyses; Southern Standard English data compared; 8800719
- disambiguation, prosody role; interactive processing; 8807188
- discourse interaction; foreign-language classroom; ruptures, prosodic signals/discourse markers; 8803485
- discourse, pitch pattern/pause use; acoustic analysis; Japanese story; professional male announcer, Tokyo dialect; 8809323
- English accentuation pattern changes, phonological/systemic/normative character; English as a second language teaching implications, Russian students; 8805655
- English adverbial focusing; given/new information marking relationship; British English conversation; 8805651
- English echo questions; prosody, syntactic/semantic aspects; 8803073
- English reading intonation; D. Brazil's theory critically examined; intonational superordination/subordination/equivalence, A. Fox's/H. E. Palmer's notions applied; 8803034
- English sentence accentuation; intransitive sentences; C. Gussenhoven's rule elaborated; 8803169
- English suprasegmental phenomena; syntactic/semantic correlates; compounds/nominal *-ing* constructions/genitive phrases; 8808045
- English word accent marking; A. C. Gimson's transcription symbols criticized; level stress marking ambiguity; 8802032

- fathers'/mothers' speech to infants; syntactic, melodic features; 8801640
- final syllable lengthening, phonological domains; intonation-phrase boundary effects; 8800695
- Finnish word stress/sentence accent; methodological problems; 8803052
- foreigner talk register; quantitative/qualitative suprasegmental aspects; native-nonnative English telephone conversations analyzed; 8801126
- French as a second language instruction, adults; prosody/articulation teaching approach; 8804934
- French intonation; native English speakers' problems; 8800311
- French liaison; variability; radio broadcast corpus/political speeches/spontaneous conversation data analyzed; 8803022
- French pronunciation norm, second-language teaching implications, Russian students; cultivated colloquial style traditional/allowed pronunciation; 8805082
- French prosody/rhythm; prosodic/syntactic structures independence; eurhythmy relevance; 8803067
- French speech timing; tempo change effects; pause behavior/segment durations; 8804435
- French/English prosody; contrastive instrumental study; didactic application; 8801373
- German discourse prosody, second-language instruction; listening exercises; Swedish-speaking students; 8802534
- German emphatic stress; oral discourse property, communicative-pragmatic function; semantic-phonological hybrid; 8805674
- Hausa (Niger-Kongo) classical poetry, metric patterns; traditional Arabic analysis rejected; 8809152
- hoarseness, benign laryngeal disease; pitch-synchronous analysis, synthesized speech/pre-/postoperative voice samples; 8809431
- Hungarian sentence stress; Katalin E. Kiss's claim critiqued; 8805679
- interactional discourse; prosodic characteristics; televised cultural debate analyzed; 8803454
- interrogative movement/formulation; French/Chinese compared; 8808681
- intonation/meaning relationship, spontaneous speech; British English; tonality/tonicity/tone; 8801013
- intonation/semantic nuance relationship; dramatic plays, actors'/readers' intonation/meaning variation; 8805646
- intonational phonology/meaning/phonetics relationships; Norwegian data; indefinite noun phrase specific/nonspecific readings; 8803035
- intonational structure; spontaneous language; prosodic-syntactic/prosodic-semantic/accidental rules interaction; 8804474
- isolated prosodic patterns recognition, Hidden Markov Models' application; recognition rate tests; male/female speakers; 8809299
- Italian polysyllabic words' primary stress, rules formulated; computer-assisted Italian as a second language teaching application; 8804426
- Italian-English word stress comparison, left-dominant foot structure; M. Nespor's/I. Vogel's thesis unsupported; educated adults; 8806392
- Japanese accent; vowel/consonant duration relationship; 8802001
- Japanese prosody; fundamental frequency contour/speech material analyses, simple/complex sentences; improved speech synthesis implications; 8809273
- Jeremiah's poetry prosody, universal features; generative phonology framework; prosody-based Bible reconstruction/emendation critiqued; 8804317
- Korean words; rhythmic patterns; age group differences; 8803061
- Kukuya (Niger-Kongo) phonology; tone/accent/prosodic domains interaction; autosegmental/lexical theories; 8800710
- Lulubo (Chari-Nile) phonology; phonemic inventory/vowel harmony/syllable structure/ideophones/vowel elision; 8800694
- male/female speech acoustic/suprasegmental characteristics; personality/speaker's sex relationship, pronunciation features; cultural/social/biological/physiological factors; 8806901
- Marrakesh (Morocco) speech, prosodic aspects; verbal vs nominal form, prosodic alternation/organization; relational syllable/autosegmental theories conformity; 8808035
- mental retardation; prosody use; word/sentence stress; production experiments; 8804615
- metrical phonology; English rhythm/stress; introductory textbook; 8808058
- Mochi (Middle Chagga, Kilimanjaro Bantu) tone structure, high/low/null values, intersyllabic position; J. W. G. Mölig's prosodology approach, distinctive prosodeme description; 8805685
- nonnative speaker coherence perception, discourse structuring cues effect; teaching demonstration videotapes, Korean/Chinese teaching assistants; 8808411
- Norwegian tonemes, dialect differences; normal/unexpected tonal patterns compared; 8803044
- Nuni (Niger-Kongo) tone patterns, simple verbs/nouns; compound regular/irregular nouns, derivations/morphophonemic rules; 8808065
- Old English verse; pitch/juncture/length; *Beowulf* analysis; 8809151
- phonetically low/phonologically high tone, East Norwegian data; pitch contours, prosodic feet; 8800708
- phonology acquisition; cognitive model; hierarchical structuring; 8805640
- phrase production/perception, Nordic dialects; pitch/intonation curves compared; Danish/Swedish/Finnish dialect speakers; 8803050
- poetry analysis; grammatical approach; R. Duncan's "The Propositions. 2"; prosody/grammar interaction; 8801794
- Polish main stress/stress group boundaries, perceptual distinctiveness; syllable perception test; native listeners; 8800731
- prosodic features, independence/interdependence; segment duration/tonal movement; Swedish data; 8803021
- prosodic markers; oral discourse functions; speeches/radio broadcasts examined; 8803391
- prosodic stress, oral text; fundamental frequency rise characteristics; 8804480
- prosodic structure, Danish stress accent; prosodic representation levels/categories interface; 8803089
- prosodic structures, Swedish/French; temporal/tonal features; Lund model of prosody framework; 8808094
- Proto-Slavic diphthongs/diphthongal compounds accent/tone patterns; long/short diphthongs characterization/reconstruction, accent rules; 8803745
- radio interviews; prosodic structures; interrogative markers; perceptual test; 8803444
- Raeto-Romansh dialect phonology; syllabification/stress/phonotactics/phonological rules; nonlinear analysis; 8803057
- reported discourse; intonation analysis problems; 8803433
- rhythmic patterns; French/English differences; vocal/instrumental music relationship; 8804485
- Romanian neologisms accentuation; normative patterns; 8805678
- Russian as a second language teacher training, East German pedagogical colleges; Bryzgunova's intonation treatment, *tertium comparationis* problem; 8805131
- Russian past tense stress; particle *-sya* effect; second-language teaching implications; 8800716
- Russian speech rhythmic units; frequency/types/aspects, rhythmic structure/syntagms; auditory/acoustic/statistical analyses; 8805688
- Russian verb; stem size/accidental complexity relationship; 8805629
- schwa epenthesis, prosodic/inflectional, Standard German, autosegmental lexical phonology framework; 8803037
- second-language meaning comprehension; function word/suprasegmental cues effects; miniature artificial/natural language learning tasks; 8807536
- second-language prosody acquisition; metrical model; Dutch speakers learning English; 8805177
- semantic competence; form-interpretation relationship; prosodic features/disambiguation; 8805859
- Serbo-Croatian tone/stress; autosegmental account; 8808061
- Slavic decision questions, topical division; intonation means use, Russian/Czech/Serbo-Croatian; 8805682
- Slovenian epitaphs, structural-poetic peculiarities; first person/optative/imperative forms use, stanza type/frequency, rhyme/meter conventions; 8801084
- speaker's emotion/attitude attribution; acoustic parameters effect, speech resynthesis; 8807316
- speech intelligibility; speech intensity/melody effect; perceptual condition role; German undergraduates; 8804456
- speech timing effects, children's sentence comprehension; first/second/third graders; 8802403
- spontaneous discourse; rewriting problems; children aged 12 years; 8806920
- Standard Arabic sentences; intonation/melodic curves; nominal affirmative/exclamatory/negative/interrogative sentences; 8806905
- Standard/dialectal Slovene prosodic variation; typology/numerical estimates; 8803946
- Swedish pitch accent, nonlinear analysis; foot/tone mapping, accent distribution; 8808036
- Swedish word prosody; nonlinear analysis; stress/syllabification/tone accents; 8803092
- target language prosody; second-language learner's perceptual knowledge; English/non-English speech discrimination; 8802618
- text-to-speech systems; psycholinguistic study; perceptually similar words set; 8809284
- Tokyo Japanese long nominal compounding accent; loanword/native word treatment; 8805677

- Ukrainian infinitives accentuation patterns, history/variation; penultimate syllable length, Proto-Slavic forms; 8808647
- Ukrainian native language instruction, oral reading benefits; written-oral language relationship, meaning-phonetics relationship, communicative competence development; 8804882
- Ukrainian nonderivative masculine nouns, accent patterns; fixed/mobile stress; 8803103
- variable rules, data collection device; generative claim refuted; prosodic organization/well-formedness conditions; 8808509
- voice synthesis; German sentences; prosodic/morphological analysis; 8806941
- vowel length, English/German; segmental/suprasegmental interpretation; 8808039
- word, prosodic variation; content/expression unity; 8809301
- word-level coarticulation/shortening; English/Italian compared; foot structure implications examined; 8803803
- writing/prosody relationship, diachronic perspective; Old High German material, E. Selkirk's model; 8808900
- Surgical Treatment** (see also *specific surgical treatments*)
- aphonia etiologies, post-closed-head injury; case studies; diagnosis/therapeutic procedures; 8802159
- infant speech development, cleft palate babies; phonetic analysis; palatoplasty effects; 8806951
- laryngeal surgery, speech cepstrum changes; sustained utterances, subsequent recordings; laryngeal disease etiologies; 8809342
- orthognathic surgery effects, speech/velopharyngeal function/hearing; pre-/postsurgery cephalometric evaluations; 8809457
- speech changes, structural/functional aspects, adenotonsillectomy patients; pre-/postsurgery evaluation; children aged 5-8; 8809344
- Syllable**
- American English syllable consonants, Japanese nasal syllabic consonants; comparative analysis; 8804486
- American Sign Language; phonological structure/production; sign error data/aphasia study examined; 8804352
- American Spanish temporal patterns; acoustic analysis, syllabic segments variation; segmental/suprasegmental effects; 8803019
- apraxic pronunciation repetition, error patterns; syllable misarticulation; 8809451
- Arabic syllable structure/nomination system; protolanguage development/French differences/modern terminological demands; neologic creativity; 8800678
- Azerbaijani monosyllabic verbs, phonological structure; vowel/consonant sequence typology/frequency; phoneme occurrence frequency, statistical analysis; 8805660
- children's word understanding; semantic/metalinguistic knowledge development; sentence/word/syllable segmentation; 8802337
- Chinese character processing; automatic speech recognition; second tone syllables; 8804484
- Chinese syllabic tones synthesis; temporal/contour/intervall/amplitudinal/register-related features representation, theoretical/practical problems; 8805663
- Chinese/Japanese word order, syllable/mora differences; comparative analysis; 8806387
- comparative metrics; Russian method application; syllabic verse/syllabo-tonic meters; 8804293
- consonant clusters, demisyllabic theory implications; temporal organization; 8809272
- consonant epenthesis; general rule/universal constraints proposed; syllable structure role; 8802019
- contrastive phonological analysis; tagmemic theory; particle/wave/field; 8803068
- dialogue; misunderstanding role; conversational requirements; 8804382
- early segmentation abilities; Italian-/English-speaking children compared; phoneme/syllable differences; 8802294
- Eastern Highland Papuan languages relationship; syllable structure evidence, reconstructions; 8805634
- English intervocalic consonant syllabification; oral/written tasks; spelling effects; 8804481
- English syllable duration; domain-final lengthening/foot-level shortening relationship; 8805659
- English syllable structure; onset-peak distributional constraints; deviant syllable rating/blending task; 8809322
- English vowel epenthesis, suffix-initial /i/; underlying absence, rule insertion; 8803112
- English vowel shortening, language-specific syllabification rules/universal conventions; vowel shortening rule obviated; 8803076
- esophageal speech, syllable stress perception; 8807050
- final syllable lengthening, phonological domains; intonational-phrase boundary effects; 8800695
- fluent/stuttered syllable identification, interclinic agreement; stuttering measurement discrepancies; 8809517
- French syllable structure; tense vowel/lax vowel + sonorant rimes similarities; two-slot rime analysis proposed; 8803085
- French syllable theory; nonlinear phonology framework; syllable template distinction; M. Trommelen's/R. Noske's views disputed; 8805671
- Fula (Niger-Kongo) nominal class marking; strata/syllable dependencies, nasal variants; 8805937
- Gascon (Occitan) metathesis; rule-governed account; syllable weighing method; 8805627
- German morpheme, nonphonological variability; syllabic composition; 8803382
- German orthographic word division; syllabic principle, phonotactics/graphotactics relationship; 8808911
- Isthmus Zapotec (Otomanguan); aspect morphophonemics/syllable structure; lexical phonology analysis; 8803066
- Italian nonsyllabic vowels, distributional properties; syllable structure models, phonemes inventory, practical applicability; 8803091
- Italian polysyllabic words' primary stress, rules formulated; computer-assisted Italian as a second language teaching application; 8804426
- Italian word stress; second conjugation infinitives; phonological conditions; 8803031
- Japanese nasal syllabic consonant; phoneme variations, speech style; 8804450
- Jita (Niger-Kongo) noun-modifier phrases, tonology; final syllable tone placement; 8808046
- Kabylic Berber morphophonology; syllable structure/initial syllable alternation; three-dimensional phonology; 8805616
- Korean Hangul script; positive/negative features; inventor's linguistic insights discussed; 8804101
- Kuna (Colombia) phonology; segmental inventory/syllable structure/phonological rules; 8808069
- Late Old/Early Middle English syllable quantity; vowel lengthening, consonant clusters; predictable quantity development checked; 8801313
- Limbu (Tibeto-Burman) syllable structure, voicing/gemination features; allophone distribution, phonological conditioning; 8805647
- lipreading ability; sex differences; syllable/word/overlearned sentence recognition; 8806831
- Lombardic-Veronese isoglosses, Lake Garda region; turbid vowels/vowel drop/suffix -er/final -n drop; 8808768
- Lomonosov, M. V., phonetic conceptions; 8806206
- Luganda (Niger-Kongo) syllable structure; English loanwords; autosegmental syllable theory analysis; 8800712
- Lulubo (Chari-Nile) phonology; phonemic inventory/vowel harmony/syllable structure/ideophones/vowel elision; 8800694
- mental lexicon; word internal structure; crossword puzzle paradigm; syllabic clusters; 8800019
- metalinguistic skills assessment; children aged 3-7 years; Metalinguistic Abilities Checklist; 8800059
- Milan dialect vowel length, final tonic syllable; speaker's linguistic consciousness; ideal phonological system, internal/external conflicts; 8805665
- Mochi (Middle Chagga, Kilimanjaro Bantu) tone structure, high/low/null values, intersyllabic position; J. W. G. Mölig's prosodology approach, distinctive prosodeme description; 8805685
- Modern Icelandic lexical borrowing, American English loanwords; phonological changes, syllable structure constraints; 8808742
- monosyllabism concept history, Chinese Jesuit studies, chronological phases; J.-H. M. de Prémare's Chinese pronunciation treatise; 8806198
- multisyllabic noun production development; children aged 2;0-4;3; syllable deletion; 8802360
- nonsense syllable identification; presentation level effects; articulation index; normal hearing adult females; 8801989
- nonword lexical decisions; closed-class words effect; special retrieval mechanism tested; agrammatism theory implications; 8809435
- Old Icelandic *ýmíss* 'alternate, various,' phonological/morphological development; rules, attestations; first/second syllable phonology; 8803639
- Oriya (Indo-Aryan) deaspiration; syllable influence; natural aspirate class; 8800720
- phoneme/syllable accessibility, detection time comparison; partial/full stimulus analyses; 8807292
- phonological awareness assessment, Japanese/US children; phoneme/syllable-counting/-deletion/-detection tasks; 8807240
- phonological theory; syllable structure/timing tier; G. N. Clements's/S. J. Keyser's *CV Phonology* reviewed; 8805673
- phonology, recent developments; transformational grammar/syllabic/metrical/universals approaches; 8803102
- Polish main stress/stress group boundaries, perceptual distinctiveness; syllable perception test; native listeners; 8800731

- Polish temporal organization, nonsense syllables; native Polish speaker; 8809309
- Portuguese syllable structure; glides/syllable-final consonants, unified analysis; 8800705
- Proto-Slavic developmental stages/phonological characteristics; consonants/vowels/diphthongs/syllable structure; 8806309
- Proto-Uralic/Ugric vowel harmony; case suffixes/word stem vowel combination rules role; syllable stress/agglutination restrictions; 8806339
- punctuation rules; children's acquisition; period placement errors analyzed; first/third graders' writing; 8802293
- Raeto-Romansh dialect phonology; syllabification/stress/phonotactics/phonological rules; nonlinear analysis; 8803057
- reading; syllable role; Korean Hangul script readability tested; Korean learners; 8802827
- Russian verb; stem size/accental complexity relationship; 8805629
- schwa epenthesis, prosodic/inflectional, Standard German, autosegmental lexical phonology framework; 8803037
- second-/foreign-language instruction; contrastive analysis validity examined; word juncture phenomena; English-speaking Arabic learners; 8805151
- sentence comprehension; phonological processing role; syntactic analysis; tone/syllable shadowing tasks; 8800739
- Seri (Hokan) syllable structure, phonological processes; 8808073
- Slovak phonology; vowels/diphthongs/syllable structure; three-dimensional representation/lexical phonology; 8800714
- Spanish adjectives *san/santo* 'saint' truncation; saints' names' initial syllable constraint; L. Menn's/B. MacWhinney's repeated morph constraint counterevidence; 8805926
- Spanish/Galician dominance/redundancy; oppositions/features hierarchy, dominance functions; 8803099
- speech articulator motion; universal constraints; kinematic variation/temporal organization/prosodic structure; 8804483
- speech production; syllabic organization; Dutch-speaking children's speech, word fragmentation; case study; 8809333
- speech production; syllable structure role; initial/final consonant exchanges; consonant-vowel cohesiveness; 8804436
- speech rhythm display, new method proposed; Nordic languages; 8804443
- speech rhythm, recited poetry; normal speech compared; stress-/syllable-timed languages study implications; 8804433
- speech timing; Parkinson's/Huntington's disease effects; initiation/production/rhythmic timing relationships; syllable/sentence duration tasks; 8804553
- speech wave/intelligibility, shaping speech wave relationship; acoustic parameters; men aged 20-24; 8806908
- Swedish word prosody; nonlinear analysis; stress/syllabification/tone accents; 8803092
- syllabification algorithm, speech error evidence; generative hypotheses considered; production process; 8803539
- syllable chaining, language therapy technique; pre-/post-/intervocalic consonants; phonologically disordered children; 8807105
- syllable constituency; onset/rhyme distinction defended; 8803036
- syllable definition/typology; voice vs breath syllable, laryngeal tone; 8802038
- syllable duration, anticipatory length; word boundary/stress placement-free hypothesis; spectrograph data; 8809328
- syllable duration, rhythm/duration perception; earlier data reevaluated; 8806933
- syllable perceptual center location; center-of-gravity accounts disconfirmed/onset-rhyme account supported; alignment tasks; 8809270
- syllable structure/segmental development; consonant preferences; phonologically disordered child aged 3;5-7;3; case study; 8804568
- tone distribution, Scandinavian languages; terminal contour, mono-/polysyllables; 8800706
- Ukrainian infinitives accentuation patterns, history/variation; penultimate syllable length, Proto-Slavic forms; 8808647
- verse rhythm; language probability model; English/Romance/Medieval Latin systems compared; syllabic/syllabo-tonic forms; 8804299
- vowel information; syllable initial/final regions; talker-independent form; 8802039
- words, internal structure; crossword puzzle paradigm; syllabic/morphemic unit retrieval differences; interactive model proposed; 8804677
- Synchronic Linguistics**
- Camion, J., *Dictionnaire des homonymes de la langue française* (Homonym Dictionary of French); synchronic approach; 8804052
- Czech synchronic lexicology; diachronic lexicological studies; J. Filipčević's/F. Čermák's *Česká lexikologie* (Czech Lexicology) evaluation; 8806557
- dialectal change analysis, age-grading; synchronic evidence use; English West Wirral dialect data; 8801488
- Dravidian plural action verb; comparative grammar principles; synchronic analysis; 8806356
- English diminutives, word derivation synchronic/diachronic sense; F. J. A. Mostert's study; 8805949
- French phraseological units formation; primary/secondary transposition; conversional/derivational/elliptical transformations; 8800969
- grammar data selection; systematicity/dialogue/linguistic competence relation; 8803414
- Ibero-Romance word variation; phonetic structure, cross-dialectal alterations; diachronic/synchronic perspective; 8804073
- language development reconstruction; new languages' origin study; synchronic models inadequacy; 8803631
- morphophonemics, West Greenlandic (Eskimo-Aleut); assimilation/assibilation; synchronic analysis, diachronic facts; 8808033
- relational preverbs; New World languages; typology, synchronic/diachronic interpretations; 8808285
- Saussurian studies, *langage* notion interpretation; 8808431
- Synonym**
- antonym/synonymy rating/identification; word pair relation elements role; undergraduates; 8802270
- bilingual dictionaries, active/passive types; L. V. Shcherba's distinction valid, specialized/synonymic lexicons; 8804057
- bilingual memory representation; dual coding theory; synonym generation task; Spanish-English bilinguals; 8805555
- bilingual technical dictionaries, English/Hungarian divergences; contrastive analysis; 8808855
- Chauliac, Guy de, *Chirurgia Magna* Middle English translation, *Univ. Libr. Cambridge Dd. 3.52*, medical terms synonyms, translator's strategies; *Middle English Dictionary* materials; 8806371
- context-free grammars; English nongenerability; *respectively* coordination argument; 8801178
- foreign-language instruction, synonymy; paraphrase use, underlying speech acts; 8807499
- genus/species synonymy; A. B. Shapiro's claim contested; logical/denotative similarity confusion; 8803330
- German synonyms lexicographic treatment; didactic lexicon compilation principles; 8804997
- Kierkegaard, S.; *Uforanderlige* 'the unchangeable one'/'*Uforanderlighed* 'unchangeableness' distinction; rank correlation/cluster analysis; 8801407
- lexical semantics; contextual approach; opposition/synonymy; 8800912
- lexical/word-formational decorrelation, Modern Russian; etymon/decorrelate relationship/synonymy, usual/occasional decorrelates; 8803355
- polysemy/heterosemy opposition; etymological/loanword relations; 8803314
- polysemy/synonymy; independent treatment proposed; complementary/contrastive senses; 8803277
- Portuguese apparently synonymous structures; adequate semantic explanation, argumentative pragmatics framework; rhetorical component importance; 8805855
- Portuguese apparently synonymous structures; Kanavillil Rajagopalan's critique rebuttal, statements clarification; 8805856
- Portuguese apparently synonymous structures; Rodolfo Ilari's account critically examined; radical pragmatics approach; static/dynamic interpretation distinction, gestalt theory; 8805880
- terminological synonymy, German electrical engineering vocabulary; causes identified; 8801582
- terminological synonymy, related problems; German automotive terminology; 8808861
- Syntax (see also Grammatical Analysis)**
- 18th-century Russian "Razsuzhdeniya o okazatelstvakh' k' miru..." (*Deliberations on the Fundaments of Peace*); syntactic peculiarities, complex sentence; pronominal/conjunctive connectors use; 8803432
- ablative absolute, Medieval Latin; *Kristiánova legenda. Vita et passio sancti Wenceslai et sancte Ludmille ave eius-Život a umučení svatého Václava a jeho báby svaté Ludmily* (The Christian Legend. The Life and Passion of Saint Václav and His Grandmother, Saint Ludmila) analyzed; 8803660
- absolute constructions; semantic criteria; alternative essential/nonessential function definition; French material; 8803186
- absolute case incorporation; verbalization; English material; 8805752
- Acehnese (Austronesian) grammar; complementation/relativization/agreement/word classes; 8805691
- Acehnese (Austronesian) grammatical relations; typological identification; core status analogue; 8805720
- Acehnese (Austronesian) passive construction; verb agreement/grammatical relations; 8805721

- action subject expression, Ukrainian; diachronic perspective, Old Russian legacy; 8808662
- adjective syntax, French/English compared; foreign-language teaching application; 8801377
- adjunct direct objects; government-binding theory analysis; case/theta-role assignment problems; 8806143
- adnominal genitive; value/functions; noun phrase core relation; 8803231
- adolescent written production; syntactic developments; first-/third-/fifth-year Canadian secondary students; 8807933
- adult second-language acquisition; parametric variation role; pro-drop parameter; Spanish-/Arabic-/Japanese-speaking English learners; 8800415
- adult second-language learning; parameter-setting model/universal grammar; English anaphora acquisition; Japanese/Spanish speakers contrasted; 8802612
- adult stuttering; high-level processing demands; linguistic variables effects; language/speech processing levels interaction supported; 8807044
- adverb licensing, generation/distribution; head feature licensing category proposed; English/Icelandic/German data; 8805818
- adverb, traditional definition rejected; semantic analysis; French data; 8803189
- Afrikaans ambiguity; phonology/semantics/syntax/pragmatics interaction; traditional approaches critically reviewed; 8805885
- Afrikaans fixed binary compounds, typology/semantic features; 8803127
- agentless passives, Modern Hebrew; detransitivization process; 8808153
- agrammatic aphasia; syntactic representation construction problems; 8809412
- agrammatic Broca's aphasics' narratives; syntactic/morphological/discourse analysis; cross-language study; 8809426
- agrammatic/syntactic comprehension; sentence analysis, syntactic competence; 8809441
- agrammatism; syntactic deficits/speech comprehension parallels; noun inflection sensitivity; 8804554
- agreement, empty category principle; verbal morphology; 8808423
- agreement, linguistic research use; Tepera (Indo-Pacific) person analysis; 8808121
- agreement, parametric approach; J. McCloskey's/K. Hale's analysis challenged; empty category principle; 8808216
- agreement, phrase structure grammar account effectiveness; Basque/Achenese data; 8808178
- agreement, subject/verb independence, semantic value basis; independent grammatical systems proposed; 8808179
- Akan (Niger-Kongo) consecutive verb negation; serial verb construction; tense/aspect marking; 8803166
- Akkadian verbless clause; stative/predicative forms, morphology/meaning; 8800796
- Alabama (Muskogean) noun marking absence; 8807218
- Alabaman (Muskogean) comparatives; simple/complex constructions described; 8805734
- Alamblak (Papuan) serial verb constructions; syntactic unit/lexical item continuum; lexicalization process; 8805701
- Albanian possessive adjectives development, Balkan linguistics framework; internal/external adjectivizations; 8805785
- Albanian question exponents, contrastive features; Polish data compared; 8800892
- Albanian reflexive pronoun *vete* 'self'; anomalous passive constructions/binding theory difficulties; 8803571
- Aleppo Arabic elative formation, bases/patterns/German rendition; 8803128
- Altaic plural suffixes, grammatical meaning; collective suffix/plural marker; 8800888
- Alzheimer's disease; sentence repetition performance; syntactic processing/short-term memory/auditory comprehension; longitudinal study; 8802121
- ambiguity resolution; single/multiple structures use; grammaticality judgments, garden path sentences; 8802401
- ambiguous newspaper headline comprehension; syntactic/problem-solving hypotheses; 8802393
- ambiguous sentence comprehension; brain-damaged adults; mind modularity theory implications; 8804856
- American English *have got* construction; raising analysis; child language acquisition/rule restructuring; 8803124
- American Spanish; perfect tense usage; aspectual criteria importance; 8805822
- American/British written English; systematic syntactic differences; 8800982
- Amoy Chinese bound morpheme *á*; syntactic/semantic/phonological properties; 8800768
- anaphor resolution; sentential representation models tested; *it*, object vs event reference; 8807179
- anaphora/locality; theta fields/government; reflexives/control/pronominal anaphora; 8808438
- anaphora; distributivity; discourse representation/government-binding theories; 8801189
- anaphoric dependencies; lexical knowledge/syntactic principles relationship; acting-out tasks; children aged 3-5 years; 8807232
- anaphoric pronouns use; speaker/hearer attention split, focus factors; 8800805
- anaphoric pronouns; L. Tasmowski's/P. Verluyten's treatment, limitations discussed; number/gender agreement; 8800908
- Ancash Quechua dialect; conjugational paradigms described; 8805824
- Ancash Quechua subordination; *-q/-nqa-* verbal affixes, semantic/syntactic functions; 8800893
- aphasia profiles; subcortical CT lesion sites relationship; syntactic/articulatory components; 8802072
- aphasia; central agrammatic concept rejected; language processing, competition model; cross-linguistic sentence interpretation study; 8802079
- aphasia; short-term memory/sentence comprehension deficits; memory, phonological components; 8800036
- aphasia; word learning/processing deficits; semantic/grammatical information retention; 8804538
- aphasic interactive language, syntactic/pragmatic profiles; communication difficulty adaptation; adult aphasics; 8809434
- aphasics' comprehension; heuristics use; A. Caramazza's/E. Zurif's study reviewed; 8806993
- appositive sentences, Russian/German material comparison; A. N. Tolstoy's *Petr I* (Peter I) Russian/German versions; structural/functional equivalence; 8803779
- Arabic adversative conjunctions *lākin/lākinna* 'but, however', use/distribution; conjunction/adversative/type relationship, Koran vs Classical Arabic texts; 8803120
- Arabic deletion; word order, clause types; 8808106
- Arabic *la-qad* + prefix tense verb structure, temporal/aspectual/modal features; poetry occurrence; 8808158
- Arabic nominal case endings; modern dialect loss, stress shift role; J. Blau's data reanalyzed; 8801333
- Arabic number agreement; colloquial Jordanian/standard dialects; lexical diffusion; paradigmatic parameters; 8801490
- Arabic parataxis, persuasion, linguistic constraints; phrase-/clause-level modification; 8806028
- Arabic sentence structure; Prague school functional analysis; constituent order variation, communicative functions; 8803117
- Arabic subject-verb agreement, historical aspects; nontopic noun phrases; 8808186
- Arabic syntax; *wh*-movement/topic-comment structure, case assignment/binding; 8800775
- Arabic/Hebrew particle *wāw*, meaning/syntactic function; grammarians' prescription/speakers' intuition; 8800743
- Arawak (Amerindian) language; grammatical description; phonology/morphology/syntax/discourse; *wh*-movement, government-binding analysis; 8803621
- aspectuality/actionality, Contemporary French, terms validity; research tasks; 8808135
- auditory feedback/writing, learning-disabled/nondisabled students; written error identification; 8809471
- Australian aboriginal languages; common grammatical features; 8806237
- autonymic modality, deictic pseudo-anaphor defined; French examples; 8808111
- AUX category, Makah (Southern Wakashan) grammar; noun/verb status; 8808180
- Azerbaijani appositions; typology; historical prose analysis; 8800853
- Balkan phraseology, Osman-Turkish influence; phraseological loan translations; lexicon/phraseology relationship; 8800855
- Balkan sentence connection system; grammatical interference; connective development/use parallels/mutual influence; 8803171
- bare infinitival complements, Dutch materials; syntactic analysis; 8808187
- basal reader syntax/children's oral syntax; grade levels one, two, three; words per T-unit; 8807829
- basilectal Belizean Creole copula; *da/a* syntactic/sociolinguistic functions; creolization/decreolization/semantic change; 8803284
- Basque culture/language; history/origin/grammar sketched; 8801461
- Basque-Icelandic pidgin, history/description; structural characteristics; 8808729

- Bayso (Kushitic) gender/number agreement; two gender system postulated; 8803153
- Beowulf*; litotes/superlative use; syntactic/morphological devices; 8806821
- Berlin transformational linguistics; N. Chomsky's influences, major studies/linguists presented; 8806120
- Biblical Hebrew substantive *derek*, double gendered status; morpho-syntactic issues; 8805786
- Biblical Hebrew; pedagogical grammar; 8808193
- Biblical/Imperial Aramaic word order; functional grammar/discourse analysis; dialect development issues; 8800760
- bilingual child language development, morphosyntactic interference; error analysis; longitudinal study; Italian-/German-speaking children to age 10; 8802946
- bilingual code switching; previous studies reviewed; syntactic constraints/acceptability judgments/generative model; 8802928
- bilingualism; American German/American Icelandic dialects; English influences; 8802929
- binary composition, poetry; F. de Saussure's *loi de couplaison* (law of coupling); C. Baudelaire's "La Cloche fêlée" (The Cracked Bell) analyzed; 8806791
- binding theory; English reflexives/reciprocals, binding domain differences; 8808446
- Brazilian Portuguese verb fronting; government-binding analysis; verb-to-COMP movement/*that*-trace effects; 8805758
- Brazilian Portuguese verb use; discourse factors; imperfect indicative; 8805813
- Brazilian Portuguese; Palmeiran dialect described; phonological/morphosyntactic/lexical/semantic features; 8801496
- Breton cleft structures, basic characteristics; J. Wirth's cross-linguistic hypotheses; 8803254
- Breton syntax; subordinate structures, formal properties; verb-binding/anaphoric links; 8800886
- British English *for*-infinitival clauses; distribution, classification; 8805765
- Broca's aphasia; syntactic processing deficits; CT lesion localization; 8802444
- Bulgarian indefinite marker *edin*; Romanian *un* compared; 8803787
- Burmese language, syntactic studies; sentence parts, nominal/predicative particles; 8800849
- Canadian Métis dialect; Algonquin/French/English features; syntactic/semantic structure; 8803904
- caregiver language; Igbo society; mothers/maids; 8806622
- case assignment; clausal arguments; visibility condition/ θ -theory; 8808527
- case attraction/agreement, Georgian/Indo-European languages; grammatical category asymmetries; 8808201
- case marking, formal means; prosodic features/word order/morphemes, homosignification relation, natural languages; 8800799
- Castilian quantified clause, transformational-generative analysis; typology; restrictive relatives/exclamatives/indirect interrogatives, syntactic/semantic differences/similarities; 8803222
- Catalan negation; 8800829
- categorial grammar; computationally tractable model constructed; English syntactic/semantic problems treated; 8801181
- causal attribution; verb type/participant animacy effects; prototypicality parallels; 8807154
- Chaucer's poetry; syntactic patterns/vocabulary connotations, stylistic effects; 8809139
- Cheyenne verbal agreement system; generalized phrase structure grammar analysis; word internal structure; 8806162
- Chichewa (Niger-Kongo) gender; noun gender/agreement markers; comparative Bantu implications; 8800769
- child grammar; anomalous *wh*-questions; sentence grammar acquisition; 8807267
- child language acquisition; Austronesian languages uniqueness; grammatical categories/vocabulary; 8802295
- child language acquisition; meaning first hypothesis refuted; gender/count-mass noun distinctions; 8804773
- child language development, morphosyntax acquisition; individual differences, diagnostic caution; Italian elementary school children aged 6;6-7;0; 8802299
- child language development; syntax acquisition, word order rules; empiricist approach; comments/reply; 8802351
- child language; recursion development; biological cognitive-linguistic model; 8804736
- children's grammatical development; government/binding theory parameterized systems application; Italian/English/German data; age differences; 8801177
- children's sentence production; syntactic/phonological/fluency characteristics; linguistic/extralinguistic factors; language-impaired/reading-disabled/normal children; 8800090
- children's writing effectiveness; linguistic features/developmental trends; cohesion/clause embeddedness; 8800554
- Chinese *-zhe* constructions; L. Mangione's constraints test refuted; 8803146
- Chinese adverb *you* 'again'; objective/subjective accumulation; topic focus; 8805694
- Chinese assertive sentence adverbs/suggestive modal particles, syntax/semantics; scope, sentence topology/hierarchy; 8808113
- Chinese degree adverbs syntactic properties, level analysis; constituent-oriented sentence structure conception; German grammar framework; 8808182
- Chinese "double *le*" construction, predicate aspectual marking; plural/singular postverbal syntagm effects; 8805708
- Chinese double-object syntagm development; preposition specialization, complex transformation; Wundt's thesis supported; 8805819
- Chinese duration adverbials; phrase structure analysis; sentential subject hypothesis refuted; 8800774
- Chinese negation/refutation, descriptive/polemical negation distinction; *bing-bu* (refutative expression) classes described; 8805737
- Chinese postpositions, locative particles status; noun status view rejected; 8808133
- Chinese reflexive pronoun *ziji* 'self'; Charles Li's/Sandra A. Thompson's analysis critiqued; 8800793
- Chinese resultative/descriptive sentences; predication hypothesis rejected, secondary predication hypothesis supported; 8808460
- Chinese "rhetorical interrogation" (*fanwenju*) constructions; syntactic markers, sequence types; 8808107
- Chinese scope adverbs/degree particles, syntax/semantics; scope/syntactic domain/accent role/presupposition expression; 8808195
- Chinese sentence mode specification; sentence-final particle, syntactic property/communicative function; epistemic attitude particle; 8808114
- Chinese sentence-final particles; speaker's addressee-related attitude; mode-variable/mode-fixed types; 8800749
- Chinese sentential word order; theoretical view; 8808167
- Chinese syntax; multilevel descriptive approach; 8805711
- Chinese temporal adverbs, syntactic properties; Zhu Dexi's word group standard grammar framework; 8808155
- Chinese V-*le*-C₁C₂/V-C₁C₂-*le* constructions; E. L. Voynich's *Niumeng*, original novel/radio broadcast versions compared; discourse/syntactic differences; 8801073
- Chinese "verb-copying" construction; C. N. Li's/S. A. Thompson's constraints; adverbial elements; 8800883
- Chinese *yi* examined; related phrases; 8800911
- Cholan (Mayan) ergativity, morphology/syntax; split ergativity patterns; 8806602
- Chukchee (Paleosiberian) absolutive; syntax/semantics/pragmatics; 8800841
- Classical Greek syntax/etymology; *Llave del Griego* (Key to Greek), new edition/history discussed; 8806181
- Classical Sanskrit/Prākritis passivized causatives; semantics/syntax; valency changes; 8800758
- Classical Tibetan zero-anaphora/cataphora/ellipsis; actor/undergoer suppression, nonpromotional antipassive; 8805689
- clause/sentence treatment; R. Quirk et al, *A Grammar of Contemporary English* examined; 8800741
- code-switching, Standard/Egyptian Arabic; syntactic aspects, switch position/category type/language variety; radio/TV interviews, panel discussions, Egypt; 8808767
- colloquial gender neutralization; Modern Hebrew/Lebanese Arabic numeral systems; 8800752
- Colombian indigenous languages, nominal/verbal structures; seminar report, Yerbabuena (Colombia) 29 May 1987; 8803255
- comparative analysis; language/pragmatic universals role; 8803774
- comparative morphosyntax; *Language Typology and Syntactic Description*; review article; 8800984
- comparative syntax; language universals; passive/grammatical relations/accessibility hierarchy; 8806428
- comparatives, Finnish/Icelandic/English; morphosyntactic characteristics; 8808205
- comparison category, Romanian adjectives/adverbs, new classification scheme, "intensity degree"; 8803227
- complete precedence/temporal overlap; H. Kamp's notion critically examined; tense/aspect semantics; 8800889
- compliments/responses, New Zealand English; syntactic/lexical patterns, discourse contexts; cross-cultural differences; 8801037
- A Comprehensive Grammar of the English Language* reviewed; English traditional grammar placement, contents/organization; *A Grammar of Contemporary English* compared; 8808103

- computational complexity theory; natural language processing system problem tractability; agreement/lexical ambiguity; lexical-functional grammar/generalized phrase structure grammar/two-level morphological analysis; 8801149
- computational linguistic research, Göttingen U; microcomputer-assisted context free syntax analysis, TOPDOWN/EARLEY systems; 8803827
- computational linguistics; natural language processing/linguistic theories relationship; unification grammars; 8808498
- computer-assisted translation, German subordinate clauses; tree structure analysis; 8808196
- computerized syntactic analysis; sentence as symbol sequence; 8805770
- Comrie, Bernard, *Tense*; content outline/evaluation, debatable issues, shortcomings; 8805718
- concession; traditional treatments critically reviewed, argumentation theory approach developed; 8801060
- Conchucos Quechua clause-combining; discourse structure; switch reference phenomena; 8806091
- connotative meaning shifts; adjective-noun/adverb-verb combinations; Cliff's Law generalized; 8804648
- Contemporary Italian complement clauses; journalistic texts; Italian as a second language instruction implications; 8802546
- context-free grammars; English nongenerability; *respectively* coordination argument; 8801178
- control phenomena; binding theory account; 8808464
- control theory, Chinese; verbs tensed/untensed clauses, syntactic predictability; matrix verbs' lexical meaning/pragmatic factors; 8808525
- control, semantic-pragmatic interface; control theory/formalization, Theta-specifications, control verbs classification; 8808263
- conversation analysis, syntactic features; severely language-impaired children aged 3-7 years, adults; 8809393
- conversational coherence; between-turn cuing devices; conversation reconstruction task; 8806614
- conversational uncertainty/forgetfulness display; syntactic/paralinguistic techniques; 8804133
- coordinated structures, children's narratives; sentence/phrase; children aged 3:6-9:6; 8800098
- coordination; delete- α approach; Chinese evidence; 8803536
- creole languages; typological implications; structural/historical features; 8806155
- Czech contrastive connectors; syntactic/semantic role/meaning/status; 8803208
- Czech lexically unmarked verb complements, linguistic/communicative functions; Czech belletristics analysis; 8803245
- Czech secondary prepositions' syntax/semantics; L. Kroupová's *Sekundární předložky v současné spisovné češtině* (Secondary Prepositions in Contemporary Written Czech) review/outline; 8803211
- Czech syntactic structure *nemá kdo orat* 'there is no one to plough' derivation, *mít* 'to have' modal function; Czech-Russian-Polish compared; 8805751
- Czech *takový* 'such'/'*tak* 'so, thus' nondeictic use, pseudo-identifiers/intensifiers, peripheral deictic words; 8808146
- Czech translations compared, I. S. Turgenev's *Vernal Waters*; J. Hrubý's/V. Očadlíková's versions, text-cohesive devices; 8802980
- Daghestan-Avar class indicators; adjective formation, genitive case; class-marking versus class-neutral nouns; 8800894
- Dahl, Östen, *Tense and Aspect Systems*; review article; 8805703
- Danish modals *behøve/måtte*, German functional/syntactic/semantic equivalents; contrastive analysis; 8803782
- definite reference; computational solution inadequacy; linguistics/logic; 8804404
- definition, logical/linguistic components; logical criteria, linguistic realization; Russian material; 8800859
- Demotic Greek passives; government-binding analysis; 8805705
- descriptive linguistics, introduction; phonetics/syntax/semantics/orthography/discourse issues; 8806240
- descriptive/prescriptive grammars, English; grammar scope value judgments; grammarians' language planning responsibility; 8801774
- discourse representation theory; frame representations/compositionality; 8806121
- discourse typology, free/informative conversation distinction; syntactic/lexical/pragmatic differences; Russian/German material; 8805999
- discourse/morphosyntactic markedness; Tagalog word order, English anaphora; 8801019
- disjunctive coordination; exclusive/inclusive semantic relations; Latin-Spanish evolution, functional analysis; 8803194
- Dogrib (Athapaskan) control/agreement, empty noun phrase evidence; K. Hale's analysis refuted; 8808191
- double object construction, simple datives origin; underlying clauselike VP, dative shift; 8808472
- Dravidian complementation; finite predicate distribution/case marking exceptions; diachronic processes; 8803243
- Dravidian grammars, origin-attitude-based classification; Tamil/Telugu/Kannada/Malayalam examined; 8803241
- Dravidian reflexives/reciprocals; case copying analysis proposed; 8803246
- Duden. *Grammatik der deutschen Gegenwartssprache* (Duden. A Grammar of Contemporary German); review article, critique; 8803116
- Dutch *deelwoordenjammer* 'participle jammer'; imposed prescription/genuine grammatical rule; prescription/rule distinction criteria proposed; 8800800
- Dutch derived words, external syntax; deverbal formations' complement structure; morphological process; 8803350
- Dutch *om* 'to, in order to, so as to' use; written/oral language, formal/informal style, quantitative data, theoretical interpretation; 8805742
- Dutch pronouns *zich/zichzelf* 'oneself, himself' syntax/semantics, M. Everaert's/A. Pauw's analyses critiqued; "frame of mind" solution proposed; 8808206
- Dutch reflexive anaphor *zich*; J. Koster's analysis rejected/government directionality approach supported; 8808521
- Dutch reflexivization, government/binding theory framework, universal principles; M. Everaert's *The Syntax of Reflexivization* critiqued; 8805816
- Dutch sentence negation rule; French speakers' acquisition, developmental stages; 8802654
- Dutch verb inflections, phonological aspects; native-language teaching; 8808081
- early child language; agentivity/control, linguistic marking; self-reference forms; English-speaking children; 8804727
- early Indo-Iranian languages; configurational syntax; *wh*-movement/cliticization; 8803185
- early language development; premature/high-risk children; verbal output/syntactic complexity/morphemic acquisition; 8800107
- early reading difficulty; metalinguistic awareness relationship examined; sentence revision ability; second-grade students; 8802826
- early word acquisition; maternal speech effect; syntactic/semantic aspects; children aged 1:1; 8804776
- East-Polesian Ukrainian movement expression syntax; *V + prep + N* model variants, preposition doubling/alternation; 8805825
- Eastern Kayah (Tibeto-Burman); grammatical description; phonology/morphology/syntax; verb serialization; 8803624
- Egyptian Arabic verb phrase; equational/nonequational sentences; complementation/auxiliaries; government-binding theory; 8800874
- electronic data processing; Greek; generative grammar; 8801428
- Ellipsen und fragmentarische Ausdrücke* (Ellipses and Fragmentary Expressions), review/critique; 8803260
- ellipsis, Hungarian sentence, generative framework; forward/backward reduction, universal/language specific features; 8805747
- elliptical phenomena; distributional/interpretive properties; government-binding analysis; 8800765
- empty category processing; aphasia case study; syntactic/parsing theory implications; 8802119
- English *-ing* clauses; government-binding analysis; present participle category proposed; 8805756
- English absolute *with*-phrases; preposition stranding/extraction conditions; M. Siegel's analysis refuted/subjacency analysis proposed; 8808149
- English absolutive constructions; various types illustrated; 8803240
- English ad-adjectival adverbs; functional styles; typology; 8800806
- English adverb placement, speech rhythm; *only* distribution; 8805775
- English adverbial focusing; given/new information marking relationship; British English conversation; 8805651
- English anaphora; adverbial clauses; syntactic analyses rejected/semantic alternative proposed; 8808514
- English anaphora; pronouns/*another* contrasted; categorial binding theory; 8800803
- English as a foreign language acquisition, Hungarian learners' difficulties; word order/preposition differences; written language error analysis; 8805147
- English as a foreign language; Arabic speakers' written texts analyzed; cohesive ties/syntactic structures; 8802648
- English as a native/second language, syntax testing; K. W. Hunt's T-units; British/Malaysian speakers; 8807577
- English as a second language acquisition; preposition stranding/pied-piping, acquisition order; markedness/salience; 8802602
- English as a second language adult learners' spontaneous speech; syntactic/morphological assessment; profile analysis approach; 8807587

- English as a second language; syntax acquisition; Arabic-speaking children; 8805204
- English as a second language; teaching conditionals; 8805048
- English aspect/*aktionsart* (action type) categories; perfective/imperfective aspect, state/habit action type difference; 8805700
- English auxiliary inversion acquisition, interrogatives; children aged 3;0-4;6; 8808127
- English "bad grammar," linguistic purism approach; 8805766
- English bare plurals; dependent reading/distributivity; 8805710
- English clausal ellipsis; conversational data; grammatical/functional accounts; 8806070
- English clausal units; acoustic correlates/infant perceptions; preference procedure; infants aged 7-10 months; 8800078
- English communicative skills development; hearing-impaired students; communication-games intervention strategy; 8806964
- English complex complements; usage/function/occurrence/structure/paraphrase; 8805818
- English conjunction *and*; early/modern writings; semantic/structural relation marking; discourse cohesion; 8800850
- English control verbs; interpretive analysis; lexical features/logical form rules; 8806159
- English coordinate compound structures; ambiguity, phrasing/punctuation solutions; 8800809
- English coordinate NPs; generalized phrase structure analysis; unary features/feature percolation; 8806171
- English dative alternation; second-language learning; acceptability-judgment tasks; Japanese college students; 8800449
- English dialectology; phonological/grammatical/lexical variation; review article; 8806432
- English *each other/one another*; distribution, differences; government & binding theory/deductive analysis; 8800868
- English echo questions; prosody, syntactic/semantic aspects; 8803073
- English existential sentences derivation; Marina K. Burt's, Adrian Akmajian's/Frank Henry's *there*-insertion rules inadequacy; alternative formulated; 8800776
- English final-position prepositions; grammatical avoidance; 8800825
- English future tense; semantic-philosophical/neutralization arguments; primary vs modal *will*; 8808439
- English generic *the*, discourse use; sentence/paragraph position; *Scientific American*; 8803453
- English gerund, origins; diachronic analysis; French influence, English infinitive behavior; 8808615
- English *good and well/well and good*; semantic/syntactic differences; 8800925
- English grammar, correct usage; formal instruction advocated; 8805784
- English homonym distribution; functional load/therapeutic change hypotheses implications; statistical tests; 8800857
- English idioms; interpretive process/syntactic variation resistance; B. Fraser's proposals experimentally validated; 8802261
- English idioms; syntactic variation judgments; familiarity factor; 8800847
- English *if* cleft sentence, function/structure; *it/what* clefts compared, textual aspects; preform/non-preform subsets; 8808168
- English infinitival complement clauses; matrix verb subcategorization inadequacy; text-grammatical/functional-normative factors' role; spontaneous speech, British English; 8803209
- English learners' writing; determiner use, error analysis; foreign U students; 8802904
- English middles, ergative constructions compared; semantic analysis proposed; 8805723
- English modals *must/may/can/should/will*, assertions, semantics/pragmatics/syntax; speech act analysis; 8808253
- English modals; transformational accounts; 8803268
- English mood distinction refuted; indicative/subjunctive; 8808129
- English nominal constructions, J. D. Gallagher's treatment supplemented; technical translator's viewpoint; 8803203
- English nonfinite sentential complements; *A Grammar of Contemporary English/A University Grammar of English* treatments; critical/comparative study; 8800753
- English noun phrase, nonoverlapped head-noun occurrence conditions/restrictions; attributive adjectives role; government/binding theory framework; 8803217
- English noun phrase-internal/-external movement; government-binding analysis; Chomsky's minimality condition revised; 8801179
- English number agreement, meaning/syntactic form basis; 8808169
- English numerals; functions identified; 8800861
- English particles; dramatic/undramatic distinction; baseball game descriptions/commentaries analyzed; 8803148
- English partitive construction; syntax/semantics/pragmatics; child acquisition/adult use; 8805690
- English passive acquisition; semantic constraints; thematic roles/grammatical functions; 8800099
- English passive, auxiliary + participle aspect; aspectual meaning; 8803126
- English passive; monostratal phrase structure analysis; SLASH-like missing constituent feature proposed; 8801203
- English *perhaps* evaluative meaning expression, context/occurrence restrictions; *perhaps/possible/can/may* modal value difference; 8808228
- English post-determiners *same/different*, event-related semantics; sentence internal readings, distributivity; 8803273
- English pragmatic expressions; *you know/I mean/you see*; functions/grammatical constraints; 8805978
- English present progressive; stative verb use; discourse perspective/pedagogical implications; 8804930
- English productive causative verbs; syntactic/semantic properties; *to* deletion rule proposed; 8808519
- English pronoun usage; nonfictional bestsellers/periodical articles/newspaper editorials examined; actual uses/historical information/grammar handbook descriptions; 8800770
- English pronoun use; children's acquisition; speech observation effects; modeling conditions; 8804788
- English pronouns, markedness; hierarchical structure developed; 8800746
- English question-answer unit, preliminary characterization; obligatory/facultative elements, question/prequestion correlates, word order/intonation/subordination; 8800887
- English reduced nominal, definition/expansion/identification; pronouns compared; 8800885
- English reflexivization; syntactic/semantic/pragmatic factors; R. B. Lees's/E. S. Klima's analysis augmented; 8803233
- English relative clause formation; Arabic speakers' problems; essays analyzed; U students; 8802621
- English relative clauses; important features/Hong Kong students' errors; 8805776
- English scientific text prefaces; structural-semantic peculiarities, 18th-century corpus; preface organization pattern; 8806007
- English scientific/technical writing; syntactic structure choice; US/Dutch students; 8800584
- English sentence accentuation; intransitive sentences; C. Gussenhoven's rule elaborated; 8803169
- English sentences, identical verbal/participant lexemes, semantico-syntactic variations; left-/right-hand participant mutual shift; J. Panevová's theory; 8808202
- English situation adverbs; conditional sentence theory; temporal/concessive adverbials; 8800779
- English subject-auxiliary inversion; K. Safir's account critiqued/alternative analysis proposed; 8808465
- English subject-to-object raising rule, validity examined; reply; 8805794
- English subjective/objective case distinction; language styles, E. Klima's scheme; 8800790
- English subjunctive use; public/political statements; 8800839
- English subordinate *if*-clauses; verb phrase structure levels; semantic/intonation differences; 8808515
- English support verbs; idiomatic expressions; semantic properties/syntactic frozenness; 8805764
- English suprasegmental phenomena; syntactic/semantic correlates; compounds/nominal *-ing* constructions/genitival phrases; 8808045
- English syllable duration; domain-final lengthening/foot-level shortening relationship; 8805659
- English syntax; *A Comprehensive Grammar of the English Language* reviewed; 8808148
- English *to*-contraction; control theory implications; 8808426
- English usage; pop grammarians' narrow mindedness; *like*, conjunction use; 8806638
- English verb particle movement; transformational analysis; heavy noun phrase shift case; 8800794
- English verb, semantic/syntactic relations; dictionary treatment; *bake* example; 8808839
- English verb-noun compounds, formation principle; noun semantic roles; R. Lieber's principle modified; 8800822
- English verb-particle construction; particle placement, written text/spontaneous conversation differences; 8800755
- English verbal category use; punctuality constraints; 8805804
- English viewpoint subjuncts; syntactic/semantic properties; word order variation; 8803147
- English-British Celtic contacts, vocabulary/syntax, Modern Welsh/Cornish parallel; Celtic syntax assimilation evidence; 8806325
- English-Chinese interinfluence; English nativization/Chinese Englishization, morphological/syntactic/semantic aspects; 8803919

- English-Slovak accusative object occurrence/absence; one-/two-/three-valence verbs; Hungarian data compared; 8800747
- English/Cantonese interrogatives; simultaneous acquisition; transfer evidence; longitudinal study; 8800083
- English/German morphosyntax; systematic differences; J. A. Hawkins's *Contrastive Typology of English and German* reviewed; 8806373
- English/Guugu Yimidhirr anaphora; pragmatic theory outlined; control/binding/zero-anaphora; 8803541
- English/Russian verbs, valence/combinaability; phrasal/sentential combinaability, valence typology; 8805771
- English/Spanish verb modifiers, comparative analysis; auxiliaries/modals/ellipsis/VP anaphora; pedagogical implications; 8801390
- enunciation/text distinction/grammaticality/acceptability, syntactic vs semantic-pragmatic judgment; 8806064
- equative, synthetic/analytic forms; Celtic/Finno-Baltic examples, word-formational patterns; 8803119
- ergativity, basic introduction; definition, characteristics; 8801165
- ergativity; surface grammar/discourse information flow relationships; 8803405
- EUROTRA, European Community project; German component syntactic part, constituent/relational structures, transformational/valence theory framework; 8803846
- Evangel initial Slavic translation; syntactic analysis, dative use, translational skills; 8808648
- evidentiality modal; speaker attitude marking; reported/infering/attested evidence types; 8805823
- existential *there* use/nonuse, modern English; obligatory/analogical positions; 8800754
- existential/pseudo-cleft sentences/relative clauses; English, Chinese, Japanese compared; English as a second language teaching implications; 8801389
- fathers'/mothers' speech to infants; syntactic, melodic features; 8801640
- field-related genres, variations; scientific/popularized articles compared; 8808400
- Finnish inflection; substantives with *askel-*, *askar-*, *ahven*; 8805738
- Finnish participles, adjektivization process; adjective-verb border; 8808159
- first person inclusive dual pronoun; Ilocano (Igorot) system analyzed, (speaker) [hearer] (restricted) features; Miwok (Penutian) compared; 8805731
- Fokos-Fuchs, D.; syntactic studies Uralic-Altaic kinship research, syntactic evidence; 8806199
- foreigner talk syntax; core/peripheral grammars; cross-linguistic simplification strategies; 8806388
- formal syntactic theory; mathematical linguistics/natural language context-freeness; 8808505
- free relative constructions; matching effects/Romanian evidence; COMP accessibility notion refined; 8806138
- French abbreviation strategies; consonant/syllable initial letter advantage; 8807125
- French adjective placement; distributional groups; Indo-European/Latin norms; 8803266
- French adjective-governed subordinate clauses; infinitives/completives; syntactic/semantic properties; 8800777
- French aspect; different approaches compared; 8808215
- French aspectual verbs; syntactic analysis; raising/control structures; 8800808
- French *avec* 'with'; comitative/instrumental meanings; monolingual French/French-Italian bilinguals; 8805779
- French buffer *que*; new interpretation offered; 8803122
- French causative diathesis, German equivalents; functional-communicative language description framework; 8806390
- French complex nominal phrases; formation processes; English influence; 8803883
- French conjoined personal pronoun position, evolution; nominal/verbal system changes; 8803202
- French construction *Sylvie a les yeux bleus* 'Sylvie has eyes of blue'; semantic/syntactic properties; 8808136
- French copula sentence reversibility; conditions, restrictions; 8803261
- French *faire* 'to make' + verb construction; second-language learners' difficulties; English-French translation task; English-/French-dominant linguistic students compared; 8800439
- French free determinative expansion, nonaffixal derivation; morphological marker invariability trend; 8808284
- French imperative, typology; sender-recipient relationship, subclassification; 8803123
- French imperfect modality; syntactic/semantic features; 8805802
- French indefinite article *des*; plurality expression; occurrence contexts/semantic traits; 8808198
- French interrogative sentence; word order pragmatics; inversion/*est-ce que*/intonation markers; 8803144
- French *item*, F. Villon's testaments; syntactic/pragmatic uses; 8803502
- French language usage, secondary school students, Lubumbashi, Zaire, phonetic/morphosyntactic/lexicosemantic features; 8805019
- French language; Canadian/French dialects compared; syntactic/phonological/lexical features; 8806454
- French left-/right-dislocations; token functions; 8808110
- French locative adverbs *ici* 'here'/'là' 'there'; Latin origin/Italian counterparts/syntactic behavior/meaning; 8805693
- French motion verbs; base infinitive complement structures; complex predicate analysis proposed; 8808488
- French nominal adverbs; syntactic/semantic characterization; 8808112
- French nominal group/definite article; Marvin D. Moody's *The Interior Article in "de" Compounds in French: "Agent de police" Versus "Agent de la police"* critically reviewed; 8805798
- French passive/temporal auxiliaries; independent values; Old French evidence; 8803643
- French past tenses; word order influence; 8800773
- French perception verbs; semantic/syntactic features; 8803157
- French perfect tenses, *passé composé* (compound past tense); temporal elements, tense-aspects relationships; 8805821
- French possessive pronouns, syntax/semantics; traditional treatments/transformational-generative account; 8808109
- French pragmatic connectives; syntactic/distributional/argumentative properties; 8808393
- French pronominal system; third person forms; teaching methods; 8803234
- French prosody/rhythm; prosodic/syntactic structures independence; eurhythmcy relevance; 8803067
- French relative pronoun *où* 'where, when', 16th-century use; Montaigne's *Essais* (Essays) analysis; 8803716
- French sentence constituent order; family oral productions; 8803216
- French slang, syntax role; transitive-intransitive verb transference; 8800762
- French subjectless verbs; *voici* 'here is'/'voilà' 'there is'; empty category theory implications; 8805699
- French three-clitic-series system; prepositional syntagm; general Romance order exception; 8803229
- French time/place complements/direct-indirect objects distinction; intermediate category proposed; 8805799
- French verb morphosyntax; subject clitic inversion; government & binding model; 8803191
- French verb placement, sentence types; semantic/pragmatic effects; 8803251
- French verb *prendre* 'take, grasp'; semantics/pragmatics; case grammar analysis; 8803548
- French verbal prefix *in-*; syntactic effects; 8803176
- French word order, functions; topic marking, sentence ordering; 8803129
- French word order; object complement ordering; semantic factors; *traduire* 'to translate' example; 8803238
- French/Dutch causative structures comparison, *faire/laisser-doen/laten* 'to make/to let' + infinitive; Masayoshi Shibatani's conditions tested, causation criteria formulated; 8806375
- French/English gapping phenomena; deletion analysis rejected/feature transmission analysis proposed; 8808185
- Fula (Niger-Kongo) pronoun choice; current syntactic theories inadequate; 8806127
- Funo Japanese dialect; verbal system; formal/semantic features; 8805950
- Galician evolution; 15th-century document presented/analyzed; morphological/orthographic/syntactic/lexical features noted; 8803446
- Galician poem *Cantigas de Santa María* (Odes of Saint Mary); agent indeterminateness, functional analysis; 8803150
- Galician/Latin verb systems; functional analysis; 8803804
- Galilean Arabic, particle *la* object-marking function; sentence type/structure, dialects compared; 8803205
- García, H., *El suplemento en español* (The Supplement in Spanish); review; 8803224
- generative transformational grammar; semantic applications; componential analysis/network models; 8803550
- generative/interpretative semantics, extended standard theory; competence/meaning components, semantics/syntax relationship; 8808257
- German *accusativus cum infinitivo* structures; transformational-generative treatment; 8803247
- German action verbs, cause-effect relationship expression; valence value, actant structure; facultative/obligatory correlates; 8800781
- German as a second language, specialized style instruction; syntactic peculiarities/learning difficulties, methodological suggestions; 8800268

- German case system; adequate criteria lack; linguistic/historical arguments considered; 8800759
- German coin names phraseologisms; coin usage, coin-names' meaning/etymology; second-language teaching implications; 8800819
- German conjunction *oder* 'or' new functions; decisive/alternative/ascertaining/rhetorical questions; substitute/emphatic word/modal particle; 8808151
- German conjunction *ohne dass* 'without', syntactic function/semantic value/meaning; preposition *ohne* 'without' distinction; 8805831
- German conjunction *sondern* 'but', facultative/obligatory use rules; German prose; Norwegian comparison; 8800817
- German *damit* 'so that' clauses, *Präteritum* (preterite)/*Konjunktiv II* (subjunctive) use; common features; 8808199
- German discontinuous noun phrases split, "free" word order; government/binding framework, universal grammar principles; 8808443
- German double-participle structures, grammaticality diachronic study; correct/incorrect use distinguished; 8803210
- German elided nominal groups; syntagmatic ellipsis; occurrence constraints, context sensitivity; 8800845
- German *es* 'it' text-specific use, dialectal/colloquial/folk oral-poetic; 8805803
- German first person present active verb form, subjunctive/indirect speech introduction; corpus analyzed/counterevidence found, German fiction/nonfiction works; 8800783
- German future tense; tense-mood unified description; oral standard language, verb forms subsystem; 8800821
- German grammatical paradoxes; natural phenomena, form-content asymmetry; 8800844
- German irreal comparative sentence; mood/conjunction use, main clause presence/absence; belletristic material, quantitative analysis; 8800782
- German knowledge questions; *dass*- 'that'-/ *ob*- 'if' embedded clauses, speaker's intention/motive; 8808116
- German masculine function designations, feminization/neutralization, suffix *-in* vs gender-neutral forms; L. F. Pusch's proposals; 8805763
- German modal words, request-expressing sentences; semantic features, syntactic distribution, pragmatic functions; 8805719
- German moods; syntax/semantics; unified grammatical description; 8803354
- German negation, micro-/macro-analyses; second-language teaching implications; word/sentence/text levels, semantic/syntactic/morphological aspects; 8803225
- German *nicht* 'not' particle use; sentence/sentence part negation; second-language instruction implications; 8800826
- German "nominalized" adjectives, transformational account; government/binding theory framework, Pro-drop principle; 8803218
- German "nominalized" adjectives, transformational account; S. Olsen's account modified, "avoid empty category" rule; 8803267
- German nouns/adjectives genitive case marking, *-s* presence/absence; obligatory/optional affix, null-allomorph developmental trend; 8805789
- German objective modal verb + perfect/present infinitive; semantic nuance, temporal reference role, regular occurrence; 8800814
- German passive, colloquium report, Nice (France), 20-22 November 1986; 8805827
- German passive; *genus verbi*/verb aspect analysis compared; 8800748
- German phrase/adjectival word formation, modelability/semantic content compared; 8803244
- German pre-forefield expressions, typology; semantic-pragmatic peculiarities, metacommunicative value; 8805808
- German predicative adjectives evaluative functions, complement clause/infinitive group containing structures; 8805805
- German privative adjectives; gradable/nongradable classes distinguished; syntactic characteristics identified; 8800798
- German pronoun *es* 'it' pronominal/pro-word/sentence-typological/verb-typological functions; 8805702
- German pseudo-compounds; word group/compound distinction, morphosyntactic criteria; historical development; 8803369
- German questions; modal particles occurrence/function, *doch*, question typology; comment; 8808115
- German relative sentences, typology/semantic value; causal/concessive/adversative/temporal/semi-adverbial; 8800951
- German *sein* + *zu* + infinitive structure + agentive phrase; occurrence rules tested; 8800791
- German semantic cases typology/description, valence framework; 8803250
- German sentence adverbials' syntax, *vielleicht* 'perhaps' topology; transformational-generative framework; N. Chomsky's *move- α* rule application; theme-rheme division; 8808142
- German sentence adverbs, *wahrscheinlich* 'probably'/*möglicherweise* 'possibly'/*vielleicht* 'perhaps', speaker's attitudes/certainty expression; 8805840
- German sentence computer-aided analysis; verbal sememes formalized description; semantic structure/syntactic valence/case relations; 8803820
- German sentence mode, grammatical/communicative aspects; project "Satzmodus" (Sentence Mode) design, assumptions; 8808161
- German sentence-like situational ellipses, semantic indeterminacy; conceptual/interactional processing, syntactic/semantic representation; 8808194
- German simple sentence, basic structural models; belletristic material, statistical analysis; 8805712
- German structures *ist* 'is'/*sind* 'are' + *zu* 'to' + infinitive/*hat* 'has'/*haben* 'have' + *zu* 'to' + infinitive; modal value/semantic functional variants/context influence; general vs economics texts; 8808163
- German structures *sein* 'be' + *zu* 'to' + infinitive; modal value/semantic ambiguity/passive voice interchangeability; legal texts; 8808166
- German subjunction *seit*(*dem*) 'since', main/subordinate clause tense combinatorics; H. W. Eroms's rules critiqued; 8805727
- German verb, obligatory objects; valence theory framework; J. Schwitalla's statements, comments; 8803174
- German verb's meaning actualization, variant/invariant sememes; syntactic realization model role, actualization function; 8805772
- German *werden* + infinitive future; modality/temporality; diachronic development; 8800831
- German *werden* 'to become', modal verb; potential modal adverbials occurrence; quantitative-statistical analysis; 8803258
- German word order, case grammar analysis; deep case hierarchy; 8805715
- German words complement structure; base-derivative complement properties alteration; 8804084
- German-English sentence subject/topic; syntactic/thematic functions difference, translational implications, reframing; 8803165
- German-Portuguese valence-dependent structures; equivalence problems; 8808669
- German/Norwegian sentence topology; subject category's descriptive relevance; national substitutes proposed; 8803785
- Germanisms/pseudo-Germanisms, syntactic calques, Ladin/Eastern Alps Romance dialects; Biblical Greek/Semitisms parallel; 8808730
- government-binding theory; N. Chomsky's *Barriers* reviewed; 8808476
- grammatical analysis limits; juxtaposed/hypotactic/paratactic sentences; grammatical/psychological subject; aesthetic/semantic constraints; 8800772
- grammatical categories; functional characterization; nouns/adjectives/adverbs; 8803118
- grammatical categories; verbal inflection functions; voice/agreement/tense/aspect/mood; 8803220
- grammatical category shifts; phonological structure effects; English noun/verb stress asymmetry; 8807175
- grammatical gender typology, Slavonic systems; pattern determination, noun assignment; 8805716
- grammatical morpheme acquisition; maternal recasts role; free/bound morpheme distinction; cognitive comparison model supported; 8802301
- grammatical morpheme use; native language effect, language-impaired English-/Italian-speaking children aged 3;6-6;11; 8804771
- grammatical overgeneration prevention, principles/parameters approach; Russian noun phrase examined; cross-linguistic empty category distribution; 8803553
- grammatical relations; government-binding approach; A. Marantz's *On the Nature of Grammatical Relations* reviewed; 8803555
- grammatical/anaphoric agreement; lexical-functional grammar theory developed; Chicheŵa (Niger-Kongo) agreement system; 8803517
- grammatical/semantic processing; auditorily presented sentences; auditory memory-impaired left brain-damaged patient; 8802445
- grammaticality judgments, intonation cue use; syntactic processing; aphasic patients; 8809377
- Grimm, H. J.; *Untersuchungen zum Artikelgebrauch im Deutschen* (Studies of Article Use in German); review article; 8803265
- Haitian Creole; communication situation/language function; syntactic factors; 8803935
- Haitian Creole; Ewe (Niger-Kongo) influence; C. Lefebvre's hypothesis rejected; nonstandard French basilect influence proposed; 8803967
- Haitian Creole; particle *pu* functions; H. Koopman's/C. Lefebvre's analysis rejected; 8803940
- Halliday, M. A. K., *Introduction to Functional Grammar*; review article; 8806139
- Harbsmeier, C., *Aspects of Classical Chinese Syntax*; review article; 8805782

- Hausa (Chad) syntax; government-binding analysis; identification relations, bijective nature; *pro* identification/empty feature assigners; 8800884
- Hausa (Chadic) topicalized constructions; focus construction differences; base generation/logical form binding approach supported; 8803196
- Hawsa incompatibility-dominance modality function; descriptive analysis; 8805692
- head-marking languages; government-based analysis difficulties; Lak-hota (Siouan) evidence; 8803262
- Hebrew complementizer *še*, English *that* comparison; syntactic/phonetic status; cliticization; 8806164
- Hebrew infinitive; complement function; Israeli Hebrew written/spoken corpus examined; 8800866
- Hebrew sentence comprehension; linguistic cues, differential strengths; patient role assignment; adults/children aged 4/5/7/9; 8804803
- Heidolph, K. E./Flämig, W./Motsch, W., *Grundzüge einer deutschen Grammatik* (Foundations of a German Grammar); outline/critique; 8805743
- Hindi anaphoric relations; weak/strong cross over configurations; binding theory implications; 8800836
- Hindi politeness hierarchy; social situation role; syntactic structures, pragmatics; 8808402
- Hindi-Urdu ergative noun phrase, topic properties; subjecthood/topicality; 8800801
- Hindi-Urdu ergativity; structural/inherent case marking; subject position variation; 8803198
- Hindi-Urdu relative clauses; movement optionality/multiple clauses scope/government relations; logical form movement; 8803161
- Hungarian anaphoric pronouns; switch reference marking/sentence processing; English differences; 8803223
- Hungarian phonological rules, application domains; phonology/syntax interface theories evaluated; 8803104
- Hungarian restrictive relative clauses, processing determinants; word order, chunk fragment construction limits, clause focusing differences; 8807176
- Hungarian syntax; government-binding analysis; configurationality parameter; 8803200
- Hungarian tensed subordinate clauses; government-binding theory analysis; configurational/nonconfigurational language differences; 8805746
- Ibero-Romance interrogative word order; comparative analysis; Brazilian Portuguese verb-fronting optionality; 8800804
- Icelandic conjunction *enda*; coordination/subordination division reinterpreted; 8800851
- iconicity, English indirect objects; J. Haiman's iconic motivation theory extended; agent-recipient relations; 8800879
- Ife (Niger-Kongo) verb mood; particle co-occurrences; semantics; 8803134
- Ik (Kuliak) *kut-* 'to say'; quotative/modal/independent use; clause structure/semantics, semantic grammaticalization; 8800858
- Iliad*; enjambement; sentence/verse boundaries; statistical analysis; 8801809
- inchoative suffix, Kola-Sami (Uralic) sentences; meaning/occurrences; dialect differences; 8800873
- indirect object recognition; presentation mode, context/indicator presence; paper-&-pencil test; Dutch undergraduates; 8803503
- Indo-European sentence syntax; earliest verbal/nonverbal patterns; 8803735
- Indonesian agent incorporation; quantitative text-based study; 8805773
- innate subadjacency, Y. Otsu's hypothesis refuted; sentence comprehension, right association interpretation; children, mean age 4;6; 8807215
- inserted structures, writer's subjective viewpoint expression; Bulgarian literary texts; 8804303
- interlanguage development; article acquisition; Japanese-speaking English as a second language learner; 8802636
- interlanguage systems; American French learners; narrative tense usage; structural/rhetorical constraints; 8800425
- intonational structure; spontaneous language; prosodic-syntactic/prosodic-semantic/accidental rules interaction; 8804474
- Inuktitut suffix *-laug-*, imperative form use; psychomechanical explanation; temporal/spatial relationships; 8805761
- island constraint distribution asymmetry; functional explanation/generalizations; 8808451
- Italian clitic pronouns; salient features; dialectal variation; 8803264
- Italian gerund, form/function; semifinite forms development; 8808134
- Italian indirect discourse, verbal system perspective; transposition explanation; 8808174
- Italian restrictive relatives; indefinite head NP interpretation; tense/mood/matrix verb type; 8808211
- Italian syntax; relational grammar analysis; 8803230
- Italian verb *morire* 'to die' conjugational uniformity; reference works survey, stylistic/normative variants; 8805740
- Italian/Romanian supplementary predicative elements; syntactic functions/semantic features, predicative-copulative verb passage/hierarchy; 8803318
- Japanese adverbs *namaji* 'thoughtlessly'/'*sekkaku* 'with trouble'; meaning similarities; 8808240
- Japanese degree adverbial *tashō* 'fairly'; lexical/semantic properties; 8808271
- Japanese language teaching; epistemology/syntax relationship, speaker judgment; discourse-style instruction; 8805069
- Japanese language; descriptive grammar; syntax/morphology/phonology/lexicon; 8806241
- Japanese lexical categories; N. Chomsky's feature system applied; 8803215
- Japanese motion verbs; accusative-marked nominals; oblique-direct object advancement analysis; 8808128
- Japanese multiple *wh*-constructions; syntactic properties; *naze* 'why' questions; 8808203
- Japanese negation; quantifier phrase interaction; case particles effects; 8808157
- Japanese "passive," *-(rare)-* verb stem formant, semantic functions; affective aspect; 8805750
- Japanese raising-to-object construction; exceptional case marking analysis proposed; 8808204
- Japanese syntax; categorical grammar approach; *ga/wa* particles/multiple subject construction/*jibun* interpretation; 8800740
- Japanese syntax; nontransformational phrase structure analysis; anaphora/control, syntactico-semantic approach; 8805732
- Japanese syntax; surface processing strategies/language acquisition; embedded relative/*kara* 'because'/'*-te* clauses; 8802349
- Japanese translation, linguistic/sociocultural problems; sentence structure/homonymy differences; 8808006
- Japanese verb/deverbal noun pairs; thematic roles/grammatical functions; lexical functional grammar; 8805791
- Jewish Palestinian Aramaic numeral "one," noun modifier use; Amoraic period; Midrashic-Talmudic/Targumic corpora distinction; 8808164
- juxtaposed binominals; pragmatic/semantic/syntactic examination; E. Benveniste's framework; 8803151
- Karelian/Finnish proverbs; Russian influences; sentence structures/alliteration/rhyme/meter; 8801437
- Khakassian participle *-yp*, grammatical nature/meanings; verb/participle semantic relations typology; 8805709
- Khantian asyndetic/syndetic coordination/subordination, diachronic examination; Russian/written code influence; 8805735
- Kinande (Niger-Congo) null objects; government-binding analysis; null-operator movement/discourse anaphora; 8806116
- kinship/collective activity functions, verbal derivational suffix, Ngayarda languages; suffix social uses; 8801252
- Kiyaka (Niger-Kongo) object agreement markers; topicality hierarchies role; 8805749
- Klopstock's correspondence; subjunctive use; German modal system changes; 8804325
- Kola-Lappish (Uralic) case; essive/comitative/abessive functions; 8800870
- Kola-Lappish (Uralic) case; nominative/accusative/genitive/partitive functions; 8800871
- Kola-Sami (Lapp) infinitive/participial constructions; transitive/intransitive verb use, word order; 8800872
- Korean anaphora; *caki* 'self' interpretation; grammatical relations, structural encoding; 8800835
- Korean case marking; case tier transformational approach rejected; combinatorial relation encoding analysis proposed; 8805936
- Korean conjunctions *ko/a/ə*; syntactic/semantic differences; 8808170
- Korean grammar; suppletion/defective paradigms; verbs/subject pronouns/honorifics; 8803201
- Korean multiple subject constructions; movement analysis/first NP subjecthood rejected; topic prominence parameter; 8803192
- Korean noun coordination; syntactic/morphological processes distinguished; syntax/morphology interaction examined; 8803149
- Korean passive constructions; infix/auxiliary strategies, distinct meanings; 8800813
- Korean quantifier float, constituent structure approach; surface case/grammatical relations formulations rejected; 8805726
- Korean tag questions; syntactic/prosodic features; speech act statements outlined; 8803145
- Korean topic/conditional relative constructions; morphological/semantic interrelatedness; archimorphemic linguistic level postited; 8800860

- Korean verb + verb compositions government; processual/qualitative V combinations; 8801157
- Krio (West African creole) syntax; bounding nodes/subjacency; generative-transformational cyclicity principle; 8801186
- Krongo (Nilo-Saharan) description; M. Reh's *Die Krongo Sprache (niino mo-di): Beschreibung, Texte, Wortverzeichnis* (The Krongo Language *niino mo-di*: Description, Text, Word List), review; 8806239
- Kuna (Central Amerindian) morphosyntax; auxiliary/directionality/eventual modality, semantic analysis; ethnocultural implications; 8801259
- Lazamon's synthetic genitive use, *Brut* poem analysis; Haruo Iwasaki's thesis supported, Anglo-Saxon syntax survival; 8806767
- language acquisition delay; phonology/syntax/semantics interaction; preschool children; 8804782
- language acquisition theory; government-binding parameter-setting model; 8804802
- language acquisition; cognitive development association; object permanence/means-end/play/imitation; word vs no word/productive vs nonproductive syntax users; 8804764
- language acquisition; linguistic theory/universal grammar; pronominal anaphora; 8806152
- language acquisition; phrase grouping information role; redundant phrase structure cues; 8800092
- language acquisition; structure dependence role; generative grammar/syntax autonomy hypothesis; 8801161
- language contact; Spanish dialects; profound structural influences; 8806444
- language development, disabled readers; complex syntactic structures comprehension; C. Chomsky's language development stages; disabled readers aged 6-10; 8802685
- language development; complex sentence use; diagnostic/therapeutic implications; 8800075
- language development; experiential/actional passive production; children aged 4/5/9/13; 8800105
- language for special purposes research/teaching; sentence syntax/semantics; functional sentence perspective approach advocated; 8803187
- language knowledge; acquisition/use; principles/parameters model; 8806126
- language learning processes, Danish as a second language; linguistic/sociocultural conditions; syntactic development/functional perspective; longitudinal study, audio-taped interviews; Albanian-/Vietnamese-/English-speaking adolescents, Denmark; 8807534
- language structure/social functions; Mohawk/Russian/Hua/Cape York Creole/Swahili/Chinese; introductory textbook; 8809085
- language theory; cognitivist/objectivist approaches; G. Lakoff's *Women, Fire, and Dangerous Things* reviewed; 8808471
- language typology; G. A. Klimov's active structure pattern; Kamaiura (Tupi-Guarani) evidence; 8806603
- languages' basic units/relations, paradigmatic/syntagmatic/hierarchical; concrete/abstract basic units; 8803361
- Lao Qida*; annotated translation/syntactic analysis; word order/verbal modification/voice; 8801134
- Latin accusative absolute construction; origin/development/uses; narrative prose examined; 8805736
- Latin accusative absolute, construction's evolution; technical/scientific/epigraphic language; medieval use; 8808613
- Latin infinitive + accusative construction; Romance reflexes; traditional/functional/generative analyses compared; 8803228
- Latin litotes; negatio contrarii, syntactic/semantic/pragmatic properties; functional grammar analysis; 8808147
- Latin noun complements, functional analysis; syntactic/semantic/pragmatic functions; 8805759
- Latin passive; agent expression/implication/substitution, Cicero's speeches analyzed; 8803253
- Latin prepositions; Romance developments sketched; 8803645
- Latin word order; subordinate clauses; syntactic/semantic/pragmatic factors; displacement/informational status; 8805788
- Latin/French evolution; morphological, syntactic structures; free word order question; 8803125
- Latvian pronouns; generality indicators subclass, deictic function; nominal/adjectival character; 8805778
- Lem, Stanislaw, science fiction short stories; M. Kandel's English translations; structural/lexical correspondences; machine/human translation; 8800660
- lexical decision; noun/possessive pronoun agreement; Serbo-Croatian speakers; grammatical congruency effect; 8800023
- lexical decision; Serbo-Croatian low constraint adjective contexts; congruous/incongruous situations; 8800022
- lexical fixation, linguistic description; criteria, grammatical treatment; 8803214
- lexical memory; syntactic/semantic priming effects; automatic spreading activation/limited capacity attention mechanisms; 8802367
- lexical overgeneration, Icelandic bound neuter *i*-stems; P. Kiparsky's avoid synonymy principle revised; 8806168
- lexical recognition; sentence focus structure influences; modular thesis rejected; 8807172
- lexical units, phonological shapes assignment; syntax effects; volume overview; 8803056
- lexical/syntactic knowledge acquisition; matrix-training procedures effectiveness; developmentally delayed preschool males; 8802145
- linguistic change; dialectal evidence/typological comparison; Indo-European syntactic phenomena; 8808592
- linguistic conservatism; colonial vs British Englishes; 8806465
- linguistic knowledge; language understanding models; syntactic/semantic/discourse processing; artificial intelligence; 8804678
- linguistic maturity; scholastic achievement correlation; written language competence/course grades analyzed; Brazilian students grades 4-8; 8807373
- linguistic rule, social construct; F. Jansen's thesis rejected; Dutch participial clauses; normative prescription/language usage rule distinction; 8808160
- literary stylistics; structural parallelism; C. Meireles's chronicle "Arte de ser feliz" (Art of Being Happy) analyzed; 8809156
- Luganda (Bantu) syntax-phonology interface; prosodic domain theory aspects examined; 8803051
- Luisefño (Uto-Aztecan) absolutive; lexical categories; noun/verb universality; 8805806
- major sentence constituent placement; theme/rheme schema; Anglo-Norman text *Quatre Livres des Rois* (Four Books of the Kings); 8803158
- Malay syntax; government-binding analysis; clause structure/verb-auxiliary distinction/verb phrases; 8800823
- Malay-English bilinguals' mixed language, syntactic analysis; conversation data; 8807977
- Mandarin Chinese absolute adjectives, scalar reading; context effects; 8803193
- Mandarin Chinese basic word order; lexicase analysis; 8800787
- Mandarin Chinese *le*; aspectual/phase marking functions; 8800767
- Mandarin Chinese pivotal constructions; structure/transformational source; pivotal-like structures; 8800792
- Mandarin Chinese serial verb constructions; syntax/semantics/diachronic change; African languages compared; 8800795
- Mandarin Chinese zero pronouns; planned/unplanned discourse differences; 8803256
- Mapudungu (Southamerindian) transitivity; syntactic functions/argument slots; transitive markers, inverse value assignment; 8808184
- Marinetti, F. T.; Italian futurism; syntax destruction/onomatopoeia/typographical innovation; 8801862
- marketing communications research, semiotics/schema-theoretic approaches; 8809215
- Marty, A.; linguistic philosophy; syntax concept; 8808561
- mathematical English, syntactic peculiarities; German equivalents; 8803175
- Mauritius Creole; semantic transparency/lexical item selection; verbal shortening/predicate raising; 8805886
- Mauritius/Réunion creoles; superstrata/substrata influences; mutual influence/convergence; social history; 8804176
- meaningful tautologies; "X is X" form; lang use theory; 8800939
- medieval English future constructions; semantic/grammatical status; modal/temporal auxiliaries; 8803121
- Medieval French "generalizing future"; Jean Dupin's *Mélancolies* (Melancholies) analyzed; 8801791
- medieval French syntax; free relatives, typological/theoretical analysis; matching effects; 8808597
- medieval Galician; impersonal constructions; *Cantigas de Santa Maria*; 8808120
- medieval Murcian documents; complex lexies analyzed; 8808341
- metaphor, syntactic issues; Paul Verlaine's *Pierrot* analyzed; *sens figuré* 'figured meaning' context; lexicalist view challenged; 8806797
- Middle English comparative constructions, syntax/textual functions; Wakefield Pageants (Towneley Cycle) analyzed; 8806329
- Middle French *ainz/mais*; adversative conjunction marking; syntactic conditioning/semantic-rhematic functions; 8801315
- Middle French indefinite adjective constructions; *quelque* 'some' use; Modern French compared; 8801367
- Middle French *quant à*/'as for', syntax, coherence role; argumentative marker; 8803397
- Middle French *si* 'if' usage; John of Salisbury's *Policraticus*; three complementary fields defined; 8800756

- Middle French *si/-ant* forms, functions, historical development; poetry/prose articulation differences marking; 16th-century status; 8803141
- Middle French word order; prosodic/syntactic changes; F. Villon's writings; 8803259
- Middlemarch*; verbal texture; vocabulary/diction/syntax/sentence patterns; 8801831
- missing subject interpretation; external argument, thematic roles, adjunct control; child acquisition; 8804748
- modal adverbs; linguistic function; logical form/semantic interpretation; 8803524
- modality, syntactic framework analysis; government/binding theory; English/Arabic material; 8808459
- Modern Arabic age expression patterns; Classical Arabic/Hebrew evidence sought; 8800856
- Modern Chinese counterfactual constructions, Early Mandarin/Classical Chinese; English counterfactual compared; 8808131
- Modern Greek absolute superlative/meaning intensification word-formational patterns; adjectival/adverbial/numeral compounds, productivity/frequency list; second-language teaching relevance; 8805906
- Modern Greek empty categories; government-binding analysis; null pronominal anaphora/traces/clitic constructions; 8803552
- Modern Irish "ethical ablative," use conditions; verb action interest; 8808626
- Modern Written Arabic, basic unmarked word order; PS rule formulated, number feature; transformational framework; 8800878
- Modern Written Arabic, basic unmarked word order; verb phrase constituent absence; transformational framework; 8800877
- Mongol feudal legal texts, syntactic peculiarities; *Ikh tsaaz* (The Great Code)/*Khalkha dzhirum* (Khalkha Laws); 8803730
- Montague grammar; fundamental notions introduced; Portuguese grammar fragment; 8806868
- Montague grammar; recent work reviewed; natural language quantifiers/question semantics/surface syntax; 8801198
- Montaigne's writings, dialectal features; *éloïse* 'enlighten'; 8801818
- Moravian Early New High German hypotactic conjunctions; developmental tendency/polysemy/syntactic distribution/function; 15th-/16th-century texts analyzed; genre-specific diversification; 8801330
- morphological case-assignment/configurationality relationship; German; government-binding rules reinterpretation; "language" vs "grammar" distinction; 8808493
- morphological neutralization, syntactic coordination; *take/can*, single entry solution proposed; 8808315
- morphological rules/grammar levels relationship; syntactic/lexical applications; Inuktitut/Quechua material; 8803364
- morphology, new approach; ergative agreement prediction; percolation/merger principles, Basque data; 8808298
- morphology/syntax relationship, Yoruba (Niger-Kongo) phrasal morphology; modular bidirectional model proposed; 8808497
- multiple unbounded dependencies; categorial grammar treatment; functional composition/combinatory rules; 8801193
- musical language syntax/phonology, phrase's tonal structure/well-formedness principles; L. van Beethoven's sonatas linguistic analysis; 8808077
- myth, syntactic structure; Yukuna (Colombian Amazon) speech creation myth; Claude Lévi-Strauss's structural anthropology framework; 8806229
- Nahuatl *-āškā* 'possession'; J. Hill's/K. Hill's claims discussed; 8805706
- Nahuatl; comprehensive descriptive grammar; 8808583
- Nambikuára topicalization; fronting/left dislocation; topic spans; 8801063
- narrative syntax, R. Thom's catastrophe theory applied; A.-J. Greimas's semiotic square; 8809210
- native-language pedagogy; grammar instruction; 8800194
- native/near-native French speakers; grammaticality intuitions differences; language use/underlying grammar levels independence; 8800386
- natural language generation; pragmatics/connected discourse/grammatical formalisms; generator design/human sentence production; 8803826
- natural language syntax; left-associative grammar; NEWCAT parser; English/German grammatical analyses; 8806407
- natural language; logic relationship; logical/syntactic tree structures; 8804411
- natural shapes; process history recovery, formal grammar developed; 8806150
- negative coordination, Latin/Spanish occurrence; E. Coseriu's notion examined; 8803195
- negative raising, Modern Greek evidence; weak assertive verbs, syntactic/semantic/pragmatic conditions; 8803197
- Nepali syntax; EQUI/subject-raising constructions, government-binding analysis; 8803569
- Nigerian French learners; Yoruba interference; phonological/morphological/syntactic/socio-semantic levels; 8805524
- nominal syntagm scope, syntax/semantics relationship; compositional linguistic theories framework; transformational-generative/universal/phrase structure/Montague grammars; 8806123
- Northern Australian Kriol particle *na*, functions; intonation patterns, syntactic positions; 8808289
- Northern Pomo, topics; morphology/syntax/semantics/discourse pragmatics; 8808172
- Northern Sotho (Niger-Congo) verb categories; descriptive analysis; tense/aspect/mood; 8805817
- Norwegian noun phrase co-occurrence/agreement; phrase structure analysis; 8808162
- noun gender/number marking, noun/article homonymous forms; defective marking, Piacenza dialects; 8803970
- noun phrase gaps; comprehension/antecedent access; word-priming study; 8803513
- noun phrase structure; determiner head analysis; Chomskyan X-bar theory/word induction approaches; 8808511
- noun semantic realization, Russian nominal constructions; predicative/identifying nouns; noun-adjective combination difference; 8800828
- NP structure representation level; generalized control rule/empty category principle relationship; 8808516
- null argument principles; psycholinguistic evidence; Spanish-/Chinese-speaking English learners; native language transfer effects; 8800435
- null definite objects, Quiteño (Ecuadoran Spanish) data; zero realization, empty category; A'-bound variables, ($\pm$ overt) topic; 8808512
- null verb phrases; empty category principle/proper government/INFL features; English/Spanish contrasted; 8806172
- object utterance order; temporal organization/drawing; 24-hour interval effect; primary school students; 8802243
- obligatory control; semantic analysis; responsibility/about relations proposed; 8806130
- Oghuz subordinate object clauses, Turkic languages; structure similarities/differences; 8801458
- Old English 'every'/'each', syntactic description/use variations; Early Middle English development; 8808617
- Old Estonian decliticization; diachronic syntax; agglutination hypothesis; 8801337
- Old French adjective construction; abundance/privation marking; *plain de* 'full of'/'*vuide de* 'lacking'; 8801293
- Old French demonstratives; *cist/cil* pronominal series differentiation; 8801322
- Old French syntax; null subjects/verb second phenomena; historical changes; 8806245
- Old French verb *mener* 'to lead'; historical semantic/syntactic development; 8803647
- Old Persian word syntax; verb position, fronting; 8805733
- on-line sentence processing; primary role; pronominal reference; coordination/subordination/grammatical roles; 8802260
- Ostyak prose poetry parallelism, syntactic functions; asyndeton type, coordination/cohesion instrument; prose vs poetry; 8804301
- Paamese serial verbs, core/nuclear layer movement; verb type hierarchy; 8805717
- Papago (Uto-Aztecan) word order; syntactic role independence; information structuring/pragmatic principles role; 8803472
- Papuan languages; typological/descriptive studies; 8801272
- parallelism, stylistic/poetic figure, Finno-Ugric poetry; grammar developed, secondary structure formation universal principle; 8804305
- paratactic cataphora; typological implications; syntax/discourse relationship; 8808939
- Parkinson's disease; spontaneous language production deficiencies; acoustic/linguistic analyses; 8802788
- parts of speech; classificational systems; 8805800
- passive voice, French/English; comparative analysis; 8808673
- passivization; English/Korean/Japanese differences; objective/empathy-based affectedness; 8803796
- pauses/lexical processes, Finnish aphasic narrative; impairment degree, lexical/syntactic process connections; 8804565
- pedagogical grammar; syntax/pragmatics interface; *yes/no* question example; 8804935
- Pekingese (Chinese) syntactic variation; social factors/usage frequencies; 8803236
- performative hypothesis, verb's illocutionary force claim revised; weak version proposed; 8808324
- Persian compound nouns; semantic/syntactic properties; percolation principle; 8800876

- Peruvian Spanish plural marker -s deletion; functional constraints, functional hypothesis contradiction; 8803190
- phaseologism, polylexemy criterion questioned; French language; word combination frequency, word combination/phrase distinction; communicative-pragmatic markedness; 8800865
- phonetic/morphological/syntactic alternation; typology; Russian material; 8806930
- phonology/syntax interaction, recent works reviewed; fast speech rules/vowel degemination considered; 8803079
- phonosyntactic rules; E. Selkirk's Kimatuumbi vowel shortening/Mende consonant mutation rules reexamined; 8803030
- phraseology, idioms; text role; form/content; semiotic status; 8803182
- pidgin/creole genesis; substratal influence; homogeneity role; pidginized Liberian English/Niger-Congo languages; 8806165
- Pitjantjatjara (Australian Aboriginal) syntax; categories/word order; hierarchical structure; 8803136
- Plains Cree (Algonquian) dialect; morphology/syntax/discourse structure; verb inflection/grammatical relations/obviation/transitivity; 8805905
- plurality expression; abstractness; French/Romanian/Polish compared; 8803179
- Poguli (Indo-Aryan) syntax; Kashmiri compared; pronominal suffixes/inverse transitions/dative case restrictions; 8803188
- Polish person/mood clitic -*(e)s*; syntactic behavior/historical origin; cross-linguistic phenomenon, occurrence conditions/constraints; 8803213
- poor readers' short-term memory, Broadbent's human attention/immediate memory model explanation; $3 \times 3 \times 3$ repeated measure design; fourth graders; Bloom's proposition supported; 8807287
- Portuguese causative constructions; syntactic/morphological patterns; semantic/pragmatic aspects; 8800742
- Portuguese completive clause mode selection; semantic/pragmatic factors, social/regional variants; 8808137
- Portuguese coordinating conjunctions; intersentential use; common semantic/syntactic/contextual values; 8800833
- Portuguese direct/indirect speech; elocutionary verbs; indirect speech transformation; 8801005
- Portuguese implicit negation; R. Ibáñez's classification validated; 8800838
- Portuguese noun-phrase-internal ellipsis; discourse factors; deixis/quantification; 8800864
- Portuguese sentence; verb role; participants, hierarchical organization; 8808462
- Portuguese verb complements; semantic classification; verbal participants/semantic roles; 8800797
- possessivity, syntactic realization typology; Indo-European *be-/have*-languages classified; 8801456
- postpositions/auxiliaries, Northern Mande (Niger-Kongo) languages; syntactic indeterminacy, linguistic analysis; 8800750
- postverbal word order constraint validity; duration phrases, distributions/interpretations; Chinese data; 8803206
- pragmatic connectives; developmental aspects; functional/semantic/syntactic characteristics; children aged 4-6; 8807214
- pragmatics/grammar relationship; Japanese passives/causatives/honorifics; English complement-taking verb *have*; 8801025
- predicate types; universal distinctions; facts/propositions/events; 8808262
- predication, semiotic model; declarative/modal schemas, conceptual declarative predication schemas; 8801933
- predication/coordination, 3-D view; reduced phrase marker union; 8808119
- preposition *for* + infinitive clause; occurrences/criteria; 8800761
- preposition, psychomechanics general syntax; diastematic/stematic incidence, supporting elements; 8805755
- preschool children; communicative competence; verb knowledge/use effects; 8807040
- pronoun antecedent processing; clause pattern effects; subjects' handedness; 8800034
- pronoun resolution; syntactic structure role; hierarchical/linear search models tested; word-by-word timed reading tasks; 8807177
- pronoun use; semantico-syntactic/referential-anaphoric distinction; agreement role/discourse representation; 8808224
- Proto-Algonquian demonstrative pronouns, reconstruction; 8808177
- Proto-Guang (Niger-Kongo), nominal classification; Togo-"residual" languages/Guang relationship; prefix reconstruction; 8800820
- Proto-Indo-European ergativity; M. Silverstein's case-marking typology; C. C. Uhlenbeck's theory refuted; 8801627
- punctuation marks, semantic analysis; Russian colon; written language independent units; semantic valence/syntactic behavior/pragmatic function; 8806592
- punctuation relative autonomy; syntactic-semantic/phonological information expression; punctuation intonational/syntactic principle; 8808889
- Quechua numeral system, morphology/syntax; historical/sociolinguistic issues; 8808585
- Quiché (Mayan) ergativity, syntactic status; government/binding theory framework; 8800810
- Rabelais's *Quart Livre* (Fourth Book); co-occurrences, computerized analysis; 8801852
- reading comprehension, content fields effect; psycholinguistic study; fifth-grade high/average/low ability readers; prior knowledge/interest roles; 8802819
- reading deficits, learning-disabled children; attention/memory/syntactic awareness problems; prose decoding task; 8804588
- reading skill; syntactic processing efficiency relationship; temporary structural ambiguity; adult readers; 8805414
- reading strategies instruction, Israeli English as second language students; thought quality/approach; 8805128
- recast, language therapy technique; syntactic structure change; language-delayed children; 8807115
- reciprocal constructions; children's interpretations; meaningful context effects; Spanish-speaking children aged 6-7 years; 8807222

- reduplicated structures; South Asian languages; iterative/simultaneous aspect marking; areal universality; 8803115
- referent grammar, computer analysis/generation/translation; generalized phrase structure grammar basis; 8808508
- reflexive possessive pronouns, Slavic languages; textual/grammatical coreference; dependency-based approach; 8803184
- relational grammar, bibliography update; 8808478
- relational grammar; unions, multipredicate clause analysis proposed; 8806128
- relational preverbs; New World languages; typology, synchronic/diachronic interpretations; 8808285
- relative clause acquisition; spontaneous production data; English/Korean-speaking children aged 2-3 years; 8805181
- relative clause formation strategies; Mexican children aged 6 years; sociolinguistic study; accessibility hierarchy; 8802281
- relative clause formation; noun phrase accessibility hierarchy revised; absolutive primacy hypothesized; 8803172
- relativization strategies; main clause anaphora relationship; Tok Pisin/Brazilian Portuguese, comparative diachronic/synchronic analysis; 8800854
- resolution rules, Qafar (Kushitic) data; 8808145
- Réunion Creole; verbal morphology origins; P. Baker's/C. Corne's analysis rejected; 8803968
- Romance causative constructions; verb-raising analysis rejected; embedded verb, nominal character; 8806124
- Romance conditional sentences; historical development; comparative analysis; 8800842
- Romance inchoative conjugation formation, theories reviewed; Latin verb four-stage change; 8808620
- Romance indefinite pronouns, negation aspects; polarity/emotive contexts; 8800890
- Romanian adjective-pronoun opposition; dialectal neutralization; 8803966
- Romanian adverbs, controversial problems addressed; definition/inventory delimitation/classification criteria/syntactic functions; 8800882
- Romanian adversative coordinatives; new structural types; 8805695
- Romanian constituents, partitioned referent; homogeneous/nonhomogeneous entities; 8805830
- Romanian coordinative structures, treatments/classifications survey; tripartite system proposed; 8800880
- Romanian coordinative structures, tripartite system; copulative/oppositive/conclusive coordination; 8800881
- Romanian dative clitics; government-binding clitic theory implications; dative case assignment; 8803154
- Romanian defective adjectives; incomplete gender/number paradigms, typology; semantic/stylistic domains; 8805783
- Romanian dialectology; eastern Transylvanian dialect features; 8803961
- Romanian dialogue grammatical ellipsis; marked/unmarked types, *dar* 'but' conjunction, 19th-/20th-century belletristics; 8806089
- Romanian disjunctive coordination, traditional theses contested; 8803131
- Romanian *fie... fie* 'either... or', conjunction vs adverb status; G. G. Neamțu's claim critiqued; 8805696
- Romanian language; descriptive grammar; syntax/morphology/phonology/lexicon; 8808581

- Romanian metalinguistic connectors, adverbial vs conjunctive nature; morphological/syntactic criteria; 8800751
- Romanian neological verbs, syntactic/semantic adaptations; 19th-century literary language; internal evolution/external models; 8808602
- Romanian number-defective nouns; *singularia tantum*, classification/semantic domains; 8800763
- Romanian numeral, speech part status, morphological characterization/diagnostic context; 8805725
- Romanian numerals, new classification proposed; fundamental/operational numerals; 8800778
- Romanian personal pronouns, indicators; Latin system legacy; 8803163
- Romanian *pluralia tantum* nouns; typology/semantic domain/origin, borrowed/native words identified; 8800764
- Romanian preposition government supremacy; Ș. Hâzy's theory refuted; 8805812
- Romanian reflective verbs/pronouns/constructions; N. Chomsky's government/binding framework; 8803155
- Romanian *să/că*-structures, complement clause expression; infinitive construction alternative use; non-Romance/Balkan feature; 8803139
- Romanian second degree appositives, syntactic/semantic analysis difficulties; artistic prose material; 8803281
- Romanian structures noun + adjective/adverb + *de* 'of' + supine; transformational analysis; adjective occurrence/morphological constraints; 8805697
- Rotuman (Eastern Malayo-Polynesian) words, complete/incomplete phase; phase derivation, phonological rules; generative framework; 8800766
- Rovignian Istroromanian interrogative structures; typology/analysis; modern prose/drama corpus; 8808197
- Russian active participle use; *Skazaniya o Mamaevom* (Legends about Mamaev) analyzed; contexts/syntactic functions; 15th-century scribal errors; 8803629
- Russian active/passive sentences' stylistic functions; agent-action-object relationship expression; 8805769
- Russian adverbial participles; G. C. Rappaport's *Grammatical Function and Syntactic Structure: The Adverbial Participle of Russian* reviewed; 8800771
- Russian analyticity, syntactic implications; undeclinable words increase; 8808130
- Russian as a second language acquisition process; morphology/syntax learning paradigms/syntagmatics dialectics/asynchrony; methodological implications; 8805090
- Russian as a second language instruction, East German U textbooks; syntactically synonymous sentences, functional principle; 8805063
- Russian as a second language instruction, syntactic material presentation; linguistic/linguodidactic syntax, communicatively relevant contexts importance; 8804932
- Russian as a second language instruction, syntax presentation; Russian/German authors' treatments/textbooks compared; 8805086
- Russian as a second language teacher instruction, East German Us/colleges; practical syntax drill book, theoretical basis; 8805118
- Russian as a second language teacher training, East German Us; monologue/dialogue syntactic characteristics, ellipsis/sentence length; 8804981
- Russian as a second language, imperative aspectual use model; basic functions/modal associations; 8800785
- Russian aspect-tense forms' special meanings/transpositions; special/general meaning relationship, special meaning criteria; 8805754
- Russian case usage; spoken/belletristic/technical styles; 8801835
- Russian communicative procedure "proving", linguistic realization; cause-effect relation syntax; 8806004
- Russian complex sentence with adherent clause; classification problem; adherent clause meaning; coordinative/subordinative transformations; 8803167
- Russian conjunct conjunctionless sentences, linguistic/theoretical treatment, didactic application/relevance; Russian as a second language teacher training; Soviet literature survey; 8805698
- Russian conjunction *čtoby*; discourse functions; ellipsis susceptibility; 8808368
- Russian conjunction *to... to* 'now... now' double function; semantic characteristics/meaning scope; 8805814
- Russian conjunctive word *kotoryy* 'which' word order; contactive/distant position, definite subordinate sentences, occurrence restrictions; 8805780
- Russian contextual causatives; grammatical factors; reflexive verbs; 8805810
- Russian dative of inalienable possession; pragmatic perspective; 8800815
- Russian deadjectival forms in *-o/-e*, speech part status/syntactic function; Soviet-East German treatments compared; second-language teaching implications; 8805944
- Russian dialogues/monologues, syntactic/structural features; interaction type/function/syntactic peculiarities; 8806000
- Russian imperative, agreement/permission expression, perfective/imperfective aspect use, semantic nuances/connotations; 8805887
- Russian infinitive sentences, modal-temporal transformations; necessity/nonnecessity expression; 8803221
- Russian inserted constructions; 18th-century journalistic/literary texts analysis; structure/modality/function; 8804327
- Russian negation-raising phenomenon, syntactic/pragmatic/semantic accounts; transformational-treatment review; 8803341
- Russian nominative sentences chains; functional-semantic types, principal elements; 8803306
- Russian numerals, morphological description; cardinal/partitive/collective/ordinal numbers/numerals; 8805762
- Russian *otvečat'*/*otvetit'* 'to answer' aspectual synonymy/distinction; L. N. Tolstoy's *Anna Karenina*, F. M. Dostoevskiy's *Prestuplenie i Nakazanie* (Crime and Punishment), perfective/imperfective use; 8801801
- Russian participles, syntactic functions; 8805797
- Russian particle *po-*, adjective comparative degree formant; informational/communicative/coercive functions; 8800891
- Russian passive; backgrounding function; middle/reflexive/perfect/impersonal constructions relationship; 8803204
- Russian prefix *o-/ob-*, transitive verbs; complement's case/semantic function determination; 8800811
- Russian proverbs structural modification, semantic/structural changes; 8803488
- Russian proverbs, colloquial speech type; lexico-semantic oppositions; 8800919
- Russian sentence valence structure, comitative-determining relationship; Russian-German translational implications; 8803180
- Russian verb aspect; negation particle effect; new temporal/modal meaning formation; 8803207
- Russian verb government variation, norm gradation/acceptability/expressive potential; second-language teaching implications; 8805089
- Russian verb's propositional empty position compression, syntactic/semantic variants; 8805793
- Russian verbs, deverbals/imperatives; integrated two-stem instruction system; 8800832
- Russian verbs, nominative/syntagmatic meanings; aspect/tense system interaction; 8805777
- Russian vocative, communicative characterization; vocative/sentence relationship; 8800818
- Russian voicing assimilation; syntactic boundary/semantic content effects; acoustic analysis; 8802040
- Russian-Ukrainian polypredicative complex sentences, typology/comparison; 8808154
- /ʒ/-/ʒ/ distinction perception; syntactic boundaries role; prosodic/syntactic cues; 8804432
- Saame (Lapp) diachronic syntax; decliticization/deaffixation; abessive morpheme; 8801336

- Swedish syntax; subject properties/voice; transitivity/passivization/causativity; 8803248
- Swedish verb agreement; generalized phrase structure grammar framework; 8808425
- Swiss German weak verb class; Old High German subdivision preservation, phonological/semantic basis; 8805795
- switch reference; categorial grammar analysis; argument-functor notion/agreement phenomena; Tairora/Hopi/Walpiri data; 8801195
- switch-reference; D. Finer's government-binding approach rejected; Amele (Papuan) evidence presented; 8803554
- syntactic acquisition; semantic/lexical aspects; grammaticality judgment test; English as a second language learners; 8800364
- syntactic analysis, interaction motion; linguistic hierarchy questioned; 8803159
- syntactic category ambiguity resolution; eye movement, parsing tasks; delay strategy; 8800035
- syntactic category structures; various grammatical frameworks; 8808448
- syntactic changes; automatic/simultaneous processes; Greek copy-raising; 8801320
- syntactic comprehension, reading-disabled second graders; syntactic deficit/processing limitation hypotheses; 8809486
- syntactic deficiencies, language-impaired children; clause/morphological structures; assessment, therapy procedures; 8804763
- syntactic development; English-speaking blind children; imitation role; 8802338
- syntactic development; subordinator use/written language; transitional grammars; 8807261
- syntactic fluency development; sentence combining instruction/traditional methods; U basic writing students; 8802924
- syntactic functions; morphological structure relationship; Finnish possessive suffixes; 8800960
- syntactic interpretation deficit; insertion test; right/left brain damaged patients; 8809444
- syntactic parallelism; pedagogically based representation system; writing learning; English as a second language; 8803257
- syntactic processing; C. Clifton's/L. Frazier's delayed information application theory questioned; 8804697
- syntactic processing; cerebral hemisphere involvement; lexical decision tasks; normal right-handed subjects; 8802263
- syntactic processing; referentially dependent logical elements; mildly impaired aphasic patients; 8807173
- syntactic processing; SVO expectancy hypothesis supported; 8802259
- syntactic reconstruction, theory/methodology; surface structure patterns; Chadic implications; 8801170
- syntactic reconstruction; theoretical problems/solutions; Romance evidence; 8808123
- syntactic relations/verbal agreement; universal grammar; Kapampangan (Philippines) evidence examined; 8803520
- syntactic symbolism, syntactic form content; sentence elements relationships; attributive/compensative/causal structures, Russian poetry/prose; 8800897
- syntactic theory, reanalysis/adjunction theory similarities; adjunction elimination proposed; verb projection raising application; 8808522
- syntactic theory; category COMP; *that*-clauses/*wh*-clauses, asymmetry; 8801201
- syntactic theory; government-binding model; N. Chomsky's *Knowledge of Language* reviewed; 8808480
- syntactic theory; non-Chomskyan approach advocated; 8803562
- syntactic typology; functionalist perspective; J. C. Moreno Cabrera's *Fundamentos de sintaxis general* (Fundamentals of General Syntax) reviewed; 8808208
- syntactic/semantic relationship, modern standard Arabic verb forms I, II; main function/theme; linear systematic sampling; 8808126
- syntax acquisition, Panjabi/English bilingual children; first-/second-language acquisition patterns; children aged 6:6-8:6; 8800600
- syntax current theories, generative grammar framework; nonspecialist overview; 8805713
- syntax/morphology distinction; word definition; lexicalist hypothesis/atomicity; word formation; 8803164
- syntax/morphology; cross-linguistic survey; T. Shopen's *Language Typology and Syntactic Description* reviewed; 8805757
- syntax; invariance analysis, surface constants/paradigmatic change, relational vs notional; comparison problems; 8808188
- synteme notion, syntagm distinction defended; syntactic question use; 8808125
- T-unit as language ability measure; second-language application limited; unclear theoretical base; 8807513
- Tacanã (Mam) dialect; grammatical description; spatial reference categories; 8803618
- Tagalog verbs; description; 8800846
- tagmemic theory; clause level independence questioned; 8801160
- Tai Lue (Thai) dialect; grammatical description; *?au* construction/Chinese *ba* construction, comparative study; 8803619
- Taiwanese complex noun phrase modal construction; modal nominal-auxiliary co-occurrence; 8800816
- Tangale (Chadic) *wh*-expressions, phonology/syntax; application/blockage information usefulness; 8803058
- technical jargon; generative transformational grammar; standard/extended standard theory differences; 8806161
- temporal relations, text, anaphoric nature abandoned; time adverbials/tense, imperfective/perfective aspect framework proposed; 8808210
- temporal terms acquisition; *before/after*; preschoolers' understanding; 8802352
- tense theory; general grammar perspective; 8808532
- tense/aspect, Polish/Swedish forms/functions; contrastive analysis; learner interference phenomena; 8805753
- text internal organization, grammar/coherence; text/pseudotext, coherence functions; paradigms/syntagmatics application; 8801107
- that*-less constructions, direct quote representations; 8808156
- thematic structure mapping, syntactic structure; grammatical function relativity, generalized view; 8803232
- theoretical linguistics; MIT dissertation abstracts; 8808530
- theoretical/applied semantics; M. Alinei festschrift; 8808225
- there*-insertion, agreement, generalized phrase structure grammar; English stipulation; 8808139
- Tibeto-Burman speech act marking, sentence syntax; empathy hierarchy marking, verb; 8803168
- time/tense relationship; German preterite, language-philosophical account; E. Husserl's phenomenological conceptions; tense referential use; 8803237
- title, grammatical/communicative structure, Soviet/East German dailies; syntactic/modal/intonational features, nominative/informative/advertising functions; 8805820
- tough*-movement, source/goal phrase interaction; English asymmetries; 8808181

- tough-movement/related structures, British English; corpus-based study; 8808165
- transcortical sensory aphasia, two subtypes; preserved lexical repetition/nonlexical repetition; 8804529
- transitive sentence comprehension; Hungarian-Russian bilingual preschool children; word order variation/case marking allomorphy; 8802340
- transitivity; Spanish preposition-governing verbs, syntactic properties/semantic functions; 8808141
- truth, indicative sentence; Z. Frajzyngier's claims disputed; reply; 8805876
- truth, R. Carnap's syntax/A. Tarski's semantics compared; technical analogies; 8804380
- Tsova-Tush (Batsbi) intransitive subject case; role/reference grammar framework; 8800789
- Turkish number; subject-predicate number congruence, grammaticalization; 8800745
- Twi (Kwa) subordinate structures; German subordinates compared; 8800848
- Ugaritic grammar, Segert's new *Grammar*; description; 8805767
- Ukrainian case system; semantic/syntactic/morphological criteria, central/peripheral cases; 8808212
- Ukrainian complex noun structure, semantic syntax framework; compositional elements, affixes, semantic groups; 8808235
- Ukrainian complex sentence paradigmatics; pronoun-/conjunction-based sentences; conjunctless sentences typology; 8800862
- Ukrainian homogeneous predicate sentences; functional varieties; 8800802
- Ukrainian phraseological derivation, patterns/bases; words/syntactic structures as bases, derivation typology; 8805907
- Ukrainian present tense/imperative innovation, components; diachronic motivations; 8808132
- Ukrainian vocative, semantic-syntactic functions; stimulative-imperative use, appealing mode; 8803242
- unaccusative hypothesis; Italian/English differences; L. Burzio's *Italian Syntax* reviewed; 8805774
- unaccusative verbs; case-assigning properties/government-binding theory; partitive case/definite effect; 8803512
- ungrammaticality; idiomatic expressions; 8805744
- unification theory, natural language grammar formalism; D-PATR system introduction; 8805707
- Uralic languages verb negation, negation particle/auxiliary verb; intra-Uralic variation; 8808171
- Usan (Trans New Guinea phylum) language; descriptive grammar; functional grammar approach; 8806243
- valence concept, Polish linguistics; *konotacja* 'connotation' use; historical overview; 8803162
- valence/communicative-pragmatic factors relationship; comparison/contrast/metaphorization/reduction effects, stylistic procedures; journalistic texts analyzed; 8800744
- Vedic 'speech'/'sound'; pronoun agreement; Upanishad interpretation; 8806263
- verb concatenation; Southeast Asian languages compared; cross-linguistic patterns discovered; 8803181
- verb government, 15th-century Hungarian; Latin original codexes; case inflection development; 8805787
- verb second word order; historical developments; Slovene/Serbo-Croat/Germanic compared; 8803640
- verb valency, syntactic definition; intrasentential constituent relations, subtypes; 8800837
- verb, bare form, imperative, affix/modality distinction; debate; 8808217
- verb-anaphor grammaticalization; Mopun (Chadic) evidence; deictic/anaphoric demonstratives; 8803173
- verba dicendi semantic/syntactic properties, sentence mode study; verba dicendi analysis; 8808213
- verbal constructions syntax; new approach, C. Blanche-Benveniste et al; "group of formulations" notion; French material; 8803212
- verbal prefix *na-*; quantitative meaning; genitive case marking; metase-mantic quantificational operator; 8800938
- verbal syntax, incidence/reference relations; logical/sentence structures; 8805781
- verbal temporality; historic present tense/displaced origin; 8808209
- verbal valence lexical treatment; G. Helbig's/W. Schenkel's *Wörterbuch zur Valenz und Distribution deutscher Verben* (A Dictionary of the Valence and Distribution of German Verbs); U. Engel's/H. Schumacher's *Kleines Valenzlexikon deutscher Verben* (A Small Valence Dictionary of German Verbs) critiqued; 8805748
- versification studies; comparative focus supported; Russian/German ottava rima, rhyming/syntactic patterns; 8804307
- Vietnamese pronouns/plural markers; pragmatic ambiguity; contextual presuppositions/implications/syntactic function; 8803447
- voice, grammatical category semantic definition; semantic/syntactic concepts correlation; active/passive/reversive/inactive voices; 8805878
- Vute (Bantoid) focus; verbal affixes, sentential particles; 8805809
- Waama (Niger-Kongo) *maa*, contrast particle; inter-clause position, meaning; 8803142
- weak ungrammaticality/self-referentiality; "total" grammatical rules; 8800898
- Welsh clause structure, generalized phrase-structure grammar approach; verb-subject-object languages application; 8808430
- Welsh language; grammatical profile development; Language Assessment Remediation Screening Procedure; consonant mutation/profile borrowing/code-switching; 8804513
- Welsh syntax; government-binding analysis; word order/null subjects/agreement/movement rules/passive constructions; 8805790
- West African coastal *o*, sentence final particle; geographic distribution, function; Liberian English speakers; 8805801
- wh*-questions, Akan (Niger-Kongo) vs English; syntactic/semantic differences, similar function; 8808189
- wh*/quantifier interactions; logical form/surface structure/scope representations; R. May's/E. Williams's theories; 8803546
- word formation, lexical conglomerate; autonomous principles; lexical categories combination syntax/semantics; 8804054
- word formation/grammar relationship; major aspects; derived word's grammar; 8803367
- word meaning, syntagmatic shift models; Russian/Ukrainian material; 8800875
- word order colloquium, Ghent, Belgium, May 1987; general outline; 8803156
- word order, Brazilian Portuguese, pragmatic constraints; oral narratives analyzed; hybrid S-category; 8805722
- word order, French/Italian; structural differences; 8803133
- word order, grammatical description; grammatical/communicative/rhythmic principles interplay, functional sentence perspective proposed; 8800895
- word order/grammatical categories relationship; clitic ordering, "zone" notion; French material; 8803132
- word recognition; contextual influences; lexical relatedness/syntactic connectedness; 8804701
- word, lexical/grammatical meanings interaction; lexical/grammatical unit; Russian/English material; 8800824
- word/phraseological component; semantic peculiarities studied; semantic markedness typology; 8800896
- writing pedagogy; sentence-combining exercises; English native-/second-language teaching; 8802884
- writing research; linguistic application; pragmatics/sociolinguistics/functional grammar; 8805519
- written argumentations; syntactic/semantic/textual/pragmatic features analyzed; attitude effects; 8806112
- written communication apprehension, syntactic language, business setting; multidimensional model; 8807946
- written communication quality; nonnative English speakers; syntactic complexity/errors/cohesion; 8800362
- written language errors; native/nonnative English speakers; Finnish/British U students; 8805513
- Xhosa (Niger-Kongo) verbal extension; phonology/morphology/syntax/semantics; 8805792
- Yiddish aspectual auxiliaries; reanalysis/grammaticalization; instantaneous action; 8803252
- Yoruba (Niger-Kongo) relativization; noun phrase accessibility hierarchy/continuous segment principle violations; 8800812
- Yorubá (Niger-Kongo) verb phrase serialization; Equi-NP Deletion analysis rejected; discourse contexts evidence; 8801142
- Yucatec Maya books, M. Edmonson's translations reviewed; empirical analysis, comparative framework; 8808144
- Zola, E.; grammatical categories use; statistical study; 8800757
- ### Synthetic Languages
- Esperanto as a cultureless language; Matazi Kido's claim refuted; natural language/culture relationship; 8808796
- Esperanto as a European language, counterevidence; 8808798
- Esperanto stems, computer-assisted frequency dictionary; project requirements, statistical procedures, computational processing; 8803808
- Esperanto; origin/history/linguistic characteristics/current status/future prospects; 8803977
- language generation; conceptual organization role; knowledge representation framework; 8803822
- language, informative aspect; language symbolic nature/information transfer capability relationship, "logos distinction," natural/

- artificial language; 8804415
word order, markedness theory; functional attraction/linearity interaction, statistical evidence; 8800830
- tachistoscope**
naming reaction times, children/adults; noun/verb pictures, visual tachistoscopic study; 8807289
naming reaction times; linguistic encoding dominance; hemispheric processing differences; stutterers/nonstutterers; 8809439
visible persistence, flicker effect; tachistoscope stimuli; specific reading-disabled children; previous studies examined; 8807846
visual coding dominance; phonation/letter naming; stutterers/nonstutterers; 8807029
word recognition, foveal/parafoveal viewing; hunger/satiation effects; 8804824
- tagmemics**
contrastive phonological analysis; tagmemic theory; particle/wave/field; 8803068
conversation analysis; tagmemic approach; turns/speakership/cohesion; 8801083
narrative/expository prose; tagmemic differentiation; instructional questioning techniques; 8807370
tagmemic theory; clause level independence questioned; 8801160
- taxonomic Grammar**
valence, notion definition/typology; formal/content valence distinction/description; verb/predicate valence; 8800927
- Teacher Training**
adult reading programs, nontraditional approaches, teacher preparation; reading proficiency decline, causes/intervention techniques; 8805248
bilingual education graduate programs, US; linguistics/applied linguistics courses, Title VII/non-Title VII programs; 8802937
bilingual education; parental involvement; teacher training; 8805546
Brazilian native language pedagogy; teacher training; applied linguistics role; 8807353
Castilian tenses nomenclature, designations confusion; teacher training problems; standardization urged; 8802464
child-language acquisition/adult second-lang similarities; literature review; teaching implications; 8807491
children's literature, oral reading; reading methods classes; future teachers' attitudes; 8807617
communication-oriented second-language instruction/teacher training; teaching goals/tasks, drills, methodological suggestions; 8804940
computer-assisted English as a second language instruction, English Language Center software programs presentation; teacher training/hardware; 8807406
computer-assisted second-language instruction, teacher as software programmer; suggestions, personal experience; 8802499
content area reading instruction; Australian junior/senior high school in-service program; 8807707
content area reading; teacher certification requirements; state differences; 8805297
elementary reading methods textbook survey; emphasis patterns; teacher training implications; 8807683
English as a foreign language; Japanese teacher training; microteaching, minicourse; 8805067
English as a foreign language; teacher training/new methodologies; Chinese situation; 8805062
English as a foreign language; teacher training; language study role; 8802503
English as a second language pedagogy; oral proficiency development; Indonesian English teacher training; 8800457
English as a second language teacher training, computer-assisted instruction; activities/drills, personal experience; 8805022
English as a second language teachers' course, Nigeria; course design; student attitudes; 8800301
English as a second language; teacher training course, National Taiwan Normal U; communication apprehension unit; 8800259
English as a second language; teacher education; high-inference categories/effective teaching; 8800315
English language teaching, Spain; negative aspects, improvements; 8807383
English literacy instruction, teacher preparation; cognitive psychology application; 8802698
foreign-language pedagogy; teacher training; problems/solutions; 8800204
foreign-language teacher training; needs, recommendations; 8802517
French as a foreign language; experimental teacher training program; bilingual Catalan-Castilian speakers; 8805036
French as a second language; teacher training/plurilingualism; Catalan-speaking Spain; 8805070
French language; teacher training; Albanian students' errors; correction methods; 8802490
German as a native language instruction, teacher training; East German Us; word formation teaching; teaching plans/textbooks survey; 8802467
German as a second language teacher training program, listening comprehension teaching methods/materials; personal experience account; 8807473
German as a second language teacher training, East German Us, Czech students; computer-assisted error analysis/correction, software development/characteristics; 8804961
German as a second language teacher training; East German pedagogical colleges, text/tasks/drills; 8800207
German as a second language teacher training; Russian students, East German Us/colleges; deficits, errors; remedial materials; 8807440
German as a second language, teacher training; East German Us/pedagogical colleges; cultural content; 8807480
German as a second language, teacher training; East German Us/pedagogical colleges; linguistic program content; 8807510
language development/reading skills relationship; teacher workshop; 8805359
language for special purposes instruction, variables/requirements; texts/courses, objectives/needs, teacher training; 8807385
language program administration, problem-centered approach; in-service training/program development; 8800389
language teacher training; experiential learning framework outlined; 8805134
language teacher training; social observation journal; empirical perspective; 8806734
Polish studies history, Greifswald U; pre-/post-WWII courses/content/enrollment/teachers/exchange programs; 8806187
preservice reading teachers; basic skills course; competency model; Nelson-Denny Reading Test; 8805293
professional reading development, teacher evaluation procedures; insertive reading offerings; school superintendent responses; professional organization membership; 8805287
reading in-service education, Wisconsin teachers; state survey; staff-development, reading instruction; 8807763
reading instruction teacher effectiveness program; evaluation, knowledge/attitudes/behavior; 8805337
reading instruction workshop; C.R.A.P. meeting, August 1984; 8800521
reading instruction, teacher beliefs; Conceptual Framework of Reading Interview; 8807674
reading process understanding, preservice teachers; psycholinguistic research effects; 8805310
reading/writing skill improvement, state governors'/educational leaders' opinions; questionnaire data; targeted monies, class size reduction, teacher education, home help issues; 8804881
Russian as a native language teacher training; Soviet teachers colleges programs/courses evaluation, suggestions; 8804895
Russian as a second language teacher training, East German colleges; cultural competence teaching, linguo-cultural lexicon compilation proposal, Soviet cultural domains representation; 8802568
Russian as a second language teacher training, East German pedagogical colleges; Bryzgunova's intonation treatment, *tertium comparationis* problem; 8805131
Russian as a second language teacher training, East German Us; dialogue skills/theory teaching; 8805018
Russian as a second language teacher training, East German Us; illustrative aids, diagrams/tables typology; 8804980
Russian as a second language teacher training, East German Us; monologue text dialogization, communication teaching; 8805095
Russian as a second language teacher training, East German Us; monologue/dialogue syntactic characteristics, ellipsis/sentence length; 8804981
Russian as a second language, teacher training; problem-oriented historical topics; comparative-historical approach; Marxist-Leninist framework; Kazan State Pedagogical Institute; 8800200
Russian as a second language, word formation teaching, stylistic differentiation; East German Russian as a second language teacher trainees; 8804925
Russian conjunct conjunctionless sentences, linguistic/theoretical treatment, didactic application/relevance; Russian as a second language teacher training; Soviet literature survey; 8805698
school-academic grammar transition, East German second-language teacher training course, material evaluation; 8805101
second-language instruction, grammar teaching role/new approach; second-language teacher training, Dutch Us; 8805027

- second-language teacher training, 21st-century education context; second-language speaker/world citizen training; 8805035
- second-language teaching/teacher training, Netherlands; applied linguistics role; 8804877
- spoken English testing, nonnative teacher trainees; Curso Oxford (Rio de Janeiro) method; 8800227
- staff development, reading education; disabled reader; 8802757
- teacher training program evaluation, adult English as a second language literacy teachers; materials/seminars, teacher satisfaction; 8807492
- teacher training, West German Us, program critique; applicational aspect negligence; 8805064
- tense/aspect, Polish/Swedish forms/functions; contrastive analysis; learner interference phenomena; 8805753
- U-based reading clinics, offerings/clients; survey data; teacher training role, program design, methods/materials; 8805277
- verbal interaction patterns; English as a foreign language teachers; native/target language use; teaching effectiveness; 8800275
- writing attitudes, teaching/performance; Daly/Miller writing apprehension scale/content analysis/Pearson's product moment correlation coefficient/multiple regression/chi square; elementary teachers; 8807885
- Television and Teaching**
- children's bilingual TV programs; North American situation; 8808985
- TESOL; TV/computer role integration; advantages/disadvantages; 8800223
- Tense**
- African Portuguese-based creoles, number/tense/mood/person/aspect/genus verbi categories; 8808728
- American Spanish; perfect tense usage; aspectual criteria importance; 8805822
- Ancash Quechua dialect; conjugational paradigms described; 8805824
- aspectual difference, Old High German/Latin; syntagmatic vs paradigmatic means; *Isidor/Tatian* Gothic versions analyzed; 8801365
- aspectuality/actionality, Contemporary French, terms validity; research tasks; 8808135
- Balkan imperfect subjunctive; modal particle/verb tense form combinability pattern; interlinguistic interference; 8803170
- Brazilian Portuguese verb use; discourse factors; imperfect indicative; 8805813
- Cairene/Spoken Literary Arabic *b*-imperfect use; dialectal constraints identified; 8803936
- Castilian tenses nomenclature, designations confusion; teacher training problems; standardization urged; 8802464
- Chichewa (Bantu) high tone assignment; tone melody lexical subcomponent proposed; verbal tense marking; 8803074
- complete precedence/temporal overlap; H. Kamp's notion critically examined; tense/aspect semantics; 8800889
- compound past tenses, French/English; British English verbal system changes; 8801299
- Comrie, Bernard, *Tense*; content outline/evaluation, debatable issues, shortcomings; 8805718
- conditional mood use, 14th-century Italian; Giovanni Boccaccio's *Decameron*, functional/quantitative analyses; 8806338
- control theory, Chinese; verbs tensed/untensed clauses, syntactic predictability; matrix verbs' lexical meaning/pragmatic factors; 8808525
- creole formation; substratic elements grammaticalization, contamination hypothesis; Senegal/Guinea-Bissau Portuguese-based creole, Mandingo/Balanta/Manjako substrata; tense/mood/aspect similarities; 8808746
- Dahl, Osten, *Tense and Aspect Systems*; review article; 8805703
- English future tense; semantic-philosophical/neutralization arguments; primary vs modal *will*; 8808439
- English present progressive; stative verb use; discourse perspective/pedagogical implications; 8804930
- English tense/aspect interpretation; time frame/present point, state indicator; sentence structure temporal analysis; 8800948
- English verbal category use; punctuality constraints; 8805804
- English *will/be going to*, semantic relation; modal verb probability marker analysis; 8803308
- French as a foreign language instruction, verb conjugation; student problems; 8803358
- French as a second language instruction, *passé composé/imparfait* distinction; beginning level textbooks; aspectual approach; 8802496
- French future tense history, Latin infinitive + *habeo* as base; Romance morphological agglutination, medieval/contemporary developments; 8806252
- French grammatical tense, semantic values; foreign-language teaching applications; 8805714
- French imperfect modality; syntactic/semantic features; 8805802
- French past tenses; word order influence; 8800773
- French perfect tenses, *passé composé* (compound past tense); temporal elements, tense-aspects relationships; 8805821
- French present subjunctive, English verbal equivalents; positively oriented presupposition-based analysis; 8801383
- French verb morphology; *passé simple*/past participle, second/third conjugations; root similarity, markers /s/, /t/; 8805938
- Fuldic/Standard German temporal relations expression; conjunctions/tenses/adverbs/predicates; South Hungary data; comparative-dialectal analysis; 8808789
- Galician/Latin verb systems; functional analysis; 8803804
- German first person present active verb form, subjunctive/indirect speech introduction; corpus analyzed/counterevidence found, German fiction/nonfiction works; 8800783
- German future tense; tense-mood unified description; oral standard language, verb forms subsystem; 8800821
- German passive; *genus verbi*/verb aspect analysis compared; 8800748
- German *sein* 'to be', *haben* 'to have'; active perfect, attribution nature; 8803160
- German subjunction *seit(dem)* 'since', main/subordinate clause tense combinatorics; H. W. Eroms's rules critiqued; 8805727
- German *werden* + infinitive future; modality/temporality; diachronic development; 8800831
- German *werden* + infinitive "future"; temporal/modal; uncertainty expression; 8803226
- grammatical categories; verbal inflection functions; voice/agreement/tense/aspect/mood; 8803220
- Guadeloupe Creole; future tense evolution; creolization process; 8806295
- interlanguage development; English past/present progressive tense learning; meaning importance; 8800366
- interlanguage systems; American French learners; narrative tense usage; structural/rhetorical constraints; 8800425
- Italian indirect discourse, verbal system perspective; transposition explanation; 8808174
- Italian restrictive relatives; indefinite head NP interpretation; tense/mood/matrix verb type; 8808211
- Italian-Bulgarian unreal conditionals compared; verb tense/mood, syntactic structure, past/present reference point; 8803795
- Japanese morphological tense forms; temporal interpretation; simple/complex/conditional sentences; 8803289
- Kripkean tense logic; predicate modifier addition; quantifier-operator mixing/temporal adjectives; 8806864
- Latin conjunction *post(ea)quam* 'after, when', future tense use; Classical vs Vulgar Latin; Romance reflexes; 8803723
- Mandarin Chinese *le*; aspectual/phase marking functions; 8800767
- medieval English future constructions; semantic/grammatical status; modal/temporal auxiliaries; 8803121
- Medieval French "generalizing future"; Jean Dupin's *Mélancolies* (Melancholies) analyzed; 8801791
- middle construction/ergativity; French/Dyirbal (Australian) data; "false reflexive" constructions; 8801183
- Nahuatl; comprehensive descriptive grammar; 8808583
- narrative progression; verb tense participation; French/English compared; 8805580
- Nigerian French learners; Yoruba interference; phonological/morphological/syntactic/socio-semantic levels; 8805524
- Northern Sotho (Niger-Congo) verb categories; descriptive analysis; tense/aspect/mood; 8805817
- Papiamentu-Palenquero tense systems, comparative analysis; creoles' origin, monogenesis vs polycasual theory; 8808734
- past tense marking, Singaporean vs native English; substratum influence/language universal learning strategies/bioprogram type universals, phonotactic factors; ethnically Chinese Singaporeans; 8808494
- plus-que-parfait*, disactualizing nature; French/Bulgarian data; translation problems; 8803789
- Proto-Bantu discontinuous verbal morpheme -*ld-ø*, reconstruction hypothesized; modern Bantu languages evidence; 8808304
- recursive categorical grammar; word induction; passive/person/tense/unbounded dependencies; 8808433
- Romanian/Norwegian temporal systems; contrastive analysis; interval semantics framework; 8803770
- Russian aspect-tense forms' special meanings/transpositions; special/general meaning relationship, special meaning criteria; 8805754
- Russian past tense stress; particle *-sya* effect; second-language teaching implications; 8800716
- Russian verbs, nominative/syntagmatic meanings; aspect/tense system interaction; 8805777
- Samoa numeral expressions; particle *e*, tense marker function; 8808307

- shifting stress, Russian present tense; suffix *-i-* verbs; morphologically based analogy; 8800784
- Slovak tense system account; H. Reichenbach's notions replaced; modal/aspectual differences, "observation point" notion; 8800834
- South African English; adverbs *just/now*, temporal scope; proximal futurity; 8806478
- southern Italian strong perfects; historical development; literary texts examined; ancient/modern dialects; 8801491
- Spanish analytic/synthetic futures; diachronic/comparative study; medieval texts examined; 8803651
- subjunctive/tense sequence; morphophonological form, agreement continuum; college textbooks examined; 8800869
- temporal grammar, fictional narratives; temporal deictics usage, interpretation paradox; 8801846
- temporal relations, text, anaphoric nature abandoned; time adverbials/tense, imperfective/perfective aspect framework proposed; 8808210
- tense theory; general grammar perspective; 8808532
- tense, H. Mellor's claims; objections refuted; 8800936
- tense/embedded clause; interpretation; referential expression, anchoring conditions; 8803522
- time/tense relationship; German preterite, language-philosophical account; E. Husserl's phenomenological conceptions; tense referential use; 8803237
- Tocharian suppletive verbs; paradigmatics, contrast principle, first-class present-second-class aorist; 8806331
- Tzeltalan (Mayan) tense/aspect system; proto-language/daughter languages compared; morphological change/markedness reversal; 8803375
- verbal aspect; formal description; perfective/imperfective constructions; 8803263
- verbal temporality; historic present tense/displaced origin; 8808209
- Tesnière**
- sentence formation, L. Tesnière's/ V. Mathesius's models compared; 8808122
- TESOL**
- adult English as a second language listening comprehension; religious-specific background knowledge influence; 8802628
- anxiety, second-language acquisition/speech communication; B. H. Spitzberg's/W. R. Cupach's relational model of communication competence; 8807527
- Auerbach, E. R.; English as a second language goals criticized; response; 8800218
- compliments, cultural appropriateness; misunderstandings, pragmatic-linguistic/sociopragmatic failure; appropriateness recognition/use exercises; 8800265
- context-based language study; language learning/discourse analysis/grammatical theory; 8808409
- English as a foreign language instruction, cooperative small-group methodology; academic achievement effects; seventh graders; 8800201
- English as a foreign language instruction; Nicaraguan situation; 8805113
- English as a foreign language learning; reading comprehension evaluation; student translations analyzed; 8802603
- English as a foreign language reading; cultural knowledge role; reading comprehension improvement; 8800395
- English as a foreign language; compensatory strategies/cultural interference; Dutch-speaking secondary school students; 8802660
- English as a foreign language; Mexican student perceptions/attitudes; 8802572
- English as a second language composition instruction; reading journal use; 8807400
- English as a second language instruction, literature use; four-step approach outlined; 8807412
- English as a second language instruction, qualitative research need; Thai research application; 8805049
- English as a second language instruction, undergraduate programs surveyed; traditional/progressive models compared; 8800235
- English as a second language instruction; limited English proficient students; cognitive academic language learning approach; 8800220
- English as a second language learning; Indian multilingual sociocultural background impact; interpretive strategies; 8800228
- English as a second language listening/recall; speaker's gender/perceived expertness; orally presented material; advanced/intermediate English as a second language U students; 8807542
- English as a second language reading comprehension; culture-specific content schemata/formal schemata effects; Muslim/Catholic-Spanish background students; 8800381
- English as a second language test performance, cognitive style/first-language background; South Pacific/Asian students; 8800463
- English as a second language, Black English target; Hispanic boys; 8801474
- English as a second language/dialect teaching; computer interactive materials; Baruch College Speech Communication Laboratory; 8800294
- English as a second language; teacher education; high-inference categories/effective teaching; 8800315
- English for academic purposes acquisition; limited English proficient students; age/literacy/proficiency level effects studied; 8802607
- English for academic purposes; instrumental functions; illustration interpretation instruction; 8802502
- English indirect speech; comprehensive analysis; pedagogical implications; 8800253
- English language proficiency, academic success relationship; college/U levels; institutional differences; 8800401
- English language teaching, China; recent trends; 8800340
- English language teaching; communicative approach; pedagogical strategies compared; 8805100
- English pronunciation instruction; Chinese-speaking students; computer-assisted techniques/contrastive phonology/speech processing; 8805059
- English reference grammars; standards/norms; international perspective; 8801564
- first-language acquisition assumptions challenged; comprehension/production relationship; first-/second-language acquisition links/inferences; new empirical evidence; 8807226
- foreign-language instruction; French official policy; German/English differences; textbook development; 8800272
- foreign-language learning; error analysis; aural comprehension; Belgian English students; 8802610
- foreign-language pedagogy; newspapers use; 8800261
- lecture notes, first-/second-language students; content/test performance relation; 8807524
- Migrant Education Program; instruction organization/participant interaction; California statewide evaluation; 8800269
- reading comprehension, prereading activities effects; English as a foreign language; schema-theoretic interpretation; Brazilian college students; 8807562
- second-language academic competence transfer, Shona (Niger-Kongo) -English; third-/fourth-/fifth-grade Zimbabwian children; 8807477
- second-language acquisition; Mexican American elementary school children; peer-tutoring intervention effectiveness examined; 8802600
- second-language comprehension; interactional modifications role; English learners; 8802639
- second-language development, enculturation importance; 8807416
- second-language fluent production; automaticity component, design criteria; communicative framework; 8807415
- second-language learning, general theory requirements, goals/outcomes; parallel distributed processing model; 8807560
- second-language learning; communicative interactional structure; discourse, dynamic model; authenticity/autonomy/self-directed learning; 8800176
- second-language learning; pronunciation accuracy/self-monitoring skills; English as a second language students; 8802662
- second-language proficiency; grammatical competence testing; latent trait model; English as a second language oral interview; 8800459
- second-language reading comprehension, self-monitoring; reciprocal teaching/think-aloud procedure; 8807397
- second-language teaching; cooperative learning techniques described; 8805144
- second-language testing; English as a second language; Ontario colleges, post-admission test battery; 8800473
- second-language writing research; pedagogical implications; 8802891
- TESOL; TV/computer role integration; advantages/disadvantages; 8800223
- verbal interaction patterns; English as a foreign language teachers; native/target language use; teaching effectiveness; 8800275
- Testing** (see also specific kinds of testing, eg, *Aptitude Testing*, *Speech Testing*)
- 57S Speech Discrimination Test; speech sound discrimination/confusion patterns; intensity function; 8800152
- achievement testing; unidimensionality hypothesis; Bejar methods; 8800470
- adult-child/pet communication; test proposed, personality evaluation, human-animal scale; 8801088
- aphasia diagnostic test, AAT supplements; dissociations, modality-specific disturbances; 8809438
- aphasic testing; standardization, requirements; 8809415
- auditory language comprehension, hearing-impaired children; E. Carrow's Test of Auditory Comprehension of Language, presentation mode; 8809365

- automatic text processing/translation, English *it* anaphoric use automatic recognition, rules formulation/testing; technical texts; 8808716
- behavior diagnosis, relational/cultural/affective-emotive aspects; tests/procedures; linguistic performance/behavior relationship; 8802096
- bilingualism/bidialectalism; inherent intelligibility differences; proficiency testing; 8805539
- Boston Naming Test standardization; students' word-finding skills measurement; kindergarten-sixth-grade children; 8809534
- Castilian-Galician bilinguals' vocabulary use; lexical testing; U Weinreich's/E. Haugen's/M. van Overbeke's findings partial/total confirmation; schoolchildren; 8802942
- central auditory processing abilities; adolescent/preadolescent stutterers vs nonstutterers; Staggered Spondaic Word Test; 8809371
- child communication, pragmatic assessment; formal test limitations; classroom aspects' importance; 8809509
- child language impairment diagnosis/therapy; J. Piaget's proofs validity; psychometric/linguistic/cognitive testing; Italian children aged 6.8-7.5; 8804555
- child speech/reading disturbances, long-term project report; reading model, components testing, diagnostic experiments; kindergartners/elementary school children; 8804583
- cloze deletion patterns; cloze construction; cloze vs MAZE; 8807593
- cloze testing, English as a foreign/second language; 8800469
- communication disorders; test performance evaluation; pretest case history information effects; language-handicapped children; 8800467
- communicative competence testing, conversation-interview measure; deaf adolescents/adults; 8804507
- communicative competence testing; role-play format; 8802665
- communicative competence, evaluation problems; procedure suggested; 8805234
- Dutch as a native/second language instruction; child vocabulary acquisition studies/tests relevance; literature survey; 8804908
- English as a native/second language, syntax testing; K. W. Hunt's T-units; British/Malaysian speakers; 8807577
- English as a second language adult learners' spontaneous speech; syntactic/morphological assessment; profile analysis approach; 8807587
- English as a second language vocabulary test; Y/N technique; certification exam score predictor; 8807585
- English for science/technology; oral skill evaluation; Chinese scientists, native English-speaking peers; 8802670
- English grammatical competence testing, Indian Us; critique; 8805237
- English language aptitude test scores; predictive validity; ethnic/sex/age biases; college admission policy implications; 8800474
- English pronunciation accuracy, computerized assessment; native English/native Brazilian Portuguese speakers; 8807584
- foreign-language communicative ability; Oral Proficiency Interview vs Written/Oral Situation Tests; 8807589
- foreign-language teaching/testing; communicative needs, real-life situation simulation; 8807590
- foreign-language testing, oral proficiency; criteria; 8802666
- foreign-language testing; Foreign Service Institute's proficiency-based initiatives; 8807579
- French language test, secondary level; francophone/nonfrancophone students; 8805227
- Japanese language competence evaluation; standardized test development; 8800465
- Japanese language placement/evaluation tests; non-Japanese, Japanese students; undergraduate level; 8805235
- language assessment test use; hearing-impaired children, youth; 8807091
- language function assessment; Luria-Nebraska Neuropsychological Battery, effectiveness; aphasic patients; 8802111
- language teaching/testing; theoretically based principled approach proposed; Vygotskian psycholinguistics; 8807583
- language testing, communicative ability/test method facets; ACTFL Oral Proficiency Interview's validity questioned; 8807575
- language testing; writing competence assessment; Rasch partial credit analysis; 8800466
- lecture notes, first-/second-language students; content/test performance relation; 8807524
- lipreading ability assessment; continuous discourse tracking; traditional scoring procedure modified; 8804341
- listening comprehension, test development, 1986 ACTFL proficiency guidelines; literature review; 8807581
- listening comprehension, test validity; item response theory; literal vs interpretative understanding; 8807580
- Mathematical Vocabulary Reading Inventory; concepts/vocabulary testing; first-third grades; 8807867
- minimum competency testing; US survey; promotion/remediation criterion; 8807869
- National Adult Reading Test, inter-rater reliability; pronunciation accuracy; therapy outpatients, clinical psychologists; 8802878
- preschoolers' linguistic abilities test, elementary school admission screening measure; Italian 5-/6-year-olds; 8804729
- problem solution; process/achievement approaches; right/left hemisphere lesion patients; Wechsler Adult Intelligence Scale; 8809515
- reading comprehension testing; short-context technique; English as a second/foreign language students; 8807872
- reading test performance; print vs computer display; Nelson-Denny Reading Test; adults; 8807871
- reading testing; strict/modified cloze procedure; content validity questioned; 8807863
- reading/writing skills examined; hearing-impaired adolescents; "Widespan" test, "Southgate" test, reading battery; test limitations; 8802070
- Scholastic Aptitude Test performance/reading ability relationship; Metropolitan Achievement Test: Reading; Degrees of Reading Power; high school seniors; 8809533
- second-language learning oral test framework; rating scales; speech samples, vernacular; 8807592
- second-language oral proficiency test, Summer Institute of Linguistics; bilingual populations; 8805232
- second-language oral proficiency evaluation methods, self-directed study program; Spanish lesson example; 8805231
- second-language proficiency; grammatical competence testing; latent trait model; English as a second language oral interview; 8800459
- second-language testing; English as a second language; Ontario colleges, post-admission test battery; 8800473
- second-language writing ability tests, translation/multiple-choice; score/response differences; 8807884
- semantic memory test construction/validation; W. Kintsch's theory as basis; scales/application; children aged 9-14; 8802222
- simple language retardation, child language acquisition process disturbance; diagnosis/evolution/prognosis etiology; 8800100
- speech recognition devices' performance, automatic measurement; commercially available systems testing; 8809303
- speech/language testing; possible changes, restraints; clinician role; 8809535
- spontaneous picture labeling, speech discrimination tests; WIPI/NUCHIPS; 5-year-olds; 8807098
- standardized English as a second language vocabulary test; construct definition study; 8807586
- T-unit as language ability measure; second-language application limited; unclear theoretical base; 8807513
- test design; computerization; item response theory; 8800471
- Test for Auditory Comprehension of Language; normative data; mono-/bilingual Mexican children; 8804650
- Test of Nonverbal Intelligence; review; uses/limitations; 8809537
- test performance; language proficiency/reading comprehension, cognitive/linguistic aspects; 8805228
- testing item set, unidimensionality determination; Bejar method critiqued; 8809538
- writing skills assessment; remedial college curricula development; essay/objective tests relationships; 8800579
- writing; cultural differences; contrastive rhetoric/second-language learning/literacy education; 8807935
- Text Analysis**
- 18th-century Russian "Razsuzhdeniya o okazatelstvakh' k' miru..." (*Deliberations on the Fundaments of Peace*); syntactic peculiarities, complex sentence; pronominal/conjunctive connectors use; 8803432
- academic text analysis; discussion section structure; cyclical patterning; 8808358
- Ackermann aus Böhmen (Ackermann from Bohemia), critical/interpretative studies survey; G. Jungbluth's contribution, Arnoldus Saxo's encyclopedia as source; 8801850
- active past participle, expressive-stylistic function; 12th/13th-century Russian religious texts, *Uspenskiy Collection*; main verb/participle relationship; 8803385
- advertising texts, psychosemiotics; iconic/verbal/denotative/connotative reading/decoding; sex/sociocultural background/cognitive style; embedded figures test; 8805461
- Ahundov, M., *Aldanmysh kevakib* (Deceived Stars), language/narration techniques; 8809165
- Aichinger, I., *Spiegelgeschichte* (Mirror Story) linguistic analysis, R. de Beaugrande's/W. Dressler's text-linguistic model applied; 8808316
- Akkadian treaties, 7th-century BC; newly discovered documents; 8806010
- American/British written English; systematic syntactic differences; 8800982

- analytic writing; cognitive processes, text structures; eleventh graders' essays; 8802895
- anaphoric reference interpretation; script-based antecedent use; sentence pair manipulation; text-related probe words; 8802253
- aphorisms, textual status/pragmatic functions; speech act type, communicative role/context, Russian material; 8806069
- Aramaic/Neo-Assyrian letter-writing; comparative analysis; Elephantine/Nineveh formulaic/topical-literary parallels; 8805993
- argumentative English writing; text structure/coherence breaks; Korean/native English speakers compared; 8803393
- argumentative text interpretation; argument ordering/conjunction *maar* 'but' presence/absence; Dutch undergraduates; 8806026
- argumentative texts writing, text structure; German high school students' compositions analyzed; linguistic/psychological causes; 8807902
- Association Québécoise de Linguistique; annual meeting's papers; 8804878
- Assyrian culinary tablets, terminology; 8800987
- Austrian political party platforms, discourse-analytical examination; macro-/micro-analyses; syntactic/argumentative/lexical/rhetorical strategies compared; 8801017
- Bakhtin, Mikhail M.; prose theory semiotic interpretation; Charles S. Peirce's/Max Bense's frameworks; 8801911
- Bal, Mieke, *Narratology: Introduction to the Theory of Narrative*; review; 8806067
- basal reading programs, writing types; preprimers/second-grade readers; 8802784
- de Beauvais, V.; *Speculum Maius*; data bank creation; 8801416
- beginning readers' expectations; text readability; discourse structure effects; miscue data; kindergartners/first graders; 8807777
- Bernhard, Thomas, *Beton* (Concrete); text-linguistic/stylistic analysis; coherence strategies, text structure; 8803480
- Bible translations; late 19th-/20th-century paradigms, composite model; recent American translations, computer-assisted statistical analysis; 8800651
- Bible, first Irish edition (1688); William Bedell's translation; 8805991
- biblical exegesis, R. Jakobson's metaphor/metonymy opposition model; 8805990
- Biblical/Imperial Aramaic word order; functional grammar/discourse analysis; dialect development issues; 8800760
- business French; quantitative study; business documents analyzed; 8800999
- Caragiale, I. L., short story *Tal!* ...; discourse interferences, discursive agent status; 8804295
- causality expression, Commynes's writings; medieval narrative structure; 8803390
- child narrative evaluation; story type/context effects; normal, language-disordered children; 8802346
- children's social studies texts; main idea frequency/placement, R. Braddock's topic sentence research replicated; 8807769
- Clare, John; verbal strategies, stylistic choices; poem analyzed; 8806785
- classical Japanese predication; functional analysis; textual information structuring; 8806068
- cohesion relationships, Russian pedagogical texts; L. Hoffman's cumulative text-analysis model applied; 8803484
- colloquial speech features; East German newspaper text analyzed; 8801121
- communication/text, linguistic research objects; related problems, dialectal-materialistic framework/functional-communicative perspectives; 8804152
- composing process; writing structure/cohesion; skilled/less skilled college freshmen compared; 8802916
- A Comprehensive Grammar of the English Language* reviewed; English traditional grammar placement, contents/organization; *A Grammar of Contemporary English* compared; 8808103
- computer recognition systems; word list/prose text differentiation; consonant-vowel ratio; 8801425
- computer-generated concordances; context-bound word behavior study; language for special purposes implications; English texts analysis; 8801014
- contemporary prose nonlinearity, M. M. Bakhtin's "polyphony" notion; text producer-recipient multiple relationships; English material; 8808319
- content reading material, comprehension/production; text structure instruction effects; seventh graders; 8805371
- Coresi's *Pravila* (Laws); available variants identified; Ovchinnikov's manuscript content presented; 8801000
- cultural miscommunication; Indian English sales letter, US/British audience; nonpersuasive discourse; 8808347
- Czech translations compared, I. S. Turgenev's *Vernal Waters*; J. Hrubý's/V. Očadlíková's versions, text-cohesive devices; 8802980
- daily/literary/dramatic dialogues, binary/ternary configurations, textualized sender/recipient role; 8806045
- digression, discourse strategy, Okot p'Betiki's dramatic monologue texts; coherence/digression type relationship; 8809161
- discourse comprehension; story grammar problems; sequential processing model proposed; 8803469
- doublespeak; dangers; critical thinking instruction; 8806113
- dramatic discourse functioning/structure, recorded/printed/performed play distinction; dramatic discourse musicalization; T. S. Eliot's *Murder in the Cathedral* recording analyzed; 8806795
- dramatic language/text, metatextual/referential functions, textualization levels; French/Italian plays; 8806800
- Dupin, Jacques/Ubac, Raoul, *Proximité du murmure* (Proximity of Murmur), poet-painter collaboration; review article; 8801004
- Dutch as a native/second language, teaching materials selection; text's quality objective measure, coherence analysis; 8804876
- Dutch demonstratives *deze/die*; written language choice; genre/context influences; 8801046
- dynamic text linguistics; principles/objectives, dynamic text model's fundamentals; 8806104
- East German legal texts, speaker's intention realization; stipulation/prohibition; 8806019
- editing process; fault detection strategies; expert/novice editors differences; 8802900
- English advertising language, hard- vs soft-sell; language use/function difference; 8804167
- English argumentative essays, text structure, Korean speakers; English/Korean native speakers' writing compared; nonlinear structure; 8808333
- English as a foreign language learning; reading comprehension evaluation; student translations analyzed; 8802603
- English as a foreign language; Arabic speakers' written texts analyzed; cohesive ties/syntactic structures; 8802648
- English as a second language instruction, picture stories; theoretical considerations; reader-oriented text analysis; 8805000
- English conjunction *and*; early/modern writings; semantic/structural relation marking; discourse cohesion; 8800850
- English folk plays, definition, classification; syntagmatic structural analysis; 8809179
- English generic *the*, discourse use; sentence/paragraph position; *Scientific American*; 8803453
- English poem *The Tournament of Tottenham*; Londoner/East Anglian dialect features; textual cruces, editors' solutions, new interpretations; 8809177
- English scientific text prefaces; structural-semantic peculiarities, 18th-century corpus; preface organization pattern; 8806007
- English/Japanese expository texts; structural aspects compared; coherence markers; scrambled paragraph reordering; 8806385
- enunciation/text distinction/grammaticality/acceptability, syntactic vs semantic-pragmatic judgment; 8806064
- evaluation, linguistic/cognitive act/procedure; concept definition; contemporary German lexicons consulted, evaluative texts analyzed; 8801094
- everyday vs literary language use, text type/stylistic form definition; speech situation relevance; H. R. Maturana's/S. J. Schmidt's conceptions; 8806803
- experienced speech; structural elements' communicative-poetic functions; East German literature; 8806037
- expository text comprehension/recall; text structure information effect; ninth graders; 8807741
- expository text comprehension; prior topic/text structure knowledge contribution; fourth-grade proficient readers; 8802897
- expository text recall/production; discourse structure summarization training effects; college freshmen; 8802395
- expository text recall; top-level structure use; normal/learning-disabled college students; 8805458
- Ezzolied*, Medieval German poem; discourse analysis; rhetorical/stylistic figures found; 8804324
- feminist argumentative documents; speech act theory analysis; P. Grice's conversational cooperative principle maxims; 8803496
- fictional conversation, conversation analysis use; spoken "actual" conversation criteria applied; M. Peake's *Mr Pey* analyzed; 8803455
- field-related genres, variations; scientific/popularized articles compared; 8808400
- foreign-language teaching, discourse analysis use; critical contrastive textual analysis; foreign-language texts; 8808336
- free indirect discourse referential functions, referent typology; D. H. Lawrence's *The Rainbow* analyzed; 8806058

- French anti-Papal onomastics; 16th-century Protestant pamphlets; 8801536
- French as a second language, grammar teaching; perfect participle variability, compound tense; 8804987
- French *chanson de geste* analysis, epic textuality theory; actual narration/theme historicity tension; *Couronnement de Louis* (The Coronation of Louis); 8803476
- French *item*, F. Villon's testaments; syntactic/pragmatic uses; 8803502
- French *nous* 'we' development; 15th-century texts; textual coherence/cohesion; 8803463
- functional-semantic field/compositional-discursive forms relationship; true-false modality, argumentative texts, speaker's subjective viewpoint, German material; 8805898
- Galician evolution; 15th-century document presented/analyzed; morphological/orthographic/syntactic/lexical features noted; 8803446
- Gascon judicial prose; 15th-century Vallée d'Ossau cartulary, graphic/phonetic/morphosyntactic features; 8801286
- genre analysis, definition/description; journal issue introduction; 8808342
- Geoffrey of Vinsauf, *ars dictaminis* (art of written discourse); medieval rhetoric theory; 8808330
- German 16th-century private letter; text type, communication form, sociolinguistic/historical conditions; oral-written elements; 8808383
- German administrative texts readability/intelligibility; syntactic/lexical peculiarities/pragmatic conditions; West German vocational/gymnasium students; 8801065
- German verb, obligatory objects; valence theory framework; J. Schwitalla's statements, comments; 8803174
- German-French academic papers, author presence/absence manifestation, linguistic means; 8808686
- gravestone database establishment; problems encountered; Roman cemetery example; 8808718
- Halliday, M. A. K., *Introduction to Functional Grammar*; review article; 8806139
- Helsinki Accord, psychosemiotic analysis; diplomatic text peculiarities, author/recipient/content organization/interpretation; 8803461
- Hindi short story *Liiciyaā*; discourse analysis; structural narratology/semiotics; 8801053
- Hindi text readability; cloze procedure, public school text; artificial difficult style; 8800974
- historical discourse, ideological messages; Belgian Congo writings, 1930s/1940s; 8805984
- historical documents; social context analysis; medieval Spanish juridical texts; 8809032
- historical word semantics, psycholinguistic/textlinguistic aspects; A. Bodenstein von Karlstadt's writings, *bapst* 'pope' meanings/collocation; 8808621
- history, temporality issues; Maurice Blondel's views; Etienne Gilson's opposition; 8806041
- humor, bisociation theory; W. Nash's *The Language of Humour: Style and Technique in Discourse* reviewed; 8803466
- I Thessalonians, text-linguistic/rhetorical approach; communicative act, context effects; 8808365
- ideological language use, Austrian newspaper *Neue Kronenzeitung*; critical linguistics framework; 8806629
- Igbo (Niger-Kongo) discourse aspects; H. P. Grice's maxims/universality refuted; 8808387
- Iliad*, fighting scenes analysis; narrative/descriptive procedures/vocabulary; 8801080
- indefinite reference, referential opacity; Krio/Mandarin Chinese/spoken English case studies; 8806110
- indirect/experienced speech/thought, text-stylistic phenomena; definition/poetic/linguistic description; A. Steube's linguistic description critically examined; 8806781
- instructional text readability assessment; macro-level micro-level analyses; 8801135
- instructional textbook writing; assisting models proposed; J. R. Hayes's/L. S. Flower's writing process model; monitor mechanism/audience role; 8801112
- interlinear glosses, Byzantine Aeschylus codex; 8801143
- interlingual text comparison, Saussurian perspective problems; intertextuality universal/cultural-specific means, translation implications; 8808666
- intertextuality definition; typology, functional-communicative perspective; 8808421
- Italian 16th-century scribal script styles; Veronese corpus, quantitative analysis; 8800997
- Italian neofascist political texts; ideological/textual analysis; 8803406
- Itinerarium Egeriae* (Itinerary of Egeria); philological interest; 4th-century Latin; 8803759
- journalistic text; action-/discourse-related properties; socialist journalistic text analysis; 8803431
- jurisprudence discursive strategies, Italian/French supreme court decisions, comparative analysis; 8805970
- Kosovel, Srečko; *Integrali* '26 (Integrals '26) poems, graphic elements/organization importance/semantic/poetic function; 8809168
- "Language and Pragmatics," Swedish-German research program; component projects description, participants presentation, annual meeting reports; 8806074
- language/space, A. Djebbar's/L. Sebbar's novels; gender-linked public/private space; 8809159
- Lao Qida*; annotated translation/syntactic analysis; word order/verbal modification/voice; 8801134
- Latin words/phrases, English legal texts; lawyers/English for Academic Legal Purposes student language training; 8801055
- Leconte de Lisle, 19th-century poet; poems analyzed, phonetic/thematic aspects; 8806810
- lecture notes, first-/second-language students; content/test performance relation; 8807524
- Lem, Stanislaw, science fiction short stories; M. Kandel's English translations; structural/lexical correspondences; machine/human translation; 8800660
- lexical meaning inference; context role; decontextualization strategy, cohesive patterns/generalization/aspect hierarchies utilization; automatic language processing implications; 8804716
- lexical/grammatical meaning distinction, text meaning/sense; E. Yevtushenko's "Budem Velikimi" (We Will Grow Up) analyzed; 8808882
- linguistic cohesion; reading/writing ability; instructional implications; 8807820
- linguistic ethnic prejudice analysis, Austrian newspaper text; T. A. van Dijk's model/modified; semantic/stylistic/rhetorical/pragmatic strategies; 8801041
- literary quotation, characteristics; pragmatic analysis; language norm/usage relationship, literary vs natural language; 8801079
- literary text analysis/interpretation; superstructure/macrostructure differentiation; 8804334
- literary text creative translation; original text elements hierarchy; Russian material; 8800675
- literary text pragmatics; Prague Linguistic Circle contribution, semiotics field extension; 8801140
- literary text, functional interpretation; linguistic analysis potential; *erlebte Rede* (experienced speech) effect, East German novels; 8803441
- literary text; speech act theory applications; 8803459
- literary texts; data bank development; statistical approaches inadequate; 8801426
- literary thematic elements; semantic analysis; Shakespeare's sonnets; 8801841
- literature/literary text/language notions ambiguity; empirical-culture specific definitions; 8806787
- main idea retention; text structure/processing task effects; title generation; topicalization; 8807271
- major sentence constituent placement; theme/rheme schema; Anglo-Norman text *Quatre Livres des Rois* (Four Books of the Kings); 8803158
- Mandarin Chinese numeral classifiers, discourse function; short stories analyzed, native speaker judgments; thematic centrality principle; 8808406
- medieval Castilian documents; grapheme omission significance; 8801614
- medieval French text analysis; *Traitiet moult profitable* (Very Useful Treatise); majuscule/sentence relation; text coherence role; 8803401
- medieval German texts; narrative structures compared; text scientific analysis; 8808407
- medieval German treatise; text/philological notes; 8808377
- medieval Murcian documents; complex lexies analyzed; 8808341
- metalanguage/metadiscourse/metatext, János Sándor Petőfi's framework; Dante's *Vita Nuova* (New Life) analyzed, text/pretext/metatext; 8806861
- Mexican Spanish spoken discourse; conjunction, cohesive use; text-linguistic analysis; 8803505
- Middle French documents; dialectal features; standardization evidence; 8801326
- Middle French *quant à* 'as for', syntax, coherence role; argumentative marker; 8803397
- Middle High German documents; legal/speech acts; pragmalinguistic study; 8801113
- Middlemarch*; verbal texture; vocabulary/diction/syntax/sentence patterns; 8801831
- narrative recall; J. Mandler's/W. Kintsch's text models compared; im-

- mediate/delayed protocols; 8800114
- narrative structure, story statement importance; causal relations/hierarchical position effects; third/sixth/ninth/twelfth graders; 8803501
- narrative style comparison; statistical analysis; word-type frequencies; 8801396
- narrative techniques, French/Romanian modern prose; person-time-narrative plane relationship, cohesion/coherence problem; chronological/achronological narrations; 8804336
- narrative text readability; linguistic/text structural/semantic-pragmatic factors; passage recall task; second-grade readers; 8807793
- narrative text reading study; recent advances, overview; schema theory; 8801023
- narrative text's *quaestio*, term definition; text's organization/structure constraints/restrictions; 8801048
- narrative/expository prose; tagmemic differentiation; instructional questioning techniques; 8807370
- narrative/translational situation, authorial vs personal narrative; rendition problems, writer/text/reader relationship; 8806816
- new Englishes, literature use, multinational audience; pragmatic dimension; 8808385
- New Testament exegesis, reader-addressee distinction, reception theory framework; 8806078
- newspaper text beginning typology, Ljubljana daily *Delo* corpus; "statement" type prevalence; 8808370
- newspaper text semiotics; sign classes/matrix established; transformation/information/communication relationship semiosis; 8801912
- nonnative English discourse type development, Hindi/Indian English; gender strategies; spoken/written language; 8808414
- nuclear defense discourse, SDI/Star Wars promotion, European audience; arguments, metaphors, adversary images; *Economist* data; 8808987
- nuclear discourse, atomic damage censorship/reportage; Japanese national daily 1945-1949; Japanese/Occupation censorship differences; 8808982
- nuclear discourse, authors' style/world-view; quantitative analysis; 8808334
- nuclear discourse, British popular press; Anglo-Soviet summit (April 1987) coverage; 8808986
- Occitan identity; ethnotextual research application; 8801689
- Old Aramaic inscriptions, *Daniel* Aramaic section correlations; comparative study; 8808405
- Old English Riddle 30, two versions; textual variation; 8804308
- Old English verb-substitute *dōn*; communicative function; 8801131
- Old French palatalization; graphic variants; 13th-century text examined; 8803690
- Old French *tu/vous* (second person pronouns) use, social meaning; Chrétien de Troyes's *Le Chevalier de la charrette* (The Knight of the Cart) analyzed; 8806042
- Old Icelandic short tale *þorleifs þátr jarlaskálds* composition/subject matter, manuscripts relationship; diplomatic edition; 8808388
- Old/Middle French evolution; Guillaume Le Breton's *Chronique des rois de France* (Chronicle of the Kings of France) translation; 13th-/15th-century differences; 8801290
- oral history; written representation; S. Terkel's *Working/Hard Times*; linguistic features analyzed; 8806059
- oral/written discourse, first-person narrator's referential status, non-verbal vs verbal referential function; 8806107
- Oxford Concordance Program; overview; new version changes; 8801405
- paragraph perception; printed text experience factor; basic/advanced readers/writers; scientific text; 8801026
- paragraph structure; discourse aims/semantic movement/sentence roles; exploratory-poetic/informative-persuasive paragraphs; pedagogical implications; 8801076
- paragraphs, student writing processes; structure strategies; 8807928
- paragraphs, writing strategies, Swedish schoolchildren; history, classroom use; 8807947
- "park," text meaning category; phenomenological/semiotic/text-linguistic framework; music/literature/jurisprudence domains; 8801919
- passage recall; text structure instruction effects; graphic organizer/sentence connectives/free recall tasks; fifth-/sixth-grade readers; 8804834
- performative/declarative verbs; text analysis/pragmatics; 8808350
- phraseological unit; textual function; Russian material; 8801114
- phraseologisms text-formational potential; Soviet/East German research trends; dialectical-materialistic framework; 8805981
- phraseology, idioms; text role; form/content; semiotic status; 8803182
- picture book analysis; Sebesta classification scheme modified; 8807767
- Plains Cree (Algonquian) dialect; morphology/syntax/discourse structure; verb inflection/grammatical relations/obviation/transitivity; 8805905
- poem linguo-stylistic analysis, analytic procedure; Bobrowski's "Sprache" (Language); 8806814
- poem's title, nominative multiplanned character; ideological-thematic content role; statistical analysis; 8808353
- poetic communication, comment's metacommunicative function; Günter de Bruyn's *Märkischen Forschungen*; 8809145
- poetic figure/text, criteria/model, Romanian material, M. Eminescu's poetry, linguistic/poetic norm relationship; 8806801
- poetic text autonomy hypothesis test/proof; Ion Barbu's "Mod" (The Mode) analyzed; 8806778
- poetry as verbal detour, M. Riffaterre's poetic interpretation theory; 8806777
- political communication/discourse/text; characteristics; Marxist-Leninist framework; 8803412
- political text, linguistic-communicative/political action intersection point; definition/analysis issues; 8803410
- political text; linguistic-communicative nature, linguistic analysis prerequisites; 8803388
- political texts analysis; "politicolinguistics," impartial analysis vs ethical evaluation; value theory outline; 8801059
- pre-text, mental representation; components, role, writing processes; 8802925
- preface typology; alographic/authorial/actorial; characteristics/communicative functions; preface/text writer-reader; 8800993
- proficient reading; strategies/knowledge use; pedagogical implications; 8807718
- program comprehension; theoretical framework developed; text analysis methodology; recall coding; 8800138
- propositional representations use, reading rate/retention; sentence length/reading ability variables; third/fifth graders; 8803436
- Propp, V. S.; folktale structure; tale roles/characters; 8801864
- quantity surveying reports, information components; native/nonnative English speakers; 8808375
- Rabelais's *Quart Livre* (Fourth Book); co-occurrences, computerized analysis; 8801852
- readability levels, personal/impersonal newspaper articles; Fry readability formula; 8806027
- readability/predictability; text oversimplification; 8807772
- reading comprehension improvement; narrative structure instruction; fourth graders; 8805302
- reading comprehension; text organization effects; average vs disabled readers; fourth/sixth graders; 8805424
- reading performance; advanced organizers effects; English/Portuguese scientific texts; Brazilian U students; 8807832
- reading process; communicative nature; text analysis, semiotic approach; 8807371
- reading processes, main idea identification; text features, summary writing; 8807856
- reading rate/written free recall; textual variables' effect; cohesion, reference, predicates, topic; 8807731
- reading strategies, gloss technique; gloss implementation stages; 8805353
- reading textbook teachers' guides, 1920-1980; physical/social/cultural changes; 8802793
- register analysis; systemic-functional framework; meaning/context relevance; language for special purposes application; 8801110
- representation, semiotic relationship; descriptive sequence; textual conventions/techniques analyzed; discursive action rules inventory; 8801940
- research English, model/conventions; international communication, nonnative English speakers; J. Swales's proposed system modified; 8808389
- research references, academic journal articles; J. Swales's analytical model modified; 8808363
- reviews, textual structure/organization; intra-genre variation, text modeling parameters; Russian music reviews; 8802556
- rhetorical structure theory, natural text organization; definitions, claims/findings; 8806096
- Romanian *Omilia la Paști* (The Easter Homily), Iorga fragments examined; 8801071
- Romanian/Greek catechisms, sixteenth-century Transylvania; historical/cultural/religious aspects; 8800978
- Russian aphorisms, literary/stylistic functions; belletristic occurrence analysis; 8803452
- Russian conjunction *i* "and," text-cohesive function; meaningful piece delimitation; 8801133

- Russian narrative texts, dialogue cohesion; referentiality/ellipsis/predicativity, pragmatic cohesion conditions; 8806016
- Russian proletarian/revolutionary songs, cross-genre phrase use; Soviet poetry/journalism; 8801109
- Sanskrit/Greek fables; rhetorical structure compared; 8803498
- science passage recall; topic knowledge/macro-organization effects; fifth-grade readers; 8805403
- second-language instruction, didactic/authentic texts use; psychological/textlinguistic/language-acquisition research, didactic implications; 8802588
- second-language instruction, material selection/structuring; functional-communicative language description applicability, East German school; sentence/text level; 8800206
- second-language instruction, text summary skills development; strategies/tactics teaching, psychological rules; 8804967
- second-language textbooks, texts design/didactic adaptation; text analysis, propositional/organizational/structural criteria; 8803497
- semantic information; textual organization; seven analysis criteria; 8803493
- semantic strategies, Wole Soyinka's *The Road*; syntax/clause type/meaning; 8809160
- semiology; textual analysis; R. Barthes essay collection; 8809200
- sentence/text phasal modification, predicative actant theory framework; Spanish material; phase verb/base predicate semantic nature correlation; 8803320
- sentence/text/literary work; theses formulated; 8805957
- Seuren, P. A. M., *Discourse Semantics*; review article; 8803471
- Slovenian epitaphs, structural-poetic peculiarities; first person/optative/imperative forms use, stanza type/frequency, rhyme/meter conventions; 8801084
- Slovo polku Igoreve* (The Song of Igor's Campaign); obscure/unclear fragments/words interpretation; Russian/Ukrainian/Belorussian dialectal data use; 8803715
- software documentation writing, current cognitive processing/text linguistics research overview; guiding principles developed; 8807929
- Sorokin, Yu. A., *Psikholingvistiicheskie aspekty izucheniya teksta* (The Psycholinguistic Aspects of Text Study); review/outline; 8803508
- southern Italian strong perfects; historical development; literary texts examined; ancient/modern dialects; 8801491
- Spanish vocabulary development, 13th century; creative derivation role; Alfonsine manuscripts examined; 8801340
- special language/text; translation-oriented special language research, theoretical foundations; translator's special skills; 8801049
- special text instruction, analysis/production/reception; four-stage procedure; functional sentence perspective framework; Russian technical texts; 8803487
- special texts typology; practical three-dimensional model developed/tested; German material; 8801038
- special/general text relationship; major aspects examined; 8801052
- specialized text macrostructure; surface level signals function; text linear organization/sequential structuring; 8800979
- specialized texts' description/classification; topical sentence division/thematic progression typology criteria; 8806075
- speech genres; utterance/text/literary discourse; 8806118
- story characters' motives/intentions, reader interpretation/projection; age factor; Dutch 14-/15-/16-/17-year-olds, adults; 8805959
- story comprehension/recall; story grammar, schema theory notions; third graders; Southgate Word Selection Test, Sentence Completion Test; 8807757
- story discourse, pragmatically defined constraints; interactions sequence; 8803292
- story processing; narration/description interaction; reading time/free recall; information importance/semantic role effects; 8803402
- story schema; reading/writing instruction technique; 8807673
- story schema; story grammar theories; reading instruction implications; 8808390
- structural/surface signification; Soviet political address, semiotic approach; 8806101
- student academic writing; college chemical engineering/British literature courses; 8800565
- stylistic features classification; communicative perspective, classification procedure; 8806786
- stylistic study, J. G. Rosa's "O Burrrinho Pedrês" (The Little Spotted Donkey); syntactic/semantic/phonetic-rhythmic devices; 8801832
- stylistics; text pragmatics contribution; 8806819
- Sumerian *Lugal*, Tigris river natural history; J. van Dijk's interpretation challenged; 8801034
- suprasentential text analysis; text type/style, quantitative/qualitative procedures; philological-linguistic description integration; 8801106
- teaching materials, page-to-screen transition; surface/interface design problems; 8801043
- temporal relations, text, anaphoric nature abandoned; time adverbials/tense, imperfective/perfective aspect framework proposed; 8808210
- text analysis, F. Sabino's "A Culpa da Sociedade" (Society's Fault); narrative structure/meaning levels/semic relations; 8801003
- text analysis, second-language instruction; micro-/macrofeatures approach, alternative method proposed, E. O. Winter's/M. Hoey's framework; 8806048
- text analysis/diagnostic reading; theoretical issues; critical linguistics; cultural meanings; 8801093
- text analysis; authorial viewpoint; discourse meaning/interpretation; 8805958
- text analysis; speech acts; act/activity distinction; 8803458
- text coherence; argumentative orientation/program markers; J. Anscombre's argumentation in language theory; 8801066
- text cohesion; bottom-up analysis system; cohesive ties; M. Halliday's/R. Hasan's framework; 8805452
- text cohesion; reading comprehension role; 8807742
- text comprehension problems, genre-appropriate schema recall; macrostructure model developed; 8808357
- text comprehension/retention; text structure instruction effect; research report vs journalism structure; 8807619
- text comprehension; cohesion role; native/nonnative speakers compared; 8802619
- text comprehension; graphic elements role; reader-related variables; 8801085
- text connectivity; intelligibility/comprehensibility/emotional accessibility/existential accessibility; Danish radio broadcast; 8806003
- text corpus development, software system; interlinear text glossing/annotation; 8801423
- text function definition; recipient's task, general-basic text functions; 8808356
- text internal organization, grammar/coherence; text/pseudotext, coherence functions; paradigmatics/syntagmatics application; 8801107
- text interpretation theory, S. Freud's/F. de Saussure's languages; glossing considerations; 8809208
- text linguistics theories; grammar/semiotics approaches; foreign-language pedagogy implications; 8806060
- text linguistics, current problems, Warsaw conference report, 25-26 November 1986; 8806049
- text linguistics; diachronic stylistics importance; 8803509
- text linguistics; term preferences; French-Nordic confrontation; 8808346
- text meaning interpretation, deconstructive approach critiqued; textual strategy-reader initiative integration proposed; comment, hermeneutics/deconstructivism similarities; 8801012
- text memory; perspective shifting effects; schematic encoding implications; 8802364
- text patterns, processing instruction; college history texts, research reported; Mexican-Americans; 8807686
- text patterns/rhetorical predicates; textbook/workplace occurrence; pattern/context interaction; 8808361
- text processing; previous knowledge affect; textual predicates; 8804671
- text production models; didactic application; 8807942
- text production, creative language use; idioms; textual/creative functions; linguistic competence; 8803427
- text production, language/register choice/situational factors interrelationship; M. A. K. Halliday's register theory; 8808355
- text production/reception, information status; shared/nonshared information, pragmatic/syntactic aspects relationship; English material; 8806099
- text production/reception; producer/recipient expectation/disappointment; 8801654
- text production; vocabulary/grammar correlation, lexical units' grammatical functions; 8805963
- text readability; colloquial style effects; cloze tests; Chilean newspaper; 8808335
- text recall, comprehension; perseverative text processing strategy effects; fifth/sixth graders; 8805439
- text recall; dogmatism/rhetorical structure interaction; 8802847
- text semiotics; M. A. K. Halliday, V. N. Voloshinov, U. Eco; structural linguistics background; 8801935
- text sequence structure; coherence factors, configuration components; 8805954
- text structure awareness, expository discourse recognition/production; high/low ability college students; 8806021
- text structure/reading comprehension; B. Meyer's "Organizational Aspects of Text: Effects on Reading Comprehension and Applications for the Classroom" reviewed; 8802864

- text stylistics; social action domain/language use correlation; communicative domain/situation distinction; 8806051
- text type/communicative situation connection; written scientific discussion features; German material; 8808348
- text type/macro-/microstructures interrelationship, A. P. Chekhov's personal letter analysis; architectonic/compositional features, actional/topical-thematic structures; functional-communicative language description framework; 8803462
- text typology/analysis methodology; language action type notion relevance, speech act theory/pragmatics/communicative grammar integration; W. Hartung's text analysis model presented; 8801122
- text typology; determinants/structural models/stylistic patterns; text type definition, functional-communicative language description framework; 8808349
- text-related special vocabulary, foreign-language instruction; didactic relevance questioned; 8807500
- text/picture relationship, fables; semiotic perspective; *Rotkäppchen* (Little Red Riding Hood) analysis; 8801939
- textbook content analysis; Content Analysis Training Model for Teacher Educators; 8807790
- textbook difficulties, advanced level texts; sentence length, ambiguity, syntax; 8800506
- textbook readability; Brazilian/French elementary school texts compared; 8807786
- textual categories; literary texts/metatexts; 8803465
- textual cohesion; perceived coherence relationship; native vs nonnative academic expository texts; Portuguese-speaking English students; 8808317
- textual graphic-figurative elements; field theory/functional-communicative language description framework; graphic-lexical-grammatical interaction; 8808419
- textual incoherence, Xlebnikov's *Ka*; M. A. K. Halliday's functional-systemic linguistics framework; 8806825
- textual variation; error corrections; translation problems; *La Vie et les epistres Pierre Abaelard et Heloys sa fame*, (The Life and Letters of Peter Abelard and Heloise His Wife), Jean de Meun's translation; 8800649
- textual-mapping, British legislative writing; drafting community efforts; corpus-based analysis; 8800981
- textuality features/categories, didactic relevance; written language instruction; German material; 8808329
- thematic participant introduction, Kriol story; linguistic device use; subject topicalization; 8806009
- thematic progression typology; "multiple"/"gapped" developments added; F. Danes's terminology simplified; 8801010
- title, grammatical/communicative structure, Soviet/East German dailies; syntactic/modal/intonational features, nominative/informative/advertising functions; 8805820
- translation teaching, text-analytical approach; theoretical presuppositions; 8805583
- translation theory, Biblical texts; Eugène Nida's/Henri Meschonnic's approaches; 8805604
- translation, text-linguistic interpretation; text meaning determination, hermeneutic proposal; 8803003
- translation; professional training; text analysis skills development; 8800658
- valence/communicative-pragmatic factors relationship; comparison/contrast/metaphorization/reduction effects, stylistic procedures; journalistic texts analyzed; 8800744
- Vedic 'speech'/'sound'; pronoun agreement; Upanishad interpretation; 8806263
- verb phrase ellipsis interpretation; surface form encoding; antecedent distance effect; 8802372
- Vettori, Francesco; manuscript analysis; orthographic/phonetic/morphological/syntactic peculiarities; 8806346
- Victorian conversational behavior; Robert Browning's poems analyzed; 8804163
- word/sentence/text semantics; semantic research trends, literature survey; speaker/writer/listener/reader communication/message transfer process; 8808258
- writing instruction, propositional analysis; W. Kintsch's text analysis approach; 8807911
- writing instruction, writing processual model; textuality production components; problem solving process; 8802907
- writing quality; topic effects; general vs specific information; upper-level college students; 8800577
- writing types, classification/instruction; traditional classifications reworking attempts; 8800580
- writing; cultural differences; contrastive rhetoric/second-language learning/literacy education; 8807935
- written argumentations; syntactic/semantic/textual/pragmatic features analyzed; attitude effects; 8806112
- written communication quality; nonnative English speakers; syntactic complexity/errors/cohesion; 8800362
- written discourse; scientific/nonscientific varieties differences; cohesion/interactivity; 8801092
- written expression, language-disordered children; semantic organizer approach; 8807191
- written instructions, interpretation problems; US cookbook recipes analyzed; 8802921
- written text understanding; practical sociological reasoning use; social ordering; 8806052
- written-oral language relationship; dependence/interdependence/independence, relative/absolute autonomy; text forms analysis; 8808912
- Yiddish 1936 handbill; St. Louis, Missouri; linguistic analysis; 8801145
- Yiddish terminology use; 1928 S. J. Perelman letter analyzed; 8801144
- Yiddish/German terminology use; Esther Levy's *A Cookery Book ...*; linguistic analysis; 8801146
- Yucatec Maya books, M. Edmonson's translations reviewed; empirical analysis, comparative framework; 8808144
- Zola, E.; grammatical categories use; statistical study; 8800757
- ### Thai Languages
- greetings/leave-taking, American/Thai differences; English as a second language instruction applications; 8806722
- narrative written discourse; American English/Thai; student compositions analyzed; 8805516
- noun classification, Thai children aged 2-11; meaning role; 8807209
- Sukhothai Thai zero noun phrases, sentence/discourse topics; discourse/pragmatic factors; 8800977

- writing; cultural differences; contrastive rhetoric/second-language learning/literacy education; 8807935
- ### Theoretical Linguistics
- Acehnese (Austronesian) passive construction; verb agreement/grammatical relations; 8805721
- adjective-noun order relationship; object-verb/verb-object languages; geographical patterns; J. H. Greenberg's analysis contradicted; 8808441
- adjectives subcategorization, descriptive framework; functional/complementational/semantic approaches integration; three-level scheme; 8808504
- adjunct direct objects; government-binding theory analysis; case/theta-role assignment problems; 8806143
- adult second-language learning; parameter-setting model/universal grammar; English anaphora acquisition; Japanese/Spanish speakers contrasted; 8802612
- adverb licensing, generation/distribution; head feature licensing category proposed; English/Icelandic/German data; 8808518
- Afrikaans reduplication; formal/semantic properties; unified lexical analysis; 8808282
- agrammatism, Y. Grodzinsky's theory reexamined; neurolinguistics' importance; 8807326
- agreement, empty category principle; verbal morphology; 8808423
- Albanian reflexive pronoun *vete* 'self'; anomalous passive constructions/binding theory difficulties; 8803571
- anaphora/locality; theta fields/government; reflexives/control/pronominal anaphora; 8808438
- anaphora; distributivity; discourse representation/government-binding theories; 8801189
- anaphoric dependencies; lexical knowledge/syntactic principles relationship; acting-out tasks; children aged 3-5 years; 8807232
- antecedent-contained deletion; alternative analysis; extraposition, *i*-within-*i* condition; 8803511
- anti-C-command condition, parasitic gaps; C. Contreras's analysis questioned; 8803556
- applied linguistics; evolution/current research issues/linguistic theory relationship; 8807354
- Arabic broken plurals, templatic transfer; melodic linking processes; 8806135
- argument structure hypotheses; θ -marking, Japanese light verb *suru*; argument transfer theory; 8806132
- artificial intelligence research; natural language processing activities; 8808692

- assertibility, conditionals property; judgment/truth accountability; 8804387
- association lines; well-formedness condition; overlap/nonlinear phonology; 8803557
- autosegmental theory; geminate inalterability constraint/feature underspecification/feature geometry; Tigrinya spirantization/child's English epenthesis; 8803564
- Bantu (Niger-Kongo) vowel harmony; non-structure-preserving rules, lexical status demonstrated; 8803043
- bare infinitival complements; Dutch pseudo-progressives, proper structure/value; 8808502
- barriers, N. Chomsky's theory; modifications proposed; English/Korean relativization account; 8801200
- Berlin transformational linguistics; N. Chomsky's influences, major studies/linguists presented; 8806120
- Bernhardi, A. F.; linguistic theory; *Sprachlehre* examined; 8808557
- bilingual discourse; code-switching/word order equivalence constraint; context-free grammars; 8801190
- binding theory; English reflexives/reciprocals, binding domain differences; 8808446
- Bosianu, Gheorghe; traditional/structural grammar critique rejected; 8801151
- bound pronouns, Tarifit (Berber) overt pronoun data; government binding theory; 8808490
- Brazilian Portuguese verb fronting; government-binding analysis; verb-to-COMP movement/*that*-trace effects; 8805758
- Breton consonant mutations; incomplete/full; mutation reversal/partial mutation analysis; 8800733
- case assignment; clausal arguments; visibility condition/ θ -theory; 8808527
- case patterns, German; combinatorial/distributional restrictions, empirical/theoretical motivation; case infections presence/absence; 8808437
- case theory, dependence grammar framework; application areas; 8803566
- categorical grammar; computationally tractable model constructed; English syntactic/semantic problems treated; 8801181
- Cheyenne verbal agreement system; generalized phrase structure grammar analysis; word internal structure; 8806162
- Chicheŵa (Bantu) tonal reduplication; nonlinear phonology approach; 8805648
- child language acquisition; cognitive development; theoretical concerns, phonology, grammar; 8800073
- children's grammatical development; government/binding theory parameterized systems application; Italian/English/German data; age differences; 8801177
- Chinese predicates classification/subcategorization; valence theory/N, Chomsky's framework; 8801172
- Chomsky, N., linguistic theory; R. P. Botha's *The Generative Garden Game: Challenging Chomsky at Conceptual Combat* reviewed; 8806151
- Chomsky, N., modularity hypothesis; learning theory implications; 8809233
- Chomsky, N.; *Knowledge of Language: Its Nature, Origin and Use* reviewed; reply; 8801204
- Chomsky, N.; universal grammar/language acquisition; semiology; 8803545
- classification/typology, modern linguistics controversial issues; psychology/sociology contribution considered; 8801194
- clausal form/quantifiers, natural language; donkey sentences problems; sentence meaning representation; 8803529
- cognate objects, revised case filter approach; government/binding explanation critically examined; 8808467
- cognitive linguistics, history/current research focus; language as mental phenomenon; computational science/universal grammar contribution; 8803514
- common parsing scheme, left-/right-branching languages; phrase patterns, parse tree nodes; 8808720
- communicative dynamism; functional sentence perspective; 8803528
- communicative function notion, scholars'/schools' views; Wilhelm Schmidt's definition adopted; 8808432
- comparative clause subdeletion; *of*-/subcomparatives; extraction aspects; 8803530
- comparative syntax; language universals; passive/grammatical relations/accessibility hierarchy; 8806428
- competence/performance distinction; modularity concept implications; 8801150
- complex causative idioms; Dutch verb *laten* 'let'/English causatives compared; government & binding theory framework; simple idiom restrictions, implications; 8808436
- complex noun phrase constraint, violations; lexical/grammatical head dichotomy, Swedish/English/Finnish evidence; 8808507
- computational complexity theory; natural language processing system problem tractability; agreement/lexical ambiguity; lexical-functional grammar/generalized phrase structure grammar/two-level morphological analysis; 8801149
- computational linguistics; natural language processing/linguistic theories relationship; unification grammars; 8808498
- context, linguistic definition problem; static vs dynamic conception, language as communication; 8806158
- context-based language study; language learning/discourse analysis/grammatical theory; 8808409
- context-free grammars; English nongenerability; *respectively* coordination argument; 8801178
- contextual indifference hypothesis; distributional study, scalar nature; 8803275
- contrastive analysis; tertium comparationis definition/determination, theoretical/practical aspects; 8808685
- contrastive sociolinguistics, *tertium comparationis* notion; theoretical/practical perspectives described; 8801722
- control phenomena; binding theory account; 8808464
- control theory, Chinese; verbs tensed/untensed clauses, syntactic predictability; matrix verbs' lexical meaning/pragmatic factors; 8808525
- control/A-chains, Modern Irish data; J. McCloskey's earlier analysis reexamined; 8806153
- coordination; delete- α approach; Chinese evidence; 8803536
- diachronic linguistics, current issues; typology/iconicity/efficiency/direction/fuzziness; 8803650
- discourse production/comprehension; formal properties; enunciative process; 8801273
- "disinterested speech"; H. P. Grice's conversational maxims, John May's arguments reviewed; 8803327
- dominance/universal grammar interaction; perception/cognitive structure/modularity; salient/background constituents; 8801169
- double object construction, simple datives origin; underlying clauselike VP, dative shift; 8808472
- Dutch reflexive anaphor *zich*; J. Koster's analysis rejected/government directionality approach supported; 8808521
- dynamic text linguistics; principles/objectives, dynamic text model's fundamentals; 8806104
- educational process; native-lang role; linguistic theory implications; 8807376
- elliptical phenomena; distributional/interpretive properties; government-binding analysis; 8800765
- empty categories; government & binding theory; well-formedness conditions, locality requirements; 8803510
- empty category processing; aphasia case study; syntactic/parsing theory implications; 8802119
- English /ng/; abstract analysis rejected; linguistic theory/explanation; 8800718
- English absolute constructions; adjuncts/absolutes; Montague semantics supported; G. Stump's *The Semantic Variability of Absolute Constructions*, review; 8805860
- English absolute *with*-phrases; preposition stranding/extraction conditions; M. Siegel's analysis refuted/subjacency analysis proposed; 8808149
- English anaphora; adverbial clauses; syntactic analyses rejected/semantic alternative proposed; 8808514
- English anaphora; pronouns/*another* contrasted; categorical binding theory; 8800803
- English antigemination; obligatory contour principle; spirantization/syncope evidence; 8803023
- English comparatives; P. Seuren's theory critiqued; underlying structures, existential quantification; 8801155
- English control verbs; interpretive analysis; lexical features/logical form rules; 8806159
- English coordinate NPs; generalized phrase structure analysis; unary features/feature percolation; 8806171
- English future tense; semantic-philosophical/neutralization arguments; primary vs modal *will*; 8808439
- English noun phrase-internal/-external movement; government-binding analysis; Chomsky's minimality condition revised; 8801179
- English passive; monostratal phrase structure analysis; SLASH-like missing constituent feature proposed; 8801203
- English productive causative verbs; syntactic/semantic properties; *to* deletion rule proposed; 8808519
- English sentence initial elements; discourse function; coherence properties; 8801062
- English studies, Soviet Us; Western theories/Marxist-Leninist approach; 8804368

- English subject-auxiliary inversion; K. Safir's account critiqued/alternative analysis proposed; 8808465
- English subject-to-object raising rule, validity examined; reply; 8805794
- English *there*-sentences, transformational analysis; J. Emonds's account, structure-preserving hypothesis; 8801156
- English *to*-contraction; control theory implications; 8808426
- English/German verbs compared, overt complementizer presence/absence; government/movement theories unification; 8808484
- English/Guugu Yimidhrr anaphora; pragmatic theory outlined; control/binding/zero-anaphora; 8803541
- ergativity, basic introduction; definition, characteristics; 8801165
- evidentiality modal; speaker attitude marking; reported/infering/attested evidence types; 8805823
- Evidentiality: The Linguistic Coding of Epistemology*/Robert Martin, *Langage et croyance: les 'univers de croyance' dans la théorie sémantique* (Language and Belief: "Belief Universes" in Semantic Theory); review article; 8806169
- feature distribution; German/Dutch modifier/specifier placement; 8806125
- Fillmore, Charles J.; case semantics critique; deep case notion, instrumental case; 8806145
- Finnish particle clitics, general clitic theory; syntactic/morphological/phonological status; generalized phrase structure grammar model, Finnish connective/epistemic adverbs; 8801185
- floating quantifiers, theory proposed; H. Koopman's/D. Sportiche's approach reexamined; 8808510
- foreigner talk syntax; core/peripheral grammars; cross-linguistic simplification strategies; 8806388
- formal semantic theory; critical overview; 8801191
- Fourteenth International Congress of Linguists, report; Romanian linguists contributions; 8806117
- Fox (Algonquian) stem derivation; post-transformational processes; 8806131
- free relative constructions; matching effects/Romanian evidence; COMP accessibility notion refined; 8806138
- French motion verbs; base infinitive complement structures; complex predicate analysis proposed; 8808488
- French past participle agreement, complement theta index use; government/binding theory framework; 8803516
- French phonology; theoretical analyses; data disagreement; schwa/liaison/aspirated *h*; 8803072
- French subjectless verbs; *voici* 'here is'/'voilà 'there is'; empty category theory implications; 8805699
- Fula (Niger-Kongo) nominal class marking; strata/syllable dependencies, nasal variants; 8805937
- Fula (Niger-Kongo) pronoun choice; current syntactic theories inadequate; 8806127
- functional sentence perspective; thematic-rhematic structure; serialization/intonation interplay; 8803523
- generalized phrase structure grammar, complexity sources; context-free languages; sentence parsing; 8801188
- generalized phrase structure grammar, Prague school perspective; G. Gazdar's/R. W. Jackendoff's preposition analyses; 8808489
- generative transformational grammar; semantic applications; componential analysis/network models; 8803550
- generative/interpretative semantics, extended standard theory; competence/meaning components, semantics/syntax relationship; 8808257
- genericness, philosophical concept vagueness; "extensivity"/"extensitude" concepts proposed; 8808523
- German 19th-century linguistics development; Johann Christoph Adelung's/Friedrich Schlegel's contributions; 8801233
- German dictionaries; negative aspects; lexicography/linguistic theory; 8801563
- German discontinuous noun phrases split, "free" word order; government/binding framework, universal grammar principles; 8808443
- German lexicon deficiencies, linguistic theory neglect; meaning treatment suggestions; 8806542
- German participles, government/binding theory-oriented analysis; J. Toman's description critiqued; alternative semantic account; reply; 8803572
- German subjectless clauses, valency/government-binding frameworks; empty categories; 8808456
- government-binding theory; N. Chomsky's *Barriers* reviewed; 8808476
- grammatical logic approach; English *if*-sentences, antecedents/consequents; 8804383
- grammatical overgeneration prevention, principles/parameters approach; Russian noun phrase examined; cross-linguistic empty category distribution; 8803553
- grammatical relations; government-binding approach; A. Marantz's *On the Nature of Grammatical Relations* reviewed; 8803555
- grammatical/anaphoric agreement; lexical-functional grammar theory developed; Chicheŵa (Niger-Kongo) agreement system; 8803517
- Guillaume, G., *Leçons de linguistique de Gustave Guillaume, 1945-1946 (série C): grammaire particulière du français et grammaire générale* (Linguistic Lessons of Gustave Guillaume, 1945-1946 (Series C): Specific Grammar of French and General Grammar); review article; 8808555
- Halliday, M. A. K., *An Introduction to Functional Grammar*; review/outline; 8803563
- Handbook of Discourse Analysis I-IV*; critical review; 8801020
- Hasdeu, B. P.; theoretical/practical dialectology conceptions; Romanian dialectal diversification studies; 8806458
- Hausa (Chad) syntax; government-binding analysis; identification relations, bijective nature; *pro* identification/empty feature assigners; 8800884
- "head combination" process; independent lexical items; morphological unit formation; M. Baker's incorporation approach/H. van Riemsdijk's reanalysis approach compared; 8808428
- head-marking languages; government-based analysis difficulties; Lakota (Siouan) evidence; 8803262
- Hebrew complementizer *še*, English *that* comparison; syntactic/phonetic status; cliticization; 8806164
- Helbig, Gerhard, *Entwicklung der Sprachwissenschaft nach 1970* (The Development of Linguistics after 1970); review article; 8803565

- word communicative use, theoretical representation; language-thought modes correlation, word use transformation process; 8801167
- word formation comparative study; transformational-generative/Montague grammar frameworks inadequacy; adequate analysis requirements formulated; 8803558
- word order parameters; government & binding framework; Chinese/Kpelle (Niger-Kongo) headedness analyzed; 8803568
- word processing models, lexical/nonlexical routes; dual-route/analogy models; cross-linguistic evidence; comments, reply; 8802234

Time, Duration

- acoustic voice reaction time; foreperiod length effect; stutterers vs non-stutterers; 8809419
- acoustic/response time measures, apraxic/normal speech production; verbal response/vowel duration/interword intervals; 8809453
- anticipation, verbal markers; problem-solving framework; 8807135
- auditory Stroop effect; psychoacoustic dimensions; pitch/loudness/time; 8800151
- children's personal experience conversations, past events; evaluative function; children aged 2;0-2;6; 8807246
- coarticulation, timing/spatial effects; proposed models; 8806911
- contextual nasalization timing, Akan/Agwagwune (Niger-Kongo) material; oral airflow; nasal consonant peak nasalization patterns; 8806907
- delayed speech feedback; disruptive effects circumvention; duration variation; 8800149
- English temporal prepositions/subordinate conjunctions; rule determination/semantic meaning distinction; Dutch temporal replacement; 8808222
- fluent speech; temporal aspects; stuttering/nonstuttering children compared; reaction time/segmental timing tasks; 8804558
- French preposition *pour* 'for'; temporal functions; 8803336
- French speech synthesis; phoneme duration prediction; context/speaking style effects; 8804427
- French validating construction; acoustic analysis; fundamental frequency/intensity/duration; 8806899
- gated familiar noun perception; word frequency/temporal processing effects; children/teenagers/older adults; 8800146
- historiography/psychoanalysis, discourse similarities; time differences; "I"/"Other" perspectives; 8806032
- history, temporality issues; Maurice Blondel's views; Etienne Gilson's opposition; 8806041
- ideomotor apraxia; space-time movement system; error pattern analysis; 8809440
- Inuktitut suffix *-lauq-*, imperative form use; psychomechanical explanation; temporal/spatial relationships; 8805761
- Japanese character retrieval/use, memory representations; *hiragana/kanji*/English alphabet use; 8807310
- Japanese modifiers; future time differentiation; 8803296
- Japanese morphological tense forms; temporal interpretation; simple/complex/conditional sentences; 8803289
- Japanese temporal connectives; child acquisition; comprehension tasks; children aged 3-5; 8802318
- lateral inhibition; spectral model; time-domain contrasts; 8801982
- lexical decision task; associative strength effects; automatic/attentional processing role; 8802366
- mean length of utterance, Down syndrome children aged 2-12; chronological age correlation, grammatical complexity; 8809501
- naming reaction times; linguistic encoding dominance; hemispheric processing differences; stutterers/nonstutterers; 8809439
- object utterance order; temporal organization/drawing; 24-hour interval effect; primary school students; 8802243
- operative time, basic reality identification; 8808520
- pause duration; report/perception/actual occurrence discrepancies; poetic format effects; English/French speakers; 8805971
- pause occurrence/duration, estimation measurement; American English/German material; native English/German speakers; 8804693
- phonation; dipole source, time domain properties; 8806924
- Polish temporal adverb acquisition; reference/event/speech times relationship; children aged 2;4-3;2; 8804814
- Polish temporal organization, nonsense syllables; native Polish speaker; 8809309
- psychomechanics, operative time parameter disputed; meaning difference exploitation, polysemy generalization; 8808473
- reading disability; phonological processing deficits relationship; temporal/phonetic perception; 8804603
- repetitive music; modern/classical Indian forms; nonlinear time conception; 8801261
- response/accuracy/lookback frequency; proficient readers; time/access/question-type effects; undergraduates; 8807794
- sentence process/complement relations; thematization effects; temporal noun grouping; French material; 8803130
- sight word reading instruction, moderately retarded students; constant time delay/least prompts system compared; 8809497
- Slovak tense system account; H. Reichenbach's notions replaced; modal/aspectual differences, "observation point" notion; 8800834
- South African English; adverbs *just/now*, temporal scope; proximal futurity; 8806478
- speech production; aerodynamic/acoustic events; temporal patterning; apraxic/dysarthric/normal subjects compared; 8802109
- speech rhythm display, new method proposed; Nordic languages; 8804443
- speech timing effects, children's sentence comprehension; first/second/third graders; 8802403
- speech timing; Parkinson's/Huntington's disease effects; initiation/production/rhythmic timing relationships; syllable/sentence duration tasks; 8804553
- stop consonant-vowel relationship acoustics, fluent/stuttered utterances; acoustic duration compared; 8802084
- stutterers' oral reading; pause/utterance durations, fundamental frequency characteristics; nonstutterers' oral reading compared; 8802122
- stuttering event; speech planning unit context; durational changes/speech rate variables; 8804580
- stuttering; voice reaction time/cortical auditory system activity; 8804560
- syllable duration, anticipatory length; word boundary/stress placement-free hypothesis; spectrograph data; 8809328
- syllable duration, rhythm/duration perception; earlier data reevaluated; 8806933
- temporal sequence encoding; English *before/after*; arbitrary/logical sequences; children/adults compared; 8800030
- temporary concepts; spatial notions relationships; English/Chinese data; 8804696
- time adjective perception; speed/energy scales; Type A vs B behavior, undergraduates; 8800024
- time of day effect, elliptical verb phrase interpretation; plausibility/antecedent distance effects; 8802391
- Toba (South Amerindian) time expression; English compared; 8808241
- tone duration, ipsilateral/contralateral masking; auditory perception; 8802408
- visual imagery, generation/persistence times; 8807153
- word initial consonant length perception; Pattani Malay data; 8806885

- intonation/meaning relationship, spontaneous speech; British English; tonality/tonicity/tone; 8801013
- Japanese morphophonology; lexical phonology analysis; stratum ordering; tonal/segmental phenomena; 8805653
- Jita (Niger-Kongo) noun-modifier phrases, tonology; final syllable tone placement; 8808046
- Kirundi (Niger-Kongo) tonal system; two toneme system proposed, notational system; 8805650
- Kivunjo (Niger-Kongo) morpheme *ni*, distribution/functions; noun phonology role; G. Dalgish's analysis refuted; 8808299
- Kukuya (Niger-Kongo) phonology; tone/accent/prosodic domains interaction; autosegmental/lexical theories; 8800710
- language processing; lateralized function; dichotic listening study; Chinese/English bilinguals; 8802443

- linguistic tones, cerebral lateralization; narrow-band spectrographic analysis; right-/left-hemisphere-damaged Norwegian aphasics; 8802025
- Luba-Kasaayi (Niger-Kongo) noun formation, verb-based derivation; 8805933
- Luganda (Bantu) syntax-phonology interface; prosodic domain theory aspects examined; 8803051
- Mandarin Chinese tone; neutral tone words, underlying representation; semantic factors; 8803063
- Maninka (Niger-Kongo) phonology; phonological units/ordered rules/tonal system; 8805633
- Middle-Old Tibetan consonant system, tonogenesis; 8808101
- Mochi (Middle Chagga, Kilimanjaro Bantu) tone structure, high/low/null values, intersyllabic position; J. W. G. Mölig's prosodology approach, distinctive prosodeme description; 8805685
- music; perception/interpretation; limbic/cortical systems role; music semantics; 8800917
- musical language syntax/phonology, phrase's tonal structure/well-formedness principles; L. van Beethoven's sonatas linguistic analysis; 8808077
- Norwegian text-to-speech system, toneme 1 1/2; test tape ratings; Norwegian listeners; 8803038
- Norwegian tonemes, dialect differences; normal/unexpected tonal patterns compared; 8803044
- Nuni (Niger-Kongo) tone patterns, simple verbs/nouns; compound regular/irregular nouns, derivations/morphophonemic rules; 8808065
- Papago tonal phrasing; righthand margin, government/phrasal projection characterization; 8803040
- phonetic trading relations; general perceptual interpretation supported; nonspeech tonal stimuli; 8804464
- phonetically low/phonologically high tone, East Norwegian data; pitch contours, prosodic feet; 8800708
- pitch perception, memory encoding; frequency ratio model rejected; 8807318
- prosodic structures, Swedish/French; temporal/tonal features; Lund model of prosody framework; 8808094
- sentence comprehension; phonological processing role; syntactic analysis; tone/syllable shadowing tasks; 8800739
- Serbo-Croatian tone/stress; autosegmental account; 8808061
- Shanghai tones, detailed analysis; lexical phonology/underspecification theory framework; 8805643
- Standard/dialectal Slovene prosodic variation; typology/numerical estimates; 8803946
- Sucite (Senufo) tonal alternations; descriptive analysis; double-tiered approach; 8805632
- Swedish pitch accent, nonlinear analysis; foot/tone mapping, accent distribution; 8808036
- Swedish word prosody; nonlinear analysis; stress/syllabification/tone accents; 8803092
- Taiwanese tones, computer-assisted inventory investigation; pattern-matching algorithm; 8805626
- tonal polarity, Moore/Lama (Niger-Kongo) data; associative construction, low-tone affix postulated; 8808063
- tone duration, ipsilateral/contralateral masking; auditory perception; 8802408
- tone normalization; fundamental frequency; between-speaker differences; Chinese speakers; 8804473
- tone processing; hemispheric lateralization; Modern Standard Chinese dichotic listening tests; Chinese/French subjects; 8800160
- tone production improvement; vocal exercises effects; junior high school female singers; 8804439
- toneme distribution, Scandinavian languages; terminal contour, mono-/polysyllables; 8800706
- Toposa (Eastern Nilotic), voiceless vowels description; 8805667
- Xiamen (Chinese) tone sandhi rules operation; tone group definition; 8803027
- Yao tones, Guo-Shan Yao/Ba-Pai Yao varieties; fundamental frequency contour analysis; earlier data compared; 8803113
- Zulu tonal depression, pitch perturbation; depressor phonetic properties; fiberoptic video/still photography, laryngographic/aerodynamic measurements, spectrographic analysis; 8805676
- Topic**
- adult English acquisition; topic-comment structure role; interlanguage/topic prominence; 8800397
- Arabic syntax; *wh*-movement/topic-comment structure, case assignment/binding; 8800775
- caregiver language; Igbo society; mothers/maids; 8806622
- Chinese adverb *you* 'again'; objective/subjective accumulation; topic focus; 8805694
- English subject-auxiliary inversion; K. Safir's account critiqued/alternative analysis proposed; 8808465
- expository text comprehension; prior topic/text structure knowledge contribution; fourth-grade proficient readers; 8802897
- French word order, functions; topic marking, sentence ordering; 8803129
- grammatical/anaphoric agreement; lexical-functional grammar theory developed; Chicheŵa (Niger-Kongo) agreement system; 8803517
- Hausa (Chadic) topicalized constructions; focus construction differences; base generation/logical form binding approach supported; 8803196
- Hopi radio commercial, topic structure; new/old information, rhetoric codes; 8806083
- Igbo (Niger-Kongo) topic-shading strategies; culture/context effects; unplanned discourse; 8806057
- Japanese syntax; nontransformational phrase structure analysis; anaphora/control, syntactico-semantic approach; 8805732
- Korean multiple subject constructions; movement analysis/first NP subjecthood rejected; topic prominence parameter; 8803192
- Korean topic/conditional relative constructions; morphological/semantic interrelatedness; archimorphemic linguistic level postited; 8800860
- metaphor use; children aged 3-7; topic/vehicle link, syntax, explicit metaphorization; 8804744
- mother-child conversations; topic relations development; children aged 1;7-2;8; 8804154
- mother-child interaction; Down's syndrome/nonretarded children compared; responsiveness/interaction rate/topic control; 8804616
- Northern Pomo, topics; morphology/syntax/semantics/discourse pragmatics; 8808172
- phatic communication; topic choice/topic linkage; situational frames analysis; 8806079

Finnish invariant adjectives/pronouns/compounds/borrowings, American Finnish assimilation, word frequency/invariant nature relationship; 8808743

Finnish *t* ~ *s* alternation; verbs' assililation limitations; contraction/assililation stages; 8803687

Finnish/Finno-Ugric/Uralic studies; M. Korhonen's *Finno-Ugric Language Studies in Finland 1828-1918*; 8808549

Finno-Ugric grammars; historical survey; Finnish, Estonian, Hungarian, Lappish, Mordvin, Cheremis, Zyrian, Votyak; 8801219

Finno-Ugric/Indo-European semantic parallel, 'to write'/'to paint', Balkan languages, Bulgarian/Hungarian/Old Greek/Arumanian; 8803886

hydronym *Olhava*, Finno-Ugric etymology; Russian *Volga* compared; 8808813

Indo-European/Finno-Ugric early contacts; Ugric Indo-Europeanisms identified; 8803885

Kalevala, Finnish epic Hungarian reception; scholarly examination, translations, teaching, staging; 8806234

Kalevala, Finnish epic, national epos features European position/reception, E. Lönnrot's compilation, comparative approach; 8806235

Kalevala, Finnish national epic, historical vs mythological epos; alternative approaches; 8806228

language contact, Northern Norway; Finnish/Sami/Norwegian assimilation; 8801438

lexicology/lexicography, theoretical/practical problems; prototype/frame semantics, valence theory, Finnish-German comparative perspective; 8804088

North Ostyak folk poetry, word parallelism as a stylistic figure, Wolfgang Steinitz's framework; 8804315

Old Estonian folk song verse parallelism, stylistic/aesthetic/economic/mnemonic functions; 8804310

Ostyak folk poetry, parallelism as a stylistic figure; bibliography; 8804298

Ostyak personal names formation patterns; Russian influence, *-ko* morpheme; 8806504

Ostyak prose poetry parallelism, syntactic functions; asyndeton type, coordination/cohesion instrument; prose vs poetry; 8804301

parallelism, stylistic/poetic figure, Finno-Ugric poetry; grammar developed, secondary structure formation universal principle; 8804305

Proto-Uralic/Ugric vowel harmony; case suffixes/word stem vowel combination rules role; syllable stress/agglutination restrictions; 8806339

terrain features, place-names; Norwegian/Lappish/Finnish material; 8801535

Ugaritic etymologies; modern South Arabian language cognates; 8806341

Ugric phrasal predicates, Hungarian reflexes; descriptive study; 8808278

- Ugric verbs, stem alternation type; lexicographic/etymological/historical-comparative relevance; 8803357
- Vogul s/š Uralic/Finno-Ugric predecessors; Y. H. Toivonen's double palatalized sibilants thesis rejected; single Proto-Ugric *s; 8806296
- Unaided Recall**
- category name recall; free/indirect part-set cuing; high school students; 8804830
- concept learning, thematic pre-organizer/guided instruction; literal/inferential unaided recall, one-way variance analyses; ninth-grade average readers; 8805270
- free short-/long-term recall; items number/organization degree; German adults; 8804684
- reading rate/written free recall; textual variables' effect; cohesion, reference, predicates, topic; 8807731
- residual recall; organizational dimension, sorting/recall task; 8-/10-year-old learning/nondisabled children; 8805474
- vocabulary recall difficulty, text comprehension effect, free recall/summary recall/sentence recognition task data; sixth-grade students; 8805392
- writing development, cognitive factors; college freshman/seniors; 8807904
- Undergraduate School**
- Brazilian native language pedagogy; teacher training; applied linguistics role; 8807353
- cognitive characteristics, reading-/learning-disabled undergraduates; compensation strategies; Wechsler Adult Intelligence Scale-Revised; 8807691
- college reading lab use; individualized direct instruction; U of Georgia program; 8807715
- college reading placement; test score predictions; Verbal SAT, Nelson-Denny Reading Test; 8807874
- college reading program; reading/writing/speaking/listening skills; 8805357
- College Reading Specialist Competency Checklist; professional standards; 8807629
- college study skills instruction; news magazine use; 8807665
- community college reading tests; Washington State survey; placement/diagnosis; Nelson Denny Reading Test; 8805502
- composing process; writing structure/cohesion; skilled/less skilled college freshmen compared; 8802916
- composition instruction; reflexive cloze testing; text creation, psycholinguistic process; U course; 8800548
- comprehension monitoring skills; assessment/training; consistent/inconsistent prose statements; fourth/fifth graders, undergraduates; 8807675
- computer-assisted instruction, Spanish grammar concepts; differing cognitive style levels, field dependence/independence; beginning Spanish as a second language; undergraduates; 8807472
- constructed languages; U faculty/students attitudes; Esperanto; 8806483
- content text studying processes; inserted questions effect; eye-movements traced; undergraduates/fifth graders; 8805362
- cued recall of prose; pre-passage question effect; hierarchical importance; 8807312
- developmental dyslexia etiology; other reading disability forms compared; 8807059
- discourse structuring instruction, college freshmen; text summarizing vs sentence outlining; 8807901
- English as a foreign language instruction; Korean Us; problems/challenges; 8802477
- English as a second language instruction, pronunciation/intonation teaching, German Us; program proposal; 8805091
- English as a second language instruction, undergraduate programs surveyed; traditional/progressive models compared; 8800235
- English as a second language instruction; E. V. Sittler's audio-immersion approach; German undergraduates; 8805108
- English as a second language testing; English philology enrollees' English competence, West German Us; Cologne Placement Test evaluation; 8802668
- English as a second language U students; revision/rewriting/editing capacities; Chinese/Malay medium schools; 8800382
- English as a second language writing; revision process; Chinese-speaking first-year college students; 8800572
- English as a second language; Saudi Arabian American graduate school student, ethnographic case study; 8800370
- English as a second language; success/background/attitude relationships; undergraduates; 8805191
- English grammatical competence testing, Indian Us; critique; 8805237
- English language aptitude test scores; predictive validity; ethnic/sex/age biases; college admission policy implications; 8800474
- English language departments; Third World Us; teaching language/linguistics/literature; 8802594
- English studies, Soviet Us; Western theories/Marxist-Leninist approach; 8804368
- English textbooks, Japanese colleges; trends/needs; 8805020
- English-Italian word order comparison, didactic objective; Italian as a second language instruction, English students, U level; 8803805
- environment effects, Japanese/English vocabulary acquisition/retention; returned college students; Peabody Picture Vocabulary Test; 8805196
- foreign teaching assistants, US Us; English language problems; teaching skills; 8807394
- foreign-language acquisition; American indifference; language program revitalization; 8801743
- French as a first language instruction, Ontario; undergraduates' written language analyzed; 8804903
- French language speaking proficiency, first-year U students; current French courses; questionnaire data; 8807530
- German as a native language instruction, teacher training; East German Us; word formation teaching; teaching plans/textbooks survey; 8802467
- German as a science language, German teaching policy, Belgium; German knowledge questionnaire; Liège U staff; 8804911
- German as a second language instruction, Portugal; secondary school/U level; current situation, reform proposals; 8802549
- German as a second language instruction, U level; TV/radio commercials; 8802550
- German as a second language teacher training, East German Us, Czech students; computer-assisted error analysis/correction, software development/characteristics; 8804961
- German as a second language teacher training; East German pedagogical colleges, text/tasks/drills; 8800207
- German as a second language teacher training; Russian students, East German Us/colleges; deficits, errors; remedial materials; 8807440
- German as a second language, humanities/law special language teaching, German Us; text content comprehension/structure analysis; 8805013
- German as a second language, teacher training; East German Us/pedagogical colleges; cultural content; 8807480
- German as a second language, teacher training; East German Us/pedagogical colleges; linguistic program content; 8807510
- German as a second language; motivation/target-language country cultural information; East German Us, foreign students; 8800317
- German speech act performance; "request"/"apology," statistical analysis; situational context/pragmatic factors role; 8808362
- Germanic studies, People's Republic of China; German language teaching; historical essay; 8804288
- Hong Kong bilingualism; code-mixing/code choice; macrosociolinguistic/ethnographic/Labovian/social psychological approaches evaluated; 8805537
- independent learning model; PLAE-preplan, list, activate, evaluate; undergraduates; 8807740
- intercultural differences, scientific paper composition, quotations use; Chinese undergraduates, Tongji U (Shanghai); personal experience; 8807422
- Japanese language placement/evaluation tests; non-Japanese, Japanese students; undergraduate level; 8805235
- language dimensions, MA in linguistics, course characterization, U del Valle; interview; 8802450
- language games/linguistic concepts instruction; U level, methodological suggestions; 8800177
- literary translation, Germany; Düsseldorf U study program; 8808015
- main idea retention; text structure/processing task effects; title generation; topicalization; 8807271
- mainstreamed hearing-impaired college students; classroom participation; hearing loss degree impact; 8804509
- Mandarin-Taiwanese bilingualism/diglossia; domain use frequency, rating, age; questionnaire; undergraduates aged 17-24; 8800621
- Mexican-origin college students; cultural preferences/language proficiencies; academic achievement relationship; 8804245
- oral language proficiency testing; US academic/nonacademic areas; ACTFL/ETS testing scale; 8800460
- oral reading; undergraduates; preschool audience; 8805313
- phrase processing; phonological recoding vs direct access; previous exposure effect; 8807862
- précis writing; writing skill training; college students; 8802923
- professional translator training; East German Us, postgraduate course, enrollment requirements, program content; English-German machine terminology; 8802992
- reading comprehension; reading theory predictions; reading purpose/speed effect; undergraduates; 8805410

- reading rate/written free recall; textual variables' effect; cohesion, reference, predicates, topic; 8807731
- reading study strategies, self-questioning/summarizing; freshmen/sophomore developmental reading course students; 8807821
- reading testing, black/white undergraduates, score comparison; classification analysis; National Assessment of Educational Progress findings; 8805491
- reading/writing models; college remedial students; naturalistic study; 8800527
- response/accuracy/lookback frequency; proficient readers; time/access/question-type effects; undergraduates; 8807794
- rumor spreading; anxiety/uncertainty/credulity roles; U students surveyed; 8806707
- Russian animate/nonanimate nouns opposition treatments, Soviet/East German literature; lexical-grammatical subclass vs morphological category; second-language teaching implications, morphological approach, East German high schools/Us; 8805890
- Russian as a second language instruction, East German U textbooks; syntactically synonymic sentences, functional principle; 8805063
- Russian as a second language instruction, grammar teaching, U level; East Germany, dialectical approach; personal experience account; 8804958
- Russian as a second language instruction, vocabulary teaching historical principle, U level; current textbooks review/comparison; 8804974
- Russian as a second language teacher instruction, East German Us/colleges; practical syntax drill book, theoretical basis; 8805118
- Russian as a second language teacher training, East German pedagogical colleges; Bryzgunova's intonation treatment, *tertium comparationis* problem; 8805131
- Russian as a second language teacher training, East German Us; dialogue skills/theory teaching; 8805018
- Russian as a second language teacher training, East German Us; illustrative aids, diagrams/tables typology; 8804980
- Russian as a second language teacher training, East German Us; monologue text dialogization, communication teaching; 8805095
- Russian as a second language, East German freshmen; grammatical knowledge repetition/systematization language-internal/-external criteria; 8804916
- Russian as a second language, reading comprehension difficulties; Soviet foreign graduates; scientific texts; 8802471
- Russian as a second language, teacher training; problem-oriented historical topics; comparative-historical approach; Marxist-Leninist framework; Kazan State Pedagogical Institute; 8800200
- Russian as a second language; Soviet technical colleges, foreign students' oral proficiency; communicative requirements; 8804989
- school-academic grammar transition, East German second-language teacher training course, material evaluation; 8805101
- second language for special purposes, East German Us; communicative-functional language description approach didactic relevance; 8805075
- second-language instruction, cultural information teaching, U level; rule concept/drills; German as a second language course; 8807485
- second-language instruction, grammar teaching role/new approach; second-language teacher training, Dutch Us; 8805027
- second-language instruction; Italian secondary school, school/U cooperation, academic research didactic application; 8807351
- second-language teacher training, 21st-century education context; second-language speaker/world citizen training; 8805035
- second-language testing; English as a second language; Ontario colleges, post-admission test battery; 8800473
- self-concept levels/reading attitudes/learning styles, remedial/regular U freshmen; Tennessee Self-Concept Scale, Mickulecky Behavioral Reading Attitude Measure, "learning style indicator"; 8805300
- seminar discourse analysis; J. McH. Sinclair's/R. M. Coulthard's framework; elements/speech acts; 8801032
- specialized communication, foreign students' difficulties, West German Us; preparatory language course objectives; 8807439
- student academic writing; college chemical engineering/British literature courses; 8800565
- student assessment, language placement; proficiency test/questionnaire data; college-level French/English as a second language students; 8800417
- subtitling, specific tasks, U course; S. Groenewold's *Ondertiteling* (Subtitling); 8808023
- syntactic fluency development; sentence combining instruction/traditional methods; U basic writing students; 8802924
- teacher training, West German Us, program critique; applicational aspect negligence; 8805064
- Test of English as a Foreign Language; academic success prediction effectiveness; 8800464
- text comprehension/retention; text structure instruction effect; research report vs journalism structure; 8807619
- text creation; decision-making process; community college freshmen/teachers; 8802883
- text patterns, processing instruction; college history texts, research reported; Mexican-Americans; 8807686
- text recall; structure sensitivity/metacognitive strategies; two-year college students; 8805986
- text structure awareness, expository discourse recognition/production; high/low ability college students; 8806021
- textbook prose proficiency; standardized reading comprehension test, predictive capacity; native/limited English proficiency college students; 8800547
- textbook readability; reading abilities/course grades correlations; freshman community college students; 8800512
- translation instruction, U level; materials/methodology, translation theory; C. Klein-Braley's/V. Smith's *In Other Words. Arbeitsbuch Übersetzung* (In Other Words. Translation Manual) presented; 8800654
- translator/interpreter training, undergraduate/graduate courses; West German translators union recommendations; 8803013
- translator/interpreter training; Vienna U seminar content/organization; 8802959
- U-level composition courses; reading/writing relationship; English as a second language students; 8802919
- verbal ability/cooperative learning relationship; hetero-/homogeneous pairings; undergraduates; 8807285
- word processing effects, basic college writers; revision strategies, writing apprehension, writing quality; expository writing; 8807900
- word recognition subprocesses, speed; reading achievement results; undergraduates; Nelson-Denny Reading Test; 8805411
- writing anxiety; confrontation strategies; community college students surveyed; 8800563
- writing behaviors; field dependence/independence influences; goal-setting strategies; undergraduate students; 8800583
- writing effectiveness; decentering role; insight discovery/audience awareness; college freshmen; 8800586
- writing pedagogy; collaborative technique; mixed-grade elementary school students/undergraduates; 8800555
- writing skills assessment; remedial college curricula development; essay/objective tests relationships; 8800579
- writing skills instruction; hearing-impaired college students; 8807116
- writing styles; male/female differences; business communications students' writing samples; 8805521
- writing, oral/literate strategies, extraverted/introverted features; urban American Indian college freshmen; 8807909
- ### Uralic Languages
- articulatory disorders; age/sex/previous speech therapy influences; Finnish-speaking students; 8802131
- Austrian/Hungarian minorities/bilingualism; sociolinguistic/pedagogical/linguistic aspects; symposium report, Budapest, 10-11 February 1987; 8807952

- performative hypothesis, verb's illocutionary force claim revised; weak version proposed; 8808324
- performative verbs' meaning/denotat; denotative element presence/absence, semantic invariant; G. Frege's framework; 8803481
- performative/declarative verbs; text analysis/pragmatics; 8808350
- personality-descriptive verbs taxonomy; adjective structure compared; self-/partner-ratings; 8807126
- Polish deverbal nouns; 18th-century passive/active meaning, denotat typology; H. Kořataj's writings analyzed; 8803768
- Portuguese direct/indirect speech; elocutionary verbs; indirect speech transformation; 8801005
- Portuguese sentence; verb role; participants, hierarchical organization; 8808462
- Portuguese verb complements; semantic classification; verbal participants/semantic roles; 8800797
- possessivity, syntactic realization typology; Indo-European *be-/have*-languages classified; 8801456
- predication, semiotic model; declarative/modal schemas, conceptual declarative predication schemas; 8801933
- preposition *for* + infinitive clause; occurrences/criteria; 8800761
- preschool children; communicative competence; verb knowledge/use effects; 8807040
- propositional attitude verbs, semantic analysis; various theories; transparent intensional logic system; belief reconsidered; 8803315
- propredicate *do*; American English use; 8803952
- Proto-Bantu discontinuous verbal morpheme *-jd-e*, reconstruction hypothesized; modern Bantu languages evidence; 8808304
- Proto-Indo-European verb aspect question; daughter languages' data analysis; 8803738
- Proto-Slavic **polъ* 'alarm, disquieting'/**straxъ* 'fear' etymology, Indo-European action nouns derivatives, verbal bases; 8803747
- referential circularity, binding explanation; anaphoric verb phrases; 8803531
- reflective language development; cognitive verbs; teaching strategies, year 1 classrooms; 8804818
- Réunion Creole; verbal morphology origins; P. Baker's/C. Corne's analysis rejected; 8803968
- Romance causative constructions; verb-raising analysis rejected; embedded verb, nominal character; 8806124
- Romance inchoative conjugation formation, theories reviewed; Latin verb four-stage change; 8808620
- Romanian neological verbs, syntactic/semantic adaptations; 19th-century literary language; internal evolution/external models; 8808602
- Romanian reflective verbs/pronouns/constructions; N. Chomsky's government/binding framework; 8803155
- Romanian *să/că*-structures, complement clause expression; infinitive construction alternative use; non-Romance/Balkan feature; 8803139
- Romanian-Bulgarian *Aktionsart* (action mode) comparison; verbal aspect/*Aktionsart* morphological/functional distinction; belletristic material; 8806389
- Romanian-Spanish common features; Latin elements preservation vs innovations; phonetic/syntactic/morphological/lexical phenomena discussed; 8801380
- Russian active participle use; *Skazaniya o Mamaevom* (Legends about Mamaev) analyzed; contexts/syntactic functions; 15th-century scribal errors; 8803629
- Russian antithetic verbs, grammatical characterization; enantiosemy expression, typology; 8803270
- Russian as a second language, imperative aspectual use model; basic functions/modal associations; 8800785
- Russian aspect-tense forms' special meanings/transpositions; special/general meaning relationship, special meaning criteria; 8805754
- Russian aspectology; traditional descriptive notions critique; verb's semantic/aspectual characteristics incongruence; 8803365
- Russian contextual causatives; grammatical factors; reflexive verbs; 8805810
- Russian figurative verbs incorrect use; causes identified, fourth to tenth graders; 8802225
- Russian imperative, agreement/permission expression, perfective/imperfective aspect use, semantic nuances/connotations; 8805887
- Russian infinitive sentences, modal-temporal transformations; necessity/nonnecessity expression; 8803221
- Russian *otvečat'otvetit'* 'to answer' aspectual synonymy/distinction; L. N. Tolstoy's *Anna Karenina*, F. M. Dostoevskiy's *Prestuplenie i Nakazanie* (Crime and Punishment), perfective/imperfective use; 8801801
- Russian participles, syntactic functions; 8805797
- Russian past tense stress; particle *-sya* effect; second-language teaching implications; 8800716
- Russian prefix *o-/ob-*, transitive verbs; complement's case/semantic function determination; 8800811
- Russian prefixed verbs semantics, second-language instruction implications, textbook presentation; K. Gabka's/L. Wilske's *Die russische Sprache der Gegenwart. Lexikologie* (Contemporary Russian. Lexicology); 8806552

- Russian stress patterns, high frequency nouns/verbs; irregular morphological patterns; 8800703
- Russian verb aspect usage, Russian as a second language instruction, German students; methodological guidelines; 8805182
- Russian verb aspectual correlation, naturalness/markedness; semantic/morphological levels, iconic symbolization; 8803360
- Russian verb conjugation, stress; instructional methods, minimal rule approach; 8800258
- Russian verb government variation, norm gradation/acceptability/expressive potential; second-language teaching implications; 8805089
- Russian verb *metat* 'to baste', etymology/semantic structure; origin, contamination; 8800923
- Russian verb; stem size/accental complexity relationship; 8805629
- Russian verb's propositional empty position compression, syntactic/semantic variants; 8805793
- Russian verbs, deverbals/imperatives; integrated two-stem instruction system; 8800832
- Russian verbs, nominative/syntagmatic meanings; aspect/tense system interaction; 8805777
- Russian voicing assimilation; syntactic boundary/semantic content effects; acoustic analysis; 8802040
- Samoyed action structure, definiteness/variation; 8808175
- Saramaccan verb complementation/serialization; government-binding analysis; constituent movement/verb copy; serial constructions, sentential nature; 8803870
- Schäfer, Franz, *Untersuchungen zur Reflexivität im Alttschechischen* (Studies of Reflexivity in Old Czech); outline/evaluation; 8803754
- school communication, modal language use, East German high school, 14-year-olds; modal structures/verbs/stereotypes; 8808967
- sentence head, Scandinavian/English/German/Dutch; government-binding/parametric syntax theoretical framework; 8808458
- sentence processing; verb complexity effects; argument structure/syntactic subcategorization; 8802262
- sentence/text phasal modification, predicative actant theory framework; Spanish material; phase verb/base predicate semantic nature correlation; 8803320
- Serbo-Croatian/German verb aspect systems; affixes; Serbo-Croatian aspect/German *Aktionsart*; 8801384
- serial verb constructions; syntactic analysis; Sranan (Surinam creole) case study; 8803239
- sex differences, interpersonal verb use; E. G. Thompson's/P. Hat-chett's/J. L. Phillips's findings unsupported; 8801767
- shifting stress, Russian present tense; suffix *-i-* verbs; morphologically based analogy; 8800784
- Slavic verb; R. Jakobson's single stem hypothesis challenged; Belorussian dialectal evidence; 8805930
- Slovak giving/receiving verbs, classification; structured system; 8808260
- Slovak tense system account; H. Reichenbach's notions replaced; modal/aspectual differences, "observation point" notion; 8800834
- Slovak verb derivation algorithm; analytic/synthetic components; multiword forms special treatment; 8800953
- Somali (Kushitic) lexicography, improbable lemmas; weak verbs analyzed; 8801547
- Spanish aspectual verbs syntax; ergativity/raising/restructuring; 8800940
- Spanish clitics, pronominal vs verbal status; clitic as verb inflection; 8803140
- Spanish *haber* 'to have' + past participle; lexical intrusion, cliticization; dialect evidence; 8803249
- Spanish modal verbs; semantic analysis; functional classification proposed; 8805888
- Spanish pronominally conjugated verbs + direct object + null subject structures; statistical/syntactic analyses; 8805729
- Spanish verb morphophonology; *vengot* type verbs, structure/evolution; extensions; 8806279
- speech act comprehension, pragmatic information underlying structure processing; verbs of committing; 8808318
- split-ergativity, De'Kwana (South American Carib) pronominal agreement; verb system feature interaction; 8808143
- spoken Arabic, Saudi Arabian village; verb morphology/forms/themes, noun/particle suffixation; 8808785
- Sranan creole adjectival *siki* 'sick', verbal nature; 8805796
- subcategorization, English verb complements; overlapping accounts; 8808138
- subject/predicate relationship, Romanian sentence; person/number agreement, subjectivity/government properties, nominal/verbal predicates; 8805811
- subjunctive/tense sequence; morphophonological form, agreement continuum; college textbooks examined; 8800869
- subordinate clauses; finite verbs/sentence adverbs relative order, Scandinavian languages; subject-verb agreement loss; 8808495
- Swahili (Niger-Kongo) phonological allomorphy; inanimate pronominal clitics form; dual constituent analysis; 8808038
- Swahili verb suffixes; lexical treatment; textual data, statistical analysis; 8800967
- Swedish verb agreement; generalized phrase structure grammar framework; 8808425
- Swiss German weak verb class; Old High German subdivision preservation, phonological/semantic basis; 8805795
- syntactic theory, reanalysis/adjunction theory similarities; adjunction elimination proposed; verb projection raising application; 8808522
- syntactic/semantic relationship, modern standard Arabic verb forms I, II; main function/theme; linear systematic sampling; 8808126
- system network, definition/example, Polish/Bulgarian verb systems; bogus/real system networks; 8800924
- Tagalog verbs; description; 8800846
- Temne (West Atlantic) lexemes, class system functioning; 8806526
- Tibeto-Burman speech act marking, sentence syntax; empathy hierarchy marking, verb; 8803168
- time of day effect, elliptical verb phrase interpretation; plausibility/antecedent distance effects; 8802391
- Tocharian suppletive verbs; paradigmatics, contrast principle, first-class present-second-class aorist; 8806331
- transitive verbs, existential sentence use; Germanic languages; Swedish/Icelandic existential constructions compared; 8808477
- transitivity; Spanish preposition-governing verbs, syntactic properties/semantic functions; 8808141
- Tsova-Tush (Batsbi) intransitive subject case; role/reference grammar framework; 8800789
- Ugic verbs, stem alternation type; lexicographic/etymological/historical-comparative relevance; 8803357
- Ukrainian agent designations, derivative bases; verb/deverbal noun, suffixes; lexico-semantic relationships; 8803331
- Ukrainian derivative nouns, verbal/adjectival base; meaning change; quantitative analysis; 8800964
- Ukrainian deverbal derivatives, semantic/morphological valency, word-formational patterns; verbs semantic class, prefixation, derived speech parts; 8805918
- Ukrainian infinitives accentuation patterns, history/variation; penultimate syllable length, Proto-Slavic forms; 8808647
- Ukrainian verb *Aktionsart*; Bulgarian material compared; 8803776
- unaccusative verbs; case-assigning properties/government-binding theory; partitive case/definite effect; 8803512
- Uralic languages verb negation, negation particle/auxiliary verb; intra-Uralic variation; 8808171
- Usan (Trans New Guinea phylum) language; descriptive grammar; functional grammar approach; 8806243
- valence, notion definition/typology; formal/content valence distinction/description; verb/predicate valence; 8800927
- verb acquisition; language-disordered children; training procedures; 8807095
- verb concatenation; Southeast Asian languages compared; cross-linguistic patterns discovered; 8803181
- verb government, 15th-century Hungarian; Latin original codexes; case inflection development; 8805787
- verb morphology development; spontaneous speech, self-reference; discourse factors; child aged 1;10.16-2;0.2; 8807228
- verb phrase ellipsis interpretation; surface form encoding; antecedent distance effect; 8802372
- verb valency, syntactic definition; intrasentential constituent relations, subtypes; 8800837
- verb, bare form, imperative, affix/modality distinction; debate; 8808217
- verb, processual semantics; dynamic system application; German examples; 8808275
- verb-adverb combinability, English prose/poetry/journalism, cross-style variation; 8804048
- verb-anaphor grammaticalization; Mopun (Chadic) evidence; deictic/anaphoric demonstratives; 8803173
- verba dicendi semantic/syntactic properties, sentence mode study; verba dicendi analysis; 8808213
- verbal aspect; formal description; perfective/imperfective constructions; 8803263
- verbal constructions syntax; new approach, C. Blanche-Benveniste et al; "group of formulations" notion; French material; 8803212
- verbal prefixation, characterization; Slavic/German scholars' comparative/noncomparative studies survey; 8800970
- verbal syntax, incidence/reference relations; logical/sentence structures; 8805781

- verbal temporality; historic present tense/displaced origin; 8808209
 verbal valence lexical treatment; G. Helbig's/W. Schenkel's
Wörterbuch zur Valenz und Distribution deutscher Verben (A Dic-
 tionary of the Valence and Distribution of German Verbs); U. En-
 gel's/H. Schumacher's *Kleines Valenzlexikon deutscher Verben* (A
 Small Valence Dictionary of German Verbs) critiqued; 8805748
 Vute (Bantoid) focus; verbal affixes, sentential particles; 8805809
 West Germanic frequentative/diminutive suffixes, Frisian/Gronings
 examples; *-k-* verbs analyzed; 8808311
 Xhosa (Niger-Kongo) verbal extension; phonology/morphology/
 syntax/semantics; 8805792
 Yiddish aspectual auxiliaries; reanalysis/grammaticalization; instanta-
 neous action; 8803252
 Yorubá (Niger-Kongo) verb phrase serialization; Equi-NP Deletion
 analysis rejected; discourse contexts evidence; 8801142
Verbal Learning (see also **Paired Associate Learning**, **Discrimination
 Learning**, **Serial Learning**)
 aphasia; word learning/processing deficits; semantic/grammatical in-
 formation retention; 8804538
 category members, encoding contextual variation, subsequent recogni-
 tion; subsumed classification levels; 8807286
 child language development; stimulus equivalence relationship; nor-
 mal/retarded/language-disabled preschool children; 8804735
 computer-assisted reading instruction; error correction, feedback meth-
 ods; novice reader first/second graders; 8807306
 control theory, Chinese; verbs tensed/untensed clauses, syntactic pre-
 dictability; matrix verbs' lexical meaning/pragmatic factors;
 8808525
 disoriented letter identification; font/practice effects; 8802382
 dual coding imagery theory, concreteness/semantic relatedness effects;
 composite imagery ratings/cued recall; J. C. Day's/F. S. Bellezza's
 findings reevaluated; 8807295
 early lexical development, structure/organization; vocabulary spurt;
 8807233
 encoding context effects, recognition/cued recall; information activa-
 tion; 8807276
 environmental context-dependent recognition; shallow vs deep process-
 ing; S. M. Smith's hypothesis examined; 8807304
 expectation-violation effect; semantic relatedness effects; 8802378
 foreign vocabulary learning, keyword method; administration/
 treatment/pacing factors; college-level language classroom; 8800399
 free short-/long-term recall; items number/organization degree; Ger-
 man adults; 8804684
 high-frequency word identification, basal reading series texts/word
 lists agreement; sight vocabulary instruction; 8802385
 human operant performance; verbal/nonverbal repertoires interaction;
 computer game scenario; 8800124
 inductive inferences, superordinate categories role; preschool/second-
 grade children; language/category role; 8807227
 input modalities effects, long-term retention; incidental learning proce-
 dure; auditory presentation, vocalization; 8804825
 item recall prediction, metamemory; word list acquisition, subject-
 performed tasks; 8807272
 Japanese character retrieval/use, memory representations;
hiragana/kanji/English alphabet use; 8807310
kanji reading/writing errors, attribute factors; low-vision/normal sixth
 graders; 8802398
 language elicitation tasks, two-year-olds; unstructured/structured
 types compared, effectiveness; 8807237
 letter discrimination difficulty, separable redundant dimension; facili-
 tation/interference effects; color effects; 8807280
 letter identification; intra-word contextual constraint; interactive acti-
 vation model of word perception aspects reconsidered; U students;
 8807305
 letter perception, particular experiences influence; pseudowords identi-
 fication; 8807311
 lexical access, morphologically decomposed forms storage; augmented
 addressed morphology model; 8804662
 lexical access, phonological factors; auditory lexical decision task data;
 8807163
 lexical stress/access, word recognition; phoneme perception response
 speed; homographs/nonhomographs; 8807303
 long-term prose retention; schematic/proposition-specific processing
 effects; 8800126
 maintenance rehearsal, habituation condition; attention to task effect;
 noun recall; 8802362
 name generalization ability development; referential extension/
 conceptual development relationship; children aged 2-3; 8800029
 naming reaction times, children/adults; noun/verb pictures, visual
 tachistoscopic study; 8807289
 object name acquisition; specifically-language-impaired children/
 younger normal children compared; 8800137
 ownership, affective consequences; name letter effect; cross-linguistic
 study; 8807293
 paired word associate learning, computer-assisted; Japanese *katakana*
 characters, Dutch speakers; presentation control effects; 8807277
 phoneme/syllable accessibility, detection time comparison; partial/full
 stimulus analyses; 8807292
 phonetic category learning, Japanese quail; human speech sound clas-
 sification theories challenged; 8806840
 phonetic mnemonic system; efficacy tested; 8802392
 phonological learning ease, language-disordered children; tacit sound
 system knowledge effect; children aged 3:7-4:6; 8800120
 pictorial/verbal information integration; general/specific sentence-
 picture presentation sequence; dual/common code semantic inter-
 pretation, dual-coding position elaboration; eleventh-grade students;
 8804695
 prior knowledge role, knowledge acquisition from text; text base, situa-
 tion model, knowledge representation; 8807281
 pronunciation speed, numbers/digit span/mathematical ability; Chi-
 nese-/English-speaking undergraduates compared; 8802379
 proper name learning/recall, psycholinguistic models; learning difficul-
 ties/methods; 8806508
 psychomotor learning; mirror tracking task performance; verbal pre-
 training effects; 8800142
 reaction time differences, Stroop color-word stimuli; sex differences;
 male/female college students; 8807283
 reading comprehension, memory/linguistic components, context ef-
 fects; fast/slow readers aged 20-40; 8804839
 reading readiness indicators, alphabet seriation tasks/traditional seria-
 tion tasks; Raven Progressive Matrices Test, Gates-McGinitie Word
 Recognition Test; 8805265
 reading/language comprehension, psychology; computer-simulated
 reading comprehension model READER; 8802383
 reason inferences, developmental differences; story comprehension
 tasks; first/fourth graders/adults; 8807269
 recognition memory/conscious awareness, functional relationship; epi-
 sodic/other memory systems; 8807279
 recognition memory; primary/secondary rehearsal effects; data-
 driven/conceptually driven memory tests; 8804832
 right posterior cortex lesion patients, visual spatial attention deficit;
 cues' biasing effects; 8807302
 Russian as a second language acquisition, sentence retention/recall;
 presentation medium/mode effect; short-/long-term recall tests;
 East German undergraduates; 8800413
 Russian as a second language, East German students, vocabulary
 teaching; visual presentation mode effect; 8802522
 selective memory, auditory short-term memory; suffix effect; 8807300
 semantic/repetition priming, stimulus duration effects; perceptual flu-
 ency, identification accuracy; 8804829
 spelling/reading analogy use; rhyme consistency; stored reading
 knowledge use; first/second graders; 8804750
 temporal order memory, rehearsal strategies; distractor paradigm; seri-
 al position score differences; study-phase retrieval model supported;
 U students; 8807270
 text learning judgments, processing variables effects; rated confidence
 values/recognition correctness; age differences; third/sixth/eighth
 graders, college freshmen; 8802389
 text learning; incidental pictorial/verbal adjuncts effects; 8804838
 text memory/integration, time of day effect; reading strategy differ-
 ences; 8807294
 text processing, contextual information effects; text type expectancies;
 recognition/reproduction tests; 8807314
 text reading/recall psychological aspects; information size/type, selec-
 tive attention/retention/reproduction; literature survey; 8805477
 text recall; retrieval cues formulation effects; 8804840
 text semantic processing; surface level information retention/text-
 based/situation model integration; abstract/concrete material, imag-
 ery role; 8800143
 three-term series problem; linguistic/spatial processing strategies;
 sentence-picture/sentence-*kana* verification tasks; Japanese college
 students; 8802402
 time of day effect, elliptical verb phrase interpretation; plausibility/
 antecedent distance effects; 8802391
 unilateral posterior lesions, visual spatial attention deficit; centered/
 nonword letter strings comparison; 8807301
 untransparent composition memory representation, Dutch material;
 lexical decision task, semantic priming; full entry theory supported;
 8808305
 verbal ability, comprehension/fluency; information-processing ap-
 proach; 8802251

- verbal ability, twins/singletons; mother's education effect; mono vs dizygotic twins aged 9; follow-up study; 8802326
- verbal ability/cooperative learning relationship; hetero-/homogeneous pairings; undergraduates; 8807285
- verbal information recall; mnemonic-keyword method effects; meta-analytic procedure; 8800136
- verbal learning; depression/age effects examined; recall/information processing strategy use; 8802365
- verbal performance, retention/recognition, motor activity effect; J. Engelkamp's/H. Krumnacker's thesis refuted; 8807299
- verbal thinking development; language as a "teacher"; 8802242
- verbal transformation effect, stimulus presentation rhythm/subjects' attention; 8807274
- visual-verbal paired-associate learning, alphabet letters; manual tracing effect; children aged 3:2-7:9; 8802380
- vocabulary learning strategies; semantic- vs mnemonic-based; high/low achieving fourth/fifth graders; 8807698
- vocabulary learning, reading context; incidental word meaning learning; fifth-grade students; 8802730
- vocabulary learning; discussion effects; 8802350
- word constituent-letter code activation, whole word processing; priming tasks; 8807282
- word perceptual identification, word memory; perceptual/conceptual components role; German words/pseudowords; 8807298
- word recall; slot openness effects; English as a second language U students; 8802386
- word recognition/retention relationship; "recognition failure" effect; I. Begg's vandal theory supported; 8802377
- word-frequency effects locus, word recognition; novel letter strings processing evidence; 8807288
- words/objects visual recognition; context role; literature survey; 8807273
- Verbal Task**
- ambiguity access; context-sensitivity; cross-modal paradigm/lexical decision; 8807194
- ambiguity processing; context-sensitive parallel access model supported; ambiguity detection task; 8807291
- antonym/synonymy rating/identification; word pair relation elements role; undergraduates; 8802270
- auditory feedback/writing, learning-disabled/nondisabled students; written error identification; 8809471
- aware vs unaware memory; written discourse; perceptual/comprehension tasks; high school students; 8800118
- bilingual children's reasoning; instruction language effect; verbal analogy task, French/English sixth graders; 8805544
- bilingual speech automatization/interference; modified numeral square searching/naming task, Slovak vs Hungarian; Slovak-Hungarian bilinguals aged 15-16; 8802926
- bound grammatical morpheme processing; aphasic patient; word monitoring task; 8807048
- child language development; categorization; cognitive/linguistic relationship; children aged 1:3-1:9; 8802313
- class inclusion/number tasks; young children's performance; collection terms use effects; 8802304
- comparison operation, verbal communication; difference/similarity verbalization; picture description task; Russians aged 25-35; 8801098
- cross-language word association; part-set cuing; Turkish/English bilinguals; 8804831
- derived word processing; productive Italian derivational suffixes; visual lexical decision tasks; 8804821
- emotion words similarity; colloquial transformation task, German material; psychology undergraduates; 8802229
- generation effect, target word recall; task/rule/trial effects; selective displaced rehearsal artifact; 8802394
- headings use, text search strategies; fourth/sixth/eighth graders; 8807824
- hemispheric language processing, French immersion students; fingertapping/verbal tasks; bilingual processing implications; 8807336
- ideomotor apraxia; channel use/efficiency; referential communication task; aphasic subjects; 8806989
- indirect object recognition; presentation mode, context/indicator presence; paper-&-pencil test; Dutch undergraduates; 8803503
- inference concept activation; coherence effects; lexical decision/naming tasks; 8807166
- language elicitation tasks, two-year-olds; unstructured/structured types compared, effectiveness; 8807237
- language laterality assessment; bilateral object naming latency task, effectiveness evaluated; 8804859
- language/culture/cognition relationship; social context influence; structured/open-ended verbal/nonverbal tasks; French/Arabic/English speakers; 8804673
- letter identification accuracy; quadrigram discrimination tasks; context effects, interactive activation model; 8804822
- letter recognition; advance location cuing effects; room-for-improvement factor; 8800139
- lexical access, phonological factors; auditory lexical decision task data; 8807163
- lexical access; encoding cue use; verbal ability tests/lexical decision tasks; adult readers; 8805423
- lexical decision effect, auditory semantic judgment; divided attention; right-/left-hemisphere-damaged adults; 8807325
- lexical decision task; phonological encoding role, pseudohomophone effect; invariant strategy; 8804854
- lexical decision/naming asymmetries; response selection, bias influence; 8807330
- lexical decision/naming task difficulty; function vs content words; phonological recoding; first-grade disabled readers; 8809483
- lexical recognition; prefixed words vs free morphemes; gating/auditory lexical decision/naming tasks; continuous access theory supported; 8807309
- lexical recognition; sentence focus structure influences; modular thesis rejected; 8807172
- lexical-semantic processing; object naming/semantic judgment tasks; Alzheimer's/aphasic patients; 8807187
- maintenance rehearsal, habituation condition; attention to task effect; noun recall; 8802362
- mentally retarded children; social behaviors/communicative language use relationship; structured communication elicitation tasks; 8807081
- mood induction, semantic memory priming; lexical decision task; elation/depression asymmetric effects; 8807123
- name tracing identification, right/left palm; spatial aspect dominance; 8807340
- passage recall; text structure instruction effects; graphic organizer/sentence connectives/free recall tasks; fifth-/sixth-grade readers; 8804834
- phonological/lexical processing; fluent/nonfluent aphasics; 8809428
- pictorial/verbal information integration; general/specific sentence-picture presentation sequence; dual/common code semantic interpretation, dual-coding position elaboration; eleventh-grade students; 8804695
- poststroke aphasics; expressive error patterns changes analyzed; repetition/naming tasks; 8806982
- reading high/low imageability words; word acquisition age effect; 9-year-olds, adults; 8805258
- reading style/short-term memory; good vs poor spellers; U. Frith's hypothesis tested/confirmed; ninth/tenth graders; 8800027
- relevant information retrieval; irrelevant information effect; Stroop color word test; ink color/word meaning; 8804833
- repeated/unrepeated word pair, memory task; superadditive recall; 8804820
- Russian as a second language acquisition, sentence retention/recall; presentation medium/mode effect; short-/long-term recall tests; East German undergraduates; 8800413
- Russian as a second language, East German students, vocabulary teaching; visual presentation mode effect; 8802522
- semantic interrelatedness, category triads, contextual composition; encoding/recognition phase; 8807190
- semantic memory; stimulus content/anxiety role; adjective recall task; word-/person-specific effects; high-/low-anxiety psychology freshmen; 8807189
- sentence comprehension, psycholinguistic research methods; adults; 8807130
- sentence comprehension/writing/speaking; error analysis; partially hearing/hearing/deaf children mean ages 7.4-12.95; 8802065
- sentence context experiments; different neutral conditions compared; word-naming times; 8804841
- sentence processing; agrammatic patients; lexical decision/grammaticality judgment tasks; 8806974
- sentence recognition memory; pictorial context effect; aphasic/right hemisphere patients; 8809416
- serial order recall; word length effect; overt/covert rehearsal; 5-year-olds; 8800081
- serial recall; unattended speech effects; articulatory suppression/auditory presentation conditions; 8800122
- story retelling; volume loss/meaning distortion/plot preservation, informant age; psycholinguistic interpretation; 8806606
- stuttering, attentional phenomenon; overload/regression hypotheses; simultaneous speaking/tracking tasks; 8806969
- syntactic interpretation deficit; insertion test; right/left brain damaged patients; 8809444

- text comprehension/production, performance relationship; children, adolescents, adults; 8807814
- text semantic processing; surface level information retention/text-based/situation model integration; abstract/concrete material, imagery role; 8800143
- translation, deep-level process; major content features retention/recall; English-Finnish undergraduates; 8805607
- untransparent composition memory representation, Dutch material; lexical decision task, semantic priming; full entry theory supported; 8808305
- verbal performance, retention/recognition, motor activity effect; J. Engelkamp's/H. Krumnacker's thesis refuted; 8807299
- word constituent-letter code activation, whole word processing; priming tasks; 8807282
- word identification; attentive/nonattentive stimulus effect, word/nonword, interstimulus interval variation; dual coding theory evidence; 8804710
- word meaning constituent; mutual exclusivity use; preschool children; familiar/unfamiliar object, novel term; 8804778
- word naming; associative/grammatical priming; pre-/postlexical contextual effects; Serbo-Croatian; 8804704
- word perceptual identification, word memory; perceptual/conceptual components role; German words/pseudowords; 8807298
- word pronunciation "conspiracy model"; neighboring word inconsistency effects; words/pseudowords; 8802397
- word recognition memory; stimulus suffix effect; 8804826
- word recognition, foveal/parafoveal viewing; hunger/satiation effects; 8804824
- word recognition/retention relationship; "recognition failure" effect; I. Begg's vandal theory supported; 8802377
- word recognition; contextual cues; verbal discrimination learning; 8800127
- word recognition; subliminal verbal priming; phonemic/graphemic/semantic primes; lexical decision task; 8804836
- word/nonword arrays; error analysis; interactive activation model of word perception; 8804835
- words/objects visual recognition; context role; literature survey; 8807273
- Vietnamese (for pre-1985 entries, see Thai Languages)**
- French vowel macro-sensitivity; articulatory model; command value variation; Vietnamese compared; 8802012
- verb concatenation; Southeast Asian languages compared; cross-linguistic patterns discovered; 8803181
- Vietnamese orthography, history/structure; Czech transcription, post-1975 norms; 8808929
- Vietnamese pronouns/plural markers; pragmatic ambiguity; contextual presuppositions/implications/syntactic function; 8803447
- Vision Disorders**
- auditory/visual imagery, word recognition processes; blind/sighted children mean ages 10.9-12.12; 8802845
- blind written communication, braille system; new computer-based reading aids; 8809529
- braille letter search, word relationship; word context character recognition; 8804622
- braille reading, early developmental learning; instructional activities; 8804645
- braille reading/instruction, schools for the blind, Saudi Arabia; elementary grade teachers, blind students; 8809530
- closed circuit television reading rates, visually-impaired college-bound students; phase differences; 8804623
- directional speech recognition; blind persons; frontal-position advantage; 8802081
- early native language development; early experience role; B. Landau's/L. R. Gleitman's *Language and Experience: Evidence from the Blind Child* reviewed; 8802361
- experimental reading development course, partially sighted students; Institute for the Blind & Partially Sighted (Copenhagen, Denmark) program; 8804621
- hand movement training, Braille reading; perceptual ability effect; blind children aged 6-13; 8802862
- hand preferences/reading skills; braille readers; strategic preference view supported; Slosson Oral Reading Test; 8800169
- Huntington's disease, visual object confrontational naming deficit; naming error rate analysis; Aachen Aphasia Test; Germans; 8809437
- kanji reading/writing errors, attribute factors; low-vision/normal sixth graders; 8802398
- reading ability, visual dysfunctions effect; classroom recognition; 8805448
- reading problems, ocular anomaly relationship; exophoria/esophoria treatment; reading progress; 8807119
- reading retardation/visual deficit relationship; word recognition impairment; 8809475
- reading skills, partially sighted students; integrated education implications; optical aids need; 8802768
- reading speed, real/simulated visual impairment; partially sighted persons; 8802828
- reading test development/evaluation, low vision macular loss individuals; 8802866
- reading/listening skills development, visually handicapped fourth/fifth/sixth graders; verbal intelligence testing variance; Durrell Listening-Reading Series; 8802882
- syntactic development; English-speaking blind children; imitation role; 8802338
- visual systems; cognitive functioning; visual agnosia; 8802433
- word recognition processes, blind/sighted children; semantic processing/work frequency/phonological recoding; blind children mean age 12.2/sighted children mean age 10.6; 8802844
- Visual Stimulation**
- aesthetics/cognition relationship; aesthetic judgment, linguistic interpretation, cognitive restructuring, art rating task; S. Ertel's text analysis procedure; 8807167
- bilingual associative priming, interlingual facilitation effects; between-/within-language conditions; French-English bilinguals; 8807965
- cerebral hemisphere differences, visual spatial stimuli processing; verbal/nonverbal stimuli, local/global components; 8807348
- cerebral organization, visual language processing, stutterers; reading reaction times, concrete/abstract words; 8807344
- color perception/naming, neurophysiological/linguistic data; opponent vision linear theory contradiction; English speakers; 8805891
- Huntington's disease, visual object confrontational naming deficit; naming error rate analysis; Aachen Aphasia Test; Germans; 8809437
- Kosovel, Srečko; *Integrali '26* (Integrals '26) poems, graphic elements/organization importance/semantic/poetic function; 8809168
- meaning role, binocular rivalry; dichoptic reading tasks; 8807800
- meaning/concept relationship/identity; concept visual/auditory/verbal composition; 8805841
- miscue analysis, blind braille readers; Reading Miscue Inventory; 8807848
- naming reaction times, children/adults; noun/verb pictures, visual tachistoscopic study; 8807289
- native language instruction, communication skills; classroom video use/materials; 8807360
- object attributes recognition; overspecification facilitative/inhibitive effect; form/color/size recognition tasks; psychology undergraduates; 8804657
- orthographic codes, auditory modality; braille/print compared; blind/sighted girls aged 17-19; 8807321
- phonemic processing; visual stimuli onsets, response latencies; 8802048
- priming; word-fragment completion test; visual/auditory conditions; 8800134
- reading ability prediction; visual-auditory style task performance; third graders; California Achievement Test; 8802868
- reading comprehension; text presentation format effects; rapid serial visual presentation limitations; 8800529
- reading process/comprehension; text presentation rate/amount effect; rapid serial visual presentation technique; undergraduate poor/good readers; 8802801
- reading style/short-term memory; good vs poor spellers; U. Frith's hypothesis tested/confirmed; ninth/tenth graders; 8800027
- Russian as a second language acquisition, sentence retention/recall; presentation medium/mode effect; short-/long-term recall tests; East German undergraduates; 8800413
- Russian as a second language, East German students, vocabulary teaching; visual presentation mode effect; 8802522
- sentence development, visual-spatial technique; poor readers/writers; 8802763
- signal detection, word superiority effect; word/nonword stimuli, visual masking; word recognition/information processing implications; 8807156
- stutterers' visual coding strategies; hemisphere dominance; letter-naming task; 8802152
- syntactic processing; cerebral hemisphere involvement; lexical decision tasks; normal right-handed subjects; 8802263
- text learning; incidental pictorial/verbal adjuncts effects; 8804838
- text perception/reproduction relationship; visual-sequential vs normal reading; similar content reproduction found; undergraduates/vocational students; 8802834
- typeset line length/text readability; Starch scores, advertisements; 8800532

- visual coding, business communication; 12-cell schema developed; 8807921
- word identification; attentive/nonattentive stimulus effect, word/nonword, interstimulus interval variation; dual coding theory evidence; 8804710
- word recognition; length/visual field effects; right visual field advantage suggested; 8802419
- words/objects visual recognition; context role; literature survey; 8807273
- Visual Thresholds**
- aging/priming effects, naming latencies; adult women aged 30-79; visual perception thresholds; 8807196
- cerebral hemisphere differences, visual spatial stimuli processing; verbal/nonverbal stimuli, local/global components; 8807348
- eye movement control, reading perceptual span; saccade length/word examination time; 8802841
- meaning role, binocular rivalry; dichoptic reading tasks; 8807800
- perceptual processing; developmental vs sensory deficit effects, reading disabled; visual processing differences, good/poor readers aged 8, 10, 12; 8809469
- semantic activation; D. Hollander's theory considered; 8807198
- visual sequential memory/reading; labeling strategies effects; Barking Reading Project; task analysis/structuralist approaches; 8802805
- Vocabulary**
- Adult Basic Word List, illiterate adult learners; most frequently used words; 8807755
- adult-child conversation; vocabulary simplification; age-dependent accommodation absence; 8808954
- African languages scientific/technical terminology; linguistic independence/subjugation; Marxist-Leninist perspective; 8801692
- African word lists, computer-aided sorting; BASIC-based program; 8801404
- Afro-American music; French terminology development; translation strategies; 8802994
- ambiguous word activities; learning-disabled adolescents; vocabulary training study; 8807066
- American English; vocabulary innovation; word coining processes examined; 8803954
- American Indians-white relations, America; historians' biased language use; 8801814
- American Spanish, indigenous Amerindian languages lexical contribution; 8803862
- Americanisms antedating the *Oxford English Dictionary Supplement* (1986); glossary; 8808877
- Annobón Portuguese Creole, fundamental vocabulary, characteristic features; African borrowings/influence, internal lexical expansion, Castilian acculturation; 8803945
- Austrian political party platforms, discourse-analytical examination; macro-/micro-analyses; syntactic/argumentative/lexical/rhetorical strategies compared; 8801017
- Azerbaijani passive vocabulary, archaic/obsolete terms; historical novels analyzed, vocabulary evolution stages; 8801560
- basic sight vocabulary; familiar words; primary grades; 8807796
- Bedouin Arabic terminology, tent/clothing/cookware; forms plurality/variation; 8803959
- Belgian French vocabulary; English influence; alternative native devices; 8803888
- Brazilian Portuguese; Palmeiran dialect described; phonological/morphosyntactic/lexical/semantic features; 8801496
- Bulgarian core vocabulary, Kent's/Russanov's *The List of One Hundred Words* translation/expansion, semantic fields/associations, anthropocentric principle; 8806551
- Campe, Joachim Heinrich; Germanization program/lexical purism reinterpreted; French words' German equivalents, intelligibility criterion, political sympathies; 8806211
- Canadian workplace francization; trucking industry, terminological change; questionnaire; 8801770
- Castilian-Galician bilinguals' vocabulary use; lexical testing; U Weinreich's/E. Haugen's/M. van Overbeke's findings partial/total confirmation; schoolchildren; 8802942
- child language acquisition; Austronesian languages uniqueness; grammatical categories/vocabulary; 8802295
- child language development, vocabulary acquisition; chronological stages; Catalan-/Castilian-speaking children; 8802288
- child language emergence; affect expression relationship; first words/vocabulary spurt measures; children aged 0;9-2;0; 8802287
- Chinese language teaching materials; computer-assisted preparation; vocabulary selection/sorting; 8807403
- collocations lexicographic treatment, English dictionaries survey; second-language teaching implications; 8804919
- colloquial/technical/special language relationship; technical vs occupational vocabulary, social/professional idioms; 8806547
- Colombian Spanish neologisms suggested; Academia Columbiana approval sought; 8801603
- colonial American English, words/phrases; 8803696
- computational multilingual thesaurus compilation; lexical units' semantic equivalence, conceptual/extralinguistic/linguistic differences; 8803824
- computer-assisted language learning; interactive vocabulary development; meaning discovery, item retrieval, retention; advanced learners; 8807443
- computer-assisted second-language instruction, state of the art survey; software, teacher's role, vocabulary teaching application; 8805102
- computer-based vocabulary instruction; learning-disabled/remedial/general education high school students; 8807369
- computer-generated concordances; context-bound word behavior study; language for special purposes implications; English texts analysis; 8801014
- concept history; lexicological contribution, social consciousness linguistic reflection; *Arbeit* 'work' sememes, S. Brant's/T. Murner's writings; 8808854
- contemporary Spanish press; economic vocabulary; English influence; 8803896
- Czech lexical items; neologisms/borrowings, assimilation/word formation; 8804086
- Czech military jargon/vocabulary; written/oral codes, social stratification; Czech-Slovak interference, semantic/syntactic peculiarities; 8804064
- dialects vocabulary similarity/intelligibility correlation; language program implications; Philippines data; 8808772
- Dutch as a native/second language instruction; child vocabulary acquisition studies/tests relevance; literature survey; 8804908
- early lexical development, structure/organization; vocabulary spurt; 8807233
- early linguistic vocabulary development, child language acquisition; 8807258
- East African beekeeping vocabularies; kiZugua (Niger-Kongo) examples; 8801554
- East German developmental tendencies, vocabulary; language/ideology relationship, West-East German comparison, methodological suggestions; 8808604
- elementary school vocabulary instruction; traditional texts/methods problems examined; alternative approaches suggested; 8804896
- Emberá-Spanish time designation/notions; conceptual/denotative differences; 8803290
- English as a foreign language acquisition, new vocabulary strategies; under-achieving learners; 8807553
- English as a second language instruction, vocabulary work; method/activity proposed; 8802523
- English as a second language instruction, West German high school; textbook vocabulary presentation/drills; 8804924
- English as a second language instruction, West German high school; vocabulary work state/federal guidelines; 8804986
- English as a second language instruction; structured/conventional programs; reading/language achievement; 8805195
- English dialectology; phonological/grammatical/lexical variation; review article; 8806432
- English lexicon; structural organization/function; core vocabulary establishment, pedagogical value; 8800219
- English sheep-rearing word derivations; 8806328
- English vocabulary learning; successive/simultaneous processing compared; Chinese bilingual students; 8802837
- English vocabulary size; estimation difficulties; 8801558
- English, linguistic changes; vocabulary growth, pronunciation differences; British English; 8806267
- English-British Celtic contacts, vocabulary/syntax, Modern Welsh/Cornish parallel; Celtic syntax assimilation evidence; 8806325
- English-Dutch false friends; list excerpts; 8800665
- English-Ukrainian size expression; comparative analysis; interlinguistic semantic relationships; 8801381
- environment effects, Japanese/English vocabulary acquisition/retention; returned college students; Peabody Picture Vocabulary Test; 8805196
- foreign-language learning; vocabulary knowledge continuum; Swedish-speaking fifth-grade English students; 8800430
- foreign-language pedagogy; vocabulary acquisition; 8800276
- foreign-language pedagogy; vocabulary learning/teaching; reading comprehension; 8800280
- French acid-rain-related terminology; typology/standardization issues; 8802972

- French artificial intelligence terminology; English borrowings/loan translations; international terminology standardization difficulties; 8803869
- French as a second language textbooks, West German schools; vocabulary treatment, dictionary features; 8802520
- French as a second language, specialized texts/vocabulary; West German gymnasium; 8800349
- French cinematographic vocabulary development; English borrowing/neologism roles; 8804068
- French information processing terminology; semantic borrowings; 8802981
- French lexicon; computer-assisted instruction terminology, English borrowings; 8803876
- French medieval war vocabulary; 15th-century *Mystère de St. Didier de Langres* (Mystery of St. Didier de Langres); 8801591
- French picturesque expressions; French-speaking African countries; 8803871
- French "portmanteau words"; language learners' difficulties; affixation/compounding processes; parody dictionaries; 8802510
- French substandard vocabulary usage rating, French-German dictionary compilation relevance/French as a second language learning implications; native speakers' consensus; 8806555
- French terminological neology; users' rejections; English borrowing preferred; 8803898
- Friulian dialect, geography/history/vocabulary description; foreign borrowings; Friulian-Rhaeto-Roman relationship; 8803623
- German 19th-century educational institutions designations; chronological periods, terminologization/differentiation tendencies; social/linguistic changes relationship; 8801566
- German address forms, 1840-1860/1890-1900; diachronic/semantic changes; bourgeois/proletarian language use, socially dependent vocabulary; 8801550
- German as a foreign language, beginning word lists; traditional/criterion-oriented lists compared; 8807389
- German as a second language teacher training; Russian students, East German Us/colleges; deficits, errors; remedial materials; 8807440
- German as a second language, Italian students; vocabulary work, methodological suggestions; 8807471
- German political phraseology; term versus general vocabulary; central/peripheral political phrases; 8801551
- German *Tabu* 'taboo', origins; German political discourse use, denotative domain; discursive-instrumental role; 8804231
- German working woman, 18th-/19th-century designations; chronological periods; social/linguistic changes relationship; 8801594
- Germanic substratum vocabulary, *p-/t-/k-* words; thematic list; 8803672
- Germanic superstratum influence, Gallo-Romance; L. Guinet's *Les Emprunts gallo-romans au germanique (du 1^{er} à la fin du V^e siècle)* (Germanic Borrowings in Gallo-Romance from the First to the End of the Fifth Century) critically examined; 8801342
- Gonchar, Oles; Ukrainian linguistic symbolism/creative strategies; metaphors/word-formation/dialectal-colloquial vocabulary; 8809167
- Hebrew-Yiddish diglossia; Ganzfried's *Kitzur Shulhan Arukh* analyzed; realia vocabulary; 8801712
- high-frequency word identification, basal reading series texts/word lists agreement; sight vocabulary instruction; 8802385
- history of terminology colloquium, Brussels, Belgium; science history, future studies; 8807990
- Hungarian linguistic terminology history, written language/literacy beginnings; dictionaries/glossaries, common vocabulary specialization; *ige* 'word, verb' polysemy; 8806147
- hyperonym/hyponym semantic relationship; dialectal nature; paradigmatic/syntagmatic level; Russian material; 8801525
- Iliad*, fighting scenes analysis; narrative/descriptive procedures/vocabulary; 8801080
- Indic vocabulary, culturo-historical stratification; word-formational hybrids; 8801274
- Indonesian medical vocabulary, Greek-/Latin-based formations; roots/affixes/hybrids, adaptation process; 8803880
- information processing terminology; hyphen use; English/French compared; 8804115
- Interlingua as a second language; simple grammar/familiar vocabulary; 8801504
- Interlingua vs Esperanto, learning/use ease; V. van Themaat's critique; 8806489
- interpersonal communication/discourse production; speaker's partisanship lexical expression, Russian; 8804140
- Inuktitut (Eskimo-Aleut) expression production, lexical constructions; psychomechanics, vocabulary augmentation; 8808845
- Japanese color vocabulary; English loanword incorporation; Berlin's/Kay's nomenclature principles extended; 8801451
- language contact; vocabulary/morphology fertilization; French africanisms; 8803902
- language cultivation, mass media language use; clichés/stereotypes/"institutionalized word groups," mass media communication vocabulary; 8808979
- language experience approach; basic skills emphasized; mildly handicapped children; 8805323
- language/reading development program, Vietnamese children; basic English vocabulary/grammatical features emphasis, oral English communication experiences; 8805376
- Le Parangon de Nouvelles* (The Paragon of Novellas), recent edition; glossary clarifications; 8808590
- lexical search, native/second language; paraphrasing strategy, referring stages; 8805219
- linguistic sexism, German vocabulary/grammar; discussion contribution; 8804238
- literary hero characterization, dialogue use; M. Sholokhov's *O Kolchake, krapive i prochem* (About Kolchak, Stinging Nettle, and Other Things), dialectal/colloquial vocabulary use; 8806090
- literary translation; experimental course; German narrative text, French translation; 8802971
- Macedonian-English contacts, returning migrant workers' contribution; linguistic/cultural borrowings, English vocabulary use; 8806430
- Mathematical Vocabulary Reading Inventory; concepts/vocabulary testing; first-third grades; 8807867
- Middle French regional vocabulary; new attestation; *langue d'oc/langue d'oïl* relationship; 8801348
- Middlemarch*; verbal texture; vocabulary/diction/syntax/sentence patterns; 8801831
- military/political language use, semantic aspects; armament/disarmament terminology; 8801549
- Miskito (Macro-Chibcha); history, Spanish/English influence; socialist vocabulary; 8801459
- morality play *L'Enfant Prodigue* (The Prodigal Son); G. Macri's edition supplemented; alphabetical glossary; 8801285
- Moroccan Sefardic weddings; vocabulary usage; 8801683
- motor imaging, reading vocabulary strategy; definition + psychomotor meaning; 8807804
- multiple meaning words; teaching suggestions; primary grades; 8807738
- native-language instruction; vocabulary acquisition importance; Portuguese teachers; 8802543
- Northwestern-South Slavic dialects, lexical parallels; quantitative analysis; 8803901
- Old Germanic cosmic/eschatological myths; key-words analyzed; synthetic text reconstructed, poetic features identified; 8801266
- Old High German nature vocabulary; etymological/semantic analysis; wood/water terminology; 8803755
- Old Russian military terms, cultural/historical value; extralinguistic realities reconstruction; 8803712
- older special language reconstruction; problems examined; common/special/technical language; sources; 8801339
- Ostyak descriptive vocabulary, meaning/sound symbolic correlations, nononomatopoeic words; denotat's expressive quality, phonetic representation; 8805883
- Oxford English Dictionary*; vocabulary classification/lexicographic treatment; 8806563
- pedagogical lists, development methods; elementary/secondary student composition vocabulary; 8802723
- political language, general features/typology; propaganda language characteristics, political vocabulary ambiguity; words' ideological connotations; 8801045
- political orientation designation; 19th-century German books/newspapers analyzed; 8801586
- Portuguese technical terminology; proposed research project; 8804033
- Pound, E.; critical vocabularies; W. Pater's formative role; 8801865
- pre-reading instruction; microcomputer lexical decision task; semantic memory/vocabulary instruction; reading comprehension; 8805480
- printed school English; vocabulary size; 8807835
- progressive achievement tests, discriminant validity/factorial structure, reading comprehension/vocabulary/listening comprehension; 8805495
- Quebec dictionary; modern lexicography; *Dictionnaire CEC jeunesse* (CEC Youth Dictionary); 8808841
- Quebec/France linguistic cooperation; scientific/technological terminology; P. Laporte interviewed; 8804279
- reading competency, 21st-century needs, children's development/preparation; learning readiness, vocabulary/comprehension skills; 8805288

- reading comprehension/polysemic word knowledge, poor readers; vocabulary instruction suggestions; 8807837
- reading process; phonemic awareness relationship; early readers; 8802860
- reading strategies instruction, Israeli English as second language students; thought quality/approach; 8805128
- receptive vocabulary; two measures compared; Test of Language Development-Primary, Peabody Picture Vocabulary Test-Revised; 8802220
- remedial readers, poor long-term memory, basic sight vocabulary; cerebral hemisphere functioning/coordination; 8802865
- Romanian personal advertisements, vocabulary analysis; 8806630
- Romanian vocabulary development, Latin basis, Slavic influence; Balkan affiliation, Romanian-Western Romance difference; sociolinguistic/inner-linguistic factor's role; 8806567
- Ronsard; music-/art-related vocabulary; 8801843
- Russian as a native language instruction, lexical richness; "word-formational paradigm" concept; 8800956
- Russian as a second language instruction, East German secondary school, lexical/grammatical minima compilation; selective criteria, receptive/productive basic vocabulary; 8804937
- Russian as a second language instruction, vocabulary teaching historical principle, U level; current textbooks review/comparison; 8804974
- Russian as a second language teacher training, East German colleges; cultural competence teaching, linguo-cultural lexicon compilation proposal, Soviet cultural domains representation; 8802568
- Russian as a second language, vocabulary teaching/learning; words' elemental parts analysis; grammatical/semantic role; 8800251
- Russian language/literature instruction, Ukrainian schools; *bylina* (Russian folk epic) as teaching material; 8805074
- Russian language/literature instruction; Soviet national schools, lexical difficulties; 19th-century Russian poetry obsolete vocabulary; 8805105
- Russian parenthetic words/phrases; grammatical/stylistic analysis, typology; semantic-stylistic criteria; 8803451
- Russian socio-political vocabulary, revolutionary movements reflections; Lenin's/Marxist literature contribution; 8804198
- Russian state designation, words, semantic/grammatical properties; semantic/morphological/syntactic features; 8803310
- Russian vocabulary words, second-language textbooks; 8807463
- Russian-Bulgarian vocabulary comparison; lexical units paired comparison/functional analysis, paired comparison content/form aspects; 8803773
- Salonika Judezmo song; pronunciation/vocabulary romanization; 8801462
- scientific terminology use; systematic description; transformational linguistics, case study; 8804044
- scientific/technical terms formation, metaphorical transfer; lexicon stability/variation, term-formation algorithm; German road construction terminology; 8806506
- Scottish literature; dialect vocabulary use, stylistic effects; R. Burns/R. Garioch/H. MacDiarmid; 8801823
- second-language acquisition; vocabulary learning/use; 8800418
- second-language comprehension; memory factors role; comprehension/reasoning/memory test battery; bilingual Chinese-English U students; 8805150
- second-language deterioration; grammatical elements/vocabulary contrasted; ninth-grade English-speaking French students; 8802631
- second-language instruction, vocabulary teaching plans/methods; productive/receptive/obligatory/optional vocabulary; 8804936
- second-language instruction, vocabulary work, word meaning teaching; cultural-contrastive approach; 8804998
- second-language instruction, vocabulary work; efficient vocabulary teaching guidelines; 8805002
- second-language learning; listening vocabulary proficiency; sex differences; Chinese college English students; 8802290
- second-language vocabulary learning/teaching; material conceptual organization; stable/variable items networks; 8802519
- semantic unity, object-word relationship; semantic processes study, lexicographic definition value; word definition-textual figure relationship examined; 8801892
- sentence, lexical/grammatical aspects; lexicon priority; language teaching implications; 8802506
- Slovak loan translations; Hungarian sources; 8803882
- Soviet Russian vocabulary, post-revolutionary neologisms; thematic domains, word-formational patterns, affixes; 8804049
- Spanish lexicography; *Nuevo diccionario de Americanismos* (New Dictionary of Americanisms) project; 8801601
- Spanish technical vocabulary creation; A. de Capmany's role; 8808848
- special languages/terminology research history, Germany; 8808878
- specialized terminology instruction, French/English as a second language, West German gymnasium; German states' educational plans/guidelines survey; 8807483
- specialized terminology, poetic use; contemporary Ukrainian poetry; L. A. Bulakhov's thesis tested; 8809175
- specialized vocabulary functional-communicative presentation, Russian-German political glossary compilation principle; 8806564
- specialized vocabulary, statistical studies development; USSR/East Germany/Bulgaria, research centers/scholars/procedures; didactic frequency dictionaries compilation requirements; 8804072
- sports language/terminology; literature survey; sports vocabulary's/activities'/principles' social values; 8805956
- Standard Spanish neologisms; Royal Spanish Academy approval list, June/November 1984; 8801599
- standardized English as a second language vocabulary test; construct definition study; 8807586
- taboo, taboo words/word taboos; clarifications/definitions, sex-related taboos; 8804210
- taboo/taboo words/word taboos; West German AIDS-awareness campaign, taboo metaphorical use; political discourse, sex/death taboos; 8804218
- Tennessee prison language, time/sex/discipline terms; personal contact, interviews; 8809045
- terminological commissions; linguistic usage relevance; French professional label feminization; 8804039
- terminological fertilization; information processing/telecommunications/transportation vocabularies; noun compounding; 8803906
- terminological synonymy, German electrical engineering vocabulary; causes identified; 8801582
- terminology formation, general-language vocabulary specialization; German data processing/computational terms, semantic/morphological analysis; 8801576
- text production; vocabulary/grammar correlation, lexical units' grammatical functions; 8805963
- text-related special vocabulary, foreign-language instruction; didactic relevance questioned; 8807500
- Thracian lexical heritage, Southeastern European languages; ethnic/socio-political information; 8808633
- Tok Pisin, pidgin/creole status; characteristic features; 8806244

- vocabulary development component, postsecondary reading courses, word knowledge/reading comprehension relationship; questionnaire data; 8805368
- vocabulary ideologization, French journalistic texts; social formations/vocabulary ideological connotation relationship; 8804028
- vocabulary instruction, concordance software use; 8808722
- vocabulary instruction, research-based methods; reading comprehension relationship; 8807368
- vocabulary instruction, student-centered method; intellectual/practical/affective areas; 8805366
- vocabulary instruction; context exposures, active thinking; intermediate grade program; 8805335
- vocabulary learning strategies; semantic- vs mnemonic-based; high/low achieving fourth/fifth graders; 8807698
- vocabulary learning, reading context; incidental word meaning learning; fifth-grade students; 8802730
- vocabulary learning; discussion effects; 8802350
- vocabulary recall difficulty, text comprehension effect, free recall/summary recall/sentence recognition task data; sixth-grade students; 8805392
- vocabulary teaching; "intelligence" approach; overt/covert strategies; 8805304
- vocabulary test performance, context clues effect, word/paragraph dominant readers; standardized reading test; fifth/eighth/eleventh graders; 8805417
- vocabulary testing; paragraph writing task advocated; learning continuum; 8802497

- word frequency/reading vocabulary relationship; lognormal model, family frequency concept; fourth- through twelfth-grade students; 8805426
- word meaning acquisition; children's story exposure relationship; 8804767
- word meaning acquisition; classroom word introductions; expository/narrative techniques contrasted; 8800140
- word power; English vocabulary/dictionaries; fundamental issues, word as power game token; 8801741
- word, prosodic variation; content/expression unity; 8809301
- Voice (Grammatical)**
- Acehnese (Austronesian) passive construction; verb agreement/grammatical relations; 8805721
- agentless passives, Modern Hebrew; detransitivization process; 8808153
- apraxic speakers' articulation; sentence voice/grammatical class/phonetic complexity effects; 8802078
- Chinese representation perspective, agent-oriented/-nonoriented sentences; 8801042
- Classical Sanskrit/Prākṛits passivized causatives; semantics/syntax; valency changes; 8800758
- Classical/dialectal Arabic passive/reflexive systems relationship; J. Retso's thesis rejected, close relationship demonstrated; 8803659
- comparative syntax; language universals; passive/grammatical relations/accessibility hierarchy; 8806428
- Demotic Greek passives; government-binding analysis; 8805705
- double object construction, simple datives origin; underlying clauselike VP, dative shift; 8808472
- English passive acquisition; semantic constraints; thematic roles/grammatical functions; 8800099
- English passive; monostratal phrase structure analysis; SLASH-like missing constituent feature proposed; 8801203
- French middle *se* forms; Romanian constructions compared; passive form differences, movement rule; 8801374
- French passive/temporal auxiliaries; independent values; Old French evidence; 8803643
- Fulfulde (Niger-Kongo)/Cushitic middle voice verb forms; typologically related behavior, transitivity/intransitivity/reflexivity; 8808218
- German first person present active verb form, subjunctive/indirect speech introduction; corpus analyzed/counterevidence found, German fiction/nonfiction works; 8800783
- German passive, colloquium report, Nice (France), 20-22 November 1986; 8805827
- German passive; *genus verbi*/verb aspect analysis compared; 8800748
- German structures *sein* 'be' + *zu* 'to' + infinitive; modal value/semantic ambiguity/passive voice interchangeability; legal texts; 8808166
- German/English word order; principles, typology, Korean/Japanese/Turkish/German compared; 8804122
- grammatical categories; verbal inflection functions; voice/agreement/tense/aspect/mood; 8803220
- Hugo, V., vocabulary; revolutionary nature assessed; two-million-word corpus, quantitative study; 8804023
- Indo-European medium voice origin; active/middle correlation, perfect/middle interbreeding; 8806306
- Korean passive constructions; infix/auxiliary strategies, distinct meanings; 8800813
- language development; experiential/actional passive production; children aged 4/5/9/13; 8800105
- language processing; active/passive sentence comprehension; Polish-speaking agrammatic aphasic; 8804547
- Lao Qida*; annotated translation/syntactic analysis; word order/verbal modification/voice; 8801134
- Latin medio-passive *-r*/preverb *-re(d)*/Celtic *ro-*, lexical/grammatical parallels; A. N. Savchenko's/I. A. Perel'muter's Indo-European medio-passive voice origin supported; 8803753
- Latin passive; agent expression/implication/substitution, Cicero's speeches analyzed; 8803253
- medieval Galician; impersonal constructions; *Cantigas de Santa María*; 8808120
- Nahuatl; comprehensive descriptive grammar; 8808583
- object utterance order; temporal organization/drawing; 24-hour interval effect; primary school students; 8802243
- passive voice use, technical/scientific writing; 8807937
- passive voice, French/English; comparative analysis; 8808673
- passivization; English/Korean/Japanese differences; objective/empathy-based affectedness; 8803796
- Plains Cree (Algonquian) dialect; morphology/syntax/discourse structure; verb inflection/grammatical relations/obviation/transitivity; 8805905
- recursive categorical grammar; word induction; passive/person/tense/unbounded dependencies; 8808433
- Russian active/passive sentences' stylistic functions; agent-action-action object relationship expression; 8805769
- Russian passive; backgrounding function; middle/reflexive/perfect/impersonal constructions relationship; 8803204
- Sesotho (Niger-Kongo) passive types; nonargument clitics; government & binding analysis; 8803544
- Soames, Scott/Perlmutter, David M., *Syntactic Argumentation and the Structure of English*, critique; passive sentence generation, "missing" argument provided; 8801176
- Spanish clitics; reflexive use; referential/nonreferential functions; predicate argument structure/voice; 8808173
- Spanish ergativity; agentivity/subjecthood; middle voice; 8808150
- Spanish reflexive pronoun constructions; middle voice interpretation; functional analysis; 8803178
- structural-typological language treatment, language structure form-function hierarchy; Greek/Latin material, case/aspect/voice; 8806148
- subject role; English passive clauses/nominals; government-binding Θ -criterion revised; 8806149
- Swedish syntax; subject properties/voice; transitivity/passivization/causativity; 8803248
- thematic roles, grammar/semantics link; Dutch impersonal passives analyzed; 8808207
- voice, grammatical category semantic definition; semantic/syntactic concepts correlation; active/passive/reversible/inactive voices; 8805878
- Welsh syntax; government-binding analysis; word order/null subjects/agreement/movement rules/passive constructions; 8805790
- word recognition processes; vocabulary knowledge relationships; letter-search/word naming/lexical decision/priming tasks; 8800121
- Voice Disorders**
- adolescent functional dysphonia; whispering syndrome/hysterical high pitched voice; case reports; 8802112

- voice quality impressions; acoustic/perceptual measures; Long-Term Average Spectrum value; 8800153
- Voiscope, voice analysis program; voice rehabilitation role; 8809339
- Vowel**
- accented devoiced vowels, Kinki (Japanese) dialect; electromyographic recordings, identification/perception tests; native speakers; 8809317
- acoustic features; auditory processing, three-stage model; vowels/voiceless fricatives, neural representations; 8806955
- Akan (Niger-Kongo) palatalization; E. N. A. Mensah's proposal refuted; 8808040
- Akan (Niger-Kongo) vowel harmony; partial assimilation/tongue body raising; acoustic analysis; 8801994
- Akan (Niger-Kongo)/Luo (Chari-Nile) vowel systems; tongue mechanisms; front/back raising; 8802007
- Ālu Kurumba (Dravidian) centralized vowels; conditioning factors, origins; 8805642
- aphasia, phonological/speech perception; philosophical/methodological shortcoming; response; 8809391
- aphesis, unstressed vowel deletion; synchronous operation, English dialects, periods; 8808587
- Arabic pharyngealization; native speakers'/American learners' perception/production; 8802597
- Arabic pharyngealized consonants; acoustic parametrization; synthesis-by-rule system; 12 vowel system established; 8804467
- articulation-oriented tactile speech synthesis; locally/temporally coded obstruent-vowel system learnability; 8809306
- auditory system; spectral representation; vowel masking patterns; 8806956
- Azerbaijani monosyllabic verbs, phonological structure; vowel/consonant sequence typology/frequency; phoneme occurrence frequency, statistical analysis; 8805660
- Bantu (Niger-Kongo) vowel harmony; non-structure-preserving rules, lexical status demonstrated; 8803043
- beginning readers' English short front vowel categorizations; spelling knowledge effects; 8800069
- Brazilian Portuguese oral vowels; spectrographic analysis; German-Portuguese bilinguals; 8806928
- Brazilian Portuguese vowel nasality; generative analysis problems; [a]/[ɶ] contrast distinctiveness; diphthong *ao*/plural allomorphy; 8800729
- Bulgarian vowel reduction; morphological/sociolinguistic/stylistic/dialectal factors; articulatory pattern/phonetic solutions; 8805657
- Cantonese vowel duration, tone influence; acoustical study; 8809291

- Castilian 16th-century pronunciation reconstruction; Diego de Ordaz's letters; consonants/vowels, Amerindian words; 8803700
- Central Yiddish vowel system; segmental/prosodic characteristics; diachronic/synchronic analysis; 8803053
- Chajul Ixil (Mayan) phonology; long/glottalized vowels, phonological status/orthographic representations; 8801984
- coarticulatory effects, continuous speech; contrasting articulatory constraints dependence; Spanish/Catalan vowel-consonant-vowel sequences; 8804468
- coarticulatory influence degree model, vowel-preceding stop consonant; template-fitting procedure; Kana (Niger-Kongo)/Russian speakers; 8806894
- color/sound associations, Russian vowels; native Russian speakers; 8807170
- consonant-vowel cohesiveness, speech production; initial/final consonant exchange data; R. Carter's/J. Bradshaw's procedure; 8804437
- DhoLuo (Nilo-Saharan) consonant alternation, noun plurals; lexical/grammatical conditioning rules; male native speaker; 8800732
- dialect shift; professional Yiddish folksinger; vowel changes; social factors; 8801494
- Dimasa (Bodo) phonemes; segmental/suprasegmental phonemes, vowel harmony; 8803069
- early South African English phonology; J. Goldswain's *Chronicle*, reliability assessed; Middle English vowel reflexes; 8806439
- early Standard English phonology; vowel systems, diachronic analysis; 8806348
- East Slavic *akan'ye*; geographical distribution, historical development; 8803648
- echoism, English bird names; phonological aspects; 8808833
- Egyptian Arabic vowel system; emphatic environments; acoustic analysis; 8804453
- elevation/depression, vowel/consonant articulation mode/place; Medieval Arabic phonetic theory; 8804452
- English *moon/June*, Classic Nue Spelling (uu) proposed; pronunciation variation representation; 8808898
- English pronunciation teaching; Portuguese-speaking students; rhythm/stress/vowel quality; error analysis; 8802511
- English vowel *e* discrimination, consonantal context; Japanese learners of English; 8806910
- English vowel epenthesis, suffix-initial /i/; underlying absence, rule insertion; 8803112
- English vowel shortening, language-specific syllabification rules/universal conventions; vowel shortening rule obviated; 8803076
- English West Midland *mon*-area, 14th-century/modern maps compared; isophones coincidence, *mon/-man*-spelling geographic boundary; 8803956
- English-Slovene phonemes compared; common/divergent distinctive features; vowels/consonants' articulatory properties; 8808679
- esophageal speakers, intonational resources; vowel-specific intonational contour, fundamental frequency; spectrogram data; 8809425
- formant frequencies, choir singers; spoken/sung vowel differences; 8806932
- formant trajectories; speaking rate effects; speech synthesis implications; Japanese vowels; 8801998
- French nasal vowel perception, acoustic cues; naso-pharyngeal tract simulation; 8806898
- French nasal vowel synthesis; neural representation model; classification/hierarchical tests; native speakers; 8801979
- French phonetics; introductory textbook; segmental inventory/sound-letter correspondence/English-French contrasts; 8808095
- French schwa; floating vowel treatment proposed; 8803097
- French vowel macro-sensitivity; articulatory model; command value variation; Vietnamese (v) compared; 8802012
- French vowel system evolution; vowel fronting/vowel elision/length distinction loss; 8806266
- French vowels/consonants; phonematic perception; vowel system evolution; 8804457
- fundamental frequency, speech rate relationship; American English speakers; 8809278
- Galician-Portuguese historical morphology; verb stress/vowel quality alternations; analogical change theory implications; 8803380
- Greek drama; vowel/consonant usage; statistical analysis; 8801401
- hearing impairment; temporal acuity/speech perception relationship; Japanese vowels; 8802071
- Hindi vowel alternations, morphophonological explanation; noun/verb inflection/formation, word composition; 8805910
- Ibero-Romance word variation; phonetic structure, cross-dialectal alternations; diachronic/synchronic perspective; 8804073
- Italian metaphony; subtypes identified; new explanation proposed; 8803064
- Italian nonsyllabic vowels, distributional properties; syllable structure models, phonemes inventory, practical applicability; 8803091
- Japanese accent; vowel/consonant duration relationship; 8802001
- Korean phonology; feature underspecification; melody plane feature structure; nonlinear morphology supported; 8805670
- Korean umlaut; phonological/morphological/situational conditions; 8803093
- Korean vowel harmony; underspecification theory/nonconcatenative morphology; 8803094
- Krenák (Brazilian) vowel system; distinctive feature characterization; 8800702
- Late Old/Early Middle English syllable quantity; vowel lengthening, consonant clusters; predictable quantity development checked; 8801313
- Levantine Arabic phonology; syncope/epenthesis; autosegmental theory/underspecification; 8805614
- listener perception, speaker height/weight; voice pitch cue; Japanese vowels; 8804482
- Lòkáo (Niger-Congo) vowel harmony, simple/compound noun stems; (i)/(u) variants; co-occurrence pattern/phonemic distinction loss; 8808086
- Lombardic-Veronese isoglosses, Lake Garda region; turbid vowels/vowel drop/suffix *-er*/final *-n* drop; 8808768
- Lomonosov, M. V., phonetic conceptions; 8806206
- Lulubo (Chari-Nile) phonology; phonemic inventory/vowel harmony/syllable structure/ideophones/vowel elision; 8800694
- Malayalam vowel epenthesis; earlier (u) analyses refuted; 8803070
- Margi (Chad) vowel system, labiodoronals; C. Hoffman's description, E. C. Sagey's arguments refuted; 8808071
- Middle English *wumme* 'woe is me', Old English *wa mē*, *ā > u* vowel change account, onomastic data analysis; 8806250
- Middle Indic phonetic development; *Tv/Sv* consonantal groups, *p/b* assimilation, *v > p/b* change chronology/territory; 8808089
- Milan dialect vowel length, final tonic syllable; speaker's linguistic consciousness; ideal phonological system, internal/external conflicts; 8805665
- modern Hebrew construct state nouns; number marking/vowel duration differences; 8802000
- Mohawk vowel syncope; vowel strength hierarchy role; 8803049
- nasal vowels; height misperceptions/phonetic context; American English speakers; 8806916
- Ndüt (Niger-Kongo) vowel system; advanced tongue root feature; radiocinematographic/sonographic data; 8806903
- de Oliveira, Fernão, *Gramática da Linguagem Portuguesa*; vowel nasality interpretation; 8800709
- phoneme changes, synthesized mid/back vowels, formant characteristics; 8806931
- phonetic category learning, Japanese quail; human speech sound classification theories challenged; 8806840
- "phonetic objects" theory; goodness/badness properties; B. Lindblom's/K. N. Stevens's models applied; unknown vowel described; 8801970
- phonetogram measurement; formant frequency effects; 8804441
- phonics terms, children's definition/application ability; high-/low-level readers compared; fourth-grade students; phonetic knowledge; instructional implications; 8805338
- phonology/syntax interaction, recent works reviewed; fast speech rules/vowel degemination considered; 8803079
- phonosyntactic rules; E. Selkirk's Kimatuumbi vowel shortening/Mende consonant mutation rules reexamined; 8803030
- Polish/Slovak Carpathian mountaineer dialects, nasal vowels changes; internal Polish developments, Slovak-Polish interference; 8801481
- Portuguese pretonic mid vowel raising; contextual factors; Pôrto Alegre cultivated speech; 8805621
- Portuguese syllable structure; glides/syllable-final consonants, unified analysis; 8800705
- positional law, French vowels; Y.-C. Morin's view refuted; reply; 8808091
- prenasalized stops, speech timing effects; Fijian vowel length data; native Fiji speakers; 8809300
- Proto-Slavic developmental stages/phonological characteristics; consonants/vowels/diphthongs/syllable structure; 8806309
- Proto-Slovene vowel system; Slavic Rezija/Zilja dialect evidence; B. de Courtenay observations; 8803762
- Proto-Uralic/Ugric vowel harmony; case suffixes/word stem vowel combination rules role; syllable stress/agglutination restrictions; 8806339
- Quebec French "A" phonemes, child acquisition; gender/age factors; timbre perception; children aged 6-12; 8802334
- Quebec French high vowels; (tense) role; A. McLaughlin's study reviewed; 8804465

- Quechua vowel harmony; autosegmental analysis; origin/development; 8808048
- Rotuman (Eastern Oceanic) phonology; metathesis/umlauting/vowel shortening/diphthongization interaction; autosegmental analysis; 8805620
- Russian as a native language instruction, orthography teaching; confusing/redundant rules, alternative rules proposed; 8802459
- Russian dialects, vowel perception/production; Minsk/Kiev/Moscow dialect differences; 8801476
- Russian-Armenian interconsonant reduced vowel functioning; weak phonemic value vs complete neutrality; 8806391
- s/z fricative recognition, English/Kazakh/Russian; segment content effect, noise/voiced element/vowel; 8804461
- second-language speech production; instrumental phonetic studies; phonetic norm approximation; 8802611
- Slovak phonology; vowels/diphthongs/syllable structure; three-dimensional representation/lexical phonology; 8800714
- Spanish/Galician dominance/redundancy; oppositions/features hierarchy, dominance functions; 8803099
- speech communication; Massachusetts Institute of Technology research report; 8809335
- speech production; syllable structure role; initial/final consonant exchanges; consonant-vowel cohesiveness; 8804436
- speech sounds; multiple functions; distinctive features/sound-meaning relationship/language universals; 8808062
- speech therapy, /ʒ/ elicitation; children aged 8/older; 8804584
- spelling reform, dialect considerations; 8808787
- stressed vowels distribution; Russian lyrics; binary/ternary verse differences; 8801821
- syllable duration, anticipatory length; word boundary/stress placement-free hypothesis; spectrograph data; 8809328
- third-language acquisition; native-language phonetic interference; Catalan/Castilian bilingual French learners; 8804931
- tongue muscle control, vowel production; electromyographic recordings; New York City English-speaking male; 8809336
- tongue position, American English vowels; opto-electronic device use; native Southern English speaker; 8802049
- tongue root position, acoustic measure; formant frequency/bandwidth; male Akan (Niger-Kongo) speaker; 8809281
- Toposa (Eastern Nilotic) vowel harmony system; diachronic perspective; 8805666
- Toposa (Eastern Nilotic), voiceless vowels description; 8805667
- Turkish vowel harmony; structural analysis, item-argument approach; lexical/grammatical morphemes, phonological/morphophonological/morphological levels; 8803625
- two-formant vowel identification; perceptual relativity; Swedish/Turkish-speaking listeners; 8800734
- Üiju (Korean) dialect vowel systems; reconstruction/historical changes; 8801295
- Ukrainian substitutive vowel lengthening; accounts survey; dialectal differentiation, stress/lengthening relationship; 8808100
- Uralic-Indo-European phonological parallels/similarities; p/k + cons, vowel context; 8808598
- Vienna German monophthongs, quality/vowel duration/height; East Middle/Swiss German material comparison; idiolectal/sex differences, regional similarities; 8805638
- vocal roughness; psychological scaling methods; direct magnitude estimation/equal appearing intervals compared; 8802036
- vocalic harmony dynamics, Shapsugh Circassian data; K. J. Gregerson's overlapping registers applied; 8803107
- vocalic underspecification, Yorba (Niger-Kongo) (i); redundancy rule ordering constraint proposed; 8805658
- vowel articulation, consonantal context effects, Kana (Niger-Kongo); vowel formant frequencies; male Kana speakers; 8806925
- vowel coalescence processes; universal/language-specific aspects; nonlinear theory; Old Portuguese/Kasem (Niger-Kongo) data; 8805624
- vowel contrast, phonological variation; French/Mahgreb Arabic data; comparative analysis; 8808664
- vowel duration/rhythm; English/Bulgarian rhythmic feet, syllable stress; 8804447
- vowel encoding; auditory-nerve fibers; phase-locking/average-rate features, relative importance; 8806953
- vowel features; normal/esophageal speakers compared; narrow-band acoustic spectral analysis; 8802027
- vowel harmony; directional vowel features theory support; "whole tier" harmony hypothesis; 8805661
- vowel identification, template confusion; male/child speakers, Dutch sentences; 8806934
- vowel information; syllable initial/final regions; talker-independent form; 8802039
- vowel length variation; consonant voicing effects; auditory explanation experimentally supported; 8809289
- vowel length, English/German; segmental/suprasegmental interpretation; 8808039
- vowel mixtures; perceptual separation; gliding fundamental frequency/crossing versus parallel glide effects; 8801991
- vowel nasalization; coarticulation effects; nasal accelerometric technique; 8804455
- vowel pairs, tense/lax characterization; lead pellet positions/nonsense utterances, American English speaker; 8809277
- vowel perception, form/stability; gestalt theory, "everywhere organizing theory"; 8802029
- vowel perception; single channel cochlear implant patients; formant frequency adjustment training; 8804626
- vowel perception; varied theories; 8802045
- vowel production, Stevens's quantal theory refuted; computer-generated model proposed; 8809297
- vowel production; consonant-vowel-consonant word repetitions; stress levels/formant parameters; 8801981
- vowel R', vowel sounds instruction program; vowel auding ability assessment, rules application; 8802734
- vowel reduction; perceived stress relationship; 8804471
- vowel spectra perception; peripheral auditory system; geographic/temporal coding; internal representation; 8804852
- vowel spectrum perception; amplitude transition effects; forced choice identification task; 8801975
- vowel "thinning," English; process characteristics; 8808098
- vowel-onset detection algorithm; auditory neurophysiology basis; 8809280
- vowels, Okpe/Uvwie (Niger-Kongo); C. Hoffman's/A. P. Omamor's evidence discussed; phonology/grammar interplay; 8808080
- Yoruba (Niger-Kongo) vowel deletion; lexical/postlexical rule application; 8803018
- Yukaghir verbal/nominal stems differentiation; affixation, /ə/ phonetic value; 8805934
- ### Well-Formedness
- Afrikaans reduplication; formal/semantic properties; unified lexical analysis; 8808282
- child utterances; grammaticality variation; parent responses; 8801641
- competence/performance distinction; modularity concept implications; 8801150
- conversation analysis; critical overview; rules/units model role; 8803495
- grammaticality judgments; school-age children; English verb forms; age/grammatical form/context influences; 8804808
- linguistic markedness; second-language learning/transfer; 8802659
- metalinguistic skills assessment; children aged 3-7 years; Metalinguistic Abilities Checklist; 8800059
- second-language acquisition measures; loquacity/variety/well-formedness; 8800385
- spontaneous speech; self-repairs, cognitive model developed; experimental elicitations examined; 8801128
- ungrammaticality; idiomatic expressions; 8805744
- variable rules, data collection device; generative claim refuted; prosodic organization/well-formedness conditions; 8808509
- well-formedness condition derivation, no-crossing constraint; E. Sagey's approach; 8806134
- ### Wittgenstein
- Chomsky, N.; *Knowledge of Language: Its Nature, Origin and Use* reviewed; reply; 8801204
- classical rhetoric, semiotics pragmatic system; M. Bense's/C. S. Peirce's/L. Wittgenstein's notions, Aristotelean rhetoric; 8804360

- Russian as a native language instruction, lexical richness; "word-formational paradigm" concept; 8800956
- Russian as a second language instruction, familiar/nonstandard vocabulary word-formational patterns, East German students; ad hoc formations, communicative competence; 8804975
- Russian as a second language teacher instruction, East German students; attributive word group teaching method/principles, learners' tasks; 8805103
- Russian as a second language, word formation teaching, stylistic differentiation; East German Russian as a second language teacher trainees; 8804925
- Russian family names, formational patterns/formants; 8806503
- Russian *glásnost* 'openness, publicity'/**perestrojka* 'reconstruction' etymologies; Slavic roots/Greek/Latin/English relatives, suffix functions/parallels; 8806290
- Russian multiword designations' semantic motivation; typology, technical jargon; 8805847
- Russian particle *po-*, adjective comparative degree formant; informational/communicative/coercive functions; 8800891
- Russian philosophical/sociopolitical terminology formation, 18th century; Slavic literary tradition, Western European influence; 8806280
- Russian toponym-based adjectives, cross-republic word-formational variation; native-language/dialectal/sociolectal influence; 8803349
- Russian word-formational nest, *vesna* 'spring' core-word; center-derivative semantic relations, new meanings, lexicographic implications; 8803372
- Russian/Ukrainian nicknames; onomastic status/characteristics, motivation classification; 8801544
- scientific/technical terms formation, metaphorical transfer; lexicon stability/variation, term-formation algorithm; German road construction terminology; 8806506
- Slavic oikonyms/ethnonyms in *-itji*, patronym-/nonpatronym-derived; distinction contested; appellative/anthroponymic bases affix difference; 8803994
- Slovak verb derivation algorithm; analytic/synthetic components; multiword forms special treatment; 8800953
- small group slang formation; lexical innovation; language change, social aspects; 8801325
- sociolinguistic terminology; *-lect* items; nonhybrid glossary proposed; 8801691
- Soviet Russian vocabulary, post-revolutionary neologisms; thematic domains, word-formational patterns, affixes; 8804049
- Spanish *cine* 'cinema', history/meanings/productivity; French borrowing, lexicographic treatment, compositions; 8804034
- Spanish lexicon; lexical phonology analysis; word formation/word syntax/morphophonology/postlexical processes; 8805686
- Spanish masculine singular article *el*, morphology/phonology/syntax interaction; feminine/masculine noun appearance; 8808214
- Spanish morphological derivation; semantic/formal aspects; 8808280
- Spanish word endings, grammatical categories; phonographeme distribution, lexicographic works; 8805724
- specialized term formation, concretization/generalization; feature-illustrative function; quasi-synonymic relationships; Russian material; 8800963
- structural paradoxes; level ordering hypothesis, word-/phrase-level paradoxes; language principles conflict; 8808291
- suffix productivity change, Dutch *-lijk/baar*; semantic component role, diachronic perspective; 8808314
- syntax/morphology distinction; word definition; lexicalist hypothesis/atonicity; word formation; 8803164
- technical language compounds; German silicate terminology analysis; morphological/semantic/functional analysis; 8800973
- telematics terminology, word formation processes; fixed syntagm reliance; 8806574
- Temne (West Atlantic) lexemes, class system functioning; 8806526
- term formation, general names specialization; nominalization/contraction/metonymy/metaphorization; Russian canning industry/political economy terms; 8806528
- terminological synonymy, German electrical engineering vocabulary; causes identified; 8801582
- Thracian suffix *-sk-*; etymology/history/usage/variants/semantic/formational domain, onomastic formant; 8805929
- Tok Pisin, pidgin/creole status; characteristic features; 8806244
- Tolkien, J. R. R., linguistic techniques; private language creation/word play/sound symbolism; 8809141
- Toronto English '*cepfer*'; origin, meaning; 8804025
- Ukrainian agent designations, derivative bases; verb/deverbal noun, suffixes; lexico-semantic relationships; 8803331
- Ukrainian complex noun structure, semantic syntax framework; compositional elements, affixes, semantic groups; 8808235
- Ukrainian derivative nouns, verbal/adjectival base; meaning change; quantitative analysis; 8800964
- Ukrainian deverbal derivatives, semantic/morphological valency, word-formational patterns; verbs semantic class, prefixation, derived speech parts; 8805918
- Ukrainian phraseological derivation, patterns/bases; words/syntactic structures as bases, derivation typology; 8805907
- Ukrainian/Belorussian/Russian word-formational nests; semantic parallels/analogies/correlations/divergences; 8805832
- untransparent composition memory representation, Dutch material; lexical decision task, semantic priming; full entry theory supported; 8808305
- verbal prefixation, characterization; Slavic/German scholars' comparative/noncomparative studies survey; 8800970
- word combination idiomatization degree, objective measurement/typology; psycholinguistic experiment; Russian native speakers; 8804655
- word formation comparative study; transformational-generative/Montague grammar frameworks inadequacy; adequate analysis requirements formulated; 8803558
- word formation patterns, Russian/Bulgarian; "competition" lexical domain; intralinguistic factors; 8803793
- word formation, directionality; bidirectional morphology supported; 8808288
- word formation, lexical conglomerate; autonomous principles; lexical categories combination syntax/semantics; 8804054
- word formation/grammar relationship; major aspects; derived word's grammar; 8803367
- word formation; French/English compared; learned compounding/derivation; 8803383
- word meaning, syntagmatic shift models; Russian/Ukrainian material; 8800875
- word structure, phoneme-meaning correspondence; word formation internal structure; generative/natural theory framework; 8804055
- word-formation rules description, computational morphology; experimental systems, allomorphic variation/segmentation; 8808696
- word-formational meaning, formant/motivator semantic determination relationship, Ukrainian data; 8805899

Word Frequency

- contrastive analysis, word list use; function word frequency; Spanish/English lists; 8806395
- Engwall, Gunnel, *Vocabulaire du roman français (1962-1968)*. *Dictionnaire des fréquences* (Vocabulary of the French Novel (1962-1968). A Frequency Dictionary); review article; 8806401
- Greek lexicology, new treatments; *Tables fréquentielles de grec classique* (Frequency Tables of Classical Greek), *Vocabulaire de base du grec* (Basic Vocabulary of Greek) reviewed; 8806538
- high-frequency word identification, basal reading series texts/word lists agreement; sight vocabulary instruction; 8802385
- interlexical homographs; language-selective access; word frequency effect; French/English bilinguals; 8802235
- lexical access measurement, lexical decision accuracy; repetition blocking effect, frequency/meaning values; 8807140
- lexicography, limited/controlled vocabulary lists, "from scratch"/occurrence-based; 8808881
- low-frequency words, norm use; corpus distribution account; 8808862
- memory span, articulatory loop explanations; A. D. Baddeley's/G. J. Hitch's work challenged; 8807148
- naming deficit, Alzheimer's type dementia; object/drawing, name frequency effects; 8809448
- word frequency/reading vocabulary relationship; lognormal model, family frequency concept; fourth- through twelfth-grade students; 8805426
- word recognition processes, blind/sighted children; semantic processing/work frequency/phonological recoding; blind children mean age 12:2/sighted children mean age 10:6; 8802844
- word recognition; focal attention/contextual theories; graphic similarity effect; word frequency effect; first graders; 8807712
- word recognition; function/content words; lexical decision word reaction times/evoked potentials; 8800119
- word-frequency effects locus, word recognition; novel letter strings processing evidence; 8807288

Word Order

- absolute constructions; semantic criteria; alternative essential-nonessential function definition; French material; 8803186
- Acehnese (Austronesian) passive construction; verb agreement/grammatical relations; 8805721
- adult second-language acquisition; parametric variation role; pro-drop parameter; Spanish-/Arabic-/Japanese-speaking English learners; 8800415
- adult second-language learning; parameter-setting model/universal grammar; English anaphora acquisition; Japanese/Spanish speakers contrasted; 8802612
- agrammatic aphasia, grammaticality sensitivity; word order/agreement violation processing; 8809462
- aphasics' word order preservation; fluent/nonfluent English-, German-, Italian-speaking aphasics; 8806973
- Arabic deletion; word order, clause types; 8808106
- Arabic sentence structure; Prague school functional analysis; constituent order variation, communicative functions; 8803117
- Australian aboriginal languages; common grammatical features; 8806237
- Biblical/Imperial Aramaic word order; functional grammar/discourse analysis; dialect development issues; 8800760
- bilingual discourse; code-switching/word order equivalence constraint; context-free grammars; 8801190
- case marking, formal means; prosodic features/word order/morphemes, homosignification relation, natural languages; 8800799
- Chaucer's poetry; syntactic patterns/vocabulary connotations, stylistic effects; 8809139
- child language development; syntax acquisition, word order rules; empiricist approach; comments/reply; 8802351
- Chinese sentential word order; theoretical view; 8808167
- Chinese/Japanese word order, syllable/mora differences; comparative analysis; 8806387
- computational linguistics; natural language processing/linguistic theories relationship; unification grammars; 8808498
- discourse/morphosyntactic markedness; Tagalog word order, English anaphora; 8801019
- early Indo-Iranian languages; configurational syntax; *wh*-movement/cliticization; 8803185
- English as a foreign language acquisition, Hungarian learners' difficulties; word order/preposition differences; written language error analysis; 8805147
- English auxiliary *do*, historical development; Early Modern English corpora, synchronic/diachronic analysis; 8803751
- English question-answer unit, preliminary characterization; obligatory/facultative elements, question/prequestion correlates, word order/intonation/subordination; 8800887

- English viewpoint subjuncts; syntactic/semantic properties; word order variation; 8803147
- English-Italian word order comparison, didactic objective; Italian as a second language instruction, English students, U level; 8803805
- English/German morphosyntax; systematic differences; J. A. Hawkins's *Contrastive Typology of English and German* reviewed; 8806373
- Ezzo lied, Germanic-Carolingian features, meter/sentence structure/word formation/usage; 8809170
- French adjective placement; distributional groups; Indo-European/Latin norms; 8803266
- French *faire* 'to make' + verb construction; second-language learners' difficulties; English-French translation task; English-/French-dominant linguistic students compared; 8800439
- French interrogative sentence; word order pragmatics; inversion/*est-ce que*/intonation markers; 8803144
- French past tenses; word order influence; 8800773
- French word order, functions; topic marking, sentence ordering; 8803129
- French word order; object complement ordering; semantic factors; *traduire* 'to translate' example; 8803238
- Gavião (Brazil) word order; deep structure determination; information/coherence/topicalization/fronting; 8800867
- German as a second language instruction, Italian learners; dependence-verb-grammar textbook representation; dependence grammar; 8802570
- German as second language instruction; dependence-verb grammar value/textbook representation; 8802569
- German discontinuous noun phrases split, "free" word order; government/binding framework, universal grammar principles; 8808443
- German *gewiss* 'certain'; hedging functions; intensification/weakening; 8805897
- German sentence adverbials' syntax, *vielleicht* 'perhaps' topology; transformational-generative framework; N. Chomsky's *move- α* rule application; theme-rheme division; 8808142
- German word order, case grammar analysis; deep case hierarchy; 8805715
- German/English word order; principles, typology, Korean/Japanese/Turkish/German compared; 8804122
- German/Norwegian sentence topology; subject category's descriptive relevance; national substitutes proposed; 8803785
- grammatical corrections production; normal/language-impaired children; word order violations; children aged 6-10; 8800074
- Hebrew sentence comprehension; linguistic cues, differential strengths; patient role assignment; adults/children aged 4/5/7/9; 8804803
- Hungarian restrictive relative clauses, processing determinants; word order, chunk fragment construction limits, clause focusing differences; 8807176
- Hungarian syntax; government-binding analysis; configurationality parameter; 8803200
- Ibero-Romance interrogative word order; comparative analysis; Brazilian Portuguese verb-fronting optionality; 8800804
- Japanese syntax; nontransformational phrase structure analysis; anaphora/control, syntactico-semantic approach; 8805732
- Japanese syntax; surface processing strategies/language acquisition; 'embedded relative' *kara* 'because' *-te* clauses; 8802349
- Kola-Sami (Lapp) infinitive/participial constructions; transitive/intransitive verb use, word order; 8800872
- language universals; typological approach; word order/second-language acquisition research; language transfer; 8802622
- Lao Qida*; annotated translation/syntactic analysis; word order/verbal modification/voice; 8801134
- Latin word order; subordinate clauses; syntactic/semantic/pragmatic factors; displacement/informational status; 8805788
- Latin/French evolution; morphological, syntactic structures; free word order question; 8803125
- Mandarin Chinese basic word order; lexicase analysis; 8800787
- Middle French word order; prosodic/syntactic changes; F. Villon's writings; 8803259
- Modern Written Arabic, basic unmarked word order; PS rule formulated, number feature; transformational framework; 8800878
- Modern Written Arabic, basic unmarked word order; verb phrase constituent absence; transformational framework; 8800877
- negative particle/sentence adverb acquisition, Swedish language learners; error analysis/interview/description/acceptability test; Finnish-/Polish-/Spanish-speaking adults; 8807516
- Old French syntax; null subjects/verb second phenomena; historical changes; 8806245
- Old Persian word syntax; verb position, fronting; 8805733
- Papago (Uto-Aztecan) word order; syntactic role independence; information structuring/pragmatic principles role; 8803472

- Pitjantjatjara (Australian Aboriginal) syntax; categories/word order; hierarchical structure; 8803136
- prefixing/suffixing universals, basic word order relationship; two principles, psycholinguistic evidence; 8808454
- Romanian disjunctive coordination, traditional theses contested; 8803131
- Russian conjunctive word *kotoryy* 'which' word order; contactive/distant position, definite subordinate sentences, occurrence restrictions; 8805780
- second-language errors, transfer vs interference; English questions word order violation, Italian students; 8804985
- sentence comprehension, Japanese children; longitudinal study; children aged 4:1-6:1; word-order strategy acquisition; 8804757
- sentence processing strategies; Japanese/English speakers; subject identification, word order/anymacy cues; 8802934
- sentence processing; functional constraints; syntax/semantics/pragmatics interaction; Italian/English speakers; 8802931
- Serbo-Croatian noun phrases, internal structure; descriptive adjectives, X-bar theory analysis; word order effects; 8808474
- Slavic decision questions, topical division; intonation means use, Russian/Czech/Serbo-Croatian; 8805682
- spoken French; syntactic changes, pedagogical implications; basic word order shift; 8805012
- storyline; structural/semantic functions; narrative universals; East/West African languages; 8801061
- subordinate clauses; finite verbs/sentence adverbs relative order, Scandinavian languages; subject-verb agreement loss; 8808495
- syntactic processing; SVO expectancy hypothesis supported; 8802259
- transitive sentence comprehension; Hungarian-Russian bilingual preschool children; word order variation/case marking allomorphy; 8802340
- Turkish word order; noun phrase semantic features role/restriction, ($\pm$ definite)/($\pm$ animate); 8805842
- verb second word order; historical developments; Slovene/Serbo-Croat/Germanic compared; 8803640
- Welsh clause structure, generalized phrase-structure grammar approach; verb-subject-object languages application; 8808430
- Welsh syntax; government-binding analysis; word order/null subjects/agreement/movement rules/passive constructions; 8805790
- word order acquisition, Dutch/German, first/second languages; "move alpha" matrix accessibility, structural transfer; H. Clahsen's/P. Muysken's view challenged; 8807537
- word order colloquium, Ghent, Belgium, May 1987; general outline; 8803156
- word order parameters; government & binding framework; Chinese/Kpelle (Niger-Kongo) headedness analyzed; 8803568
- word order selection; "me-first"/information accessibility approaches; 8804666
- word order, Brazilian Portuguese, pragmatic constraints; oral narratives analyzed; hybrid S-category; 8805722
- word order, French/Italian; structural differences; 8803133
- word order, grammatical description; grammatical/communicative/rhythmic principles interplay, functional sentence perspective proposed; 8800895
- word order, markedness theory; functional attraction/linearity interaction, statistical evidence; 8800830
- word order/grammatical categories relationship; clitic ordering, "zone" notion; French material; 8803132
- Word Play (Games)**
- acronym, morphological/phonetic/semantic aspects; acronym/clipping/blendword relationship; linguistic economy; 8801598
- American Slovene linguistic humor/word play; migration patterns, newspapers; word polysemy, Croat words/Croat-like expressions; 8801441
- Cameroon Pidgin English riddles, flexibility/style; subject/morpheme analyses; classroom use; 8809093
- Chinese letters, symbolic character; palindromic/anacyclic poetry; visual aspects; 8801910
- computers for play/language/thinking; requirements, benefits; 8807367
- Dinka (Chari-Nile) tongue twisters, preadolescent speakers; ethnolinguistic studies; grammar/socialization instruction; 8808565
- English as a second language; games activities; 8805056
- English Riddle Ballads, question types; new definition proposed; 8809024
- foreign-language instruction, word/language games; French advertisement word play; 8805061
- funny errors, typology; language/humor relationship, linguistic ambiguity, funny results; 8800942
- German as a second language, communication-oriented instruction; games as teaching activities; 8802577
- German cabaret puns; typology, semantic context criterion; 8800983
- German *Lust* 'pleasure, inclination, lust', meaning associations; *Grazer Linguistische Studien* 25th issue celebrated; 8800918
- I trulli di alberobello* (Trulli at Alberobello), word-play-based short story; 8800173
- Inuit Eskimo vocal/musical games; structure, stylistic analysis; 8801262
- Israeli humor, *Ha'Gashash Ha'Hiver*; ethnic-variation-based humor; 8801681
- language games/linguistic concepts instruction; U level, methodological suggestions; 8800177
- Latin homonym *ius* 'broth, soup'/'right, law'; tongue-in-cheek treatment; 8800902
- Medieval French wordplay; *romipètes*; 8801284
- Mossi (Niger-Kongo) *sòlem-kòesé* (Short Stories); typology; riddle vs special item; response; 8803614
- oxymorons, humorous appraisal; 8803272
- paronymy, new definition; Hungarian data, typology; 8803980
- reading game plan, phases; reading-disabled class; reading skill development; 8802736
- riddles, Gujarati examples; typology; E. K. Maranda's analyses extended; 8809019
- second-language teaching, "intercourse" approach; tongue-in-cheek proposal; 8800243
- sexually connotative expressions; semantic analysis; syntactic structure, typology; 8800975
- Spanish as a foreign language instruction, Spanish puns; advertising media sources; 8800203
- word play, translatability; French language *Astérix* comic strip/R. Queneau's *Zazie* novels; 8808031
- words, internal structure; crossword puzzle paradigm; syllabic/morphemic unit retrieval differences; interactive model proposed; 8804677
- Word Recognition and Discrimination**
- ambiguous word lexical processing; sentence focus effect; cross-modal semantic priming/focus-identifying task; 8802266
- aphasia; oral naming/word comprehension; 8802130
- aphasic anomia; word-finding defect; anomia classification; 8809374
- aphasic anomia; word-finding defects/semantic lexical disturbances relationship; 8804535
- asymmetries; normal/aphasic subjects compared; high/low imagery word recall/recognition; 8804561
- attention/learning-disabled children, hypotheses reviewed; historical/futuristic perspectives, research background; capacity variable/control process distinction; 8804609
- auditory word recognition, sentence context role; interactive processes constraints; 8800039
- auditory word recognition; mental lexicon, structural/representational organization; computational/experimental methods; 8804682
- auditory/visual imagery, word recognition processes; blind/sighted children mean ages 10.9-12.12; 8802845
- aware vs unaware memory; written discourse; perceptual/comprehension tasks; high school students; 8800118
- beginning sight words instruction, predictable materials/preprimers use; sight word recognition, unknown word strategies, reading task attitudes; first-grade students; 8805282
- bilingual associative priming, interlingual facilitation effects; between-/within-language conditions; French-English bilinguals; 8807965
- bilingual word recognition; lexical access/representation; nodes/connecting networks; 8805538
- child language acquisition, equivalent objects pairing; inclusion class formation; object name/shape/material; kindergartners/elementary school pupils; 8802309
- child language acquisition; language awareness/comprehension relationship, age factor; pronoun recognition task; German preschool students; 8804724
- children's word reading; environmental print identification effect; sign/logo recognition; preschoolers; 8807602
- Chinese character complexity, character recognition; native/nonnative Mandarin readers; English word recognition contrasted; 8800123
- Chinese words, semantic type distributions; 8808255
- context effects, word recognition; L. K. Tyler's hypothesis reexamined; native Scots English speakers; 8807319
- cursive/manuscript writing; recognition ease compared; profoundly deaf children; 8804102
- decoding/developmental reading programs; "scope and sequence" concept, instruction improvement suggestions; 8805466
- developmental lag hypothesis, reading; nondyslexic reading problems; third-/fifth-/seventh-grade children; 8802857
- early reading instruction; word introduction, isolated vs in context; first graders; 8807711

- encoding context effects, recognition/cued recall; information activation; 8807276
- episodic/semantic memory; functional independence tested; lexical decision/recognition tasks; 8802267
- formant-estimating speech processor; cochlear implant patients; lip-reading/discrimination/speech tracking tasks; 8804627
- generation effect, word recognition inhibition; complete word processing, imagining effect; 8807798
- hyperlexia; reading skills/word knowledge/comprehension; developmentally delayed/language-disordered children; 8800110
- imagined/heard word discrimination, another speaker's voice; memory differences; 8807317
- indirect activation; semantic/phonological contexts; word completion test; 8800046
- information processing; given/new distinction, accentuation relationship; 8804837
- interlexical homographs; language-selective access; word frequency effect; French/English bilinguals; 8802235
- isolated word recognition; triangle inequality verification, dynamic time-warping dissimilarity measures; 8806936
- language-disordered children; connected speech word finding skills; spontaneous language profiles; diagnostic implications; 8802174
- learning modalities, reading/word recognition, ethnic groups comparison; Anglo-American/Black American/Mexican-American first graders; 8807854
- letter perception, particular experiences influence; pseudowords identification; 8807311
- letter/word identification; distributed connectionist model; repetition effect; 8804669
- letter/word processing; meaning association; encoding-retrieval interaction; words vs pseudowords; 8800141
- lexical comprehension; experimental data/explanatory models, logogen/cohort/trace models; 8802237
- lexical decision task; phonological encoding role, pseudohomophone effect; invariant strategy; 8804854
- lexical decision/naming asymmetries; response selection, bias influence; 8807330
- lexical decision/naming task difficulty; function vs content words; phonological recoding; first-grade disabled readers; 8809483
- lexical decision; list composition effects; dual process model developed; recognition memory; 8802369
- lexical information memory; continuous prose; cloze tests; children aged 7:5-13:2; 8805402
- lexical knowledge/linguistic knowledge/conceptual knowledge relationship; lexical system/mental lexicon relationship; lexical entries ordering, lemma/lexeme subsystems; 8802236
- lexical memory; word recognition; interconnected concept node network; activation growth, continuous models; 8800052
- lexical recognition; prefixed words vs free morphemes; gating/auditory lexical decision/naming tasks; continuous access theory supported; 8807309
- lexical recognition; sentence focus structure influences; modular thesis rejected; 8807172
- lexical stress role/function, auditory word recognition; word monitoring/identification tasks; 8807324
- lexical stress/access, word recognition; phoneme perception response speed; homographs/nonhomographs; 8807303
- lexicography, limited/controlled vocabulary lists, "from scratch"/occurrence-based; 8808881
- linguistic processing; hemispheric asymmetries; lateralized lexical decision task/semantic primes; 8800038
- lipreading ability; sex differences; syllable/word/overlearned sentence recognition; 8806831
- motor/phonemic processing, reaction times; elderly subjects, mean age 72, 84 years; 8802021
- name tracing identification, right/left palm; spatial aspect dominance; 8807340
- naming deficit, Alzheimer's type dementia; object/drawing, name frequency effects; 8809448
- nonword repetition; lexical contribution; event-related potentials; orthographically legal/illegal nonwords; 8800135
- old/new word distinction; listener's perception/use; word shortening; 8803419
- perceptual identification; contextual priming effects; automatic/controlled processes; 8800042
- pictorial/verbal information integration; general/specific sentence-picture presentation sequence; dual/common code semantic interpretation, dual-coding position elaboration; eleventh-grade students; 8804695
- plausibility effect; lexical vs sentential processing; disruption effects; 8800132
- priming; word-fragment completion test; visual/auditory conditions; 8800134
- printed word recognition; sentence context effects; lexical access/physical word features; 8802274
- prior knowledge effect, reading comprehension, learning-disabled students; word decoding deficit; junior high school learning-disabled students; 8809487
- proper noun instruction; creative emphasis; 8807745
- reading ability variance, word decoding skill, context/memory/comprehension effects; 8805472
- reading comprehension development component processes; structural modeling; learning-disabled children aged 6-11; 8802830
- reading comprehension; metacognitive strategy instruction effects; fourth-grade students; 8802812
- reading high/low imageability words; word acquisition age effect; 9-year-olds, adults; 8805258
- reading instruction, computer games; development/implication; 8802738
- reading process; phonemic awareness relationship; early readers; 8802860
- reading processes, redundancy/word perception, visual information extraction; reading test/eye movement data; 8805484
- reading retardation/visual deficit relationship; word recognition impairment; 8809475
- reading, theoretical model; language facility/word recognition effects; 8807139
- reading/spelling relationship; good vs poor readers; word recognition/oral spelling/written spelling; 8805460
- recognition failure; categorized word pairs; 8800128
- recognition memory/conscious awareness, functional relationship; episodic/other memory systems; 8807279
- remedial teaching strategies effects, reading-disabled children; word recognition; Kaufman Assessment Battery for Children scores; 8809477
- repetition blindness; rapid serial visual presentation; word recognition; 8802384
- residual recall; organizational dimension, sorting/recall task; 8-/10-year-old learning/nondisabled children; 8805474
- second-language reading process; native-/second-language reading comparison, interference phenomena; 8802528
- semantic organization, classification skills; fluent/nonfluent aphasics; 8809424
- semantic priming; lexical decision task; word masking; word recognition/interruption masking theories; 8800050
- sentence context experiments; different neutral conditions compared; word-naming times; 8804841
- sight word acquisition; word categorization level effect; prereading first graders; 8807694
- single-solution word fragments; college students' familiarity; normative data presented; 8800115
- speech perception; lexical/sentence context role; phoneme identification/word recognition; voicing continua; 8802368
- speech recognition, vector quantizers; isolated words; IBM Spellmode vocabulary; 8806906
- spelling knowledge, reading learning; phonics instruction relationship; visual/phonological word recognition, initial reading errors literature; 8802713
- surface dyslexia; semantic/visual recognition systems, partial dissociation; case study; 8804600
- sustained silent reading programs, effectiveness studies findings; word recognition, reading comprehension, attitudes; 8805379
- syntactic processing; cerebral hemisphere involvement; lexical decision tasks; normal right-handed subjects; 8802263
- text learning judgments, processing variables effects; rated confidence values/recognition correctness; age differences; third/sixth/eighth graders, college freshmen; 8802389
- tip-of-the-tongue state; attribute reports; college students; 8800021
- tip-of-the-tongue/feeling-of-knowing phenomena, functional difference; word memory task; recognition latency; 8804688
- unfamiliar word meaning; contextual information use; intervention strategies; fourth/fifth/sixth graders; 8805407
- untransparent composition memory representation, Dutch material; lexical decision task, semantic priming; full entry theory supported; 8808305
- verbal material memorability; encoding difficulty effects; recall/processing/recognition performance; 8802387
- verbal performance, retention/recognition, motor activity effect; J. Engelkamp's/H. Krumnacker's thesis refuted; 8807299
- visual/aural word recognition; context effects; sentences/single-word associates; 8802859

- voice/word identification; hemispheric specialization; processing differentiation; 8807338
- "whole word" vs "single letter" reading controversy; graphic/semantic information importance; reading/writing as social activities; 8802802
- word decoding; contextual cue use; research applied; case study; Neale test; 8805349
- word identification/lexical decision; repetition effects, explanatory model proposed; memory representations; 8802370
- word identification; attentive/nonattentive stimulus effect, word/nonword, interstimulus interval variation; dual coding theory evidence; 8804710
- word memory traces; semantic structure; noun recognition experiments; 8804702
- word naming; associative/grammatical priming; pre-/postlexical contextual effects; Serbo-Croatian; 8804704
- word perceptual identification, word memory; perceptual/conceptual components role; German words/pseudowords; 8807298
- word reading time, text processing research; computer-generated task; 8802842
- word recognition abilities, reading-disabled elementary-secondary students; Wide Range Achievement Test, Stanford Diagnostic Reading Test/cloze passages; minimum competence testing implications; 8809479
- word recognition factors, subject/materials/tasks/context roles; skill level differences; 8807297
- word recognition memory; stimulus suffix effect; 8804826
- word recognition processes, blind/sighted children; semantic processing/work frequency/phonological recoding; blind children mean age 12:2/sighted children mean age 10:6; 8802844
- word recognition processes; vocabulary knowledge relationships; letter-search/word naming/lexical decision/priming tasks; 8800121
- word recognition skills; parents' contributions; low-income Hispanic first graders; 8800490
- word recognition subprocesses, speed; reading achievement results; undergraduates; Nelson-Denny Reading Test; 8805411
- word recognition training; decoding skills/OWLS/classroom survival skills programs; accuracy-/rate-disabled dyslexic children; 8809480
- word recognition, first graders; cognitive development/sex/abstractness; children aged 5:9-6:9; 8802681
- word recognition, foveal/parafoveal viewing; hunger/satiation effects; 8804824
- word recognition/retention relationship; "recognition failure" effect; I. Begg's vandal theory supported; 8802377
- word recognition; context effects; C. A. Becker's verification strategy theory questioned; 8802396
- word recognition; contextual cues; verbal discrimination learning; 8800127
- word recognition; contextual influences; lexical relatedness/syntactic connectedness; 8804701
- word recognition; focal attention/contextual theories; graphic similarity effect; word frequency effect; first graders; 8807712
- word recognition; function/content words; lexical decision word reaction times/evoked potentials; 8800119
- word recognition; good/poor readers differences; developmental-interactive hypothesis; 8802363
- word recognition; length/visual field effects; right visual field advantage suggested; 8802419
- word recognition; semantic/syntactic cues; 8-year-olds; Schonell Graded Word Reading Test; 8805433
- word recognition; spontaneous speech acoustic offsets, subsequent context effects; U students; 8807315
- word recognition; subliminal verbal priming; phonemic/graphemic/semantic primes; lexical decision task; 8804836
- word shape use, word recognition; reading task; fifth/seventh graders; 8800488
- word typicality judgment; electrophysiological manifestations, N400 component; adult males; 8804866
- word-frequency effects locus, word recognition; novel letter strings processing evidence; 8807288
- words/objects visual recognition; context role; literature survey; 8807273
- written word acquisition/retention; isolated word vs word-sentence conditions; kindergartners; 8807841
- Writing (see also Composition, Orthography)**
- abbreviation, parodic treatment; funny abbreviations listed; 8800571
- academic English writing instruction; information structure/communicative dynamism; 8805506

- Mexican indigenous populations; northern Veracruz situation; language maintenance/literacy development; 8809027
- noun compounds, appropriateness discrimination guidelines; writing instruction application; 8807917
- paragraph structure; discourse aims/semantic movement/sentence roles; exploratory-poetic/informative-persuasive paragraphs; pedagogical implications; 8801076
- précis writing; writing skill training; college students; 8802923
- process approaches, writing/language instruction compared; Australian application discouraged; 8802463
- punctuation instruction, rhetorical effects creation; norm violations; 8807927
- reading classroom; writing instruction role; teachers' beliefs; fifth-grade teachers; 8800491
- reading performance/writing ability, idea relationships emphasis; 8805326
- reading-writing instruction; Kirundi-speaking elementary school students; suprasegmental elements; 8804888
- reading/writing difficulties, remedial technique; VAKT methodology; tactile modality/right hemisphere emphasized; 8805280
- reading/writing instruction, secondary school contexts; life-long developmental process; 8802735
- reading/writing instruction; communicative approach described; 8804879
- reading/writing instruction; language views' influence; literacy models; 8800011
- reading/writing instruction; psychogenetic/psycholinguistic studies; 8800499
- reading/writing pedagogy; microcomputer applications; software evaluation; 8805269
- reading/writing skill improvement, state governors'/educational leaders' opinions; questionnaire data; targeted monies, class size reduction, teacher education, home help issues; 8804881
- reading/writing skills improvement; free-response/opinion-proof instructional sequence; secondary language arts classes; 8807733
- reading/writing, student processes; experienced/inexperienced readers/writers; 8807812
- remedial writing exercises, reading program incorporation; 8802717
- Riehme, Joachim, German orthography teaching; orthography/grammar relationship; 8804090
- schema theory, technical communication; reading cognition research, writing course application; category effect/script theory relationship; 8800570
- second-language writing research; pedagogical implications; 8802891
- sentence combining, composition technique; D. A. Daiker's/A. Kerek's/M. Morenberg's study replicated; 8800562
- Shaughnessy, Mina P., *Errors and Expectations: A Guide for the Teacher of Basic Writing*; review article; 8800566
- Spanish accents; orthographic convention instruction; acoustically based autodidactic method evaluated; 8807377
- spelling instruction, imagery strategy; fourth-grade students; 8807249
- summarizing process; knowledge of the criterion task effect; fifth graders; 8807908
- summary writing/comprehension; summarization instruction effects; rule governed vs intuitive approach; sixth graders; 8807622
- syntactic development; subordinator use/written language; transitional grammars; 8807261
- syntactic fluency development; sentence combining instruction/traditional methods; U basic writing students; 8802924
- syntactic parallelism; pedagogically based representation system; writing learning; English as a second language; 8803257
- teacher questioning patterns, native/nonnative students; U composition classes, English as a second/native language students; 8807411
- technical report writing instruction, case approach; motivated-sequence format; 8807890
- technical writing instruction, effective techniques; verbal structure components; 8807915
- technical writing instruction, reading assignments; engineering students; 8807945
- text processing/decoding, reader's perspective; emotional/motivational factors; 8807889
- textuality features/categories, didactic relevance; written language instruction; German material; 8808329
- U-level composition courses; reading/writing relationship; English as a second language students; 8802919
- writer training, native language materials translation; teaching methods described; 8800558
- writing across curriculum course; goals/principles; 8807930
- writing act; medieval European changes, ethnographic analysis; 8807920
- writing conceptions; prespelling children; writing development model; constructivist teaching experiment; 8800093
- writing instruction, advanced composition; text/reader conceptions; 8807931
- writing instruction, computer word processing/"process" model combination; program development, Ramah Navajo Indian Reservation school; 8807914
- writing instruction, genre-based approach, Australia; theoretical basis, approach development; 8802901
- writing instruction, nonclassroom setting; techniques; 8802908
- writing instruction, "nondirective" feedback; J. Lacan's transference theory applied; 8800553
- writing instruction, propositional analysis; W. Kintsch's text analysis approach; 8807911
- writing instruction, research survey; current approaches; presentational/natural/environmental models; 8800589
- writing instruction, tutors' writing process changes; teaching impact; 8800575
- writing instruction; adjective use; reader/writer interaction; 8804898
- writing instruction; RAFT assignment-making procedure; content area material; 8807910
- writing instruction; social context importance; first graders' experiences; 8807940
- writing instruction; writing/reading relationship; media use; 8807644
- writing pedagogy; collaborative technique; mixed-grade elementary school students/undergraduates; 8800555
- writing pedagogy; college-level English as a second language classes; promising practices described; 8804941
- writing pedagogy; microcomputers use; software design; primary grade francophone children; 8800244
- writing pedagogy; process approaches; effective techniques; 8807898
- writing pedagogy; sentence-combining exercises; English native-/second-language teaching; 8802884
- writing performance, reader-/criterion-based peer evaluation; compositions, surveys; twelfth graders; 8807888
- writing process, planning/fluency; verbal communication strategies application, ideal addressee; writing process videotape analysis; 8808909
- writing process; errors/editing roles; error taxonomy examined; 8802903
- writing process; research reviewed; secondary/postsecondary writing; pedagogical implications; 8802902
- writing remediation; word processor use effects; automatic processing/cognitive load reduction; disabled writers; 8805505
- writing skills assessment; remedial college curricula development; essay/objective tests relationships; 8800579
- writing skills instruction; hearing-impaired college students; 8807116
- writing types, classification/instruction; traditional classifications reworking attempts; 8800580
- writing/rewriting strategies; skilled vs unskilled writers; instruction needed; 8800556
- writing; cultural differences; contrastive rhetoric/second-language learning/literacy education; 8807935
- written argumentation instruction; foreign students, France; 8804945
- written communication apprehension, syntactic language, business setting; multidimensional model; 8807946
- written expression, language-disordered children; semantic organizer approach; 8807191
- written language instruction; language arts textbooks examined; 8800508
- written language instruction; student writing/teachers' written comments; case study; 8802918

LLBA presents

your guide to searching Linguistics & Language Behavior Abstracts using a personal computer

Our recently published 20-page booklet will show you how to turn your personal computer into an effective research tool. You can have access to more than 80,000 citations and abstracts from the worldwide literature of linguistics as fast as you can type "sociolinguistics" (or, if you prefer, "discourse analysis").

The Guide contains:

- Hints on search strategies
- A review of Boolean logic
- Sample searches conducted on user-friendly systems
- A glossary of terms, and more...

To receive your free copy, simply return the coupon below. And, if you wish to attend an **LLBA** online user workshop, please be sure to mark the appropriate box.

ORDER FORM

Linguistics and Language Behavior Abstracts is published quarterly. Each issue is fully-indexed.

- ☐ 1-year subscription, \$185
- ☐ Separate yearly cumulative index, \$55 (if ordered with regular subscription, \$50) (if ordered by non-subscriber, \$105)
- ☐ User's Manual, 3rd edition, \$51 (All cited prices include postage and handling)

Please send me one copy of
